ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY - JULY 2, 1974 - HOLIDAY INN - TODAY

Our speaker today is Neil Farmer, the Scout Executive for the Boy Scouts of America of the County of San Mateo, who will bring us up to date on scouting activities and the work the Boy Scouts are doing with special reference to our County. Pete Royer, program chairman for July has arranged this as the first of our great programs.

The Finemaster is Dick Morgan who will prove that a radiologist can really tune in when it comes to fining us for the benefit of the new fiscal year.

THE PAST TWO WEEKS

At our last meeting which was the first meeting at the Holiday Inn, we had an all medical program. Dr. Koster introduced the recipients of our Rotary scholarship program, each of whom accounted for themselves admirably, and Dr. Greenwell levied the fines. Anchor man Lem Summey gave the newscast in the absence of Dave Schutz. All of this occurred on June 18th.

At our Installation Dinner on June 25th (a delicious steak at the Redwood City Elks Club) our new President, Joe Mell was installed by George Chaffey, along with the other officers for the coming year, in a manner which resembled a cross between the Academy awards and the ringing telephones of the KQED auction. Frank Parcell was properly de-bunked as outgoing President by a pair of plumbers consisting of Lyle Edson and Frank Pierce and a flooded victim, Jim Fitzgerald, in addition to jangling telephones courtesy of John Esson. Dick Jones was initiated as our newest member (he's with the Department of Motor Vehicles), and Paul Keckley gave us physical therapy in the "True Blue" manner by levying fines right and left and all over.

The District 513 Assembly was held June 22nd at the San Mateo Community College which was well attended by such notables as Joe Mell, fresh back from the Minnesota convention (Bill Robbins is the President of it all and the theme for this year is Renew the Spirit of Rotary), Bill Bergler, Alan Bostwick, Lloyd Osborne, Jim Fitzgerald, George Chaffey, to name a few.

MYSTERY TRIP

On Friday night, August 2, we hope to have a mystery trip, with San Carlos and Belmont, with Dick Chillingarian in charge. You will take off for a place you don't know where, you will have the time of your life, and to lighten the mystery, we won't tell you anymore except don't eat dinner before you start - like everyone else we are sworn to secrecy.

NEXT WEEK

Sports and a big Bar - B - Que at the Redwood City Elks Club. Henry Ritter drives the first tennis ball into the court at 4:00 P.M. while Dave Scutz is hitting the first long drive off the Golf Tee simultaneously. After golf and tennis and at some time during the dinner hour, Jim Duke will use his educational talents to deprive us of our hard won golf balls, tennis balls, or dollars depending on the market or the needs of Canada College at the time.

Officers for 1974-75

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

/JULY 16, 1974 / ----- /TODAY/ ----- /HOLIDAY INN /

Our speaker today is our own Dan Malarkey, an authority on Alcoholic Rehabilitation, who according to Pete Royer, our July Program Chairman, will tell us about alcoholism.

Our Finemaster will be Lee Borges who will give us plenty of gas and electricity at increased rates to add to the coffers in ye olden treasury.

COMING EVENTS

On Friday, August 2 (in place of the regular meeting which would otherwise be on July 30th), Dick Chillingarian and Lem Summey advise we will have a special event whereby we leave by bus for San Francisco, take the ferry across the San Francisco Bay to Jackson Square where we will have dinner at the Sea Wolf, and then return after an evening of merriment, dancing, and wining and dining. Rotary Annes are also included, and hopefully members from the Belmont and San Carlos Rotary Clubs and their wives will join us. The committee will be collecting for this event today.

Joe Mell announces that on August 13th we will have our Club Assembly, and that on August 27 our District Governor will visit us, so your committee reports should be in by August 1st.

OF THE PAST

At our last meeting on July 2nd (Holiday Inn), Neil Farmer, Scout Executive for the Boy Scouts of America for the County of San Mateo, told us about some of the problems he faces such as attacks on the pledge of allegiance, the requirement of belief in God, the policy of not hiring lady scoutmasters, etc. He indicated that there had been a 20% increase in membership, and one of the biggest problems is finding the funds to finance scouting activities.

Dick Morgan used anniversaries, birthdays, and our June 25th Installation Dinner to raise his fines, and Joe Mell was given a rousing song of good cheer to begin his year as President of the Club.

At the golf tournament, tennis tournament and Bar - B - Que held on July 9th at the Emerald Hills Golf Club which turned out to be a beautiful day in spite of previous inclement weather to the contrary the golfing winners were 1st Prize, Bill Bulanti Low Net, Lyle Edson Low Gross, 2nd Prize, Jim Williams Low Net, Dave Schutz, Low Gross, 3rd Prize Bill Stangel, Low Net, Jack Estes Low Gross, 4th Prize, Walt Koslosky Low Net, Tony Goodsite Low Gross, and 5th Prize Sid Berlin Low Net, Mike Ivicovich Low Gross. Jim Fitzgerald retained his title for hitting the most blows. In Tennis the players finished Jim Duke 1st, Henry Ritter 2nd, Ed Nissan 3rd, and Lem Summey 4th. Jim Duke did the fining chores by eavesdropping on conversations and getting suggestions from those present.

Thanks go to Dick Chillingarian and Lem Summey co-chairmen of the event, Walt Koslosky and Joe Lodi and Charlie Gyselbrecht who cooked the steaks (especially to Walt the head Chef) and to Walt's wife, Mary Koslosky who baked the cake for desert.

N E X T W E E K J U L Y 23, 1974

Our speaker is Mike White, Coach of the California Football Team, arranged by the special pull of Stanford's Joe Mell, and our Finemaster will be Jim Newell, who hopes to account for himself by imposing heavy fines.

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY

JULY 23rd

HOLIDAY INN

WELCOME

TODAY

Our speaker is Mike White, the Coach of the California Football Team who to the chagrin of President Joe Mell from Stanford and to the delight of Paul Keckley from California will, among other things, tell us his game plan for winning the big game with Stanford.

Our finemaster, Jim Newell, will manipulate the books in such a way that the cash register will be constantly ringing up dollars for the Club treasury.

LAST WEEK

Lem Summey played anchor man with the news for Dave Schutz, and Lee Borges as finemaster found out what a bunch of sports we are by levying fines for all the sporting activities we engage in, cleverly leaving out golf which he plays the most.

Our own Dan Melarkey spoke to us about Alcoholism and Alcohol Addiction which, he said, is a problem to One Percent of the population. He pointed out that once you get to alcohol addiction and the enzyme system comes apart so that your body can't metabolize ethel alcohol you can never start back at the beginning; from then on drinking is verboten. He also indicated the adverse effects of alcohol addiction the brain's ability to learn and recall, and on the behavior system.

LOST MEMBERS

The Board of Directors has accepted the resignations of the following members, with regrets, from our Club: (1) Dick Bimson who is taking up a new Methodist pastorate in the San Jose area (2) Ken Hill because of the pressure of business and (3) George Matchette who has sold his photography business and moved to Paradise. We will miss them.

SPECIAL NOTICE

Vince and Esther Claypool have invited all of the members of our Club and their Rotary Annes to a reception in honor of their Fiftieth Wedding Anniversary on Sunday, August 11th, from 2:30 P.M. to 5:00 P.M. in the Fellowship Hall of the First Congregational Church at 2323 Euclid Avenue, Redwood City, California (No gifts please). Congratulations are in order to Vince and Esther for surviving the sea of matrimony for 50 yrs.

COMING EVENTS

Board of Directors meeting, Wednesday, July 24th, 8:00 A.M. at Pete's Harbor, keep your calendar clear for an hour and one-half
Committee reports due by August 1st

SPECIAL EVENT: Friday, August 2nd, by bus to San Francisco, then by ferry to Jackson Square for dinner at the Sea Wolf, an evening of wining, dining and dancing for members and their Rotary Annes of our Club, Belmont and San Carlos. Committee will be collecting for this today.

The special bus, ferry, dinner trip takes the place of our regular meeting of July 30th so don't come here and expect anything but a round-table for visiting Rotarians next Tuesday. Join us on Friday, August 2nd instead.

Average attendance for June 90.23 per cent. We can do better!

Officers for 1974-75
Joe Mell, President

Bill Bergler, President Elect
Frank Parcell, Past President

Alan Bostwick, Secretary
Joe Sousa, Treasurer

HOWDY DOODY TODAY AUGUST 6TH, 1974 HOLIDAY INN

TODAY AUGUST 6th--- we have the fearless expert on the subject of the one and only "Great Mystery of Sherlock Holmes" done none other than by our own Orv Graves, who has only spent 25 years researching the work of Sir Arthur Conan Doyle (who wrote all about Sherlock) so he promises to be interesting.

However, before you get the chance to be entrained with the intricacies of mystery at its best, you will have to have your teeth pulled by the venerable and fearless dentist, Bud Meyer, who will prove leave it to Meyer, yes Sire! Cheer up, the Treasurer will be happy.

HISTORICAL

Once upon a time we had a meeting at the Holiday Inn, namely on July 23rd. Our speaker was Mike White, football coach of California, who among other things indicated his goal was to change the attitude of the university toward athletics, improve public relations, support athletic programs, and most of all to bring back the traditional college idea (which he said was on its way back). After fining Paul Keckley for wearing red and white in the midst of our blue and gold, Jim Newell systematically fined each and every past officer and conducted a quiz to make the coffers of the treasury rise to new heights.

Then last Friday, August 2nd we had a bus, ferry, Sea Wolf Dinner, which had two unique features, one of which was that the weather was so good from the ferry trip that you could see it (thank you San Francisco) and the second of which was that the San Carlos Club had to buy the wine. Other than that, the jaunt was highly successful thanks to Lem Summey and Dick Chilingarian.

NOW HEAR THIS

TODAY----- this is positively the last day for your Committee reports Or as President Joe would say, where are they ???????

FIFTIETH --- Don't forget Vince and Esther Claypool have invited all of us and our wives to their fiftieth Wedding Anniversary on Sunday, August 11th (2:30-5:00 P.M.) First Congregational Church, 2323 Euclid Ave. R.C., CA.

CLUB ASSEMBLY --- next week is the day, be sure and attend so that President Joe will be ready for the August 27th visitation by the District Governor.

RIVER RATS --- September 10th is the time for the annual Canoe Trip down the treacherous waters of the river (not because of the water but because of Rotarians who tip each other over, until they get too tired or too typsy). It is a real hot race and a lot of fun.

NEXT WEEK AUGUST 13TH

Club Assembly Day - a very important day for the future success of our Club and a time when everyone possible should attend. To make you travel Bill Bulanti will jet you out of the room with his fining methods.

Thought for Today: Why ? Answer: Why Not ???????

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY

AUGUST 13TH, 1974

CLUB ASSEMBLY HOLIDAY INN

In President Joe Mell's absence, President Elect Bill Bergler is conducting today's Club Assembly where we hope to exchange good ideas for the future success of our Club.

Bill Bulanti will travel around the room levying fines as Finemaster which will make the jets seem as though they are standing still by comparison.

LAST WEEK

Our speaker was none other than Orv Graves who told us many interesting things about Sir Arthur Conan Doyle and his most famous character Sherlock Holmes, the great detective. It was amazing to learn that more books have been written about Sherlock Holmes by other people than by the author who created him. Sir Arthur was a doctor turned writer and did quite well writing Sherlock Holmes, the super sleuth with canes, pipes, and a Deer Hunter's Hat to cover his ears while casing the moors.

Our Finemaster was Bud Meyer who really yanked out the Dollars for birthdays, anniversaries, hard to pronounce names, and ended up by selling some unclaimed tickets from our Ferry trip to the Sea Wolf for dinner.

FOR THE PADDLERS

The annual Canoe trip down the waters of the river which winds its way from way up North to what seems like forever but is really a little South (if you can keep your head above water) will be on September 10th, and you can bank on lots of fellowship the night before and the evening after, as well as on the canoe, if you manage to stay in it which no one does completely. Bill Bergler should have more to say on this.

FOR EVERYONE

The first visitation of our District Governor is on August 27th, and it should be real interesting to hear his ideas and thoughts for the improvement of Rotary and in particular District 513 for the forthcoming year.

NEXT WEEK ----- AUGUST 20TH, 1974

Orv Graves, our program chairman, announces that the scene will shift from Sherlock Holmes to bicycles - our speaker will be John Forester, a member of International Bicycle Groups throughout the country, and an authority on bicycles, the latest legislation pertaining, riding practices and tips for the safety of bicycle riders (he plans to prove his point by riding one to the meeting).

Our finemaster is slated to be Carl Mabie, who maybe, but just maybe, may prove that there is nothing like an old Senior Active Glass Sealing Manufacturing man to really seal the Club Treasury down shut with our dollars.

Remember what Bill Robbins says ---- "Renew the Spirit of Rotary."
It takes all of us.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY ----- AUGUST 20TH, 1974 ----- HOLLIDAY INN/

Our speaker will be John Forester, member of bicycle groups through out the nation, and an authority on bicycles, both legislation affecting them and how to use them healthfully, safely, and wisely. Orv Graves, a two legged cycle from YMCA will introduce him.

Our finemaster will be Carl Baby-face Mabie, who will glass seal you in and only let you out if you pay the price, to make a happy, happy Treas.

CLUB ASSEMBLY == LAST WEEK

In honor of their 50th Wedding Anniversary as man and wife, Vince and Esther Claypool were honored as our guests including "Let Me Call You Sweetheart" for Esther and "For He's A Jolly Good Fellow" for Vince. Alan Bostwick and Vince joined Sequoia High at the same time. Bill Bulanti, as Finemaster used a Horiscopic Day to raise the money, and if you're a Cancer, Torres, Sagitarius, or Gemini, and his book is accurate, (which it wasn't), you're in deep serious trouble.

Bill Bergler ably conducted the Club Assembly (as well as the rest of the meeting) in President Joe's absence, and the first question, namely the growth pattern of our Club was brought up. To summarize the ideas without passing on the merits, we need quality members, we need younger blood, we are not too big in view of the present surroundings and capacity, but we are not interested in quantity for quantity's sake alone. Sources of new members are Additional actives (from the same company), addition of members to fill classifications vacated by senior actives, and filling of unfilled classifications, to name a few. The round tables are conducive to fellowship, but there may be better ways of making new members and visitors feel at home e.g. designating special spaces for them etc.

As to special projects and the like, the inability to find a project which would involve everyone was brought up and and ideas in this connection would be appreciated by your officers. It was also brought up that more consideration should be given to the people in charge of events and to the poor chairman in charge of same; let them know whether you can come and try to support special events as best you can. Also consideration should be given to more events which would appeal to the Rotary Annes.

All in all, alot of good ideas, we didn't vote to change meeting places, and Bill Bergler finished 45 seconds ahead of time. Relax President Joe.

PADDLE PADDLE PADDLE SLURP!!!

The annual Canoe trip down the waters from Gurneysville to Healdsburg on September 10th, on the Russian River, will feature such war scarred veterans of this event as Bob Pierce, Lloyd Osborne, Walt Koslosky, Stan Silverstein, and Jim Parmelee; if you want a chance to dunk them or join them to dunk others, climb aboard; the worst you can get is wet!!!!

IMPORTANT -----NEXT WEEK-----AUGUST 27TH-----D.G.

Robert C. (Bob) Glidden, our District Governor and our own San Mateo County Product will meet with our Officers, Directors, and Committee Chairmen at 10:00 A.M., and will address us on his observations, his suggestions for our Club, and his ideans on the progress and aims of District 513 for the coming year. The Board of Directors meets at 7:30 A.M. the same morning, so they will have a busy day. Fran Pearson will keep accounts straight by doing the Finemaster chores.

DISTRICT 513

T-O-D-A-Y---T-O-D-A-Y

/AUGUST 27, 1974/

THIS WEEK-----TODAY-----AUGUST27th, 1974-----TODAY-----THIS WEEK

Today is the day that we shall hear from our District Governor, Robert C. (Bob) Glidden, who will tell us about his observations, suggestions, and ideas for the forthcoming year, both for our Club and for District 513 in general. As for our Club he will be ready to make suggestions first hand after meeting with the Board of Directors, Officers, and Committee Chairmen. In addition, he will perform the installation ceremonies for our three newest members, to be inducted, namely: Laverne Atherly, Ken Blumenthal, and Norm McLeod.

Not to be outdone by travel agents, dentists, and glass sealers, our Finemaster, Fran Pearson, will set the record straight and keep the books in order by levying fines in a manner which only a C.P.A. can-can.

LAST WEEK

Our speaker was bearded, scholarly, and be-spectacled, his name was John Forester, he wore shorts and a yellow T-shirt with his bike club printed on the back, and he told us about the falls and pit-falls of riding around on a bicycle. For a complete synopsis of what he said, other than the fact that El Camino Real is a safe place to travel and cycling does not affect your sex life, we refer you to the article appearing in the Redwood City Tribune, Thursday, August 22, 1974, on page 9, which shows President Joe (walking not jogging) and Speaker John (walking not cycling) together.

Our Finemaster, Carl Mable, proved that his name rhymes with Maybe, but from there on the only person who ended up happy was the Club Treasurer.

Not to be outdone, however, President Joe exercised his executive privilege and levied a fine on Stan Silverstein for failure to return a phone call (Tsk, Tsk Stan).

FOR THE FUTURE

Water time is in the offing, the annual Canoe trip down the river from Gurneysville to Healdsburg on the Russian River, on September 10th, featuring the dunkors and the dunkees----- to be one you have to go, and you will love every wet moment.

Sid Berlin is about to lose One Dollar to President Joe Mell when the Stanford Red shirts beat Penn. State (Sid's old Alma) ----Frank Parcell is presiding as President on September 10th SO-----

NEXT WEEK, SEPTEMBER 3RD, 1974

To get us in step with the football season, we will have as our speaker, Bob Murphy, the Executive Director of the East-West Shrine Game, who will tell us about what the funds are used for, the way the excellent program is put on, and many interesting facets of the Shrine game itself.

SPOT NEWS AND MISCELLANIA

Dan Melarkey and Jim Edwards have resigned.

Average Attendance for July 90.62%, July 2 and 23 were great, but poor performance on July 9 and 16. Get on the Ball-- Attendance is the Life Blood of Rotary and we need YOURS!!!

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY IS SEPTEMBER 3RD, 1974, AT THE HOLIDAY INN

Our speaker today is Bob Murphy, the Executive Director of the East-West Shrine Game, who will enlighten us about this annual event, how it is programmed and financed, and what the funds this worthy event raises are used for.

Our Finemaster will be Mel Moen (no relation to the Moen faucets but knowledgeable in Municipal Government (particularly public buildings and transportation)) who will build up the Club Treasury by transporting our Dollars to the Treasurer.

LAST WEEK

We had an excellent presentation from our own District Governor of 513, Bob Glidden, who not only is a product of San Francisco (born and raised there) but is an excellent, practical and interesting speaker. He gave us an interesting portrayal of what Rotary will be like in 1990, complete with triple prices, BART will run from Ukiah to Monterey, and haircuts will cost \$10.00 per each. (Chevy's will cost \$10,000.00). However his immediate goal and more promising for the coming year of his administration is 1,000 more new Rotarians (since we have an annual termination of 10% in most clubs for many reasons that means an extra 1,100 in District 513). We can do our share if you put your mind to it.!!!

P.S. for Pioneers: Rotary Clubs do not exist in Espana !!!

Fran Pearson, as Finemaster, proved that there is no reckoning with an accountant, as he proceeded to use every classification, with Don Helbush (moustache and all) happily collecting. Strangely he left out C. P. A. 's. Lem Summey gave the news as Anchor Man in the absence of Dave Schutz, and Pres. Joe Mell learned that some of the news that is printed in the Palo Alto Times is also appearing in the Redwood City Tribune.

WORTH REPEATING

Those of you who haven't drowned yet have a treat in store; you need not try jogging in your bath tub; the annual Canoe trip down the river from Gurneysville to Healdsburg on September 10th, 1974, is for you. Lloyd Osborne promises to emerge from his Post Office Box and Bob Pierce is in charge of arrangements. Gary Goss has assured your Editor personally that he will make the trip (will at least part of it).!

There is a District Conference in Monterey, more details later !!

For those of you who don't bother to read the bulletin of the club you are kindly enough to make up at, Key Way comes from the San Carlos Rotary Club, Listening In comes from San Rafael, Rotary Beam comes from Menlo Park, and the Windy Mill comes from Millbrae (Millbrae now meets at Frank's Italian Restaurant, 1671 El Camino Real, in North Millbrae).

NEXT WEEK, SEPTEMBER 10TH, 1974

The canoers will be doing their thing, Pres. Joe will be out of town collecting his \$1 from Sid Berlin when Stanford beats Penn State, and Frank Parcell will be presiding. In addition we will have an excellent speaker from United Air Lines to tell us something about the airline industry, and as finemaster, Ron Koster who will skip pulling teeth long enough to pull Dollars out of your pockets for our own Rotary cause.

WELCOME to our newest members, Laverne Atherly, Ken Blumenthal, and Norm MacLeod, inducted by D. G. Bob last week

Officers for 1974-75
Joe Mell, President

Bill Bergler, President Elect
Frank Parcell, Past President

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

LAST WEEK

Our speaker was Bob Murphy, the Executive Director of the East-West Shrine Game, to be held this year at Stanford on Saturday, December 28th who indicated that this year there will be 5,000 people participating in the game, the game will be back on NBC-TV, and its prestige as the best post season intersectional bowl game is being revived. He also showed fascinating movies of East-West Football highlights, dating back to 1925, and showing many of the stars of that game who later became heroes in professional football.

In substitution for Mel Moen (who must have gotten lost under one of his faucets in one of the municipal buildings he worries about) Stof Stofle of CSAA went all the way as Finemaster to hit everybody for everything; he was a financial success for the Club.

SPECIAL NOTICE RE LAND OF PAMPAS AND GAUCHO'S

Through Rotary International Group Study Exchange to Argentina, Rotary District 513 is offering an opportunity for 5 young business or professional men to visit Argentina with expenses paid by Rotary and their host. The trip is 5 weeks from March 1, 1975 to April 5, 1975. To qualify the applicant (1) Must be a business or professional man for at least two years (2) between the ages of 25 and 35, inclusive by September 1, 1974 (3) a U. S. Citizen and (4) must either live or work inside of Rotary District 513. Ability to speak Spanish would be helpful.

Our Club is entitled to send two applications after screening by our Committee but time is of the essence because applications must be screened by our Club and sent Mario Nardi, District Chairman for Group Studies no later than November 1, 1974. So get your applications to Russ Kent at the County Superintendent of School's Office as soon as possible if you know of a likely candidate. Travel, food and lodging is covered. No Rotarians who are now members, or members of other service clubs are eligible; however, it's our job to find likely candidates for the screening committee.

----- TODAY, SEPTEMBER 10TH, 1974 -----

President Joe is out of town collecting \$1 from Sid Berlin for Stanford beating Penn State, the canoers are drowning somewhere between Gurneysville and Healdsburg, and Frank Parcell (who thought he was finished with such chores) is presiding as President in Joe's absence.

Ron Koster is the Finemaster, and you'll get a tremendous opportunity to find out how much a Koster can cost you.

However, CHEER UP!! To compensate for all this we have an excellent speaker from United Air Lines, Russel Scarce, who will give us an interesting and informative discussion about the airline industry, and undoubtedly some things you didn't know about jets.

NEXT WEEK

President Joe will be back, so will the canoers, and Bob Baum will bolt forward to bomb you as Finemaster. We don't know who the speaker is, but you are going to learn something you would never believe - the cost of living is higher in Hawaii than it is here - from the words of two Hawaiians in Redwood City with Hawaiian license plates and they love it in Redwood City. Source - conversation - Redwood City Post Office - 9/6/74.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY -- TUESDAY -- SEPTEMBER 17, 1974/ !!! AT THE HOLIDAY INN/

Our speaker is Felice Stein who is presently attending Sequoia High School. She spent her Summer in Germany in the American Field Service Program and will tell us some of her experiences.

Our Finemaster is Bob Baum who has promised he will not wear sticks of Dynamite around his waist in order to get us spilling out Dollars for the Club.

LAST WEEK

Our Speaker was Russel Scearce from United Air Lines who gave us an excellent discussion on recent developments and the future of the airlines with emphasis on business interests. He indicated that restrictions on fuel have been resolved and passenger flights have been reduced without adversely affecting service, and the energy crisis caused an increase in the passenger business. Industrial air traffic is up, but as to overseas carriers there must be either reallocation of routes or government subsidies. Economies can be effected but they will not be done at safety's expense. Ron Koster as Finemaster was quizmaster for \$ \$ \$!

CANOE TRIP

Seven! hearty souls paddled from Healdsburg to Gurneysville (when their canoe was afloat) from our Club: Tom Poore teamed up with Tom Atkinson from San Carlos and led the pack to victory; John Esson and Bob Durkin teamed up with Bob wearing Tom Poore's hat the whole way after he got it in the water; Bob Pierce and Jim Parmelee came in last after Stan Silverstein and Lloyd Osborne broke a gold backed life time guarantee not to tip over their canoe and also threw their paddles away, and Carry Goss made the entire trip from start to finish (San Carlos is to be congratulated, not only for that but for the fines they paid at the Bar - B - Que afterwards). All in all it was fun.

ATTENDANCE

To quote our good Secretary Alan Bostwick "August attendance was a disaster-- and quite likely to land Redwood City among the "Bottom 10" on the District Governor's list. The average of 84.62% was the lowest since August, 1972." There were 18 absent on the week of the August 2 boat trip and 13 absent on the meeting week of August 13 who failed to make up. We may not be like the Gurneysville Club which executes their members if they don't attend or make up but we ought to be able to do better than that. In this connection the 1974-1975 Rotary International Directory is now in print and Alan has a limited number of copies for sale at \$2.50 each. Has the meeting time and place of every Rotary Club in the world, alphabetically, and is invaluable for making up meetings while traveling.

NEXT WEEK

We have a most interesting speaker, Charles S. Woodruff, General Manager of Pacific Telephone for the Peninsula area, whose subject will be "Growing Competition to Telephone Companies and its Effects on Cost and Service to Customers" (bet you didn't know PT had any competition).

Our Finemaster will be the financial wizard of Redwood City, Jack Ference, who will prove he lives on Grand Street by fining us in the grand manner. IT WILL BE A GREAT MEETING SO LET'S ALL ATTEND!!!

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY ----- SEPTEMBER 24, 1974 -----TODAY

Our speaker is Charles S. Woodruff, General Manager of Pacific Telephone for the Peninsula area, whose subject will be "Growing Competition to Telephone Companies and its Effects on Cost and Service to Consumers." John Esson has arranged this interesting program for us.

Our Finemaster will be Jack Ference, the master money man of the City of Redwood City coffers, who will enhance our Club coffers by extracting our Dollars from our pockets.

LAST WEEK

Felice Stein, a Sequoia High School student who spent her summer in Germany under the American Field Service Program, told us about her experience there and it developed she spent most of her time in Gustavsburg with her "family", after a day in New York, a 5 day orientation course in Reuthestein (including a night in the pubs to get used to drinking beer), as well as spending time on the Rhine river on a ferry cruise to Coblenz, two weeks in a German school, and some time in Bremen.

Lem Summey sporting a new toupee gave the news in place of Dave Schutz, and Bob Baum played Finemaster by fining lawyers, educators, and conducting a debate on the subject of P E P, after which he fined everyone else who had escaped financial detriment.

Joe Mell announced he received a Tire Kit for being the farthest away visiting Rotarian to make up at Akron, Ohio; he didn't have the heart to make up in Pennsylvania after Stanford lost to Penn State.

Ed Nissan presented some Rotary banners from Iranian Clubs.

ANNOUNCEMENTS:

(1) Frank Parcell announced there would be a work party on two successive Saturdays, namely September 28 and October 5, to paint the showers of the Y. M. C. A. in Redwood City. Those who can help should contact Frank, Bob Pierce, or Joe Mell.

(2) There will be a Board of Directors meeting at 8:00 A.M. on Wednesday, September 25th, at 8:00 A.M. at Pete's Harbor.

(3) Max Gerfen is in Sequoia Hospital for surgery; send him a get well card !!!!!

NEXT WEEK

Our speaker will be Bernhard Votteri, the Director of Critical Care at Sequoia Hospital whose remarks should be very informative.

Our Finemaster will be Bill Kaslar who will tear himself away from Safety Councils long enough to make safe and secure our Dollars in the Club Treasury.

REMEMBER: Attendance is the Life Blood of Rotary and Alan Bostwick wants your make up cards as soon as he can get them, so if you can't join us, MAKE UP !!!!!!!

The best way to get something out from under an elephant is to wait for the elephant to go away; the best thing for a bald head is hair which is nothing more or less than ear to ear carpeting. And last but not least for your information do you know what kind of a dog ticks? A watch dog.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY-----OCTOBER 1, 1974-----TODAY

Our speaker is Bernhard Votteir, the Director of Critical Care at Sequoia Hospital, and our Finemaster will be Bill Kaslar whose policy today is Dollars first, Safety Second.

LAST WEEK

Our speaker, Charles Woodruff, who heads up telephone services for San Mateo County, Santa Clara County and Alameda County for Pacific Telephone, gave an interesting discussion on competition, its history, forms and the problems it can pose, particularly for a common carrier like PT which must serve all customers in its service area while the specialized common carriers can choose the high density inter-city routes where they want to operate. Needless to say Ma Bell is objecting the invasion and trying to compete as best it can.

Jack Ference used vacations as his basic excuse for raising money for the Club, the other half of the Hartley Brinkley team (Dave Schutz) fresh from vacation, gave us the news, and Pete Royer introduced Cathy and Rick as Student Guests from Sequoia.

ANNOUNCEMENTS

The Board of Directors has (1) raised the price of luncheon effective today to \$3.75 (the extra 25¢ is for the Club budget, not the Holiday Inn) (2) Changed the bug-out rule to read if you buy a ticket at the beginning for \$1.00 that's what it costs you, but if you wait until later and decide to desert us it costs you \$2.00. (3) The meeting of December 24, 1974, (Christmas Eve) is cancelled and you do not have to make up; the meeting of December 31st, 1974 New Year's Eve, will be a special luncheon meeting and will be held and you do have to attend or make up. (4) Our Club is the host club for the San Mateo County Rotary Council on November 14th

The Chaplain's Committee wants non-clergy members of our Club to conduct the blessing; contact Rick Howard, Chairman if you can serve.

There will be a Redwood City Pride All City Bar-B-Que honoring our own Mr. Pride, Joe Lodi on Sunday, October 6, 1974 at Pete's Harbor, social hour at 4:00 P.M., dinner at 5:00 P.M., continuous entertainment, prizes and surprizes, fireworks, and you name it. Tickets at \$5.00 per head from Paul Keckley.

Tom Poore reports that our godchild, Erich Madl, whom we sponsor in Austria has moved from the SOS Children's Village at Imst to the apprentice and students house: Jugendhaus Egerdach, A-6021, Innsbruck/Tirol, Luigenstr. 121, Austria (where the children reside when getting their vocational schooling/training or pursuing higher studies at a college or university. Not only is Erich getting along well, but he appreciates our financial support. So does his SOS sister Michaela who is starting the first grade of intermediate school. They spent summer in Caldonazzo with beautiful weather nearly all of the time. This is our SOS Children's Villages to which we contributed \$127.37.

NEXT WEEK

Our Speaker will be Cathy Hill, the Chief of Radiology Therapy at Sequoia Hospital, who will tell us about the "Radiation Therapy Department" at the hospital. Our Finemaster will be the Chairman of our Huntley Brinkley eagle eyed news team, Dave Schutz, who promises he will spend his time fining, not editorializing.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

T-H-I-S W-E-E-K -- OCTOBER 8, 1974 -- T-H-I-S W-E-E-K

Our speaker will be Cathy Hill, the Chief of Radiology Therapy at Sequoia Hospital, who will give us an informative discussion about the "Radiation Therapy Department" at the hospital. This is another in the series of programs arranged for us by Max Gerfen so we can get a better idea of what goes on in these fine medical institutions of ours.

One of the rejects from the S & S team that tried to replace Huntley and Brinkley but failed, our fearless Editor and one of our weekly newscasters, Dave Schutz, will put the Redwood City Tribune on the streets and then, as Finemaster, will put our Dollars in the hands of the Club Treasurer (via Don Helbush).

L--A--S--T W--E--E--K (Last week)

Our Speaker was Bernhard Votteir, the Director of Critical Care at Sequoia Hospital, who gave a very informative discussion about the activities of the Intensive Care Unit where the nurses and respiratory therapists are on duty 24 hours a day to maintain and make sure that the patient's carbon dioxide level in this blood is constant, that his breathing is satisfactory. They even have breathing machines to keep the patient breathing when needed. He said that in the last 15 years the rate of recovery has changed from a 60% chance of death to an 80-95% chance of recovery. Frank Parcell was so shook up when he learned that smoking enhances breathing disorders and lung diseases that he didn't even light up his cigar until after the good Doctor finished.

Orve Graves told us how to read page 38 of the Rotary International Magazine (about the Renaissance and a distinguished Rotarian), H.B. Dave Schutz gave the news, and Bill Kaslar, as Finemaster (after the old Anniversary-Birthday trick) gave us a quiz on safety which we all flunked because we didn't read the little brochures he placed on our tables ahead of time.

THE Y. M. C. A. PAINTERS

Saturday, September 28th, Frank Parcell, Bob Pierce, Joe Mell, Bob Frieberthausen, Norm McCloud, Dick Jones, Ken Blumenthal, Jerry Olhiser, and Bob Durkin got so much painting done at the Redwood City Y. M. C. A., that there are only a few hours of painting left to be done. These men deserve a well deserved hand, particularly when you realize that the chairman of the Beer Committee for the affair, Orve Graves didn't show up. Oh, Well.

NEXTA WEEKA OCTOBRE ONE FIVA

Would you believe another Schutz as Finemaster? You may not but we will have none other than Jerome H. (Jerry) who will make his father look like a piker when it comes to levying fines, but who cares? WEE NEEDA LA MONIE.

As our speaker we will be privileged to hear from Bob Miller, from Cessna Aviation, whose subject will be General Aviation, or flying around in the sky in general, a subject dear to the hearts of our Club pilots, and one which will be of interest to all.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

OCTOBER 15, 1974

/Holiday Inn TODAY THIS WEEK 12:15 P.M. Holiday Inn TODAY THIS WEEK/

Our speaker is Bob Miller from Cessna Aviation who promises to be very informative about flying; his subject will be general aviation, or air navigation without railroad cars, automobiles or steamer ships to get in your way.

In keeping with our previous speakers of recent date on the various aspects of medicine, our finemaster will be Jerry Schutz who will show us that Medical Clinics can keep up with anyone when it comes to giving everyone the needle for the Club Coffers. When he gets finished our treasurer will have an imperial smile.

LAST WEEK

The program featured Cathy Hill, the Chief of Radiology Therapy at Sequoia Hospital, whose topic was the "Radiation Therapy Department" at the hospital. She eloquently explained the procedure that her department goes through for the detection of tumors and how X-Ray machines are used to bombard the tumors. It is obvious that the process requires extensive accuracy and care in making sure that the x-ray beams hit the right parts of the body. The procedures which must be followed and the precautions which must be taken are unbelievable.

Obviously still trying to become successors of the Huntley-Brinkley news team in New York, our own H & B team of Schutz and Summey teamed up to give the news report (why Dave gave the sports report when Lem looks like he should be more of one can only be explained by the fact that Dave had the latest baseball score at the time).

Then fearless Dave Schutz in lieu of a commercial break took on the chores of Finemaster and among other things fined every member who missed the City Celebration Bar-B-Que for Joe Lodi. He promises, however, that the fruits of his efforts will go into our Club Treasury not to the Chamber of Commerce.

Cathy and Rick, our student guests from Sequoia High, briefly gave their impressions of Rotary and thanked the Club for being its guests the past few weeks.

/NEXT WEEK OCTOBER 22, 1974/

Hang your hat and settle back because we will have as our speaker and purveyor of good fellowship Carl Distefano, the proud owner of a Winery who will, guess what talk about wines. What's even more important to you boozers he will furnish his own while he does so for the benefit of your palates.

Instead of going from Schutz to Schutz, for Finemaster today we go from Jerry to Jerry; Jerrold (Jerry) Olhiser will show us how really good the Y M C A is at collecting money by collecting a bundle from us (for an also good cause, our Treasury).

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

OCTOBER 22, 1974

TODAY

OCTOBER 22, 1974

Our speaker (and satisfyer of our wine palates) is Carl Distefano who will not only tell us about his Winery and his experiences in the wine business but will also furnish some of the tasty grape stuff for our enjoyment.

The Finemaster is Jerry Olhiser who will give the Club Treasury a riser as only a Y. M. C. A. collector could do.

LAST WEEK

Paul Keckley introduced our speaker Bob Miller from Skyway Aviation who gave a very interesting and informative talk on the subject of general aviation which includes private planes, use of small planes in commercial and business activities, for agricultural purposes, and many others. He pointed out that 1/6th of the world's tillable acreage uses agricultural planes, 25% of the cities in the U.S. would have no aviation without general aviation, and the planes in use in general aviation constitutes the outstanding bulk of the planes being flown today (commercial large aircraft jets like the 747 comprise only 3% of the planes flown). As for safety, the number of deaths due to transportation accidents are lower for air-planes than any other form of transportation and anyone wishing to become a pilot must undergo a physical examination, training in the air and on the ground, examinations etc before getting his pilots license (the planes are also regularly and systematically checked and repaired). A film showed how general aviation can benefit business activities in a city (Troy, Michigan) which has no San Francisco International.

Our student guests, Beatrice Stevenson and Robert Melton were introduced (they attend Sequoia), Bill Enomoto, Attendance Chairman, told us about our dismal attendance record and that if we aren't careful we will be in the bottom ten on the ladder in the District. We saw Lyle Edson just back from England, welcomed Max Gerfen back to the meeting after surgery, welcomed Sid Berlin who took time out from his politicking to visit us, and heard an Icebreaker talk from George Richard (Dick) Jones who spent most of his time as a meat cutter until he saw the light and went to work for the State in DMV in 1963.

After Dave Schutz gave us the news, Jerry Schutz as Finemaster gave us the business finding Italians, those who took Columbus Day off, those who didn't eat lunch, and visiting Rotarians who didn't have their pins on their lapels (The only guy who came out ahead was Dick Chillinarian because he ended up with the fine exempt badge).

Board of Directors meets at Pete's Harbor at 8:00 A.M. tomorrow.

NEXT WEEK

Our speaker will be a very unusual and entertaining one, Leonard Worthington, an attorney in San Francisco, who will give a very worthwhile demonstration and talk about "Psychic Phenomena."

Our Finemaster will be none other than the old fine collector, Don Helbush, and when he gets finished no one will be on probation; you'll be in luck if you're not in the County jail.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY OCTOBER 29, 1974 TODAY OCTOBER 29, 1974 TODAY

Our speaker is Leonard Worthington, an attorney in San Francisco, who will tell us all about "Psychic Phenomena."

Our finemaster is Don Helbush who will collect Dollars faster than the Golden Gate Warriors can throw basketballs.

LAST WEEK

Carl Distefano, northern California general sales manager for the Sebastiani Vineyards, not only provided us with our choice of Gamay Beaujolais (Young and Piquant) or Green Hungarian (Semi Dry and Fragrant) from his vineyard for our dining pleasure, but, but also told us how August Sebastiani started this family owned winery in Sonoma Valley in 1825. He predicted that the price of grapes and wines will level off and that the Sonoma climate and soil have a lot to do with the quality of the wines they produce. The family still follows the old traditions in producing wines and ages them at least 5 years (they have 3.5 million bottles aging at the moment). Nothing will replace a good cork in a wine bottle (for aging the wine) and the vineyard is constantly testing and developing new and different types of wines.

Prior to all this Jim Greenwell led the singing at the piano (he'll be gone for four weeks), Beatress, our student guest from Sequoia was introduced, Ken Blumenthal gave his ice-breaker talk (which makes him sound like a born loser since he was not only kissed by Dewey but he is taking his wife to a 49er football game on their anniversary), and Dave Schutz gave us the news.

Jerry Olhiser, as finemaster, among other things risked danger by fining members of his own Y.M.C.A. board of directors, and our speaker received not a wine bouquet but a rose bouquet from the nursery of Bill Enomoto.

1975 ROTARY DISTRICT CONFERENCE

The 97th annual District 513 Conference will be held on May 7th, 8th, and 9th, 1975, in Olde Monterey" at the Del Monte Hyatt House, and District Governor Robert C. (Bob) Glidden hopes for a good turn out. In addition to good fellowship, interesting and informative plenary sessions, excellent speakers, delightful cuisine, sports, music, and dancing, there will be especially for the ladies - golf, tennis, scenic tours, shopping luncheons, etc. - and lots of fun for everyone. "It'll Happen in Olde Monterey" one of California's most charming and historical resort spots, so plan ahead for the 1975 District Conference.

BOARD OF DIRECTORS

The Board of Directors (1) Appropriated \$50.00 to Rotary International for world wide relief after a special appeal therefor (2) Accepted with regrets the resignation of Dick Morgan from our Club because of the pressure of business and (3) Agreed to hear more from Bill Kaslar who has a new possible revenue production project for our Club in connection with defensive driving sponsored by his Safety Council. Next B/D meeting-Nov. 26 after lunch.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY, NOVEMBER 5, 1974 ----- ELECTION DAY ----- NOVEMBER 5, 1974

Today Jack Ference, program director for November, will introduce as our speaker Dick Cortopassi, a partner of C. G. Uhlenberg and Company who will discuss "When Should You Incorporate?"

Mel Moen, as finemaster, will take time out from municipal buildings and transportation to transport our dollars to build up the Club Treasury.

LAST WEEK

Orv Graves led us in song, Sid Berlin led the pledge of allegiance, Bob Friebertshauser gave the blessing, Bud Meyer introduced as student guest for his first time Alan Malley, and Beatrice Stevenson as student guest for her last time told us of her activities at Sequoia and her future plans and expressed the hope that more students would be invited to our meetings to learn about Rotary. Norm MacLeod gave his Ice Breaker talk which shows how you can go from a Sea-Bee in the Navy to a Bachelor of Science to a frustrated Cadillac Sales Representative in Smogville to ceramics to your own plastics business to producer of educational films (the B.S. finally came in handy). We also got the double D - Dave Schutz gave us the bad news and Don Helbush as Finemaster gave us the business by collecting more than \$30.00 in nothing flat using of all things Halloween, witches, and even Cinderella. After all the commercials and announcements finally stopped, Lem Summey introduced our speaker Leonard Worthington, an attorney from San Francisco on the subject of Psychic Phenomena (ESP?).

Len's basic theme was that, whether you believe it or not, each of us is surrounded by a force of energy fund of information that we don't understand because we don't know how the healing aspects of healing meetings, the predictions which come to be true, and phenomena like Eury Geller who can bend keys by touching them occur. He said the force field of energy slows down and the human mind can reach out into space and get the information, but you never know who can --- some persons are born with it.

NEWSWORTHY

The Blood Bank Drive will be on November 15, 1974 from 11:00 A.M. to 4:30 P.M. at the Kaiser Hospital according to Don Helbush. This is an activity worthy of the support of all our members and as a special bonus the donors are fine exempt for a month.

Bowling Tournament, per Bill Bergler, every Tuesday Night, Service Club League, volunteers needed

Vern Atherly is leaving the club to take a job in SF (better pay)

District 513 is sponsoring a project to collect eye glass frames to be sent to Kenya. Lloyd Osborne is Chairman for our club, and everyone should bring his old eye glass frames (with or without glasses in them) to our meeting on Tuesday, November 26.

Bob Pierce, Joe Mell and Jim Williams are attending the Half Moon Bay Rotary Club meeting on November 6 and Bob Brown, Don Helbush and Jack Estes are doing the same on November 13.

NEXT WEEK

No speaker, we will have Club Assembly, when we can kick around ideas for the betterment of our Club.

Our Finemaster will be George Szpotek who will flower the Club treasury with \$ \$ \$ \$

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TUESDAY, NOVEMBER 12, 1974, THAT IS TODAY, CLUB ASSEMBLY, NOVEMBER 12th

Today, instead of a speaker we have Club Assembly, when under the guidance of President Joe Mell we will kick around ideas for the improvement of our Club and if there are any ills we need to cure.

Our Finemaster will be none other than George Szpotek who instead of selling us flowers will collect our money for La Club Treasurer

LAST WEEK

Sid Berlin led us in song, Del Mitchell in the pledge, and Rick Howard gave the Invocation. Cathy, Jose, and Louis, our student guests from Sequoia were introduced by George Chaffey. Dave Schutz gave the news, Mel Moen as Finemaster caught all members who had not voted yet at the election, and Bill Enomoto as usual donated his lovely bouquets of roses.

Our Speaker, Dick Cortopassi from C. G. Uhlenberg & Co. told us about the advantages and disadvantages of incorporating your business. Among the advantages were limiting personal liability, income tax advantages, pension fund benefits, profit sharing benefits, and other situations where the corporation could take a deduction in a situation where an individual or a partnership could not. Among the disadvantages were the cost to incorporate and the cost to liquidate the corporation after it is formed, extra bookkeeping and accounting, and more restrictions on how the individual who has formed the corporation can operate the business. The general idea was that you need accounting and legal advice before you go the incorporation route.

ATTENDANCE REPORT

Alan Bostwick reports the attendance for the month of September averaged 88.18%, which is kind of poor when you consider the rest of the clubs in the District; the only good news is that we crecendoeed- from a dismal 79.73% on September 3 to 86.49% on the 10th, 91.89% on the 17th, and 94.59% on the 24th. If we could keep up the same rate of growth only starting from 95% we would be as good as Yuba Rotary Club, or is it Croville ?

MISCELLANIA ETC.

Eyeglass frames are needed for Kenya, today is collection day.

Bob Brown, Don Helbush, and Jack Estes are attending the Half Moon Bay Rotary Club meeting on November 13, and Jim Parmelee is doing the same on November 20th, when are you ?

The District 513 Conference is in Ye Olde Monterey on May 7, 8, and 9, at the Del Monte Hyatt House- Mark Thomas.

The November issue of the Rotary International Magazine has a picture of Casbah on the cover and tells us that the Rotary International Convention will be held on June 8-12, 1975 in Montreal, Que. Canada (how 'bout that Pres. Elect Bill Bergler ?) First national, then international.

NEXT WEEK

Our speaker will be Mary Henderson, Councilwoman of the City of Redwood City whose topic will be "The Changing Roll of City Government," and our finemaster will be that fearless canoer and bon-vi-von Lloyd Osborne, who will take time out from the busy Post Office Box in which he and his wife happily reside to fine the hell out of us.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY

NOVEMBER 19, 1974

TODAY

NOVEMBER 19, 1974

Today our speaker is Mary Henderson, Councilwoman of the City of Redwood City, whose topic will be "The Changing Role of City Government". Our Finemaster is the one and only Lloyd Osborne, better known as Mr. Post Office Box No. 5096 who will take time out from building construction to build up our Club Treasury.

LAST WEEK

Sid Berlin led the singing, Vince Claypool led the pledge of allegiance, and George Chaffey delivered a short lecture which turned out to be the Invocation. George Szpotek, as Finemaster, took time out from selling flowers to sell us bits of historical information about our Club and Rotary in general to increase the treasury coffers.

Instead of a speaker we had Club Assembly where we rejected a proposal to move our meetings to the Golden Steer, revived the Paul Harris Fellowship Award Program, and put Bob Brown in charge of the program to send drugs to Latin American countries.

PHOTOGRAPHS

The board of directors has arranged with Ernie Winkies of the Woodside Camera Center, 372 Woodside Plaza, to pay for photographs of those members who do not appear in the roster book. Each of the following members should go and have their photograph taken (contact Tom Martin, the Manager): Ken Blumenthal, George Bold, Dick Jones, Bill Kaslar, Bud Meyer, Mel Moen, Jerry Olhiser, Pete Royer, Glenn Struckman, Norm MacLeod, Chuck Wynn and Gene Kohlmann. Do it before the end of November.

FUTURO EVENTIA

The Board of Directors meeting will be Tuesday, November 26th, after the regular luncheon meeting

Alan Bostwick, Lloyd Osborne and Norm MacLeod are attending the Half Moon Bay Rotary Club on November 27th

The District Conference is in Monterey on May 7, 8, and 9, 1975, at the Del Monte Hyatt House - Mark Thomas

Rotary International Conventions : Montreal June 8-12, 1975;
New Orleans June 13-17, 1976; San Francisco June 5-9, 1977

NEXT WEEK

NOVEMBER 26, 1974

Our speaker will be Charles Bates, Special Agent in Charge, of the F. B. I., who will discuss current interesting matters affecting his department including the Patty Hearst case. He will be introduced by George Bold.

Our Finemaster will be Tony Goodsite who promises to do a good job of generating a little commerce for our Club treasury.

ATTENDANCE

We had the best attendance record for the month of October in several years according to Alan Bostwick but we crescendoed the wrong way - namely from 90.54% on October 1st to 89.04% on October 29th. However we did hit 94.59% on October 8th and 95.89% on October 15th. 16 culprits missed one meeting, 6 culprits missed two meetings, one culprit missed three meetings and two culprits missed four meetings. We can do better than this so try to remember that if you can't attend our meeting try another, say for example Half Moon Bay ?

Our Finemaster will be Tony Goodsite who promises nothing but evil as he enhances the Club Treasury with our \$

LAST WEEK

George Chaffey inducted our two newest members Gene Kohlmann (Sale Boats, Retailing) proposed by Frank Parcell, and Charles Wynn (Highway Patrol) proposed by Don Helbush. Gene is a Sequoia High and Stanford graduate and owns Albatross Marine, Inc., and Charlie is the Area Commander of the C. H. P. Jerry Schutz announced our club beat the San Carlos club at golf by default, Lem Summey as undercover agent gave us the news, and Lloyd Osborne as finemaster made money for the Club Treasury by having us identify birds in the club e.g. greater billed mercy bird was Max Gerfen, greatest tax eater, Jack Estes, little weaver bird, Walt Small. As Sid Berlin points out, he forgot the four eyed legal eagle.

Our speaker was Mary Henderson, Councilwoman of the City of Redwood City, whose subject was the "Changing Role of City Government". She pointed out that local government must carry the burden of providing necessary services and that two forces which affect this are the people and the new Federalism (more local control over Federal funds by local government leaders. She said today's city council members must know the laws, must know city operations, and must spend long hours with other groups which affect local government e.g. regional and multi county agencies. New problems which must be faced include air pollution, environment, housing, community development, transit, redevelopment, and parks and recreation.

COMING EVENTS

The Board of Directors meeting is today after the regular meeting

The Christmas party is December 17th

REPORT ON HALF MOON BAY ROTARY

The menu was a tourine of soup, shrimp salad, skewers of tender beef on rice with green vegetable and cocanut pie, not to mention wine for medicinal purposes, all for \$4.00 in a delightful setting known as the Moss Beach Rehabilitation Hospital, a building with shake roof and stone trim on the crest of a hill overlooking Half Moon Bay's Pillar Point Yacht Harbor and the Half Moon Bay Airport. The view includes Historic old houses and agricultural fields, and in the distance you can see the Pacific Ocean. This club is worth making up at (going north on Highway 1 take first turn right after the Yacht Harbor and Airport on Etheldore Street).

NEXT WEEK

Our speaker will be Carlos De Arrigunaga, Economist of the Bank of America, who will speak on the economic outlook for 1975.

Our finemaster will be Bob Durkin who will take time out from jerking teeth to pull money out of our pockets for the benefit of Rotary.

DECEMBER 3, 1974

HOLIDAY INN

TODAY

december 3, 1974

Our program chairman for the month of December, Bob Pierce announces that our speaker today is Carlos De Arrigunaga, Economist, from the Bank of America who will speak on the economic outlook for 1975.

Our finemaster is jerkin' Bob Durkin who instead of putting gold in your teeth will take money from your pockets.

LAST WEEK

Jim Greenwell, freshly back from vacation led us in song, Jack Keller led us in the pledge of allegiance and Vince Claypool gave the Invocation. George Chaffey introduced Irma Chavez and Cathy Sanchez as our student guests Dave Schutz gave us the news, and Dick Jones (for heading the eye glass collection committee and painting at the Y. M. C. A.) and Pete Royer (for the student guest program and for having the youngest baby in the group) each received a beautiful bouquet of roses courtesy of Bill Enomoto.

Tony Goodsite used a hunting story with the last names of our Rotary Club members in it to raise his fines. President Joe Mell presented Paul Keckley (freshly back from Hawaii) a "Go Bears Go" sticker in honor of Stanford's one point victory over Cal in the big game.

Our speaker was Charles W. Bates, Special Agent in Charge of the FBI, who indicated that the cost of crime last year was 81 Billion Dollars plus an additional 20 Billion to run local law enforcement agencies, and that there were almost 20,000 dead and almost 500,000 wounded last year as the result of crime. He mentioned among white collar crimes getting attention (1) Housing frauds and (2) sale of records and tapes without copyright. He said that solving crimes requires the assistance of people who report what they know or answer questions when asked. In the Patty Hearst case over 25,000 people were interviewed. He emphasized that the job of law enforcement is to enforce the law not to pass them, and that neither political motives nor social motives justify robbery, murder, kidnapping, hijacking etc.

COMING EVENTS

Christmas party with the Rotary Annes on December 17th at 12:15 P.M. Half Moon Bay Rotary Club is having a Christmas Party at the Bach Dancing and Dynamite Society on Friday, December 13th starting at 7:14 P.M. for tickets contact secretary Bert Carli at 726-6391.

The next Board of Directors meeting is on December 18th at Joe Mell's

RESIGNATIONS

The Board of Directors accepted with regret the resignations of Lee Borges and Vern Atherly

NEXT WEEK

Our speaker will be Gus Grant, President of Southern Pacific Communications, who is a former member of our Club.

Our finemaster will be Charlie Gyselbrecht

From Dick Jones: For years, people have been saying: I'll do it as soon as I get a Round Tuit. Here is a Round Tuit! Cut it out and Keep it handy and you will have no more trouble getting all those extras for you've finally got a ROUND TUIT !!!

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

DECEMBER 10, 1974

TODAY

DECEMBER 10, 1974

TODAY

Our speaker is Gus Grant, President of Southern Pacific Communications, and who is by the way a former member of our Club.

Our Finemaster is Charlie Gyselbrecht who will take time out from inspecting buildings to build up the Club treasury.

LAST WEEK

Jim Greenwell led the singing, Vince Claypool giveth the invocation again (where are the preachers) and Bob Durkin was the finemaster who, among other things fined Sid Berlin for using hairspray as his deoderant.

Alan Bostwick was wearing Pat Patterson's badge since President Joe Mell can't find Pat, and we had three noble donors to the Blood Bank, Bob Pierce, Paul Young, and Jack Estes, who are naturally fine exempt for the month of December.

Our speaker, Carlos De Arrigunaga, Economist, from the Bank of America, told us the economic outlook for 1975 isn't too good, and that the economy tried to expand too fast beginning in the early 1970s. It will get worse before it will get better.

HELP WANTED !!!

Hal Hjertberg needs help with the cashiering duties at our luncheon meetings, and Walt Small needs volunteers for the Salvation Army collections on Friday, December 20th, in front of banks etc (1/2 to 1 hour stints).

COMING UP

Christmas party with the wives on December 17th; don't forget the X-Mas cookies.

Basketball games (trips to see the Warriors) on January 9 and January 21st.

Board of Director's meeting on December 18th at President Joe's.

District Conference at Monterey on May 7, 8, and 9 at Del Monte Hyatt House - Mark Thomas.

Rotary International Convention will next be at Montreal, June 8 through 12, 1975

NEXT WEEK DECEMBER 17th

Dick Chilingarian promises a deluxe Christmas party special for us and our wives, girlfriends, etc., which will include music, fun and frivolity, and will be an event you won't want to miss.

In honor of the occasion, Jolting Jim Williams will be the finemaster and you can be assured that even if you are insured it won't help you escape the fines he proposes to levy to insure the moneterial success of our Club. This is your last chance for fellowship before X-Mas (as there will be no meeting on the day before same), unless you make up somewhere else.

And now you know all !!@

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

DECEMBER 17, 1974

TODAY

X-MAS PARTY TIME

Today is the day we have our delux Christmas party special and welcome to all the wives and girlfriends because the program will include music, fun and frivolity and you will be glad you came. For those of you that brought both your wife and your girlfriend we can only wish you condolences unless you confer with Sid Berlin about getting your marriage dissolved, Bill Bergler about arranging for your own funeral, or Bill Bulanti about arranging a trip to get away from it all.

Our Finemaster is Jim Williams who insures to assess us heavily in the true spirit of Christmas for the benefit of the Club coffers.

LAST WEEK

Jim Greenwell not only led us in song but also gave the invocation. Charlie Gyselbrecht as finemaster made a haul for the Club treasury by, among other things, fining all the members whose wives had the same first names.

Our speaker was Gus Grant President of Southern Pacific Communications and a former member of our Club, who in effect gave the rebuttal to the presentation made by Charles S. Woodruff from Pacific Telephone at our meeting of September 24th. Gus said that Southern Pacific has its own telephone system for its own use and for rental to others, and disputed the telephone company arguments against private competitors. He said communications has the greatest potential for growth and that there is room for competition from the private sector. He added the facsimile communications system gets around any problem about losing documents in the mail.

IN THE FUTURE

Basketball game trips to see the Golden State Warriors who are leading their division as we go to press on January 9 and January 21st.

Board of Directors' meeting on December 18th at President Joe's.
District Conference at Monterey on May 7, 8, and 9 in Monterey.
Rotary International Convention at Montreal June 8 - 12
Next regular meeting of our Club is on December 31st

NEXT WEEK

There will be no regular meeting on December 24th, the day before Christmas, so we'll see you on December 31st, the day before New Year's.

Until then, best wishes for a Happy Holiday Season and may Santa Claus bring everything you wish.

Officers for 1974-75
Joe Mell, President

Bill Bergler, President Elect
Frank Parcell, Past President

Alan Bostwick, Secretary
Joe Sousa, Treasurer

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY DECEMBER 31ST /HAPPY NEW YEAR---HOLIDAY INN/ DECEMBER 31ST

Today we have no program and we have no finemaster so you save Two Dollars just for being here and enjoying the fellowship of Rotary.

LAST MEETING DECEMBER 17th

Jim Greenwell led us in song, President Joe Mell led the pledge, and Vince Claypool gave the invocation, as we had our Christmas Party with our Rotary Annes and girlfriends and in some cases secretaries. Bob Dooley was installed as our newest member by that great comedian, George Chaffey, as Bob's wife, Alleen looked on (Bob is in insurance with the Boring Co. and is presently President of the Redwood City Chamber of Commerce). Bob and Alan Bostwick were both born in Layton, California, which has a population of 100. We received champagne courtesy of the Holiday Inn and Jim Williams as Finemaster made a mint for the Treasury by making each member give Two Dollars to his Rotary Anne and in due course collecting same from each Rotary Anne, and by fining everyone who didn't bring his Rotary Anne Two Dollars - in short everyone was equally fined.

The program was a series of delightful songs by the Treble Clef Choir from Sequoia High School, a group in existence since 1906, which concluded with a song entitled "Shepherds" written by Otis Carrington, the founder of the group. George Szpotek furnished the corsages for the ladies.

ROTARY FOUNDATION AWARDS

In appreciation of the support of District 513 Rotary Clubs toward the Rotary Foundation, Sustaining Members and Paul Harris Fellows, Governor Bob Glidden has initiated a brand new District funded program the SUPREMUS ROTARIAN FINITUS AWARDS and one of the two awards will be made to an outstanding member of a Rotary Club from the southern part of 513 (which includes our Club). We need names of members who have been outstanding without seeking rewards, promotion or thanks, and they can be living or deceased in other words someone who has been outstanding in Rotary who deserves a Well deserved recognition as a PAUL HARRIS FELLOW---- search your memories and hearts for the one who has given outstanding service and deserves this recognition -- the awards and presentations will be made at the District Conference to be held on May 7-9, 1975, at the Hyatt House in Monterey.

BASKETBALL

We have 19 kids and 2 adults all set to go to the Warrior Basketball game on January 21st - what we need is 29 members from our own Club willing to accompany them at a cost to each member of \$10.00 which will cover all expenses -- sign up with Don Helbush --- bus, Tickets, etc. all included --- your \$10.00 will finance the whole bit and you will be supporting the opportunity for young people to see a game they would otherwise never have a chance to observe ----- a worthwhile event INDEED!!!!!!

RESIGNATIONS

At the Board of Directors' meeting of November 26, 1974, the Board accepted the resignations of Vern Atherly and Lee Borges, with regret, both of whom have been transferred by their companies to new localities.

NEXT WEEK

To start off the New Year we have as our speaker Les Riddell whose subject is "The Role of the Concerned Businessman to his Community." Our Finemaster is the retired shortstop John Bunting who will bunt your dollars.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

JANUARY 7, 1975 HAPPY HOLIDAY INN NEW YEAR JANUARY 7, 1975

TODAY

Our speaker is Les Riddell whose subject is "The Role of the Concerned Businessman in his Community." Les will also be inducted as a new member.

Our finemaster will be John Bunting who will bunt the Dollars right out of our pockets into the Club Treasury.

LAST WEEK

We had no speaker, we had no finemaster, we just had fun as we got a delicious buffet lunch and champagne at the Holiday Inn.

THINGS TO REMEMBER

Some of you have not had your photographs taken by Ernie Winkies of the Woodside Camera Center, 372 Woodside Plaza, for the roster. In addition to our newest members the following should do so if they have not already (contact Tom Martin, the Manager): George Bold, Dick Jones, Bill Kaslar, Bud Meyer, Mel Moen, Jerry Olhiser, Pete Royer, Glenn Struckman, Norm MacLeod, Chuck Wynn and Gene Kohlmann.

Remember we need 29 members from our Club with \$10.00 apiece to finance the basketball trip on January 21st when we host 19 kids and 2 adults - by financing and attending (the \$10.00 includes bus, tickets and the works) this event you will be giving young people an opportunity to see a basketball game that they would otherwise never have a chance to see, a truly worthwhile cause.

BELIEVE IT OR NOT

Jud Shurtz who is "over 65" and doesn't have to attend regularly did, in fact attend 6 meetings in the 1st 13 days of December; he was with us on December 3 and 10 and in addition "made up" on December 4, 5, 11 and 13.

Ed Carlisle has made up every meeting since 1973-1974. As a Senior Active "over 65" member of the Redwood City Club, Ed now lives in San Diego but sends his make up card every week to Alan Bostwick.

NEXT WEEK

Our Program Chairman for the month of January, Pete Hughes, announces that our speaker will be Carl Vollmeyer whose topic will be "Computer Reference Service for the Businessman through Dialog."

Our Finemaster will be Dick Chillingarian who will put a real chill on our wallets by taking title to our Dollars for the Club.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TUESDAY, JANUARY 14, 1975

HOLIDAY INN

TUESDAY, JANUARY 14th

Today our speaker is Carl Vollmeyer whose subject will be "Computer Reference Service for the Businessman through Dialog," and our finemaster will be Dick Chillingarian who will show us that Business Development in the Title Service means giving us the business and taking title to our \$.

Last Week

Lloyd Gebhart gave the Invocation after Jim Greenwell had led us in song and George Bold had led us in the Pledge. There were lots of visitors from our neighboring clubs of San Carlos, Belmont, Burlingame, and San Mateo, to mention a few, and Gary Goss of San Carlos even showed up with a new head of hair he claimed was his own.

Dave Schutz gave the news and John Bunting used Birthdays, Anniversaries, and the fact that so few of us made any New Year's Resolutions to raise a bundle as finemaster for the Club.

For a historic first our newest member to be inducted was also the speaker of the day. Les Ridell, Executive Vice President of the Redwood City Chamber of Commerce, sponsored by Bill Stangel, was installed as a new member by Bill Enomoto.

In his talk on "The Role of the Concerned Businessman in his Community," Les Riddell first split the word concern into two areas (being involved or interested in some matter and anxiety) and indicated that the reactions can range from empathy, buying an ad, stating concern, joining a group, active participation, etc. all the way up to taking leadership in solving problems. Concerns can be economic, civil, governmental, organizational, community development, citizenship, and so forth. He urged us to stop living on past laurels and go out and do something new. Among other things he said human problems are created by human behavior and emotions, not by reason and logic.

Coming Events

The Board of Director's meeting will be held on Wednesday, January 22, 1975, at 7:30 A.M. at Pete's Harbor

Our annual meeting at the Y.M.C.A. 1445 Hudson Street, in place of and at the same time as our otherwise regular meeting on January 28th.

And don't forget our Club is hosting 19 kids at the basketball game on January 21st and we need 29 members from our Club with \$10.00 apiece to finance the trip. This a District 513 activity and there will be a lot of Rotarians in attendance (the Warriors play the Los Angeles Lakers) so we need your help. You'll hear more about the kids themselves from Glenwood today.

Next Week

We hear from Charlie and Jo Rasmussen on Marriage in the Modern World

Our finemaster is the civil legal eagle from the District Attorney's office, Lem Summey who will levy fines like public agencies collect taxes

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

JANUARY 21, 1975

TODAY

HOLIDAY INN

TODAY

JANUARY 21

Our speakers will be Charlie and Jo Rasmussen on Marriage in the Modern World and our finemaster will be Lem Summey who will cut the benefit of your Federal Income Tax rebate by taking it away for the Club Treasury.

LAST WEEK

Jim Greenwell led the singing, Alan Bostwick led the pledge of allegiance, and George Chaffey gave the invocation. John Campbell (New York Life Insurance Manager) was inducted as our newest member (Bill Enomoto performing the ceremony and Mr. Rotary of Redwood City, Paul Jones, being the sponsor). Dick Chilling-garian as finemaster may have surpassed John Bunting in the amount of fines collected.

Bob Rognas, Superintendent at Glenwood, expressed appreciation for our Club sponsoring 19 boys from Glenwood to attend the Basketball game on January 21st (the average age of the boys at the camp is 16).

Our speakers, Carl Vollmeyer and pretty Sally Drew from the Redwood City Library, told us about the Dialog computerized retrieval service in the public libraries of Santa Clara and San Mateo Counties whereby bibliographies on any subject to millions of references can be obtained in short order (the service is free until June 1, 1975). You can get data for the technical and scientific information you need, as well as data from the fields of education, psychology, agriculture, and the social sciences. All you need to know is what subject you want to search.

ROTARY NEWS

There is too much to tell and not enough space to tell it so here goes all in one big blob----- President Joe Mell has located Pat Paterson in Pacific Grove, CA. at 62 Briggs Ave. (Zip 93950, Tel. (408) 373-7535) and he is remaining in our Club as a member. Alan Bostwick report on attendance for the month of December average 92.43% and for the month of November 95.80% both higher than last year which shows members are taking makeups seriously. Keep it up !!! Primary ballots for Board of Directors (call for nominations) due today by 12:30 P.M. four offices to be filled so vote for four; the eight top men on the nomination ballot will be mailed about January 22 and are due back Jan. 28th. 4 new ones to elect. We need nominations for the SUPREMUS ROTARIAN FINITUS AWARDS of members past, present, or deceased to be named a Paul Harris Fellow. We need a Mr. Rotary candidate to submit for our Club, one who has given outstanding service, without seeking rewards, promotion or thanks, an inspiration to others. Get your nominations in to President Joe for the one you feel deserves this recognition. Our entry has to be in the hands of the District on or before March 10th so HURRY!!! The award will be presented at the May 7, 8, and 9, conference of the District at Monterey.

NEXT WEEK

We have our annual meeting at the Y.M.C.A. 1445 Hudson Street, Redwood City, CA. instead of the Holiday Inn, and we will be treated to TWO DISTINCT FEATURES: (1) Our finemaster will be a chemical waterproofer who will PIERCE your wallets if necessary to raise money and more important (2) Our Speaker will be J. Gustav White, a licensed psychologist, diplomate in counseling, professor, author and (by golly) a Rotarian, who will address himself to the topic "Past as a Door to the Future."

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

JANUARY 28, 1975

TODAY

YMCA

TODAY

JANUARY 28TH

The following limerick by Orv Graves sets the stage:

Rotary a place where all say Hi!
We hear talks, and are fined with a sigh.
Service is our aim - It's Truth,
We help many mostly youth.
For this week we visit the Y
To show our ever lasting Rotary tie.

Today we have our annual meeting at the Y. M. C. A. Our speaker will be J. Gustav White, a licensed psychologist, diplomate in counseling of the American Board of Professional Psychology, Professor Emeritus at Whittier College, author of many books, and he is also a Rotarian. His topic will be "Past as a Door to the Future."

Our Finemaster will be the guy who gets the stink out of your swimming pools by selling the chemicals necessary to keep the water in Bob Pierce who will separate you from your Dollars, not waterproof your wallet.

LAST WEEK

Jim Greenwell led the singing, Stan Silverstein the pledge, and Bob Brown gave the invocation. Vince Claypool presented Rick and Tom Poore presented Janet as our student guests. Orv Graves told us about the humor page of the Rotary Magazine in honor of Rotary Magazine Week, Dave Schutz gave the news, and Lem Summey as Finemaster, among other things lowered the boom on those of us who watched the Super Bowl Game.

Pete Hughes as Program Chairman for the month introduced Charlie and Jo Rasmussen who spoke alternately on Marriage in the Modern World. The emphasis was on the new focus in marriage by the Encounter Group which is an expression group meeting on weekends to encourage the goodness the husband and wife see in each other and to concentrate on getting involved with each other. A series of couples go together each weekend and after a thought or idea is presented to them each couple goes to their own room to discuss the idea. The Rasmussens say that this helps rediscover what the couple already has.

NEW DIRECTORS

By this time you have received your "general election" ballots for the Four Directors to be selected for the coming year to be selected from a field of Eight. Your ballots are due back to Alan Bostwick, the secretary, by Tuesday, February 4th at 12:30 P.M.

ITEMS OF NOTE

On Tuesday night, January 14th, Jack Ference bowled a record 240 for the Rotary Club in the Service Club league, highest to that date.

If you haven't gotten your photos taken yet for the Roster Book Ernie Winkles of the Woodside Camera Center, 372 Woodside Plaza, is the man to see.

Get your names in for the ones you think should be considered as candidates for the additional Paul Harris Fellow award (Supremus Rotarian Finitus Award); the Club must submit its candidate to District 513 before March 10, 1975), and time is a fleeting.

NEXT WEEK

Our Finemaster is the law enforcement whiz and police chief of Redwood City, George Bold, who will boldly search our wallets to unearth Dollars for the Club Treasury.

Instead of a speaker we will have Club Assembly where members can air their views on matters affecting the betterment of our Club and make suggestions for improvements.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY

FEBRUARY 4TH

HOLIDAY INN

TODAY

FEBRUARY 4TH

Today, we are back at the Holiday Inn where instead of a speaker we have a Club Assembly where members can voice their views, air their complaints, and make suggestions for the betterment of our Club. Your ballots for the four directors to be selected for the coming year must be in Alan Bostwick's hands by 12:30 P. M. TODAY!!!

Our Finemaster is George Bold who will detect flaws, uncover secrets and solve our "crimes" as he proves for the benefit of the Club Treasury that the best was to start with criminals is to make them post "bail."

LAST WEEK AT THE Y

Our speaker was Bud Doane, Project Coordinator of the Y.M.C.A. whose topic was the cardiac therapy program and the cardiovascular health program in the Y. M. C. A. The Y. M. C. A. is studying what program is best suited for the Y. M. C. A. on a national level under supervision of physicians and factors which contribute to hearth attacks are (1) Overweight (2) Smoking (3) High blood fats (4) Diabetes (5) Lack of exercise (6) Heredity (7) Tension and (8) High Blood Pressure.

Our meeting was held at the Y. M. C. A. and before our excellent speaker Jim Greenwell led us in song, Mike Ivicovich led the pledge of allegiance, and Vince Claypool gave the Invocation again (he must be our ex-officio minister).

Lem Summey gave the news and in spite of being chided by President Joe for being late, the real reason was so that Lem could have the very latest news.

Bob Pierce as Finemaster dusted off his waterproof chemicals long enough to raise some money for the club, his main gimmick being to have those who had been fined most, stand and point to someone across the table to pay their fine for them.

NEXT WEEK FEBRUARY 11TH

Our speaker will be Ray Winther, Past President, Past District Governor and currently a member of the South San Francisco Rotary Club and "Mr. Rotary Foundation" who will tell us about the Rotary Foundation Program and in particular about the one in District 513. In addition President Joe has a surprise event planned for this meeting, about which we shall soon find out.

Our Finemaster will be that one and only, never to be outdone, George Chaffey, who will correct the impression that he is nothing but a joker by collecting Dollars while he puns his way through his fine collecting chores.

IN MEMORIAM - JUD SHURTZ

Paul Jones has advised that E. Judson (Jud) Shurtz, Retired Department Store Manager and a member of our club since June of 1962, passed away Thursday, January 30, 1975, and services will be held today, Tuesday, February 4th at the Woodside Village Church, 3154 Woodside Road, Woodside, at 1:00 o'clock P.M. We will all miss Jud and we extend our sincere sympathy and regrets to his loving wife, Eleanore. Jud's presence at our meetings will be missed.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

THIS WEEK TODAY HOLIDAY INN FEBRUARY 11TH HOLIDAY INN TODAY THIS WEEK

F E B R U A R Y 1 1 T H , 1 9 7 5

Our Speaker today is Ray Winther, who is Past District Governor of 513, Past President and currently a member of, the South San Francisco Rotary Club (you will remember the unforgettable way he introduces himself as a visiting Rotarian) who will tell us about the Rotary Foundation Program and the Rotary Foundation Program in District 513 in particular. He is Mr. Rotary himself and his remarks should be very interesting and informative.

Our Finemaster is the George Burns of the high school industry, none other than George Chaffey, and even if you do laugh at his jokes it won't help you get out of contributing \$ \$ \$ to the Club Treasury.

LAST WEEK

Sid Berlin led us in the singing, Bill Maxwell led us in the pledge of allegiance, and we had a moment of silent prayer in memory of Jud Shurtz who died on January 30th and has departed to the heavens on high.

Janet Baxter and Rick Phillips from Sequoia High, our student guests, expressed their appreciation at being able to attend our luncheon meetings and their interest in finding out the activities our Club engages in.

Dave Schutz gave the news, George Bold levied the fines, President Joe Mell told us about the victory of the golf team from our Club over the San Bruno Rotary Club at Green Hills Country Club in the District Golf Tournament, and Don Helbush announced another Basketball Trip will occur on February 20th when we go to see the Warriors play the Atlanta Hawks at the Oakland Colliseum.

Then we had a brief presentation by Ralph Musick from the Redwood City Elementary School District about the Redwood City School District Tax Election to be held March 4th. Ralph indicated the three basic problems facing the District were (1) Inflation (2) Senate Bill 90, the revenue limiting bill to a maximum per child which is \$1,068.00 per child per year for Redwood City Elementary and (3) Declining enrollment which means under S.B. 90 if you lose a student you lose the whole amount (i.e. \$1,068.00 in this case). The Redwood City School District budget was cut \$500,000.00 from last years budget and without allowance for inflation or other increases the District will still be \$375,000.00 short. The March 4th proposal is for an increase in the maximum revenue of \$250,000.00 for four years; the alternative is cuts and curtailment in transportation, the sports program, the remedial reading program, the instrumental music program and others.

Following all this we got down to the Club Assembly which started off, as usual with discussion of the possibility of meeting somewhere else, in this case the Y.M.C.A. As an alternative someone suggested having the Holiday Inn provide a buffet lunch instead.

President Joe indicated that the Board of Directors was considering possible projects the Union Cemetery Project for one and a project similar to the South San Francisco Rotary Club Plaza for senior citizens for another. Under social activities Dick Chillingarian mentioned the possibility of a family picnic and places suggested were Frontier Village, Blackberry Farm, Adobe Creek Lodge, or a Bar - B - Que at Marineworld.

We also learned that the four newly elected members of the Board of Directors for the coming year are Dick Chillingarian, Charlie Gyselbrecht, Dave Schricker and Lem Summey. So much for last week.

NEXT WEEK

Our speakers will be our own Bob Brown and Fred Di Pietro, the Port Manager of the Redwood City Port on the proposed Port Expansion Program. Our Finemaster will be Bill Maxwell, the banker, who will bank yours.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY-FEBRUARY 18TH - THIS WEEK - FEBRUARY 18th - HOLIDAY INN - FEBRUARY 18TH

Our speakers today are Bob Brown who has been active in the Redwood City Port Program and Fred DiPietro, the Redwood City Port Manager. Their topic will be the Proposed Port Expansion Program of the Redwood City Port. Our Finemaster today is Bill Maxwell (no relation to the coffee) who will show us how bankers make money by banking ours in the Club treasury.

LAST WEEK

Jim Greenwell gave a piano concert and then led the singing, Glenn Struckman led the pledge of allegiance, and Lloyd Gebhart gave the invocation.

At our first steak and champagne table (\$25.00 per meal) to raise money for Rotary Foundation were President Joe Mell, Bob Durkin, Jim Williams, Bob Baum, Bill Bergler and Dave Schutz. The serving honors (and did they get service) were performed by Jeanette Mell and Trudy Bergler which added an attractive Rotary Anne flourish to the occasion. George Chaffey relinquished his opportunity to be a long winded finemaster after Ray Winther donated \$50.00 but then Bob Pierce who was presiding while President Joe was eating his steak and champagne made up for George's abruptness.

Russ Kent introduced Ray Winther (past District Governor and known to us all) who enlightened us about Rotary Foundation. He said that as to Rotary activities in (1) Club service (2) Vocational service (3) Community service and (4) Advancement of International understanding, most of the international projects have not worked well except for Rotary Foundation. The project has grown from a mere Two Million Dollars up to 1951 to the point where 6 million was raised in 1973-1974 and 7 million will be raised in the 1974-1975 years for scholastic awards.

The persons who participate are Good Will Ambassadors and the group study exchange program includes technical trainees, teachers and graduates as well as other types of students. Each District gets a basic award plus additional awards depending on the amount of contributions to Rotary Foundation. Candidates who can speak another language are preferred but in addition to tuition, travel etc. up to 3 months training in another language is available.

Alan Bostwick, our tried and true Secretary, became the First Paul Harris Fellow in our Club (he contributed his \$1000.00 salary which he earned as secretary to the Rotary Foundation) and Ray Winther made the presentation of the award. Japan has the highest Paul Harris Fellowships, District 513 is the second highest in the U. S., but anyhow, as far as our club is concerned, DR. AL. deserves the highest. HOW ABOUT YOU - SECOND ???

NEXT WEEK

We have a real treat in store for you provided you are ready, willing and able to live up to it.

For our speaker we will have a most unusual one, our own Sheriff, John R. McDonald, not that he is unfamiliar to our group, but this time he is bringing one of his deputies and some police dogs to show us how the German Shepherd performs in the role of police enforcement.

For our Finemaster we will have that noted attorney, politician and bon-vi-von, Sid Berlin, who will dazzle us with his fining powers.

Our only problem is whether Charlie Gyselbrecht, the Program Chairman for the month will have to arrange for the police dogs outside of the Inn or Sid Berlin inside the Inn - it's not that Sid doesn't like dogs but at the rate he will be fining there may not be enough room to collect the fines with the police dogs in the same room at once.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY FEBRUARY 25TH AT THE HOLIDAY INN - TODAY FEBRUARY 25TH AT THE HOLIDAY

TODAY

Our speaker today is our own Sheriff, John R. Mc Donald, who will bring one of his deputies and some of his genuine police dogs to show us how the German Shepherd performs his duties in the field of law enforcement - no, John has promised that he will not do any of the barking.

However, we do have a substitute "Barker", if you will, that noted attorney, man about town, and expert in the field of domestic relations (he's been asked to write a book on the subject) as our Finemaster, Sid Berlin, who will probably start off with Silver from Silverstein, and then will ultimately bark long enough and loud enough to make us all poorer for the benefite of the Club treasury.

LAST WEEK

Jim Greenwell led us in song, Pete Royer led us in the pledge of allegiance, and our ex-officio minister Vince Claypool gave the invocation.

Our Paul Harris Fellow, Alan Bostwick had on loud pants and a flashy tie but his mustache was the same (his contribution is what made our club 400%).

Jerry Olhiser introduced our student guests Elena and Jeff
Lem Summey did a fine job on the news

Bill Maxwell couldn't get any offers to donate \$50.00 to dispense with fines so he started off with Vince Claypool and did what a banker knows best, raising money, for our Club's benefit.

As our speakers we had: Bob Brown born in Palo Alto in 1912, on our Redwood City Port Commission for 10 years, and gynecologist who doesn't do abortions, who indicated that the Redwood City Port has not had the financial problems currently plaguing the San Francisco Port. Then Fred DiPietro the Redwood City Port Manager, with his assistant Paul Freeman, showed us the history of the Leslie Salt operations, and other activities at the Port via slides. The channel can accomodate any size vessel, oil and cement exports to Guam and Japan are profitable, and the scrap operations are likewise. Financial programs are needed hopefully a bond issue which can be supported by revenues. The Redwood City Marina is also possible as a commercial development. The big cargo producing operation at the moment is scrap (the car shredder takes 29 seconds to feed the car through to get the scrap retal and can handle 600 cars per day).

NEWS NOTES

We received a letter from Glenwood Camp thanking our club for sponsoring the basketball trip for the boys from the camp

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

MARCH 4, 1975/

TODAY/

MARCH 4, 1975/

Our speaker today will be Lester Frank Ong, President of the San Mateo County Chapter of the Industrial Engineering Society and our finemaster will be Mike Ivicovich to start off the month of March.

LAST WEEK

Jim Greenwell led us in song, Jack Keller led us in the pledge of allegiance, and Bill Bergler gave the invocation. Coming events which were announced are a Palo Alto Bayshore Pancake Breakfast on March 8th, Sherlock Holmes lectures by Orv Graves at the YMCA, a three week series starting March 3rd and March 6th, the 66th International Convention at Montreal, Canada on June 8 - 12, 1975, the Sequoia High School District election on March 4th at which at which Proposition H on whether to increase the revenue limit of the District will be voted upon as well as the Trustees who are up for election, and the tables were covered with information on some of these and other things.

Registration forms and complete information on the Rotary District 513 Annual Conference at the Del Monte Hyatt House in Monterey on May 7 - 10, 1975, were passed out to the members.

Jeff Rhoads a candidate for a Rotary Scholarship in the Rotary Foundation Program was introduced by Russ Kent (Jeff has since been approved for sponsorship by our Board of Directors as the Club's candidate for a District 513 Rotary Scholarship - Jeff hopes to attend a British Architecture School and his ultimate goal working in the field of Urban Planning). Oh yes, there is a Mexican Dinner at Sequoia High on March 7th.

Sid Berlin as finemaster teamed up with George Chaffey, the highlight of which was George reading poems about our members in mystery form which other members had to identify; whether they were identified or not someone always got fined.

Charlie Gyselbrecht introduced Sheriff John R. McDonald who in turn introduced two of his deputies in the Canine Corps Bruce Molvneux and Frank Del Porto. The Sheriff's office has an eight man dog unit and the dogs are used for searching buildings, searching open areas, searching for explosives and drugs, and catching fleeing suspects. One dog is assigned to each deputy who trains him and lives with him. The dogs, all German Shepherds are purchased from Germany where they have been trained and a general duty dog costs \$2,000.00, a bomb dog costs \$4,000.00 and a narcotic dog costs \$5,000.00. The commands are in German, and the presentation was concluded with a demonstration on the lawn of the Holiday Inn as to how well "Emir" the German Shepherd who joined us can perform and also how friendly the dog is when not in a law enforcement situation.

BOARD MEETINGS

There is a Board of Directors meeting right after our meeting to elect the new officers for the coming year and there will also be a Board meeting on March 26th at 7:30 A.M. at Pete's Harbor

NEXT WEEK

Our speaker will be Don Wolfe, County Planning Director of San Mateo County and his subject will be Transportation and Planning.

Our finemaster will be John Esson who will take time out from his telephones to call up the Dollars from your pockets.

If you haven't ----- DON'T FORGET TO VOTE!!!!!!!

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY --- MARCH 11TH ---- HOLIDAY INN ---- MARCH 11TH --- TODAY

Today our speaker will be Don Wolfe, the Planning Director of San Mateo County, whose topic will be Transportation and Planning. Our finemaster will be John Esson who will use the direct dialing system to telephone our Dollars into the Club treasury.

LAST WEEK

Jim Greenwell led us in song, Gene Kohlmann led us in the pledge, and Rick Howard gave the invocation. Our student guests, Elaine Mori and Jeff Adair were introduced by Jerry Olhiser.

Mike Ivceovich as finemaster turned his banking talents to banking our Dollars in the Club treasury.

Les Riddell gave his Ice Breaker talk (he supervised recreation for the City of Fresno and then got into the Chamber of Commerce field in Fresno, Fairfield and Berkeley before coming to Redwood City).

Dave Schutz in his inimitable fashion gave the news.

Our speaker was Lester Frank Ong, President of the San Mateo County Chapter of the Industrial Engineering Society which does problem solving for business and industry including efficient methods of handling materials, processing, shipping, and various other work systems for solving problems.

DISTRICT 513 ANNUAL CONFERENCE

Get your registration forms in for the Rotary District 513 Annual Conference to be held at the Del Monte Hyatt House in Monterey on May 7 through 10, 1975.

ELECTION OF OFFICERS

The Board of Directors' meeting at which our officers for the forthcoming year will be elected will be held on March 18th.

NEXT WEEK MARCH 18TH

Our speaker will be Jack Norton, the Police Chief of Foster City, who will tell us his observations about the John F. Kennedy Assassination, which should be enlightening as Jack was in the FBI at the time.

Our finemaster will be that renowned educator, Russ Kent, who will school us on how to raise money for the treasury.

THE FOLLOWING WEEK MARCH 25TH

Our speaker will be George Reilly, a member of the State Board of Equalization who will outline his 12 point tax reform program.

Our finemaster will be Bob Brown who will gynecology us right out of our money.

MAKEUPS

Remember that regular attendance is essential to the success of Rotary so if you can't attend one of our meetings make up at one of the many clubs in the area. You will enjoy the fellowship of the other Clubs as well and it is always worthwhile to attend the other clubs to see what they are doing.

New members who are 100%ers since joining in 1974-1975 are Ken Elumenthal, Norm McLeod, Les Ridell, Chuck Wynn and Bob Doolley.

Officers for 1974-75

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946

DISTRICT 513

MARCH 18, 1975

TODAY

MARCH 18TH

HOLIDAY INN

TODAY

Our speaker today is Jack Norton, Police Chief of Foster City who will tell us about the John F. Kennedy Assassination, which should be very enlightening as he was in the F. B. I. at the time.

Our Finemaster will be Russ Kent who will show us how educators raise money (in this case for the Club treasury).

LAST WEEK

Jim Greenwell led us in song with the usual tickling of the ivories at the piano, Dick Jones led us in the pledge of allegiance, and Lloyd Gebhart gave the invocation.

Dave Schutz introduced Leona from Durbin, South Africa, the younger sister of a girl that stayed at his home several years ago under the Rotary Foundation Program.

Charlie Gyselbrecht introduced Oscar who is a candidate for the Rotary Foundation Scholarship.

Our student guests Michel Johnson and Jamie Robinson were also introduced.

Jim Greenwell gave a short dissertation on the current issue of the Rotary Magazine which is devoted to Canada and Montreal in particular, the site of the forthcoming Rotary International Convention on June 8 - 12.

Bob Dooley gave his Ice Breaker talk, he graduated from the dairy business to the insurance business and has been with Boring Werder et al specializing in life insurance since 1967.

Dave Schutz gave us the news in his usual informative fashion.

John Esson as finemaster made a mint for the Club treasury by fining everyone who had not attended every social event the Club has had since the start of the year (July 1, 1974) which in short means he fined everybody.

Lem Summey introduced our speaker, Don Wolfe, the County Planning Director of San Mateo County, whose basic theme was that the building of a transportation system is an opportunity to improve the quality of life, not just a means of getting people from one place to another. It can create new jobs, economic development, etc. He indicated that land use planning must be closely related to transportation, and predicted that there would be a regional transportation system in the next decade unless the local governments of San Mateo County and Santa Clara don't do something to improve it and do it properly. Hopefully, he said Federal subsidies and sales tax revenues would be available to assist the local governments in this respect.

513 DISTRICT CONFERENCE

Get your registrations in to the Rotary District 513 Annual Conference to be held at the Del Monte Hyatt House in Monterey on May 7 through 10.

NEXT WEEK

Our speaker will be George Reilly, a member of the State Board of Equalization who will outline for us his 12 point tax reform program.

Our finemaster will be the one and only Bob Brown who may philosophize instead of gynecologize but will raise the necessary money for the club one way or the other.

TODAY

MARCH 25TH

HOLIDAY INN

TODAY

THIS WEEK

Today our speaker will be George Reilly, a member of the State Board of Equalization who will outline his 12 Point Tax Reform Program.

LAST WEEK

Jim Greenwell led us in song in his usual buoyant and melodious way, Norm MacLeod led the pledge of allegiance and Orv Graves gave the invocation.

We were all saddened at the announcement of Janie Parmelee's passing and extend to Jim our condolences at this time of sorrow.

Russ Kent, the fine master made an early start with his part of the program by reciting the first two lines of a limerick which was to be completed by those of each table. The limericks were many, but needless to say whether good or bad we all had to pay.

President Mell is looking for two Rotary Anns to serve as waitresses for Rotary Foundation Luncheon on April Fools Day, April 1.

Dave Schutz reviewed the news in his usual informative way.

Don Helbush introduced our guest speaker, Jack Norton, a fellow Rotarian, who serves as Foster City Chief of Police. Jack was an agent with the FBI at the time of President Kennedy's assassination and was assigned as one of the investigators of the case. Jack's talk consisted of a chronologically arranged review of the assassination scene. He began by presenting a profile of Lee Harvey Oswald which indicated that he matched the pattern of others who have either committed assassinations or had attempted them. This was a strong refutation of the conspiracy theory which has been the source of much speculation and publishing activity. He indicated that as a FBI member he was not privy to any information we are not aware of. It was a very interesting talk and a lively question and answer session at the conclusion.

513 DISTRICT CONFERENCE

Get your registrations in to the Rotary District 513 Annual Conference to be held at the Del Monte Hyatt House in Monterey on May 7 through 10.

ATTENDANCE

For the second month in a row, attendance was down from last year---only slightly. Cumulative average for 1974-75 through February was 91.99%, compared with 90.69% for the same period of 1973-74.

NEXT WEEK

Information regarding the speaker for next week is not available at this time.

Walt Koslosky will attempt to enrich the clubs treasury as finemaster.

CHARTERED APRIL 22, 1946
DISTRICT 513

APRIL 1ST ----- APRIL FOOL'S DAY ----- TODAY ----- APRIL 1ST -----

/TODAY/

Our program chairman for the month of April, George Bold, announces that our speaker will be Antonio Villaseñor, the Director at the Fair Oaks Community Center in Redwood City.

Our finemaster will be the one and only Walt Koslosky who will realize income not from real estate but from our pockets for the Club treasury.

/LAST WEEK/

Jim Greenwell tickled the ivories to our singing, Alan Bostwick led us in the pledge of allegiance, and Orv Graves gave the invocation.

Leo Crawford from the Redwood City Chamber of Commerce told us a little about its Ambassador Club which in addition to ribbon cuttings and business openings makes diplomacy calls, does prospective member seeking, ground breaking, launchings, and the like.

Bob Brown, as finemaster, had fun with, among other things his abortive occupation Gynecology (was it Gin or Gyn).

Jack Estes introduced our speaker, George Reilly, who has been a member of the State Board of Equalization for 37 years.

George indicated he didn't believe tax reforms were possible, but you would merely get a shift from one area to another and you won't know where the shaft came from. He advocated (1) abolishing the inventory property tax on business (2) abolishing the household furniture tax (3) abolishing the homeowner tax on old people with low income i.e. freeze values on homes (4) higher education should be financed at the State and Federal level, not on the county or local level (5) There should be relief for single people not just for married people in the tax structure and (6) If a person doesn't have the money to pay the tax he should be allowed to pay it on a monthly basis.

/NEXT WEEK/

Instead of our regular meeting there will be an Interservice Club Luncheon at the Redwood City Elks Club. This is an important function so mark your callendars for April 9th at 12:00 noon or thereabouts for the Redwood City Elks Club and the Interservice Club Luncheon. It promises to be good. The 9th is a Wednesday!!!!

/YOUR NEW OFFICERS/

The Board of Directors has confirmed Bill Bergler as President, Bob Durkin as President Elect, Alan Bostwick as Secretary, and Joe Souza as Treasurer of our Club for the 1975-1976 fiscal year. Your newly confirmed officers will need all the help we can give them so don't hesitate to help when you can.

Remember, if you can't make it, make up; your attendance is vital to the success of Rotary!!!!

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY --- APRIL 15, 1975 --- HOLIDAY INN --- APRIL 15, 1975

Our speaker today is Miss Ann Marquart, the Administrative Coordinator of the Capture Grant (that's C.A.P.T.U.R.E.) which is a County Wide Crime Prevention Grant.

Our Finemaster is Ken Blumenthal who may not televise the proceedings but will bloom you out of your Dollars for the benefit of the old Club Treasury.

TWO WEEKS AGO

Sid Berlin led the singing, Tony Goodsite led the pledge, and Sid also gave the Invocation in the tradition of the Jewish Passover. This was complete with Mogen David Wine and Matzos.

We had our second Rotary Foundation Table to raise money therefor with the 8 persons being seated thereat --- Dave Schricker, Russ Kent, Bob Brown, Don Helbush, Paul Keckley, Fran Pearson, Bill Enomoto, and Frank Parcell.

President Joe Mell announced that Bob Pierce who will be Sgt. at Arms at the forthcoming District Conference in Monterey got in practice for the occasion by ruining his right arm on a motorcycle ---- at least he won't have to salute anyone.

Jack Rognas, one of our former members, was hospitalized in the Kaiser Hospital in South San Francisco.

Dave Schutz gave the news in his usual fine manner and Walt Koslosky did the chores as Finemaster mainly by quizing people about what happened in April.

Fran Pearson inducted our newest member, Edmund Carrera, manager of P. G. and E. in Redwood City (the sponsor was Tom Poore).

George Bold, Program Chairman for the month, introduced Antonio Villasenor, the Director at the Fair Oaks Community Center in Redwood City, who indicated that although most such centers are recreational, the Fair Oaks Center is trying to remedy social ills and was established by a grant through HUD. The Fair Oaks Center is operated by Redwood City with County support, and primarily serves a target area (depressed area) although it is open to all.

The Fair Oaks Center is at Middlefield and Douglas and among its social services has (1) Library services (2) A Child Care Program and (3) Other Administrative Services. There are 40 organizations using the center and approximately 5000 people come through the center each month. There is an American Indian Manpower Program, a Canada College Program, and the Catholic Social Service Program, as well as people from the University of Berkeley, the local Police Department, the Family Service Agency, and the Senior Citizens Nutritional Program. The multicultural festival is in July this year.

LAST WEEK

Was the Interservice Club Luncheon at the Redwood City Elks Club

NEXT WEEK

Mrs. Hansen will bring two exchange students from the American Field Service Program -- David Verry from New Zealand Gabriela Smoje from Chillli

Bill Koon, internal medicine specialist will extract the dollars from your pockets when he becomes finemaster.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY

APRIL 29, 1975

HOLIDAY INN

Our speaker today is Paul M. Dougherty, Chief Criminalist from the Sheriff's Office who will discuss the obtaining of physical evidence and how it is presented.

Our finemaster John Keller who is all fired up to collect our Dollars for the Club Treasury

LAST WEEK

As a special treat, Alice Tobler, former Miss Redwood City, sang for us. Bill Koon as finemaster got at least one dollar from almost everybody for the Club treasury.

We heard from two exchange students who are currently attending Sequoia High--- Gabriela Smoje from Chile and David Verry from New Zealand. Gabriela said that the middle portion of Chile is a farming area but that Chile is the third largest producer of copper in the world. Her town is close to Argentina; her goals are to study languages or become a teacher.

David said his father was a Bank Manager in New Zealand and that New Zealand is primarily agricultural. The country has twenty times as many sheep as it does people. There is corporal punishment in New Zealand schools, unlike here, the pupils have to wear uniforms in school. There are 6 universities but 84 horse racing courses in New Zealand.

BOARD OF DIRECTORS

At its last regular meeting the Board of Directors accepted with regret the resignation of Mel Moen as of May 1, 1975. Mel is retiring and moving to Southern California.

The Board also appointed two delegates to the Rotary International Convention to be held in Montreal --- Bill Bergler and Walt Koslosky.

Next week starting May 8th our wounded band of delegates will be attending the District 513 Conference in Monterey.

NEXT WEEK

Bob Brown, program chairman for the month of May announces that Mr. John Meenaghan will speak to us on the subject of recent changes in the nursing profession. Mr. Meenaghan is Director of Nursing at the Sequoia Hospital.

Pete Hughes as finemaster will apply the principles of plastics fabrication to mold the Club treasury to great heights with our Dollars.

Don't forget that attendance is the life blood of Rotary.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

MAY 6, 1975

TODAY

HOLIDAY INN

TODAY

MAY 6TH

Today our speaker is Mr. John Meenaghan, Director of Nursing at Sequoia Hospital, whose topic will be "recent Changes in the Nursing Profession, and who will be introduced by Bob Brown, Program Chairman for May.

Our finemaster is Pete Hughes who may be in plastics but will make us all spastics by the time he enriches the Club coffers.

LAST WEEK

Jim Greenwell, back from vacation, played the piano while Bob Durkin led us in song with his right arm since his left arm was in a sling, Bill Bulanti led us in the pledge of allegiance, and Vince Claypool just back from South America, gave the invocation. Mel Moen received some roses (he's leaving the club May 1st), John Campbell gave his Icebreaker talk (he hails from New York and has been with New York Life), Dave Schutz gave us all of the good news (the best of which was the weather), and Vince Claypool presented the Rotary flags he received in South America and told some of his experiences (at Santiago the 5 course meal - dinner - with two kinds of wine was \$1.50).

Jack Keller, as finemaster was able to raise alot of money for the Club in spite of the number of absentees, mainly by fining everyone who was there.

Paul Dougherty, Chief Criminalist from the Sheriff's Office told us about his work which is the application of natural science to solving crime. His work includes drug identification, matching blood stains, determining whether bullets came from a particular gun, determining types of explosives and the reconstruction of the device used, fingerprint identification, and the like. The Sheriff furnishes criminalistic services for the various police departments of the entire County and has performed such services for Santa Cruz County on occasion.

ANNOUNCEMENTS

Don Helbush announces that our Rotarians are needed to donate their blood on Friday, May 16 between 11:00 A. M. and 4:30 P. M. at the Kaiser Hospital. The blood is urgently needed and all members who can do so, and their Rotary Anns, are requested to assist in this worthwhile project.

The Board of Directors wants to know how many years of continuous 100% attendance can be claimed by each of the members. If you haven't done so see Alan Bostwick who has the form which needs to be filled out to conduct the survey, so that annual recognition can be given those who maintain perfect attendance records in future years. Speaking of attendance the average attendance for March was 90.41%, a slight drop from last year.

NEXT WEEK

Our speaker will be none other than our own Dave Schutz, Editor of the Redwood City Tribune, whose topic will be "Your Newspaper".

Our finemaster will be Dick Howard who will give us the old time religion for the benefit of the Club treasury.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY --- MAY 13, 1975 --- HOLIDAY INN --- MAY 13, 1975 --- TODAY

Today we have the widely acclaimed Editor of the Redwood City Tribune, our own Dave Schutz as our Speaker, and his topic will be "Your Newspaper."

Dick Howard as Finemaster will see to it that even the non-believers get religion as he builds up the Club treasury.

LAST WEEK

After a concert worthy of Carnegie Hall by Jim Greenwell, Jim led us in song and Lloyd Gebhart gave the invocation. Someone stole the flag so the pledge was impossible. At the Rotary Foundation Table (which occurs the first Tuesday of each month so get your name into Bob Durkin to partake) were John Esson, Stoff Stoffle, Walt Small, Walt Koslosky, Max Gerfen, Pete Hughes, Ron Koster and Bill Stangel enjoyed steak champagne, apple pie ala mode and cigars, all ably served by Glenny Durkin (Bob's wife) and Sally Larson (Joe Mell's secretary). The girls were rewarded for their outstanding job with Bill Enomoto's flowers. Pete Hughes as finemaster fined doctors, lawyers, merchants and chiefs and recklessly collected money from everybody. Lem Summey substituted for Dave Schutz and gave the news.

Joe Mell announced that Alan Bostwick has been confirmed as our first Paul Harris fellow by District 513.

Tom Poore reported that Erich Madl, the child we sponsor in Austria, is taking his vocational schooling and training in Innsbruck, is a great fan of modern music, and is a very good skier having won first place in a local skiing contest. He is the one we sponsor in the SOS Children's Village in Austria.

Our speaker, Mr. John Meenaghan, Director of Nursing at Sequoia Hospital, indicated that the number of employed nurses is increasing faster than the population of the U.S. and that more and more nurses are being employed in the health care program. About 99% of the registered nurses are women and more of them are married than single. Nurses are not underpaid today, although the turnover is 80% per year in University hospitals as compared with 19% at Sequoia. Instead of the old apprentice system there is an educational program for registered nurses at the college level. Intensive care and Coronary Care Units require special training of the nurses to recognize problems immediately and to correct them to save lives. The future presents the problem of unionization and collective bargaining as the result of recent amendments to the Taft-Hartley Act. The Governmental thrust seems to be the saving of dollars rather than providing better care.

NEXT WEEK

Our speaker will be Clara Howard on the subject "Bonzai as a Hobby". For those of you who don't know the Bonzai are trees.

Our finemaster will be Stan Silverstein who will take time out from counseling others in investing in real estate to invest our dollars in the Club Treasury.

Our finemaster is Stan Silverstein who will counsel us in investments, not in real estate but in the Club treasury.

LAST WEEK

Jim Greenwell at the piano led us in song, Bob Dooley led us in the pledge, and Bill Bergler gave an interesting and unusual invocation.

We had visiting Rotarians from the San Mateo, Menlo Park and Belmont Clubs, as well as two student guests from Sequoia High School Gary Crowell, a sophomore, and Bob Melton, a senior and President of His class.

Lem Summey gave the news and John Esson, substituting as finemaster for Dick Howard made money for the club by fining everyone who did not attend the District 513 Conference in Monterey. Those who did attend, by the way, were Joe Mell (and His Wife Jeanette), Bill Bergler (and his wife Trudy), Alan Bostwick (and His Wife Phebe), John Esson and his wife Marge, Frank Parcell (and his wife Maxine), Bob Durkin (and his wife Glennis), Bob Pierce (and his wife Inger). Apparently, John Esson had some difficulty presenting Awards at the District Conference because a nefarious group of delegates from our Club found a secret hiding place for them and intentionally forgot to tell John but everything worked out all right except that Trudy Bergler's birthday cake arrived when she wasn't there (cheer up Bill managed to drive the group through a cemetery), and Bob Pierce and Frank Parcell got lost in the afternoon and almost didn't make it through the wine to the dinner table. This is all Hearsay (via John Esson).

Our speaker was the one and only member of our Huntley Brinkley report team, Dave Schutz, who has been with the Redwood City Trib since 1944 and has been an Editor since 1949. He made some interesting points which we may know but have forgotten (1) The daily newspaper cost to the subscriber is less than the cost of producing the newspaper (2) The job of the newspaper is to describe the world the way it is; people want to know why and how our system works (3) Newspapers try to keep things in perspective and people honest (4) Since advertising carries the load so far as profit is concerned there is a balance of news to advertising to come out in the black (5) The average daily edition of the Tribune is 28 pages and normally letters to the Editor are run in the order they are received (6) Thanks to the Brown Act local government meetings are usually open to the public but in Congress there are many meetings held behind closed doors.

We need volunteers to fill the cashier's job at our meetings !!!!!

NEXT WEEK

Our speaker will be Dr. Michael Finnerty on the subject "History of Medicine."

Our finemaster will be that mysterious mysteries of mysteries none other than ----- Beware !!!!!!!!!!!!!

Thanks to Sherlock Holmes we have our mystery solved, the finemaster is none other than Bob Friebertshauser who may be in the copying and reproduction business but promises that (fresh back from vacation) he won't copy anyone in raising money for the treasury.

If you can't attend, make up somewhere !!!!!!!!!!!!!!!

HOLIDAY INN

TODAY

MAY 27

Our speaker today for our last meeting in May is Dr. Michael Finnerty who will speak on the subject "History of Medicine."

Our finemaster will be Bob Friebertshauser who promises he won't print or copy any Dollars; he will relieve us of ours to swell the Club coffers.

LAST WEEK

Jim Greenwell at the piano led us in song, Ed Carrera led us in the pledge, and Rick Howard gave the invocation.

Alan Bostwick introduced his secretaries who do so much for him and the Club and Dick Chilingarian introduced our student guests.

George Chaffey installed Ed Hussong of Wells Fargo Bank as our newest member who has been appointed Assistant Vice President and General Manager of the County Center Office. Ed is a former member of the Redwood City Club, the West San Jose Club, the Belmont Club where he served as President, and the San Carlos Club before transferring to our Club and is no stranger to Rotary.

Dave Schutz gave the news, and instead of Stan Silverstein who was off in Hawaii with Sid Berlin, Pete Royer did the finemaster chores, his main gimmick being to have members identify the players on the Golden State Warriors. He also exempted Jack Estes, our County Assessor from any fine, presumably hoping his assessed value on his home wouldn't go up any higher (silly man !!!).

Our speaker was Clara Howard who is the proud grower of Bonzai Trees and has grown so many she and her husband Fritz had to move to Atherton to find a lot big enough to keep them all. She said Bonzai Trees started in China in the 7th Century and the art as we know it today was developed by the Japanese people. Each tree is different and has its own personality and Mrs. Howard showed samples of her work. The trees are small and wires are used on the trees to shape their branches and pinching the top growth keeps them small. Periodically the trees are repotted (in the dormant season) and they receive water, different varieties of food and spraying. You can make the tree any shape you like and the only limit is your imagination. However these dwarf trees must be kept outdoors.

COMING EVENTS

The next Rotary Foundation Table (steaks and champagne served by lovely ladies to raise money for Rotary Foundation) will be at our meeting of June 3

The next Board of Directors' meeting is on May 28 at 7:45 A. M. at Pete's Harbor where there will be coffee available to wake you up at this early hour

ANNUAL INSTALLATION DINNER: Will be held on July 1 at the Cabana Hotel where we and our Rotary Anns will get together for an evening of good food, fun and merriment. Frank Parcell has the tickets for this one.

NEXT WEEK

Bud Meyer, Program Chairman for June, announces that on June 3 our speaker program is entitled "Our Scholarship Fund", where the grantees of the program will be introduced by Paul Young.

Our finemaster will be George Jones who will take time out from motor vehicle regulation at the DMV to regulate your financial condition by taking your money for the Club treasury.

/TODAY/ /JUNE 10TH/ /HOLIDAY INN/ /1975/ /JUNE 10TH/ /TODAY/

Today we have an interesting and unusual program, our own Jim Williams who will tell us about his recent trip to Russia. The official topic is "City Government in the U. S. S. R." but we are sure he will also tell us about the wonders of Russian food and how it can lead you astray.

Our finemaster will be Stan Silverstein who promises to fine everyone who doesn't have a silver dollar in his pocket and who doesn't know that when he isn't flying off some place with Sid Berlin he dabbles in real estate.

LASTA WEEKA

The singing including God Bless America and Smiles was led by George Chaffey, the pledge of allegiance was led by Del Mitchell, and the invocation was given by our ex-officio clergyman, Vince Claypool.

At the monthly Rotary Foundation table we had the Chairman, Bob Durkin, his worship Lyle Edson, Mr. new hair, Lem Summey, the printer of our weekly tabloid Bob Frieberthausen, our artist Norm MacLeod, Mr. lucky Joe Souza, Mr. T-V Ken Blumenthal, and one of our bankers Mike Ivicovich, to partake of the champagne, steaks, and cigars, served by the two lovely Rotary Annes, Jeanette Mell and Maxine Parcell.

Dave Schutz gave the news and Dick Jones levied fines for all kinds of things including not having rosters which are supposedly now up to date with the addition of the latest collection of pictures and resumes, except for Ed Hussong.

The program was entitled "Our Scholarship Fund" presided over by Paul young where each of the five recipients of awards was presented with a check for \$300.00 towards their college education. The Ray Wilson Redwood City Rotary Scholarship Fund was set up by Myrtle Wilson on the death of Ray Wilson a charter member of our Club and who was instrumental in setting up a scholarship fund for the Club. The recipients, each of who was introduced and spoke a few words about their future plans were Barbara Miller from Carlmont who is going to Stanford, Nancy Webber from Menlo Atherton and Susan Hagadorn from Woodside High who are going to the University of California at Berkeley, Nanette Mitchell from Ravenswood, and Mike Kowiko from Menlo Atherton who is going to M. I. T. Mike will probably be in school for the rest of his life because he wants to study architecture and physics and then go to law school.

UP AND COMING

The annual installation dinner is on Tuesday, July 1st at the Cabana Hotel. The happy hour is from 6:30 P.M. to 7:30 P.M. and Dinner will be served promptly (?) at 7:30 P.M. Tickets are \$10.00 per person including tax, tip and waitresses.

The District 513 Assembly will be held on Saturday, June 21, 1975, at the California State College in Sonoma, at Zinfandel Hall. Pre Assembly events are the night before, but the Assembly gets started Saturday with a Continental breakfast from 7-8 A/M and the Opening Session is at 8 A.M. followed by group sessions, fellowship, and the General session and Lunch.

NEXT WEEK

Our speaker will be Dr. Hannah who will tell us something about Coastal Development.

Our finemaster will be the writer of this rag, Jim Parmelee, who promises not to fine Bob Frieberthausen because he is the only newspaper publisher who doesn't change the copy in the Spoke.

TODAY JUNE 17, 1975 HOLIDAY INN JUNE 17TH TODAY

Today our speaker is Paul Hanna who will give us his observations on the usage of coastal lands and some of the controversies that are the result of SB 20.

Our Finemaster will be the fearless writer of this tabloid, Jim Parmelee.

Last Week

Jim Greenwell and his singing at the Piano led us in song, Russ Kent (on his way to 31 days of vacation in Australia) led the pledge of allegiance, and our permanent ex-officio member of the clergy, Vince Claypool gave the invocation. Among visiting Rotarians we had George Newland, District Governor Elect from San Mateo (the District Assembly is Saturday, June 21st, at Sonoma, California State College, Zinfandel Hall).

Our Blood Donors (and fine exempt for the month were Bob Pierce, Ron Koster, Bob Dooley, Les Reese (thanks to his wife).

Bob Baum has resigned and is going to Hong Kong, while back here at home, Stan Silverstein was appointed to fill his unexpired term on the Board of Directors.

The Half Moon Bay Rotary Club is meeting Tuesdays at the Half Moon Bay Inn starting June 16th. They are only 13 strong at the moment but they are still kicking.

The Installation Dinner is on July 1st at the Cabana; get your tickets!!!

Jack Keller says the seed program is flourishing (thanks to Tom Poore and his trees) in New Zealand and Japan.

Dave Schutz gave the news, and Stan Silverstein levied the fines, ending up by fining everyone one way or another (must be something about silver and real estate that makes money).

President Joe announced that out of courtesy to Stan Silverstein there will be a special Board of Director's meeting right after the meeting on June 17th (today) so Stan won't have to try 7:45 A. M.

Our speaker was Jim Williams, who told us about his recent trip to Russia on an excursion sponsored by the National League of Cities. City officials went to Moscow and Leningrad, and as to the food, cigarettes, and people they all stink. However, the four main things the Russians are interested in is (Jobs)(Housing) (Education) and(Medical Care). As to jobs, everyone works, & the average income is \$250.00/month, average rent \$20.00/month for an apartment. As to garbage the Russians separate out the reusable materials and then incinerate the rest - they reuse and recycle everything they can, and have a low amount of plastic containers. Education is mandatory 10 year minimum. Medical - 72 Doctors per 10,000 population, mostly women, and everyone gets periodic preventive checkups. Education and medicine are free.

Public transportation is well developed - can get anywhere in Moscow in a half hour. You have to get permission to change the location of your job or your apartment, food-clothing prices are all the same no sales, but there are different levels of income.

IN MEMORIUM

Two of our former members Art Jensen and Lee Borges have recently passed away and we sympathize with their families at their loss.

Last call for reporting a year or more of perfect attendance - see Alan Bostwick.

NEXT WEEK

Mr. Vine from Ravenswood High on the subject of insurance for graduates is our speaker.

Dr. Paul Young, the old pro, is our finemaster.

TODAY----JUNE 24TH-----HOLIDAY INN LUNCHEON MEETING---JUNE 24TH----TODAY

Our speaker today is Mr. William Vines from Ravenswood High School whose subject will be "The Graduation Insurance Policy."

Our finemaster is Paul Young who will take time out from being a foot doctor to boot the dollars out of our pockets for the Club cause.

LAST WEEK

Sid Berlin as the leader, and Jim Greenwell at the piano as the accompanist, led us in song, and we dispensed with the pledge of allegiance and established a search party to locate the flag. President Joe introduced a new procedure of having the Redwood City Rotarians introduce the visiting Rotarians to their right, and in the absence of our news team we had no news.

Jim Parmelee, as finemaster, finally got even with Stan Silverstein for tipping his canoe over consistently on the Canoe Trip.

Our speaker was Paul Hanna (a member of the Palo Alto Rotary Club) who gave us his observations on the usage of (or lack of usage of) coastal lands in California, and some of the controversies that have arisen. He said that there are 100,000 pseudo conservationists who do not know what conservation is all about. We must think of future renewable and non-renewable resources, e.g. forrests (conservationists say don't touch them but to improve tree growth you must do some thing). His points were these:

(1) Proposition # 1 passed by the voters allocated 250 Million Dollars for parks, beaches, and open space, but the proposition itself is unclear

(2) S. B. 20 set up the California Coastal Zone Commission with jurisdiction over all land within 1000 yards of Mean High Tide except San Francisco, Los Angeles and San Diego (we are in the Central coastal region). There is a moratorium on development by the Coastal Zone Commission.

(3) It costs \$2 for facilities for every \$1 spent for acquisition of land for park, recreation, etc. and \$1 per year maintenance. The point he made was don't acquire the land unless you put in the improvements and maintain it. Examples he gave were Ana Nueva near Santa Cruz (elephant sea lions) where there were a lack of improvements to accomodate the people; Barstow to Big Basin where 3000 motorcycles ruined the area; and Pescadero Marsh Land where the birds, flora and fauna will disappear when the public finds out it is open to the public. He said 500 miles of the Coastside would cost 35 Billion Dollars to develop. His remarks were well worth listening to.

FROM OUR HARD WORKING SECRETARY (his new address for makeup cards is 1020 Palomar Drive, Redwood City, CA. 94062)

Alan Bostwick reports that for at least the last two years, Ed Carlisle our Redwood City Rotarian away from Redwood City, has stood up at "foreign" clubs and announced that he was a visiting Rotarian from Redwood City. He is still plugging for the Redwood City Chamber of Commerce, and hasn't been without the old Redwood City Rotary spirit, even though he hasn't been here to our Club in a long time.

NEXT WEEK

If you come to the Holiday Inn you will be making a mistake; the ANNUAL INSTALLATION DINNER is on July 1st at the Cabana Hotel in Palo Alto and Frank Parcell promises you will have a delightful evening of merriment, entertainment, and all that goes with it. In addition to the debunking of President Joe Mell the legal jogger, we will have the installation of Bill Bergler, the body stuffer. As a special treat we will have as our finemaster Dick Chilingarian, who will chill you with his jokes and take title to your Dollars in a big way to give the Treasury a lift.
