ROTARY SPOKE

Redwood City, California

July 11, 1972

THIS WEEK: Club Assembly. This is the time we make plans for the coming year.

Finemaster is Bob Brown.

ROSTERS: Are you listed correctly on the roster? A new listing will be out very shortly (next week Bob?). Any change must be made today, otherwise the listing will be incorrect for another four months.

NEW MEMBER: Conrad H. Menzel (Con), California Highway Patrol. Con is scheduled to be installed today. WELCOME!!!

LAST WEEK: June 27, 1972.

The Main Course: Debunking of Bill Enomoto and finally getting a new President!!!

An overflowing crowd (108) that demanded extra tables, a head table where all the action took place. The flowers abounded in all directions, of course, roses was the theme.

Nice to have a meeting with the ladies in all their nice clothes; the men so sharp, the surroundings real nice. As said at the meeting, "From the Southern to an Alley, to this."

Also nice to see that our official piano player and his helper returned to render somewhat of a series of good tones, but they make up in vigor what they lack in the closely united team effort. Jim Greenwell on piano and our Honorary Rotarian, Bob Biggs, the eyes flashing, arms flying and mouthing the words.

Bill's Swan Song was excellent. He should have been fatigued from 18 months of wonderful effort, but he came on stronger than ever.

The little gifts and the wonderful idea of giving our bouquets to the people who have worked for the good of their fellow human beings will be missed. Wonder if our new president will pass out tubes of gun grease?

Mayor Paul Keckley led the group down the road to financial ruin with his questions on the flag. Really we do have some smart fellows in the organization or good guessers. Tell me what has the clapper got to do with liberty, (noisy or something). All Lew Wick was the Fourth of July champ guesser, but we think Scotty Elson edged him. And payolla from Keckley (Somebody elses money) to Max Gerfen!! Well, it assures you of one more year at the Hospital, Paul.

Dave Schutz gave flowers to Edes and past president Bill and it brought a standing ovation from the crowd. The gift of the club for President was presented by Joe Lodi.

Past District Governor George Chaffey, amid puns installed the new officers.

Well Judge Lyle Edson put debunking on a legal basis. Poor Bill got it with flowers like you have never seen, and I don't believe it that he gets his flowers out of the cemetery at 3 AM. Surely Bill can do better than that.

NEXT WEEK: Ken Schroeter, Redwood City Planning Department will offer solution to Redwood City's Problems. Dick Morgan is scheduled to collect a "bundle" for the Club Treasury.

ROTARY SPOKE

Redwood City, California

July 18, 1972

TODAY: Ken Schroeter, Redwood City Planning Director, will give a "Status Report on Redwood City's General Plan."

Ken has been Planning Director of Redwood City since 1966. His 21 years experience includes not only Redwood City, but also a period as Planning Director for the City of Vallejo and as Project Planner for the Arab Sector of Jerusalem. His schooling includes U.C. Berkeley; University of Illinois (Bachelor's Degree) and Columbia University (Master's Degree).

Dick Morgan will be today's "Extractor".

RUSSIAN RIVER TRIP: Reserve September 12th for the Russian River Canoe Trip. President Bob is expecting to have the winning canoe to be manned by Redwood City Rotary Members. Preferably his own!!!

WANTED: Five young men between the ages of 25 and 35 are needed to visit Sweden in May, 1973, as a group study team under the auspices of District 513. These men cannot be related in any way to Rotarians.

The Group Study Exchange is sponsored by the Rotary Foundation and all travel expenses will be paid by the Rotary Foundation. District 132 in Sweden will assume the responsibility for travel and housing while there.

If you have a likely candidate contact Secretary Alan Bostwick for application forms.

LAST WEEK: This was Club Assembly and a report was given by President Bob Pierce on the Houston Convention. Apparently Las Vegas had almost as much allure for Bob as Houston. His fondest memories of Houston seems to be his hotel suite. Seriously though, he reports the convention was a great success and well worth the trip.

Dave Shutz in his newscast forecast no rain until January 10, 1973!!! Should be a great year ahead for the Beer Industry.

Bob Brown as Finemaster sold Sid Berlin's reject photographs to members at \$1.00 per. Sid's quote of the week was "You may lose daily, but win weakly".

NEW MEMBER: We reported that Conrad H. Menzel would be installed last Tuesday. He is scheduled to be installed today. Con is Captain in the California Highway Patrol. Welcome Con, we need someone to bring law and order to the local Rotary Club.

NEXT WEEK: Charles Chase, member of the Belmont Rotary Club, and the Republican candidate for the 11th Congressional District will talk on "What's good about this Country".

Carl Mabie, as Finemaster, is planning new methods to impoverish members and enrich the club.

ROTARY SPOKE

Redwood City, California

July 25, 1972

TODAY: Charles Chase, member of the Belmont Rotary Club and the Republican candidate for 11th Congressional District will talk on "What's Good About This Country?". Charley informs us this is strictly a non-political talk.

Carl Mabie is today's Finemaster.

"LET'S TAKE A NEW LOOK": The theme of Roy D. Hickman, President of Rotary International presents a challenge for each of us to accept, both individually and collectively.

For a moment let's review the four avenues of service, Club Service, Vocational Service, Community Service and International Service.

Ever mindful of the past, but not to be bound by tradition for its own sake, Rotary will gain a new impetus and a new enthusiasm when we "Take a New Look" and ACT!

ROSTER: The latest roster will be on the back of the SPOKE soon. Unfortunately they have been delayed due to Bob Friebertshauser's gimpy back and our extra heavy work load. Bob swears he didn't hurt it (the back) sailing, it had to be from overwork!!

LAST WEEK: Ken Schroeter, Redwood City Planning Director brought us up-to-date on the status of Redwood City's General Plan. As Ken explained it people in Redwood City, like elsewhere, are constantly moving in and out and as a result our population is not as stable as it seems.

Dick Morgan acting as Finemaster, helped the Club Treasury grow.

NEXT WEEK: Jim Duke plans to have Dr. Paul Stegner, Psycholigist at Canada College, as our speaker.

Hubert Brugger will be Finemaster.

FROM THE WINSLOTARIAN: Golf has been described as that game where the ball lies poorly after just about every shot and where the player lies exceptionally well after every game.

MAKE-UP: One of the finest ways to support your president is to be sure you make-up missed meetings.

Remember if you know that you are going to miss, you may make-up either the week before or the week following the meeting to be missed. Don't forget to mail your make-up card to Secretary Alan Bostwick. Failure to make-up will cost you \$3.00 for each meeting missed.

ROTARY SPOKE

Redwood City, California

August 1, 1972

THIS WEEK: Dr. Paul Stegner, Psychologist at Canada College will be speaker today.
Program Chairman Ken Duke will introduce.

Hubert Brugger will act as Finemaster.

BUSINESS PRESSURES: We are sorry to learn that Walt Small had to resign his positions as Redwood Planning Commissioner and Chamber of Commerce President-Elect due to pressures of business. Walt is another Rotarian who has done an outstanding job in serving his community.

LAST WEEK: Your Bulletin Editor erred last week!!! Charles Chase, our speaker, has not been a member of Rotary for two years and his talk was not "Non Political" as billed. Charley's talk was entitled "The Forgotten Man" which he claims is the middle income group in the United States. As a Congressional Candidate he believes that only by the Republicans gaining control of Congress in the coming election will the "Forgotten Man" be remembered.

Finemaster Carl Mabie at \$2.00 each, remembered members inducted into Rotary during the 1950's.

ANNIVERSARIES: Happy August Wedding Anniversary to:

Virginia and Bob Friebertshauser
Lou and Lloyd Gebhart
Phyllis and Walt Small
Esther and Vince Claypool
Edythe and Bob Miller

LaVerne and Stof Stofle
Jean and Bob Brown
Ina and George Chaffey
Jerilyn and Dave Schricker
Virginia and Lee Borges

The below had the temerity to be born during the hot month of August. Happy Birthmonth!

Bill Maxwell	Bob Biggs
Jim Newell	Bob Bills
Tom Poore	Ron Koster
Walt Small	Ken Brown

VACATION TIME: A BITE IN THE NIGHT

The couple hadn't really wanted to stop at the rather run-down motel, but they were tired and it was late. An hour after they checked in, the irate customer yelled into the phone:

"Are you the dingy desk clerk of this dilapidated den?"

"Why, yes," said the clerk, a bit perturbed. "What in the world is eating you?"

"That," said the disgruntled guest, "is exactly what I'd like to know."

NEXT WEEK: Program Chairman John Esson promises an outstanding program.

Rev. Paul Larsen, as Finemaster, will see that the plate is passed.

ARE YOU MAKING UP?

REMEMBER ATTENDANCE IS THE LIFEBLOOD OF ROTARY

ROTARY CLUB OF REDWOOD CITY, CALIFORNIA
1972-73
Chartered April 22, 1946

ROTARY SPOKE

Redwood City, California

August 8, 1972

THIS WEEK: John Esson's Secretary informs your editorial staff that John arranged an outstanding program for today prior to leaving for the Lake Tahoe Area.

Paul Larsen, as Finemaster, promises to almost singlehandedly (?) wipe-out the club's 1972-73 deficit.

MAKE-UP: Ed Carlile, Senior Active, who is now retired and living in Southern California recently made up at the National City Club. Thanks for the flag, Ed.

LAST WEEK: Dr. Paul Stegner, Canada College Psychologist, gave a most interesting talk on mental health problems and its treatment. Seems that what may seem as an irrational act by others may be most rational to the person performing the act.

Hubert Brugger was Finemaster and saw that cash was transferred from a large number of members pockets to safekeeping in the Club Treasury.

CANOE TRIP: Bill Bergler, tough veteran canoe paddler, has been appointed "On to Healdsburg" chairman for the annual Healdsburg to Gurneville canoe race down the Russian River on September 12. President Bob Pierce announced that he would like to form a group of Casino or Crazy Eight players for the night before festivities in Healdsburg.

See Bill for reservations to both!!!

OTHER COMING EVENTS: The Board of Directors approved plans of the Special Events Committee (Walt Koslosky; Chairman) for 1972-73. These include:

September 16,	Family Picnic at Huddart Park
December 19,	Children's Christmas Party (during regular meeting)
March, 1973	"Myself Night" including some unknown destination
May, 1973	Theatre Night

Walt will shortly furnish details for the family picnic. Be sure you mark your calendar today.

1972-73 BUDGET: Your Board adopted a budget for 1972-73 calling for expenditures of \$9,633 while anticipated income is only \$7,665. There are sufficient funds on hand to cover the \$1,968 deficit.

INCREASED CHARGES: After adopting the budget the Board recognizes there is inflation and increased the charge for failing to make up missed meetings from \$3.00 to \$4.00.

The Board also authorized "pre arranged" fines over the normal \$2.00 maximum. Z

BELMONT ROTARY: The Belmont Rotary Club has moved its meeting place, effective August 7, to the:
Iron Gate Restaurant
1360 El Camino Real
Belmont

NEXT WEEK: John Esson's Secretary claims that John always follows through on his assignments and that there will be a program.

Walt Koslosky announces he isn't going to sell real estate on Tuesday he's going to fine the H--- out of you members instead.

PARTING THOUGHT: It is nice to be important, but oh, so much more important to be nice!

ROTARY SPOKE

Redwood City, California

ROTARY CLUB OF REDWOOD CITY, CALIFORNIA
1972-73
Chartered April 22, 1946

August 15, 1972

THIS WEEK: John Esson is still on vacation at Lake Tahoe. His secretary claims that John has a program for today.

Walt Koslosky will be Finemaster today.

ERICH: Tom Poore recently received a letter from Germany acknowledging the receipt of \$111.90 for sponsorship of Erich Madl. Elise Thier of the Sponsorship Department writes: "At present Erich is again at our summer camp in Caldonazzo and will stay there until August 20th. Then there are three more weeks of vacation and after that school begins again.

"For your kind and generous help through all these years we thank you from all our hearts and send you our best wishes and regards."

LAST WEEK: Brad Ellis gave a fine talk on "Light of Communication." He claims a LASER beam will take 900,000 calls while present day long distance cable has a capacity of 20,000 calls. The Telephone Company is planning to place the LASER underground and use mirrors to bend the light around corners. They are also experimenting with materials which would allow the light to bend around corners without mirrors.

Paul Larsen was Finemaster for the day.

FLAG: Tom Poore brought back a banner from Nikkon, Japan where he recently made up.

DIRECTORY: Secretary Alan Bostwick will soon be ordering the Official Rotary Club Directory for 1972-73. See Alan if you need a copy. Cost is \$1.50 per copy.

CANOE TRIP: Time is growing short for you to make reservations for the Annual Healdsburg to Gurneville canoe race down the Russian River. Make reservations through the veteran paddler Bill Bergler. Incidentally, Bill is so mentally prepared for the race he wishes the race was up the river from Gurneville to Healdsburg.

ROTARY PICNIC: September 16, at the Zwerline section of Huddart Park. 10:00 A.M. is the time and the entire family is invited to our Rotary Picnic. There will be games with prizes for children. Chairman Walt Koslosky requests that you make reservations in advance as he wishes to be sure that there is an abundance of food and drinks (soft) for all.

FINANCIAL: Jim Newell furnished copies of the Club Financial Statements for 1971-72 last week. We still appear to be solvent with \$3,785.15 in the Bank as of June 30.

Prez Bob Pierce wishes to remind you that if you haven't paid your 1972-73 dues that they are now overdue. If you haven't paid, send your check to Bill Bergler immediately.

NEXT WEEK: John Esson will be back from vacation on August 21. This gives him one whole day to arrange a program.

Ken Hill is going to levy fines as Finemaster.

Making-up in Belmont? Remember they are now meeting at the Iron Gate Restaurant, 1360 El Camino Real.

CHARTERED APRIL 22, 1946
DISTRICT 513

August 29, 1972

TODAY: Ms. Pat Appel will give a brief history of the Powder Puff Derby and will relate first hand some of her experiences as a contestant in the Derby.

Fran Pearson is acting as Finemaster today.

LAST WEEK: Assemblyman, Leo J. Ryan, representing the 27th Assembly District and now a Democratic candidate for the House of Representatives gave his views as to how he believes a Congressional Representative should relate and represent his constituents.

Ken Hill was Finemaster.

DISTRICT CONFERENCE: Annual District 513 has been set for April 16th, 17th, 18th, 1973 in San Rafael. Now is a good time to mark your calendar for this most important event.

COMING: Youth Activities Week is slated for October 11th through 15th and World Understanding Week is September 10th through 16th.

Does that tell something when Youth Activities Week is the shorter of the two?

ROTARY INFORMATION: INTERACT AND ROTARACT CLUBS

Interact is a worldwide program of clubs for outstanding high school students sponsored by local Rotary Clubs. The purpose of an Interact Club is to provide opportunity for young people to work together in a world fellowship dedicated to community service and international understanding. Inaugurated in 1962, the program has 62,000 members who belong to some 2,745 clubs in 66 countries.

Rotaract, for young adults between 17 and 25 years of age, was launched in 1968. The purpose of a Rotaract Club is to stimulate among its members acceptance of high ethical standards in all occupations, to develop leadership and responsible citizenship through service to the community and to promote international understanding and peace. Rotaract has 11,500 members in 538 clubs in 45 countries.

SENIOR ACTIVE CLASSIFICATION:

The Senior Active Classification offers several advantages both to the club and the member going Senior Active.

1. It gives active members an opportunity to make a personal contribution to the club membership by opening a classification.
2. It provides the club an opportunity to secure a younger and more energetic member.
3. It recognizes the status of older, more experienced members by offering them special advantages. The Senior Active member, may move to any other location and continue his membership in his original club indefinitely so long as he fulfills his attendance requirements or he may choose to transfer his membership to that club (one such move.) His business or professional status is in no way affected by this new membership. Upon attaining the age of 65 with five or more years of cumulative membership, such Senior Active member may be excused from attendance requirements. Under certain circumstances Senior Active members under age 65 may enjoy the same privilege for a specific period of time.

The Senior Active member should not lose his identity because his badge should show in addition to "Senior Active" his Former Classification and he should be identified as such.

SOUTH SAN FRANCISCO VISTA

NEXT WEEK: The Club will meet and surprise there will be a program and finemaster.

Officers for 1972-73
Bob Pierce, President

Frank Parcell, President Elect
William Enomoto, Past President

CHARTERED APRIL 22, 1946
DISTRICT 513

September 5, 1972

TODAY: Your speaker and Finemaster today will be a surprise That's a polite way of saying your Bulletin Editor goofed off in getting ready for a weeks vacation and failed to obtain the news !!!

LAST WEEK: Leave it to Joe Lodi to act as host when a pretty girl is our guest speaker!! Pat Appel using her 600 hours of flying experience placed 6th in the 1972 Powder Puff Derby. She stated that the Derby has been in existence for 26 years, with the first flight from Palm Springs to Tampa, Florida. It's a handicap race, with the planes being thoroughly inspected and controlled as to size. In the 1972 race there was only a difference in adjusted speeds of 2.9 miles per hour between the 1st and 10th place. Safety is paramount and as a result there has been no major accidents.

Finemaster Fran Pearson fined seven late comers and among many others fined Dick Morgan, Jim Williams and President Bob Pierce for taking vacations. Paul Young purchased the Exempt Badge and dutch auction.

FAMILY PICNIC: Have you made your reservations with Walt Koslosky for the Family Picnic to be held at the Zwerline Section of Huddart Park on September 16th?

Walt needs your reservations to know how much food and drink to order. Last picnic, due to lack of reservations, they almost ran out of food!

CAMP CARLSBURG: A Rotary Weekend at Camp Carlsburg is planned for October to install new showers. Frank Parcell will be giving you the scoop very soon on this.

ANNIVERSARIES: The following celebrate their Wedding Anniversaries this month.

Jim and Isabelle Fitzgerald	Bob and Trudy Biggs
Jack and Mabel Estes	Ed and Frances Carlisle
Jim and Betty Duke	Dave and Sibyl Schutz
W.I. and Hazel Turk	John and Marge Edson
Jim and Faith Newell	Jim and Lily Greenwell
Ron and Ruth Koster	Mike and Ida Kreiss

BIRTHDAY ANNIVERSARIES are also being celebrated by:

Scotty Elson	Charlie Gyselbrycht
Vince Claypool	Ken Hill
Stan Silverstein	Jack Berrett
Paul Young	Frank Parcell
Dave Schutz	

Congratulations to each of you.

CHANGE OF MEETING PLACE: Daly City is now meeting at the Ranch Inn. They are continuing to meet on Wednesday.

VOLUNTEER ARMY: A young man applied at the Army Recruiting Office. "I suppose you want a commission, too," stated the recruiter, "No thanks," said the young man, "I'm such a poor shot I'd rather work on straight salary."

NEXT WEEK: We are sure there will be a speaker and a Finemaster and with luck there will be a bulletin also.

September 12, 1972

TODAY: Scotty Elson has arranged for Dr. Allen Gruman and Mr. Leroy Finkel to talk about the use of computers in the educational field.

Finemaster for today is Chet McRorie.

LAST WEEK: It makes one feel good that a 100 Year Old man can still climb mountains. At least that is the way the story goes. Phil Arnot gave a wonderfully illustrated talk on mountain climbing. The slides, (using two projectors) and music were facinating. He showed why youngsters, including Rotary Members, like this great sport.

Reverend Rick Howard, for a man of the cloth did a bang-up job of raising money while acting as Finemaster. We hope he does even better in filling his church's box.

FAMILY PICNIC: The PICNIC IS CANCELLED. Due to lack of interest Chairman Walt Koslosky has cancelled the event. Couldn't even find enough interested persons to raise two ball teams.

CANOE TRIP: President Bob is away for the canoe trip down the Russian River today. He reports there are so many entertainment events scheduled in addition to the canoeing that he may not even be able to make it back by next week. If he doesn't show up, Bill Bergler will be able to give complete details.

ROSES: The man most deserving a special bouquet is Bill Enomoto, who contributes bouquets of Roses each week. Thanks Bill, for the little extra touch; all the members appreciate it.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

September 26, 1972

TODAY: Dr. George P. Chaffey, Superintendent of Sequoia High will talk. George is not only an outstanding educator, he is also a past District Governor of Rotary.

Bob Durkin will be pulling at your wallets and not your teeth as he acts as Finemaster.

LAST WEEK: Scotty Elson introduced William Walti, Principal of San Carlos High School and Clarence Cryer, Principal of Ravenswood High School, both of whom spoke of problems of administering a high school with today's "enlightened" youth. Walti blamed a good share of last years trouble at San Carlos was due to over-crowding. Cryer said Ravenswood did not have similar problems, possibly due to the fact that they were smaller - about one half the size of San Carlos. Both agreed that today's youth have to be led - not like us who were just around.

Con Menzel as Finemaster emptied more than one wallet.

BOARD MEETING: Board of Directors meets at Charlie Gyselbrecht's, 803 W. California Way, on September 28th, at 7:30 P.M.

ATTENDANCE: District Governor Al Quilici reports that Redwood City's August attendance rated only 39th. This put our club in the dubious position of being in the bottom five. Our official attendance was only 79.79% while the top club, Guerneville, had 98.80%.

Remember you have six days before and six days following the meeting to make-up. Surely you can take the time out on one of those days to make-up.

Remember - ATTENDANCE IS THE LIFELOOD OF ROTARY!!!

NEW MEMBERS: District 513 is giving a special award for any Rotarian bringing in three new members prior to the District Conference in April of next year. Do you have any good prospects? See Secretary Alan Bostwick for proposal forms.

ROTARY FOUNDATION: Pedro Gallegos Rincon of Redwood City was one of three within District 513 being honored with a 1973-74 Rotary Foundation Award.

ARMSTRONG COLLEGE SCHOLARSHIPS: Secretary Alan Bostwick now has details on the four one year tuition scholarships being made available in the District. See him today if you have a likely candidate.

NEXT WEEK: Henry Ritter announces that in order for you to know your Rotarians, Jim Duke, Bob Miller and Con Menzel will tell their life stories.

Bill Koon will be Finemaster.

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

October 3, 1972

TODAY: Dr. Henry Ritter will present Jim Duke, Bob Miller and Con Menzel with "This is My Life".

Dr. Bill Koon will be Finemaster. Be prepared to pay for his expert consultation.

LAST WEEK: Scotty Elson introduced his leader, Dr. Geo Chaffey with a wrap-up of Scotty's education programs for September. George outlined the major problems in education and emphasized that the Sequoia High School District was not included in the problem areas of operations finance or teacher qualifications. George also indicated that this school year is off to a start under a deceptive calm that may be broken by race relations, teacher strikes and financial crises in some districts.

BOB DURKIN: September 26th, Finemaster, conned Con Menzel, committed Bergler to return two "borrowed" canoe paddles, got back his tip from Pierce, unwound Orv Graves, caught the schoolhouse boys for a contribution to Durkin's Memorial Fund, welcomed Ed Carlisle for \$2.00 out of Paul Keckley's pocket and clobbered the remaining club members for traveling.

BOARD MEETING: The Board of Directors, discussed as some length, the poor picture of our Club's attendance record for August. Of the 43 Clubs listed, Redwood City ranked highest in the bottom five, No. 39. In order to encourage attendance and make-up, a listing of the membership attendance will be distributed each month.

SCHOLARSHIPS: Dave Schricker, Chairman, announced the awarding of scholarship funds to the following recipients:

James M. Richter, Jr.	\$ 500.00
Mary Thompson	250.00
Alice Tobler	250.00
Vicki Snowden	250.00
Eiva Maria Bednarg	250.00
Mary Visconti	250.00

Two additional awards are available pending certification of the recipients enrollment.

CAMP CARLSBERG - Y.M.C.A.: Start of construction for the Camp's shower facilities has been rescheduled to late spring or early summer next year due to excessive contractual costs submitted for construction of the concrete floor systems. Frank Parcell, who has provided the significant work in this effort, is planning revisions to a lower cost floor system to be constructed by Rotarians.

ANNOUNCEMENT: The week of the 23rd through the 27th is National Flower Week and the Board of Directors has declared our October 24th meeting as "Roses for Rotarians' day. Beautiful Red Roses for your "Rotarians' will be available at \$5.00 per box on the 24th for prepaid orders placed prior to the meeting. (See Bill Enomoto). This is a great opportunity to make points at home and help with the Club's income. Bill Enomoto will provide the Roses at cost, approximately \$2.00 and the balance will be deposited in our Club's Treasury.

NEXT WEEK: Dr. Henry Ritter will present Dr. Verl L. Philliber, speaker for the day. The topic, "Cryobiology - Past, Present, Future".

Jack Estes will be Finemaster next week. (Past master in special assessments - prepare to go on welfare).

CHARTERED APRIL 22, 1946
DISTRICT 513

October 10, 1972

TODAY: Dr. Henry Ritter will introduce Dr. Ver1 L. Philliber, today's speaker. The topic "Croybiology (its cold) - Past, Present & Future."

FINEMASTER: Jack Estes - expert in assessments - do not anticipate any reform.

LAST WEEK: Dave Schricker, filling in for Henry Ritter, introduced icebreakers Con Menzel, Jim Duke and Judge Bob Miller. These new members related to each other's biographys and achievements in a commendable manner.

Dr. Bill Koon tapped the membership for a tidy sum. Caught Paul Jones for a "mouthful of mush", Alan Bostwick for a new car. Sold football tickets to the Cal Game for Joe Mell to Jim Duke, Picked-up \$ for birthdays and anniversarys from Stofle, Larson, Imus, Lodi, Maxwell, Long, Chaffey, Aruda and Nelson. Keckley's heckling of Doc Koon didn't cost the Mayor a dime this time.

ROSES: President Pierce sold Roses to Jim Williams and Chuck Long - both must have been away from home or something - good luck fellas, if Enomoto's Roses don't work, nothing will.

For those of you having "Mother-In-Law" problems, invest \$5.00 in a sure thing - order a box now for the 24th. Bill says that his Roses even pacify some aggressive Fathers-In-Law - try em! You'll like em.

ALAN BOSTWICK still has a few Club Directories left (4) at \$1.00 each. He also has a limited supply of Redwood City Rotary Club Directories, with photographs of the members, for those who have not received copies.

IMPORTANT: Pres Pierce requests all committee chairmen to submit your activity reports as soon as possible. Those received later than October 13th will be too late. These reports are critical to the Club's activity status for compilation and presentation to District Governor Al Quilici on October 31, 1972.

NOTES OF INTEREST: Mike Kreiss received special recognition for perfect attendance from the Menlo Park Rotary Club at their meeting of September 20, 1972.

The San Rafael Club collects old gold, including extracted teeth with gold fillings, to fund a special club program. South San Francisco Club has an annual meeting with the Kiwanis Club.

NEXT WEEK: Mr. Haynes, Santa Clara Swim Coach will talk about the successful Santa Clara Swim Team.

Chuck Long has the duty as Finemaster - He's a big man - not much room for argument - you're bound to lose.

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

OCTOBER 17, 1972

TODAY: Dr. Henry Ritter has programmed George Haines, coach of the U.S. Olympic Women's Team and the Santa Clara Swim Club, as our guest speaker. Roses to the girls, of course !!!

FINEMASTER: Chuck Long, our world traveler and electronic expert, will be giving some high voltage shock treatments.

LAST WEEK: Anybody want to store some sperms? Dr. Henry Ritter introduced Dr. Verl L. Philliber of the Sperm Bank. It is listed under Banks in the yellow pages. We were told that in 1776, an Italian discovered that sperms could be frozen and made viable again but nothing was done about this discovery until 1953. Now there are 400 persons begotten under this new system. The livestock industry can get a bull to fertilize 3000 cows each year while under natural conditions, only 150 cows are so lucky. Use of liquid nitrogen was demonstrated in the modern technique to store cornea, ear drum, skin, blood, bone marrow and pig skin dressing. It is hoped that in the future, whole organs can be made storable.

ERICK MADL: Erick is our Club's adopted son in Austria. We received a letter thanking us for the \$10 present we sent him as an extra gift. He wrote that he will buy a football.

ROSES: Today is your last chance to order a box of roses for October 24. You don't have to have a valid reason. Con Menzel said that he's not married but is planning to pass the roses out to the girls in his office. GOOD LUCK !!

BLOOD BANK: Our No. 1 Vampire, Don Helbush, is still convalescing, but the Rotary Blood Bank will be opened for us on November 10. Hours are 11AM - 3PM at the Kaiser Hospital. ROSES for the participants.

JUNIOR ACHIEVERS: Rotarians were thanked for helping to fix up the factories. They were Paul Young, Joe Lodi, Bob Freibertshauser, Bob Pierce, Bill Enomoto and Frank Parcell.

ROTARYANN LUNCHEON: On October 31, Clista Quilici, our District Governor's inspiration, will be hosted by Inger Pierce at the Allied Arts. All members wives are urged to attend, but it will be up to the men to tell or communicate this event to their wives. Please phone Inger (Mrs. Bob Pierce) at 369-5627 so reservations can be made.

NEXT WEEK: Proposition 20, the highly controversial issue will be discussed PRO and CON.

FINEMASTER on October 24 will be Jack Rognas whose dioptic -5 will hypnotize paper money to levitate.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

October 24, 1972

TODAY: Dr. Henry Ritter will introduce Frank Lee, Chairman of the San Mateo Co. Harbor Commission. Mr. Lee is by profession a naval architect, and is a Rotarian.

FINEMASTER: Jack Rognas will have his spyglass on to seek your weakness.

LAST WEEK: Olympic Women's Swim Team coach George Haines was introduced by Henry Ritter and commented that Mr. Haines coached in the Olympics at Rome, Mexico City, Tokyo and in Munich. Among other things, Coach Haines said that to get on our swim team is tougher than to qualify in the Olympic finals so many superb athletes in the U. S. do not get on our teams. The 24 men on our swim team came from 17 clubs and the 24 women came from 16 clubs. Our men swimmers now average 4 inches more than during Johnny Weismuller's time. He hoped that there will be clinics for judges to train them the criterias to be used in events subject to great deal of subjective judgment.

JR. ACHIEVEMENT: Bill Bulanti announced that over 400 students have signed up. We have 7 teams of company advisors lined up. \$8000 is budgeted for this community project, and we need generous help from industry and from our members too. Mike Kreiss and Joe Lodi will be putting finishing touches on the factory premise and they received ROSES.

ROSE SALE: 32 packages of roses will be distributed today for a net profit of \$101.80 for Rotary. It works out like this: Cost including tax is \$1.8375 plus your donation of \$3.1625 = \$ 5.00

BLOOD BANK: November 10 for the lucky "YOUTH" of our Club.
Kaiser Hospital 11AM - 3 PM.
Roses have been promised to each participant.

NEXT WEEK: District Governor Al Quilici will be with us. Committee chairmen, Board of Directors will be discussing with the Governor from 10 AM. Everyone is welcomed to sit in.

Hostess Inger Pierce and Rotarianns will be entertaining Clista Quilici at the Allied Arts. Urge your Rotariann to join the lunch, but be sure to phone Inger at 369-5627 so reservation can be made in advance.

FINEMASTER on October 31 will be Kilowatt Lee Borges

HOPEFULLY, Publisher Jack Ference, Editor Charles Gyselbrecht and associate editor Jack Keller will be back after this long out-of-town escapade. How come they all have to go away at the same time? The Rotary Spoke needs them!

CHARTERED APRIL 22, 1946
DISTRICT 513

October 31, 1972

TODAY: District Governor Al Quilici is our special guest today. It is rumored that he has come to help protect us from the Goblins and Witches that are beginning to stir.

Lee Borges will electify you with his fines.

LAST WEEK: Dick Lee, Naval Architect, and member of the Bayshore Rotary Club gave a rundown on the San Mateo County Harbor Commission's Development Plan for the Princeton Harbor Area. They wish to develop the 245 acre harbor area with a 1,000 berth inner yacht harbor protected from ground swells and beach area shops. To finance this development would take a State Harbor Loan of 4.6 Million dollars and 5 Million dollars from private sources. Any remaining needs would come from the tax payers. The plan is that the harbor, when completed, will produce sufficient revenues to pay for itself.

Finemaster Jack Rognas fined members who forgot to wear their badges or pins and in addition fined Jim Williams (Long hair), Bill Maxwell, Del Mitchell, Walt Koslosky, Bob Friebertshauser, Ron Koster, Bill Bergler, Dick Bimson and others your reporter may have missed.

100%'ers: The Board of Directors has authorized tabs for the Rotary buttons of members who have achieved 100% attendance. If you have had one or more years of perfect attendance as of June 30, 1972, please write the info on a piece of paper and give it to Secretary Alan Bostwick. Be sure to show your name and the years of perfect attendance.

ATTENDANCE: September revealed a slight increase in attendance on a "seasonally adjusted basis". Although our attendance rose to 90.13% for September this only placed us 25th in our 43 club district. President Bob says that attendance must increase or that heads will roll!!!

BLOOD BANK: Don't forget that you are scheduled to give blood on November 10th at the Kaiser Hospital. You may bleed any time between 11:00 A.M. and 3:00 P.M. Bill Enomoto promises a rose to each participant.

CHRISTMAS PROGRAMS: Now is a good time to note special Christmas programs arranged by Walt Koslosky and his special events committee.

December 19th: Lunch - Gold Platter, San Carlos with your Rotary Ann, sweetheart, secretary and mother-in-law. Walt promises Santa to attend to welcome the ladies.

December 26th: Children's Christmas Party. Santa, encharge of gifts for the kids. There will be a puppet show and Carol Singing.

NEXT WEEK: Mr. Louis Yeager, Chairman, Business Division, Canada College will report on the South San Mateo Job Skill Survey. Jim Duke will be Program Chairman.

Dan Aruda reports that after he is through fining, that most of the members will have to apply for loans to carry on.

CHARTERED APRIL 22, 1946
DISTRICT 513

November 7, 1972

TODAY: Mr. Louis Yaeger, Chairman, Business Division, Canada College will discuss the South San Mateo County Job Skill Survey. Jim Duke is Program Chairman.

Have you applied for an additional loan at your local bank? You may need it by the time Finemaster Dan Aruda sits down.

LAST WEEK: District Governor Al Quilici paid an official visit to the Club. He reminded us that Rotary International President Roy Hickman's theme for 1972-73 is "LET'S TAKE A NEW LOOK." He suggested that we should look at new ways which we can serve the community and the club including bringing in new members. Says that the taking of Senior Active opens the way for new persons of the same classification to come into the club.

Lee Borges as Finemaster certainly gave the members a shock by requiring all those who had been out of state or out of the county to pay a fine. From the number fined it appears that Redwood City is a travelling club.

BOWLING: Clyde Crippen after a six year layoff came back to give the Bowling Team new life. He bowled a 191 for his first game and had an over 500 series. This helps keep the team near the top regardless of the rest of we poor bowlers.

WORK PARTY: A work party is required for painting the Jr. Achievement Club quarters at 1500 Tacoma Way, Redwood City. President Bob says painting will start at 9:00 A.M. He issues a special invitation to all members who have not yet helped on this project.

MAKE-UPS: Have you made-up? You won't be eligible for a 100% attendance pin if you fail to make-up.

Jim Greenwell dropped a note that he recently made-up in Tucson, Arizona.

WIVES:

DEC. 5, 1972: Please note the annual luncheon for wives, sweethearts, secretaries and mother-in-laws will be held on December 5, 1972 at the Gold Platter.

This supersedes a previous announcement naming December 19th. This change will allow both Treble Clef and Santa Claus to appear.

BOYS CLUB: President Bob reminds all members that the Annual Herbert Hoover Boys Club Dinner will be held on November 15th at Rickey's Hyatt House. Tennessee Ernie Ford, John Brodie and a host of other celebrities will be there. For men only and the tab is \$25.00.

NEXT WEEK: Mrs. Genevieve Cory, Canada College instructor, will talk on Consumer Education.

Fire Chief Jack Keller will help put out the fire in the treasury by acting as Finemaster.

TODAY: Mr. Wilbur T. Stein, Executive Director, Kidney Foundation of Northern California, will talk on the activities of the Foundation.

Scotty Elson is Finemaster.

LAST WEEK: Col. Tom Mulvihill, U.S. Marine Corps told of the New Marine Corps. It appears that not too much has changed. Unlike the Army who "Wants to join you", the Corps expects to recruit sufficient volunteers from the 7% of today's youth that wants the hard life. In this manner they feel that the Marines will remain the hard striking force ready for battle at a moments notice.

John Bunting as Finemaster told of the true meaning of Thanksgiving pointing out it is an American custom and then had Scotty Elson read a poem. Then he fined everyone for the privilege of staying home or going out on Thanksgiving Day.

100%ERS: The following have reported 100% attendance to Secretary Alan Bostwick. The names are shown in order of continuous years of attendance:

Alan Bostwick	25 Years	Vince Claypool	11 Years

SPECIAL EVENT: Walt Koslosky reminds all that December 26th will be the Children's Christmas Party. There will be an exchange of gifts. Plan on bringing your children, grandchildren, great grandchildren or just your little friends. Walt has talked Santa into making a special appearance!!!

Did you know that chronic kidney disease... that up until twelve years ago chronic kidney disease was considered 100% fatal...A kidney machine costs 25 to 30 thousand dollars per year in the hospital, while a home machine costs 12 thousand dollars for the first year and 3 to 4 thousand dollars per year thereafter... California leads the Nation in fighting this disease...there are two regional kidney centers, one in San Francisco and one in Los Angeles, both of which receive State help... If you wish to join the Kidney Foundation of Northern California their address is: 320 Hegenberger Road, Suite 31, Oakland, California, 94621.

Bill Enomoto caught anniversaries and birthdays and assorted transgressions at \$2.00 each.

And of course Rotarianns were introduced by their Rotarian.

Guess Who

Secretary Alan

TODAY

Brent Stockwell will talk on the "Experiences as a Free Balloonist."

Walt Small is going to dispense fines not merchandise this noon.

LAST WEEK

Karl Vollmayer, Redwood City Librarian, and his assistant, Thomas Kam, gave a most interesting talk outlining how the Library serves the businessman. They point out that the Library is the logical place to obtain information, and if they don't have the necessary reference here they will make every effort to find it for you.

John Esson as Finemaster collected a few dollars for the Club. Was there anyone you missed, John?

NEXT WEEK

Children's Christmas Party. There will be an exchange of gifts. Chairman Walt Koslosky requests that you bring the same number of inexpensive gifts as you bring children and that each gift be marked "Boy" or "Girl" so Santa will know to which sex the gift goes to.

Jim Fitzgerald has promised to act as the last Finemaster for 1972.

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

December 26, 1972

TODAY

Children's Christmas Party. Chairman Walt Koslosky has arranged a program that will be remembered by both old and young.

Jim Fitzgerald will continue to deal with money as he acts as Finemaster.

LAST WEEK

Fred Stockwell, President of Balloon Institute, Inc. and Editor of Ballooning Magazine, reported that balloons first lifted men from earth 189 years ago . . . that large balloons carry four times their weight . . . gas balloons are used for flights of long duration . . . ballooning as a sport is growing, particularly hot air balloons; however you can fly all day and never see another balloon in the sky. . . about 2,500 hot air flights are made per year at a cost of \$2 per hour for fuel compared to \$100 per hour if a gas balloon is used.

100% ATTENDANCE

The Editor is happy to report that Mike Kreiss has five years perfect attendance and has had only one miss since 1957 when he joined. Lou Rolla has had 16 years perfect attendance and if he had not had an illness would have had over 23 years perfect attendance.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

January 2, 1973

HAPPY NEW YEAR TO ALL ROTARIANS. May this year be dedicated to a year of public service to our fellow human beings. Personal and clubwise.

The first finemaster of the year is George Chaffey. We know that George will hold-up his end of the batter and get the necessary money from his members. Jim Fitzgerald took the outfit to the cleaners last week. Just remember to stop fining the fire chief for all the fires in town. I can't see why everytime Penny's has a fire the chief gets the boom lowered on him.

LEADERSHIP: Jim Greenwell, long hair Jim they call him, did his usual wonderful job of arm waving in leading the membership and the children in a good rendition of "Silent Night" at the Annual Christmas Party for the young people.

The Christmas party arrived with a wonderful program. The magician leading the headliner. The gifts to the children, the lunch, all a sign of goodwill. To Small, Lodi, Baum, a well done job for bringing the four Jammer Boys; Joe, Earl, Lew and Charlie from their homes to our party. These are the boys who are blind and also a member of a minority group. If we all had the good cheer and the joyous feeling that these boys had, what a wonderful world this would be. The good news also was the drive by Walt Small for musical instruments for these boys was a success and by the sounds and crys they made when they were told what they got for Christmas made the whole organization feel good. To Bob Baum the all seeing eye noted that you turned a little bit on the ashen side at times, but you Bob, back to your normal rosy color. Walt Koslosky was great as Santa . . . we think you missed your calling Walt, you seem to enjoy putting the parts together as much as the kids. Walter had a little gift for each child present. To Jim Williams, what was that you gave your three children in the envelopes, a life insurance policy? Well, the head table seems to think so.

TO ALL THE PEOPLE WHO WORKED SO HARD ON THIS PARTY, THANKS.

FLOWERS: Walt Koslosky and Walt Small for services rendered. To the Jammer Parents.

CHOWLINE: Those who failed to attend the meeting last week also missed the new chowline. Worked out fairly good. For those on a diet we came to early.

ATTENDANCE: President Bob again asks that you make-up your misses and try to keep us in a higher bracket than 25th in the District. He has stated before, you have to be present and active to make this organization go. Really, make-ups in San Carlos are legal.

PROGRAM OF THE DAY: Ray Winther, speaking on the Rotary school project in Jodhpur, India.

NEXT WEEK: George Newlon, member of San Mateo Rotary Club speaking on his experiences as an official at the recent Olympiad.

AGAIN FROM THE CLUB, HAPPY NEW YEAR

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

January 9, 1973

TODAY: George Newlon, member of the San Mateo Rotary Club, will speak on his experiences as an official at the recent Olympiad.

Howard Imus will see that your money is moved from your pocket to the Club Treasury.

LAST WEEK: Two past District Governors entertained the Club last week. George Chaffey almost painlessly collected dollars where they were almost didn't exist - especially when he played his Trombone. The money then slid into Treasury in order to stop him sliding.

Ray Winther gave a short talk on the Rotary School Project in Jodhpur, India. This is a District 513 project and Ray went to India to attend the Dedication Ceremonies. The slides shown by Ray reveal that the school building would be an asset to any community. Ray stated the area really went out of its way to make Rotary representatives welcome to the project, with the Dedication Banquet being held in the palace of the local Maharaja.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

January 16, 1973

TODAY: Elsie White, Member of the YMCA Executive Board, will talk about the "Y" and its programs. Elsie has been a Board Member for more than 15 years, and has been a YMCA or YWCA Member for as long as she can remember. She started out as a child member in the Mission YWCA and attended Y's in San Francisco and Oakland during her high school and college days. Elsie has also been active in the Scouts, PTA and First Methodist Church. Both of her boys have been active in the Sequoia Y, and her oldest son is currently employed by the Berkeley YMCA.

Ron Koster will be pulling money from you as Finemaster.

LAST WEEK: George Newlon, Member of the San Mateo Rotary Club, spoke on his experiences and impressions as an official at the recent Olympiad in Germany. He is of the opinion that the U.S. Will have to begin subsidizing its athletes if we are to continue in the Olympics. Also that the language barrier between officials cannot be allowed to exist or we may have more incidents like the U.S. - Russian Basketball Game.

Howard Imus did an excellent job of moving money into the treasury. Even fined John Esson for trying to burn down the meeting place and Ex-Fire Chief Joe Lodi for losing his fast reflexes in putting out fires.

BOARD OF DIRECTORS: The Board of Directors voted \$100 to the San Mateo High School Band to help defray expenses for their attendance at the Presidential Inaugural Parade in Washington, D.C.

They also voted \$100 to the Community Education Center to help tide them over until UBAC funds are received.

Note that the January Board Meeting has been advanced to January 18, 7:30 P.M. Meet at Bill Bergler's, 3790 Bret Harte Drive. Members are always welcome at Board Meetings.

BASKETBALL: Don't forget the Basketball Game on January 25th. See Don Helbush immediately if you have not yet made arrangements.

NEXT WEEK: The Golden State Warriors Professional Basketball Team will be the subject.

Sid Berlin will be getting even for all the times he has been fined. There should be a record breaking amount collected.

ROTARY MEMBERSHIP: Are you contributing your full share as a Member of Redwood City Rotary: Have You:
At a recent meeting sat next to someone you didn't know?
Worn your Rotary Pin regularly?
Brought a friend or young person as your guest?
Are you pleased with the things the Club is doing?
Have you made suggestions to the President or a Board Member, and offered help?
Have you made a real effort to make-up?
Proposed a new member?
These are only a few ways you can contribute to the Club and at the same time you yourself gain more from Rotary.

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

January 23, 1973

TODAY: A representative of the Golden State Warriors Professional Basketball Team will tell about the sport.

Sid Berlin promises that he is considering not fining Ex-Finemasters who have fined him previously. He claims not to hold a grudge (at least not more than a two dollar grudge).

LAST WEEK: Elise White, Honorary Vice-President of the Sequoia YMCA, gave a most informative talk on the YMCA Activities in the community. Orv Graves introduced the YMCA Staff. Elise gave Orv an "Around Tu-itt" Badge figuring that after Orv retires this fall he can get around to it on a number of his hobbies.

Ron Koster collected money like it was going out of style.

ATTENDANCE: Attendance and make-ups in December were better than 90% every week - - - except for a horrendous 77.63% for the meeting of the day after Christmas, which resulted in a figure of 88.16% for the month.

100%: Sid Berlin, Dick Bimson, Alan Bostwick, Hubert Brugger, Bill Bulanti, John Bunting, Ed Carlisle, George Chaffey, Vince Claypool, Clyde Crippen, Jim Duke, Bob Durkin, Lyle Edson, Bill Enomoto, John Esson, Jack Estes, Jim Fitzgerald, Lloyd Gebhart, Max Gerfen, Orv Graves, Jim Greenwell, Don Helbush, Ken Hill, Rick Howard, Howard Imus, Mike Ivicovich, Paul Jones, Jack Keller, Russ Kent, Walt Koslosky, Ron Koster, Mike Kreiss, Joe Lodi, Chuck Long, Carl Mabie, Chet McRorie, Joe Mell, Con Menzel, Del Mitchell, Dick Morgan, Nels Nelson (excused), Jim Newell, Lloyd Osborne, Frank Parcell, Pat Patterson, Fran Pearson, Bob Pierce, Les Reese, Jack Rognas, Louie Rolla, Ed Schmalz, Dave Schricker, Bill Schumacher, Dave Schutz, Jud Shurtz, Stan Silverstein, Walt Small, Stof Stofle, Jim Williams.

75%: Bob Baum, Bill Bergler, Lee Borges, Bob Brown, Jack Ference, Charlie Gyselbrecht, Paul Keckley, Paul Larsen, Jim Parmelee, Tom Poore, Paul Young.

50%: Dan Aruda, Brent Bangham, Jack Berrett, Scotty Elson, Bob Friebertshauer, Hal Hjertberg, Bill Maxwell, Bob Miller, Henry Ritter, Bill Royer, Phil Schneider.

25%: Bill Koon

MAKE-UPS: Did you know that on December 22, 1972 there were some 15,493 Rotary Clubs with approximately 727,750 members located in 149 countries and geographical areas? This gives very little excuse for a member not to make-up. Especially when we have three clubs located within 3 miles from the heart of Redwood City.

DISTRICT CONFERENCE: Make plans now to attend the District Conference April 16, 17, 18 in San Rafael. If you don't wish to stay overnight driving time is only 1 hour each way.

NEXT WEEK: Program Chairman of the month, Don Helbush, promises a very interesting program.
Finemaster Joe Mell promises to get even with all UC Berkeley graduates.

TONIGHT: For those of you having Warrior tickets remember tonight is the night.

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

January 30, 1973

TODAY: Larry Murphy will speak about Drug Abuse in Vietnam.

Joe Mell will be today's Finemaster.

LAST WEEK: Apparently the Golden State Warriors were spending extra time in practice as their representative failed to show. As a result the program was short but under the able guidance of Program Chairman, Don Helbush, we learned all the latest jokes(?) making the rounds.

Finemaster Sid Berlin thought he had Paul Keckley on the ropes until Paul flashed his fine-exempt badge.

BOARD MEETING NEWS: Jack Ference, Bill Maxwell and Jud Shurtz were named to a two year term as trustees of the Rotary Trust. The Trust which provides scholarship money was established in the 1950's with a \$10,000 gift from Myrtle Wilson, widow of Rotarian Ray in his memory.

Election is coming-up. Four Director Terms will expire on June 30, 1973 (Bill Enomoto, Charlie Gyselbrecht, Joe Mell, and Dave Schricker).

Vince Claypool, planning to attend the Rotary International Convention in Lausanne, Switzerland, in May was named as Official Delegate from Redwood City.

Two or three young people, sponsored by Hiratsuka, Japan Rotary Club are to visit Redwood City in the summer of 1973. Charlie Gyselbrecht is extending the invitation from our Club. This is a continuation of international visits by Redwood City and Hiratsuka youths.

The club's finest Historian, Vince Claypool, presented to the Board a rough manuscript of more than 100 pages giving the Club's History, 1946-1972. This was a monumental job by Vince. . . Prez Bob will soon name a committee to plan printing and distribution.

Prez Bob, Pres-elect Frank and Secretary Alan plan to attend the meeting of an ad hoc committee on February 1 to "make plans" to "form plans" for Rotary International Convention set for San Francisco in the late 70's - - - After the "Convention Center" is built.

ATTENDANCE: President Bob says that after reading Secretary Alan's attendance report for December that he is becoming pessimistic about ever bringing attendance up. Cheer up Bob, things will get worse!! After all in December the Club only dropped to 27th in District attendance standings; we were 25th in November.

NEXT WEEK: February Program Chairman Tom Poore announces that our own Con Menzel will speak on the Highway Patrol, today. Finemaster Jim Newell will be auditing your transgressions in preparation for next week.

DATES TO REMEMBER: March 8 - YMCA Annual Dinner. John Esson is Chairman of the event.
April 16, 17, 18 - District Conference in San Rafael. Make plans to attend now.

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

February 6, 1973

TODAY: Captain Conrad Menzel, California Highway Patrol, will speak on "The Highway Patrol Today." For those who do not attend regularly, Con is a member of the Redwood City Rotary Club.

Jim Newell as Finemaster will run a quick audit on your transgressions.

LAST WEEK: A very interesting talk was given by Larry Murphy (Minister). His personal history in San Francisco included a complete drug scene, two terms in the penitentiary, and running gun battles with the San Francisco Police.

He was ordained a Minister in the Ministry in Santa Cruz and is entirely free of drugs now for a period of six years. He represented the Government for 8½ months in South East Asia especially in Vietnam in regard to drug use by the Military. He is now enrolled in the University of California in San Francisco for his Master's Degree. At the end of six months he will return to South East Asia and help out the eight and nine year old drug addicts.

It was interesting to hear his comments on whether or not we should rescind the Marijuana Law. He said that a consistent user of Marijuana would eventually lead to Heroin.

Finemaster was Joe Mell. It appears that he exceeded his quota for the day, based on the number of fines he levied.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

February 13, 1973

TODAY

Assemblyman Dixon Arnett, 26th Assembly District, will discuss "The Outlook for the 1973 Legislative Session." Tom Poore is today's Program Chairman.

Jack Keller as Finemaster promises to burn a number of members.

LAST WEEK

Captain Con Menzel spoke on the operations of "The Highway Patrol Today." Con says contrary to popular opinion all drivers of Red Porsches don't receive tickets, (Exceptions are females under 30 measuring 38-24-36). Seriously his talk was most interesting and we find that the Highway Patrol today is interested in all activities that promote protection to the motorist. This includes safety inspections, truck weighing, auto theft investigation as well as routine patrol. The yellow flags on the aerials of cars parked along the freeway are a sign that the vehicle has been investigated.

Finemaster Jim Newell caught fifteen plus persons for a variety of reasons.

INVITATION TO VISIT

Charlie Gyselbrecht has written to the Hiratsuka Rotary Club, Japan, inviting three or four students from families of the Heratsuka Rotary Club to come and visit Redwood City Rotary Club Families.

Although Charlie hasn't received an answer yet, he does need to know those members who are willing to have these students as guests. If you have room to take one, see Charlie soon. They will be here in approximately six weeks.

BLOOD

Did you know that you can give blood every two months now? You must call the Blood Bank, Phone 697-4034, and make reservations. They will allow you to give on behalf of the Redwood City Rotary Club, and Don Helbush will see that you get a fine exemption.

CONGRATULATIONS

Congratulations to Dave Schutz. Under his able direction the Redwood City Tribune won three awards from the California Newspaper Publishers' Association - Best Front Page - Best Feature Picture - Best Typography. Dave should get a personal award for Tuesday Noon Newscasting.

February 20, 1973

TODAY

Dr. Vincent Claypool, Redwood City Rotary Club Historian, will be the speaker to celebrate Rotary Internationals' 67th Birthday. Vince will talk on "Some Highlights of Rotary in Redwood City."

Bill Schumacher will dispense fines - not prescription drugs today.

LAST WEEK

Assemblyman Dixon Arnett, 26th Assembly District, talked about problems facing the legislature and the people of California. He told of efforts to limit rise in growth of the State Budget. Based on current restraints recommended by the Governor the budget is expected to increase to 27 Billion in 15 years - - - without restraints it would rise to 41 Billion. All except 70 to 80 Million of the 850 Million dollars estimated surplus in the State Treasury will be returned to the taxpayer through credits of some sort. . . encourages that a portion of the Redwood City College site be used for school for the Deaf, Dumb and Blind, as the state shouldn't hold property for more than five years and the earliest date for a state college is now 1982 . . . Encourages court action to make the 250 Million dollars a State Bond Issue for Clean Water available to local agencies. There is no other way to resolve differences between state and local agencies over its use.

Jack Keller acted as Finemaster and acted democratically - collected from everyone.

JANUARY ATTENDANCE REPORT

January attendance was the best in more than a year, with 65 members (including those excused) attending or making-up all five meetings. Another 13 almost joined the select list, with only one miss out of five.

PROGRAM

County Assessor Jack Estes will talk on "What We Do, and How We Do It." Jack is not only County Assessor, but more important he is 1972-73 Chairman of the Redwood City Rotary Classification Committee.

Joe Lodi will be Finemaster.

LAST WEEK

Past President and Club Historian, Vince Claypool, gave a few highlights of the early history of the Redwood City Rotary. Kiwanis first organized in Redwood City after Rotary showed a disinterest in 1924. . . Palo Alto sponsored Redwood City Rotary in 1945; we still have four charter members in the Club. Menlo Park broke away from Redwood City as soon as the Club was strong enough on its' own; then San Carlos broke away in 1949. . . Early activity of the club was the July 4th Celebration. . . Joe Wickett was first president of the Club.

Jim Greenwell was Finemaster.

BOARD OF DIRECTORS

The Board accepted the resignation of Bill Schumacher with great regret. Bill resigned due to press of business and had been a member since October 1963.

Board donated \$200 to the Herbert Hoover Boys Club for a Wrestling Mat. (This was a budgeted donation).

Received a letter of thanks from San Mateo High School for the financial assistance given to its band while representing California at the President's Inauguration.

Approved sending the Club Banner to the International Convention in Lausanne, Switzerland.

Newly elected Board Members, who will take office July 1, will meet at the March 22nd Board Meeting to choose officers for the coming year.

Members are always welcome to attend Board Meetings.

NEXT WEEK

Jim Fitzgerald, March Program Chairman, promises an outstanding program for this date. Henry Ritter will be Finemaster.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946

March 6, 1973 DISTRICT 513

TODAY

Steve Vella, Flight Officer with United Airlines, will discuss the history of Skyjacking, its' treatment and its' future prospects. Program is arranged by Jim Fitzgerald, Program Chairman for March.

Henry Ritter will be Finemaster.

LAST WEEK

Jack Estes, San Mateo County Assessor, told how his office manipulates assessment values to increase the County's take of property taxes. Actually, he pointed out that the bases for valuing property for tax purposes is well defined by law and audited by the State Board of Equalization. Jack explained how computerization will speed up revaluation of property which will result with assessments being more truly equalized. To prove that not every one loves a tax man, Jack read a few letters pointing out the feeling of some of the tax payers.

Joe Lodi as Finemaster cooled all the hot money.

BOARD OR DIRECTORS

Congratulations to the newly elected Board of Directors. Returned to second terms were Charlie Gyselbrecht, Dave Schricker and Joe Mell. Elected for the first time: Stan Silverstein.

The newly elected Board will elect next years officers at the March 22nd Board Meeting.

ATTENDANCE

Our official attendance record for February was 92.91%. This was only good enough to place us in 26th place in the District 513 standings. We were beaten by both Menlo Park and Belmont, but well ahead of San Carlos. Some year Redwood City might place in the top ten.

ARE YOU CONTRIBUTING TO ROTARY?

Do you wear your Rotary Pin regularly?
Have you proposed someone for membership recently?
Do you make an effort to make up each missed meeting?
Do you greet all visitors and try to make them feel at home?
When you must leave early, do you inform the President in advance?
As a Committee Member, have you missed any Committee Meetings? If your Committee has not met, do you know why?
Have you brought a friend or a young person as a guest to the Club?
Doing the above will make each of us better Rotarians.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

March 13, 1973

TODAY

Kevin Mallen, General Partner of Sutro and Company and formerly a member of Redwood City Rotary Club, as a frequent visitor/resident of Ireland will speak on that country.

Jim Williams will be fining-not selling insurance this noon.

LAST WEEK

Steve Revel discussed the history of skyjacking. It seems that skyjacking has been a social phenomena for the last ten years with the first recorded skyjacking in 1930. In 1961 five planes were skyjacked to Cuba. The first sky-ransom was 16 months ago, with Eastern Airlines being worst hit - off to Cuba. Metal detectors are not complete or sufficient - Personal search is the most efficient preventative method. Weekend skyjacking to gain publicity is fast becoming the biggest problem. To prevent international pacts and agreements that are being enforced would be most effective, however how to achieve is a problem due to political differences. Dave Schutz, what do you think of four-dot journalism?

Finemaster Henry Ritter caught birthdays and anniversaries, gave a quiz on Pirates and caught World Traveller Lloyd Osborne for a devalued \$2.00 fine (\$5.00)

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

March 27, 1973

TODAY

Bill Royer, San Mateo County Supervisor, will tell of his first twelve weeks in office. Bill as you know, isn't new to local government. He is an Ex-Mayor of Redwood City, having served 16 years as a City Councilman.

Bob Baum as Finemaster plans to make money for Rotary - Not B of A.

LAST WEEK

We were honored today by having Frank Parcell our own special "MAN OF THE YEAR" as Master of Ceremonies. Frank is our incoming President. It was pleasing to see so many guests attending our meeting from San Mateo to Sun City, Arizona. Special emphasis was put on our Master when a "TULIP SPECIAL" was presented to Frank Parcell as a token of appreciation from our club. Really it was for his wife and not Frank. It is nice to see that "there is a woman behind every man", particularly when she is recognized for her ability and directions.

Dick Bimson acted as Finemaster and with a soft spoken word really laid it on Jim Williams. He fined everyone from the ones who had their birth-place in Redwood City to the ones that were born elsewhere in colder climates; especially the ones with long, long underwear to cover their feet.

The speaker was Judge Lyle Edson, from the Superior Court, Juvenile Division in Hillcrest. Judge Edson talked on problems in the Juvenile Court as it relates to new laws and etc. He also talked about the rights of individuals although minors and those under age 18 do have rights that are basically the same as the adults. Lyle gave a very fascinating talk and the time passed all too rapidly for the subject matter to be covered.

It was great to see our Senior active members back in the fold again after so many had been away in their campers.

Reported by Smokey Jack Keller

LAST WEEK

Bill Royer, San Mateo County Supervisor, told of his first three months on the job as a full time supervisor. Told the probable effects of Senate Bill 90 will be a leveling off of governmental services; upgrading of Southern Pacific services or Rapid Transit is a must; also spoke of road improvements, police problem and the ramifications of Proposition "A:", "Parks and Open Spaces".

Bob Baum did an excellent job of confusing everyone and then fining for the confusion.

AID TO NAVAJOS

Paul Keckley requests that donations of food, blankets, disposable diapers or money be given to aid the Navajo Village of Lee Ginnie that is desperately short on supplies and hay for its sheep due to the extremely bad winter which has closed all roads. Ginnie walked out 27 miles to find help and called his friend Mrs. Fred Turner in Redwood City as he knew of no place else to turn for help. Paul asks that no glass containers of food be donated as the food must be dropped by helicopter. Paul has arranged for collection depots at the Redwood City Community Activities Building on Roosevelt Avenue and at the Municipal Services Center, on Broadway between Chestnut and Woodside Road. Contributions by check should be sent to Low Mountain Chapter House, %Redwood City Treasurer, P.O. Box 468, Redwood City, Ca. 94063

Paul Keckley reminds all Rotarians that donations of canned food, blankets or money are still being accepted for delivery to the Low Mountain Chapter House. Donations of food or blankets can be delivered to the Redwood City Community Activities Building on Roosevelt Avenue or the Redwood City Municipal Services Center on Broadway. Cash donations should be sent to the Low Mountain Chapter House, % Redwood City Treasurer, P.O. Box 468, Redwood City, Ca. 94063.

ROCO ROOTERS COMPANY

Does this name mean anything to you? It should, because it is the name of the Jr. Achievement Company sponsored by this club. Three of the "Achievers", Robin Jackson, Sue LeBlanc and Lee Ann Olson will visit our club today and display the product they chose to manufacture - "SPOON RINGS.". These rings are fashioned from stainless steel spoons and have been well received at the two trade fairs where they have been sold.

If you know of someone who would like one of these rings-----today is the day----- they are available at the unbelievable bargain price of \$2.00. There might even be other benefits in buying one of these rings today.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

April 17, 1973

TODAY

Harold L. Buma, Vice President and Manager, Economics Department, Wells Fargo Bank, will speak on "Projections Regarding the State of the Economy". Mr. Buma obtained his degree from Stanford University and since 1950 has served as an economist with the Federal Reserve Bank, State Chamber of Commerce and Bank of America, prior to joining Wells Fargo.

Finemaster Max Gerfen says all except bed patients at Sequoia Hospital are fair game today.

LAST WEEK

Richard Elkus, President of Ampex Corporation, talked on some of Ampex's woes due to growth problems of the business world; generally the problems of the under developed nations and how they have come forth in raising their standards of living and their regard for the human race . . . power of Russia in relation to the U.S. . . . and the relationship of colleges and the courses which he felt should be taught at that level.

Finemaster Bob Friebertshauser was pushing "ROCO ROOTERS" spoon rings at \$2.00 per person.

Paul Keckley gave a report on the food drive for the Low Mountain Chapter of the Navajo Tribe. With the Club donating \$100 a minimum of \$260 in cash was donated by Rotarians in addition to food stuffs and blankets.

ARE YOU SENIOR ACTIVE?

Twenty-One Redwood City Rotarians already have "Senior Active" classifications but more are on the way. A new Rotary International Rule makes "Senior Active" Membership automatic for (1) any Rotarian who has been an "Active" Member for at least 15 years, or (2) at age 60 has 10 years membership, or (3) at age 65 has been a Rotarian for five years. Secretary Alan is now checking the records to determine who the new honorees are.

What is a "Senior Active" Member? Same as other "Active" Members - same rights, responsibilities and attendance requirements - but his former business classification becomes "open" and available for a possible new member.

Who are these illustrious members, about to join the present "21"? With bated breath, watch this space next week!

TUESDAY EVENING JUNE 26, 1973

This is the night we get rid of President Bob and install our "Man of the Year" Frank Parcell as incoming President. Be sure you have this date on your calendar and that your Rotarian plans to attend this most important day of the year. Time and place will be announced.

NEXT WEEK

Program Chairman for April, Howard Imus, has arranged an outstanding program.

Lloyd Gebhart will Fine.

Past President John Esson will preside. President elect Frank Parcell is in Hawaii, 1974-75 President Elect Joe Mell is in Germany and our President Bob is in Mexico (fishing).

HIRATSUKA STUDENT EXCHANGE

Charlie Gyselbrecht has received a response to his letter from K. Kitsuda of the Hiratsuka, Japan Rotary Club, requesting that our Club sponsor and provide residence for three Japanese students who will be available to visit with us for all of the month of August.

It is imperative to maintain our relations and obligations to the Hiratsuka Club that three members of our Club volunteer to host these students. They are:

1. Masahide Yamawaki - Male Junior in college. Interest - Mountain Climbing
2. Juichi Arai - Sophomore in college - Age 19 - Interest - Commercial Science - Male
3. Aiko Watanabe - 17 years of age, High School student - Female

Charlie also has photos of these youngsters and brief resumes of their backgrounds. Interested club members contact Charlie as soon as possible to prepare for this exchange and to advise Mr. Kitsuda of the visit schedule and arrangements.

SAN QUENTIN TRIP

Don Helbush has openings for 12 persons to visit San Quentin on June 2nd. Wives are invited. The price is \$5.00 per person including dinner and transportation. Time is 4:00 P.M. until???

ORV'S RETIREMENT DINNER

Reservations for Orv Graves Retirement Dinner close May 11th. The dinner will be held at St. Anthony's Hall on Middlefield Road. The price is \$8.75 per person. Time is 6:30 P.M. Call or send a check to Sequoia YMCA, 1445 Hudson Street, Redwood City, 94061.

GETTING RID OF OUR PRESIDENT

President Bob will positively be kicked out of office and a good man, Frank Parcell, will be installed as President on Tuesday evening, June 26th. President Bob will shortly announce the Chairman and where the installation will be held. In the meantime reserve this date for you and your Rotariann.

ATTENDANCE CARDS

Be sure to put the date attended on your attendance card when you make-up. Secretary Alan has a real rough time determining which date the make-up is for. He is almost of the opinion that cards without the date should be tossed and the offender billed \$4.00 as not making-up.

BOARD NOTES

Pat Patterson has been excused from attendance status by the Board due to his retirement and longevity of service (1951). Pat joins the exclusive seven members who also have gained this status.

Board meetings have been changed to the 4th Wednesday of the month. Next meeting will be held at Charlie Gyselbrecht's on May 23rd. All members are welcome.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

May 22, 1973

TODAY

There is a program for today which we are keeping as a surprise.
Bill Bergler will fine.

LAST WEEK

Bill Flegge of the San Mateo County Service League told how they attempt to help families with problems they may be facing at the time of the husbands incarceration. They assist with the immediate needs for food, clothing, housing and transportation and as a go-between with other social services. They also help the prisoners, visit the county jails and work with the prisoners who wish help in building back their self respect - they otherwise act as a friend when one really needs a friend.

HIRATSUKA STUDENT EXCHANGE

Charlie Gyselbrecht requests that anyone who can take a Japanese student into their home during the month of August contact him immediately. It is imperative that Redwood City Rotary Club maintain its relations and obligations to the Hiratsuka Rotary Club who will be sending three students as a part of an exchange program. Two boys and one girl will be coming over. See Charlie for details and resumes of each of the youngsters.

APRIL ATTENDANCE REPORT

After having the best attendance in four years during March, we plunged in April and will probably find ourselves in the lower echelon when the District 513 figures are compiled. True, 65 turned in 100% performances, but some of the boys almost became strangers during April. The April average was 89.15%, worst since December.

- 100% - Dan Aruda, Brent Bangham, Bob Baum, Bill Bergler, Sid Berlin, Jack Berrett, Lee Borges, Alan Bostwick, Bob Brown, Hubert Brugger, Bill Bulanti, John Bunting, Ed Carlisle, George Chaffey, Vince Claypool, Clyde Crippen, Jim Duke, Bob Durkin, Lyle Edson, Scotty Elson, John Esson, Jack Estes, Jim Fitzgerald, Bob Friebertshauser, Max Gerfen, Orv Graves, Jim Greenwell, Charlie Gyselbrecht, Don Helbush, Ken Hill, Howard Imus, Mike Ivceovich, Paul Jones, Paul Keckley, Russ Kent, Walt Koslosky, Ron Koster, Mike Kreiss, Joe Lodi, Chuck Long, Carl Mabie, Chet McRorie, Joe Mell, Del Mitchell, Dick Morgan, Nels Nelson (excused), Jim Newell, ED NISSAN*, Lloyd Osborne, Frank Parcell, Pat Patterson, Bob Pierce, Les Reese, Jack Rognas, Louie Rolla, Ed Schmalz, Dave Schricker, Dave Schutz, JERRY SCHUTZ*, Jud Shurtz (excused), Stan Silverstein, Walt Small, GEORGE SPOTEK*, Stof Stofle, Paul Young.
- 75% - Dick Bimson, Jack Ference, Lloyd Gebhart, Hal Hjertberg, Rick Howard, Paul Larsen, Bob Miller, Fran Pearson, Tom Poore.
- 50% - Bill Enomoto, Jack Keller, Bill Koon, Jim Williams.
- 25% - Bill Maxwell
- "No Shows" - Henry Ritter, Bill Royer.

Jim Parmelee, convalescing from a broken leg, has been excused from attendance by the Board and is not listed above.

* Indicates a new member, who is off and running with 100% in April, and, incidentally, is still 100% halfway through May!

NEXT WEEK

Colonel John Regan, U.S. Army, Retired, will talk on "Footprints of the Future".

Les Reese is going to fine everyone who failed to purchase insurance from him during the last year (and most who did).

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

May 29, 1973

TODAY

Colonel John Regan, U.S. Army, retired, will talk on "Footprints of the Future".

Les Reese will be Finemaster.

LAST WEEK

We were treated to the film "San Francisco Forty Niner Highlights of 1972" which showed how the team progressed to the play-offs and then fell flat. A Saint Paul, Minnesota based brewery apparently financed the film. Rahn Becker, San Mateo County Manager's Office ran the projector.

Bill Bergler fined almost everyone and if he had been given a couple more minutes he would have fined all.

BLEEDERS

Don Helbush reports that Jack Estes, Clyde Crippen, Paul Young, Ron Koster and Jim Duke all gave blood when the Peninsula Blood Bank was at Kaiser Hospital. Also giving was ex-Rotarian Speer McClellan who is now employed in San Jose. The members who gave are fine exempt for the next four meetings reports Chief Bloodsman, Don.

ROTARY INSTALLATION

Tickets are now on sale for the installation of our new President on June 26 at Ricky's Hyatt House, Palo Alto. If a ticket salesman hasn't yet contacted you, call Chairman Clyde Crippen and he will see that you get tickets. Program Chairmen Bob Brown and Lyle Edson have real plans to help our current Prez Bob come back down to being just a member again.

HIRATSUKA STUDENT EXCHANGE

Prez Bob and Charlie Gyselbrecht report that there are still openings to take one of three Japanese students for the month of August. These students are part of the exchange program between the Hiratsuka Rotary Club and the Redwood City Rotary Club.

Also needed are volunteers to take these students on special trips to see the countryside and the cultural exhibits of the Bay Area. (Basketball Games, Museums, etc.) See either Prez Bob or Charlie for further details.

SAN CARLOS ROTARY JUNTIQUE

San Carlos Rotary Club announces that on the nights of June 20-21-22 they will be holding their annual Juntique Auction at the Central School in San Carlos.

They are in need of donations of usable articles, furniture, bric-a-brac, et al. Call 591-2223 and the merchandise will be picked up. Donations are tax exempt, both Federal and State. An invitation is also extended to all Rotarians to attend this auction.

NEXT WEEK

City Manager, James M. Fales, Jr., City of Redwood City, will talk about the City.

Jim Parmelee will fine provided he can gimp-up his bum leg.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

June 12, 1973

TODAY

Our own Mayor, Paul Keckley, will speak to us on the affairs of the City.

Your Editor understands this week's scheduled Finemaster fined last week and it is now possible that some one other than Lyle Edson will fine today.

LAST WEEK

Meeting of this date was a meeting of "Make-ups" in finemasters, main program and etc.

Our finemaster moved up with a good friend, Lyle Edson. The Good Judge was in rare form in fining people for not having programs made, children's graduations and anything else he could think of.

Charles Gyselbrecht and John Keller stepped into birdge the gap left by Jim Fales, City Manager who had to go to Sacramento on City business. They presented very worthwhile slides of the disastrous results of the Los Angeles earthquake. This gives you the feeling that something like this over which we have no control will somehow shock you into reality. To see the awsome results of an earthquake makes you work harder about what your place will be in the role of self-preservation and survival.

As Jim Williams so aptly put it at the end of the presentation; You can have fire insurance and not have a fire, but we know for sure that the earthquake will come. . . Reported By your friendly Fire Chief.

HIRATSUKA STUDENT EXCHANGE

Prez Bob and Charlie Gyselbrecht are getting punchy as there have been insufficient volunteers to place the three Japanese students due to arrive here for the month of August. Please contact either immediately if you can take one of these students during August, or if you can assist in showing them the countryside and cultural exhibits while they are here.

The spoke welcomes the following members inducted into Rotary on May 29th:
