ROTARY SPOKE

Redwood City, California.

July 6, 1971

THIS WEEK -- This week will be the first meeting of the year and will be devoted to a Club Assembly.

NEXT WEEK -- Dr. Liebowetz will speak on the Health program for the elderly in Holland. The title of his talk is, "Dutch Treat for the Elderly in Holland."

LAST WEEK -- Our Councilman, Paul Keckley was the speaker. He outlined the several "low income" housing projects being planned in Redwood City. Paul reminded us of the importance of Citizens being aware of the underprivileged people in our area and discussed the City's plan to have the County jointly support the PROBE Center, even though its site is outside our city.

Chet McRorie served as finemaster and concluded the year with a sizable financial legacy for our club for the next Rotary year.

ROTARY INSTALLATION -- The Rotary Installation and 25th Anniversary party held on June 22, 1971, was a usual Rotary success. Club members who attended enjoyed a delicious meal and a few hours of socialization with fellow Rotarians and their Rotary-Anns. Don Neufeld served as finemaster and showed no mercy during his brief, but lucrative, reign of terror. The group was entertained by Sid O'Berlin who sang some lovely Irish ballads. Jim Greenwell's deft fingers accompanied the "Irish Troubadour" on the piano. Ray Winther, 513 District Governor, and his Rotary-Ann were in attendance. Joe Gabriel, a past District Governor, installed President Bill and the other incoming officers. Bob Brown, the M.C. for the affair, concluded the evening by distributing the table bouquets which were furnished by our own President Bill.

ROTARIANS IN THE NEWS -- Last wednesday, Frank Purcell was honored as KABL's Citizen of the day because of his distinguished and long service to the Community, and especially for his work in providing training and Job Opportunities to people from minority groups.

THIS WEEK -- The speaker for this week is Dr. Liebowitz who will speak on the medical program offered to the elderly in the Netherlands. The topic of his talk is, "Dutch Treat for the Elderly in Holland".

Gene Bramlett is scheduled to serve as finemaster for this week.

NEXT WEEK -- Ronald Conway will be the speaker on July 20. Mr. Conway is a Stanford student who has made a study of the prisoner of war situation in Vietnam. The topic of his talk will be, "American Prisoners of War".

LAST WEEK -- President Bill began his new term as president of the club by recognizing the visiting Rotarians and guests of Rotarians. Ken Brown pinched hit as a fine-master and extracted quite a sum of money by "knocking off" the anniversaries and birthday fines for the month of July. Bob Brown in a fit of conscience belatedly paid for his May birthday. Some impressive photos of Rotarians were also sold by Ken and the fining was concluded as each member who missed the wonderful July 4th parade was dunned for \$1.00.

The remainder of the meeting was devoted to a club assembly. Even though the process appeared confusing as Rotarians moved about the room to meet with various committees, it was obvious that a lot of business was conducted and many initial plans were developed for an exciting Rotary year.

To Dave: Sure missed the "News of the Day".

LEST WE FORGET -- The District Governor of 513, Charlie Strope, will be visiting the club on July 27, and will meet with various committee chairman at a club meeting beginning at 10:00 a.m., on that day. All committee chairman should be available to attend that meeting to explain and discuss their plans for next year. Governor Strope will be the speaker at the regular meeting.

Reports from all committee chairman should be submitted to President Bill this week, outlining the objectives and programs of their committees for the next Rotary year. These reports will help our officers to inform the D. G. about the club's overall program for the next year. It is imperative that these reports be submitted.

CASHIER COMMITTEE -- The chairman of the cashier committee has established the following schedule for the Rotarian on his committee to serve as cashier:

1st Tuesday of each month - Tony Gonzales
2nd Tuesday of each month - Pat Patterson
3rd Tuesday of each month - Scotty Elson
4th Tuesday of each month - Stof Stofle

If for some reason any of the people listed above cannot serve on a particular Tuesday as scheduled, contact Ken Hill at 365-1550.

SOME REMINDERS -- As you know, Bill Bergler is the new treasurer and all bills relating to Rotary business should be directed to him.

The "Spoke" is always looking for news about fellow Rotarians. If a Rotarian has a news item which he wishes to share with fellow members, please contact John Bunting at 369-1412, or Ken Hill at 365-1550.

Al Bostwick will be receiving all makeup cards for this year. His address is Sequoia Adult School, Boradway and Brewster, Redwood City, 94062.

THOUGHT FOR THE DAY -- A Rotarian's dividends come through fellowship and acquaintanceships, regular attendance at weekly meetings, and the application of Rotary ideals to his business and professional life. Good returns from an investment in Rotary depends on the individual member, and nobody else.

July 20, 1971

THIS WEEK -- Mr. Ronald Conway from Stanford University will be the speaker at today's meeting. Mr. Conway will speak on the topic of "American Prisoners of War."

The finemaster for the day is Bill Bulanti.

NEXT WEEK -- Charlie Strobe, our new District Governor, will be at our next meeting. Prior to the luncheon meeting Charlie will meet with President Bill and other officers and Committee Chairmen to discuss our club plans for the year.

WHO'S CHARLIE ? -- As a member of the Rotary Club of Eureka, Charlie Strobe has been active in Rotary since 1954. Charlie was born in Idaho and moved with his family to Santa Cruz, California, while he was in High School. After a stint in the Army Air Corp in World War II, Charlie attended the University of California and graduated from that institution in 1948 with a BA in engineering. Eventually, Charlie joined a printing firm and has been owner-manager of the Times Printing Company in Eureka for more than 17 years.

As a Rotarian Charlie has served on all major club committees, was president of the Eureka Rotary Club during 1968-69 and served as the District Governor's Representative in Area I. In addition to Rotary and his work Charlie finds time to golf, play tennis, ski, hike and fly a small plane.

Charlie and his wife Gladys, have two married sons and two daughters, ages 21 and 16.

LAST WEEK -- Sid Berlin opened the meeting as song leader and Vince Claypool gave the invocation. After introductions Gene Bramlett, as finemaster, extracted a healthy sum of money from certain individuals who were so busy relating humanly that they forgot they were members of the Human Relations Committee for this year.

Bob Brown, introduced Dr. Liebowitz who was the speaker for the day. Dr. Liebowitz was a recent visitor to Holland where he had an opportunity to review the health program provided to the elderly in that country. The salient point of his talk was that Holland provides a program for the aged that is predicated on keeping all people active and as independent as possible. This is done by providing housing units for the aged with recreational facilities which encourages mixing with young adults. The elderly are provided counseling services which are designed to train and not to foster dependency. The cost of the program is paid through a social security system which taxes the young adults rather heavily during their productive years so that every opportunity can be provided for them to live in dignity after age 65.

JULY 27, 1971

TODAY -- Redwood City Rotary welcomes District Governor Charlie Strobe, who has chosen today for his official annual visit. He is spending the greater part in our town getting the low-down on why we're so outstanding a club. Rotaryanne Gladys is being entertained by Redwood City Rotaryannes. Welcome!

Finemaster today -- Stan Silverstein

NEXT WEEK -- Program chairman Tom Poore announces our speaker will be Mr. Albert G. Bergeson, Assistant Regional Commissioner for the U. S. Bureau of Customs. His home base is San Francisco. Mr. Bergeson will discuss the enforcement of the nation's narcotics smuggling laws.

Finemaster - Alan Baldwin

IN THE GOOD OL' SUMMERTIME -- Is a good time to recruit new members for the club! We've listed a small sample of open classifications for 'yr perusal. How 'bout following up by inviting some "comer" to lunch?

Adhesive - Mfg. Distributing
Advertising Agencies
Floor Coverings
Laboratories, Dental
Tire Dealer
Etc., Etc.

LAST WEEK -- Sid Berlin led our opening songs with his customary verve and aplomb. Wonder if we'll ever have a piano again. Jim Greenwell's expertise is missed.

Visiting Rotarian Lloyd Gebhart (Soon to be a member of Redwood City) offered the invocation.

Bill Bulanti stopped in his travels long enough to extract \$ from a safe majority of those assembled.

Honored Guest (Mrs.) Dollina Rayer (ask Don Helbush what her name is and how to spell it!) for her many hours of work making Don's blood donor program the success it is. Did you see those beautiful roses, compliments of President Bill?

Canada College student Ron Conway received our close attention to his discussion of P.O.W.'s and M.I.A.'s (Prisoner of War, Missing in Action) in Vietnam. This young man impressed us all with his dedication to a worthy cause which is perhaps too little known. Bob Brown introduced Ron.

We welcomed 14 visiting Rotarians.

CLUB ROSTER: In order to be as accurate as possible we plan to distribute at a weekly meeting several copies of the roster as Sec. Al Bostwick has it. We know there are numerous errors. Each member will be asked to be his own proof-reader. That way, no fines for ye eds. Target date for distribution: August 15.

KUDOS -- to Ken Hill who has produced Spoke xcept for this issue.

TODAY -- The speaker for today's meeting is Mr. Albert G. Bergesen, Assistant Regional Commissioner, Treasury Department, U.S. Bureau of Customs, in San Francisco. Mr. Bergesen will speak on the very timely and serious subject of "Enforcing the Nations Narcotic Smuggling Laws."

NEXT WEEK -- Dr. Ernest Schnoor, the Sequoia District Chairman of the Boy Scouts of America will bring us up-to-date in his talk entitled, "New Image of Scouting."

LAST WEEK -- Charlie Strobe, 513 D.G., visited our club and met with most of the committee chairmen and officers during the better part of the morning. During that Assembly Governor Charlie reviewed the club's plans for the year and presented some helpful ideas to the chairmen in attendance. Charlie was positive about the club's direction and assured President Bill that most of the club's projects were consistent with his philosophy of encouraging innovative programs for Rotary.

Paul Keckly was the Finemaster for the day and led an active fining session which touched almost everyone-- including the guests from the Rotary Club of San Carlos and past D.G. Ray Winther.

The speaker for the day was Charlie Strop. After taking some good natured jabs at Ray Winther, Charlie presented to us some very serious challenges which must be faced by Rotary Clubs throughout the world. The concerns about Rotary presented by the Governor were the slow growth of Rotary membership during the past year and the inability of Rotary clubs to attract young people. Charlie indicated that Rotary must respond to the changing times by developing programs and projects which are relevant. He stated that Rotary, with its international communications and unifying objectives is a vehicle by which efforts can be combined for solving major community and universal problems. The Governor pointed out that Rotary can be most effective if clubs focus on relevant projects, encourage young people to join Rotary and increase efforts to have members who represent the minority segments of our population.

NEW MEMBERS -- Last week Reverend Lloyd Gebhart and Dr. Richard Morgan were introduced as new members to our club. Clyde Crippens sponsored Reverend Gebhart while Alan Bostwick was the sponsor for Dr. Morgan. Charlie Strobe conducted the introduction of the new members to the club. Let's all make sure that we take the time to personally introduce ourselves to these new members and welcome them into our club. Biographies of each new member will be forthcoming in "Spoke."

YEA GIANTS -- On September 14, 1971 (Tuesday nite) an outing to the Giants vs Dodgers ball game at Candlestick is planned. Tickets will be held exclusive for Rotarians and their families until August 15th. Only 100 tickets are available so get your \$6.00 per person into Sid Berlin as soon as possible. Sid's address is P.O. Box 111, Redwood City 94064. The bus to the game will be loaded at the Courthouse at 6:45 pm.

HUMAN RELATIONS -- Gene Bramlett reports that the Human Relations Committee has held its first meeting and sub committees were selected to carry out certain phases of the committee's program. The committee's goal is to develop positive programs in the areas of Employment opportunities, Law Enforcement, Education and Government.

SOS KINDERDORF-PATENBURO -- Tom Poore recieved a letter from the Sponsorship Department of the school where our Rotary Godson, Erich Madl, is enrolled in Austria. The School thanked us for our recent contribution, which will help defray the cost of Erich's education, clothing, food, etc.

AUGUST 10, 1971

TODAY -- Dr. Ernest Schnoor, R.C. Surgeon and Sequoia District Chairman, B.S.A., will speak on "The New Image of Scouting".

Finemaster - Ken Hill

NEXT WEEK -- The Honorable Dixon Arnett, our Assemblyman from the 26th District, will talk on "Sacramento Today - Reform and Frustration!" Dixon needs no introduction and he had certainly done his homework before his previous appearance at our Club.

LAST WEEK -- We welcomed 6 visiting Rotarians including a practicing DG and our own X-DG, Ray Winther.

Cliff Woodhams introduced his guest Ed Mairani, a new official in Cliff's firm.

Bill Bergler introduced Bob Frieberthausen, owner of Goodway Copy Center, R.C., which firm produces the Spoke.

Jud Shurtz, Phil Schneider, and Lloyd Gebhart opened the show -- singing, flag salute, invocation, in that order.

Finemaster, Dick Bimson, had the gang laughing hilariously as he deftly relieved us of muchas \$\$.

Al Bergesen (Mr. Albert G.) presented an informative and entertaining address anent the trials and frustrations of the U.S. Customs Bureau in enforcing the nation's narcotic smuggling laws. There are plenty of "cops and robbers" aspects involved, but Mr. Bergesen left no doubt about the serious, indeed, tragic nature of the problem of drug addiction and abuse. There are many international implications, with deep involvement of organized crime.

The speaker stated that conservative estimates indicate 250,000 addicts in the U.S. today, with many needing upward of \$100 a day to appease their habit.

The Bureau is in the process of being "beefed up" with the addition of some 2000 personnel and the acquisition of one of the most sophisticated communication systems in existence. The value of apprehended heroin alone in fiscal 1971 would have more than paid the entire Bureau budget, had the "stuff" been sold on the street.

The inspection for apprehension of contraband narcotics is incredibly difficult, involving more than 200 million persons a year, according to Mr. Bergesen.

There's one man who is really enthusiastic about his job!

THE ROSTER -- Will be distributed again today.

Please initial your name. If corrections are in order, make them on the copy.

If there are questions about your classification, see Clyde Crippen.

If you're a new member, enter the needed information.

We want a perfect copy!

TODAY -- Twenty-sixth District Assemblyman, the Honorable Dixon Arnett speaks to subject "Sacramento Today--Reform and Frustration!" (Xclamation ours)

Finemaster: Stan Silverstein

LAST WEEK -- Jim Greenwell did well as songleader, Bud Meyer led the pledge, Lloyd Gebhard offered the invocation.

---We welcomed 23 visiting Rotarians.

---Paul Keckley introduced as guest Jim Fales, newly appointed City Manager of Redwood City.

---Gene Bramlett introduced Hugh Johnson, head of Juvenile Department, Redwood City Police.

---Tom Poore introduced Mike Cox of the San Mateo County Boy Scout Council.

---Ken Hill was featured as finemaster

---In addition to informing us about modern scouting, Dr. Ernest Schoor was recruiting manpower for service and coin o' the realm for much needed programs last week. As of next fall there will be no more scout masters. They'll be troop advisors.

---Other hi-lites: Co-ed scouting, up-dating the merit badge system, facing the drug problem, minority buildup.

NEXT WEEK -- Tom Poore, month's program chairman, announces that Burl L. Davis, M.D. from Palo Alto will speak on the AMA (American Medical Ass'n. y'know) Today. Dr. Davis is an AMA Trustee, member of the Exec. Committee and chairman of the Finance Committee.

DID YOU -- Ever stop to think of the man hours given every week so that Redwood City Rotary can go? Most of this time is given willingly, and those who serve are benefitting most, to coin a phrase. If you aren't pulling your weight you're missing being a part of something bigger than you are, and that "something" would be better with your participation. How about putting a bit of élan vital into it?

COMMITTEE CHANGE -- President Bill has appointed Fritz Hageboeck as chairman of the Membership Committee and added Walt Small thereto. George Chaffey and Jack Berrett are the other members. Harry Keeley was forced to resign.

AUGUST 31, 1971

THIS WEEK -- Tom Poore has arranged to have Mr. Kenneth S. Armstrong speak to the subject of Poor Little Cambodia. Mr. Armstrong is a speaker of note and a recognized authority on world affairs.

---- Jack Estes is slated to pluck us.

NEXT WEEK -- September program chairman Dave Schutz (David N. that is) has arranged to have Chuck Taylor explore with us the 1971 prospects for the reigning Rose Bowl champs as they open the new football season. Despite Keckley's narrow partisan attitude Chuck is a longtime favorite with our guys and even Paul admits that he has charisma.

The off-on Baseball Trek is now officially ON, for Tuesday Nite, Sept. 14. A very few tickets are available @ \$6.00 per. Checks payable to R.C. Rotary c/o Sid Berlin, P. O. Box 11, Redwood City, 94064.

LAST WEEK -- Sid Berlin, Høl Hjertberg and Vince Claypool opened the meeting with songs, salute and invocation respectively. We hit what must have been a long time low for visitors. Only 4. Sid Berlin introduced the lone guest - Ken Opstein, insurance executive from Sioux City, Iowa.

We learned with regret that Tony Gonzales, Harry Keely and Speer McClellan have resigned. At this writing R.C. Rotary has a low-ebb membership of 81. Check with Membership Committee Chairman Fritz Hageboeck for open classifications. We should have 100 members.

Palo Alto physician Dr. Burt Davis gave a detailed description of the structure of organized medicine in the U.S. The 200,000+ membership of the A.M.A. supports a \$36 million budget currently, more than half of which is expended on a multiplicity of publications. The operation of the health profession is closely watched by the prestigious A.M.A. from the accreditation of medical schools to the approval of post-doctoral programs. Whereas fledgling M.Ds. formerly went to Europe for specialized training, today the U.S. is recognized as world leader in medical education.

Dr. Davis concluded his presentation with a brief discussion of several of the National Health Plans before Congress for consideration. He indicated that they will all be more expensive.

With witty remarks and sometime rapier thrusts, Dr. Bill Koon maintained the solvency of our treasury.

COMING UP -- R.C. Rotary's family picnic, Sunday, October 3, Huddart Park. Perquisites, too numerous to mention go with the \$3.50 ducats. Listen to Don Helbush!

SEPTEMBER 7, 1971

THIS WEEK -- Chuck Taylor, popular Director of Athletics for Stanford, will clue us in on The Indians' prospects for '71---including, we presume, Jan. 1, 1972! Arranged by Dave Schutz.

Finemaster -- Dick Bimson -- The man says.

NEXT WEEK -- Rotary nite at the Giants Game. We don't know whether Sid has any more tickets. Ask him!

FOR JULY -- We ranked 36th out of 43 clubs in attendance with 84.91%. Not notable.

LAST WEEK -- Berlin, Lodi, Graves did the honors.

-- We welcomed 15 visitors

-- Lloyd Osborne's guest was his son Joe

-- Sid Berlin's guest was Joe Reiber

-- Fran Pearson's guest was Jim Duke, new President of Canada College

-- Jim Fitzgerald made productive use of his extra two minutes as finemaster.

-- San Mateo Rotarian Kenneth "Scotty" Armstrong spoke sympathetically on "Poor Little Cambodia." Hi-lites--the country is 95% Buddhist. Buddhism is a way of life. Cambodians are a delightful, gentle people who wish fervently to be left alone. Many of the 6000000 Vietnamese formerly in the country have been forcibly removed whence they came. The 3000,000 odd Chinese are not particularly welcome but are too economically powerful to be removed.

The country was dominated by the French between 1863-1953. Many French influences are evident. Of the numerous rubber plantations which once flourished, few remain. Approximately 75% of the land area is virgin jungle. Per capita annual income is about \$75, but there are presently more than 1200 industrial enterprises, up from less than 100 in 1953. The country is rich in natural resources which were not indicated. Diplomatic relations with U.S. have been somewhat sporadic. In their desire to be free and independent. The Cambodians have, so far, failed.

Our thanks to "Scotty!"

DISTRICT NEWS -- The District 513 Transient Visitors Committee coordinated the hosting of 172 members of a Japanese student tour group when they visited the Bay Area last month. PDG Harold Graves made available facilities of the Golden Gate Baptist Theological Seminary for meals and sleeping quarters. The group will tour the U.S. by chartered bus.

WE'D LIKE -- Some interesting personal angles.

THIS WEEK -- "Ice Breakers" are scheduled for this week with Reverend Lloyd Gebhart, Chet McRorie and Dr. Dick Morgan, our three newest members, giving us a talk about themselves. Each will speak for 8 to 10 minutes.

NEXT WEEK -- Our own Vince Claypool will discuss "Japan Updated" relating his experiences in that Country based on visits a generation apart.

LAST WEEK -- Jim Greenwell got the meeting off to a rousing start as songmaster for the day and Orv Graves presented the invocation. After a news report from Dave who covered news from bombs to bikinis, Ken Brown, as finemaster, extracted a respectable sum of money from armchair baseball players.

The speaker for the day was Stanford's Chuck Taylor. Chuck predicted a fine year for the Stanford football team because of a strong veteran defensive line and an offensive team with few veterans but a lot of spirit. Athletic Director Taylor said that all eyes are on former Woodside High's Don Bunce who will fill the shoes of Plunkett in the Q.B. slot. Along with Chuck, many Stanford fans, and the Blues from across the Bay, will be watching number 11 during the pre season games. Stanford opened against Missouri last Saturday.

BAD NEWS -- Gene Bramlett had to resign from our club because he accepted a position in another community. Gene was chairman of the Human Relations Committee and had some fine plans for that committee for this year.

GOOD NEWS -- Sid finally sold all the tickets to the Rotary nite Baseball Outing. Participants will meet tonite at the Court House on Marshall street at 6:30 pm. Be prompt.

HELP WANTED -- Through the joint sponsorship of the Rotary Club and the Sequoia Adult School, a class has begun to help Spanish speaking citizens obtain drivers licenses. Tutors are needed to help these citizens to overcome the language barrier so that they can pass the necessary requirements for their licenses. Contact Bill maxwell if you, or somebody you know, can help.

WORLD UNDERSTANDING WEEK -- Emst Breitholtz, President Rotary International has asked all Rotarians to give some serious thought to World Understanding Week which will be celebrated during this week. Emst provides us with the following message.

"World Understanding Week is a worldwide effort to foster good will among peoples of all nations.

In the area of promoting better international understanding, peace, and good will, each of us can contribute. It can be done in seemingly small, yet significant, ways-through contacts with Rotarians in other parts of the world, by supporting international youth exchange and hospitality, through study and discussion of the viewpoints of other countries, in supporting actions directed toward combating poverty, disease and illiteracy.

In International service, good will begins with you. Set out on your personal path to peace during Rotary's World Understanding Week in 1971."

Finemaster: Chuck Long

LAST WEEK -- Opening ceremonies were handled by Sid Berlin (songs), Walt Koslosky (pledge of allegiance), and J. C. Bowen (invocation.) Our rendition of "Take Me Out to the Ball-game" was not in our best tradition.

---We welcomed eleven visiting Rotarians. Visitor Jack Russell from Menlo Park introduced a guest.

---Jim Parmelee announced that cards bearing The Sequoia High School Football schedule for '71 are available in quantity. The wallet-sized ducats are attractively printed with the official Cherokee colors and bear the "4-Way Test" on the reverse side.

---Paul Young announced that tickets to the Family B-B-Q at \$3.50 per are being sold by members of the special events committee. The date: October 3.

---Walt Small was announced by Dave Schutz as having been appointed to the R.C. Planning Commission. Daisies to you, Walt!

---The temperature was a topic of news. There were indications of a history breaking hot spell in prospect. At press time they were being borne out.

---Pinch-hitting Bob Pierce for finemaster-designate Lloyd Osborne dreamed up a series of fine situations which included practically everyone. Heat and baseball were the themes.

---Ice Breakers were the main part of the program. Lloyd Gebhart, Chet McRorie, and Dick Morgan as our newest members, held over close attention with vignettes of their lives. The talks were sprinkled with human warmth, nostalgia, dedication and poignancy. These fellows mean more to us as a result of their statements. Thanx!

---Sid Berlin announced some great programs shaping up for October. Of these, more later.

NEXT WEEK -- L.W.(Bill) Lane, Jr., publisher of Sunset Magazine and recent Nixon appointee, will give a review of public park programs.

Finemaster -- Fran Pearson

LAST WEEK --

--Jim Greenwell--songs
--Dick Bimson--Invocation
--Ron Koster--Pledge

Fellowship seemed especially warm. The contented hum of voices kept at a gratifyingly high decibel level from where we sat.

Past Pres. Vice Claypool deserved the close attention he received during his remarks after re-visiting Japan 20-odd years later. Hi-lites: '49--incredible poverty, hand cultivating of rice, bombed out ruins; 71--well kept homes, well dressed people, mechanized cultivating, many skyscrapers. Truck traffic is so congested now in large cities that civilian transportation is seriously impaired. Public transport is well patronized. In Tokyo especially, smog is a problem; in other cities, less so. As individuals, Japanese are courteous, considerate, charming. In groups they can be ruthless. The giant corporations of Japan work closely with government and are decisive in policy making.

The economic come-back of the Japanese nation in the short space of a quarter-century is probably a phenomenon unparalleled in the history of man. Dedication, application, and cooperation on the part of all is largely accountable. They really get things done in Japan!

NEXT WEEK -- Program Chairman Sid Berlin has arranged to have Mr. William Flegge speak. Mr. Flegge is the recently-appointed director of the San Mateo County Service League.

Finemaster--Henry Ritter

NEXT WEEK -

Precise details not available as we go to press. Sid is working on it, expects to have some doosies for the remainder of the month.

Finemaster -- Jud Shurtz

LAST WEEK -

songs - none

invocation - none

---Another innovation: Bob Pierce introduced visitors from Menlo Park, San Carlos, San Francisco, and Chico.

---Sid Berlin, Jim Newell, and Fran Pearson introduced guests.

---Fran Pearson, finemaster, extracted fines from just about everyone by calling names. Fevvin's sake! 8 Johns! Ken Brown (also John) couldn't collect fast enough.

---We heard an information-packed discussion of the accomplishments and some problems of the Bay Conservation Development Commission by its first and only chairman, Melvin B. Lane of Sunset Magazine and Sunset Books. The Commission is a good example of Regional Government. It is composed of 27 persons, 13 of whom are appointed and 14 of whom represent Bay Area counties and cities. The Commission was made a permanent agency two years ago. Other hi-lites: During the course of the past 125 years the water content of the Bay has been reduced by 1/3, much of which is silt from the hydraulic mines in gold-rush days. The Commission has established policy for use of the Bay and adjacent lands on the principle of public interest as it insists on the use of one of our most attractive national resources for the greatest public benefit. Emotionalism is its biggest problem as it works with business big and small, cities, counties, and, on occasion, the State.

THIS WEEK -- Mrs. Sheila Cahill, daughter-in-law of former San Francisco Police Chief Thomas Cahill, will be the speaker for the day. Mrs. Cahill is the Peninsula Chairman for the National Organization of Women (NOW).

The finemaster for the day will be Jud Shurtz.

NEXT WEEK -- George R. Moscone, Democratic floor leader in the State Senate will be the speaker at our next meeting. Senator Moscone has been very active recently in fighting for major democratic initiated legislation. His perceptions about certain critical issues for our state should prove interesting.

LAST WEEK -- Paul Jones introduced the visiting Rotarians for the day. There were fifteen visitors including Paul Whaley, a Past President of the Rotary Club of Redwood City and charter member. Mr. Whaley now lives in Southern California.

The news of the day will not be heard for the next three meetings. Dave is on vacation again.

Joe Mile pinched hit for Henry Ritter in a last minute situation and did a fine job---and I mean it was a FINE job. Almost everybody got hit!

Sid Berlin introduced the speaker, William Flegge, the recently appointed Director of the San Mateo County Service League. Mr. Flegge, a former Catholic Priest, gave his impressions of a three day jail stint he served in order to more keenly grasp the problems of prisoners. Mr. Flegge was complimentary about the San Mateo County prison system but indicated that more money was required to provide an even more constructive program of rehabilitation for prisoners. He stated that jails are necessary and do serve a constructive societal purpose, but that more effective means must be found to rehabilitate lawbreakers while they are incarcerated, and that every effort should be made to improve the self image of prisoners and to preserve their dignity as much as possible while they are in prison.

YEA TEAM, A PEP TALK FROM JOE LODI -- The Service Club league consists of 6 teams - Redwood Exchange Club has 2 teams, San Carlos-Belmont Exchange, Junior Chamber of Commerce, Woodside Kwianis and Redwood Rotary each have one team. We bowl at Mel's Bowl, every Tuesday night at 9:00 p.m. League started September 21 and will go until latter part of March. Captain Bill Bergler, Bob Pierce, Joe Lodi, Stan Silverstein are from last years team who are bowling this year, Jack Farence was on last years team, not bowling this year. "Lefty" Jim Parmalee and "Slow Hook" Lee Borges came out last Tuesday night and gave a good account of themselves, "Gimpy" Bergler held his own and Joe Lodi brought up the rear? We won 1 game and lost 3, but then we are slow starters and finish fast! We have to admit we didn't scare anybody last year, but this is the year of Rotary and the "Bergler". If any Rotarians are interested in bowling see Bill Bergler or Joe Lodi. There are no "pros" on our team, so don't worry about not being good enough - come out and enjoy Service Club Fellowship with us. Let's have 2 Rotary teams if we can muster 8 men each Tuesday night. Even if you haven't bowled for years come out and give it a try! Good chance to get active in a recreational way, away from the club meeting and get to know your fellow Rotarian a little better. If you have a least bit of interest, come out and join us, have fun at very little cost; well you might get stuck occasionally and pay for a "beer frame", but we all drink cokes. Let's hear from the silent "Red Blooded" Rotarians.

CONGRATULATIONS -- Paul Jones recently received a commendation from New York Life for his 45 years of service in the insurance business and for the exemplary services he provides his clients.

THIS WEEK -- The Honorable George Moscone, State Senate Democratic floor leader, is our scheduled speaker. Program Chairman, Sid Berlin, opines that Senator Moscone's perceptions on critical state issues will be of value to all.

Finemaster -- Lee Borges

NEXT WEEK -- Sid is having some problems as we go to press. Judging from the caliber of his programs so far this month, you'd better make it a point to be here next Tuesday!

Finemaster - Clif Woodhams

A Propos -- of last week's charming speaker, and with thanx to South San Francisco's Vista: After years of studying, a European couple finally passed their citizenship exams. When the papers arrived in the mail, the husband rushed into the kitchen with the news: "Maria, Maria -- at last we are Americans!" "That's Great!" she replied, whipping off her apron. "Now you can wash the dishes."

LAST WEEK -- Graves, Kent, and Bimson officiated at the opening ceremonies. Jud Shurtz as finemaster discovered that Readership of the Rotarian leaves something to be desired. This magazine is not junk mail, guys. Some of it's corny, perhaps, but there's real worthwhile reading in every issue.

---Mrs. Sheila Cahill, spokesman for N O W (National Organization for Women) captivated us with her remarks on the philosophy of that organization. The P.A. system was lousy, Mrs. Cahill spoke from a carefully prepared text characterized by incisive logic. It seems fair to oversimplify and say that her central plea was for a fair shake for the dis-taff side. She furnished some pretty telling data to the effect that this isn't the case at present. Her handling of the sometime pedestrian questions was a joy to behold. (My boys are all girls. These reactions may not be 100% objective.)

KUDOS -- To Bud Meyer, the newest member of Redwood City Rotary's Senior Active club. You've made many meaningful contributions, Bud. Don't let this slow you!

THIS WEEK -- County Coroner Paul Jensen is scheduled by program chairman Sid Berlin to explain and demonstrate the Breathalyzer (sp.?), and apparatus designed to apprehend drunk drivers. Listen to the man all you luses!

Finemaster - Clif Woodhams

NEXT WEEK -- Will be November (like, 2). Bill Bulanti is program chairman for the month. He tells us everything is under control. Further details next week.

Finemaster - Jim Williams

LAST WEEK -- Opening ceremonies were conducted by Orv Graves (songs), Clif Woodhams (pledge), and J. C. Bowen (Invocation).

--Past Pres. Jim Fitzgerald introduced eight guests from Los Altos, Mountain View, Burlingame, San Carlos, and Menlo Park.

--Don Helbush introduced 3 guests, Sid Berlin, 4.

Finemaster -- Lee Borges. Whew!

--San Francisco's State Senator George Moscone gave an excellent critique on the problems of education in California. After a few introductory remarks about the general tax picture in the State (a chaotic situation) the Senator warmed to his subject in impressive fashion:

1. In grades Kindergarten thru 12, the State faces an ever-worsening fiscal crisis. Once a leader in its educational commitment, we have dropped from 6th to 24th place among the states in expenditures per pupil, and from 12th to 18th in percent of income spent on education at this level. In average class size we rank close to Alabama, in 42nd place. The Senator considers that the prospect for increased percentage of State support is dim.
2. During the past five years especially have experienced a serious erosion of public confidence. If criticism is indicated for this grim state of affairs, all groups are culpable: students, teachers parents, public--and legislators. There are several bills in the hopper, but lack of public confidence is the second great problem in public elementary and secondary education.
3. Higher education: follows the same general pattern as the other two levels, viz money and confidence. The situation is further complicated by the confusion and frustration in which it is enveloped. Whereas California had the most outstanding higher education system in the U.S. in 1960, this is no longer the case. Senator Moscone is no more optimistic of an early reversal of the trend in higher education than he is about the lower levels. If this is correct and we agree with him the educational process deals with our most important asset, the prospect is grim indeed. He made an impassioned plea for public leadership.

ANOTHER -- Senior Active Rotarian - Jim Fitzgerald. Welcome to the club Jim!

November 2, 1971

THIS WEEK -- Vic Slaven will be the speaker this week. Mr. Slavin will discuss the much talked about merits of No Fault Insurance.

Finemaster for the day is Jim Williams.

NEXT WEEK -- Bill Bulanti, the program chairman for November informs us that TWA will provide a speaker for next week. The topic will be "The 747 and the San Francisco Airport."

Finemaster for the day will be John Till.

LAST WEEK -- Jaye Bowen opened the meeting as the day's Songmaster, Al Baldwin led the flag salute, and Dick Bimson gave the invocation. Paul Jones introduced the eight visiting Rotarians who were present at the meeting. The Finemaster for the day was Cliff Williams.

Sid Berlin introduced Jim Brackett from the County Coroners office who gave a presentation about his work as a taxocologist for the County. Specifically, he performs breathalyzer test to determine if people are intoxicated. Even though we often consider the topic in jest, Jim brought out some very serious statistics. According to Mr. Brackett 2/3 of the deadly automobile accidents are created by drunk drivers and Alcohol is quite a deadly poison when mis-used and often causes death or physical impairment. Mr. Brackett stated that a person who has an alcoholic content of .10 in his blood is considered to be legally intoxicated. State law stipulates that a driver suspected of drunkenness must submit to either a blood, urine or breathalyzer test. The breathalyzer test is the easiest to perform and is now considered a reasonably accurate method of measuring the amount of alcohol in a persons blood stream. In conclusion, Ray Winther submitted himself to the test, breathed in the tube and had a reading of .09 on the breathalyzer scale.

THANKS RAY -- Ray, we want to thank you for drinking those three Martinis before lunch - - - It was a worthy sacrifice devoted to the interest of science.

BLOOD BANK DRIVE -- Don Helbush announced that the semi-annual Rotary Blood Bank Drive would be conducted at Kaiser Hospital on October 27, 1971. This should remind us all to thank Don for the conscientious effort which he applies to building up the Blood Bank reserves.

ROTARY ROSTER -- Last week Sid Berlin distributed the Rotary Roster in a neat little binder with a photograph of each member included. Another job well done by Sid and his helpers. Naturally, in an undertaking such as this some errors will be made, so Sid asked us to make corrections and to report them to the secretary so that adjustments could be made at a later date. He also stated that the first copy of the Roster is free, but if any member wants another copy it will cost him \$7.50.

THE NEWS IS BACK -- Dave Schutz returned to our club after a three weeks absence and did his usual superlative job of reporting the news of the Day.

Welcome Back Dave

ROTARY SPOKE

Redwood City, California

November 9, 1971

This Week -- Bill Bulanti, the program chairman for November will introduce a speaker from Trans World Airlines who will discuss "The 747 and the San Francisco Airport".

Fine Master for the day is Jack Kelly.

Next Week -- Lang Stanley will speak to us next week. Bill Bulanti has informed us that the topic of Mr. Stanley's talk will be "The Black Athlete".

Fine Master for the meeting is John Esson.

Last Week -- Bill Bulanti introduced Vic Slaven who is a member of the American Insurance Association, which is comprised of 110 publicly owned insurance companies. Mr. Slaven was an advocate of no fault insurance and presented a very convincing case for the no fault concept. In a nutshell, the pure no fault automobile insurance concept would be compulsory for all automobile owners and would protect the insured against all economic loss incurred as result of an accident. This would include unlimited medical expense, all wage loss, death benefits for dependents, survivor benefits and coverage of pedestrians and passengers. Mr. Slaven said that for this coverage, individual insurance premiums would be reduced approximately 30%. At the present time .21¢ of the premium dollar goes for lawyers and .23¢ of the premium dollar is allocated to pay for pain and suffering suits. Under the no fault concept of insurance, pain and suffering would not be considered a cause for payment, no person could be sued and all benefits would be paid without consideration to fault.

Report of Board Meeting -- A brief summary of our Rotary Board meeting is as follows:

- Carl Mabie's classification changed to Senior Active
- Bill Maxwell's classification changed from Additional Active to Jim Fitzgerald's former classification of "Banking, Commercial".
- Rotary Club sponsored driver education class for Spanish speakers attracted 30 students. This class was promoted by Bill Maxwell.
- Christmas Tree Farm Project is being considered. Bob Pierce and Bill Enemoto are making the preliminary investigation while Joe Mell is checking out possible sites.
- Bill Bergler is investigating a possible antiburglar campaign (you got to be kidding). This would involve etching one's driver license number on major appliances.
- Dave Schricker was introduced as a new director replacing Tony Gonzales.

They've Already Given Their Pint of Blood -- Jack Estes, Frank Parcell, Alan Baldwin, Fritz Hagebaeck, Bill Enemoto and Bill Bulanti will enjoy a fine free month in recognition of their recent donation of a pint of blood each to the Rotary Blood Bank Drive.

Basketball Anyone -- Don Hellbush has acquired 50 tickets to the Warrior-Laker game which will be held at the Oakland Coliseum on December 9. All Rotarians and their wives are invited to attend. A ducat goes for five bucks and includes admission to the game, a round trip bus ride, and a sip or two of foam on the way over to Oakland.

ROTARY SPOKE

Redwood City, California

November 16, 1971

THIS WEEK -- Lang Stanley is the Speaker of the Day. Bill Bulanti has informed us that the topic of Mr. Stanley's talk is "The Black Athlete."

Finemaster of the day is John Esson.

NEXT WEEK -- A Player Representative from the Golden State Warriors will be present at our next meeting. He will provide us some inside info on the team and its chances for this year.

Finemaster will be Dave Schutz.

LAST WEEK -- Paul Jones introduced the six visiting Rotarians who were present at the meeting and Jack Keller was the Finemaster for the day. Jack was in rare form during his action packed, fun filled fining session.

Bill Bulanti introduced the speaker who was Captain Sturdevant from TWA. Captain Sturdevant, who is a veteran flyer for TWA, explained how his company was on the brink of financial disaster last year and how, through a cooperative effort of the TWA employees, the organization regained a respectable financial position.

The most interesting segment of the Captains talk dealt with the making of a TWA flight Captain. Mr. Sturdevant explained the rigorous training program required of TWA Pilots from the time they join the organization until they finally reach the ultimate professional goal of being a Captain on a TWA passenger plane.

WARRIORS - LAKER BASKETBALL GAME -- Some tickets are still available for the Warrior - Laker game which has been arranged by Don Helbush. The date of the game is December 9, and will cost \$5.00 for the game and a round trip bus ride to Oakland. The outing should be fun!

ROTARY DISTRICT SCHOLARSHIP -- The District Governor of your Rotary International District will award Four tuition scholarships to Armstrong College, downtown Berkeley. These scholarships are for three academic quarters starting July 3, 1972 and ending March 24, 1973. At the present tuition rate the scholarships are worth \$1035 each.

Local club candidates will be screened on the basis of

1. Evidence of good citizenship.
2. Ability to do work of college grade.
3. Evidence of financial need.

The scholarships may be awarded by the District Governor on the basis of a 1000 word essay addressed to the subject, "Why Am I Interested in Pursuing a Career in Business?"

Candidates may be high school graduates, junior college graduates, or graduate students, and otherwise acceptable to the Armstrong College Board of Admissions.

Armstrong College is an Independent, non-sectarian, co-educational institution of higher learning offering programs of professional and liberal study at the undergraduate and graduate levels.

The college is accredited by the Western Association of Schools and Colleges. Teacher Education is approved by the California State Department of Education.

If you know of a student who may be interested contact Dave Schricker.

KUDOS -- To Joe Lodi for the new Rotary flag Board now hanging in the meeting room and to Joe and Pat Patterson for the sign at Mel's Bowl designating the meeting place for the Rotary Club of Redwood City.

SPECIAL EVENTS COMMITTEE -- A meeting of this committee was held last Thursday night during which tentative plans were made for the remainder of the year. The first order of business was to firm up the plans for the Christmas season party. Because of the difficulty of planning around school schedules for a party with the children it was decided to have only one Christmas party this year with the wives invited. Joe Lodi is checking out places in which this "get together" will be held. The Committee also discussed plans for other events. More about that later.

ROTARY SPOKE

Redwood City, California

November 23, 1971

THIS WEEK -- A player representative from the Golden State Warriors will be present at the meeting to give us some insights about the team and its chances in the league this year.

Finemaster for the day is Dave Schutz.

NEXT WEEK -- Bill Bulanti, the program chairman for November, has arranged for Mrs. Aldona Bal and Mrs. Judy Boteford from the Public Health Department to be at our next meeting. They will discuss Public Health Problems in Redwood City and will give a brief slide film presentation about the function of the Public Health Nursing services.

Finemaster for the day will be Henry Ritter

LAST WEEK -- John Esson was Finemaster for the day and gathered in the loot through a variety of devious, but successful methods. Dave Schutz gave an impromptu News report which brought us up-to-date on the "going ons" at City Hall. Jim Fitzgerald introduced seven visiting Rotarians who were present at the meeting.

Bill Bulanti introduced Lang Stanley who was the speaker for the day. Lang was a superlative track athlete at San Jose State and represented the U.S. at the 1966 Olympics. He is now Associate Dean of the Athletic Department at San Jose. Mr. Stanley related how he, as a black athlete, became involved as a liaison between the College Administration and the black Athlete. He was the first Black administrator in the Athletic department and was involved in the BYU football game incident when eight Black football players on the San Jose team refused to play the Mormon school because they felt the institution discriminated against Blacks. From that point Lang has been involved in improving the situation for athletes at the College level.

The insights he gave us about the negotiations, inequities, and general problems associated with the Athletic Scholarship program were eye openers to us who have separated professional sports from collegiate athletics.

LAKER - WARRIOR GAME -- Rotary Club members are reminded again that tickets are available for the Warrior - Laker game which will be held on December 9th. Interested Rotarians should see Don Helbush or Paul Young today. Each ticket is \$5.00 and includes admission to the game and round trip bus fare.

POT WATCHERS NEEDED -- Walt Small announced that the Rotary Club of Redwood City has volunteered to help in the traditional Salvation Army Christmas Collection program. Walt will ask Rotarians at this meeting to help man the Collection pot on December 17, between the hours of 9:30 a.m. and 4:30 p.m. the pot to which we are assigned will be located either at the J.C. Penny store or the Bank of America, Downtown Branch.

ROTARY CHRISTMAS PARTY -- Paul Young, the Special Events Chairman, announced that the annual Christmas Party for wives will be held at the Redwood City Elks Club on December 21, beginning at 12:15 p.m. Be sure and mark the date on your calendar and inform your wives of the date as quickly as possible!

ROTARY SPOKE

Redwood City, California.

November 30, 1971

THIS WEEK -- Mrs. Aldona Bal and Mrs. Judy Botiford from the Public Health Department will be at our meeting to discuss public health problems in San Mateo County. They will also give a brief slide presentation about the Public Health Nursing Services.

Finemaster for the day is Henry Ritter

WELCOME TO JIM AND RICK -- At last week's meeting George Chaffey introduced two new members to the Rotary Club of Redwood City. The new members are:

Jim Duke who is the President of Canada College. Jim lived in Fremont, California before coming to our area but graduated from LSU and did his post graduate work at USC. He and his wife Betty have four children. Jim's off hour diversions include flying small aircraft.

Rick Howard who is the new pastor of the Assembly of God church, lived in Dublin (across the Bay) before coming to Redwood City. Rick was raised in Pennsylvania where he went to school and received his MA in History. Rick and his wife, Anita, have 2 children. Hobbies enjoyed by Rick are music, journalism and bicycle riding.

Both of the Rotarians who are new to the Club are former Rotarians. Let's make sure that each of us finds the time to personally greet the new members.

CLUB CONTRIBUTIONS -- President Bill announced that the Rotary Club of Redwood City has donated \$50.00 to the Police Club for youth and \$80.00 to the USO. The USO will be helping to make 80,000 GIs comfortable as they pass through San Francisco during the Christmas season.

THANKS -- President Bill gave special thanks to:

Frank Parcell for his contribution to youth organizations and support for causes associated with young people.

Joe Lodi and Pat Patterson who work silently behind the scenes on projects for the betterment of our club.

ANNOUNCEMENTS -- The annual Christmas party for wives will be held at the Elks Club on December 21, 1971, beginning at 12:15 p.m.

Walt Small who is Coordinating the Christmas Pot Contribution program for our club ask for volunteers to help man a contribution pot on December 17.

Paul Young and Don Helbush must know today about the number of Rotarians and their wives who plan to attend the Basketball game on December 9.

LAST WEEK -- Don Helbush introduced Mrs. Lillian Blackford, statistician for the San Mateo County Public Health Department, who spoke about her studies of drug abuse among youth of the County.

Mrs. Blackford stated that her studies showed that between 1955 and 1965 there were only 45 juveniles referred to as hard drug users. In 1966 alone there were 157 drug offenders. Because of the dramatic increase a survey was begun in order to assess more accurately the scope of the drug abuse problem. Mrs. Blackford related how for the past four years she has conducted and refined a very comprehensive study about drug use among junior and senior high students. In general, her studies indicated that even though it appeared that the use of hard drugs have leveled off, the most recent study shows that the use of all drugs as on the increase and that there has been a decided increase in the use of hard drugs and alcohol among young people.

ROTARY SPOKE

Redwood City, California

December 7, 1971

December 7, 1941. Remember? One of the most poignant memories I have of Redwood City Rotary is the "icebreaker" talk given by the present President of this club. Bill was reminiscing about his feelings resulting from the expropriation and incarceration of himself and thousands of other loyal Americans. There was no rancor evident nor has his life in this community since then shown it. There was a goodly amount of hurt feeling shown. There were many infamies perpetrated in those tragic and debauched years. Dare we hope that mankind will profit from them?

J.R.B.

THIS WEEK---Dave Schutz, program chairman for December, has arranged for two AFS students to speak to us. They are: Nguyen Thi Thu Thuy from Saigon, So. Vietnam; Carl Middelman from Capetown So. Africa.

Finemaster: Fritz Hageboeck (Oouwee!)

Joe Lodi sez--Clyde Crippen and Ida and Mike Kreiss deserve some of the credit he's been given for our beautiful flag display. 'quets to 'em!

Walt Small -- has his pot covered for Dec. 17. (He would welcome one more volunteer.)

NEXT WEEK---Short term AFS exchange students who left our community to visit South-west American Indians, Costa Rica, and Spain.

Finemaster: Paul Young (O my achin' feet!)

LAST WEEK---Opening ceremonies were capably handled by J. C. Bowen (songs), Henry two-meetings-in-a-row Ritter (pledge) and Rev. Dick (invocation) Henry got on the air again as finemaster and left few untouched.

X Pres. Jim Fitzgerald, in his own inimitable fashion, introduced Dick Holt, Clark Moore, Gaar Edwards and Scot Rambach from Menlo Park; Fred Schroeder, Cliff Brauntt (sp?), and John Tenvold from San Carlos; John Blackington, San Francisco.

Paul Young announced that this year's Christmas party would be held at the Redwood City Elks' Club. No other adequate place is available. This is a Rotariann affair, guys.

Pres. Bill awarded Enomoquets to Jack Berrett and to Dave Schutz for meritorious service and the aforementioned Two-in-a-row Ritter.

-also announced his desire to form an ad hoc committee to tussle with the problem of "Where does Rotary go from here?" Volunteers are welcome.

Mss. Aldona Bal and Judy Botford from the Public Health Nursing Service of San Mateo County presented a well-produced film explaining their service and that of the Visiting Nurse's Association. These services may be invaluable, are available to all, and fees are charged according to the patient's ability to pay.

ROTARY SPOKE

Redwood City, California

DECEMBER 14, 1971

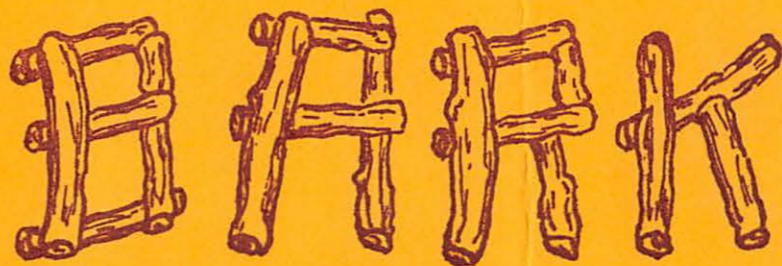

- THIS WEEK -- December Program Chairman Paul Keckley has arranged for student speakers who are AFS short-term exchange students from our community. Miss Nancy Omi will tell us about the Southwest American Indians Program. Don Russell will tell of some of his experiences in Costa Rica, while Jim Marchetti will bring us up to date on Spain.
- Paul Young is on our list for finemaster.
- NEXT WEEK -- Rotary Ann day. Luncheon at the R.C. Elks Club. Paul Keckley will fleece us.
- Gov. Charlie Strope -- reports that Eureka Rotarians are busy planning an action-packed District Conference for May 11-13. That looks like a Thursday--Saturday arrangement, and is isn't too early to mark your calendar.
- Garberville has reached the 1000% plateau in Rotary Foundation standings. This means that every member of the club has contributed \$100 to this worthy enterprise. In District 513, other 1000% clubs are Cloverdale, San Bruno, and San Carlos; Sausalito and South San Francisco are \$1100%; Fortuna leads with 1200%. Any ideas?
- LAST WEEK -- The Berlin-Gerfen-Bimson combo took care of the opening ceremonies. --Enomoquets were presented to Newell, Pearson and Bunting. Ken Hill will receive his later.
- X-Pres. Clyde Crippen welcomed three new members into the club: Bob Fribertshouser, Photocopying, proposed by Bill Bergler; Bob Baum, Banking, Savings proposed by Walt Small; Rev. Paul E. Larsen, Religion, Covenant proposed by Chet McRorie. Get busy, men! Welcome!
- Pres. Borue O'Brien of San Carlos Rotary asked that their new meeting place be announced: As of January 1972 it will be the Gold Platter, 1000 El Camino Real, San Carlos.
- Visitors were W. W. Rusk, Paradise; Cy McMillan and John Roberto, B'game; Waldo Perry, Gailerd Smith, San Carlos; Jack Robertson, Clark Moore, Menlo Park.
- Charles Gyselbrecht introduced his guest, John Fies.
- We listened to two earnest, obviously bright young people as they told us briefly of their respective homelands. Nguyen Thitho Thuy (Tooey to u!) is from Saigon, So. Vietnam and is of the opinion that the war has had no direct effect on her life. So. Vietnam has a population of 66 million, and "the countrymen" are tired of the war; The government is not popular with the people because it doesn't do much for them. Obviously from an upper-middle class family, Thuy speaks French fluently, although it is no longer the official language. Youth--especially girls--are expected to study hard, learn to be good mothers, and to obey their fathers!
- Carl Middlemann from Capetown, So. Africa told of his 1 year obligation for national service (universal for whites) half of which he has fulfilled. When he returns he will complete the obligation and continue his studies in the University of Capetown. Carl's description of apartheid was interesting to say the least. He graduated from a 650 student all-white all-boys' school, K-12. Uniforms are worn and the curriculum he described as "narrow." The four groups comprising the 21 million population of South Africa are whites (4 million); blacks (14 million); colored (2 million); and Asians. Approximately 87% of the world's gold production comes from South Africa.

Del Mitchell -- is the newest member of the Senior Active Club. Welcome, Del!

WELCOME Rotary ANNS!

Some of you know a good deal about Rotary; others, not so much. Ours is one of almost exactly 15000 Rotary clubs to be found in 149 countries and geographical regions of the world. "Rotary has never survived where freedom does not exist." There are no clubs in Spain or Communist countries.

Rotary is a people-oriented, indeed, a humanist, movement. We in Redwood City Rotary are here today in honor of a season sacred to those in the Rotary world who are inheritors of the Judeo-Christian ethos. Other clubs in the Rotary world celebrate other seasons sacred to them, and we respect them. We all have one thing in common: Goodwill to man. Come, let us be joyful!

NEXT WEEK -- Back to mundane affairs. City problems. Program Chairman Paul Keckley has arranged to have Jim Fales, City Manager of Redwood City tell us about 'em.

Jack Berrett will figure out how to relieve us of \$.

LAST WEEK -- There was a contented hum of voices when I arrived late. It was apparent that the opening ceremonies had satisfactorily performed.

-- Pres. Bill presented co-ed Ken Hill his well-deserved posies, J.C. Bowen a check for \$200.00 to help with the Army's (Salvation) Christmas program, and our traditional remembrance to "our gals." We missed Ed Stubbe at this point.

-- In Memoriam - Blanche Surtz, Bru Brunier

-- We were pleased to have as visitors Howard Johnston, Gaar Edwards and Bob Paroli from Menlo Park; George Moore from San Carlos, who was the high bidder for one of Pres. Bill's veddy fancy poinsettias; Dave Allen and Del Gaange from S'Mateo; and Ev. Landon from B'game.

-- Paul Young was a merciless money-grubber.

-- Paul Keckley introduced three student speakers who are short-term AFS students from our community. Nancy Omi lived with a family of American Indians, and was surprised to find them much like "us," even to color TV and station-wagons. Jim Marchetti spent two months with a family living in a provincial capital in Spain. Jim was impressed with the friendliness and relaxed attitude of the people. He was observant of women's role in the society, commenting that "women's lib" was unknown. Sequoia High School Student Body President Don Russell, was a "son" in the home of a Costa Rican family with seven children. The pater familias was a cattle rancher, off at the crack of dawn (to coin a phrase) to attend to his affairs. Don indicated that "Law and Order" (another phrase) is a casual process in Costa Rica, with considerable favoritism shown to the "haves." This report is in no way adequate in describing the students' remarks and implied impressions. They were impressive and demonstrated again the worthiness of the AFS program in promoting people-to-people relationships.

Board Notes--Jack Berrett and Bill Royer were reappointed trustees of the Ray Wilson Trust Fund for 3 year terms ending 11/16/74. Jud Shurtz Phil Schneider and Bill Maxwell were reaffirmed for terms ending 11/16/74.

--Frank Parcell reported that after the holidays, Redwood City Police with backing of R. C. Rotary, will begin a campaign to encourage citizens to etch their drivers' license numbers on major appliances. This as a device to discourage would-be burglars. Frank has donated half a dozen etching devices to the police for this use.

ROTARY SPOKE

Redwood City, California

December 28, 1971

THIS WEEK -- Jim Fales, City Manager of Redwood City, will talk to us about the state of the city.

Barrister - J. Berrett will collect

NEXT WEEK -- Because of the Holiday schedule I couldn't get information on the program before we had to go to press, but Jim Greenwell will be responsible for replenishing the coffers,

For a Year End Thot - We are happy to publish the following from Paul Jones:

"Think"

In the midst of this Social Revolution
Let us pause and find a better Solution.
Those on the "Right" must give a might
Accept the "Mod" of a little longer hair
With double-knit pants and bottoms with flair.
But deep down inside, let's search for the Truth!
It must be while sober, not filled with Vermouth.
There is solid Principle which comes from Above
And should not be mistaken for false claims of "Love."
We know our mistakes have been honest and "fakes"
Open our eyes and see the improvement
In spite of this and that new "movement"
Let's keep on Striving - we have the "Know-How"
Would anyone really trade the Past for the Now?

P.J. 12/19/71

LAST WEEK -- Festivities began with a verse of "Joy" lead by Rick Howard. Bob Friebertshauser lead the pledge and J.C. Bowen offered the invocation.

No visiting Rotarians. Much witticism generated in introduction of Rotary ANNS.

P. Keckley made a profitable venture out of "The Night Before Christmas."

Dick Bimson introduced Maria Tscherepenko, Dave Howitt. Maria sang a delightful group of carols.

Lloyd Gebhart concluded the program with well-timed and well-taken remarks about the holiday season.

FROM OUR ADOPTED SON, Erich Madl:

"Dear Sponsor,

Thank you so very much for the gift of \$10.--. I do not know what I shall buy with this money but I am sure that I will be able to buy something that I have always wanted.

The holiday time is nearly at an end.

We have just spent 6 weeks at the holiday camp at Caldonazzo in Italy. All the schoolchildren from the Children's Villages in Austria spent their holidays there. Altogether there were about 1000 children at the holiday camp. We slept in tents and in bungalows. There were nine or ten children in each group. An instructor was in charge of such a group. When the weather was nice, we all went swimming, otherwise we went for long walks or played games. I hope that you can often write to me, as I love hearing from my sponsors.

Kindest regards from

your grateful adopted child

Erich Madl "

ROTARY SPOKE

Redwood City, California

January 11, 1972

THIS WEEK -- Al Attles, Coach of the Golden State Warriors will be the speaker for the day.

Stof Stofle is the finemaster.

NEXT WEEK -- The traditional Sequoia YMCA Rotary luncheon will be held on Tuesday, January 18, at 12 noon at the YMCA building, 1445 Hudson Street in Redwood City. The topic for the occasion will be a presentation by the Assistant General Director, Larry Schenck, of a new method for reaching youth in the 12 to 15 year-old age bracket who would not ordinarily be attracted to "on-going" programs of established youth organizations. This program has been endorsed by many local agencies and businesses. The major target group will be youth who are now involved in acts of delinquency and drug use and are potential school drop-outs. Also a short film documenting the first NYPUM program at the Northeast YMCA of Los Angeles will be shown.

Clyde Crippen is scheduled as finemaster.

LAST WEEK -- Ron Koster introduced the program and the speakers for the meeting. The speakers were counselors from local high schools who have been involved in the Occupational Training programs in which some Rotarians have served as advisors and participants. The program is designed to offer instruction, guidance and work experience to high school students so that they may get a "feel" for a job prior to entering an Occupation. The students in the program are trained in the classroom, are often provided with individualized simulation activities related to their interests, and then are given practice in the actual occupations they have chosen. Many business and professional men provide on the job experiences to students. Some high schools --- Sequoia, Menlo-Atherton, Ravenswood --- have placement officers who help place students who have been through the program. Information about opportunities in vocational areas are provided in a Career Information Centers in each of the High Schools in the area.

It is planned to have some students who have been through the program at the last meeting in this month.

DON'T FORGET THE MEETING NEXT WEEK WILL BE HELD AT THE YMCA !

THIS WEEK -- The Traditional YMCA Rotary Luncheon. The Assistant General Director for the "Y", Larry Schenck, will talk about a new method for reaching the adolescent who is "turned off" by activities of traditional youth programs. A short film will also be shown.

Finemaster for the day is Clyde Crippen (so watch it)!

NEXT WEEK -- By press time information about next weeks program was not available. An announcement will be made at this meeting.

Finemaster will be Phil Schneider.

LAST WEEK -- Paul Jones introduced 10 visiting Rotarians. Stof Stoffle was finemaster and as a vehicle for fining reminded us of the hey day of the automobile when the Essex, Moon and Cord car proudly roamed the streets.

Al Attles, the coach for the Warriors, was the speaker and provided some interesting insights about the transition from player to player-coach. Al pointed out that the Warriors have been the only team to beat both the Lakers and the Bucks. He felt that the trades the Warriors made last year gave them more depth and balance, even though some good men had to go. He said that Russel, Thurman, Lee and Mullins are some of the best in the business. Attles claims that if the team stays healthy and can put it altogether it will end the season with a very respectable record.

VISITORS IN TOWN -- Six students from Sweden are in town this week and are visiting our club meeting today. Dave Neufeld has loaned the group a VW Mini-bus for touring and some of the guests are staying in homes of Rotarians.

Accolades -- President Bill awarded some greenhouse tomatos to Bill Burgler for his efforts on behalf of the club.

Bouquets of roses were given to:

- Jack Ference as a gift to his wife because she always joins the Rotary Blood Bank Drive and has given a number of pints to the cause. Thanks Georgene.
- Don Helbush for his fine work in organizing the Rotary Blood Bank Drive.

BELIEVE IT OR NOT -- Joe Møll has attended 97 consecutive Stanford Football games -- It must be a record.

Sid Berlin is not only an Irish Tenor but is also a Little old Wine-maker.

REMEMBER -- San Carlos Club is meeting at the Golden Platter now. Same day.

Ron today is distributing an invitation to all Redwood City Rotarians to become a part of our community program. The Rotary concept of "Service above Self."
- Since Past Pres. Phil Schneider took over the Finemaster's role for Clyde Crippen last week, we assume that Clyde will be at the helm today.
- NEXT WEEK -- At press time February Program Chairman Walt Small was struggling with some conflicts. Hope to have more information next week.
- Banker Bill Maxwell is slated to be Finemaster.
- LAST WEEK -- Jim Greenwell, songleader, Howard Imus, pledge leader, and Rick Howard, invocator got us off to a good start.
- Ed Schmalz, Atascadero, Bud Davenport, Gaar Edwards and John Bohrer, Menlo Park, and Vern Heller, San Carlos were visitors.
- We also welcomed six young business and professional men from Sweden. They are visiting the U.S. for some months under the aegis of Rotary.
- Pres. Bill announced that J.C. Bowen is being transferred to Idaho by his organization, the Salvation Army. Vaya con Dios, Jaye!
- Apropos of the Crosby Pro-Am, Phil Schneider zeroed in on golf as a vehicle for fining much \$.
- Host for the day Orv Graves, veteran Sequoia "Y" secretary, introduced members of his staff, including his assistant Larry Schenke. Larry told us about two new programs currently being sponsored by the Y. The first is a physical fitness program for guys like us, complete with cardiologists and EKGs.
- The second program is concerned with pre-delinquent youth aged 11-15. The goal is to get the youths and their families involved in a program of wholesome readjustment. The gimmick is 15 Honda mini-bikes to excite the youngsters' interest. The Honda Company has donated 10,000 of the sporty, diminutive vehicles to the national YMCA. Larry described the details of the program as it will be instituted locally. With the help of a number of people of good will, we don't see how it can lose!

ROTARY SPOKE

Redwood City, California

FEBRUARY 1, 1972

THIS WEEK -- Program Chairman Walt Small announces that the sensational young Giant's star Bobby Bonds, will be our speaker.

---Bill Maxwell will do the honors as finemaster,

Remember men, it's all for charity!

NEXT WEEK -- Stanford's P/R man, Bob Murphy, will bring us up to date on doings on the farm.

---Jim Parmelee is slated to replenish the coffers,

REMINDERS -- The District Conference will be in Eureka May 11-13. That's Thursday--Saturday, giving a day to return and get ready.

--Rotary's 67th anniversary is February 23. Jud Shurtz has been a Rotarian since '36. To our knowledge, that's the mostest for any current member. Right?

--R.C.'s December attendance record is pretty sad! Out of 43 clubs in District, we were sixth from the bottom.

LAST WEEK -- Greenwell, Shurtz, and Bimson were responsible for opening ceremonies.

--Joe Lodi introduced his guest Pete Uccelli from Pete's Harbor.

--We welcomed visiting Rotarians from Palo Alto, San Francisco, Atascadero, Menlo Park (4), Belmont, and Poughkeepsie, N.Y.

--Ron Koster completed his month as program chairman by telling us of the work of his Community Service Committee on Vocational Guidance. Other members of his committee are Bill Shumacher, Max Gerfen, and Russ Kent. Former member Bud Meyer was quite active on the committee.

We noticed that a good number of the members made themselves available to discuss their vocations with high school students, either singly or in groups. Two seniors from Sequoia High School reported briefly on their experiences in the program. Angie intends to become a nurse, John is interested in engineering.

Charles Judd, Sequoia's Vocational Counselor, answered questions, received comments, and gave some helpful hints on how to make members' contribution more meaningful to students.

DID YOU KNOW--South San Francisco has recently sponsored, with Federal funds, the construction of a one-hundred-eighty plus unit apartment complex. The units are in the moderate rent category, and consists of two separate buildings. They are proud!

ROTARY SPOKE

Redwood City, California

FEBRUARY 8, 1972

THIS WEEK -- Walt Small presents Stanford's Bob Murphy. We'll be hearing about that institution.

Ol' Jim Parmelee will fleece us.

NEXT WEEK -- Walt has arranged to have Redwood City Police Chief John McDonald speak.

--Ken Brown says Club Treasurer Bill Bergler will fine.

YOUR BOARD REPORTS -- The sum of \$2500.00 has been allocated for scholarships this year. Fine money accounts for \$785 of this. The remainder will be Ray Wilson Fund income, plus any club funds necessary.

--Requested Jim Parmelee and the By-laws Committee to recommend a club position on an R.I. proposal.

--Accepted with regret the resignations of J.C. Bowen and Fritz Hageboeck. (Good men!)

--Appointed Jack Berrett chairman of the Membership Committee, succeeding Fritz.

--Sent \$155 to help the Jodhpur School in India.

--Voted \$300 (\$50 per month, Jan-June) to help maintain "365 Care Hotline", sponsored by civic organizations to answer all sorts of questions people have. Pres. Bill stated that he would tell more about the operations - perhaps today.

--Set election of Directors for late February, March.

LAST WEEK -- Messrs. Berlin, Kreiss, Howard were responsible for opening ceremonies.

--Visiting Rotarians were Henry Hughes, Belmont; Ewing Smith, Newark, N.J.; Ed Schmalz, Atascadero; George Welch, Poughkeepsie, N.Y.; Bob Paroli, M.P.; and Hal Macy and Don Mueller from San Mateo.

--Chet McRorie introduced his guest from Wells Fargo.

--The Giants' Bobby Bonds could probably have stayed all afternoon fielding questions with knowledgeability and humor, as he did for fully two thirds of his allotted time. Questions ranged from what Willie Mays may do from here on out to player retirement. (Past-Pres. Bob Brown evinced some interest in the latter.) We were impressed with Bonds' sincerity and willingness to speak frankly on any and all questions. A good fielder!

--Tom Poore was presented with a well-deserved Enomotoquet for his many community services, including a long-time interest in international dispersal of Redwood seeds.

Pres. Bill -- has suggested that we publish names of Rotarians who have become members since the Roster was published. Here they are:

Baum, Robert E. (Bob) Banking, Savings
Duke, Dr. James W. (Jim) Education, Comm. Coll.
Friebertshauser, Bob (Bob) Photocopying

ROTARY SPOKE

Redwood City, California

FEBRUARY 15, 1972

THIS WEEK - Walt Small announces that Skip Vanderbunt and Frank Nunley, '49er stars, will be guest speakers.

---Treasurer Bill Bergler says the funds are low, fines will be high! He's in the driver's seat today.

Board of Directors meets at Bob Pierce's home, 750 Barbour Drive, Redwood City, 7:30 Thursday evening, Feb. 17.

Friday ballots for new directors will be mailed to all members. Directors' terms expiring: Berlin, Crippen, Helbush, Parcell. Ballots to be returned to Sec. Alan Bostwick, by 12:30, Tuesday, 2/29. Ballots with names of the top 8 nominees as determined from the 2/29 count will be sent to the membership March 10. These will be counted Tuesday, March 21, with the 4 members receiving the highest number of votes will be elected.

NEXT WEEK - Police Chief John McDonald will be the featured speaker.

Fines -- Bill Royer

LAST WEEK - Sid Berlin, Hal Hjertberg and Paul Larsen did the honors.

We enjoyed the company of
Bob Blyth, South San Francisco
Mitch Hunt, John Bohner, Bill Daseking, Gar Edwards,
Lowel Lindell, and Charles Araonstam, Menlo Park.
Ed Schmalz, Atascadero
Ewing Smith, Newark, N. J.
Bob Coleman, Cliff Branuff, San Carlos
Dave Spencer, Palo Alto

Sid Berlin, Joe Mell, and Jack Keller brought guests.

Ken Brown substituted for Jim Parmelee as finemaster.

Stanford's Bob Murphy presented hi-lites of this Year's Rose Bowl game, which he narrated. It was an excellent film, and showed some shots we hadn't noticed on the national telecast. What a game! All the superlatives Bob used to describe it are prob'ly true. As an old Rough, we got a bang out of it. Couldn't help feeling a bit wistful tho, about Bob's statement (also undoubtedly true!) that no amount of publicity would generate the presence of 2000 alumni at the appearance of the University's President, whereas they turned out enthusiastically to greet the team after the Army game.

We hear -- Max Gerfen addressed Menlo Park Rotary last week. Topic: "Health Service to our Community."

We heard-- Supervisor Ged Day give a fascinating presentation about his hobby: gold panning.

ROTARY SPOKE

Redwood City, California

FEBRUARY 22, 1972

THIS WEEK -- Redwood City Police Chief John McDonald is our guest speaker. We understand that the Chief consumes cigars--sometimes without smoking them! Understandable, considering some of the stresses and strains he lives with.

---Finemaster, Bill Royer

NEXT WEEK -- For his fifth and final program, Walt Small has invited Attorney Paul Eisler to discuss the San Francisco Attorney's Special Arbitration Plan, a proposal designed to reduce significantly the backlog of court cases.

---Finemaster, Jack Ference

R.I. Item -- The Nominating Committee for President of Rotary International, 1973-74 has unanimously proposed William C. Carter of Battersea, London, England. Rotarian Carter is a partner in the law firm of George H. Gibson and Co., in London. A Rotarian since 1949, he has served Rotary in many capacities.

LAST WEEK -- Sid Berlin (songs) Russ Kent (pledge) and Dick Bimson (invocation).

We welcomed as visitors:

Ed Schmalz - Atascadero

Gailerd Smith - San Carlos

Frank Merrill - Menlo Park

Lee Ham - Burlingame

Walter Padovan - Puerto Ordaz, Venezuela. President Bill presented an Enomotoquet to Rotarian Padovan, accompanied by a gracious greeting in Spanish

Frank Nunley of the S.F. 49'ers proved to be a witty and attractive guest speaker. He also told us some facts about the fine points of defensive pro football that were new to at least some of us. Pro football is not only big business--it demands an impressive amount of intelligence and concentration.

R.I. Stat.-- On December 22, 1971, there were 15025 Rotary clubs, an estimated 707,500 Rotarians in 149 countries and geographical regions. New clubs since 7/1/71: 143. Rotary continues to grow in numerical strength, and in its total contribution to the welfare of mankind.

ROTARY SPOKE

Redwood City, California

FEBRUARY 29, 1972

THIS WEEK -- Mr. Paul Eisler, San Francisco attorney, will discuss San Francisco's Special Arbitration Plan, which is expected to reduce significantly the back log of court cases.

--Jack Ference will undoubtedly come loaded with fund raising ideas via the fine route.

NEXT WEEK -- Jim Fitzgerald is program chairman for March. He reports that our own Bob Brown will speak on "The Anatomy of a Rotary Club." That's Bob Brown, M.D.

--Hal Hjertberg will do the fining.

BOARD DOINGS --Appropriated \$400 for YMCA camperships
--Ditto \$200 for Herbert Hoover Boys' Club
--Same \$200 to the Boy Scouts
--Referred to the Interservice Club Council a request from the "Y" for a donation toward a \$5,500 garage for the minibike program.
--Set the next meeting for 3/23/72, 7:30 p.m., at the home of Frank Purcell, 1839 Anamore Street, Redwood City.

P.A. ROTARY --Is about to do something for the estimated 250 elderly in the community who have limited incomes. It's a cost-only 50-cent lunch program which will be launched this week on a thrice-weekly basis at All Saints Episcopal Church, 425 Hamilton Avenue. The club is providing some funds to supplement the \$8000 grant from the federal government under the Older Americans Act of 1965. Seniors will be responsible for preparation of the meals. Enomouquets to Paly!

LAST WEEK -- Berlin, Koon, and Howard performed the opening honors.

--Visitors welcomed were
Ron Perry, Cliff Branuff, and Wally Truce, San Carlos
Glen Whyhark, Lou Devinenger, and Judge Frank Rose, San Mateo
Ed Schmalze - Atascadero
Charles Wheeler, John Blackinger, San Francisco
Bob Cunningham, Bill Mowell, Gaar Edwards, Lowell Lindell,
from Menlo Park
Dave Mertes, Burlingame
Tom Collins, West Santa Rosa

--Ron Koster received an Enomouquet for his efforts in promoting the Vocational Committee program.

--Redwood City Police Chief John McDonald gave a most interesting illustrated critique of his recent 12-week experience at the FBI Academy. About 90% of the time was intensive classroom work. Two weeks were spent at Quantico, Virginia, where there was much shooting practice, instruction in riot control, and demonstration of bombing devices being increasingly used by militant groups.

ROTARY SPOKE

Redwood City, California

MARCH 7, 1972

THIS WEEK -- Jim Fitzgerald is program chairman for March and he reports that Bob Brown from our club will be speaking. Bob's talk is entitled, "The Anatomy of a Rotary Club."

Hal Hyertberg will be the finemaster for the day.

NEXT WEEK -- Honorable William Bennett from the State Board of Equalization will be the speaker for the day. The exact title of his speech is not known but Jim Fitzgerald has assured us that the topic will be timely and provocative.

GREETINGS FROM ABROAD -- Allen Bladwin finally reported to us by sending Make-up cards from Australia, New Zealand, Hong Kong, etc. It was good to hear from Allen even in the form of make-up cards.

Our Austrian foster son sent greetings from the school where he lives thanking us for our support of him.

Paul Jones alluded to President Nixon's good taste in taking some Redwood saplings to China where they were planted.

LAST WEEK -- Jim Greenwell opened the meeting with a song. Visitors at the meeting were:

Jack Stetes, Olathes, Kansas
Henry Hughes, Belmont
George Lawry, San Bruno
George Cluset, Menlo Park
Ron Perry, San Carlos
Zook Todd, Oakland
Fred Black, Peidmont
Ed Schmatz, Atascadero
Don Mueller, San Mateo

Jack Terence was the finemaster and through the careful manipulation of financial statistics extracted quite a sum for our membership.

Walt small introduced Mr. Paul Eisler who is a prominent San Francisco Attorney and President of the Trial Lawyers Association. Attorney Eisler gave a very interesting presentation about our cumbersome judicial system. But in spite of the slow progress of justice, Mr. Eisler, a world traveler and student of law, stated that individual liberties are respected more in this country than any country in the world. The main message in the talk was the progress San Francisco has made to expedite civil actions through an arbitration panel, which eleviates the heavy court schedules. Through this system civil cases can be handled by an arbitrator, who is an attorney selected in an unbiased manner to settle civil disputes.

ELECTION OF BOARD OF DIRECTORS -- The following members have been nominated for the Board of Directors.

Bill Bergler	Don Helbush	Stan Silverstein
Sid Berlin	Frank Parcell	Walt Small
Dick Bimson	Tom Poore	

You will soon be asked to vote on the members of your choice.

ROTARY SPOKE

Redwood City, California.

March 14, 1972

THIS WEEK -- Jim Fitzgerald informs us that William Bennett, the former Executive Director of the Public Utility Commission will be the guest speaker for this week. Mr. Bennett is an Attorney and a Member of the State Board of Equalization.

-- The finemaster for the day is Jim Parmalee

NEXT WEEK -- Well it's getting to be that time of year and Fran Pearson and Jim Newell will emphasize it. The title of the talk for this meeting is, "The IRS Is Not a Flower". Sound interesting ??

-- Lloyd Osborne will do the fining.

VISITORS FOR LAST WEEK -- Rotarians visitng our club last week were:

Glenn Whybach, San Mateo	Bud Davenport, Menlo Park
Bill Ssegowa, San Francisco	A.C. Beeson, Palo Alto
Bob Blyth, South San Francisco	Bob Williams, Menlo Park
Bill Daseking, Menlo Park	C. B. Cannon, Boise
Matt Fasanaro, Millbrae	Chas. Arnostam, Menlo Park

SEND A STUDENT TO HAWAII -- The band at San Carlos High is trying to raise \$21,000.00 for a trip to the Hawaiian Music Festival. At the last meeting Chet McRorie was selling raffle tickets for this project at a buck a throw. You might contact him if you haven't made a contribution.

WHAT'S NEW -- Stan Selverstein reports that attendance is getting better. Last month it hit the 89th percentile. -- Keep those make up cards coming in!

-- Bouquets of Tulips were the order of the day for Bob Brown who has involved himself in community projects and John Esson who has made such a contribution to our Rotary Club and is a past president. A special bouquet was given to Jim Fitzgerald -- Why? Because he talked President Bill into joining the club a number of years ago.

LAST WEEK -- Hal Hjertberg was fine master for the day and extracted quite a sum of money from the club members who have not yet memorized the World Almanac. It was a job well done.

-- Jim Fitzgerald, the program chairman for this month, introduced the speakers who were Bob Brown and John Esson. Both are past presidents of our club and they conducted a very interesting disucssion about the admission of members to Rotary. The main emphasis of their talk was for us to constantly search for new members and to use the appropriate procedures in nominating people for membership. A handout was distributed explaining the proper technique for admitting members. If you were not at the meeting, notify John Esson and I am sure he can supply you with the information sheets that were given to the membership.

MARCH 21, 1972

THIS WEEK -- Club members, Fran Pearson and Jim Newell will speak this week about the I.R.S. The title of their talk as received by the bulletin editor is "The I.R.S. Is Not a Flower".

Finemaster for the meeting is Lloyd Osborne.

NEXT WEEK -- Jim Fitzgerald, the program chairman for March has scheduled Leo Chamberlain to speak at our next club meeting. The title of his talk is "A Whale of a Time".

Paul Jones will be picking pockets next week.

REPORT FROM THE PRESIDENT -- At the last meeting President Bill reported that:

The newly elected members of the Board of Directors are Bill Burgler, Don Helbush, Frank Parcell and Walt Small.

The Board allocated \$100.00 to the San Carlos High School band to help finance their upcoming trip to the Hawaiian Music Festival.

Ten dollars was donated to a citizen of our community who has developed the Chestnut Street Club which is designed to provide enriching experience to children who live in that area.

In addition to the report, Tulip bouquets were given by Bill to Max Gerfin who chaired the scholarship committee this year and to Jack Estes who served as chairman of the committee last year.

SCHOLARSHIP NOMINEE INTRODUCED -- Pete Rincon, a graduate of Sequoia High School and now a student at Menlo College was introduced to the club. Pete is our club's nominee for a Rotary Foundation Scholarship.

BALDWIN STRIKES AGAIN -- After months of silence Alan Baldwin has flooded us with make-up cards. Last week Secretary Bostwick informed us that Alan has sent Rotary Flags from Clubs in Delhi, Lagos, Singapore and Katmundu.

VISITING ROTARIANS -- Rotarians visiting our club last week were:

Henry Hughes, Belmont
H. N. Geering, Billings, Montana
Zook Todd, Oakland
Art Law, Los Altos

Wes Rush, Paradise
Walt Clinch, San Mateo
Art Barnham, San Carlos

LAST WEEK'S SPEAKER -- William Bennett was the speaker for last week. Mr. Bennett who is an elected member of the State Board of Equalization, an Attorney, Professor of Law, and a Consumer Spokesman discussed the growing problem of large monopolies. Mr. Bennett said that the national philosophy was never meant to have the wealth cornered by only a few. Yet, in recent years politicians and bureaucrats have often conspired to allow companies to merge even when the merger would stifle competition and work to the detriment of the consumer. Mr. Bennett illustrated his point by describing a merger case on which he worked. He adeptly described the political machinations that occurred in a case where one natural gas company was attempting to absorb its competitors and control the natural gas industry in the Western United States. Even though the merger was in violation of Anti-trust laws, the Government supported the merger. He said the Government must remove political interests from its deliberations in anti-trust suits and must firmly uphold the law in prosecuting violations.

NEW MEMBERS INTRODUCED -- Three new members were introduced to the club last week. Paul Jones made the introductions and gave an inspirational talk emphasizing the need for an active recruitment program to get young men into Rotary. A brief biographical sketch of the new members is presented below:

Robert Bills -- Bob is an attorney who practices criminal law. He was proposed for membership by Howard Innes and lives in Burlingame with his wife and young son, John. Bob, a graduate of Stanford and University of Chicago enjoys gardening and golfing.

Ed graduated from the University of Minnesota; was a former member of the Atascadero Club, and makes his home in Cupertino. His hobbies are hiking, gardening and fishing. Ed's proposer is Bob Baum.

Each club member should make it a point to introduce himself personally to each of these new members.

LAST WEEK'S PROGRAM -- Jim Fitzgerald introduced the program. The program was a collaborative effort with Fran Pearson doing the talking while Jim Newell served as the researcher. The topic was about the Internal Revenue Service and its tax auditing function. Fran gave us some very interesting facts relating to the tax bureau as well as providing timely information about chances of being audited; what to do if you are; and some info about loopholes, pitfalls and law changes relating to federal taxes.

ROTARY SPOKE

Redwood City, California

APRIL 4, 1972

THIS WEEK -- Bob Durkin, the program chairman for April, has scheduled Walt Steiner, a senior airline pilot who had the dubious distinction of being the pilot on the first 747 flight which was aborted.

Finemaster will be Les Reese.

NEXT WEEK -- Tim Durkin (Bob's son) will be the speaker. His topic will be "Amigos de las Americas" which is about a program of medical aid to South American Countries. The program is sponsored by American teenagers and Bob had the opportunity to serve in South America as a participant in the program.

Finemaster for the meeting will be Bill Bulanti.

REPORT FROM THE PRESIDENT -- Bob Pierce was "El Presidente" at last weeks Rotary meeting in President Bill's absence. He reported that at the Board of Directors meeting on March 23 Frank Parcell is the new President-elect, Bob Pierce was confirmed as the President for the coming term taking over the gavel from Bill in June and Bill Bergler will continue as Treasurer with Alan Bostwick remaining the ever faithful Secretary. A "Bouquet" to you all. (see Bill Enomoto). The Secretary reported to the Spoke that the Club has provided the Redwood City Police Department with an etching tool and De-cals for citizens windows for a program designed so that residents may insert identification symbols on their home valuables so in event of burglary and recovery of the items they can be identified. Spoke understands the theory is that the De-cal in the window may serve as a warning to a would be burglar and perhaps deterring him from entering. An additional \$325.00 was voted for another tool and 5000 additional de-cals. The program is registering success in other areas. \$50.00 also was voted for the "Day Camp for Handicapped" in Burlingame and \$100.00 voted to establish a loan fund for needy students at Woodside High School.

VISITING ROTARIANS -- Rotarians visiting our club last week were:

Ken Wilson, Menlo Park
Bob Paroli, Menlo Park
Ray Winther, So. S. F.

Chet Johnston, Pittsburg, Calif.
Chuck Baker, San Carlos
Art Franham, San Carlos

LOOKING AHEAD -- District '513' Conference at Eureka May 11-13. For a few days of fun and fellowship it can't be beat.

"Try it you'll like it".

June Installation Dinner, John Esson is chairman.
Date to be announced.

LAST WEEK'S SPEAKER-- Jim Fitzgerald introduced Leo Chambarlain, a hobbyist expert on whales, ocean ones that is. No nodding heads were observed by the Spoke reporter as Mr. Chambarlain told how he became interested in whales and of the many species of them and the history and life cycle of our own California gray whale.

LAST WEEK**FLOWERS TO --Ron Koster for the outstanding folder for the Rotary Student Vocational Program and to Dave Schutz for devotion to the weekly news broadcast. Finemaster Paul Jones presented Bob Pierce with a special bouquet (one rose)for hosting the club in President Bills absence. He then special hand picked various members for donations to the Club's coffers

STRIPPED GEARS -- "Subtlety is the art of saying what you think and getting out of range before it is understood." 'Rotarily Yours' Nutley, N.J.

ROTARY SPOKE

Redwood City, California

APRIL 11, 1972

THIS WEEK -- Program Chairman Bob Durkin will introduce his son Tim as speaker of the day. Tim's topic is "Amigos de las Americas", a program of medical aid to South American countries. Good luck, Tim! Pappy will be in your corner.

Bill "Bulanti Travel Service" will fine us.

FROM OUR DISTRICT GOVERNOR GREETINGS TO ALL DISTRICT 513 ROTARIANS Sparkling speakers, spectacular scenery and fantastic fellowship will highlight one of the most unusual District Conferences ever held in Rotary. The calendar of entertainment and events for both Rotarians and Rotary Anns is so diversified and unusual that you'll be the envy of anyone who misses out on this greatest of all conferences.

WHEN IS IT? May 11 - 12 and 13

WHERE IS IT? Eureka, in the heart of the greatest redwood forests in the world with miles of magnificent beaches, rivers, lakes, meadows, fishing fleets and historical sites. Details of the fun-backed program and registration blanks will come to you soon. Remember attendance is essential on the part of newly elected officers and important to all. Attendance counts as a make-up. Make a note now of those dates: District Conference, May 11-13, at Eureka.

THANK YOU, C.M. "Charlie" Strobe, Governor, District 513.

MENLO PARK ROTARY -- announced their President-elect is Hank Gay, Data Processing Service.

R. I. - Council on Legislation will be a busy group this year. There are 76 proposals for consideration. No. 48 should stimulate more than casual interest, "removing membership restrictions based on sex in the qualifications for membership." Any proposals, fellers?

NEXT WEEK -- Mr. Ben Kilpack, a member of the Sociology staff at Canada College will speak to us on the subject of Prison Reform.

Finemaster: Unknown at press time

LAST WEEK -- Berlin, Claypool, and Howard conducted the opening ceremonies. --Visitors: Herb Ridgley, Burlington, Vt; John Houg, West San Jose; Howard Johnston, Gaar Edwards, John Bohrer, Menlo Park; Jack Connor, Garry Goss, San Carlos; Don Mueller, San Mateo; Harry Weaver, Cleveland, Ohio.

Les Reese did the fining.

Bob Durkin introduced American Airlines senior pilot Walt Steiner. Walt has flown for 40 odd years and has piloted 747's since their introduction. His remarks were centered almost exclusively about the huge plane. He had no structured talk, preferring to field questions put to him. This he did with expertise, and held the close attention of all of us. A most interesting program!

ROTARY SPOKE

Redwood City, California

April 18, 1972

THIS WEEK -- Program Chairman, Bob Durkin informs us that Ben Kilpack, a member of the Sociology staff at Canada College, will speak to us on the subject of Prison Reform.

Jim Parmalee is the Finemaster.

NEXT WEEK -- Bob Pierce has helped to obtain Ian Rogers from the Junior Achievement Program in San Francisco, His talk is entitled "Your Responsibility to Youth."

The Finemaster will be Russ Kent.

DISTRICT CONFERENCE -- President Bill reminded us again about the 513 District Conference which will be held in Eureka on May 11th, 12th and 13th. Registration forms can be obtained from Bill.

CAPTAIN BOLD'S FIGHT AGAINST CRIME -- Captain Bold, from the Redwood City Police Department explained the new anti-burglar program, entitled Operation Identification. This program, which our club helped to finance, would encourage each member of the community to etch his driver license number on valuables in his home. After doing this a decal would be placed in the window of the home announcing the fact that articles from the home are traceable if stolen. The engraving tool can be borrowed from the police department.

LAST WEEK -- Opening exercises were conducted by Sid Berlin, Dave Schricker and Dick Bimson.

Visiting Rotarians were:

Harry Weaver - Cleveland
Cliff Brauff - San Carlos
Bob Ziegler -- San Carlos
Bob Brady----- Menlo Park
Frank Rose --- San Mateo

Bill Bulanti was finemaster and extracted a goodly amount by teasing us with little known and immediately forgotten facts. It was fun, however, and quite profitable.

Bob Durken was the program chairman and also the speaker. Bill told us about a program for teenagers in which he served as an advisor. The program is called "Amigos de las Americas," and is geared for youngsters of high school and college age. The program is designed to provide much needed medical aid to South American countries while giving American youngsters an opportunity to develop understandings about our neighbors. The teenagers involved are trained to give inoculations, learn spanish and are then sent to remote South American hamlets to help control certain preventable diseases. The program is a self sustaining person-to-person project devoid of political or national ties--strictly humanitarian.

Bob showed some facinating slides about his experiences in the village where he was during his stint of duty. He sounded as if it was really an enjoyable and rewarding adventure.

ROTARY SPOKE

Redwood City, California

April 25, 1972

THIS WEEK -- Ian Rogers from the Junior Achievement Program will be the speaker for this week. The title of Mr. Roger's talk is "Your Responsibility to Youth." The Junior Achievement Club is composed of Youth who are interested in becoming businessmen and women. These youngsters need our help in their worthwhile business endeavors.

Finemaster is Ken Brown

NEXT WEEK -- Henry Ritter, the program chairman for May, will give us information about the program for next week at today's meeting.

Finemaster is Russ Kent

DISTRICT CONFERENCE -- Bob Pierce is receiving the applications of Rotarians attending the district conference in Eureka on May 11th-13th. Besides the business meetings there will be numerous fun time activities at the conference. Some of our members taking the trek to Eureka are George Chaffey, Alan Bostwick, Joe Lodi, Bob Pierce, Bill Enamoto, Bob Durkin, John Esson and Clyde Crippen. If you want to go see Bob Pierce immediately.

FAMILY PICNIC -- Paul Young announced that a family picnic is planned for June 4th at a nearby park. The plan is to have the meal prepared by a local man who will buy the food and prepare it for a nominal charge. All we have to do is eat and have fun. Paul has to know soon about how many members will be attending. He will take a poll today---be ready!

THUMBS DOWN -- Chief McDonald, George Potoraff and Aksel Schmidt were at our meeting last week to hear a resolution read by Bill Enamoto on behalf of Dixon Arnett. The resolution commended Redwood City for embarking on a City wide program designed to deter the passing of bad checks. Under this program people cashing checks would be asked to place their thumbprint on the check. The resolution was encased in an attractive frame and given to Chief McDonald for display.

LAST WEEK -- Rotarians visiting our club last week were:

Henry Hughes	Belmont
Mike Fox	
Clint Matrisciano	San Carlos
Jack Robertson	Menlo Park
Bill Daseking	Menlo Park

Jim Parmalee effectively picked our pockets during the fining session.

Jim Duke served as the program chairman and introduced Ben Kilpack, a sociologist at Canada College, who specialized in the study of penal institutions. Most of his work has been in juvenile correctional programs. Mr. Kilpack said that San Mateo has made an impact on correctional institutions because of some of its innovative programs. He said that we are gradually moving away from the hedonistic concept of reform under which we have been operating. This archaic concept advocates that you can correct a man's antisocial behavior by taking away his pleasures. Mr. Kilpack discussed several positive correctional programs which work towards enhancing the self concept of the person being punished and thereby preparing him for a successful re-entry in society.

ROTARY SPOKE

Redwood City, California

MAY 2, 1972

THIS WEEK-- May program chairman Henry Ritter has asked 5 of our newly elected Rotarians to speak--about themselves. According to Henry, those featured will be:

Bob Baum -- Banking, Savings
Hubert Brugger -- Foreign Car Sales
Bob Freibertshauser - Photocopying
Rick Howard -- Minister
Ed Schmalz -- Medical Labs.

Russ Kent will be superintendent of fines

Our Bowling team -- Leads the pack -- for the cellar position. Reasons: Lodi, Parmelee, Pierce, Bulanti, and Bergler. A motley crew, forsooth! They have fun, tho, and able-bodied recruits are solicited.

NEXT WEEK -- At press time Henry did not have confirmation but plans to have a speaker from the Hong Kong travel bureau.

Finemaster -- to be announced.

Coming Up -- The Installation-Demotion dinner will be held on June 27, (Tuesday eve.) at Rickey's Hyatt House.

--Club picnic Sunday, June 4 at Huddart Park

--Blood bank drive May 5 -- Kaiser Hospital

LAST WEEK -- Jim Greenwell was songster, Rick Howard gave the invocation and Jud Shurtz led the pledge.

--Visitors were Dick Schaffer--San Mateo; Waldo Perry, Don Lind, George Moore, Jack Conner, and Gailerd Smith--San Carlos; John Bohrer, Bud Fellows, Bud Paroli--Menlo Park; Lee Ham-- Burlingame; Bob Hawley--Hong Kong; Ian Rogers--San Francisco.

--Ken Brown, Top Sergeant, fined and fined on the new baseball season. Did very well with new Rotarians, better with the veterans.

--San Francisco Rotarian Ian Rogers discussed the Junior Achievement Program. He is desirous of establishing the program in Redwood City.

Nationwide there are 161,000 Junior Achievers, in all 50 states. J A's are high school youth living in more than 1000 communities. Each company is formed according to bona fide corporation format complete with stockholders, officers, production and sales force. All use a standard record system devised by the national organization of C P A's. Seventy-five to eighty % show a profit--but some go bankrupt. Whichever way it goes, the kids get a great deal of experience and knowledge of the "free enterprise system", American Style.

ROTARY SPOKE

Redwood City, California

MAY 9, 1972

THIS WEEK -- We will hear the personal histories and remarks of new Rotarians, the program originally scheduled for last Tuesday. Presenting vignettes will be:

Bob Baum - Banking, Savings
Hubert Brugger - Foreign Car Sales
Bob Freibertshauser - Photocopying
Paul Larson - Minister
Ed Schmalz - Medical Labs.

Sing it pretty men! Finemaster will be Lloyd Gebhart.

NEXT WEEK -- We understand that the Chinese Ping Pong team will be heard from.

Bob Baum will fine us.

LAST WEEK -- Opening ceremonies were conducted by Sid Berlin, Hubert Brugger, and Paul Larson.

--We welcomed Rotarians Lennie Moskowitz and Burnett Hendy from Burlingame; Lou Goss, John Tenvold, and Chuck Baker from San Carlos; Austin Mosher, Bud Ballard, and Jack Robertson from Menlo Park; John Blackinger from San Francisco; and Gary Nelson from Terra Linda.

--Also aboard were ex-go-go R.C. Rotarian Bill Sexton, guest of Bob Durkin; Jim Davis, guest of Burnett Hendyx; Dan Osborne, guest of his dad; and Dr. Ward Clark, guest of Henry Ritter.

--We were urged to save Sunday June 4 for the club picnic. Site to be selected.

--Jim Fitzgerald received an Enomquet for representing R.C. Rotary at the So. S.F. club's dedication of their Rotary Plaza.

--Mustachioed Don Helbush was late, couldn't find a seat.

--Russ Kent really cleaned the air as finemaster.

--Congressman Pete McCloskey appeared as special surprise speaker.

It's difficult to attempt a summary of Pete's remarks without being accused of unfair editing or editorializing. So--accuse away. If you wish to put your remarks in writing they will appear in the Spoke in space up to equal the amount of this summary.

Pete McCloskey is a controversial figure. He is sharply critical of the Seniority system as it presently operates in Congress, and equally critical of various policies and acts of the Nixon administration. He may be unduly pessimistic and harsh in some of his assessments but if he isn't honest in them he has me fairly fooled.

Highlights:

Vietnamization is essentially a failure but the outcome of the present conflict is not clear.
Economic policies of the Administration have resulted in a series of unsatisfactory results: inflation continues to be a threat budget deficits of 24, 40 billions respectively for the past 2 years, continued high employment, unused plant capacity, accelerated concentration of corporate assets in the hands of fewer and fewer.

In answer to a question McCloskey stated that resistance to the seniority system is a non-partisan effort, sparked by young members.

ROTARY SPOKE

Redwood City, California

May 16, 1972

THIS WEEK -- Henry Ritter informs us that the speaker for this week is Mr. Phillip Chai who is the China Specialist for Pan American World Airways. The topic of his talk will be "China Today."

Bob Brown was scheduled as finemaster but a change may be made because of Bob's illness.

NEXT WEEK -- Royce Cole will be the speaker at our next meeting. Mr. Cole is hoping to receive the Republican nomination to run for Congress in the 17th district.

Finemaster will be Jim Duke.

GET WELL BOB -- President Bill announced that Bob Brown had been hospitalized and was now confined to his home - we don't know the nature of the illness, but are all wishing Bob a speedy recovery. If possible, drop Bob a line.

BILL ROYER NITE -- At the last meeting Paul Keckley plugged a dinner being sponsored for Bill Royer. The dinner will be held in San Mateo on May 31, and will feature many figures from the world of sports. John Brody, Bobby Bonds and many other athletes will be there to help Bill in his campaign. Further info can be received from Paul Keckley.

CONDOLENCES -- It began innocently when Dave Schutz openly chided Paul Keckley for conducting such a long City Council meeting. Our Condolences, therefore, are offered to the Tribune reporter who clocked 4 hours overtime for attendance at a 2 hour and 45 minute council meeting.

IMPORTANT -- Sid Belin is bringing our roster up-to-date and will bring his camera on June 13, to take pictures of new members or people who were missed last year. If you do not have a picture in the roster book be sure to attend the June 13, meeting.

ACCOLADE -- Frank Parcell received roses from President Bill for providing the Local Junior Achievement Club with an office in his building -- rent free.

VISITING ROTARIANS -- Visitors at last week's meeting were:

Henry Hughes	Belmont
Norm Henders	Burlingame
Bob Berth	So, San Francisco
Jack Norton	San Mateo
Andrew Jezychi	San Mateo

LAST WEEK'S PROGRAM -- Henry Ritter introduced the program for last week which consisted of "Get Acquainted Speeches" given by the new members. The program was interestingly done by having each of our newest members give an autobiographical sketch of another new member. Each new member did an excellent job of preparing and delivering his material. Because of this, we all know the new additions to our club even better.

ROTARY SPOKE

Redwood City, California

May 30, 1972

THIS WEEK -- Mr. Herb Rhodes will be the speaker for today. Mr. Rhodes is a graduate of San Jose State College, has held positions in the Santa Clara County Office of Education and the San Mateo Humans Relations Commission. He is now serving as an Employment Representative and Training Coordinator for Special Programs at Stanford. His talk will focus on the changing relationship of the black man to society as viewed over the past decade.

Finemaster is Bob Friebertshauser.

NEXT WEEK -- The program chairman for the month is Charlie Gyselbrecht who has planned for us a program about the City Government. The first speaker to give us an insight into the machinations of the City's operation will be Jim Fales, the City Manager.

Finemaster to be announced.

CLUB PICNIC -- The Club picnic for families will be held next Sunday at Blackberry Farm. The festivities will begin at 10:00 with golf and the meal will begin at 3:00 p.m. Tariff -- \$3.50.

VISITING ROTARIANS -- The visiting Rotarians at last week's meeting were:

Frank Harper	Palo Alto
Dick Andrews	Menlo Park
Ron Wilson	Menlo Park

NEWS FROM ABROAD -- Jud Shurtz sent us greetings from Merry Old England and a New Zealand Club (didn't catch the name of the town) sent us greetings and thanked us for the Redwood tree seeds they received.

JUNE 13 IS PHOTO DAY -- Sid Berlin again announced that Rotarians who do not have their picture in our club Roster book should make it a point to attend the June 13, meeting. Sid will have his camera with him on that date and will take the photos.

LAST WEEKS SPEAKER -- Dr. Royce Cole who will be running against McCloskey and Barry in the Republican primary election was the speaker. Dr. Cole is a physician who has been active in the Palo Alto area on the local school board. Cole, a converted Democrat, has three major concerns which he would work to correct if he is elected. These concerns are:

1. National Economy --- Concerned about deficit spending, inflation, and loss of U. S. Financial influence on the world market.
2. National Defense --- U. S. is behind Russia and we need to pay more attention to this area, especially in the area of research and development.
3. Education --- Believes in strong education system which accentuates basic education and especially communication skills.

A question and answer period followed.

NOTE -- The Burlingame Club no longer meets at the Women's Club as indicated in the Spoke. The Burlingame Club now meets at the Airport Marina Hotel on Old Bayshore in Burlingame. The day of the week (Wednesday) remains the same.

ROTARY SPOKE

Redwood City, California

JUNE 6, 1972

THIS WEEK -- June Program Charlie Gyselbrecht has planned a series of meetings on city government. Appropriately, City Mgr. Jim Fales will begin the series today. Jim told us about some goals in his previous appearance at the club.

Finemaster: Rev. Dick Bimson

NEXT WEEK -- Mayor Paul Keckley is responsible for the second presentation on city government. More about Paul and his speech next week.

Finemaster: Ed Schmalz

Bob Friebertshauser as finemaster built his session around facts about Redwood City.

We noted with regret Dave Neufeld's resignation.

Speaker Herb Rhodes gave his personal reactions to developments of the black-white situation in San Mateo County during the past several years. Herb's overall estimation is that although there have been and still are instances of black and white racism, progress toward harmonious solutions are being made. He fielded questions with dignity and sincerity. He was well received.

ANNOUNCEMENTS: Under the direction of John Esson assisted by a star-studded committee of past-presidents, the Installation-Demotion affair promises to be a must. An evening meeting, with Rotaryans coming, it will be the regular meeting for that week. Tuesday evening June 27. Rickey's Hyatt House.

President-elect Bob Pierce will have committee assignments completed by today.

LAST WEEK -- Opening ceremonies were conducted by Jim Greenwell, Bill Royer, and Dick Bimson.

--We welcomed visiting Rotarians

Adam Stromski - Cadiz, Ohio	Chas. Wheeler	- San Francisco
Landis Weaver - Menlo Park	Chuck Rosebrook	- Burlingame
Bill Jones - Pacifica	Joe Souza	- San Mateo (X-R.C. Rotarian)
J. G. Smale - Chico	Frank Rose	- San Mateo

Paul Larson introduced his personal guest.

From the D.G.: Senior Active Classification

The principle advantages of Senior Active Memberships are:

It gives active members an opportunity to make a personal contribution to their club's membership by opening a classification. It provides the club an opportunity to secure a younger and more energetic member.

It recognizes the status of older, more experienced members by offering them special advantages.

An Active member who automatically becomes or exercises his option to become a Senior Active member, may move to any other location and continue his membership in his original club indefinitely so long as he fulfills his attendance requirements or he may choose to transfer his membership to that club (one such move). His business or professional status is in no way affected by this new membership. Upon attaining the age of 65 or 5 or more years of cumulative membership, such Senior Active member may be excused from attendance requirements. Under certain circumstances Senior Active members under age 65 may enjoy the same privilege for a specific period of time. The Senior Active member should not lose his identity because his badge should show in addition to "Senior Active" his Former Classification and he should be identified as such. (Ed. note: There are presently 17 Sr. Active members in R.C. Rotary.)

The finemaster for today's meeting is Ed Schmaltz.

INSTALLATION 1972 -- John Esson is in charge of the big Installation Affair this year and is planning a great evening for all of us. Remember to keep Tuesday, June 27th open. The dinner will be held at Rickey's Hyatt House in Palo Alto.

2. The Public Works function has been reorganized.
3. The Parks and Recreation departments were consolidated under one directorship.

MEET THE R.I. PRESIDENT NOMINEE -- William C. Carter, a member of the Rotary Club of Battersea, London, England, since 1949, was nominated as R.I. president-nominee for 1973-74 by the nominating committee for president of R.I. at its 13 January meeting in Evanston. ROTARY SPOKE

Redwood City, California

June 19, 1972

THIS WEEK -- Charlie Gyselbrecht has planned another program for us about our city government. Dave Schriker, our city attorney, will be the speaker at today's meeting.

NEXT WEEK -- Next week the meeting has been changed to the evening when the annual initiation dinner will be held. Don't forget to get your tickets for that meeting today. The men to see for a reservation are Clyde Crippen and Alan Bostwick. John Esson and a group of past presidents are planning a great program, so have your Rotaryann mark the date on the calendar. The dinner will be held at Rickey's Hyatt House in Palo Alto.

FLASH!! -- The district assembly will be held on Saturday, June 24, 1972 at the Dominican College in San Rafael. Alan Bostwick is coordinating the journey.

Jud Shurtz is back in town after a visit to Europe and Hubert Brugger went to Germany and was back before we realized he was gone.

Shirley Temple Black has invited us to attend a meeting where she will tell us about the work of the United Nations' Human Environment Council. The meeting will be held on June 29 and cost \$4.50 per person.. Bill Enomoto has additional info if you feel inclined to attend.

July 4 is on a Tuesday so the regular Rotary meeting for our club is cancelled. Therefore, our new President, Bob Pierce, will speak to us at the first meeting of the new Rotary year which is July 11.

Committee assignments were distributed last week. Members who were absent should get their list of assignments in the mail.

Sid Berlin took pictures of new members at the last meeting. These photos will help to bring our roster up-to-date.

Art Farnham tells us that the San Carlos Club is preparing for it annual junkique. Admission is free, but items are needed. The junkique will be held at Central School in San Carlos on June 22, 23, and 24. For more info call Art.

VISITING ROTARIANS LAST WEEK -- Names of Rotarians visiting last week are listed as follows:

Charles Wheeler	San Francisco	Art Farnham	San Carlos
Bob Coleman	San Carlos	Bob Williams	Menlo Park
Landis Weaver	Menlo Park	John Roberts	Burlingame
Paul Widdess	San Mateo	Joe Soom	San Mateo
Lee Lewellan	Half Moon Bay		

LAST WEEK -- Paul Keckley, the Mayor of our fair City, was the speaker. Paul told us about the scope of the councilmen's duties. The mayor described the various coordinating activities in which the city is involved at the local, regional, State and national levels. The names of these coordinating committees are too numerous to mention, but Paul made it clear that each council member has little spare time because of committee participation. The complexity of government and the interrelationship of problems between the various governmental levels require over lapping coordinating committees and a broad base of citizen participation. Mayor Keckley also explained that a city council member is the politician most accountable to the public since he operates more closely to the taxpayer than any other elected official. In spite of the taxpayers protest, Paul reminded us that all of the city's services are provided for a cost of only .40¢ a day per person.

ROTARY SPOKE

Redwood City, California

JUNE 28, 1972

W E L C O M E , ROTARY - ANNS !

Redwood City Rotary has held an annual installation-demotion dinner meeting since its inception in '42. The two men to be honored tonight - Bill Enomoto and Bob Pierce - are doubly honored with your presence. You always lend that indefinable charisma to these occasions that make them memorable.

Under the general chairmanship of past presidents John Esson and Joe Lodi we're "in" for an action and fun-packed evening.

Honorary Rotarian Bob Biggs will lead songs to the incomparable accompaniment of Jim Greenwell. Bob was official song leader for R.I. in Hawaii in '70.

Past president Dave Schutz, Paul Keckley and Lyle Edson are scheduled to do their thing: Schutz as newsman, "Keck" as finemaster, Edson as chief debunker.

Past D.G. George P. Chaffey will install as president Bob Pierce and his incoming officers.

Next Meeting -- Tuesday, July 11, at the regular time and place. Next week - July 4 - no meeting. President Bob will comment on the R.I. convention which he and Inger attended in Houston, June 10-16. The theme of the convention was reflected in major addresses encouraging Rotarians to forward the Rotary ideal of service through their businesses and professions and through their activities as individual citizens concerned with the human condition worldwide.

Future R.I. Conventions - are scheduled for Lausanne, Switzerland, 1973, and Minneapolis-St. Paul, 1974.

Last Week -- Mel's Bowl was hosting a tournament and we were relegated to an even smaller room than usual. Berlin, Duke, and Bimson conducted opening ceremonies with their accustomed aplomb and expertise.

The incoming District Governor for #304 in India was introduced by our past D.G. Ray Winther. Mr. Supee reported that the new District school in Jodpur will be dedicated in October. This school was a District 513 project in Phil Schneider's year.

We welcomed as a Rotarian new to our club Superior Court Judge Robert Miller. Judge Bob is past president of the So. San Francisco club. Good to have you with us, Bob.

City Attorney Dave Schricker completed the series on Redwood City Government in action programs organized by Charlie Gyselbrecht. Dave's presentation was outstanding. Sorry we don't have space to report it. We took copious notes!
