## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

TODAY

JULY 12, 1977

HOLIDAY INN

TODAY

7/12/77

Our speaker is Dr. William Giles of Burlingame who will speak about forensic dentistry and its role in assisting the Coroner's Office. He'll be introduced by our own, inimitable, Bud Meyer.

LAST WEEK

7/15/77

Dave Schricker's first meeting got off with a bang (!!) on the day after the Fourth of July-- Sid Berlin leading the singing, Phil Schneider the pledge to the flag, and Russ Cox the invocation. Everyone was swapping stories of the Enduro Boat Races and how we nearly lost our shirts and our hats due to the "unseasonal" wind. Don Noren presented the club with a plaque from the Marathon Boat Racers Association honoring our club for the sponsorship of the races.

Dave Schutz reported that the weekend of the 4th was probably Redwood City's biggest ever, with the races topped off by the parade and our local celebrity, Shirley Temple. Ron Koster tried to return a lost cowboy hat, but no one wanted to pay a fine for it. The new fining policy looks like it has a \$2 limit still, but you have to watch out for missing activities like the Enduro.

Our speaker was Malcolm Dudley, City Councilman from Atherton, who brought us up to date on the controversy surrounding the proposed Dumbarton Bridge. His council and others in the area are working on a plan to spend only \$35 million rather than the state-projected cost of \$100 million--a most worthy purpose!

NEXT WEEK

7/19/77

Our speaker will be William Lindenberg, San Carlos jeweler, on the subject of "Jade and Jewelry." Then on the 26th you'll get a chance to have input into the business of our club when we have the annual club assembly. That will be an open forum led by Pres. Dave, and we hope you'll come armed with specific ideas for projects and future directions for RC of RC.

HONORABLE  
MENTION

Bob Friebertshauser has bowed out as editor of this newsletter after five outstanding years of service. Our hats are off to you--hope you're enjoying the Sierras. Pres. Dave had lots of bouquets to award last week--Don Noren for the Enduro, Bud Meyer for Programs at our meetings, Jim Greenwell for coming back to help Sid, and Bob Durkin for one of the best years ever!

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

TODAY

JULY 19, 1977

HOLIDAY INN

TODAY  
7/19/77

Our speaker is William Lindenberg, a San Carlos jeweler, who will speak on the subject of "Jade and Jewelery". He'll be introduced by our own jeweler, Bill Stangel. These two should provide a jewel of a program.

LAST WEEK  
7/12/77

Pres. Dave proved he was a practiced member of the bar by leading our meeting from the bar. Sid Berlin lead the assembly in song. The Pledge was made, and Wes Westerdahl provided the inspiration. We gave a flag to a visitor from Austria, George Newlon (76-77 D.G.) gave us a lesson on how a visitor should introduce himself, and Bob Paroli (78-79 D.G. nominee) did it his way.

We were saddened to hear about Walt Small's heart attack, and all are hoping he's doing better at Sequoia Hospital.

The Board is meeting tomorrow to consider new (higher) meal prices and our need to move so much from room to room. The new Committee lists are in the mail. Norm McCloud is working on having the next Enduro Races the home of a National Championship which will increase entries, attendance and purses.

Bob Peroli awarded Paul Harris Fellow badges to George Chaffey, Bill Enomoto, Dave Schutz, John Esson and Paul Keckley. This exemplifies Service Above Self.

Dave Schutz announced his news team of Bill Bulanti, Bob Waligore, Hal Hjertberg and the intrepid Schutzie. Paul Young proved there is only one thing worse than current news, and that is old news, as he managed to extract a suitable amount of money in an overtime session.

Our speaker was Dr. William Giles of Burlingame, a forensic odontologist working with the San Mateo Coroner's Office in providing an alternative to fingerprints and visual identification with victims of such disasters as earthquakes, tidlewaves, plane crashes, etc. He showed slides of a mock disaster training at San Francisco Airport, and some were graphic demonstrations of why some of our more ardent lovers should be more careful when they give love-bites.

NEXT WEEK  
7/26/77

This will be the annual club assembly which is an open forum for members to present ideas of projects and future directions of the Club.

THOUGHT FOR  
THE DAY

Keep your goals in mind as you proceed each day. However, when you are up to your rear in alligators, you may find it difficult to remind yourself that your initial objective was to drain the swamp.

Also, from an old Hindu proverb : "There is no nobility in feeling superior to someone else. True nobility comes from feeling superior to one's former self."

# ROTARY SPOKE

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

TODAY

AUGUST 9, 1977

HOLIDAY INN

Today  
8/9/77

Dr. James Lockhard will talk on the Board of Medical Quality Assurance and the new Keene bill.

Ken Blumenthal is to be finemaster. Will it be a TV daytime soap opera or a TV game show. Either way the studio audience is not going to win.

Last Week

Sid Berlin led the singing with America The Beautiful for a change, Tom Poore led the pledge and Russ Cox gave the invocation.

Lunch was pretty, the prettiest we have had in a long time, and actually reasonably tasty too. I'm sure the turkey never knew what hit him when he sat down on the piece of cake.

Bill Bulanti gave the news, his maiden voyage I believe. Lem Summey sounded like he was auditioning for a position as Superior Court Judge as he levied the fines. Look out Lyle. The raffle was won by George Chaffey. That's taxable income, George.

Fred DiPietro, the manager of the Port of Redwood City told us of the trials and tribulations of getting a governmental permit to build a levee for the storage of dredge spoils. It took seven years and the cost escalated during that time from \$60,000 to \$250,000. He said there is the possibility of getting a Japanese auto manufacturer to build an assembly plant at the Port as well as the possibility of procuring a paper distribution center. Plans are also in the wind for a complex of restaurants and shops on Port property. The best thing he said was that the Port is making a profit.

Dave Schricker requests that any committee chairmen who have not yet turned in their reports for the new year to please do so before the deadline, which is past.

Next Week

The speaker will be our own Wes Westerdahl whose sermon is titled "What do you do when they tell you don't bother to come in on Monday".

The following is not courtesy of George Bold, since if he used these his meter maids wouldn't collect enough to pay his salary. This isn't copyrighted, patented, or even registered with the Library of Congress so far as I know so you can Xerox off copies and use it to your hearts content. Might I suggest that if you sign it or get caught leaving it on a windshield you may need Tom Poore for emergency surgery to remove knuckles from your nose.

### PARKING VIOLATION

This is not a ticket, but if it were within my power, you would receive two. Because of your bull headed and inconsiderate attempt at vehicle abandonment, you have taken enough room for a twenty mule team, two elephants, three goats and a safari of pygmies from the African interior, not to mention that you have blocked one thoroughfare, two driveways and three automobiles in the process. The reason for giving you this is that hopefully in the future you may think of someone else before attempting what you apparently call parking. Besides, I do not like domineering, egotistical or simple minded drivers and you probably fit into at least one of those categories.

I sign off wishing you an early transmission failure (on some crowded freeway at about rush hour). May the fleas of a thousand camels infest your armpits.

With My Compliments,

Officers for 1976-1977

Dave Schricker, President Elect  
Bill Bergler, Past President

Bob Durkin, President

Alan Bostwick, Secretary  
Joe Souza, Treasurer

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

TODAY

AUGUST 16, 1977

HOLIDAY INN

TODAY  
8/16/77

After hearing Wes Westerdahl today you'll know how to answer the question, "What do you do when they tell you don't bother to come in on Monday?" How's that for a neat way to talk about retirement planning!

LAST WEEK  
8/9/77

Fran Pearson presented the annual audit which showed our club in sound financial condition (\$8,385 in the bank on June 30). We took in \$1,318 more than we spent--does anyone do that anymore these days? Our club's scholarship trust shows \$1,423 in savings and \$16,915 in stocks.

Ken Blumenthal ran a fine show by locating some Redwood City triviae and making the most of it. Did you know that Wells Fargo is built on the site of an old saloon? He also levied the first optional fine of \$5 on Dr. Bob for allowing the Board to lift the lid on the \$2 maximum during his presidency.

Dr. James Lockhard brought us up to date on California's efforts to counteract the high cost of medical malpractice insurance. AB 1XX, passed in 1975, set up Boards of Medical Quality Assurance made up of physicians and non-physician members to review and reconcile all citizen complaints. He indicated that 90% are resolved by the staff, with only 10% requiring hearings before the BUMQUA (Board)! And that should mean less court suits for malpractice.

(Ed. Note: in response to a question from Sid Berlin, there were 28 physicians whose licenses were revoked in 1976 and an additional 51 whose licenses were revoked, stayed, and placed on 8-year probation.)

NEXT WEEK  
8/23/77

The other side of the Dumbarton Bridge controversy will be presented by Mr. Jerome Hauke, Project Engineer for the State Department of Highways.

OTHER  
BUSINESS  
NOTES

John Esson received a thank-you note from Mrs. Toby Cossman of the Peninsula School for the Deaf for our \$1,000 contribution to their scholarship fund. "Thanks to all members of the Redwood City Club."

Attendance needs much improvement! Only 76% in July. Where are those make-ups? Maybe we'll hit 110% in August when you turn those cards in!

Our understanding with the Holiday Inn is a luncheon price of \$4.75, and there are to be no substitutions in the location of our meeting room. The House Committee welcomes your suggestions for future arrangements. Tickets for the drawing are 50¢, as usual.

Early leavers take note: there is a standard \$1 bug-out charge! Please let Dave know if you must leave early and if possible express your regrets to the speaker. (If you leave today you may never know how to retire gracefully!)

Finemaster today is Dick Chilingarian, and I'll bet he isn't retiring.

Bob Dooley has been appointed Chairman of the Vocational Services Committees.

The Board accepted Charlie Gyselbrecht's resignation with regrets. We all wish you well, Charlie, and our thanks for 12 good years of service.

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

TODAY

AUGUST 23, 1977

HOLIDAY INN

TODAY  
8/23/77

The "other-side-of-the-Dumbarton-Bridge-controversy" will be presented by Mr. Jerome Hauke, Project Engineer for the State Department of Highways.

LAST WEEK  
8/16/77

Retirement was in the air, and our own Wes Westerdahl helped us understand some of the hazards. He told us about some of the stresses--loss of income, status, decision making, physical ability, friends, self-worth, hope--and then proceeded to chart a plan for changing all that. Aging persons "must not be deprived of the ability to test reality", must have feelings of trust and security, with useful, purposeful activities. Wes is starting a new phase of his ministry at Peninsula Covenant with emphasis on retired or near-retired persons, and we wish him well in that effort.

Bob Durkin filled in for the absent (vacationing?) Pres. and V.P., and did so well it almost seemed he'd had some experience before! He related some of the experiences of the young people who are touring Japan, with emphasis on the pleas for more funds! Some angel helped them out, so their stay is extended another week or so.

Don Noren, bless his hard heart, did an outstanding job as substitute finemaster with his unique immigration-to-California tax. If you weren't born in California you were liable to be taxed \$2, and the same if you couldn't identify anyone born in Redwood City. How many of you looked up that information in your membership book when you got home that day? Jim Parmelee won some notoriety by establishing a new law office and was fined for it, now that it's okay to advertise.

Welcomed back after short terms of confinement were Paul Keckley, Walt Small, and Dave Lobree. Dave took advantage of his special status and won the door prize (donated by Paul Jones).

NEXT WEEK  
8/30/77

Jeanne McElhatton will tell us about the "Fear of Flying--Its Causes and Cures". Jeanne has flown in a number of Powder Puff Derbies, is a member of the 99 Club, and no doubt is an expert on this topic! You may recognize her name as somehow related to one of the new TV newscasters (long time radio announcer, husband Dave).

Pearl of wisdom dropped by our speaker, Wes: Old age is the worst psychological time to retire!

Moral: Do it now!

Jeanne McElhatton tells us about the "Fear of Flying--Its Causes and Cures". A regular participant in the Powder Puff Derby and member of the 99 Club, Jeanne speaks from a wide background of experience.

LAST WEEK  
8/23/77

Guest speaker was Marsha Burnmann giving her observations on Israel and its many contrasts. Goatskin tents pitched along modern highways-- a modern play given in the Roman coliseum--modern cities amidst layer upon layer of history. She sensed a nervous quality to their lives, no doubt generated by the evidence of terrorist activities and the fact that all urban centers are no more than two hours away (driving time) from the border defenses. She was impressed by the extensive redevelopment of a land which had been misused for so many centuries. And we were impressed with her enthusiasm for this troubled country and its people.

Lots of members combine to make our meetings successful. Orv Graves led the singing, Vince Claypool the pledge, George Chaffey the invocation, Dave Schutz the news, and then there's Bob Durkin who seems to go on and on! He tried to disassociate himself from another notorious dentist recently in the news, and always does such a great job no one could possibly see any connection. Thanks also to Pete Hughes, the Spoke's reporter on the scene last Tuesday.

Finemaster, Dick Chillingarian, tickled our memories from Sputnik to Startrek, and got so carried away with his success he had to be dragged from the podium. That's heady stuff up in the space arena!

Alan Bostwick announced he had new Rotary Directories available for purchase at \$2.50. See him soon before they are gone.

NEXT WEEK  
9/6/77

Phil Schneider, program chairman for September, announces these dates to place on your calendar:

- Sept. 6 David Campbell, President of D. W. Campbell, Inc., Palo Alto  
"Financial planning"
- Sept. 13 District Governor's Day--our chance to look good!
- Sept. 22 Steve Blake, Manager of the Malibu Grand Prix, with a topic of the same name.
- Sept. 27 John Dolan--"The Stock Market" (his estimate of where things are going.)

OTHER NEWS  
& TOPICS

Bob Brown was the August program chairman, and even his introductions had class. Joe Mell's program committee is on the ball. Jerry Olhiser keeps busy rearranging finemasters--this week's should be Bill Bulanti. Sept. 11 starts Rotary World Understanding Week.

TODAY

SEPTEMBER 13, 1977

HOLIDAY INN

TODAY  
9/13/77

Our special guest is District Governor Art Agnew of Petaluma. He has been meeting this morning with the officers, members of the board of directors, and committee chairmen. Now the rest of us will have a chance to meet him, and no doubt he'll issue a few challenges for us this year!

LAST WEEK  
9/6/77

Our leader, Dave, returned from vacation, and everyone greeted him with tales of how great things went in his absence! That's an indication of great organization, right? Highlight of the meeting was a Kimono Dance done in costume by the three good-will ambassadors from our club to the Hiratsuka Rotary Club of Japan. They each described their visits in the homes of club members--Marty Jones slept on the floor, Cheryl Noren visited a Datsun assembly line, and Mary Beth Durkin saw and did more than the other two put together! They ate with chopsticks at our lunch--and it was a good way to lead us into World Understanding Week which started Sunday, the 11th. Exceptional young people, and I hope all of you were excited to be a part of the experience they enjoyed. Bill Enomoto and Bill Bulanti helped prep them for the trip.

Phil Schneider introduced our speaker, David Campbell of D.W.Campbell Inc. of Palo Alto, who told us about the kind of financial planning services offered by his company. Takes about 40-60 hours to put together a profile for a customer, and Mr. Campbell described a few cases of sizeable financial savings. Joe Souza suggested he assist us in stretching our budget!

Bob Pierce found so many things to fine members for there wasn't a single soul untouched--except Bob Pierce! Everyone was delighted to have Jim Greenwell back at the piano--his renditions even augment the usual excellent job Sid Berlin does with the song leading. And it was good to welcome back Bob Baum of Guam, former Board Member of our club in 71-75.

NEXT WEEK  
AND LATER

Sept. 22 Steve Blate, Manager of the Malibu Grand Prix

Sept. 27 John Dolan--The stock market and where it's going.

OTHER NEWS  
AND TOPICS

Norm MacLeod is looking for bowlers--Tuesday nights. See him for details.

In case you're wondering what it was that Vince Claypool was saying in response to the Japanese greeting of "konichi-wa", it goes something like this: "konichi-wa, ikaga deska." All of which means, "Good day to you, and how are you?" In case you want to know more, the next line goes like this--"Genki-des, arregato gozaimasu. Do itashi mashite." "Very well, thank you. You are welcome." Now do you feel prepared for Tokyo on May 14-18 next spring?

At a meeting of the Board on Sept. 6 two letters of resignation were accepted with regrets--Pete Royer and Jim Adkins. We wish them both well.

CHARTERED APRIL 22, 1946  
DISTRICT 513

TODAY

SEPTEMBER 20, 1977

HOLIDAY INN

TODAY  
9/20/77

Today is Malibu Grand Prix Day, and you'll hear all about it from Steve Blate, manager of the races.

LAST WEEK  
9/13/77

"Attend and Participate", that was the Theme for 1977-78 announced by District Governor Art Agnew. He challenged us to get our money's worth from the \$6 per member contributed to the District and to assist in the many projects and committees in the district. He reported on the training sessions for new governors held in Boca Raton, Florida, and the thrill of meeting with and seeing participants from all over the world--Israeli and Egyptian, Black Africans and White Africans, and many others.

Art was accompanied by a regular entourage who came to hear his maiden speech as Governor--Bob Paroli, Governor Elect; Al Hart, San Carlos, Area Rep of the Governor, and George Newlin, ex-Governor. All of them were perfect representatives of the great Rotary Organization with the possible exception of George, who tried to tell our Mr. Rotary, Paul Jones, how to make a proper introduction. It was good to see such strong support for the new governor, and our hats are off to him for a very successful year.

Jim Greenwell got a big ovation for his pre-luncheon concert, but then had the difficult task of Finemaster on Governor's Day. He found lots of special individuals to introduce to Art (at \$2 per head), with recognition being given to the four charter members of the Redwood City Club--Bob Brown, Paul Jones, Dave Schutz, and naturally himself.

NEXT WEEK  
9/27/77  
AND LATER

Sept. 27 John Dolan--The stock market and where it's going  
Oct. 4 Andrew Fraknoi, Astronomer and Columnist--Life on Other Worlds"  
Oct. 11 Joe Higgins, the Dodge Sheriff--sponsored by Chamber of Commerce  
Oct. 18 Assemblyman Dixon Arnett--Legislative update.

OTHER NEWS  
AND TOPICS

Our bowling team had a lucky night on the 13th, beating the highly touted Optimist Club 4-0. RCRC team members: Norm MacLeod, Bill Stangel, and Alan Bostwick. Alan reported this big event--wonder how he'll handle that as Finemaster this week? Unsung hero of the week--Don Helbush! He's actually the one who collects all those fines, and he does his job with relish!

Anyone notice where the first US all-metric football game is to be played? Carleton College, Northfield, Minn., alma mater of Tom Poore, Walt Small, and Allen Gruman. We knew you'd be interested.

John Esson, Chairman of the Scholarship Committee, received a nice note from Stacy Texiera, one of our award winners, thanking us for our interest in her career. And we had an interesting guest last week--Gerry Schick, Textile Manufacturer, former member of Clubs in St. Croix and St. Thomas (Virgin Islands) and Kaernten, Austria.

VACATIONS ARE OVER--LET'S SEE HOW MANY TIMES WE CAN HAVE 100% ATTENDANCE THIS YEAR.  
ART SAYS DO IT ON MARCH 7. WHY SETTLE FOR JUST ONE? REMEMBER--MAKE-UPS COUNT.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

TODAY

SEPTEMBER 27, 1977

HOLIDAY INN

TODAY

Our speaker for today is John Dolan with his analysis of the stock market and where it's going. Phil Schneider will do the introductions, and our thanks to him for a good job as September Program Chairman.

LAST WEEK  
9-20-77

Steve Blate introduced us to the Drive-your-own race car at the Malibu Grand Prix in Redwood City. He brought along a sample--parked just outside the dining room, and some of our more daring members tried it for size. These are garage formula race cars built to 3/4 scale and are valued at \$15,000. Since the opening of operations in May, some 50,000 drivers have tested their two tracks. Speeds up to 60 mph are attainable--one car at a time racing against the clock. They even use a computer for timing!

Sid Berlin and Jim Greenwell are making a big production out of the singing, and it's really great! Next thing you know we'll all go on tour! Sort of overshadowed the pledge (Stan Silverstein) and the invocation (Bill Wenrich). But not the news, produced and written by Bob Walligore. That drew a big hand from all assembled.

Then it was Alan Bostwick's turn, and he put on a real garage sale. Got rid of all the extra copies he's been collecting of the Annual Reports of RI by awarding them to all the active past presidents.. Schutz, Jones (Paul), Imus, Keckley, Pearson, Edson, Fitzgerald, Claypool, Brown, Schneider, Esson, Enomoto, Pierce, Mell, Bergler, and Durkin. And what was especially heartening to note, all but one of them was present to pay his \$2 for these collector's items. Then Alan unloaded a few of last year's directories and some other odd items. Now he has so much empty space in his garage he ought to be able to store some of George Newlon's cookbooks!

NEXT WEEK  
10-4-77  
AND LATER

Bill Wenrich announces the following programs for October:

- 10-4 Andrew Frankoi, Astronomer and Syndicated Columnist--  
"Life on Other Worlds"
- 10-11 Sheriff Joe Higgins, boy, who else?--courtesy of the C of C.
- 10-18 Assemblyman Dixon Arnett--Legislative update
- 10-25 Supervisor John Ward--Problems and prospects facing San Mateo County Government

That line-up should help us attain 100% attendance at least a couple of times in October. See to it, y'hear?

OTHER NEWS  
AND TOPICS

In case you missed the announcements, you're invited to a luncheon in honor of National Port Week on Sept. 28, a golf tournament at Half Moon Bay on Sept. 30, and a Foster City Rotary benefit for Little League on October 9.

PERSONALS:

Stan Silverstein and Bill Stangel were appointed to Redwood City's Charter Review Committee this week. The word got out that Bob Bergler and Bob Pierce were last in the big canoe race last week--too many sights along the way?

# ROTARY SPOKE

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

TODAY

OCTOBER 4, 1977

HOLIDAY INN

Andrew Frankoi, Astronomer and Syndicated Columnist, will tell us about Life on Other Worlds. Well, if things get dull around here, perhaps he'll tell us how to get there from here.

LAST WEEK  
9/27/77

Phil Schneider, in his finale as program chairman for September, introduced John Dolan who gave us his predictions about the stock market, and showed us how recessions have occurred on an almost predictable basis--every 52-53 months--the last one was in 1974. So: The low in the market should happen in late 1978, Arthur Burns will be replaced soon, and the Dow should hit 1400-1500 in 1980. Anybody ready to take a flyer on that one?

Henry Ritter paid us one of his cyclical visits and promptly won the daily drawing--prize donated by Bill Maxwell and the Wells Fargo Wagon. Ed Hussong did an excellent job as substitute finemaster, getting \$2 from all 23 members who turned the job down before the chairman got to Ed's name on the list! Bob Pierce never has that reluctance when it comes to leading the singing, nor Russ Cox for an invocation, Bob Dooley the pledge, and Dave Schutz the news.

NEXT WEEK  
10/11/77  
AND LATER

Oct. 11 Joe Higgins, the Dodge Brothers Sheriff  
Oct. 18 Assemblyman Dixon Arnett, the next State Controller?  
Oct. 25 Supervisor John Ward, San Mateo County Government

OTHER NEWS

as finemaster  
Today it's Bill Bergler's chance/to get even with all those guys who pick on him all the time. Maybe he'll find out who called him Bob in the last issue of Spoke. Hope he knows that Walt Small shot a hole-in-one last week at Carmel and wants to treat all his friends--Stan Silverstein can vouch for the truth of the matter!

Dick Jones asks that you please check the reverse side of the Spoke and also your handbook for any recent changes in address, phone, and other pertinent items. He'd like to keep the Handbook up to date--and will even re-do your picture if you think it makes you look too young!

Your Spoke Committee (Gruman, Hjertberg, Newell, and Reese) want to include more personal items in the bulletin and need the help of a few reporters among the membership. How about contacting one of us with information regarding who has done what--so we can make something of it!

Alan Bostwick tells us that August attendance, with lots of make-ups recorded from July and August both, hit 95%. If you take the July figure of just over 76%, the average is 85% and doesn't make us look too good. How about changing our pattern for the better in October?

Pearl of wisdom from Ben Franklin, quoted by his broker:

Don't talk to me of a return on my money until  
you talk to me about a return of my money!

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

TODAY

OCTOBER 11, 1977

HOLIDAY INN

TODAY  
10/11/77

Cinde Delmas, Public Relations Officer for Marine World--Africa USA, is our speaker. Ron Koster will twist a few tails as finemaster.

LAST WEEK  
Ten-Four

Yes, that's correct! It was CB'er day, and Bill Bergler made the most of it as finemaster. CB-talk is another whole language, and even at \$2 per it's doubtful that many of the RCRC'ers got beyond the 10-4 stage in picking up some new words.

It was a lot easier to understand Andrew Fraknoi who took us on a grand tour of the universe, in 20 minutes! Beautiful slides, mind-boggling distances, huge numbers (bigger than the U.S. Government spends). Like:  
1 light year = 6000 billion miles

The Milky Way consists of 200 billion stars (approximately)  
The sun (ours) is 5 billion years old--and has 5 billion to go!  
It seems as though Bill Wenrich could just continue to bring down members of his staff at Canada College and we'd never lack for an excellent program.

Did anyone notice we've had steak quite often lately--is it three weeks in a row? The House Committee is working for us. Thanks, Max. Dessert, too! You'll keep hearing about our bowling team until--they lose--and it looks like they really know how to roll 'em--Szpotek, Bostwick, and Stangel last Tuesday made it a 15-1 record. Now ahead by 3 games.

Orval Graves suggests you save your last copy of the Rotarian since the editor intends to eliminate the long-standing last-page limericks. Anyone for a letter writing campaign? Speaking of Past Actives who've been around awhile, Nels Nelson is moving to Mountain View but will retain his membership in Redwood City, and he and Dorothy will be celebrating their 55th anniversary on October 21. Congratulations!

And then there are our world travelers. John Bunting made up recently in Rome, Italy and Klagenfurt-Sud, Austria; Lloyd Osborne in Bremerton, Washington; Jerry Schutz in Pittsfield, Mass.; and Bob Brown in Mount Desert Island, Maine.

Tom Poore has about 150 trees to give away. They're part of the exchange project he started about 15 years ago--pines from Hong Kong and France, Kauri from New Zealand, and others. Bill Enomoto and Mike Kreiss help out by supplying potting soil and cans. They're yours for the asking, and a promise of TLC.

Walt Small has 50 tickets for the Big Game again. If you went last year you may have priority to go again, but don't wait to let him know.

NEXT WEEK  
AND LATER

Oct. 18 Assemblyman Dixon Arnett--Legislative Update  
Oct. 25 Supervisor John Ward -- San Mateo County Government

Thought for the day: If TV signals from Earth are ever received by other planets, would whoever is out there feel we're intelligent--and further, would they want to get in touch with us?

# ROTARY SPOKE

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

TODAY

OCTOBER 25, 1977

HOLIDAY INN

TODAY  
10/25/77

San Mateo County Supervisor John Ward will tell us how San Mateo County is doing.

Ron Koster as tinemaster will straighten our your pocketbooks by extracting.

LAST  
WEEK

Bob Pierce as songleader and Jim Greenwell at the Piano produced a chemical reaction which waterproofed the singing. Bob Haight led the pledge to the flag which wasn't there, and Bob Landau led the invocation.

Bob Durkin had a letter and interesting pictures from Japan. The fish in the barrel picture looked remarkably like a lunch we had several weeks ago.

Ken Blumenthal passed around a letter from our new orphan in Austria. A correction to last weeks Spoke, he is our third, not second, orphan. He has 4 sisters and 2 brothers with him at the home. It only seemed like the previous orphans were supported until they were eligible for Social Security. Erich was supported from ages 10 1/2 to 18 and Heinrich through trade school.

Walt Small is selling bus rides, etc. to some "Big Game". People who went last year get first chance. Is it going to be Joe Mell or Paul Keckley who hijack the bus on the way back to deliver it to the loser of the game?

Dave Schutz gave his usual superb news cast. You would almost think he was a professional.

After a slight altercation, Bud Meyer was determined the winner over Jerry Schutz and became the finemaster. Bud had put in a tremendous amount of work creating miniature antiques for sale.

Ken Blumenthal won the raffle prize donated by Bud Meyer and Bill Bergler and Bob Brown won the fine free tickets.

Dixon Arnett, our State Assemblyman, told us of the action in Sacramento this past year. California has now conformed to the 1976 Federal tax reform act, a school finance bill was passed apportioning money to less wealthy school districts, which does not include San Mateo County, death penalty and criminal justice bills were passed and the Departments of Transportation and Health were reorganized. Did you know that California has the sixth largest budget in the world? Or that 44% of the average Californian's income goes to taxes? Dixon will formally announce in November his candidacy for State Controller.

NEXT  
WEEK

Professional song writer Alan Dote who wrote the official Redwood City song will speak on "the making of a record". He has 9 gold records to his credit.

Finemaster will be Vince Claypool. You had better brush up on your Japanese.

OTHER

Future speakers

11/8. Albert G. Bergesen, Regional Commissioner, U.S. Customs, from Los Angeles, speaking on "Customs Service and interdiction of narcotics".

11/15. Rotary Foundation Week with George Chaffey speaking on "Rotary Foundation, the ideal of service".

Our resident vampire, Don Helbush, is inviting everyone and their families to a "party" at Kaiser 11/18. Start saving up your blood to fill those bottles.

The Charity Committee would like suggestions for worthwhile charitable donations or projects. Please submit in writing to Jack Estes.

Anyone whose business would like to advertise on Bingo cards should contact Jerry Olhiser at the Sequoia YMCA.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

TODAY

NOVEMBER 1, 1977

HOLIDAY INN

TODAY 11/1/77 Alan Dote, a professional song writer, with 9 gold records to his credit and author of the official Redwood City song, will speak on "the making of a record".

Vince Claypool, probably fining in Japanese, will attempt to educate us.

LAST WEEK Jim Greenwell tinkled his ivories and Sid Berlin showed his ivories during the song.

A moving pledge was led by Howard Imus and Wes Westerdahl gave the invocation.

Walt Small has some extra Big Game tickets at \$10 +/- . This includes the bus ride and whatever refreshments they can siphon out of the Greyhound tank. Or is the transportation from Bekins?

Hal Hjertberg gave a magnetic unrecorded newscast.

Ron Koster as finemaster wants it known that the only extracting he does is from pocketbooks, and he did a good job at that.

The raffle prize donated by Jim Parmelee was won by Jim Greenwell. Bill Bergler (for the second week in a row) and Sid Berlin won the fine free tickets.

Our speaker, John Ward, Chairman of the County Board of Supervisors, requested that everyone send a note to Governor Brown telling him that we still haven't seen a property tax relief bill and one is long overdue. He told us how the County has a \$200 million budget of which \$63 million comes from property taxes. Health and Welfare, MediCal, and law enforcement, courts and corrections take the biggest share.

NEXT WEEK "Customs Service and interdiction of narcotics" will be discussed by Albert G. Bergesen, Regional Commissioner, U.S. Customs from Los Angeles.

Finemaster Bob Dooley will probably attempt to sell everyone a life insurance policy.

OTHER George Chaffey will speak 11/15 on "Rotary Foundation, the ideal of service".

Keep saving your blood for the Kaiser party 11/18, 11 A.M. to 4 P.M. Family members welcome and fine exemption for a month.

Attendance during September was 93.42%, 14 members missed 1 meeting, 5 members missed 2 meetings, 3 members missed 3 meetings and 1 member missed 4 meetings.

Alan Bostwick has a few 1977-78 Rotary directories left, at the sale price of \$2.50, marked down from \$2.50 (that's how school people operate). These are very handy for finding makeup locations when traveling.

Our members get around. John Bunting recently made up in Athens, Greece, Ron Koster in Honolulu and Kauai, and Bob Durkin in exotic Kenosha, Wisconsin.

Phil Schneider was a recent speaker at the El Cerrito Club.

Question of the week (or month, or year). Why is our Rotary sign still hanging up at Mel's Bowl?

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

TODAY

NOVEMBER 8, 1977

HOLIDAY INN

TODAY  
11/8/77

Mr. Albert G. Bergesen, Regional Commissioner, Treasury Department, U. S. Customs Service Region VII, Los Angeles will tell us about the "Customs Service and the Interdiction of Narcotics". Even tho he'll have to define that term for some of our lesser literary lights, this should be a very timely topic. Bob Dooley insures us there will be some fines.

LAST WEEK  
11/1/77

You missed a good one if you didn't hear Alan Dote at the piano. He was introduced by Les Riddell and proceeded to tell us of some of his 119 record albums and 12 gold records--like Joanne, One Step Beyond, and Walk, Don't Run. We all joined in song with Sid leading and Alan tickling the ivories with Embraceable You, April Showers, You Made Me Love You. Alan has written the "Redwood City Song" and sang it for us--made us feel like there's no better place on earth!

Lights in the big city can really get you down  
So I started lookin' for my kinda town.....

Redwood City--4000 miles to go!  
Drivin' along 50 seems so slow!.....

To Redwood City and the Lady that I love!

How can that help but be a smash hit!

Tom Hallum, newest member, led the Pledge of Allegiance, and Vince Claypool prayed first and then proceeded to fine the membership with impunity. Or--no mercy--not sure which is the best way to say it.

Our student guests were Dave Levenson and Susan Brown, Woodside's Student Body President and Vice President. In case any of you are a bit unclear about this, Woodside High is not in Woodside but Redwood City. So that's why we have visitors from both high schools.

George Bold came back just in time to win the drawing donated by Jim Newell--the book entitled "Hometown, U.S.A.". Hope John Bunting is ready for a whopping fine when he returns from his overseas tour--latest make-ups came from Cairo and Jerusalem--in that order. Fifty years ago the Cairo club gave the J.C. a bell, and now they don't speak to each other. Hope John gave them a pep talk about the true meaning of Rotary!

In that regard, Our District 513 will be able to name a record number--7--recipients for the 1979-80 Rotary Foundation awards. Alan Bostwick reminds us this comes about from the large per capita donations made by Rotarians in our district. Selections come in early 1978.

NEXT WEEK  
AND LATER

- Nov. 15 Dr. George Chaffey--Rotary Foundation, The Ideal of Service. Very timely following the above note and to kick off Rotary Foundation Week. Also watch out for Sid Berlin, finemaster.
- Nov. 22 Mrs. Sheila Teman of Ameritone Paint Co.--"Color Key"
- Nov. 29 Dr. William Gilbreath, Project Scientist, Space Project Team, NASA, Ames Research Center--"Space Settlement Concept"

Know Murphy's Law of Thermodynamics? Things get worse under pressure! (So relax!)

Officers for 1977-1978

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

TODAY

NOVEMBER 15, 1977

HOLIDAY INN

TODAY  
11/15/77 Rotary Foundation, The Ideal of Service, as told by our own George Chaffey.

Sid Berlin will show us how he will fine if he is ever appointed to the bench.

LAST WEEK  
11/8/77 The singing was led by Sid Berlin without any piano accompaniment.  
Jerry Olhiser led the pledge and Russ Cox gave the invocation.

We again had Dave Levenson and Susan Brown from Woodside High as student guests.

Bob Durkin passed around a picture book of Amigos de las Americas projects. I don't recall seeing any pictures of oranges, though.

Walt Small is collecting \$22 per couple for the big (or is that now little) game. Enter the parking lot at El Camino and Churchill.

Dave Schricker has brochures for the Tokyo R.I. convention.

Hope you're all still saving your blood for the "bleed in the bottle" party scheduled for 11/18 at Kaiser between 11 A.M. to 4 P.M. See head (or is it throat) vampire Don Helbush if you need any further details.

Don is also pushing a Warriors game on 12/8. See him if you are interested.

The bad news was given by Dave Schutz. I don't recall any good news. Bob Dooley insured that hardly anyone went unfined.

The prize, donated by Don Noren, was won by Bill Bergler. Somehow he seems to win something every week.

Our speaker, Albert G. Bergesen of the U.S. Customs Service, gave us all the details of how to smuggle and get caught. The Customs Service is 188 years old (the oldest Federal agency) and is the third largest in revenue production. They took in \$6 billion last year with \$16 of income for each \$1 of expense. That's the way to run a government. Drug runners lost 130 aircraft to seizure last year.

NEXT WEEK The speaker's subject is "Color Key" by Mrs. Sheila Teman of Ameritone Paint Co.

Leo Fabricius will probably auction false teeth as finemaster.

OTHER Dr. William Gilbreath of NASA will speak 11/29 on "Space Settlement Concept".

For make-ups, Russ Cox reports that the Bayshore Club now meets at Rick's Swiss Chalet. They are no longer at the location shown on the back of the Spoke.

Open classifications - ARCHITECT - can't someone draw some plans to get one in the club?

We need a candlemaker in the club to show us how to relax. It's reported that they only work on wick ends.

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

TODAY

NOVEMBER 22, 1977

HOLIDAY INN

TODAY  
11/22/77

Mrs. Sheila Teman of Ameritone Paint Co. will explain "Color Key".

Leo Fabricius is finemaster. Hold on to your teeth. He may need replacements for the falsies he makes.

LAST WEEK  
11/15/77

Sid Berlin again led the singing with no piano. (Menlo Park now has a lady pianist who plays background music before the meeting and during the lunch.)

Ken Blumenthal led the pledge and Wes Westerdahl gave the invocation.

Jack Keller passed around a sign-up sheet for a club-sponsored CPR instruction course. If you missed the sign-up, see him.

Bob Waligore gave the newscast. Sid Berlin levied the fines. I hope his clients do better in court than our members did in the audience.

Jerry Olhiser donated the prize, which was won by a visitor. The same visitor also had both tickets for the fine-free prizes. Who is supposed to mix up those stubs in the basket? At least Leo shouldn't lose any money to ticket wavers.

George Chaffey spoke on the Rotary Foundation and the history of Rotary. Did you realize that there are no Rotary clubs in the world which belong to Rotary International? It's only the individual members who belong to R.I. Our International president is now Jack Davis whose theme is "Serve To Unite Mankind". The Rotary Foundation provides 1,300 to 1,500 awards per year to recipients for study abroad.

NEXT WEEK

You will hear "Space Settlement Concept" by Dr. William Gilbreath of NASA.

Finemaster will be Les Riddell. I suppose that means Tony Goodsite will be fine exempt.

OTHER

There is supposed to be a bus to the Warriors' game on 12/8. I presume that's if the bus ever floated back from the big game. See Don Helbush if interested.

Speaking of the big game, what is so "big" about the game to those of us who didn't go to either Stanford or Cal?

Open classifications - ADVERTISING - A good man from here could spread the word about our club.

I hear that a little incompatibility is the spice of life, particularly if he has income and she is patable.

# ROTARY SPOKE

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

TODAY

DECEMBER 13, 1977

HOLIDAY INN

TODAY  
12/13/77

Bob Bain will speak on "Overeaters Anonymous". If you quit drinking after last week, you should quit eating after this.

Jack Keller is scheduled to extinguish with fines the money burning holes in your pockets.

LAST WEEK

Jim Greenwell played, Sid Berlin sang, Mike Ivceovich pledged and Norm MacLeod gave the invocation.

I hope the house committee members were all present for the lunch. It seems that our meal charge is large enough that the cook could turn on the gas for at least a little while under the rolled steaks. And Russ Cox pronounced the last rites over the square items that might have been salads in the low-cal plates.

Gretchen and Ben were student guests from Sequoia.

We have a new member - Gerry Schick - a senior active and former member of clubs at St. Thomas and St. Croix in the Carribean and in Austria. Welcome, Gerry.

Bob Waligore gave the usual bad news and Les Reese as finemaster insured that everyone went home broke.

Bob Pierce donated a waterproof prize won by Lem Summey.

Jim O'Toole presented Project 90, an apartment living alcoholic rehabilitation program, funded by San Mateo County. A staff of seven processes persons referred by the courts, probation department, churches, etc., through therapy.

NEXT WEEK  
12/20/77

CHRISTMAS PARTY. Bring your wives, girlfriends, secretaries, or whatever. Also bring cookies for the U.S.O.

Finemaster will be Don Helbush. He may want a pint of blood from each of the ladies.

OTHER

12/27. Meeting with no speaker. Big mystery.

Oranges are on sale for \$6.00 per box for the benefit of Amigos de las Americas. See Bob Durkin.

Christmas trees are on sale by the Y.M.C.A. at Woodside Plaza.

A blue vase is missing from the big game van. It was not meant to be eaten as a snack. If anybody has it please return it to Bill Bergler.

Calling all Eagle Scouts. If you are an Eagle Scout the San Mateo County Council would like to know about it. An adult alumni list is being developed. Tell Howard Robinson or call him at 341-5633.

Open classification - VETERINARIAN - find a fellow who likes to pet.

Remember, when investing money be as careful as a nudist climbing a barbed wire fence.

# ROTARY SPOKE

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

TODAY

DECEMBER 27, 1977

HOLIDAY INN

TODAY  
12/27/77

The last meeting of the year. No speaker. Only fellowship. If President Dave doesn't fillibuster too long we might get out early.

Finemaster could be Les Reese. It also could be George Chaffey. It also could be anybody else one of them swapped with. Then again, maybe Dave will have some leftover Christmas spirit and adjourn the meeting before the fine session. There's always hope.

LAST WEEK  
12/20/77

The ladies were here. They sure brightened up the meeting room. We should have them more often. The Canada College Singers performed and did a magnificent job with multi-part harmony.

Our resident Jewish Cantor, Sid Berlin, led a Christmas carol accompanied by Jim Greenwell on the ivories. Dick Chilingarian led the pledge and George Chaffey gave the invocation.

Don Helbush did the fining by asking questions about Christmas. I still don't quite understand how the Christmas card tradition started centuries before the birth of Christ.

Les Reese donated the prize which was won by Dick Chilingarian. Dick has now had his name mentioned twice today which should be worth something.

NEXT WEEK

Ed Carrera will light up the new year with a gas of a fine session.

The speaker had not been confirmed by my press deadline so you will have to stay in suspense for another week.

OTHER

If your name, address, phone number, wife or Rotary anniversary date are not correct on the back of the Spoke, please contact Alan Bostwick or Les Reese this week so that the new printing will be correct. Come to think of it, there may be only a limited amount those two can do about correcting your wife.

Open classification - PHOTOGRAPHY - find someone who likes dark rooms and something may develop here.

A fisherman just back from a trip, hauled a 38 pound trout out of his trunk and shouted for his neighbor to come see it. The neighbor ambled over, glanced at the fish and then looked in the trunk. "Just one?" he asked.

# ROTARY SPOKE

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

TODAY

JANUARY 3, 1978

HOLIDAY INN

HAPPY NEW YEAR

TODAY  
1/3/78

Our speaker is Douglas J. Gray, an attorney and formerly a deputy district attorney prosecuting criminal cases. He is scheduled to tell us of some of his past experiences.

If it's not Ed Carrera's day for a "rotating outage block" there should be an illuminating fine session.

LAST WEEK  
12/27/77

Jim Greenwell played and Sid Berlin led the singing. Did you know that Sid has a racehorse named after him? The horse's name is Berlin's Law and it's racing at Santa Anita. A client of Sids owns it and I'm not sure just which part of the horse is named after Sid.

Jack Estes led the pledge and Wes Westerdahl gave the invocation.

Finemaster George Chaffey organized a poker game, among other things. Plus square nails, cigar boxes and enough time that if there had been a program it would have never gotten started.

Walt Koslosky won the prize donated by Les Riddell.

NEXT WEEK  
1/10/78

John Campbell will insure your life with fine money.

There is a reliable report that there will be a speaker but that he is just not confirmed yet.

OTHER

Our sign finally was taken down from Mel's Bowl. Thanks to Mike Kreiss.

Tony Goodsite is home from the hospital and reported doing fine with a crack in a bone.

Phil Schneider has been on the radio regarding the alcoholic rehabilitation work he is doing. Is he trying to rival Henry Ritter as our biggest broadcasting celebrity?

George Riley from the State Board of Equilization has reported that last year Californians spent \$4.1 billion on alcohol, \$1.3 billion on cigarettes and \$8.8 billion on recreation. Just think how much good could have been done with those alcohol and cigarette billions.

Open classification - SAVINGS & LOAN - a little interest here might stimulate the loaning of a classification.

A man suing over an automobile accident was being questioned by the defendant's attorney. "Did you or did you not say at the time of the accident that you were not hurt?" "I did," replied the plaintiff. "But you see, it was like this. I was driving along the road with my old horse and wagon when along comes this car and knocks us into the ditch. You never saw such a horrible mess! There I was, flat on my back with my legs in the air, and there was my old horse, flat on his back with his legs in the air. Well, sir, this motorist gets out of his car and looks at us. He sees that my horse has a broken leg so he reaches into the car, takes out a gun, and shoots him. Then he turns to me lying there and he says, "Now what about you? Are you hurt?"

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

TODAY

JANUARY 10, 1978

HOLIDAY INN

TODAY  
1/10/78

Our speaker is Melvin Turner, Executive Director of Capture, who will give us an updating on the activities of this formerly federally-funded but now private non-profit crime prevention organization serving San Mateo County.

John Campbell is finemaster today. He'll show you what poor protection you have and make you run for coverage!

LAST WEEK  
1/3/78

Douglas Gray, our speaker last week, shared with us some of his experiences and views as a deputy district attorney for San Mateo County, which office he left two months ago to return to private practice. In recounting his days as a prosecutor and trial lawyer, Mr. Gray discussed some of the problems, as he sees them, with our criminal justice system and some misperceptions of that system on the part of the public-at-large.

Sid Berlin led us in song with Jim Greenwell's usual fine accompaniment. Ken Blumenthal led the pledge. George Chaffey's invocation gave us some thoughts for the year to come, and Hal Hjertberg delivered the news.

Ed Carrera, finemaster for the day, was not only illuminating but electrifying. It was a real gas and many got quite a charge out of it!

President Dave read Bob Friebertshouser's letter of resignation. We'll miss him, but wish him well as a charter member of the new Truckee Rotary Club. President Dave also noted our arrangement with the Holiday Inn is now month-to-month, and the new luncheon tab \$5.50.

Don Helbush is lining up a group for the Warrior-Knicks game this Friday the 13th! Give him a call. Henry Ritter topped the bidding for the fine exempt badge--a good operation on his part. And from Denmark came word that redwoods don't seem to go with cheese and beer. (If that doesn't make sense, ask Tom Poore to decipher it)

Bill Maxwell introduced Bill Clarke, his successor at Wells Fargo's Broadway-Main Branch. Bill (Clarke), incidentally, was just recently inducted into the San Bruno Rotary Club! Bill (Maxwell), as you may know, is joining the Wells regional team in San Mateo, but, happily, will remain in residence in Redwood City.

Lou Rolla anted up the doorprize. Joe Mell made off with it.

NEXT WEEK  
1/17/78

Bob Waligore guarantees you'll have a fine day--but perhaps not too thrifty!

At press time, next week's program is waiting to see if it will be next week's program or the following week's program!

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

TODAY

JANUARY 24, 1978

HOLIDAY • INN

TODAY  
1/24/78

This month's Program Chairman, George Bold, tells us that our speaker will be Anne Taylor, Executive Director of the Criminal Justice Council of San Mateo County.

Finemaster Jim Parmelee will pick your pockets, but legally, of course, and may just make your hair curl too.

LAST WEEK  
1/17/78

Norm MacLeod gave us a private showing of a film recently acquired by his firm documenting the construction of the Alaska pipeline. This very professional bit of film work gave a fascinating and at times mind boggling display of some of the monumental logistics problems confronted in this multi-billion dollar construction project.

Sid Berlin and Jim Greenwell handled the music, Max Gerfen the pledge, Vince Claypool the inspiration and invocation, and Hal Hjertberg the news.

Our student guests, Sally Wood and Dave Ellison expressed their thanks for having been invited to attend these past weeks and pleased the members with their kind impressions of the club's activities.

Finemaster Bob Waligore delighted Orv Graves as he filled the coffers by our ignorance of many facts and fancy on Sherlock Holmes. The interest may not have been too great but it attracted lots of capital.

VARIA

Anyone making up with the Burlingame club on the 26th or 1st should note that on those dates their meeting will be at the Ramada Inn instead of the Airport Marina.

Messrs. Bostwick, Durkin and MacLeod have been appointed a committee by President Dave to review our By-Laws. Contact them if you have any input.

It used to be that additional actives had to be of the same classification and company. R.I. has expanded that so you now may propose an additional active of your classification from another company, firm, agency, etc.

At last December 1st, Rotary's worldwide membership comprised 814,000 in 17,460 clubs covering 152 countries.

Officers for 1977-1978

Norman MacLeod, President Elect  
Robert W. Durkin, Past President

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

TODAY

JANUARY 31, 1978

HOLIDAY INN

TODAY  
1/31/78

Our speaker is Suzanne Reese, Career Education Consultant in the Sequoia High School District, and she will tell us about the District's programs for community-based career education. You'll find it hard to resist her persuasive charms and may even find yourself wishing you were back in high school!

Our finemaster is Howard Robinson who will be scouting around for some funds--may not seem too friendly to you but certainly helpful to the treasury.

LAST WEEK  
1/24/78

Our speaker, Anne Taylor, Executive Director of the Criminal Justice Council for San Mateo County, reviewed the flow of funds from the Federal Law Enforcement Assistance Administration thru the state and regional/county agencies and on down to the various programs which they sponsor at local levels.

Jim Parmalee was fortunate to win one of the fine exempt tickets. After the way he solicited last week's fines he will need it!

Bob Pierce conducted the singing, such as it was without Jim Greenwell's usual note-making. Jim did lead us in the pledge, and Vince Claypool gave the invocation. Our newscaster was Bob Waligore.

For those of us behind in our reading, Carl Mable gave a synopsis of the recent Rotarian issue featuring Japan, site of the upcoming RI International Convention.

VARIA

President Dave says that he has dispatched a letter to Dr. Watanabe in Hiratsuka to initiate this year's youth exchange program. You will recall that this year we will be the hosts to our young Japanese visitors.

Bob Friebertshauser, now a director and charter member of the new Rotary Club of Truckee, notes that their meetings will be held at 12:15 p.m. on Thursdays at the Tahoe-Donner Northwoods Clubhouse off Highway 89. Make note, you skiing and hiking buffs.

By the way, that big spread in the Tribune re the officers and committees of the Chamber of Commerce ought to be worth a lot to our club coffers. Hard to tell where the Rotary Club leaves off and the Chamber begins!

I know it's old stuff (from before Christmas) but it bears repeating. Bob Rockwell, editor of the San Francisco Rotary "Grindings" said about his visit to our club: "To walk in, be greeted, latched on to and sit with a group of instant friends is an outstanding experience. Rotary is best when shared". Congratulations to all of us and a special note for Paul Jones who helps make it happen.

# ROTARY SPOKE

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

TODAY

MARCH 7, 1978

HOLIDAY INN

Thank you: Tom Hallum, for pumping up the kitty. Russ Cox, for the Invocation and last week: bringing our Student Guests. Sid for the songs. Jim for the music. Pete for the ticket sales. Hal for the news. Bob Waligore for the drawing gift, won by Ken and there was Joe Mell again presenting one of his favorite programs - Denny Green, offensive back coach, of Stanford and Gordie Saracino, middle line backer extra super, along with a heck of a reel of Stanford football. Go get'em Cardinals!

Jerry Olhiser, presented seventeen year old Juanita White, Student Body President at Menlo-Atherton High School. Miss White spent 5 days in Sacramento representing the Y's Youth in Government Program. Our Club donated \$250. toward this program to send representatives to both San Luis O'Bispo and Sacramento.

Today: Finemaster, George Bold, you can bet the fine-pot will runneth over.

Program Chairman Henry (he heard the District Gov's appeal for attendance today) Ritter, presents two active candidates for the County Assessors office shortly to be vacated by our own good member Jack Estes.

Thoughts: "It's really enjoyable eating lunch together but now is the time for each of us to take stock of ourselves as Rotarians. The object of Rotary and the Four-Way Test are codes that wouldn't hurt any of us to review when we get home tonight. They are the substance of your commitment to your club and fellow man. Has your attendance been good? What have you accomplished as a committee member or as a chairman? What have you accomplished as a board member or officer? Did you have a plan? Did you work your plan? If you need to get underway, there is no better time than now." ( This from the Lakeport's Rotogram).

Sponsor: help new member. Has the man you proposed for membership entered into the spirit of Rotary? If not, the club loses and he loses. Perhaps you are the one Rotarian who is most able to help him. Renew the checklist for the sponsor in "Getting Started in Rotary" (no. 333).

Pres-elect Norm is no doubt looking ahead and considering assignments to the various committees during his up-coming term of office. He will be asking you to volunteer for the committee you prefer. Remember in Rotary no one says "no" to committee assignments. Volunteer and get the job you prefer.

Next Finemaster: ??????????  
Week:

Program; Henry Ritter thru Joe Mell presenting Sports Announcer Don Klein from KCBS.

Clean Up: Those 100% attendance tabs which were overlooked are as follows: Orv Graves, as audited, -20 years. Lou Rolla- 13 years. Tony Goodsite, 21 years. Del Mitchell- 10 years. Joe Souza- 1 year. (per Sec.)

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

TODAY

MARCH 21, 1978

HOLIDAY INN

TODAY

A quartet of "Icebreakers". Our newest members, Dave Brecheen, Merle Fruehling, Bob Haight and Gerry Schick will honor us with a personal tour of their road to Redwood City Rotary. Always a privilege for all of us. Always interesting and enjoyable. Always a reminder to all of us of the importance of really knowing and so better understanding all those nice people with whom we share lunch most every Tuesday.

After having subs for two weeks running, we'll cross our fingers and trust that true to schedule, our finemaster today will be Bob Haight. Better run for coverage as your wallet won't get protection from Bob this day.

LAST WEEK

Don Klein, KCBS Sports Director and long time voice of Stanford football, recounted in memory and on tape some of the tragic drama of the Munich Olympics along with some of the happier moments of the Cardinals run for the Roses. "Spots" Mell made with the introduction--on an equal time basis.

Allen O'Gruman did the fining and for sure was no saint when it came to raising the green.

Bob Pierce led the singing and the Greenwell Symphony. Lem Summey turned our eyes to the flag and Wes Westerdahl our eyes to Him. Commenting on the news was Bob Waligore. Bill Bergler contributed the wine and bread and guess who took the offering?

NEWS AND NOTES

A last reminder--don't come to the Holiday Inn next Tuesday (the 28th). That meeting is cancelled. Instead, do remember that March 29 is the Inter-Service Club luncheon at the Elks Club. See you then.

The District Conference will be held in Santa Rosa April 18-20. Joe Souza has all the details. See him for registration.

If you're in the Tahoe area on March 30, why not drop in at the Tahoe-Donner North Woods Clubhouse off Hwy 89 where Bob Friebertshausen's new Truckee Club is holding their Charter Nite.

# ROTARY SPOKE

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

JUNE 21, 1978

HOLIDAY INN

**TODAY** Bill Kautz of Stanford Research Institute will tell us about the latest scoop on earthquakes and their prediction. Watch John Esson carefully as he tries to shake us loose from some of our change (as in finemaster).

**LAST WEEK** Our annual visit to the YMCA was an enjoyable one. Jerry Olhiser introduced the staff members present, and we were treated to a gymnastics and slide show demonstrating some of the activities of the Y. Debbie Garber produced the slide presentation to the tunes of "Teach Your Children", "As Dreams Go By", and "Where Do the Children Play?" Karen Schenk, wife of Larry, Director of the Y, organizes the gymnastics training (future Olympians?).

You might know that Bill Maxwell would be highly organized with his fining system. He'd sent for publications from our home town Chambers of Commerce and then expected us to pay for that service. Bob Pierce lucked out finally by winning the drawing--prize donated by Leo Fabricius.

The fine-exempt list grows longer. Now it includes Berlin, Chilingarian, Durkin, MacLeod, Mell, Summey, and Dick Jones. Surely there are others who would be happy to join that select group!

**OTHER NEWS & NOTES** Bob Biggs, Honorary Member and Counselor at Menlo-Atherton High, has just retired. So did Trudy (Attendance Secretary At Carlmont), and they'll start the celebration by taking off for Europe tomorrow.

Fran Pearson has been selected by the Board to be Secretary Pro-Tem, and from the good news out of Bangkok, it may be a short term! Alan Bostwick is doing well, according to a cablegram Pres. Dave received from the President of the Rotary Club of Bangkok. Just in case you haven't written Alan a note, his address is: Bangkok Nursing Home, 9 Convent Road, Bangkok 5, Thailand. Airmail postage is 31¢ per half ounce.

Redwood City was well represented at the Assembly in Rhonert Park: Schricker, Souza, MacLeod, Blumenthal, Dooley, Durkin, Enomoto, Pearson, and Gruman. The keynote address was given by Bob Paroli, new District Governor, and it was announced that his representative to Area 13 of District 513 is Lucky Bob Durkin. Bill Enomoto has been appointed to the VISA committee (Visiting International Students Association).

**COMING UP**

- June 24 Dinner Dance at the Villa Hotel
- June 27 No meeting (a make-up is required if you missed the dinner-dance)
- July 4 No meeting (make-up not required)
- Sept. 15 Golf Tournament, engineered by that mad trophy giver, Jerry Schutz
- Nov. 18 Big Game day. We hope to have 50 tickets. Put a ring around the date.

The year 1978-79 is "REACH OUT" year according to our International President, Clem Renouf of Queensland, Australia. Reach out across your desk, across a room, across a street, and across the world. Let's each of us make those personal goals--as club members and as members of our community.
