## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

ROTARY SPOKE  
July 3, 1973

### TODAY

Our own Joe Lodi will talk about the R.C. Pride program sponsored by the Redwood City Chamber of Commerce. Mike Ivicovich will extract our money as finemaster. Boy Scout Troop No. 110 which our club sponsors will be selling fireworks to raise money for their members to attend the National Jamboree.

### LAST WEEK

Our annual installation dinner at Rickeys was the occasion for swearing the following new officers into office: Frank Parcell, President; Joe Mell, Vice President; Alan Bostwick, Secretary; Bill Bergler, Treasurer; and Charlie Gyselbrecht, Dave Schricker, Stan Silverstein and Walt Small, Directors. William T. Stangle, Jr., was initiated as a new member. Lyle Edson was master of ceremonies, George Chaffey in between jokes did the installation duties, Sid Berlin did the debunking of retiring President Bob Pierce, and Bill Enamoto taught everyone how to play Jon Ken Poe. Whoever made off with President Frank's gavel please return it; after all it's bad enough having a Watergate without having a gavel travel incident in our own club.

### INTERNATIONAL - DON WILSON'S GIFT

Tom Poore advises that our club has received from fellow Rotarian G. D. (Don) Wilson of the Hastings, New Zealand Rotary Club a gift of 62 famous New Zealand trees, consisting of 25 Kowhai (a beautiful flowering tree with minute leaves), 25 Kauri (famous and rumored to be illegal to cut down now) which used to be used for ships' masts), and 12 Rimu (the New Zealand red pine).

Mr. Wilson has been the most cooperative and generous of the many rotarians contacted in our club's international seed program. He has sent seeds, books on New Zealand trees, and planting guides from his nursery in Hastings. These are the first trees (as distinguished from seeds) that we have ever received from anywhere.

We are most grateful to Rotarian Wilson and hope that any member traveling in his area will take the time to stop by and thank him personally. This year's International Rotary theme is "Dare to be Great" and Don Wilson is certainly that.

### NEXT WEEK

Don Warren of Mobil Oil Company will be our speaker and Bill Bulanti will pick our pockets as finemaster.

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

---

ROTARY SPOKE, July 10, 1973

#### TODAY

Don Warren of Mobil Oil Company is our speaker on the oil industry and some of its problems and Bill Bulanti will travel up and down the rows extracting dollars for our Club as Finemaster. Hopefully we'll have the big room back.

#### LAST WEEK

Joe Lodi, with the help of Jim Erlandson of the Redwood City Chamber of Commerce, gave an interesting talk on the R.C. Pride Program, complete with slides showing many parts of Redwood City. Finemaster Mike Ivicovich made off with our money like a burglar. Which reminds your editor that unlike Watergate which will rage forever, the gavel travel incident was solved when Bill Bergler confessed that he had picked up President Frank's new gavel for safekeeping.

#### INTERNATIONAL

Wm. C. (Bill) Carter, President of Rotary International this year asks all of us to put this year's theme "A Time For Action" into practice by improving the quality of life in our clubs, our community, our professions, trade and commerce, and internationally. President Bill hopes we develop what we have in common rather than that which divides us.

#### ABOUT THE MEMBERS

Bill Royer, longtime Rotarian, who finds it difficult to attend meetings since becoming a County Supervisor has been named an Honorary Member for 1973-1974. by our Board of Directors. Bob Biggs, song leader at the Rotary International Convention in Honolulu, and W. I. Turck, long retired, have been made Honorary Members by the Board for another year. Resignations: Dan Aruda, transferred by the Bank of California to San Leandro, and Superior Court Judge Bob Miller because of the pressure of probate and law and motion matters on the bench. Seen at the District Assembly at Sonoma State College: Bob Pierce, Frank Parcell, Bill Bergler, Walt Small, Joe Mell, Alan Bostwick, who say it was mostly work but some play. Japanese students visiting in August will live with the Mells, Gyselbrechts, Parcells and Kosloskys. Sid Berlin will soon be taking pictures of new members for Roster Book.

#### COMING EVENTS

District Governor John Withers will meet with our club on September 25, 1973, and in preparation for that we are having our Club Assembly on July 31, 1973, so get your reports in.

#### NEXT WEEK

Our speaker will be Jack Cagg, Wells Fargo Bank Trust Officer (after hearing about the money in oil this week, what more logical followup could there be than money in banking) and Jack Berrett as Finemaster will show us the legal way to extort moneys for our club from the members.

ROTARY SPOKE JULY 17, 1973

### TODAY

Our speaker will be Jack Caugg, a Trust Officer with the Wells Fargo Bank who will discuss banking, and the money to be made or lost therein and Jack Berrett will utilize his legal expertise as Finemaster to pick our pockets without committing a single crime.

### LAST WEEK

Don Warren, project co-ordinator for Mobil Oil Company, gave an interesting and informative talk on the subject of Redwood City Shores and what Mobil Oil Company proposes to do with it. Bill Bulanti, as Finemaster, took care of putting our Club back into a sound fiscal and financial basis.

### ATTENDANCE, JUNE 1973

100%-- Bob Baum, Bill Bergler, Sid Berlin, Dick Bimson, Alan Bostwick, Bob Brown, Bill Bulanti, John Bunting, Ed Carlisle, George Chaffey, Vince Claypool, Clyde Crippen, Jim Duke, Bob Durkin, Lyle Edson, Scotty Elson, Bill Enomoto, John Esson, Jack Estes, Jim Fitzgerald, Bob Frieberthausen, Max Gerfen, Orv Graves, Jim Greenwell, Charlie Gyselbrecht, Don Helbush, Ken Hill, Pete Hughes, Howard Imus, Paul Jones, Paul Keckley, Russ Kent, Bill Koon, Walt Koslosky, Mike Kreiss (excused), Joe Lodi, Chuck Long, Carl Mabie, Chet McRorie, Joe Mell, Dick Morgan, Nels Nelson (excused), Jim Newell, Frank Parcell, Jim Parmelee, Pat Patterson (excused), Bob Pierce, Les Reese, Louie Rolla (excused), Dave Schricker, Dave Schutz, Jerry Schutz, Jud Shurtz (excused), Stan Silverstein, Walt Small, Joe Souza, Bill Stangel, Stof Stofle, Lem Summey, George Szpotek, Jim Williams, Paul Young.

75%-- Jack Berrett, Lee Borges, Hubert Brugger, Jack Ference, Lloyd Gebhart, Hal Hjertberg, Rick Howard, Mike Ivicovich, Jack Keller, Ron Koster, Paul Larsen, Del Mitchell, Fran Pearson, Tom Poore, Jack Rognas.

50%-- Brent Bangham, Bill Maxwell, Lloyd Osborne (still on his honeymoon? We'll bet he made up, anyway, and the cards just aren't in yet!), Henry Ritter.

25% -- Ed Nissan (a new member who didn't miss a meeting until starting on a world tour without his Rotary membership card and couldn't get inside the door at some of those foreign clubs)

June was a "really good month until the Installation Dinner. Too many, who didn't attend the dinner, didn't make up and we plummeted from an average of 95.16% to 82.67%, on June 26. Those of you not attending must either have hated to see Bob kicked out or Frank coming in. You missed gavel travel, Jon Ken Poe and the whole bit.

### NEXT WEEK

The speaker will be our own internationally famous Vince Claypool reporting on the Rotary International Convention in Lucerne, Switzerland, and Ed Nissan will take care of any financial security you might have enjoyed as Finemaster.

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

ROTARY SPOKE JULY 24, 1973

#### TODAY

The renowned bon-vi-von world traveler, our own internationally famous Vince Claypool will be our speaker. Vince will report on the Rotary International Convention held in Lucerne, Switzerland.

The Finemaster will be Paul Keckley who will see if he can raise as much money for our Club as he does for the City of Redwood City.

#### LAST WEEK

Richard Heyman from the Wells Fargo Bank filled in for Jack Claugg (who suddenly came down with an appendectomy) and gave a very informative discussion on estates, wills trusts etc. and the various problems one is likely to encounter in connection therewith.

Jack Berrett, as Finemaster, showed us how easy it is to raise money for Rotary by utilizing his legal powers of oratory to part us from our dollars.

#### SPECIAL NOTICE

Mark down Tuesday, September 11, 1973 on your calendar for a special challenge. Bill Bergler won't tell you what it is but it has something to do with water (not Watergate) up North.

#### NEXT WEEK

This is the day we have our Club Assembly where all of the various committees of our Club can get together and plan their activities for the forthcoming year. Since President Frank relies heavily on these committees to get the work of our club done, it is important that everyone who possibly can meet with his committee at this Assembly.

The Finemaster will be Lem Summey who for the first time since joining our Club will be pitting his legal talents against the reluctance of our members to pay fines without a battle.

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

---

ROTARY SPOKE JULY 31, 1973

#### TODAY

Today we have our Club Assembly so that the various committees of our Club can get together and plan their activities for the year. The committee meetings should be productive of many good ideas for improving our Club as well as many worthwhile projects for the coming year.

The finemaster today will be Lem Summey who gets his first crack at relieving us of our hard earned cash; if you think the Watergate hearings are expensive, wait even harder as this legal eagle builds up our Club coffers.

#### LAST WEEK

Vince Claypool told us about his travels in Morocco, Spain and everywhere else as well as filling us in on his experiences at the International Rotary Convention held in Lausanne, Switzerland recently. Vince's color slides were extremely well done, even those where Esther got themselves on the slide.

Paul Keckley as finemaster proved that there is no finemaster like an experienced city politician and gaily extracted dollar after dollar.

#### COMING EVENTS

District Governor John Withers will meet with our club on September 25, 1973. Don't forget about the special water event on September 11, 1973 up north.

#### NEXT WEEK

Our speaker will be Hank Sciaroni, Director of Agricultural Extension Services in our County a good friend of the farmer and an expert on agriculture on the coastside; our finemaster will be jolting Carl Mabie who will rock you right out of your dollars.

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

ROTARY SPOKE AUGUST 7, 1973

#### TODAY

Our speaker is "Hank" H. R. Sciaroni, the Director of Agricultural Extension Services in our County of San Mateo. In addition to being the best friend that the farmers of this County have, he is familiar with our farm problems, agricultural marketing problems, the social impact of urbanization and land use, and the tax base erosion, particularly on the Coast side of our County. Our Finemaster will be Carl Mabie who will show us that there is no permissiveness about paying fines to fill the Club coffers.

#### LAST WEEK

We had our Club Assembly in a new format where the Chairmen of various committees indicated our various activities and projects for the forthcoming year; among other events upcoming to remember are the annual family picnic on September 23, the Golf and Tennis event up at Emerald Hills on October 2, the X-mas party with our Rotary Anns and the kids in December, and a special mystery night in March of next year, according to Walt Koslosky. Also noteworthy is the Water Gap, Watershed or Water-spout event coming up on September 11, up north, and the special visit with our Club by District Governor John Withers on September 25, 1973.

#### ATTENDANCE HONOR ROLL

We have twenty-five (25) members who have perfect attendance during 1972-1973: Alan Bostwick, John Bunting, Ed Carlisle, George Chaffey, Vince Claypool, Bob Durkin, Lyle Edson, John Esson, Jack Estes, Jim Fitzgerald, Max Gerfen, Orve Graves, Jim Greenwell, Howard Imus, Joe Lodi, Carl Mabie, Joe Mell, Jim Newell, Bob Pierce, Les Reese, Dave Schricker, Dave Shutz, Stan Silverstein, Walt Small, Stof Stofle; we have six other members who joined during 1972-1973 who haven't missed a meeting since joining the Club: Pete Hughes who joined May 29, 1973, Jerry Schutz who joined April 3, 1973, Joe Souza who joined May 29, 1973, Bill Stangel who joined June 26, 1973, Lem Summey who joined May 29, 1973, and George Szpotek who joined April 3, 1973.

#### INTERNATIONAL

Our three young Japanese students from Hiratsuka have arrived for a visit and are staying with Frank Parcell, Walt Koslosky, Charlie Gyselbrecht and Joe Mell. How three were split into four homes is beyond your Editor's comprehension but he believes anything Alan Bostwick tells him.

#### NEXT WEEK

Our speaker will be Charles Kubokawa who was head of the undersea team that stayed submerged for a month for N.A.S.A. Part of the dive was for the Skylab satellite re long time isolation underwater; Bob Baum will bomb us as Finemaster by depriving us of our savings for the Club's benefit.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

ROTARY SPOKE AUGUST 14, 1973

### TODAY

Our speaker today is Charles Kubokawa who was the head of the undersea team that stayed submerged for a month for N. A. S. A. Part of the dive was for the Skylab satellite on the effect of long time isolation (to show how interesting he is, he recently spoke at the San Francisco Commonwealth Club which is noted for their excellent speakers).

The finemaster is Bob Baum; you can only expect the Club to reap many dollars from a banker who can torpedo the members like he will.

### LAST WEEK

"Hank" H. R. Sciaroni, Director of Agricultural Extension Services in our County gave a very interesting and informative discussion of why, unfortunately, meat prices will not go down until 1976, if ever.

In spite of the rising cost of living, Carl Mabie, as Finemaster, was able to keep out the pressure on our Club treasury by levying appropriate fines to match the pace.

### BASEBALL

Don Helbush and Sid Berlin have cooked up a baseball game trip at Candlestick Park on Wednesday night, September 5, 1973, to see the Giants vie against the Dodgers. The price, \$7.50 per person, includes transportation by bus round trip, a box seat on the 3rd base side, beer and peanuts. The bus will hold 45 people and you may bring your wife, girlfriend, guest or whatever; the bus leaves the Hall of Justice and Records at 6:45 P. M.

### ART FESTIVAL

The Menlo Park Rotary Club is presenting the Summer Art Festival, featuring a show by the Society of Western Artists, at the City Administration Building and Council Chambers in Menlo Park from August 13 through September 20, 1973. The Menlo Park Club hopes that all of our members who can do so will attend the opening of the art show on Sunday, August 12, 1973, between 1:00 and 3:00 P.M.

### COMING EVENTS

Our District Governor, John Withers, arrives on September 25, 1973, and according to Bill Bergler we try our hand at canoeing down the river on September 11, 1973, way up north.

### NEXT WEEK

Our speaker will be Edison Uno, noted for taking on the San Francisco jail situation, who will speak on aspects of the Nisei Japanese Americans in the U. S. and our Finemaster will be Paul Young who will prove that Podiatry is just another way of making money for our Club.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

ROTARY SPOKE AUGUST 28, 1973

### TODAY

Our speaker is Stephen Nakashima, an attorney in San Jose who is also a member of the California Medical Board, having been appointed by Governor Reagan. He is active in politics and will speak on some aspects of the Nisei from the "Establishment" point of view.

Our Finemaster will be Fran Pearson who will utilize his experience as a college board member and as an accountant to put our Club even further financially solvent and into the black.

### LAST WEEK

Our speaker was Edison Uno, a member of the 1972 San Francisco Grand Jury and a College Professor who gave us what he termed the minority view in connection with championing the cause of Nisei Japanese Americans in the U.S. as well as some of the historical background of the Japanese American born in the U.S. Paul Young told us the unfortunate story of Dr. Charlotte Baer and then fined us.

### COMING EVENTS

The Baseball Trip to Candlestick Park to see the Giants take on the Dodgers on Wednesday night, September 5, 1973, bus leaves from the Hall of Justice and Records at 6:45 P.M., the price is \$7.50 per person which includes transportation (round trip), a box seat on the third base side, beer and peanuts. Today is your last chance to get tickets from Don Helbush.

The canoes go down the river with happy Rotarians trying to dunk each other (with much success) on September 11, 1973, way up north in the Russian River country. As in the past no one has to paddle upstream (except to pick up his floundering partner) and Bill Bergler will have the details.

The annual family picnic on Sunday, September 23, 1973, when and where and how much yet to be known, but Walt Koslosky knows.

The golf and tennis event at the Emerald Hills (Redwood City Elks) Golf and Country Club to be held on October 2, 1973, dinner to follow the activities of the athletes.

REMEMBER: Our District Governor, John Withers, arrives on September 25, 1973, to meet with us so mark this date down on your callendar.

### THE REGRETS DEPARTMENT

CLYDE CRIPPEN - member for 27 years, secretary of our club for more than a decade, retired from business and has moved to Lake Almanor - he is still an honorary member for 73-74.

BOB FRIEBERTSHAUSER - battling a bad back, minus two discs and still recuperating.

DR. CHARLOTTE BAER - she's not a member but may she rest in peace.

### NEXT WEEK

Our Finemaster will be joltin' Jim Williams whose recent classification change from Life Insurance to General Insurance should make him freer to levy fines for the Club.

Our speaker will be our own Jack Keller who should have something to say about fire, water, or both in this busy season of the year. After all, he's our Fire Chief; if he doesn't know, nobody knows.

#### TODAY

Our speaker will be our own Jack Keller who will, no doubt tell us something about the busy workings of the Redwood City Fire Department.

Our finemaster will be the pride of the insurance world, Jim Williams, who promises to insure tidy and substantial revenues for the Club treasury.

Also, today is the day that Sid Berlin will be taking pictures of the new members who are not in the Club Roster as yet and also of those of you who have grown younger in the last year and want a new photograph to reflect the true you.

#### LAST WEEK

Stephen Nakashima, an attorney in San Jose who is also a member of the California Medical Board and active in politics gave us an interesting and informative talk on the history and attitudes of the Japanese American citizens and their outlook for the future.

Fran Pearson as our Finemaster showed us how easily he can collect money by fining practically everyone in the room except, of course, visiting Rotarians.

#### UP AND COMING

The Baseball trip to Candlestick Park to see the Giants try to overtake the Dodgers is tomorrow night, September 5, 1973, and for those of you who have tickets, the bus leaves from the Hall of Justice and Records at 6:45 P. M. sharp.

The annual canoe trip down the Russian River is on September 11, 1973, and Bill Bergler should have the details as to when and how you get upstream so that you can paddle downstream.

The annual family picnic on Sunday, September 23, 1973, which Walt Koslosky will elaborate on later.

The golf and tennis event to be held at the Emerald Hills (Redwood City Elks) Golf and Country Club on October 2, 1973, which will include dinner following the exercises by our noble gladiators.

Our District Governor, John Withers, arrives on September 25, 1973, to meet with us and to address our Club, so be sure to remember this important occasion.

The Board of Directors is making plans for representatives of our Club to go to Modoc County, some long weekend in September to construct showers at Camp Carlsberg for the Sequoia YMCA.

#### NEXT WEEK

Our speaker will be Jack McDonald, former Redwood City Police Chief and recently appointed Sheriff of San Mateo County by the Board of Supervisors.

Our Finemaster will be that fiery Editor of our local newspaper, Dave Schutz, who will show us that his ability to write scathing editorials is only exceeded by his ability to raise money for our Club.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

---

ROTARY SPOKE SEPTEMBER 11, 1973

### TODAY

Our speaker will be Jack Mac Donald (no relation to the outfit that sells millions of hamburgers) who was formerly Police Chief of Redwood City and is now the newly appointed Sheriff of the County of San Mateo who will speak to us about the enforcement of the law.

Our Finemaster will be Mr. newsprint himself, Dave Schutz who will collect more money for our Club than he can get printer's ink on his hands.

### LAST WEEK

Jack Keller told us about the problems and costs involved in fire fighting and gave us a pamphlet on what to do in case of fire. Jim Williams struck it rich as finemaster at our expense.

### IN THE FUTURE

The annual family picnic on Sunday, September 23 at Blackberry Farm,

The golf and tennis event to be held at the Emerald Hills Golf and Country Club on October 2, with dinner to follow,

Our District Governor, John Withers, speaks to us on September 23, 1973,

The trip to Modoc County to construct showers at Camp Carlsberg for the Sequoia Y.M.C.A. is September 28, 29, and 30.

### MISCELLANEOUS

Our club (Tom Poore) received a letter from Erich Madl of Austria (and also from Elise Thier of the Sponsorship Department of SOS Kinderdorf - Patenburo) thanking us for our letter of July 12 and our check in the amount of \$105.58 as our sponsorship contribution for Erich.

In return for a pamphlet and redwood seeds sent to the Fukuoka Rotary Club, Tom Poore also received a banner from Hisayuki Nakamuta of that Club, who was at Stanford in 1957 under the Rotary Foundation Program and attended our club as a guest of Dick Arimoto. The banner has a Hakata kenjo pattern consisting of a conventional design of flowers, Buddhist altars (vessels in which cereals are served) and several straight lines.

The Baseball trip was reported to be a great success as the Giants swept the third game in a row from the Dodgers.

Nine noble gladiators are at this very minute paddling down the Russian River (when their canoes are not being overturned).

### NEXT WEEK

Our speaker will be Bill Hinchcliff who is the Director of Civil Defense for the County of San Mateo and our Finemaster will be Stof Stofle who will prove that not only can he manage the local office of the CSAA but he can also manage to extract money from our members to make the Club treasury bulge beyond belief.

#### TODAY

Our speaker is Bill Hinchcliff, the Director of Civil Defense for the County of San Mateo who will enlighten us about the problems of civil defense and disaster preparedness. Our Finemaster will be Stof Stofle who will show us how the Calif. State Auto Assn. raises money by collecting multitudinous revenues for the Club treasury from our members.

#### LAST WEEK

Jack MacDonald, formerly Police Chief of Redwood City and newly appointed Sheriff of San Mateo County gave us an outline of the functions and operations of the Sheriff's office and Dave Schutz as Finemaster editorialized his way through levying fines in order to collect money for our Club. While he was doing this 5 hearty souls were drowning themselves on the annual canoe trip down the Russian River, including President Frank whose ear is still full of water.

#### UP AND COMING

The annual family picnic will be held on Sunday, September 23 at Blackberry Farm; the golf and tennis event will be held at the Emerald Hills Golf and Country Club on October 2; and the trek to Modoc County to construct showers at Camp Carlsberg for the Sequoia Y. M. C. A. will be on September 28, 29 and 30.

#### AUGUST ATTENDANCE

A lot of Rotarians forgot to make up during August vacations but mostly missed only one meeting. So, although we had only 53 "100%ers" we still had the best August attendance in years 88.11% (last year for example it was only 79.79%). The perfect attenders were Brent Bangham, Sid Berlin, Jack Berrett, Dick Bimson, Alan Bostwick, Bob Brown, Bill Bulanti, John Bunting, Ed Carlisle, George Chaffey, Vince Claypool, Jim Duke, Bob Durkin, Lyle Edson, Bill Enomoto, John Esson, Jack Estes, Jack Ference, Jim Fitzgerald, Max Gerfen, Orv Graves, Jim Greenwell, Charlie Gyselbrecht, Don Helbush, Hal Hjertberg, Rick Howard, Howard Imus, Paul Jones, Russ Kent, Walt Koslosky, Mike Kreiss, Joe Lodi, Chuck Long, Carl Mabie, Chet McRorie, Joe Mell, Del Mitchell, Nels Nelson (excused), Jim Newell, Ed Nissan, Frank Parcell, Jim Parmelee, Pat Patterson, Les Reese, Louie Rolla (excused), Dave Schricker, Dave Schutz, Jerry Schutz, Jud Shurtz, Stan Silverstein, Walt Small, Stan Stofle, George Szpotek and Lloyd Osborne (who blew in from Lake Tahoe to make up at his own club).

#### NEXT WEEK

**IMPORTANT:** Our District Governor, John Withers meets with our committee Chairmen from 10:00 A.M. to 12:00 noon at Mel's Bowl and addresses us at our regular luncheon meeting. Frank Parcell will call the various chairmen to let them know when to meet with our District Governor.

Jack Ference as Finemaster will show us how a city auditor brings in the loot for the good of the Club.

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

ROTARY SPOKE

OCTOBER 16, 1973

#### TODAY

Our speaker will be Pappy Waldorf, Director of Player Personnel for the San Francisco 49er football team who will tell us some interesting facts about (you guessed it) the 49ers, who unfortunately lost to Minnesota last Sunday.

Our Finemaster will be Walt Small who not only made it big at our recent Bar-B-Q but can also make big money for our Club.

#### LAST WEEK

Berkeley Compton gave a very interesting talk about his rise to fame and riches with his toy Hooey stick, his Silly Sand and other toy products which he dreamed up while raising a family of 12 children, as well as his latest venture, the Bumbleberry, and for a finale demonstrated his memory technique.

George Szpotek, as Finemaster, taught us what traditional presents we should be giving our wives on our anniversaries if they coincide with the ones he asked us about.

#### CORRECTION

For the first time in three months your Editor has made a newsworthy blunder, this time in connection with who made and decorated the beautiful cake for desert complete with the Rotary emblem on it for those attending the Bar-B-Q at Emerald Hills on October 2; he got part of it right because Walt's lovely wife did the job, but it was Walt Koslosky's wife, not Walt Small's wife, and her name is Mary Kay, not Phyllis Ann. So much for President Frank as a reliable source.

#### SEPTEMBER ABSENTEES

Bangham 4 meetings, Baum 3 meetings, Keckley, Keller and Pearson 2 meetings, Borges, Brown, Brugger, Ference, Gerfen, Byselbrecht, Hill, Howard, Ivicovich, Koster, Morgan, Osborne, Ritter and Szpotek 1 meeting. Let's get on the ball. Either you are not turning in your makeup cards or your lack of attendance is showing.

#### COMING EVENTS

(1) May 16 through May 18, 1974, District Conference, Kings Castle, Lake Tahoe, Hop a bus with President Frank (2) Rotary Foundation Week November 11 through 17, 1973 (3) Rotary International Convention in Minneapolis - St. Paul, MINN. June 9 - 13, 1974.

#### NEXT WEEK

Our speaker will be Hugh McDonald, President of World Associates and retired L. A. Chief of Detectives who will tell us about the new sky sentinel airplane and its use in law enforcement.

Vince Claypool, as Finemaster, will show us that he has not turned into clay in the pool by making our Club treasury soar to record heights.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

ROTARY SPOKE      OCTOBER 23, 1973

### TODAY

Our speaker will be Hugh McDonald, President of World Associates who is a retired Chief of Detectives from the Los Angeles Police Department who will tell us about the new sky sentinental airplane and how it is used in law enforcement.

Our Finemaster will be that renowned world traveler and exponent of Rotarianism, Vince Claypool, who will extract dollars from us faster than the slot machines at Las Vegas can.

### LAST WEEK

Our speaker was Pappy Waldorf, Director of Player Personnel for the San Francisco 49ers who told us some interesting facts about the history of football, both college and professional, from the 1st Rutgers game where there were 25 players on each side up to the modern day where we have 26 professional football teams and 30,000,000 people who watch college football every year. The 49ers he said is the only team organized before 1946 which is still in the same place with the same name; even the Chicago Bears can't claim this.

Our Finemaster was Walt Small who used his prowess to lighten the pockets of our members for the benefit of our Club Treasury (for a little man he made some big levies).

### COMING EVENTS

Walt Koslosky announces that the Children's X-Mas Party will not be held this year because the children don't get out of school in time to make it possible, so this event is cancelled. However, the annual X-Mas Party for our Rotary Annes will be held on December 18, 1973, and all you members can bring your wives, your secretaries, your girlfriends, your paramours, or whatever other female companion you care to.

On May 16 through May 18, 1974, our District Conference will be held at Kings Castle in Lake Tahoe. Everyone interested in going by bus to save wear and tear on the nerves and tires is urged to let President Frank know.

On June 9 through June 13, 1974, the 1974 Convention of Rotary International will be held in the twin cities of Minneapolis and St. Paul, Minn. under the theme "Improving the Quality of Life."

Rotary Foundation Week is from November 11 through November 17, 1973, to take note of the achievements of the Rotary Foundation and to renew our efforts in the program.

### NEXT WEEK

Ken Schroder, Planning Director of Redwood City, and Dick Tufich, Director of Public Works of the same, will tell us about the Down Town Beautification Program of Redwood City.

Jerry Schutz will take time off from the Medical Clinic to conduct a financial clinic of his own: namely acting as Finemaster and raising our Club Treasury to record heights.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

### ROTARY SPOKE

NOVEMBER 6, 1973

#### TODAY

Our speaker will be Mr. Hossein Ahmadi from the Iranian Embassy, who will bring us up to date on Iran and the Middle East from a 1973 viewpoint.

Our Finemaster will be the biggest thief of all times for our Club Treasury, the one and only canoe tipper from the northern river country, Bill Bergler.

#### LAST WEEK

Our speaker, Ken Schroder of the City of Redwood City (i.e. the Planning Director) filled us in on the Down Town Beautification Project of the City. The plan contemplates both public and private improvements, and the City has committed itself to make the public improvements in the down town area mainly between the Ry tracks south to divert traffic from Broadway to Marshall and the widening of Broadway between the RY tracks and El Camino Real to four lanes. The main portion south of the railroad tracks (for those of you that don't recognize the term RY) includes sidewalk plazas and should get underway about spring of 1974.

Our Finemaster Jerry Schutz did his job as finemaster by dragging skeletons out of the closet. He also carefully pointed out to your Editor that SZPOTEK is spelled with a Z, how is he supposed to know that it is not the name of a flower in his flower shop. If you want to have some fun try finding what sounds like Vicivich (all short I sounds) on the Spoke Roster; the correct spelling of Mike's name is IVICEVICH.

Leading Citizen's Dinner Tickets to benefit the Hoover Boys Club at Rickey's Hyatt House on November 14, 1973, were sold (namely three purchased by the Club and sold to the members for practically retail after competitive bidding at \$35 each) to three charity minded members; since they can deduct it from their income tax I won't mention their names.

#### COMING EVENTS

The Rotary Foundation Week is from November 11 through 17, 1973, when we take notice of the achievements in the program and try to renew our efforts therein.

Our annual X-Mas party for the Rotary Annes (and our girlfriends, paramours and the like) will be held on December 18, 1973, and as soon as Walt Koslosky tells us where it is going to be we will tell you.

District Conference, Kings Castle, Lake Tahoe, May 16 - 18, 1974, back and forth by bus? Rotary International Convention at Minneapolis and St. Paul, Minn. June 9 - 13, 1974, to improve life.

#### NEXT WEEK

Our speaker will be Ray Terry on the subject of Containerization, a Revolution (have they been computerized - we'll find out) Our Finemaster will be Dick Bimson who will prove to us that there is only one thing next to Godliness, to-wit: Fining the hell out of our members for the good of the Club.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

---

NOVEMBER 13, 1973

### TODAY

Our speaker today is Ray Terry on the subject of Containerization, a Revolution, which will turn out to be a revelation.

Our Finemaster will be Dick Bimson who will reverently but firmly deprive us of our money to enrich the Club coffers.

### LAST WEEK

Mr. Hossein Ahmadi from the Iranian Embassy told us about Iran and its relationship with other nations in the middle East. Among other points he brought out were that Iran is a Moslem and non-Arab country, sells oil without any intention of reducing production, has as its major import machinery, has no commitment with Arab nations against Israel, has no longer the rug business as its major part of the economy, has 25% of its land arable, has socialized medicine and private medical facilities, has 7600 of its students in the western states, is sending 5000 students to Japan, exports rice and raisins, is 1/6th the size of the U.S., and has a centralized government and tax structure.

Bill Bergler as Finemaster proved what a good burglar he is by cleaning out the pockets of every member having a silver dollar or a fifty cent piece to the financial delight of the Club treasury.

### COMING EVENTS

We are in the middle of Rotary Foundation Week which runs from November 11 through 17, 1973.

The place for the holding of our annual X-Mas party for the Rotary Annes (and miscellaneous female acquaintances) will be the Gold Platter in San Carlos according to Walt Koslosky and the day will be December 18, 1973 at noon. Bring your wife, girlfriend or whatever, but by all means come.

The District Conference will be held at Kings Castle, Lake Tahoe, on May 16 through May 18, 1974, and Frank Parcell proposes we go back and forth by bus to save wear and tear on the members and their cars.

The Rotary International Convention will be held in Minneapolis and St. Paul, the twin cities of Minnesota on June 9 through June 13, 1974, the theme being "Improving the Quality of Life."

Our Club will be well represented at the Leading Citizen's Dinner to benefit the Hoover Boys Club to be held at Rickey's Hyatt House on November 14, 1973.

### NEXT WEEK

Our speaker will be Warren J. Mitchell who will tell us about "Our Community Water and Waste Water."

Our Finemaster will be Jack Keller who will set fires under our seats while he mushrooms the ever swelling Club treasury.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

---

NOVEMBER 20, 1973

### TODAY

Our speaker will be Warren J. Mitchell who will address us on the subject of "Our Community Water and Waste Water." Our Finemaster is Jack Keller who will put out the fires by lightening our pockets in the interests of improving the financial stability of the Club.

### LAST WEEK

Ray Terry from Seatrain told us about the development of containers 40 feet long for shipping goods around the world and the fantastic increase in this activity during the last ten years. The use of these containers (in the Oakland plant they can unload and reload 1000 of these containers in less than 24 hours), together with computerization, has resulted in more shipping of goods and in less time. In addition to the containers Seatrain has developed car carriers, liquid carriers, side loaders and perishable carriers, and now has trains running across the U.S. to connect Europe and the Far East.

Dick Bimson, as Finemaster, wasn't too reverent about levying fines, but succeeded in raising quite a bit of money for the club considering the fact that many of our members were missing.

Bob Pierce announced that our contributions to Rotary Foundation have averaged \$30/member, that we are in the 3000 class, and that we will have 5 scholarships for sending students (up to \$7,500) to foreign universities.

### COMING EVENTS

Our annual X-Mas party for our Rotary Annes, girlfriends, mothers, daughters, or whatever feminine acquaintance suits your fancy will be held at the Gold Platter in San Carlos on December 18, 1973, at noon. Walt Koslosky promises fabulous entertainment and a good time to all who show up so let's all show up.

The District Conference is at Kings Castle, Lake Tahoe, on May 16 through May 18, 1974, hopefully back and forth by bus according to Frank Parcell, and those who like to gamble during the leisure hours should bring their fool proof gambling systems.

Future Conventions of Rotary International: Minneapolis - St. Paul, Minnesota, U.S.A., June 9 - 13, 1974; Montreal, Quebec, Canada, June 8 - 12, 1975; Buenos Aires, Argentina, May 16 - 20, 1976; San Francisco, California, U.S.A., June 5 - 9, 1977. Mark 'em down.

There will be a dinner for Rotary's International President, Bill Carter, in San Jose on January 3, 1974, and the Rotary Annes are invited.

### NEXT WEEK

Our speaker will be John G. Veneman who will discuss a subject which should be interesting to our Club politicians - "Power in Public Office."

Our Finemaster will be "Mr. Pride" himself, Joe Lodi who will show us how the Redwood City Chamber of Commerce raises money in a hurry (only this will be for our Club treasury).

#### TODAY

Our speaker will be John G. Veneman who was formerly Assistant Secretary of Health, Education and Welfare under President Eisenhower who will discuss the subject of "Power in Public Office."

Our Finemaster will be the pride of Redwood City, Mr. Pride, Joe Lodi, who will show us that the Downtown Beautification Program is nothing compared to his ability to raise funds for the Club treasury.

#### LAST WEEK

Last week our speaker, Warren J. Mitchel, Deputy Director of Public Works for Redwood City, discussed both community (pure drinking) water and waste water (sewage). The Redwood City Community water system is served by the San Francisco water supply as its source (Hetch Hetchy) and in the event of a cutoff of this supply Redwood City has a 4 day supply if this main source is cut off. He recommended a County wide community water system (like some other counties have). On the subject of waste water he indicated that after treatment the waste water is discharged into San Francisco Bay and that the Redwood City plant has grown from 4 M gallons per day in 1946 to 8½ M gallons. Ultimately, the City hopes to have a 20M gallon/day capacity (M stands for million).

George Chaffey in his usual jovial way was Master of Ceremonies as we inducted two new members, namely George Bold, Police Chief of Redwood City, proposed by Sid Berlin, and Dr. Jim Edwards, a surgeon and formerly of the San Carlos Rotary Club, proposed by Tom Poore.

Jack Keller as Finemaster found out what everyone thought was good news (for \$1 per optimistic soul).

#### ATTENDANCE

Alan Bostwick reports that during the month of October we had 55 100%ers and 17 80%ers. Those bringing up the rear are Lee Borges, Jim Duke, Rick Howard and Jim Williams with 40%, Hubert Brugger, Max Gerfen and Paul Larsen with 20%, and Brent Bangham with the royal goose egg, 00%. To the laggards, don't be lazy, get legs.

#### COMING EVENTS

Walt Koslosky says we are having a X-Mas party for our female acquaintances (wives, girlfriends, or other les femmes) on Tuesday, December 18, 1973, at noon, at the Golden Platter in San Carlos, with fabulous entertainment, less noise, and good food.

Frank Parcell says (and in view of gas rationing he must be right) the bus heads for the District Conference at Kings Castle, Lake Tahoe, May 16 through May 18, 1974.

#### NEXT WEEK

Our own Max Gerfen will speak on the subject of "The Health Crisis and You." As Exec. V.P. of Sequoia Hosp. he ought to know. As Finemaster we have Bob Durkin who will pull dollars out of your pockets instead of pulling teeth out of your mouth.

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

TUESDAY, DECEMBER 4, 1973

#### TODAY

Our speaker is our own Max Gerfen, who is Executive Vice President of the Sequoia Hospital in Redwood City. He will speak on the subject "The Health Crisis and You." Being as close as he is to the hospital scene, he should know the answers.

The Finemaster for today is Bob Durkin, who will take time out from tooth jerkin' to get our Club treasury perkin'

#### LAST WEEK

Our speaker was John G. Veneman, former school board member, State Assemblyman, Chairman of the Board of Supervisors of his County, former Undersecretary of Health, Education and Welfare under President Nixon, and candidate for Lieutenant Governor of California. As to his topic "Power in Public Office", Mr. Veneman mentioned the erosion of confidence in public office because of the abuse of power by a few, the counteracting effect of a free press and activities of the judicial and legislative branches of government, and termed unfortunate the Watergate incident and the loss of Richardson as U.S. Attorney General. He predicted more Federal regulations and that the public will expect people running for public office to be of the highest integrity. He saw energy and environment as part of the same crisis.

Our Finemaster, Joe Lodi, showed off his Redwood City Pride by fining scores of people for what they had in common and what they had not read in the latest issue of the Rotarian Magazine.

John Esson inducted (or re-inducted) George Matchette as a member of our Club (George was a former member until 1970); the photographer was sponsored by Tom Poore.

#### IN THE FUTURE

The X-Mas party for the fairer sex is only two weeks off; it will be held December 18, 1973, at noon at the Gold Platter in San Carlos with good food, merriment and entertainment.

The District Congregation known as the District Conference will be held at Kings Castle, Lake Tahoe, May 16 through May 18, 1974.

The Club Board of Directors' meeting will be held at Charlie Gyselbrecht's home on Wednesday, December 5 (tomorrow) at 7:30 P.M.

#### ROTARIAN BLOOD DONATIONS

Don Helbush advises that on November 16, 1973, six of our members donated blood to our Rotary Blood Bank, namely, Jack Estes, John Esson, Ron Costa, Bob Pierce, Walt Small, and Paul Young. Not only do these members deserve a hand, but they are also fine exempt for the whole month of December.

#### NEXT WEEK

Jack La Rue from P. G. & E will speak on "Energy and the Energy Crisis." Charlie Gyselbrecht, as Finemaster, will stop collecting building inspection fees for Redwood City long enough to collect some dollars from us.

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

DECEMBER 11, 1973

TODAY: Our speaker will be R. J. Jack La Rue, Marketing Manager, of the San Jose Division of P.G. and E. who will speak to us on a very timely subject "Energy and the Energy Crisis."

Our Finemaster will be Charlie Gyselbrecht who will tear himself away from the inspection of buildings to the depletion of our funds to bolster Bill Bergler's sagging (he claims) fund balances.

LAST WEEK: Our speaker was Max Gerfen who told us about the "Health Care Crisis. The good news is that thanks to improved technology, medical miracles have increased the life span of many; the bad news is that we need an improved medical delivery system to benefit all persons needing medical attention by effective cost control and better planning, and more out-patient and extended care.

Bob Durkin, as Finemaster, proved he could extract more than teeth by taking \$ from several unsuspecting victims with the dexterity of a pickpocket (luckily for our Club's benefit).

Dave Schutz was master of ceremonies in the induction of three new members: Bill Kaslar of the San Mateo County Safety Council (proposed by Les Reese), Dan Melarkey of Raleigh Hills Hospital (proposed by Bill Koon), and Pete Royer in (guess what) Real Estate (proposed by Joe Mell).

COMING EVENTS: Next week is the X-Mas party at the Gold Platter for Les Femmes so bring your Rotary Anne, and if you don't have one bring some other "Anne." Fabulous food and entertainment for all.

District Conference is at Kings Castle, Lake Tahoe, May 16 through May 18, 1974. Frank Parcell says that instead of a bus we will go by District train; unless he can arrange for Am-Track to run a special trip it will be the friendly railway.

BOARD OF DIRECTORS MEETING: Among the highlights of the meeting held on December 5th at Charlie Gyselbrecht's house were the following: (1) Jim Newell and Jim Parmelee were appointed as members on the Redwood City Rotary Trust which administers the scholarship fund set up by Ray Wilson (a former member, now deceased) (2) The Board authorized new badges for all members (3) Lloyd Osborne will be telling us about the Rotary Foundation Trip to Sweden (4) The icebreaker talks will be on an individual basis for a couple of minutes each meeting rather than a special program (4) The Board reiterated that if a member misses 4 meetings in a row without making up he is OUT OF THE CLUB! and (5) After heated debate, the Board voted to mail this publication to the members each week, hopefully commencing with the December 18th issue. A list will circulate today to see if you want it to come to your home or to your office.

NEXT WEEK: The X-Mas party where our ladies will be wined, dined and entertained, and will receive free piggy banks to save their money for the District Conference trip to Lake Tahoe. Jim Parmelee will try to put the club back on a paying basis as Finemaster.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

DECEMBER 18, 1973

### THIS WEEK

Today is the day of our annual Christmas Party for our Rotary Annes. We meet at noon at the Gold Platter in San Carlos where the food promises to be excellent, the noise of holiday merriment will be due to our own boistrous voices instead of bouncing bowling balls knocking down ten-pins, and the entertainment promises to be unparalleled. Walt Koslosky, who is in charge of this affair promises that your ladies will have a tremendous time so be sure to bring them with you. As a special treat Bill Bergler has a gift for each lady to start dropping coins in toward the expenses of the District Conference to be held at Kings Castle, Lake Tahoe, May 16 through May 18, 1974. If for no other reason you will need the money for the train fare on the District Am-track Special.

Jim Parmelee as Finemaster will see if he can make the Treasurer happy by bulging the Club Treasury a little.

### LAST WEEK

Jack La Rue, Marketing Manager of P. G. & E (San Jose Division) told us about the Energy Crisis and how it has affected his company - due to the shortage of gas to run the steam plants which produce electricity P. G. & E. has experienced a boiler fuel shortage, and has engaged and will engage in gas exploration activities, seeking the necessary sources of oil to generate electricity, and hopefully improve its nuclear production. A pamphlet on conserving gas and electricity produced by P. G. & E was most informative, and it appears that voluntary efforts on our part will help to avoid unnecessary use of power.

Charlie Gyselbrecht did the best he could with the fining in as much as he excluded bell ringers, blood donors, etc.

### ATTENDANCE

November 1973 was the second best month in three years - more percentage of attendance (92.92%), 66 members never missed a meeting and only 5 missed more than one. The culprits were Lee Borges and Paul Keckley (50%), Hubert Brugger and Fran Pearson (25%), and Mike Ivicovich (in Australia for kangaroo and aborigines missed all the Aussie ones) 0%.

### BELL RINGERS

Walt Small, Bob Durkin, Hal Hjertberg, Paul Jones, George Chaffey, Joe Lodi, John Bunting, Chet McRorie, Pete Royer, Walt Koslosky, Stof Stofle, Bob Pierce, Bob Baum, Pete Hughes, Ken Hill each deserve credit for giving their time to participate in "Bell Ringing" for the Salvation Army in front of J.C. Penny's on Friday December 7th. The bells were manned from 10:00 A.M. to 5:00 P.M.

### HAPPY HOLLIDAYS

No meetings on X-Mas December 25, or on New Year's Day, January 1st. Merry Christmas and Happy New Year.

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

JANUARY 8, 1974

#### HAPPY NEW YEAR AND WELCOME TO ROTARY

#### THIS WEEK

Today, our first speaker of the new year will be Henry Bostwick Jr., who is the Executive Vice President and General Manager of the San Mateo County Development Association. His topic will be the Economics of Environment (or what are you doing) and will stress the need for our recognition of ecological and economic problems of the County of San Mateo. Mr. Bostwick is a Past President of the American Industrial Council and has been active in County development since the formation of the San Mateo County Development Association in 1955.

Our finemaster will be Stan Silverstein who will prove to us that although money may not grow on trees and perhaps gold is not to be found in real estate, nevertheless green dollar bills can be extracted from our members without a whimper so long as it is for the good of the Club treasury.

#### LAST MEETING

Four score and seven years ago (or so it seems) we had one of the most delightful X-Mas parties with our Rotary Annes in attendance at the Gold Platter. Walt Koslosky really did himself proud as he arranged for a delicious dinner, an exceptional program of singing from the Woodside High School Choir under the direction of Bob Clark, musical director (he is the musical department head of Woodside High and the kids sang everything from modern Jingle Bells to Latin beat X-Mas carols). Jim Greenwell led the opening singing and Walt Small appeared in red and white.

Jim Parmelee as finemaster utilized the energy crisis to raise a few bucks; the ladies received flowers and coin banks (no connection) and everyone who attended enjoyed themselves.

#### ATTENDANCE

Up until this meeting we have perfect attendance for the month of January since no one has missed a meeting yet; let's keep it that way.

#### COMING EVENTS

In spite of the difficulties that Am-Track has experienced of recent date, Frank Parcell promises that it, or its equivalent, the friendly Southern Pacific, will transport us all to the District Conference to be held May 16 through May 18 at Kings Castle, Lake Tahoe (that's this coming May, we're in 1964 now at last).

The Board of Director's meeting will be held on January 23 at Walt Small's house; this is where the business of our Club is really done so if you can make it you are invited.

#### NEXT WEEK

Our speaker will be our own Dave Schrickler, Esq., Redwood City Attorney; our finemaster will be our own Jewell, Bill Stangel.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

JANUARY 15, 1974

### THIS            WEEK

Our speaker today will be one of our very own and best, DAVE SCHRICKER, Redwood City's City Attorney, who will give us the benefit of his expertise in his classification Municipal Government - Law by telling us about recent legal developments in the field of municipal law, particularly as they pertain to Redwood City and similar local governments. His legalistic expose of the intricacies of our beloved Town of Mezesville should be very interesting.

Our finemaster will be the jewell of the jewellery business, BILL STANGEL, who steadfastly maintains he is not related to the jewell of West Menlo (Dr. Nancy Jewell Cross) and will probably impose fines accordingly.

### LAST            WEEK

Fellow Rotarian, Henry Bostwick (from San Mateo), who happens to be the Executive Vice President and General Manager of the San Mateo County Development Association (in other words the work horse of the association), who emphasized the need for local businessmen to participate in meetings of local and regional governments which influence their decisions, as well as keep abreast of the constant changes in the law at local, state and national levels, and the many challenges which are bound to occur as a result thereof.

Stan Silverstein began 1974 as finemaster by getting even with his companion Lloyd Osborne on the canoe trip of 1972 (who overturned the canoe is still subject to debate), and finished up with the old birthday-anniversary gimmick, to increase our financial stability.

### COMING        EVENTS

It's off to the District Conference on May 16 through 18 we go where we live like kings at Kings Castle, Lake Tahoe, transportation via Am-Track along the lines of the friendly Southern Pacific. Before that, we have the Board of Director's meeting on January 23 at Walt Small's house, and on February 6 we have the basketball trip to the colliseum (via bus) to see the Warriors (Don Helbush will start taking reservations at today's meeting).

### NEXT            WEEK

Our speaker will be Edward Botha - Consul Information- from the San Francisco Consulate General's office who will speak about South Africa in the 1970-s. The finemaster is Howard Imus who will prove that although he is senior active he can still keep us moving.

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

---

JANUARY 22, 1974

#### THIS WEEK

Our speaker is Edward Botha - Consul - on Information from the office of the South African Consulate General in San Francisco. He will tell us about South Africa in the 1970-s and his remarks should be very interesting.

Howard Imus as finemaster will transfer dollars from our pockets and store them in our Club treasury.

#### LAST WEEK

We understand that our own Dave Schricker gave a very interesting talk on the financial disclosure laws imposed by recent legislation on various public officials and we assume that Bill Stangel was a perfect jewel about raising money for the Club coffers as finemaster.

#### COMING EVENTS

On Thursday, February 7 (FEBRUARY 7 NOT FEBRUARY 6) we will have our basketball trip to the Oakland Coliseum to see the Golden State Warriors play the Detroit Pistons with the bus leaving the Hall of Justice at 6:45 P.M. The price of \$6.00 per person includes the ticket, the bus ride (round trip), and the usual refreshments. Don Helbush is taking the reservations.

On Wednesday, January 23 the Board of Directors meets at Walt Small's house to conduct its important business.

On May 16 through 18 at Kings Castle, Lake Tahoe, the District Conference for all Rotarians and their Rotary Annes (hope those savings banks are rapidly filling up) and we will be derailed there courtesy of Am-Track

#### NEXT WEEK

Our speaker will be Albert Wilson of "Dig it with Albert" T-V fame and our finemaster will be Lloyd Gebhart who will religiously cause a rise in our cost of living by passing the collection plate for the Club treasury.

#### THIS WEEK FEBRUARY 5, 1974

Our program director for February, Bill Bulanti, advises that we have as our speaker, Jim Collins, Economics Professor at Canada College who will discuss economics in light of the fast changing world we are living in.

It is also education day in another sense as we have as Finemaster, Russ Kent, who will teach us that our money does not grow on trees, it goes into the Club treasury.

#### LAST WEEK

We had a most interesting and informative discussion on the subject of how to prune and care for our prized flowering plants and our fruit trees by Albert Wilson; a recognized authority on gardening and the star of the T-V show "Dig it with Albert" who solved every gardening problem put to him by our members in short order.

Howard Imus, as finemaster, levied fines right and left and really kept things moving to the Club's financial betterment.

#### UP AND COMING

For those going on the basketball trip on Thursday, February 7, to see the Golden State Warriors play at the Oakland Coliseum, the bus leaves the Hall of Justice promptly at 6:45 P.M. For all of the Rotarians and their Rotary Annes who are going to the District Conference on May 16 through 19 at Kings Castle, Lake Tahoe, get your registrations in.

#### NEXT WEEK FEBRUARY 12, 1974

Irv Whitaker from the State Department of Public Health will tell us about Medi-Cal - Prepaid Health Plans and Taxpayers Dollars.

Bill Enomoto, the flower of the nursery industry, will shower the Club treasury with our Dollars as finemaster.

**REMEMBER:** Don't forget to vote when you get your ballot for the office of Director. The "Primary Election" will soon begin.

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

---

#### THIS WEEK FEBRUARY 12, 1974

We will hear from Irv Whitaker, from the State Department of Health on the subject "Medi-Cal - Prepaid Health Plans and Taxpayers Dollars, which promises to be informative and enlightening.

Bill Enomoto, as our flowery finemaster, will try to equal Russ Kent's financial success last week by making the Club treasury grow with many dollars from our members.

#### LAST WEEK FEBRUARY 5, 1974

Our speaker was Jim Collins, an economics professor from Canada College whose topic was "Nixonomics" and who compared last year and the forth coming year in comparison of the gross national product, unemployment, and price levels, and who gave us some of his predictions on the effect of the energy crisis (eliminating old cars from the highways), the oil crisis (more profits for the middle East), and the sluggish rate of growth he predicts for the first six months of this year.

Russ Kent proved that you can raise alot of money in a short time by fining some members for not rising and being heard on the question of ladies attending regular Club luncheons after argument (somewhat aptly) by three of our legal eagles. Dick Chilingarian gave an interesting ice-breaker talk (these are to be spread out by having them one at a time instead of devoting a whole program to a group).

#### ROTARY COUNCIL DOINGS

The Rotary Council of San Mateo County (delegates from the various clubs attend meetings of this group) is considering listing all of the Rotary Clubs in the County in the County's telephone directory so that you can find any club in the County under a single heading, at a cost of \$1.50 per month. The Council was also informed about the possibility of a Gourmet Tour to South Africa in 1976 in conjunction with the Rotary International Convention.

Of course it cannot be repeated too often that the District Conference on May 16 through May 19 at King's Castle promises to be full of activities and fun and extremely gamey (if you are the gambling type). Lake Tahoe is noted for its recreational facilities.

#### NEXT WEEK FEBRUARY 19, 1974

Our speaker will be Dr. Jerome White on the subject of "Transactional Analysis" and in order to find out what that is you'll have to see for yourself.

Alan Bostwick, as finemaster, will give us an adult education on the subject of raising money.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

### THIS WEEK

MARCH 5, 1974

Today, Jim Fitzgerald, our Program Director for March has provided as our speaker Samuel P. Eveleth of Combustion Power Co., Inc., who will discuss a very timely and interesting topic namely the "Future Disposal of Waste Materials."

Our Finemaster will be Don Helbush who will get \$2 for every basket and promises that no one will be on probation by the time he gets finished.

### LAST WEEK

John Withers, our District Governor of 513, gave us an idea of what a District Governor does, and between running the District, attending meetings and fulfilling his many social responsibilities for the 46 clubs in the District (he calls himself the Kissinger of Northern California) he has to do everything but kiss babies. Some of the long range problems he faces include possible changes in the classification system, extending the make up period, objections to making members senior active, and would you believe-whether ladies should be allowed to attend Rotary luncheons.

Pete Hughes gave a fine icebreaker talk (he's been in plastics for 15 years) and Pete Royer not to be outdone by preceding finemasters ending up with everybody paying \$2 for one reason or another kept the treasury on the rise.

### IN THE FUTURE

The Inter-Service Club Luncheon at the Redwood City Elks Club at noon on March 27th, Wednesday, in place of our regular meeting.

The 513 District Conference on May 16 through 19 in Lake Tahoe, according to our District Governor we may end up on the South Shore, but about Rotary everyone who attends will learn a lot more.

### NEW OFFICERS

As the result of our recent elections we have 4 new directors (new terms) Bob Baum, Bill Bergler, Bob Durkin and Walt Koslosky, and as a result of the recent Board of Director's meeting we have Joe Mell as President and Alan Bostwick as Secretary for the forthcoming year.

### NEXT WEEK

MARCH 12, 1974

Our speaker will be Dr. Earl E. Brabb, Research Geologist with the Menlo Park Geological Survey Center, who will enlighten us on "Seismic and slide hazards in San Mateo County."

Our finemaster will be Les Reese who insures that the Club treasury will be bursting at the seams which he will make bulging with numerous fines.

Officers for 1973-74

Joe Mell, President Elect  
Bob Pierce, Past President

CHARTERED APRIL 22, 1946  
DISTRICT 513

THIS WEEK

MARCH 12, 1974

Today our speaker will be Dr. Earl E. Brabb, Research Geologist with the Menlo Park Geological Survey Center, who will enlighten us on the subject of "Seismic and Slide Hazards in San Mateo County" and if you don't think there are any, wait until he tells us about it.

Our Finemaster will be Les Reese who "insures" us that we will all have "less" money in our pockets by the time he gets finished imposing liability. Also there will be a short Board of Directors meeting for approximately 45 minutes after our regular meeting.

LAST WEEK

MARCH 5, 1974

Our speaker was Hal Stoner from Combustion Power Co., Inc., who told us about Cpu 400 - converting solid waste into energy and extracting resellable materials on the way. Among other advantages to the process which involves burning solid waste and using the gases developed thereby for power are lower disposal costs, reduction of air pollution, reduction of fuel requirements, and the ability to burn waste materials which otherwise could not be easily disposed of.

Other highlights of the meeting included the presentation of visitors to our area from Argentina who are here to learn about the U.S.A. (including how to be patient in line at a gas station), and an icebreaker talk by Bill Stangel who has been the proud owner of Kessinger's Jewelry Store for the past two years.

Don Helbush, billed as Count Dracula by our benevolent Pres. Frank, managed to delve into Roman history for his activities as Finemaster and put all kinds of people on probation provided they paid the usual \$2 fine.

IN FUTURO EXPRESSIO REPETITO UNO MORA TIMA

On March 27th the Redwood City Chamber of Commerce Luncheon (Inter-service Club affair) will be held at the Redwood City Elks Club in lieu of our regular meeting which would otherwise fall on the Tuesday immediately beforeth.

The Rotary District 513 Annual Conference will be held somewhere on the South Shore on May 16 through May 19 and the deadline for registration is March 15 so everyone that can do so should join the attending Rotarians and their Rotary Annes at the mystery spot.

NEXT WEEK

MARCH XIX, MCMLXXIV

Our speaker will be Ken Bruce, Professor of American History at De Anza College, who will both entertain and educate us with "Tidbits of American History You May Have Never Heard Before."

Our finemaster will be the old municipal legal eagle himself, Dave Schricker, who will arbitrarily (but legally) extricate the dollars that cling so tenaciously to our dusty wallets - cheer up, it is all for our Club's benefit.

The Bad News: You are really broken in as a husband when you can understand everything your wife isn't saying. The Good News: No man is ignorant of his faults if he is married. After all, as George Chaffey would say "Firmness is that admirable quality in ourselves that we see as merely stubbornness in others."

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

---

### THIS WEEK

MARCH 19, 1974

Today, our speaker will be Ken Bruce, who is a Professor of American History at De Anza College, and who will not only entertain us but also educate us with "Tidbits of American History You May Never Have Heard Before," such as was George Washington really strong enough to throw a silver dollar across the Patomac or saw down a cherry tree.

Our Finemaster, Dave Schricker, Redwood City's legal eagle, will enhance the Club treasury on the basis that "if it's municipal to you it's municipal to me, so pay."

### LAST WEEK

MARCH 12, 1974

Our speaker was Dr. Earl E. Brabb, Research Geologist who told us about geological hazards in San Mateo County and the San Francisco Bay Area, including our own notorious San Andreas Fault, and the problems which can arise from movement along earthquake faults as well as the shaking effects of earthquakes. The water saturated areas around the Bay are the ones most subject to shaking and apt to be dangerous. He also touched upon the costly landslides which can occur and said the area West of Skyline Boulevard in the Southern part of the County is where the most slide susceptible areas are located.

Our Finemaster was our reliable insurer, Les Reese, who lived up to his guaranteed advance billing by assessing the members for almost anything and everything (the Club treasury thanks you).

### ATTENDANCE

In February we had 67 members who were out in force as 100%ers but the number of misses by those who did miss meetings dropped our average attendance below the figure for February of last year to 90.88%. We had three who missed three, six who missed two, and seven who missed one. The ones who miss more than one meeting per month are the ones who really drag down our attendance.

### NEW OFFICERS

In addition to Joe Mell who will be our President for the 1974-1975 year, the Board of Directors has selected Bill Bergler as President Elect for that year; because of Bill's selection, the Treasurer spot remains to be filled at a future date.

### NEXT WEEK

MARCH 27, 1974

WEDNESDAY

This week, in lieu of the regular meeting, is the week when the Redwood City Chamber of Commerce will have its Inter-Service Club Luncheon at the Redwood City Elks Club at Noon. The program promises to be a good one so be sure to attend this event if you can. If you can't remember that our regular meeting on March 26th will be a roundtable only and you can't get credit for attending that; if you can't make the Chamber Luncheon try making up ahead of time so you won't forget to do so. You'll not only make yourself happy but you'll make our Secretary happy at attendance tabulation time.

Thought for the day: A miracle drug is any medicine you can get the kids to take without screaming. And have you ever wondered what would happen if you were in an elevator and the cables broke - would you go up or down - Guess it depends entirely on what kind of life you've led.

THIS WEEK

TUESDAY

APRIL 2, 1974

Jim Duke, our program director for the month of April has announced that our speaker today will be Eldon Earnhardt, an Anthropology Instructor at the Canada College, who will tell us about the first "residents" in San Mateo County - maybe the neanderthal man ?

If you have never noticed any connection between magnetic recording devices and electrifying the Club treasury with many new dollars you will today, because Hal Hjertberg, as Finemaster, will begin the month of April with the highest fidelity.

#### CHAMBER OF COMMERCE INTER-SERVICE CLUB LUNCHEON

Last Wednesday, March 27, the 2nd annual Inter Club Luncheon was held at the Redwood City Elks Club with 49 of our members or 59% in attendance, although we lost out on the case of wine to the Soroptimists who topped the list with 78% (there will be some giddy ladies at their next meeting). Rotary really took over as Dave Schutz was the Master of Ceremonies, Jim Greenwell led the Rotarians in Smiles, Dick Bimson did the invocation, Joe Lodi passed out Pride in Business Awards, and Paul Keckley accepted a Human Concerns Award on behalf of Redwood City.

The speaker Lt. Gen. Richard Hoban, Commander of the Second Air Force Base, Barksdale Air Force Base, Louisiana, told about the Strategic Air Command including the B-52s (the only manned bombers which can be launched by automatic control, the B-1 program bigger and more accurate planes to complement the B-52 force, and the Minute Man Missile (would you believe 600 feet accuracy at 5,000 miles), to mention a few, and Pat Collins, Miss Redwood City introduced the 1974 Redwood City Pageant Contestants. All in all quite an affair.

#### BOARD OF DIRECTORS MEETING MARCH 27, 1974

At a well attended Board of Directors meeting held at Frank Parcell's house the Board authorized payment of \$100.00 to American Field Service and wishes to pass on the following (1) The District Conference will be held at Kings Castle May 16th through 19th after all with a dinner-dancing option instead of a Saturday night show option in the package and shuttle service for the gamblers to South shore if Kings Castle doesn't renew its gaming license (2) A note on the County Dependent Children's Home and its need for assistance will be enclosed with this edition of the Spoke (3) The new badges have at last been ordered (4) The Rotary Roster is practically ready with the new additions and deletions (5) The Club History will be ready for distribution in about a month (5) There will be a Club Assembly on April 30th and special note: (6) Memorial Day Weekend, May 25, 26, and 27 is work party weekend at the Y. M. C. A. camp near Alturas; we need volunteers.

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

#### THIS WEEK

TUESDAY

APRIL 9, 1974

Our speaker is Glenn Smith, the newest Chancellor of the San Mateo Community College District who will talk about the Future of Education.

Our Finemaster is Joltin Joe Mell who will jar you out of your Dollars to enrich the coffers of our Treasury to prove you can not only "not take it with you" but "you can't even leave with it."

#### LAST WEEK

Our speaker was Eldon Earnhardt, an Anthropology Instructor at Canada College who told us about the Archeology program at the College and the research of the students in connection with the Iloni coastal Indians who inhabited San Mateo County as much as 500 years ago. Among other things it appears that the acorn was the basic diet, abalone shells were used for trade, remains of the Tulie Elk (now extinct) have been found, these indians were great basket makers, and San Mateo County had the highest population in the New World for an area where people survived without having any domestic plants or agriculture as we know it (lots of food came from the sea).

Bob Pierce installed our newest member, Jerry Olhiser, who is program director for the Y.M.C.A. and Hal Hjertberg as Finemaster, after disposing of anniversaries and birthdays, took care of everyone who wasn't campaigning for some one for office by magnetically imposing a fine on all the non-politicos.

#### FURTHER HIGHLIGHTS - BOARD OF DIRECTORS

In addition to the business reported last week your hard working Board of Directors approved sponsoring Robert Lee Gillaspay for the Rotary Foundation Undergraduate Scholarship (transportation, meals, lodging and tuition in England would be provided by the Foundation), and heard a report from the Scholarship Committee (about which you will hear more later). The next Board of Directors meeting is on April 24, 1974 at Alan Bostwick's house.

#### THUMBING THROUGH ROTARY BULLETINS

From New Orleans comes the news that some Rotarians have seen a stalker named Desire; from Vicksburg comes the news that there is a new Streak Life Insurance Policy - if you die you are not covered.

From San Rafael we get the following Dafynitions: An Electrocardiograph is a Ticker Tape; A Polygon is a dead parrot; and Umpire is the original strike arbitrator.

From San Carlos - Part of our problem today is that we have a surplus of simple answers and a shortage of simple problems.

#### NEXT WEEK

TUESDAY

APRIL 16, 1974

Our Speaker will be Andrew Fraknoi, Astronomy Instructor at Canada College, whose topic will be Life on Other Worlds or where some of our missing Rotarians may be. Our Finemaster will be Bob Frieberts-hauser who will attempt to "duplicate" the efforts of our previous finemasters by collecting as much in one day as the treasury has collected in the last four weeks.

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

THIS WEEK

TUESDAY

APRIL 16, 1974

!!!! TODAY !!!!

Our Speaker will be Andrew Fraknoi, Astronomy Instructor at Canada College, whose topic will be life on other worlds. For those of you who can't keep up with the times or what day it is today is the day after you should have filed your Income Tax- happy penalties - "Life on Other Worlds" may be different as we shall learn, but it couldn't possibly be more complicated.

Our Finemaster will be Bob Friebertshauser (spelled correctly the same time twice) who promises he will not copy our previous finemaster by asking how many of you saw Babe Ruth hit his first home run; but he promises to duplicate the effort one way or another.

#### LAST WEEK

The Benediction - (or Blessing before we eat) was brilliantly done by Sid Berlin who not only gave us a Kosher Benediction in the true tradition of a Pass Over Ceremony (complete with Morgan-David wine and Matzoth), but also proved that one of the most successful attributes of campaigning for public office is a perfect memory (Sid is the only one who remembers that the Suroptomist Club beat our Club out of the wine at the Inter-Service Club Luncheon in March by having a better percentage of attendance than we did).

By contrast, our Icebreaker of the week, Dan Melarkey, he's in Alcoholic Rehabilitation, told of his experiences in Hotel Management including Disneyland and Nevada, before entering his present field.

Joe Mell, as Finemaster, made a mint for the Club Treasury by taking advantage of the fact that most of us missed Hank Aaron hitting his historic home run (No. 715) Monday night on NBC-TV (even with the re-runs).

Our Speaker, Glenn Smith, Chancellor of the San Mateo Community College District, reviewed the problems of school administrators in general at the college level and San Mateo Community College District in particular since 1969, the militants, since 1970 budget cuts, and the other problems encountered with the increased cost of living, the budget restrictions, the decline in enrollment (which is starting to be picked up by fulfilling needs for other groups), and the difficulties of employer-employee relations caused by recent legislation.

#### NEXT WEEK'S MEETING APRIL 23, 1974

Our Speaker will be U. S. Marine Corps Officer, Major Darling, who will tell us about "Service Opportunities of Today", which should enlighten us about what the Marine Corps has been, is and will be, doing in the armed services field.

Our Finemaster will be Max Gerfen who plans to hospitalize all those characters who have been fining him because he wears his badge on the inside pocket of his jacket by making them pay the premiums directly to the Club Treasury.

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

/TODAY?

APRIL 23, 1974

/TODAY/!

Our speaker is U.S. Marine Corps Officer, Major Darling who will tell us about "Service Opportunities of Today" or you too can revisit Iwo Jima with the Marine Corps. Our Finemaster is Mr. Badge on the inside pocket, Max Gerfen who will try to make the Club Treasury as rich as his hospital by imposing the weekly \$2 rate on as many "patients" as he can.

#### LAST WEEK

Our speaker was Andrew Fraknoi, Astronomy Physics Instructor at Canada College who showed us how science can be taught in an interesting manner to make it fun in his classes. Who made life and the planets? He indicated recent experiments have proved that you can build life, and that the current thinking is that planets are materials formed as a natural consequence of making stars (i.e. planets fly off the stars). He also indicated that life on other planets might be likely, and it is possible the canals in Mars might be made from water. What he did not say but Bill Bergler did, is that the formaldehyde gases in the atmosphere proves that all dead bodies go to heaven.

Our Icebreaker was Lloyd Osborne who was newly initiated in our Club in September of 1962, who is a San Mateo County product and went from the tire business to contracting to the Sequoia High School and back to contracting; he and his wife and six boys live in a post office box and he travels alot (Africa twice and Australia 11 times). Bob Friebertshauser, as Finemaster, levied fines on events from out of the pasts of our members. He only fined one person for misspelling his name and that was because he got a letter to "Bill" instead of "Bob."

#### STUDENT EXCHANGE

Menlo Park Rotary Club is sponsoring an exchange of students age 14 through 19 with the Tozzi Institute of Rome, Italy, of six weeks duration from approximately July 15, 1974, through August 30, 1974. Transportation and personal expenses are paid by the individual, housing and meals and touring of the Rome area will be provided by the host family in Rome. A little Italian, good health, a good home and family life, and competence to cope with commitments overseas are important, as well as good health and personal habits and common sense not necessarily brains. Charlie Gyselbrecht will tell us more about this at a future meeting.

#### COMMITTEE ASSIGNMENTS

with this edition will come a document for you to mark your choices for committee assignments for next year under Joe Mell's leadership. Give it serious thought because the answer to a better functioning Rotary Club is the work done by its committees.

#### ATTENDANCE

Attendance for March averaged around 95% except for the dip on the week of the Chamber of Commerce luncheon to 86%. Twelve members missed one meeting, four members missed two meetings, and two world travelers missed three meetings.

#### CLUB ASSEMBLY

Today is Club Assembly Day, when our various committees for the forthcoming year under the leadership of President Elect Joe Mell meet to plan our Club activities for the ensuing year, and we will "shoot the breeze" about activities in general and our Club in particular. In short a "bull" session for progress.

#### LAST WEEK

Our speaker was Major Darling of the U.S. Marine Corps, introduced by Joe Mell, who discussed recruitment amongst the Armed Forces and the Marines in particular. He pointed out that the services need young men who see it as training for a career and also serving is an honor, and indicated the increase in benefits, training opportunities (e.g. aircraft maintenance and flying), and future civilian opportunities for those who enlist for a "hitch" with the Marines. All of the Armed Services have programs for males and females, and for high school graduates and college graduates.

Our Finemaster was Max Gerger who among other things fined Bill Maxwell in copper pennies and then sold the pennies to our grandfather members for a tidy profit; even the increase in the prime interest rate to 10 $\frac{1}{2}$ % couldn't top the way Max hospitalized all of us to swell the Club coffers.

#### DISTRICT CONFERENCE

The conference committee has confirmed that YES: The District Conference will be held at Kings Castle on May 16, 17 and 18; those of us who have registered before April 15, 1974, get a discount, and there are 165 registrations to date: Before April 15, 1974 and after April 15, 1974, the rates are as follows:

<u>Package</u>	<u>Before April 15</u>	<u>After April 15</u>
Executive Rotary Package	\$160.00	\$169.00
Insomnia Package	65.00	69.50
Stag Package	108.00	117.00
Fellowship Package	80.00	84.50

#### THIS THING

If you are getting your Spoke at home and wish it to be sent to your office, or in contravention of the foregoing, you wish it to be sent to your office instead of your home, you will have to advise your Editor, or your Secretary. All we need to know is where!

#### BOARD OF DIRECTORS

We have the opportunity to send 3 Exchange Students to Japan for three-four weeks, in exchange for three Japanese students from the Hiratsuka Rotary Club - the experience should be fantastic for both those we send and those we receive. Next B/D meeting is on May 22, Wednesday, at the Sequoia Club.

# ROTARY SPOKE

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

THIS WEEK---TODAY

MAY 14, 1974

THIS WEEK-TODAY

Our speaker is Claus Sorenson with reference to his experiences in connection with the American Field Service.

Our Finemaster is Joe Souza who will prove that our Club Treasury can experience as big a cost of living increase as his retail food sales have.

#### LAST WEEK

Our speaker was Professor Amos Nur from the Israeli Consulate in San Francisco, who has been on sabbatical leave for research at Stanford University (for four years). He told us about Modern Israel and the two big issues facing it, namely territory and refugees. The territory was a place for the Jewish people to escape, the refugee problem arises from the reluctance of the Government to take more refugees at the present time (700,000 people were displaced in 1948 and 650,000 have been since imported from other Arab countries.

We initiated two new members, to-wit: Mel Moen (a former member) who handles buildings and transportation for Redwood City), & Glenn Struckman (who handles the loans to finance the same for United California Bank).

Our Finemaster, Pete Hughes, who is Chairman of the finemaster committee for the year, got even with all the previous finemasters by fining them, after first attacking President Frank for referring to him as Howard Hughes, which he might like to be but isn't.

And a special note should be made here, which it will be. Bill Enomoto, the Horticulture - Flower Grower (that is the polite Rotary Classification for the ability to raise beautiful roses) donates bouquet after bouquet of beautiful roses to our speakers, and whenever President Frank decides awards should be made. On this occasion the lucky receivers were Jim Greenwell, Mike Kreiss, and Joe Mell, in addition to our speaker. Your Editor will gladly pay the \$2 fine to give Bill this well deserved plug.

#### BLOOD BANK

Don Helbush announces that on Friday, May 17, 1974, between the hours of 11:00 o'clock A.M. and 4:30 o'clock P.M., at the Kaiser Hospital in Redwood City, our Rotary Club members, their spouses, and others may donate their blood for a good cause, and if they like can designate whoever they want to be the beneficiary. As Walt Small would say, let's bleed for Rotary.

#### SICK LIST

Chuck Long is in Kaiser Hospital after a heart attack and will be out for several weeks; after you donate a pint of blood why don't you stop and say hello.

#### NEXT WEEK

Change of Pace - the Living Sound, a musical group who performed at the Belmont Rotary Club and will sing spiritual music for us here.

To go with it - Finemaster Henry Ritter, who will show you in one of his rare appearances at the podium that the only difference between urology and tennis that in urology you don't have to hit the ball back. We will continue to meet here until June, details to follow

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

THIS WEEK

MAY 21, 1974

THIS WEEK

Our speaker today is not a speaker but rather a collection of musicians known as the "Living Sound", a musical group that performed at the Belmont Rotary Club and will sing spiritual music.

Our Finemaster is that fearless urologist and tennis player, Henry Ritter, who will prove that you don't need a tennis racket to knock the balls off our members in the interest of improving the level of our Treasury.

### LAST WEEK

After blithly informing us that Paul and Peggy Keckly luckily survived a plane crash on their way back from Mexico, Dave Schutz introduced three students in the American Field Service student exchange program of Rotary. Claus Sorenson from Denmark indicated that Denmark has basically a farm industry and that his school is one building with ten grades - he finds schools here easier, and the students have less respect for the teachers. Norrie Suaki from Japan indicated how everything is so very big in the U.S. in comparison with Japan and that birth control is effective in Japan because the people can't afford big families and there isn't enough room; also mothers seem to work harder on Japan. Bob Fulksney of Belgium indicated the main languages in Belgium are French and Flemish with some German spoken and also mentioned how big the U.S. seemed by comparison. Prior to his visit Bob thought of Americans as mostly Texans with big hats and sun glasses (based on the tourists he saw).

Joe Souza, the original "Portuguese Joe", showed his interest in the Treasury (he is Club Treasurer next year) by swelling the coffers with many dollars from the members.

### THE BIG MOVE

June 18th marks the day when we meet for the first time at the Holliday Inn in Belmont (right off Ralston). June 4th will be the last meeting at Mel's Bowl because we meet at the Y.M.C.A. on June 11th. The Installation Dinner comes up on June 25th. Now you know everything.

### MINUTIA

One Rotarian and his Rotary Ann said sorrowfully that they may have to give up their waterbed. The find they are drifting apart. A banker and his friend were fishing on Tomales Bay when a sudden wave capsized their boat, tumbling them into the water. The friend shouted to the banker "Can you float alone?" The banker replied "How can you talk business at a time like this?"

### NEXT WEEK

Wayne Adams a Pastor in Monterey who ran unsuccessfully for Congress will talk about becoming involved in politics. Bob Pierce, the Waterproof Chemical King will try to show us how stinky he can be for the benefit of the Club Treasury (hopefully \$ not chemicals).

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946

DISTRICT 513

THIS WEEK

TODAY

MAY 28, 1974

TODAY

NOW!

Today we return to speakers, namely Wayne Adams, a Pastor in Monterey, who ran for Congress but failed to make it. He will talk about becoming involved in politics, and to prove he can be elected he is President Elect of the Kiwanis Club in Pacific Grove.

Our Finemaster is that famous fugitive from Bacarat in Lake Tahoe and the only one who could stink up the lake with his waterproof chemicals (they even resist water) Bob Pierce, the bon vi von of Kings Castle.

#### LAST WEEK

To liven up our meeting we had Don England and his group called the "Living Sound" or "Singers From The John" consisting of 5 girls and 5 boys from all walks of life who gave us some excellent renditions of both modern and spiritual music, with beautiful voices and a Hi-Fi background.

Not to be outdone the sexiest tennis playing urologist in the West, Henry Ritter, hit the jackpot in fines to send the Club Treasury soaring.

#### NEXT WEEK JUNE 4, 1974

Our new Program Chairman for the month of June, Bob Durkin, announces that our speaker will be Gilbert Schroeder from Ames Research on the subject "Pioneer Project", the mission which sent the rocket to Jupiter several months ago and will be firing another this fall.

Our Finemaster will be Sid Berlin who is taking time out from his busy campaign schedule for the Assembly (there is a fierce write-in which he is battling) to legalize the purloining of our pockets in the interests of putting the Club on a sound financial footing.

**NOTE:** This will be our last regular meeting at Mell's Bowl; we go on the road to the Y.M.C.A. on June 11th, and land at the Holliday Inn in Belmont on June 18th.

#### COMING EVENTS

The District Assembly for 513 will be held at the College of San Mateo on June 22nd (Saturday) the Installation Dinner where we make Joe Mell our new President will be held on June 25th at the Redwood City Elks Club, the next Board of Director's meeting will be on June 18th after our regular luncheon, and commencing in July the Board of Director's meeting will be on the 4th Wednesday starting at 8:00 o'clock A.M., place to be announced.

The Board of Directors needs your ideas on what would be good fund raising projects, or new projects, that we can do.

#### ABOUT OUR MEMBERS

Chuck Long is on the road to recovery and much better, Walt Small's wife is ill and we hope she recovers soon, Chet McRorie has been transferred to the State of Washington by his company and can no longer remain a member of our club.

If you want to find out what happened at the District 513 Conference in Lake Tahoe (Kings Castle) pick up your special edition on separate page.

Average attendance for April 91.35% ----We can do better!!!

KING'S CASTLE ELECTRIFIES ROTARIANS OF 513

The invasion took place on May 16th and the battle was not over until May 19th but the Rotarians and their Rotary Annes of District 513 took over Kings Castle at Lake Tahoe with a vengeance which will not soon be forgotten. Sixteen brave souls from our Club survived the snow and hail, and none of them ended up in jail: Trudy and Bill Bergler dropped one of Bill's clients off at Sutter Lake and brought the unused embalming fluid with them for cocktails; Marian and Lloyd Osborne and Dorothy and Howard Imus also arrived via the automobile. The rest of us bounced along on the last car of the Am Track Express Train which started in Oakland under the tutelage of our fearless tour conductor Claude Briner who is Mr. Santa Rosa Travel from the Santa Rosa Club and who amazed us by his ability to oversleep and still get us to the train on time. After bouncing along the train tracks we staggered out at Truckee into a waiting bus bound for Kings Castle where we were welcomed by a West Santa Rosa Rotarian with champagne. All the West Santa Rosans wore white cowboy hats with the Rotary insignia three inches in diameter in blue and gold in front.

At Kings Castle we soon grew accustomed to the electric shocks we encountered by touching the elevator button, door handles, and even the slot machines which were reactivated in our honor and paid off as you might expect for machines which have been waiting disconnected for several months.

Those who braved the swing and sway on the Am Track railway included President Frank Parcell and his wife Maxine (Frank spent half his time in the elevator returning to his room for the meal tickets), Bob Pierce and his wife Inger (Bob had the only hotel room where the Moen faucet was 180 degrees off so that to get hot water you turn it to cold and vice versa), President Elect Joe Mell and his wife Jeanette, Janie and Jim Parmelee (Joe and Jim attempted to play golf at Incline Village but after hitting golf balls off of crushed ice for one hole were forced to quit, thereby winning the Am Track golf award for the lowest scores and the fewest number of golf balls lost i.e. none), and last but not least Alan and Phebe Bostwick (Alan had Phebe execute a promissory note secured by a deed of trust to finance her slot machine activities).

Some of the thoughts which came out of the well attended plenary sessions were these: (1) The classification system is the heart of Rotary but to attract executives and professional people they must be acquainted with Rotary and brought to meetings as guests often so they can see what it is really like. Efforts should be made to attract the younger man. (2) Where a member of a rotary club is transferred to a new area every effort should be made to notify the rotary club in the area to which the person is transferred by letter, phone call or otherwise, although the member who moves can visit the club in the new area for one year if he pays his dues to his former club. (3) New members must be made to feel welcome and must be given assignments to get them active in the club. (4) The concensus of opinion at the session was that the current Rotary territorial limit rules should be kept in effect and that some provision should be made for handling cases of illness. Whether illness interrupts perfect attendance and whether there is a carry over of perfect attendance upon transfer to a new club is a matter for local club policy under Rotary International rules. (5) Good programs, meaningful projects, and fellowship are all essential for a successful rotary club, but quality is more important than quantity in selecting new members. (6) Rotary International can furnish a great deal of information on many aspects of Rotary and hopefully there will be faster service on requests in the future. Incidentally, the input by Rotarians at the conference will be relayed back to Rotary International which is seeking to find out the position of the various districts on various matters.

(over)

At the luncheon sessions a Santa Rosa Junior College group consisting of two girls, one boy and an accompanist provided delightful musical entertainment -- from musical comedies. Their schedule was fantastic: Up by car for our luncheon on Friday, back to Santa Rosa to perform in "Applause" Friday night, braving the snow back on Saturday to perform again for us again Saturday noon, and back to Santa Rosa to perform in another musical Saturday night. The Rotarians raised \$318.00 for their theatrical group (non-profit) to help them keep going as a small token of appreciation.

At the first luncheon session Friday May 17th we heard from the very impressive I. W. Ike Parrish, who is a Director of Rotary International's Board of Directors, who also participated in all of our sessions. He wanted to know what we at the local level thought, and how Rotary International could help us. His speech emphasized that Rotary is not only fun and fellowship but is based on the principle of service above self - it is better to give than to receive - his emphasis was the return trip to the ideal of service above self and he made the point that the most powerful force in Rotary is the individual, that the faith of Rotary is a dream, and without this dream Rotary would die. As he summed it up "I'm not too old fashioned to take the return trip to such a dream; when there is no longer compassion and faith in Rotary, I no longer wish to be a member."

At the second luncheon session (Saturday May 18th) Dr. Walter Judd, former congressman from Minnesota, Lecturer, Physician and former Missionary, began by saying he knew of two words to describe the present world "Confusion and Conflict." He then pointed out what he felt were the weaknesses in our present understanding (1) Failure to understand the rest of the world, their governments and their peoples (we assume that they all act like we do and they don't) (2) We must re-examine our own government and have a better understanding of ourselves (progress comes from people not from government) and (3) Government should do as much as possible to provide opportunity for everyone (i.e. equality of opportunity not equality of reward). He said our biggest problem in dealing with communists is that if they offer us an orange we give them an orchard. At this same luncheon, Bob Pierce and Jim Duke of our Club were awarded plaques from the District Governor for helping make the year a success for the District.

The De Bunking of District Governor John Withers occurred on Friday night at the Ponderosa Ranch, where after a "Mock Court Martial" John was released on his own recognizance to his wife Pat until June 30 and thereafter properly "shot" by the Sheriff (Guy Warren Eppenstiner, who wore two pistols, yellow shirt with red vest button front, a 125 year old belt, a hat with genuine Navahoe beads, tended bar and sang; he and his wife Johnny operate the Ponderosa Ranch). The temperature was seven above freezing so we spent the evening in the Silver Dollar Saloon dancing to the music of the Dwayne Leonard Trio (although there are four of them --- Drummer, 2 guitars and Banjo). The Ponderosa where the T-V series was filmed for 14 years, has many interesting antiques and authentic replicas, such as old brass beds in the Firehouse, and a fascinating gun collection in the Silver Dollar Saloon. Our dinner of roast beef, beans, salad and bread was washed down by spray martinis - they can spray any amount of vermouth from zero to whatever small quantity you want in your drink.

The West Santa Rosa Club did a tremendous job on the District Conference and everyone who attended appreciated their efforts. As Steve Tucker of West Santa Rosa put it, when you have a member of your club as District Governor (John Withers) you would not believe it, everyone works like hell for a year and every member of the club has an assignment (Steve did the monthly District Bulletin).. The West Santa Rosa Club also had to plan the District Conference and apparently the guy who spearheaded and made it all possible was Bill Fisher.

However, as all good things must the District Conference of Rotarians for 513 came to a screeching halt on Sunday morning and we headed home to recuperate.

DISTRICT 513

THIS WEEK      MELL'S      JUNE 4, 1974      BOWL      THIS WEEK

Today is the last regular meeting at Mell's Bowl. In honor of this historic occasion our speaker will be (thanks to Bob Durkin, our June program director), Gilbert Schroeder from Ames Research, whose subject will be "Pioneer Project", the mission which sent the rocket to Jupiter several months ago and which will be firing another such missile this fall. As Bob says "Note: This will be the last meeting at Mell's"

Our Finemaster will be that fearless competitor for the uncontestated Democratic nomination for the Assembly Sid Berlin, who will try to legalize extortion in the interests of the Club Treasury. If you haven't voted by this time you'll get fined for it.

#### LAST WEEK

We had Bill Bergler, President Elect, who took time out from his busy corpse schedule to preside over the ceremonies in place of Frank and Joe, we had the waterproofing chemical expert, Bob Pierce, as Finemaster, and we had Duke Wheeler from the South Pasadena Rotary Club, who told a streaker story, and another streaker, Frank Harper, from the Palo Alto Rotary Club, who by the time you read this will be newly remarried (he was a former Redwood City Rotarian before he went south).

As our speaker we had Wayne Adams, a Pastor in Monterey, who ran for Congress but failed to make it (after listening to him we know not why); his subject was the "High Cost of Non-Involvement" ----- his basic point was that to get involved it costs, but it costs more not to get involved. His theme song when he was running for Congress in the State of Washington was "The Impossible Dream" (from the Man of La Mancha of course) but it is doubtful if he has any trouble on the Sunday podium. In short he said, "Be doers, not spectators!"

#### NEXT WEEK

We meet at the Y.M.C.A., 1445 Hudson, where our speaker will be Vick Cizancas, the Chief of Police of Menlo Park, who will discuss a timely subject ---- "The Police and the Y.M.C.A. - a Partnership."

Our Finemaster will be the one and only, John Esson, who, while fining us to the hilt for the benefit of our Rotary Club, will also answer the age old question of why people change their telephone numbers right after the new telephone directory is printed (e.g. Stanford Hospital).

Streaker of the week: Bob Pierce leaving the Baccarat table at Lake Tahoe mumbling to himself "Never Back-a-rat."

CHARTERED APRIL 22, 1946  
DISTRICT 513

THIS WEEK                      JUNE 11, 1974                      Y.M.C.A.                      THIS WEEK

Today, we are at the Y.M.C.A. Our speaker is Vick Cizanckas, who is the Chief of Police of the City of Menlo Park and his topic is "The Police and the Y.M.C.A., a Partnership".

In honor of this once a year get-together of our Club and the Y.M.C.A. we have as our Finemaster, the fearless here of the telephone industry, John Esson, who will streak through fining procedures to enhance our Club Treasury, thereby reducing our deficit spending.

#### LAST WEEK

Our speaker was Bob Hogan, Science Adviser for projects at Ames Laboratory who told us about the mission which sent the rocket to Jupiter, which is only 2 Billion miles away, and took only 18 months to send, at a speed of 32,000 miles per hour leaving the earth; needless to say it got there as his excellent slides proved.

Our Finemaster, Sid Berlin, the fearless candidate for the California Assembly (he practices law in his spare time) took advantage of Election day by levying political fines. Bill Enomoto's beautiful (as they always are) flowers were awarded to Sid for being the only candidate not barnstorming for votes, to Pete Hughes for his excellent work as Finemaster Chairman, and of course to Speaker Bob.

#### COMING EVENTS

(1) District 513 Assembly, Saturday, June 22, 1974, at College of San Mateo, commencing with Continental Breakfast and Registration at 7:00 A.M.

(2) Annual Installation Dinner at Redwood City Elks Club on Tuesday, June 25, 1974, (tickets from Bill Bergler)

(3) Annual golf tournament, tennis tournament, and Bar B-Q dinner at Redwood City Elks Club on Tuesday, July 9 (golf commences at 4:00 P.M.) BBQ commences when it is served (tennis commences when Henry Ritter says it does).

Da, Da, Da, Da, Da ----- Welcome to the Holliday Inn which is more popularly known as the HOLLIDAY INN - MARINE WORLD, 1101 Shoreway Road, Belmont, CA. according to John Esson's latest directory----- in honor of this historical first, our Speaker will be the one and only Dr. Ron Koster whose subject will be; Scholarships and Rotary (information about and recipients of our scholarship program). To keep our historical first on a medical plane, our Finemaster will be Dr. Jim Greenwell who will show us that no one can fine more or better than a Senior Active stalker from the classification Sanatoriums.

REMEMBER: I'ts the HOLLIDAY INN, not Hillsdale, Hillbarn, Hillside, Hillbilly, Heli-spot, or Hilly anything else----- it's the

HOLLIDAY INN- MARINE WORLD, 1101 Shoreway Road, Belmont, CA. If you get lost, phone 591-1471 and the guy at the desk will tell you where you went wrong. Holly rhymes with Jolly and it will be.

# ROTARY SPOKE

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

TODAY            JUNE 18, 1974            WELCOME TO THE HOLLIDAY INN!!!

Today we begin what we hope will prove to be a glorious relationship and good fellowship between the Redwood City Rotary Club and the Holliday Inn.

In honor of this occasion our Speaker will be the good doctor, Ron Koster, whose subject will be "Scholarships and Rotary," and who will give us some information about the subject and will present recipients of our scholarship program.

Our Finemaster will be the noted physician, Dr. James Greenwell, who will prove he is true blue by extracting greenbacks to bring smiles on the happy face of our Club Treasurer.

### LAST WEEK

We met at the Y. M. C. A. where our speaker was Vick Cizanckas, the Chief of Police of Menlo Park and also a member of the Board of Directors of the Menlo Park Y. M. C. A. who indicated the good influence the activities of the Y can have on our youth. He also said that drug abuse is one of the biggest problems we face today.

John Esson, as Finemaster, took time off from his busy telephones long enough to conduct a Rotary quiz and to fine everyone who did not participate in the Y. M. C. A., and all moneys were graciously accepted by the money collector. Thank you Rotarians for your donations.

### IN THE FUTURE

The District Assembly will be held on Saturday, June 22, commencing at 7:00 A.M., the place is the College of San Mateo

The Installation Dinner will take place on Tuesday, June 25, at the Redwood City Elks Club with the social hour beginning at 6:30 P. M. and the dinner bell sounding at 7:30 P.M.

On July 9, the Tennis and Golf Tournaments, and the outdoor Bar - B - Q will be held at the Redwood City Elks Club with the first golf ball to be hit and the first tennis ball to be served at 4:00 P.M.

On July 30 there will be a Mystery Bus Trip (including your Rotary Annes) where you will have no idea of your destination before you leave, and if you imbibe too much when you get there you will never know where you have been.

And last, but not least, if you're in the market for new or used merchandise, or fun and games, try the San Carlos Rotary Club Junktique to be held June 19, 20 and 21 at Central School in San Carlos.

----- We regret that Paul Larsen has had to resign from our Club because of the pressure of business. -----

### NEXT WEEK INSTALLATION DINNER

We are promised a fabulous evening at the Redwood City Elks Club (see details above), but as a special event there will be presented Doug Dupen as our Speaker on the subject of Stanford Linear Acceleration, or speed personified. As our Finemaster we will have the one and only former pilot (until he gets a new plane), Paul Keckley who will stick to fines on the ground.

In honor of our all medical program today, we have the one about the patient who (after being examined by his doctor) said "Well, Doc., how do I stand?" "Damned if I know," said the Doctor, "It's a bloomin' miracle."
