ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

/TODAY/ ----- /JULY 13TH, 1976/ ----- /HOLIDAY INN/ ----- /13JULY 76/

T O D A Y

Our speaker is Dewayne B. Sharp who will address us on the subject: "Inching Toward the Metric System."

Our finemaster is George Bold, and bold he will be; he'll place all our dollars in the Club Treasury. After all, he's a Fuz; at the top.

L A S T W E E K

Singing orchestrated by Jim Greenwell at the piano with Sid Berlin leading the rest of us. Pledge of Allegiance led by Bob Landau, one of our two new Bobs. Invocation given by Orv (Mr. Sherlock Holmes) Graves. Nels Nelson was with us (he works on the Sunshine Committee at home religiously), Dave Schutz gave the news in his usual fine manner, and Max Gerfen, as finemaster collected money from everyone for everything including their lack of information about what's in the latest Rotarian issue. Bob Waligore donated the door prize. All of this happened when we finally got our new President Bob Durkin presiding over his first luncheon meeting, officially that is: He didn't pull any teeth because he is a dentist, and he didn't saw down any trees because he lives in Woodside. He just carried on in the tradition of all of our good presidents that we have had before and continue to expect.

Our speaker was Harry Kubo (introduced by Bill Enomoto) who presented the farmer's side of the problems faced by the agricultural industry with labor unions, including a rundown on the effects of the Agricultural Labor Relations Act of 1975 and the effects on the agricultural industry if Proposition No. 14 passes on the November Ballot this year. He likened the situation to what he called the three violences (1) Injustice - the inequities to the agricultural industry as the result of the 1975 law governed by a board with little labor law experience and with a law effective too fast (2) Revolt - the inequities being revealed by the Ad Hoc Committee and the agricultural industry being recognized for the first time, and (3) Repression - the initiative amendments by agriculture being denied and the Chavez initiative (Proposition 14) being on the November Ballot (e.g. the access rule which would preempt freedom of property; & treble damages for any unfair labor practice). Agriculture puts 43 Billion \$ into the economy. The effects of Proposition 14 will be disastrous on food prices, Harry said.

BOARD OF DIRECTORS

The Board of Directors will meet on the 2nd Wednesday of each month, at 7:30 A.M. at Pete's Harbor, commencing August 11th. They learned we have 86 members, a net gain of 4 for last year as compared to a loss throughout District 513; that the Boat Race was so successful we even received a letter of commendation from the Crockett-Rodeo Chamber of Commerce; and that we have a lot of members with good attendance records who fail to make up when they can't meet with us. REMEMBER - IF YOU CAN'T MAKE IT, MAKE UP.!!!

N E X T W E E K

Our speaker is a representative from the County Agricultural Commissioner's Office, and our finemaster is a switch from police to fire, Jack Keller.

Up and Coming to round out July: Speaker Gary Geagen on "United Farm Workers and Their Problems, with Don Noren, the public safety expert as our finemaster. They both appear on July 27th. Will you? Please Do.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

/BUENOS DIAS/ /JULY 20TH, 1976/ /LA HOLIDAY INNA/ /ACI/

Today we have as our speaker a representative from the office of the San Mateo County Agricultural Commissioner.

Our finemaster is the old arson fighter, Jack Keller who will burn your pockets for the Club treasury.

LASTA WEEKA

Presidente Bob had Sid Berlin lead us in song, George Szpotek lead us in the pledge of allegiance, and Jerry Olhiser give the invocation. At the Rotary Foundation Table were Paul Jones, George Szpotek, Phil Warnes, Pete Hughes, Lyle Edson, Lem Summey, Walt Koslosky and Loyd Gebhart. The lovely Rotary Annes who waited on them were Chris Gerfen and Sibyl Schutz.

Dave Schutz gave us the news, Walt Koslosky donated the door prize, and George Bold as finemaster collected money from many of the "good guys" in our club, making it an honor to be fined.

Bud Meyer introduced our speaker Dwayne Sharp who told us about the conversion of the United States to the metric system as the result of recent Federal legislation. The change over will be voluntary by private sector initiative and there will be no Federal subsidies or large bureaucratic agencies to administer the transition. The advantages outweigh the disadvantages and the system to be used will be the international uniform metric system called the S. I. metric system. The change will help competition in world markets, will help clean house in manufacturing, will be consistent with the rest of the world which uses the metric system, and a key reason for the change is that the metric system is simple (new education mathematic texts will be predominantly metric). There will be no conversion to the metric system just for the sake of change and the units such as the meter, the kilogram and the second will be easy to use. Most problems will be found in people getting used to the new system.

MESSAGE FROM PRESIDENT BOB

Those persons who are forced to duck out of the meeting because of business must announce that they have to leave early to President Bob ahead of time so that he knows who they will be; otherwise don't leave until the end of the meeting.

NEXTA WEEKA

Our speaker is Gary Geagen on the subject "United Farm Workers and their Problems." Our finemaster is Don Noren who will take care of your public safety by manufacturing ways to get your dollars into the treasury.

FOR AUGUST, 1976

Joe Mell announces that on August 3 and 10, our own Russ Kent will speak to us, the first week on problems in education and the second week his thoughts on the solutions to those problems.

On August 17th our speaker will be John Iarett, from Hughes Air West, who will speak and show a film on Sun Valley.

We'll tell you about the rest of August later; meantime, either be with us or make up with some other club because our attendance record could use a boost.

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

MEZZOGIORNO --- MARTEDI --- LUGLIO --- 27TH, 1976 --- FESTA INN (ITALIANO)

Oggi (today) our speaker is Gary Geagen who will discuss the subject "United Farm Workers and Their Problems."

Our finemaster is the fire killer himself, Jack Keller, who will burn us up so that the Club treasury may prosper.

LA SETTIMANA SCORSA

Singing led by Sid Berlin with Jim Greenwell tickling the ivories. Pledge of Allegiance led by Bob Friebertshauser; Invocation given by "Reverend" Bill Bergler, our friendly undertaker. Lem Summey gave the news, Hal Hjertberg donated the door prize, and Don Noren, as finemaster, fined all the people who prevent us from getting pain (and then pained the rest of us, to make our Treasurer happy).

Bud Meyer introduced our speaker George Genello, Deputy Commissioner of Agriculture who told us about the Dutch Elm Disease which destroys a million elm trees each year in the U. S. and which is caused by fungus carried by the European Bark Beetle (although there is no problem in San Mateo County so far). The Elm Research Institute film which was shown indicated that the method of attack on the beetles is spraying elm trees to kill them, disposing of dead and diseased limbs of trees, repellant chemicals on trees, and use of wasps to destroy the beetles. Other methods of handling the problem are development of an elm tree resistant to the fungus and killing or preventing the growth of the fungus which kills the Elm tree. Work on methods of handling the problem is going on.

ATTENDANCE: Average attendance for the month of June was 95.91% according to Alan Bostwick, but President Bob announced that we are shooting for 100% attendance in September, so: do the best you can (which should be 100% all the time) but concentrate on making our Club at the top in September -- remember the motto "If you can't make it, make up."

Reminder you busy executives don't throw your make up cards in the drawer, get them in to Dr. Al; he can't count your attendance as perfect without them.

LA SETTIMANA PROSSIMA

The first of two programs on Education featuring our own Russ Kent who will outline the problems in Education on August 3rd and his thoughts on the solutions to those problems on August 10th.

SUMMER THOUGHT: Girls when they went out to swim, Once dressed like Mother Hubbard; Now they have a bolder whim: They dress more like her cupboard.

OR FOR CAT FANCIERS: I bought a cat which I named Ben and he was real cute until he had kittens; I had to change his name to Ben Hur.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

/TODAY, TUESDAY, AUGUST 3, 1976/ - /HOLIDAY INN/ - /3AUG76/

Today is the first of two programs featuring our own Russ Kent who will outline the problems in Education today, and next week will give his thoughts on the solutions to those problems.

Our finemaster is Jerry Schutz who will do for the Club treasury what the Medical Clinincs do to the public - charge, charge, charge.

- LAST WEEK -

Sid Berlin led, while Jim Greenwell played piano, for our singing. Lyle Edson led the pledge of allegiance, and Bob Waligore gave the invocation. Hal Hjertberg gave the news, Jack Estes donated the Door Prize, and Jack Keller set the room on fire (leave it to a Fire Chief) to fulfil his finemaster duties for the Club.

Bud Meyer introduced our speaker, Mike Geagan, a representative from the United Farm Workers, who indicated that in California Agriculture is big business, not a small family operation, and there are many corporate giants. Growers have used imigrant groups of workers e.g. chinese, japanese, etc., in the past. Much of the agricultural workers are seasonal not migratory, and live in labor camps owned by growers for the season. Growers receive price supports if they overproduce and subsidies for not growing crops. Mr. Geagan said attempts of workers to organize were suppressed until 1962 when the National Farm Workers Association was formed which provided death benefits and a credit union for borrowing financed out of monthly union dues

Boycotting of grower products by the United Farm Workers has proved effective beginning in 1965 with grapes and in the lettuce industry. In 1975 a law was passed allowing workers to have elections to select their own unions, but the law ran out of money. Proposition 14 on the November ballot by initiative petition, if passed, would guarantee elections among workers as to what union they desire and would insure financing of the election process. Geagan said that the UFW usually won out over the Teamsters in the elections amongst the agricultural workers.

The District 513 Conference will be held May 4-7, 1977 at Konocti Harbor Inn, so plan to join District Governor George P. Newlon there.

Remember President Bob is determined that we are going to have 100% attendance in Spetember; in June our 95.91% put us in the top 10 out of 50 clubs in the District, so we have to keep edging up there. Last year we increased our membership by 4 to 86, and only 5 other clubs in the District did better.

- NEXT WEEK -

Russ Kent, part II, on the solution to the educational problems he poses today. Finemaster is the old adult probationer, Don Helbush, who won't leave anyone on probation unless he pays his just fine.

Stof Stofle our former member has joined the Sunnyvale Club and Dick Chilingarian our present member recently made up at his former San Bruno Club where he was editor of their weekly tabloid.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY

AUGUST 10, 1976

HOLIDAY INN

TODAY: Our own Russ Kent, County Superintendent of Schools is our speaker on part II of problems in education, this week the solutions.

Finemaster is Don Helbush whose idea for probation is equal fines for everyone

LAST WEEK: Song, led by Bob Pierce with Jim Greenwell at the harpsicord. Pledge led by Bill Maxwell and invocation given by Max Gerfen. Door Prize donated by Jim Fitzgerald, news given by Hal Hjertberg, and fines levied like a tornado by finemaster, Jerry Schutz

Our speaker, Russ Kent on the first of two sessions on problems in the public school system indicated the rapid growth of enrollment in the public schools system (triple from 1950-1970), the increase in cost per pupil (double from 1950-1970) and the transfer in financial burden from 50-50 state vs. local cost in 1950 to 35% state vs. 65% local (from property tax) at present. Since 1972 there has been a decrease in school enrollment and an increase in the work force changing the age structure of the population. Problems facing us include (1) Equalizing support of school districts under the Serano court decision making it a denial of equal protection for one district to have more property tax funds per pupil than another (2) Effect of declining enrollment on maximum tax funds per student which can be raised (\$1 limit per student regardless of assessed valuation) (3) The fact that a district can only economize by reducing personnel since operational costs are the major item and (4) The effects of the new law on mandatory collective bargaining.

SPECIAL EVENT: Saturday night, September 11, 1976, Walt Small announces a dinner dance to live music with our Rotary Anns at Bob Durkin's house at \$10-\$12 per couple.

ATTENDANCE: September is the month for our 100% attendance, so even if you are in Europe like Lem Summey or assigned to New York like Ed Nissan make up if you can't make it with us.

NEXT WEEK: Our speaker is John Larett, from Hughes Air West, who will speak about, and show a film on, Sun Valley, the vacation spot of Idaho

Our finemaster is Paul Keckley, who will use his physical therapy to wrench your hands out of your pockets with dollars clenched in hand for the Club treasury.

Enjoy your lunch.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY

AUGUST 17, 1976

HOLIDAY INN

TODAY:

Our speaker is John Larett, from Hughes Air West, his subject is Sun Valley, and he will have a film.

Our finemaster is Mr. Physical himself, Paul Keckley

LAST WEEK:

Dave Schutz with Jim Greenwell at the piano silently led the singing; Ed Carrera led the pledge; Bob Frieberthshauer gave the Invocation; Dave Schutz gave the news; Dick Chilingarian donated the door prize; and finemaster Ron Koster fined a lot of our poor losers. At the Foundation table were Bob Brown, Tony Goodsite, Bud Meyer, Jack Estes, George Bold, Hal Barker and Jim Greenwell. They were served by Rotary Annes Frances MacLeod and Army Schutz.

Our speaker was Russ Kent on part II of the problems in education caused by growth of enrollment, the reduction in % of state support, and the variation in amounts available to school districts in view of the Serano decision requiring more equalization of amounts available for education in each district. 37.4% of the State budget will go for education, but the property tax raises the lion's share. His possible solutions are (1) Wholly state funding to finance (2) Equalizing or sharing locally based taxing among school districts. Russ feels we must continue to use the property tax and that the result will be each school district levying the same tax rate would get the same amount per pupil as any other district levying the same rate. Such equalizing will be to San Mateo County's disadvantage.

SPECIAL EVENT:

Saturday night, September 11, 1976, a Chinese dinner dance to live music with our Rotary Annes at Bob Durkin's house; sign up with Walt Small, if you haven't already.

ATTENDANCE:

Alan Bostwick reports average attendance for July was 89.99% Remember September is our month for 100% so get with it!!! Many of you have one or more misses for July. Tsk!!! Tsk!!!

FROM RI:

Rotary in action: focus on youth, is the theme of the 1976/77 Rotary world wide photo contest; the deadline for entries from any club to Evanston is August 1, 1977. Robert A. Manchester II, R.I. President, urges clubs to stress basics: fellowship and business and professional ethics are two of the fundamentals of Rotary.

NEXT WEEK:

Our speaker may be one of the candidates for the office held by Leo Ryan

Our finemaster is Jim Newell who will use accounting techniques to account for your Dollars going to the treasury.

Officers for 1976-1977

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

SEPTEMBER 14, 1976 100% MONTH HOLIDAY INN 2ND OF FOUR 100%ERS

TODAY:
9/14/76

Our speaker is our own honorary member, Supervisor William H. (Bill) Royer (of the San Mateo County Board of Supervisors) whose topic should be of interest.

Our finemaster is Mr. Magnetic Recording Device Manufacturer Hal Hjertberg who will tape our dollars to the Treasurer.

LAST WEEK:
9/7/76

Singing led by Bob Pierce with Velvet Touch Greenwell at the Ivories; Pledge led by Charlie Gyselbrecht; Invocation given by Bob Dooley; Foreign Rotary Club Flags presented by Lem Summey from his recent European trip; news given by Hal Hjertberg; door prize donated by Jim Newell.

Norm MacLeod, as finemaster, sold all kinds of badges, the fine exempt badge to Jerry Schutz, and a multitude of comic badges to others with appropriate inscriptions to suit.

Bob Pierce introduced our own Don Noren of Noren Products who told us about New Developments in Heat Transfer. As to Sun Units for Solar Energy, Don said there is no real easy way to store the energy and when you have it e.g. summer, you don't need it and when you don't have it (winter) you need it. The solar collector won't pay for itself at the present time as compared to other forms of energy. As to the use of Fuel Cells (used in space program) the power output is more than other forms of energy from an efficiency standpoint, and you can use the waste energy. It is self contained and the only effluent is water. Hydrocarbons are converted to Hydrogen, and with air the Fuel Cell converts to Direct Current electric power which is converted to Alternating Current electric power by an inverter. The size of the required cooling devices are reduced. You can use gas distribution instead of electric and can store hydrogen for peak loads which is available instantly. You can also transfer from hot to cold and vice versa.

ATTENDANCE:

Remember this is the 100% month; we have fine programs up and coming, but if you can't give us the benefit of your presence at any September month meeting, do so for Palo Alto San Carlos, Belmont, Burlingame, San Mateo, South San Francisco, San Bruno, or wherever. And don't forget the makeup card goes hot lickity lick to Alan Bostwick.

NEXT WEEK:
9/21/76

Our speaker is Joseph Wahed, a Wells Fargo Economist, on "The Business Outlook; our finemaster is our municipal building inspector, Charlie Gyselbrecht, who will inspect your pockets before emptying them for the Treas.

FOLLOWING WEEK:
9/28/76

Our speaker is Dixon Arnett, California Assemblyman, whose subject will be "The Solar Energy Prospect and Other Legislation with Local Impact." Our finemaster will be the old real estate investment counselor, Stan Silverstein, who will quickly counsel investment of our dollars in the old Club coffers.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

SEPTEMBER 21, 1976 100% MONTH HOLIDAY INN 3RD OF FOUR 100%ERS

TODAY:
9/21/76

Our speaker is Joseph Wahed, Wells Fargo Economist, his subject is "The Business Outlook." Our finemaster is Charlie Gyselbrecht who will build the treasury in a municipal manner with our dollars.

LAST WEEK
9/14/76

Pledge led by Russ Kent, song led by Sid Berlin, invocation given by Vince Claypool, door prize donated by Jack Keller, news given by Lem Summey, whirl wind fines levied by John Esson; -a visiting Rotarian from Mexico joined us; and

At the Rotary Foundation Table were Bill Bulanti, Stan Silverstein, Sid Berlin, Joe Mell, Pete Hughes, Jim Parmelee, Dick Jones, and Paul Young; their lovely hostesses were Rotary Annes Sibyl Schutz and Jean Pearson.

Norm MacLeod presented four films on motorcycle safety on behalf of the Club to Jack Keller, Chairman of our Community Safety Committee (value \$1,200) for community education.

Paul Keckley introduced our honorary member Supervisor Bill Royer whose topic was "Is San Mateo County a Good Place to Live?" His answer was yes because of its good tax base, its location, the amount of natural open space in the County, and its transportation facilities both existing and to be expanded. He said if public officials don't "screw it up" the County will remain a great place to live. San Mateo County has the lowest property tax per capita for 75-76, and the real answer to tax relief is to cut spending. Royer favors development of parks for use by the public, not merely acquisition for preserving open space only.

NOTES:

The Saturday night Chinese Dinner party at Bob Durkin's house was a great success and enjoyed by all who attended;
Our honorary member Clyde Crippen who retired up north to Gold Club Road is doing well and sent a check for \$25.00 for our Scholarship Fund;

ATTENDANCE, ATTENDANCE, this is the month for 100%;
Make it or make up, but please don't relent.

NEXT WEEK:

Our speaker is Dixon Arnett, our California Assemblyman, on "The Solar Energy Project and Other Legislation with Local Impact."
Our finemaster is a mystery guest pinch hitting for Stan Silverstein (who will be sipping Mai-Tais in Hawaii).

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

SEPTEMBER 28, 1976 100% MONTH HOLIDAY INN 4TH OF FOUR 100%ERS

TODAY
9/28/76

Our speaker is California Assemblyman Dixon Arnett, whose subject is "The Solar Energy Project and Other Legislation with Local Impact." Our finemaster is to be announced.

LAST WEEK
9/21/76

Orv Graves led the singing, Jim Parmelee led the pledge, and George Chaffey gave the invocation. Dave Schutz gave the news, Russ Kent donated the door prize, and Charlie Gyselbrecht used Club statistics to collect the fines.

Our speaker was Joseph Wahed, Economist from Wells Fargo Bank on the Economic Outlook for the next year, who said an economist forecast is the art of saying what will happen and then explaining why it didn't. Generally another good business year is in store, inflation rate increase will average about 5-6%, unemployment rate will go down to 6%, and interest rates will go up slowly. Business and consumer confidence will continue. The Housing outlook is excellent and in California the economy will continue to improve because of defense and space industry contracts and because every business is strong.

MISCELLANEA

Ed Nissan has resigned from our Club because of business in N.Y. but still attends when he can; Top Blood Donors to the Club are Bob Pierce with Jack Ference and Ron Koster as runners up; Alan Bostwick announces 1976-77 R.I. Directories with club makeups throughout the world are available at \$2.50 per copy; Rotarians are invited for ballroom dance lessons with Bee and Bud Meyer (Swing, Fox Trot Rhumba, Hustle, Alley Cat etc.), six weekly lessons on Tuesday nights at 8:00 P.M. beginning October 19, in Cubberly High School Cafetorium (Middlefield near Charleston, Palo Alto. The fee is \$18.00, half goes to the Zonta Scholarship and half to Rotary Fellowships.

ABOUT ROTARY
FOUNDATION:

One becomes a "Paul Harris Fellow" by contributing \$1,000 to the Rotary Foundation or having his Club (or someone) honor him by making such a contribution; presently Redwood City Rotary has three "Paul Harris Fellows:" Alan Bostwick, Vince Claypool, and Paul Jones. A "Paul Harris Sustaining Member" is one who makes an initial contribution of \$100 to the Rotary Foundation, with the stated intent of contributing further until \$1,000 is reached, at which time he is recognized as a "Paul Harris Fellow." More next week.

NEXT WEEK
10/5/76

Our speaker is Ted Reller, Political Science Teacher at Canada, who will talk about the political scene and its momentum.

LATE NOTE:

Tom Poore received a letter from our adopted child in Austria, Erich, thanking us for our contribution and indicating he is in his third year of vocational training as a plumber (he was at SOS Children's Village Institute).

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

OCTOBER 5, 1976

HOLIDAY INN

5 OCT76

TODAY 10/5/76 Our speaker is Ted Reller, Political Science teacher at Canada College, who will discuss the political scene and its momentum.

Our finemaster is that big man, Walt Small, who may work for Penney's, but will collect dollars from us all to make our treasurer happy.

LAST WEEK 9/28/76 Sid Berlin led the song, Joe Lodi joined us for a visit from up North and led the pledge, and John Campbell gave the invocation. Mike Ivicovich introduced two student guests from Sequoia High, Cindy MacDonald and Kevin Mattson. Ed Jussong inducted our two newest members (1) C. David Lobree, sponsored by Sid Berlin-Dave is President of Electro-Motion Pacific in Redwood City, his classification is Electrical Energy Systems, Manufacturing, and his Rotary Anne is named Margo (2) Clifford R. Hawkins, sponsored by Ed Hussong-Cliff is Manager of the California State Automobile Association in Redwood City and takes over Stof Stoffle's classification of Auto Club Associations, and his Rotary Anne is Gladys. Bob Pierce as finemaster had everyone fine someone else and then collected the rest from those who didn't have their pins and badges. Ron Koster donated the door prize.

Our speaker was Dixon Arnett, Assemblyman from the 20th District of the California Legislature, who told us about the Solar Energy Bill now on the Governor's desk. Basically the bill would allow the Federal Government to develop the state property at the intersection of Highway 280 and Edgewood Road originally purchased by the State for a college site for solar research involving a \$60 Million investment and ultimately 1000 employees. If the Federal Government does not elect to do so the property could ultimately be sold as surplus property. Dixon said that Educational reforms proposed by the legislature were vetoed by Governor Brown, but most suggested changes by city and county governments here passed.

ROTARY
FOUNDATION

Last week we learned how one becomes a Paul Harris Fellow and what a Paul Harris Sustaining Member is. What does the Rotary Foundation do with its funds? It pays virtually all of the expenses of talented and promising young men and women, usually for a year, enabling them to study abroad and to serve as ambassadors of good will between the people of their home countries and those of the countries in which they study. This year more than 12,000 such college, technical school, and graduate students all selected by Rotary committees are doing just this, supported financially by awards from the Rotary Foundation worth several thousand dollars each.

CHARTERED APRIL 22, 1946
DISTRICT 513

OCTOBER 19, 1976

HOLIDAY INN

DISTRICT GOVERNOR DAY

TODAY
10/19/76

We are honored by a visit from our District Governor, George P. Newlon, who has spent the morning meeting with President Bob Durkin, our Board of Directors, and our Committee Chairmen.

Our finemaster is his Honor, Lyle Edson, who promises he will abandon his judicial temperament for the short time necessary to fine us all.

LAST WEEK
10/12/76

Sid Berlin with Jim Greenwell at the piano led us in song, Orve Graves gave the invocation, Lem Summey gave the news, Del Mitchell donated the door prize, and Bill Bulanti used the CIA approach, as finemaster, to raise the treasury level. Our two student guests, Cindy and Kevin, joined us for their second visit.

President Bob announced our September attendance: 97.57%
Jerry Schutz announced our bowling team was in 1st Place.

Sid Berlin introduced our speaker Leo Ryan, Congressman from the 11th District. He said the Congressman's job includes local responsibilities (much case work for individuals on such matters as getting local postal delivery), National responsibilities (work on the house floor or in committee), and on the international level (what to do with our friends overseas). He pointed out overseas products e.g. petroleum are necessary for the U.S. and San Mateo County, and that his travel to foreign countries is essential to keep him informed on world problems. He believes in food as a political leverage, not just military, U.S. Agriculture producing most of the world's food.

SALUTE TO
PAUL JONES

Paul has devoted many years to Rotary as a Charter member of our club since April 22, 1946, as Past President in 1953-54, and has recently been named a Paul Harris Fellow. On October 1st he was honored after 50 years with the New York Life Insurance Company. Paul welcomes each of us and all of our visitors at every meeting, and deserves the recognition he has received both for service to Rotary and for service to New York Life.

NEXT WEEK
10/26/76

Due to an unanticipated last minute cancellation, the speaker will be announced.

However Hal Hjertberg will do the fining regardless of who the speaker may be.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

OCTOBER 26, 1976

HOLIDAY INN

26OCT76

TODAY:

Our speaker is Mike Barrett, Vice Mayor of Redwood City, who will give us an idea on what direction the future of Redwood City will take.

Our finemaster is Hal Hjertberg who will use his magnetic recording devices to preserve each and every dollar he collects for the Club treasury.

LAST WEEK:

In honor of a visit by our District Governor, George P. Newlon, we opened with such stalwarts as Bob Pierce leading the singing with Jim Greenwell at the piano, Max Gerfen leading the pledge of allegiance, and George Chaffey giving the invocation.

Paul Young introduced our two student guests from Sequoia High for their last time with us - Kevin Mattson at Cindy MacDonald; Pete Hughes introduced our two student guests from Woodside High for their first time with us - Carol Wood and Bob Webster.

Lem Summey gave the news, his Worship, Sir Lyle Edson, as finemaster, tested our knowledge of baseball, the fine exempt badge was purchased by Bob Pierce, and the Door Prize was donated by Louis Rolla.

District Governor George had nothing but praise for our community service area activities and our Club's work with youth. He began by reminding us of the District Rotary Informational Institute on December 4th, the District Conference on May 4, 5 and 6 of '77, and the R.I. Convention on June 5-9, '77. George pointed out that sponsor clubs benefit by other Rotary clubs in the area, and that failure to maintain club growth often is due to club leadership or attitudes. He said the compulsory attendance rules were essential, and that the spirit of Rotary was intangible. The first job is to build men and the greatest asset is manpower. We must work for higher standards, and in order to succeed in our quest for a better world we must renew the spirit of Rotary - where we are and where we are going.

NEXT WEEK:

Tony Goodsite, program chairman for the month, announces that our first November program will be Harry Reynolds from the Sequoia High School District.

Our finemaster is Mike Ivicovich, a commercial banker, who will bank our money where Rotary can use it - our treasury.

SUCCEEDING PROGRAMS FOR NOVEMBER: Nov. 9, Jack Bottoms, National Weather Service; Paul Harris Foundation Program on Nov. 16; Nov. 23 Terry St. Charles, Better Business Bureau; and on Nov. 30 Jim Bigelow, Civil Air Patrol Commander.

COMING UP

Our speaker was Harry Reynolds, our new Superintendent of Sequoia High School District who emphasized that the education of children in the public school system was both important and exciting. He said the public school system has assimilated a wide group of people from the world into society, has traned people responsible for economic development, and has attempted to educate all people in the country. He said problems in public education need people's support to solve, and Sequoia High is trying to get the students to come together and relate to each other. The District is still concerned about academics as well as teaching children respect for each other. The District is concerned about achievement and is focusing on deficiencies and, rumors are its worst enemy.

Board of Directors meeting, tomorrow, Nov. 10th, 7:30 A.M. Pete's Harbor; Big Game Bus Trip, Nov. 20th.

NEXT WEEK

TODAY
12/7/76

Ron Koster, Program Chairman for December, announces that today our speaker is Dr. Ralph York, and that his subject is "Africa Today and Tomorrow"

Our finemaster is Dick Chilingarian who will use a chilly expertise in title service to sever title from our Dollars to the Club Treasury.

LAST WEEK
11/30/76

John Esson expertly led the pledge of allegiance, singing broke down with each of us in his own key with Tony Goodsite the leader (?), and George Chaffey rescued us with a fine invocation.

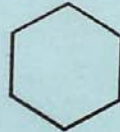

Mike Ivcevich introduced our student guests from Woodside High for their first time - Phillis Simon and Matt Mattison.

Hal Hjertberg gave the news, Henry Ritter donated the door prize, and Ed Carrera as finemaster gave us the old pacific gas energy in levying fines.

Our speaker was Jim Bigelow who told us how satellite photography and radar tracking has assisted in the search for and rescue of aircraft. One of the main functions of the Civil Air Patrol is air search and rescue and in most cases the people being sought do not file flight plans for their airplanes. Satellite pictures give the cloud conditions in relation to the mountain areas where most crashes occur, to tell what conditions the missing plane would be facing. Crash locator beacons on the planes help some of the time, and Automated Radar Traffic Control which saves tracks of all flying aircraft can, by computer, pull out tracking data to pick up the trail of an airplane crash location.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TUESDAY, DECEMBER 14, 1976 100% MONTH - 2ND MEETING HOLIDAY INN

TODAY
12/14/76

Our speaker is our own Fran Pearson who will tell us about "New Tax Laws and Loopholes" under the Tax Reform Act of 1976

Our finemaster is Dick Chilingarian substituting for Lem Summey who substituted for him last week ?

LAST WEEK
12/7/76

Bob Pierce dragged us through song, Tony Goodsite led us through the pledge of allegiance, and Bill Bergler undertook the invocation. Dave Schutz told us about his experience at a Korean Rotary Club, Walt Koslosky presented a couple of Australian Rotary Club flags, Lloyd Osborne donated the door prize, Lem Summey levied fines hot and heavy, and Jerry Olhiser introduced our two student guests from Woodside High for their second visit - Phillis Simon and Matt Mattison.

Ron Koster introduced our speaker Ralph York who told us about the current situation in South Africa. There are twelve nations occupying an area larger than the U.S. producing every important mineral and the U. S. has 1½ Billion Dollars invested there. A small white minority owns most of the land and rules, producing a situation where the Africans are ready to resort to violence and the internal South African conflict may produce a Russian - U.S. conflict. South Africa is a military police state and the U.S. has supported the white minority and has ignored the liberation movement. Race hatred is common and without negotiations there will be war in Rhodesia.

NEXT WEEK
12/21/76

The Annual Christmas Party with our Rotary Annes which promises to be a gala affair. Don't forget to have your Rotary Annes bring the cookies for distribution by the U. S. O. to servicemen passing through the San Francisco International Airport at X-Mas Time.

Our finemaster is listed as Supervisor William "Bill" Royer who will make Santa Clauses out of all of us by giving our "bills" to the Treasury.

REMEMBER

December is 100% attendance month so make it or make up as the following jingle says:

Tuesday is our Rotary Day,
Our Club expects your greeting;
But if you're going to be away,
You must make up the meeting.

Rotary is fellowship,
Its friendship is always there;
So if our meeting you must skip,
Attend another, somewhere.

CHRISTMAS PARTY

3RD 100%ER

TODAY
12/21/76

Today is our Annual Christmas Party with our Rotary Anns, to each of whom we bid "Hello, Glad You're with us, and Merry Christmas." We hope you enjoy our Holiday Inn bill of fare and repertoire: Jay Selby & "Treble Clef" choir from Sequoia High. Unless we get another substitute, Our finemaster is supposed to be Bill Royer; if he collects the money like the County collects taxes our Club treasury should be overflowing.

LAST WEEK
12/21/76

NEWS NOTES

Singing led by Bob Pierce on key this time because Jim Greenwell at the piano kept him there; Pledge of Allegiance led by Jim Newell; Invocation given by George Chaffey. Mike Ivicovich introduced our two student guests from Woodside High for their last visit, Phillis Simon and Matt Mattison who indicated they were glad they had attended; Dave Schutz brought us up to date on the news and Bud Meyer donated the Door Prize. Dave Schricker as substitute finemaster for who knows did a fine job of raising money including fining the Board of Directors for electing him President when the R.I. convention is only 33 miles away in San Francisco; if Dave runs for another term the next one is in Tokyo.

Our speaker was Fran Pearson on What's New for 76 in taxes under the new Tax Act consisting of over 1000 pages, many provisions of which apply to the 1976 tax year. In addition to an excellent outline Fran passed out, he indicated some of the highlights such as a single person paying alimony can deduct it, business use of the home must be exclusively and regularly for same before a deduction is allowed in most cases (Bill Bergler doesn't care because he never brings his work home with him), and for conventions the limit is two per year, you have to attend 2/3 of the scheduled activities, get a signed statement from the organization, and use the lowest cost method of transportation, to mention a few. As Fran says, see your tax consultant but for Christmas, make that \$30,000 Federal tax free lifetime gift before December 31, 1976, to save on your gift taxes.

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TUESDAY, DECEMBER 28, 1976

HOLIDAY INN

LAST OF '76

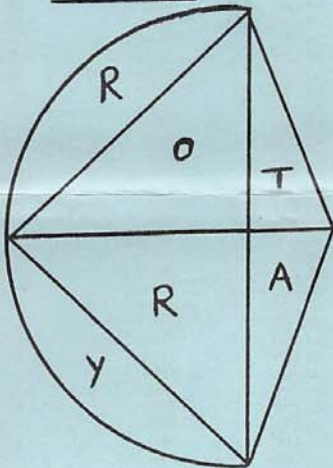

TODAY
12/28/76

Our speaker is Colonel John Bruning, the Commander of the Satellite Test Center in Sunnyvale on the subject "Space Shuttle and Other Spacy Things."

Our finemaster is one of our money bags, Bill Maxwell; when he gets finished fining us the balance in our Club treasury will make the price of coffee look like peanuts.

LAST WEEK
12/21/76

Our Annual Christmas Party with our Rotary Anns was well attended (the place was packed) and we were all delighted to have these lovlies with us, as well as some mothers, sisters, girlfriends, all of which added to the festive holiday atmosphere.

After singing led by Bob Pierce with Jim Greenwell at the piano, Al Gruman led us in the pledge of allegiance and Wes Westerdahl gave the invocation.

Dave Schutz donated the door prize, and Pete Royer as finemaster donated all of our dollars for us to the treasury (even the County Assessor, Jack Estes marvelled at the uniformity of the assessments).

Jay Selby and the "Treble Clef" choir from Sequoia High presented a fine program performing Christmas songs from many countries.

All in all a super event!

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

JANUARY 11, 1977

HOLIDAY INN

TODAY

1-11-77

TODAY
1/11/77

Our speaker is another member of our own Club, Bill Wenrich, and the title of his talk is "It Isn't Necessarily What You Think It Is."

Our finemaster is Ed Hussong who will use the Wells Fargo approach to bank our dollars into the Club Treasury.

LAST WEEK
1/4/77

To start the new year off with a bang, we opened with song led by Sid Berlin with Jim Greenwell at the ivories, pledge of allegiance led by Chick Long, and the invocation given by Bill Wenrich. Dave Schutz gave us the news, Hal Barker donated the door prize, and Finemaster Bob Dooley gave all of our money to the Club Treasury. George Chaffey won the fine exempt badge if he can get it out of Bob Pierce's glove compartment.

Bob Rutherford gave an interesting talk on "Institutionalizing" Marine Ecology which includes education in the public schools, finding funding sources (no public funds so private sources must be looked to), and becoming an integral part of the college program. As an example Bob pointed out that we have lots of facts about the San Francisco Bay but not much knowledge about it. Marine Ecology is not trying to be in the pure science field but is trying to find out what is there and where we are going. For Marine Ecology to be successful we must adopt the attitude of conserving society, and we are faced with developing our relationship with the environment.

ROTARY ROSTER BOOKS

NEXT WEEK
1/18/77

Our speaker is Mr. Thomas C. Payton, President of Blue Shield, the largest private carrier of health insurance in the country, who will speak on "Health Care Costs and Policies."

FOLLOWING WEEK
1/25/77

Our speaker is John Peers, President and Chief Exec. of Logical Machine Corporation, who will talk about "The Free Enterprise System,"

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY FEBRUARY 1, 1977 HOLIDAY INN 2/1/77

TODAY Our speaker is Dr. Seymour Kelko, and his topic is
2/1/77 "Let's Keep It Even."

Our finemaster is Tony Goodsite who will apply Chamber of Commerce techniques to the filling of the Club coffers.

LAST WEEK Sid Berlin led us in song, Jim Williams led us in the
1/25/77 pledge of allegiance, and Vince Claypool gave the
 invocation. Mike Ivicovich introduced our student guest
 for his last visit with us, Mark Nolte who expressed his
 appreciation for attending our meetings. Bill Koon
 donated the door prize and Bill Wenrich as finemaster
 spent most of his time fining previous finemasters.

Our speaker was John Peers originally from England who praised the Free Enterprise System in America and compared it with his experience in England and other countries. He said technology has developed smaller units which can perform more functions, satellites which can capture and transmit 175 TV stations or 200,000 phone calls, and computers which can describe a picture and can describe a voice and transmit by digital transmission the picture or voice. Although computers can now talk, they have nothing on John Peers who was both witty and informative. The only thing that bothered him about our economic future is that he heard President Carter hired Elizabeth Ray to make his peanut brittle.

ROTARY FOUNDATION
SPRING LUNCHEON AND
AUCTION - MAY 3RD

On Tuesday, May 3rd, at our regular luncheon meeting at the Holiday Inn we will have our first Spring Luncheon and Auction with our Rotary Anns. This will be the money making event of the year to raise at least \$1,000 to provide for a Paul Harris Fellow to be awarded to one of our deserving members at the Rotary Installation in late June. Each of our members is expected to donate a gift or something of value (minimum value \$5.00) and the merchandise so donated will be auctioned off at the luncheon. Our success depends on the cooperation of everyone so start thinking of gifts for the auction.

NEXT WEEK Our speaker is Mark Shupnick, an optician and college
2/8/77 instructor on the subject "A Spectacle for all Ages."

FUTURE PROGRAMS In addition to the programs above arranged by our program chairman for the month of February, Bill Wenrich, on February 15 our speaker will be Rudy Sanfilippo on "The Administration of Justice in a Changing Society" and on February 22 our speaker is Dr. Arthur Katz on "As Top Management Sees It."

Louis Rolla is in the hospital and we hope he recovers soon!!!

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY

FEBRUARY 8, 1977

HOLIDAY INN

2/8/77

TODAY
2/8/77

Our speaker is Mark Shupnick, an optician and college instructor on the subject "A Spectacle for all Ages."

Our finemaster is the legal eagle and Stanford Rooter Joe Mell who will meld our dollars into the hands of our Treasurer, Joe Souza.

LAST WEEK
2/1/77

Sid Berlin led the singing, Jack Keller led the pledge of allegiance, and Orv Graves gave the invocation. Dave Schutz gave the news, Chuck Long donated the door prize, and Tony Goodsite as finemaster made money out of statistics about our members and where they were born. Mike Ivicovich introduced our student guests from Woodside High for their first time, Ann Mosher and Rod Faulkner.

Don Helbush introduced Mr. Seymour Kolko whose topic was Rehabilitation. Kolko traced the history of rehabilitation from aid to disabled war veterans after World War I through the Social Security program of the 30s and the efforts to supply education to Veterans after World War II, up to the present day efforts to help the handicapped. Progress has been made in the vocational rehabilitation of the physically handicapped and the disabled and more recently with respect to the physically disabled and mentally retarded. The Fair Employment Practices Act in 1975 was expanded to an affirmative action program to help the handicapped.

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY

FEBRUARY 15, 1977

HOLIDAY INN

2/15/77

TODAY
2/8/77

Our speaker is Rudy Sanfilippo, former advisor to the Governor on law enforcement and former director of corrections for the State of Colorado, currently a college instructor at Canada College. His subject is "The Administration of Justice in a Changing Society."

Our finemaster is Bob Rutherford who will use his expertise in Marine Ecology to make a Marine World out of the Club Treasury with our dollars.

LAST WEEK
2/1/77

Sid Berlin led the singing, Jack Ference led the pledge of allegiance, Chuck Long gave the invocation, Dave Schutz gave the news, Mike Ivceovich introduced our student guests from Woodside High for their second visit, Amy Mosher and Bob Faulkner, and Joe Mell as finemaster utilized Cal Football questions and the \$2 bill to make money for the club.

Bill Wenrich introduced Mark Shupnick who teaches courses in preparing eyeglasses from prescription at Canada and who gave an interesting talk on the history and development of eyeglasses. Spectacles were invented about 1289, sidepieces were invented in 1720, and bi-focals were invented by Ben Franklin by cutting two pairs of glasses in half and putting them together. Originally sunglasses were made from glass left out in the sun. Mr. Shupnick brought many samples of spectacles of the past with him for us to look at.

EYGLASSES

Don't forget to bring your eyeglasses that you no longer use for the eyeglass program

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY

FEBRUARY 22, 1977

WASHINGTON'S REAL BIRTHDAY

2/22/77

TODAY

2/22/77

As the last of Bill Wenrich's fine programs for February we have as our speaker Dr. Arthur Katz, former business executive, now the community college district division instructor on the subject "As Top Management Sees It."

Our finemaster is Stan Silverstein; the price of silver has gone up and so will his collections for the Treas.

LAST WEEK

2/115/77

We learned that Louis Rolla and Jim Greenwell are both at home and recovering from their illnesses;

That March 5th is the time for tree planting at Palm Park next to the YMCA; bring your own shovel;

That for the seventh straight year January attendance was better than ever; this time 94.33%;

The Boat Races are on July 3rd.

We got the latest news from Dave Schutz, met Rob Falconer and Amie Mosher from Woodside High for their last time, and got fined with a February theme by Bob Rutherford. We also had two door prizes to award, one from Jerry Olhiser and one from Carl Mabie.

George Bold introduced our speaker Rudy Sanfilippo, on the subject of "The Administration of Justice in a Changing Society" (title of book he co-authored). He said that in the 1960s a number of national commissions were formed about the criminal justice system, & in 1968 the Law Enforcement Assistance Commission with emphasis on planning; how to pull national, state and local forces together to combat crime. Fear of crime is the major issue and 75% of costs for criminal justice are financed at the city and county level. Rudy expects greater concern about the rate of crime and control, lack of faith in the penal system, and concern about repeaters or habitual criminals. He feels the best hope of results is with local probation as more effective and less expensive than state prison, and concern about the victims is increasing at the local level.

REMEMBER ROTARY FOUNDATION SPRING LUNCHEON AND AUCTION, MAY 3, 1977; help us raise money for the Rotary Foundation; go out and look for your gift to contribute; collections start April 5

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY

TUESDAY, MARCH 22, 1977

HOLIDAY INN

3/22/77

TODAY

3/22/77

Our speaker is San Mateo County Supervisor, John Ward, who will enlighten us about the affairs of the County

Our finemaster is Russ Kent who will prove that the educators know how to rake in the money for real.

LAST WEEK

3/15/77

The song was tremendous, not because Bob Pierce led us but because Jim Greenwell was back at the piano to inspire us. We were also inspired by Vince Claypool's invocation. From Sequoia High we met Laurie Cross for her first visit with us, and Ed Dorsey for his last. George Chaffey inducted our two newest members both proposed by Jim Newell (Russell Cox and James Adkins) both from the Peninsula Christian Center, both married in March of 1952, and both with four children (Rus's wife is Dolores and Jim's wife is Elaine so they do have originality). Walt Koslosky as finemaster gave it the great Irish touch and Ken Blumenthal donated the door prize.

Our speaker was John Reagan from the San Carlos Club who who gave us an insight into the problems faced by B-17 bomber crews in world war II and the courage required. He indicated his great respect for the U.S. flag and deplored the lack of patriotism prevalent among so many people today.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

TODAY

APRIL 26, 1977

SEQUOIA Y.M.C.A.

4/26/77

TODAY

4/26/77

We are having our annual meeting at the Y.M.C.A. to find out what is new at the "Y" If you are not reading this you went to the Holiday Inn by mistake.

Our finemaster is Carl Mabie who will slip it to you "Baby" to make Joe Souza's eyes light up and read jackpot for the Club Treasury.

LAST WEEK

4/19/77

We didn't have the benefit of our expert in the piano field, the George Shearing of our Club because he (Jim Greenwell) was in the hospital with a coronary; we all hope he recovers soon.

However, we carried on with Bob Pierce leading the singing, Bob Rutherford leading the pledge of allegiance, and George Chaffey giving the invocation, with Dave Schricker presiding over the meeting. Our student guests, Diane Williams and Guy Smith from Woodside High joined us again; Dave Schutz gave the news; Bill Bergler donated the door prize; and Pete Hughes collected the fines hot and heavy.

Our speaker was our new San Mateo County Manager, Dave Nichols who gave us his impressions of the County. He said that San Mateo County's property tax rate is relatively low, there are 19 cities in the County and 9% of the population lives in the unincorporated area. Examples of county wide programs include the private defender program and cooperation with cities in civil defense, data processing and animal regulation. He advocates a county wide library system, consolidation of the three municipal court districts, and joint powers arrangements in the fields of road maintenance, law enforcement, building inspection, and planning staff assistance. He indicated the County will have budget problems next year.

NEXT WEEK

5/3/77

The program is what we have all been waiting for; the First Annual Rotary Club Auction with our Rotary Annes to raise money for hopefully two Paul Harris Fellows. Bring your checkbooks and bid your hearts out, as the merchandise to be auctioned by Glen Lenny is worth acquiring; Jerry Schutz deserves a lot of credit for his efforts on this project. Our finemaster is Mr. Moneybags himself, the holder of our Club funds, Joe Souza whose fines will be lala paloozas.

The net results \$1,782.50 from the successful bidders, about \$500.00 for the bid cards, and obviously enough for two Paul Harris Fellows which is what it was all about. SEX POT DAY
5/31/77

To wind up the month of May with a bang our speaker today is the old sex pot and urologist, Roto Rooter Henry Ritter, freshly returned from stage, screen, radio, television, and the luncheon circuit, who will bare the secrets once and for all on how to be a tiger in the sack even when you're 90 years old.

Our finemaster, Jim Fitzgerald, like all retired bankers, longs to return to the good old days when he carressed the money in the bank vault and will greedily collect many dollars (no Jim its for the Club Treasury, not the James E. Fitzgerald Travel Fund).

LAST WEEK
5/24/31

Bob Pierce proved he is no Mario Lanza, but Bob Brown saved the day by getting us through the pledge of allegiance, and Russ Cox did a fine job on the invocation. Hal Hjertberg gave the news, Ed Carrera gave the door prize, and George Szpotek gave us the business as finemaster.

Instead of earthquake predictions we had S. R. I. achievements, a slide presentation on the history and development of the Stanford Research Institute by the Director. Since establishment in 1946 S.R.I./ has grown to a \$100million annual budget and a staff of 3000, and does medical research, technological research and has clients in civilian industrial activities, governmental development and internationally. Their present goal is solving public problems and they are funded by contracts with clients for solving research problems.
