## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

JULY 18, 1978

HOLIDAY INN

- TODAY** Chris Cobey, Menlo Park attorney and Democratic Candidate for the 20th Assembly District will tell us what it's like to pull out a squeaker and what lies ahead for him in his candidacy.
- LAST WEEK** Marvin Church, County Clerk/Recorder for our county, described the duties and responsibilities of his office. That list was a long one, and no doubt many of the members were surprised to learn of all the tasks which his position covers. Figures like 13,000 absentee ballots don't sound excessive until you think about actually counting them--including the consideration that there were 65 different ballot forms. He gets to perform marriages, too!
- President Norm proudly displayed his new "Send in the Clowns" T-shirt, gift of the club. Despite the questionable implications of that slogan he ran a good first meeting under his total control and earns a grade of at least B+.
- Paul Keckley reminded everyone that the Japanese students coming next week need places to go and things to see. Members were asked to volunteer their places of business or other possibilities for visitations, and to assist with transportation. The students are ages 16-22. Please contact Paul if you can help.
- When the history of finemasters in our club is written there ought to be a special page for John Esson. He does the most thorough job ever, with some members fined two or three times. Anyway, we're off to a good start for the year, except that Bob Pierce still has the fine free placque. Is that a permanent placement?
- Ron Kinsman, banker, walked off with the prize in the drawing, donated by Jim Fitzgerald.
- BOARD NEWS** The Board of Directors voted to make Nels Nelson an Honorary Member--after 51 years in Rotary (15 of them in Redwood City). Nels moved some time ago to Mountain View, but has been able to make it to our meetings occasionally. A well-deserved honor. Congratulations, Nels!
- Also the Board accepted with regrets the resignations of Jack Estes and Howard Robinson from the club. Jack had been a member for 14 years; Howard for one. Howard will still be active in Scouting in this area--Jack is looking forward to retirement and gentleman farming. We wish them both well and appreciate the service both have given our club.
- TAKE HEED** Committee Chairmen need to have reports and plans for the year drawn up and forwarded to Pres. Norm no later than August 7. Don't forget! Half Moon Bay Club now meets at the Princeton Restaurant at Pillar Point Harbor--Tuesday noon.
- NEXT WEEK** Bob Naylor, San Francisco attorney and Republican Candidate for the 20th Assembly seat.

DISTRICT 513

JULY 25, 1978

HOLIDAY INN

**TODAY** Bob Naylor, San Francisco attorney and Republican candidate for the 20th Assembly seat, will provide us with an alternative to last week's speaker. Two successful attorney candidates for the same post from the last election is undoubtedly a rarity, and it is our real pleasure to have both as guests of our club. Thanks, Sid.

**LAST WEEK** To the tune of "For He's a Jolly Good Fellow" we welcomed Alan Bostwick back from his extended stay in Bangkok. Looked like he was well taken-care of, and he had good things to say about their medical care.

Our speaker was Chris Cobey, formerly in the D.A.'s office in the County, who resigned to run for the Assembly last September. His three vote margin came in for much comment, and he can now claim the nickname "Landslide Chris". Next time may be different, but he recommended joint appearances with his opponent and expressed dismay at the excessive cost of campaigning (approx. \$66,000 per non-incumbent in the general election campaign). Joe Mell subbed for Sid Berlin in introducing another Stanford grad.

Finemaster Durkin upped the toll to \$3 per and proceeded to find every excuse in the book to extract funds. Easy as pulling teeth! Bill Bergler pulled a fast one in winning the ceramic replica of South Carolina (with a little something inside), donated by Tony Goodsite. Others who made our day were Dave Schutz with the news, Les Riddell and Jim Greenwell with music, Merle Fruehling the flag salute, and Chuck Long the invocation.

- COMING UP**
- August 1 Sen. Arlen Gregorio, running for re-election to the Senate. His successful opponent, Marz Garcia, was a guest of our club prior to the election, speaking on Prop.13.
  - August 8 Club Assembly. Committee Chairmen are reminded that their reports for the new year are due this date.
  - September 5 Deadline for registration for the RCRC Golf Tournament, to be held on September 15. See Jerry Schutz early for reservations since the number who may participate is quite limited.

**OTHER** Our treasurer has presented a budget of \$12,265 for the 1978-79 year and right at the moment it's balanced (He sees \$12,265 as income!). Now all the rest of/have to do is make all that possible.

us

Alan brought back two of the gifts he received on his trip in slightly damaged condition--a saki-soaked banner from the Makati Club in the Phillipines! While he recovers (from jet-lag) Fran Pearson has taken on the duties of Secretary, and either he or Bill Enomoto will be most happy to receive your make-up cards.

For the next three weeks your editors will be Hal Hjertberg, Les Reese, and Jim Newell, in that order. Be kind to them!

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

August 1, 1978

HOLIDAY INN

TODAY Our speaker today, Senator Arlen Gregorio, rounds out our exposure to the candidates who will be seeking our votes for election or re-election to the State Senate and Assembly this fall.

Don't expect bouquets from our finemaster today, George Szpotek, who may buttonhole you for a little of that greenery that goes so well in the treasury.

LAST WEEK Bob Naylor, Republican candidate for the 20th Assembly seat vacated by Dixon Arnett, gave his views on a broad spectrum of state and local issues with particular regard towards the shape of "post proposition 13 government". As Mr. Naylor stated, they can't pick on each other (the candidates) for being lawyers this year - they all are - and though not so stated, it might be noted that the 20th district, no matter who, will continue to stay in the red and not the blue. Cardinal red, that is.

Bob Pierce led us in song (that's being generous). Jim O'Fitzgerald handled the pledge. Dave Brecheen gave the invocation and Dave Schutz updated the news.

Finemaster Walt Koslosky hauled in lots of dollars while setting the records straight on just about every parcel of useless trivia not known to thinking men.

OTHER VARIA Remember that next week, August 8, is Club Assembly and those reports on plans for the coming year should now be in President Norm's hands for all you diligent committee chairmen out there.

Registrations for the September 15 golf tournament must be turned in to Jerry Schutz no later than September 5. The field is limited so you'd better chip in now if you want to swing later.

Don't forget that Fran Pearson has stacks of the world-wide directory of Rotary Club meeting places for just \$2.50 a copy.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

AUGUST 15, 1978

HOLIDAY INN

**TODAY** Marz Garcia, who spoke to us in favor of Proposition 13 before the election, will now tell us what has happened since the election and, hopefully, what will happen in the future.

Finemaster is scheduled to be Dick Chilingarian. He will probably try to ensure title to your money.

**LAST WEEK** Sid Berlin and Jim Greenwell led a rousing song session. Rex Dillon led the pledge and Bill Bergler gave the invocation.

Hal Hjertberg gave us good news, bad news, and everything in-between.

Cliff Hawkins collected lots of loot on a semantics test. He called in a AAA tow truck to haul it away.

Nels Nelson was presented with an honorary membership card, a fancy pin, roses and a standing ovation. Congratulations, Nels. Hope you can come see us often.

Tom Hallam provided the prize won by Hal Hjertberg.

Then it was club assembly. The big discussion, led by Sid Berlin, was on moving to the Peninsula Covenant Church for our lunches. They would be catered and the fee would probably be \$5. There would be round tables, no drinking, no smoking(!), and plenty of parking. The Church space is compliments of Wes Westerdahl. The membership unanimously recommended a yes vote to the Board of Directors.

Other items mentioned were requests that there be more money go to local scholarships rather than to the Rotary Foundation, more special events, and to put the committee chairmen's names on the bulletin. The directors seemed to be listening attentively.

**FLASH** I have been reliably informed that it is official that our first meeting in September, and all subsequent meetings, will be at the Peninsula Covenant Church, 3560 Farm Hill Boulevard, Redwood City (we're back in town again). Same day, same time. Only two more meetings after today at the indigestion palace.

**OTHER** There will be a luncheon at the Port on 9/20/78. See President Norm for tickets, or reservations, or whatever.

September 15 golf tournament at Stanford. See Jerry Schutz .

August 22 Japanese visitors party. See Bob Durkin.

**NEXT WEEK** Paul Young isn't sure, as this goes to press, who his speaker is for next week, but if his "jump ball" is whistled dead, there may be a fringed hoop before us.

Merle Fruehling as finemaster will attempt a new curriculum and practice for acquiring "post-13" money for the school.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

AUGUST 29, 1978

HOLIDAY INN

**TODAY** District Governor, Bob Paroli, no stranger to our club, will charm us with his enthusiasm for Rotary. By the time you read this he will have already been impressed with our committee reports, our outstanding Board of Directors, and our esprit de corps. Now if the rest of you will behave . . . . .!

**LAST WEEK** None other than Alvin Attles, coach of the Warriors, held us spellbound with his stories of that other world of the basketball court. Don Helbush introduced him, and spoke of his intense desire which proved to be so successful on the court. Alvin A. countered that he "had to--he had a family to support!" He claimed to be a strong supporter of the silent majority--particularly after some of the fan mail he has received. He played the Rick Barry/Bill Walton musical chairs game close to the vest. However, he remembered that four years ago, after speaking to our club, his team finished the season with 59 wins! Go get 'em.

Our five Japanese students were guests at lunch, and each one expressed thoughts about their visit and the warm reception given them by members of our club. Our special thanks to those who made their visit a memorable one. Bob Durkin wound up the tour with a trip to Disneyland before seeing them off on the plane at LA.

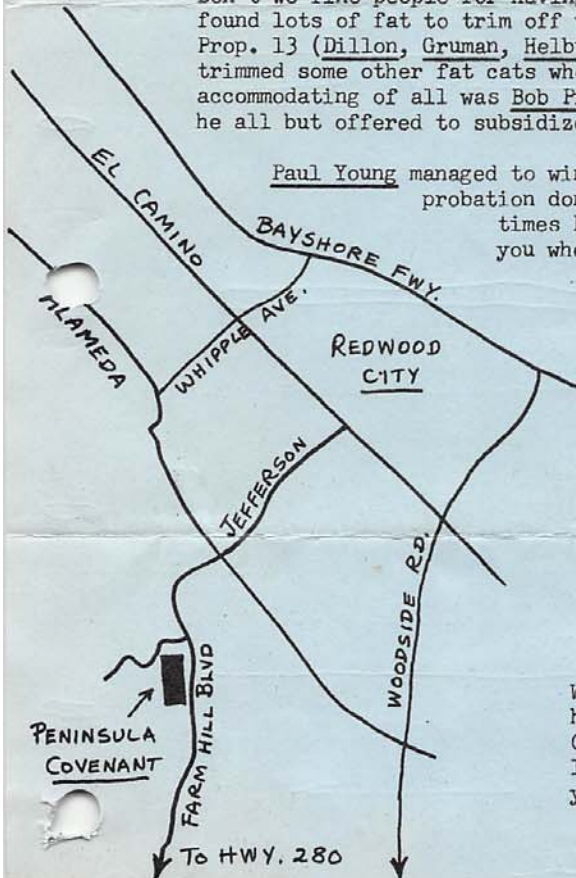

Ron Koster reported on his visits to Nairobi, Mombassa, Tehran, and Afghanistan. Don't we fine people for having too good a time travelling? Merle Fruehling found lots of fat to trim off various public officials who were affected by Prop. 13 (Dillon, Gruman, Helbush, Dick Jones, Kent, Kreiss, and Summey), and also trimmed some other fat cats who will reap windfalls in reduced taxes. Most accommodating of all was Bob Pierce who took such great joy in voting for 13 that he all but offered to subsidize the treasury for the next meeting too!

Paul Young managed to win the drawing--someone claimed it was 6 months probation donated by Don Helbush. (Ed. Note: that's three times D.H. has been mentioned--finemaster--where are you when we need you?)

Jerry Schutz reminds us that Sept. 5 is the deadline for signing up for the golf tournament to be held at Stanford on Sept. 15. Tune in next week to see whether there will be prizes for everyone!

**NEXT WEEK** We meet for the first time at our new location--Peninsula Covenant Church at 3560 Farm Hill Boulevard. Park in the lot where you turn off on Farm Hill. The lunch will be catered each week, and our gourmet expert, Sid Berlin, guarantees satisfaction. And the price is right--\$4.50. Raffle ticket prices unchanged.

We have a request from a Japanese Rotarian for a home this year for his daughter attending the College of Notre Dame in Belmont. She would do light housework in return for board and room. If you can help, contact Allen Gruman or Ken Blumenthal.

PENINSULA COVENANT CHURCH

#### WE ARE HERE! THE PROMISED LAND

**TODAY** Today's sermon will be by our own Wes Westerdahl, associate pastor of Peninsula Covenant Church. He is expected to welcome us to the Church and tell us something about it. Remember, Wes, the finemaster is the one who passes the collection plate, not the speaker.

Finemaster will be Bill Conklin. Very appropriate for an agricultural attorney to be on Farm Hill.

**LAST WEEK** President Norm MacLeod was back to lead us. Sid Berlin and Jim Greenwell performed for the singing, George Newlin, past district governor, led the pledge, and Bill Bergler gave the invocation.

Bob Paroli from Menlo Park, our new district governor, received a standing ovation before his annual presentation. He emphasized that all clubs need to increase their size. Even though international membership increased 27,000 last year, most of this was absorbed into 593 new clubs. He told of admirable community projects including the Willits club digging a four mile long irrigation ditch and Pacifica club painting homes. Rotary International has a new "Health, Hunger and Humanities" program, for which we presented to Bob a \$1,500 check. The Rotary International president's theme this year is "Reach Out" symbolized by two outstretched hands and both sides of the world globe.

Bob also did the honors of inducting two new members. Roland Gianinni is from the San Mateo County Assessor's office and Ronald Kinsman is the manager of the United California Bank branch in Redwood City. Welcome.

Bill Bulanti gave the newscast and Bill Stangel was finemaster, charging us for advertising. I think the Tribune's rates are cheaper.

**NEXT WEEK** Our speaker is scheduled to be ---??  
A surprise is in store for all.

Bill Bulanti, as finemaster, will probably attempt to sell us tickets to such exotic places as Tahiti or Alviso.

**OTHER** Today is the last day to sign up with Jerry Schutz for the golf tournament.

See Bill Bergler regarding the Russian River canoe excursion scheduled for September 12.

Sonoma Valley club is having a golf tournament on September 13. See president Norm if interested.

Did you know that in an effort to curb motor vehicle-camel accidents, Lebanese police asked herders to use fluorescent material on their camels' humps? This is intended to prevent humper bumpers.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

SEPTEMBER 26, 1978

PENINSULA COVENANT CHURCH

**TODAY** "Roots Revisited", a topic of much current interest, will be presented by Mr. Harry Pierson of Woodside Hills. He identifies himself as a genealogical hobbyist: Dr. Paul Young will do the honors in introducing the program.

**LAST WEEK** It was icebreaker time for two of our most recent new members. Dean White with the intriguing classification of Manufacturer, Nuclear Shielding, led off with his story. He's currently working toward an MA in English, is a graduate of Cal, with some work in the Santa Clara School of Law. His specialty in the business is advertising and sales, and he noted hobbies of making furniture and photographs. He and his wife Elaine Berlin White are expecting their first baby in November.

Rex Dillon is a native of Salt Lake City, graduated from the Univ. of Utah, and has worked in various governmental agencies for the welfare department, job corps, and probation. Currently he is working for the Superior Court doing domestic relations work, including child custody cases, step-child adoption, and freedom from custody and control. He served in the air force during the Korean War and at one time did personnel work for Hercules Powder Co.

**FUN & GAMES** Finemaster, Les Reese, found GRIN2 and CPA licenses belonging to Ron Koster and Jim Newell and thought that was worth a fine. His reese-oning led him to fine all senior actives who had not brought in new members to fill in their classifications. That one ought to be re-scheduled for next January to see if there have been any changes!

Big game bus time: there are only 48 tickets. Cost will be \$11 or \$12 apiece, but get your reservations in now.

Starting today all visiting Rotarians will be introduced by a RC member sitting at each table. Be prepared when Pres Norm calls on you.

**NEXT WEEK** Dr. Henry Ritter will present "Inside Red China, a View of the Peoples Republic".

**ROTARI-ANNE'S SPECIAL** Note to all Redwood City Rotariannes: Circle Oct. 11 on your calendars, please. It's time we got better acquainted, so we've reserved the dining room at Little Joe's Fish Factory located at Broadway and Woodside Road for 6:00 P.M., Wednesday, the 11th. After a brief social hour we'll enjoy a good dinner--the choice is red snapper or London broil, either one for \$6.50. Then we'll share ideas regarding future get-togethers and possible involvement in support of our husbands' R.I. efforts and interests.

Board members' wives will be telephoning in the near future for your reservation. If you do not get a call by October 4 and would like to participate, please call Frances MacLeod, A.M.'s at 365-6630, or at her home, 854-0896. Please come!

**R.I. BRIEFS** Applications are now available for Rotary Foundation Scholarships for next year. Categories open are for graduate or undergraduate studies (two years of college required), technical training, teachers of the handicapped and of journalism. You should know that our club has contributed a total of \$11,707 over the years to the Paul Harris Foundation--that puts us at the 1400% level!

CHARTERED APRIL 22, 1946

OCTOBER 3, 1978

PENINSULA COVENANT CHURCH

**TODAY** Dr. Henry Ritter will present "Inside Red China, a View of the Peoples Republic." Henry has been going places ever since he developed his expertise on living it up after you're 55. What did he tell the Chinese?

**LAST WEEK** We found out how to determine where we came from. Harry Pearson, genealogical hobbyist as he calls himself, told us about "Roots Revisited", and how we could do the same. His enthusiasm was catching, and in case you weren't taking notes, here's where to get started: Calif. Genealogical Society in S.F., Census records in city halls or libraries, Mormon library in Oakland and Salt Lake City, family Bibles, probate records and wills, etc., etc. Try this too: Beginners Guide to Tracing Your Family Tree by Parker, Lenzell/Brasch Assoc. Inc., Southfield, Mich.

Don Noren admitted his recent trip to the gaming tables led him to set us all up for a game of chance. Naturally it was rigged in the usual way--for the house--and in church, too! We left with our pockets and hearts lighter, but did you notice Ken Blumenthal struggling to carry out the loot. The other big winner was Cliff Hawkins, lucky recipient of the prize donated by Bill Koon.

If you have any money left, save it for the big game--bus, game ticket, and refreshments for only \$20 per. Pay by Nov. 7--see Walt Small or Jerry Schutz. Also save the date of Dec. 19 for the first annual Christmas party.

**ROTARI-ANNE'S SPECIAL EVENT** Reminder to Rotary-anne's: Have you marked your calendars for Oct. 11? This week you will receive a phone call regarding the get-better-acquainted dinner planned especially for the wives. The place is Little Joe's Fish Factory, Broadway and Woodside Rd. Redwood City. Time: 6 P.M. social hour, 6:30 dinner, choice of London broil or red snapper.

Reservations should be finalized by the 6th. If you aren't contacted, call Frances MacLeod, 365-6630 or 854-0896. A few last minute reservations will be allowable, so please check with Frances if you have a last minute change of plans. We look forward to seeing you on the 11th.

## ROTARY CLUB of REDWOOD CITY

CHARTERED APRIL 22, 1946  
DISTRICT 513

OCTOBER 10, 1978

PENINSULA COVENANT CHURCH

**TODAY** At long last, the program you have all been waiting for! Henry Ritter will present "Inside Red China, a View of the Peoples Republic." The question still remains, what did he tell the Chinese about how to live it up after 55?

**LAST WEEK** Bill Enomoto, one of our small number of native Redwood Citians, told us about the decorative flower business in San Mateo County. His father purchased 5 acres in 1907 to start the business after arriving in this country just before the turn of the century. Ornamental flowers grown on the Peninsula increased in sales from \$3 million in 1947 to over \$35 million last year. He even convinced us that there are style changes in flowers, too, with gardenias, orchids, and Easter lillies having seen their day. Guess that leaves roses still on top, and that's where Bill is! His weekly bouquets for our speakers are the talk of the town.

We're always insured of a good fining session with our Boring Insurance salesman, Bob Dooley, despite his boss's name. He reported on the findings of the Historical Committee as it dug up old yearbooks telling about members of RCRC. Can you believe he really found these, or did he make them up:

<u>Walt Small</u> --most talented	<u>Cliff Hawkins</u> --most friendly
<u>Bill Conklin</u> --most likely to succeed	<u>Bud Meyer</u> --best dressed
<u>Paul Young</u> --best car on campus	<u>Ron Kinsman</u> --most musical
<u>Bob Landau</u> --did most for the school	<u>Bill Bergler</u> --best personality
<u>Pete Hughes</u> --1/2 of the cutest couple	<u>Joe Souza</u> --most sex appeal

Whether they were figments of Bob's imagination or not, they cost each one \$5, but the good press was worth it, right?

The price for the Big Game changes each week, but the anticipation of a great time doesn't. . . Must see Walt Small or Jerry Schutz before it's too late.

**NEXT WEEK:** Dr. Glenn P. Smith, Chancellor/Superintendent of the San Mateo County Community College District, will describe the post-Proposition 13 era as it affects the three colleges--Canada, Skyline, and San Mateo.

**OTHER NEWS OF NOTE** Wednesday, tomorrow evening, some 24 of our Rotariannes will meet for dinner at Little Joe's Fish Factory. This should be the beginning of a new era for our club. We pledge ourselves to keep up a good relationship with our wives!

It was good to have student guests again last week, courtesy of Mike Ivicovich. Next time we'll be sure to get their names in print.

Thanks to some August make-up cards our September attendance record passed the 90% mark (by one-half percent). We ought to be much better than that. In other terms, that's 28 absences not accounted for, with 11 members missing two meetings each. Let's talk up a 100% goal every month.

**QUOTABLE QUOTE** Ownership is relative. The fewer the relatives, the greater the ownership!

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

OCTOBER 31, 1978

PENINSULA COVENANT CHURCH

TODAY Richard Daniels, Administrator, Sequoia Hospital, will talk about health care issues in San Mateo County.

LAST WEEK Dr. Glenn Smith, Chancellor of the San Mateo Community College District, helped us understand some of the Prop. 13 aftermath in the colleges. "We're walking thru a valley of darkness" when it comes to school finance now, he said, because the state legislature has yet to develop plans for financing public institutions after this year. He took the opportunity to fill us in on the variety of programs at the college and the needs of the community which the colleges attempt to meet. Bill Wenrich wasn't there to hear his boss say nice things about his school--some people like to live dangerously!

Dr. Smith's position as Vice President of San Francisco State during the Viet Nam years no doubt makes the present set of problems seem like child's play. Over 30,000 students attend the three colleges, or one out of eleven residents in the county, and that's a big clientele to please!

Bob Pierce as finemaster did a noble thing. He recognized all the hard working RCRC'ers who contribute to the club meetings with concertos, news, spokes, invocations, and the like, and then gave them back one of the two dollars they had put in the middle of the table as an ante. Now wasn't that a nice thing to do?

Chuck Long was welcomed back after a bout with the surgeon. And George Newlon was back again, his jolly old self. It seemed fitting that Fran Pearson, long time trustee of the CSM District, would win the drawing for the prize donated by Bob Landau.

COMING SOON Lots of good programs. Watch your Tuesday schedules, and don't let anything interfere with your hearing these:

- Nov. 7 Don Sledge, former Rotary Exchange Student, will tell about his experiences in Brazil. Now he's a Dist. Mgr. for PT&T.
- Nov. 14 Ms. Marion Taylor, Assoc. Engineer, PT&T, will present a talk, "To Divine the Future". This program will travel thru history for glances at the many important developments which help to shape our present telephone network.
- Nov. 21 Bob Rutherford and other RCRC'ers will present a program on membership classification and development.
- Nov. 28 Dan Seiffers will tell us that "There's More to Light than Meets the Eye". He's the Engineering Staff Manager, PT&T.

Take one guess only as to whom is Program Chairman for November!

- Dec. 5 Arthur Robinson, until recently the President of the Linus Pauling Institute will speak on Nutrition.
- Dec. 12 Sequoia High Madrigal Singers, led by Jay Selby.
- Dec. 19 Dinner at Tom Poore's--Rotariannes are invited, Jerry Schutz will be maitre'd. Is that how you spell it?
- Dec. 26 Club Assembly

Going to the Rose Bowl? Have dinner with RI President, Clem Renouf at the Marriott. Bob Paroli can put you in touch. Dec. 28, 7 P.M.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

NOVEMBER 14, 1978

PENINSULA COVENANT CHURCH

**TODAY** Ms. Marion Taylor, Associate Engineer, Pacific Telephone, will present a talk, "To Divine the Future". She will take us for a ride thru history and give us glances at the many important developments which helped shape our present telephone system.

Gerry Schick will undoubtedly come up with some phoney story to take us for a ride for our money during the fining session. And we'll undoubtedly be reminded of the Blood Donor date this Friday (by Helbush), the Big Game bus on Saturday (By Small and Schutz), and the Christmas party on Dec. 19 at Tom Poore's home. There's certainly a lot going on!

**LAST WEEK** John Esson introduced Don Sledge, a District Manager for Pacific Telephone, who described his experiences in a Rotary Group Exchange Program in Brazil. This program is part of the Rotary Foundation operations, involving exchanges between districts, of adults between the ages of 25 and 35. Mr. Sledge stayed with a family in Sao Paulo who spoke little English, but their communications were good and the experience most worthwhile.

Bob Landau reminds us that applications are now available for the 1980-81 Educational Awards from the Foundation, with the deadline set for March 1. That may seem like a long way from now, but it takes time to locate good candidates and complete the required steps in the process. Five different areas of study are included: graduate fellowships, undergraduate scholarships, technical training grants, teachers of the handicapped, and awards for journalism students. All awards are for an academic year and include travel, tuition, board and room, and other expenses. We need to start looking now for candidates to sponsor--contact Bob for more details.

Student guests last week were Brian Black and Leslie Poole, Student Body President and Vice President at Woodside High. Winner of the door prize was Mike Ivicovich, Chairman of the Student Guest Committee, with the prize donated by Dave Lobree. Mike also won the dart game, originated by finemaster Bob Landau, so he saved his table a few bucks. Roland Gianini deserved his special \$2 fine for having his name plastered all over town! Now that his election is assured, do we get to fine him again or do we tread cautiously while his assessor's office keeps an eye on our valuations?

**BOARD DOIN'S** The Board regrettably accepted the resignation of Jim Parmelee, and at the same time approved four new members who will be inducted shortly. Also approved were contributions of \$40 to the Fair Oaks Community Center and \$50 for the Community International Service Committee who are sponsoring a dinner at Canada College for foreign exchange students.

Nominations are open for the District Governor. There are some top-notch Rotarians in our Club who ought to be considered for this most important job. Contact Norm with your suggestions.

**COMING UP**  
Nov. 21 Membership--how do we do it, how do we grow, who does what?  
Nov. 28 Dan Seiffers, Pacific Telephone: "There's More to Light Than Meets the Eye".  
Dec. 5 Arthur Robinson on Nutrition (former Pres., Linus Pauling Institute.)

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

NOVEMBER 21, 1978

PENINSULA COVENANT CHURCH

**TODAY** Membership is the theme of the day, and six of our members will tell us how it's done and give us a chance to ask questions and to comment on the process:

Bob Rutherford, Chmn., Membership Development Committee  
Lem Summey, Chmn, Classification Committee  
Bob Brown, How to invite new members  
Tony Goodsite, How to identify prospective members  
Walt Koslowski, Membership application cards  
Bud Meyer, Chmn., Membership Review Committee

On hand to help us remember why we're members and to make giving to Rotary-supported activities a painless proposition will be Grampa Sid Berlin, our finemaster for the day.

**LAST  
WEEK**

Bob Durkin introduced Marion Taylor of Pacific Telephone who intrigued us with news of Alexander Graham Bell's original phone call in 1876, his singing of Glory, Glory Halleluia and playing of a cornet (somewhat off key!). Then came the story of milestones--first woman operator in 1878, SF to NY in 1915, Nobel Prizes to three Bell Lab scientists for developing transistors in 1947. Not far off are electronic switching systems, silicon solar cells, laser communications--you name it, they'll find a way to make it possible.

Kudos to our newest member, Kelvin Kellner, sponsored by Phil Schneider. Kelvin is Assistant Administrator of the Raleigh Hills Hospital, and his classification is Alcoholism Treatment. His Rotarianne is Florence, and they claim two daughters, Sarah and Elizabeth. The induction was ably executed by George Chaffey, that master of punsterism.

Gerry Schick asked us to ante up some fine money and then expected us to be honest in calculating the average age of the members at each of our tables. Naturally the youngest table was caught lying about their ages, so only the oldest group went fine free. How old are you, Gerry? What was the average age of members at the podium?

**OTHER  
NEWS**

Dean White is the proud father of a son, Matthew William, born Friday, Nov. 10. His wife, Elaine Berlin White, successfully passed the bar exam, it was announced in the RC Trib a week later. Congratulations to everyone--especially to Matthew who chose his lineage carefully!

How about ringing a bell for the Salvation Army Christmas Kettle Drive? Our club members will each take a one-hour stint on Thursday, Dec. 14 in front of the Post Office. See Ron Koster to get your name on the list before it's too late.

October attendance was 92 and 44 one-hundredths percent. Almost a record for us, but why not 100%? Let's keep trying to make that goal.

**COMING  
NEXT**

Nov. 28 Dan Seiffers will tell us that "There's More to Light than Meets The Eye". He's the Engineering Staff Mgr., Pacific Telephone.  
Dec. 5 Arthur Robinson, formerly President of the Linus Pauling Institute, will speak on nutrition.  
Dec. 12 Sequoia High Madrigal Singers, led by Jay Selby.  
Dec. 19 Dinner Party at Tom Poore's--Rotariannes invited--no luncheon meeting.

CHARTERED APRIL 22, 1946

NOVEMBER 28, 1978

PENINSULA COVENANT CHURCH

- TODAY** Dan Seiffers, Engineering Staff Manager for Pacific Telephone, will make a presentation titled, "There's More to Light than Meets the Eye".
- LAST WEEK** Six club members made presentations about membership and the process involved--Bob Rutherford, Lem Summey, George Chaffey, Tony Goodsite, Walt Koslosky, and Bud Meyer. They encouraged us to seek out prospective members and to follow the procedures outlined on the membership cards which were distributed. There may be almost unlimited possibilities for finding an appropriate classification since senior actives relinquish their classifications, religion and journalism have unlimited numbers, and there is now the possibility of an additional active opening for any classification. Members were reminded that it is a policy of the club for a prospective member to be a guest of the club for lunch one time only.
- 
- It was appropriate that two new members were inducted into the club by Dave Schutz last week. Dick Dodge, owner of Vince's Office Supplies, was sponsored by Les Riddell and Bill Bergler. Dick, graduate of USC, and his wife, Virginia, have three daughters. Then, to expand on the father-son tradition of our club, Steve Small, Associate with the Silver Realty Co., was sponsored by Stan Silverstein. Steve's wife, Carney, appears to be all but ready to present grandfather, Walt, with a new bundle of joy, say about Dec. 11 or so. Congratulations to both new members, and it is a pleasure to have them and their wives part of our growing Rotary family.
- OTHER NEWS** Don Hack won the prize donated by Bill Maxwell--and then donated one himself--a live turkey (!) won by San Carlos' visitor, John Tenvold. Since John comes by fairly regularly to our club, we'll expect a blow-by-blow description of how to prepare your own Thanksgiving dinner.
- With all the grandfathers around, Jim Fitzgerald wants everyone to know that he's a great-grandfather. Suppose he's trying for great-great? That ought to give finemaster, Dave Schutz, a clue, although Dave is never really at a loss for words. Neither was Sid Berlin, scintillating song-master and and flamboyant finemaster from last week. Should have laid heavy fines on our golf team (?) who let the Menlo marauders mangle them.
- COMING UP**
- Dec. 5 Arthur Robinson, formerly President of the Linus Pauling Institute, will speak on nutrition.
  - Dec. 6 First Warriors basketball trip--see Don Helbush.
  - Dec. 12 Sequoia High Madrigal Singers, led by Jay Selby
  - Dec. 19 Dinner at Tom Poore's--Rotariannes invited--\$7 per person (Note: There is no lunch scheduled--come to the party or make up!)
  - Dec. 14 Bell-ringing day for the Salvation Army--see Ron Koster.

PENINSULA COVENANT CHURCH

### TODAY

Arthur Robinson, former President of the Linus Pauling Institute of Menlo Park, will speak to us on the topic of Nutrition. And have you taken your Vitamin C lately? We've been making our own progress on nutrition since moving up into the hills at PCC!

Watch out for George Chaffey today--finemaster. Bet he'll have us eating out of his hand, forking over some photos of G. Washington, and hamming it up with his puns. Don't say I didn't warn you!

### LAST WEEK

Bob Durkin introduced Ken Rowland and Dan Seiffers of Pacific Telephone, and Dan described some of the exciting new developments in the use of light for communications. It all started with the same old Alex. Graham Bell who found a way to transmit the sound of his voice via light rays. Now there are things like chemiluminescence, light-emitting diodes (LED), and coherent light (lasers), and all kinds of tricky gadgets that you can get to turn on at the snap of your fingers. At least that's the way the demonstration went. Quite a magic show!

Dave Schutz as finemaster did a newsworthy job--perhaps we'll hear more about Dave Lobree's huge new contract that not only made news but could probably be a continuing source of funds as the weeks roll by.

Les Riddell was the prize winner from donor Joe Mell. We missed Stan (King Arthur) Silverstein who, we understand, was somewhere in Nevada searching for his Excalibur. That's a story we ought to hear more about!

### NEW MEMBER

William Marsico, Chief Executive Officer of Evergreen Savings and Loan Association, was inducted as a new member, sponsored by Sid Berlin. Bill and his wife, Sandy, have two children, and he's from an illustrious group of graduates from Lowell High in SF.

Speaking of membership, and while we're placing a real emphasis on this in recent weeks, it should be stated that one of the best ways you can show your enthusiasm for Rotary is by sharing it with others for whom you have high regard--your friends, your business associates, and other members of our community who are leaders.

### COMING ATTRACTIONS

Dec. 12 Sequoia High Madrigal Singers under the leadership of Jay Selby

Dec. 19 Christmas dinner at Tom Poore's with our Rotariannes--\$7 per person

Dec. 26 Club Assembly

Also, Dec. 6 (Warriors game--see Helbush) and Dec. 14 Bell-ringing (see Koster).

### OTHER BUSINESS

The drive is on again for discarded eye glasses. These should be usable, with the frames in good shape, and bifocals are okay. Sun glasses are not. These will be sent either to the Los Amigos Program or to our "brother" district in Pakistan. Bob Durkin is the man to see with your used specs.

Two big birthdays coming up in Dec. Max Gerfen on the 15th (78 years young) and Paul Jones on the 14th (a record 88!). Also, Joe Souza on the 16th, Jerry Olhiser on the 28th, and Lucky Lem Summey on the 24th.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

DECEMBER 12, 1978

PENINSULA COVENANT CHURCH

- TODAY** Our traditional Christmas performance by the Sequoia High Madrigal Singers, led by Jay Selby. Through the years this group had been outstanding, and we're looking forward to another sterling performance.
- In the spirit of giving (and forgiving) that goes with this special season of the year, we trust that Pete Hughes as finemaster will take that message to heart. The world is not all plastic, Pete!
- LAST WEEK** Dr. Arthur Robinson, former President of the Linus Pauling Institute of Menlo Park, spoke on the research he has participated in to expand the field of knowledge about nutrition. Sounds like a good field to be in--there's no competition, everything they work on is new, and health food addicts are constantly finding new areas for them to research. Sounds, too, like some day soon they will be developing individualized chemical formulas for each of us, to put our bodies into the very best of shapes!
- The speaker had quite a bit of competition from George Chaffey, as he tried to find someone who would contribute funds for his not playing his trombone, not reading the poetry he wrote, not playing a forced-ante card game with his oversized deck, and not consenting to being weighed. For all those negatives, he positively raised enough money to make it all worthwhile. And in the process, he read his poetry anyway--about Fruehling, J. Schutz, Gruman, Hughes, and Souza.
- OTHER NEWS** Bob Durkin passed around a sign-up sheet for boxes of oranges--part of his continuing efforts in support of Amigos de las Americas. He also announced that our fellow club in Hiratsuka, Japan, is interested in having some of our young people as visitors this summer--should be members of your family, between the ages of 15 and 20, and able to finance their own transportation round-trip. The Hiratsuka Club will house, feed, and tour them--it is a most exciting and valuable experience. Please suggest names to Bob soon.
- Tom Poore suggests that we car-pool to his home on the 19th. Going South on El Camino past Atherton Ave. three blocks to Isabella--then turn right about three blocks to #97. Remember, this is lunch and dinner all in one! From 6:00 to 9:00 P.M. Be sure to see Jerry Schutz with your money today.
- Student guests were Lori Campbell and Chris Lynch, both members of Future Business Leaders of America at Sequoia. If you have a chance, ask them about this organization (FBLA). There is the largest such club in the state, and they are involved in some most interesting projects.
- NEXT WEEK** Dec. 19 Christmas party  
Dec. 26 Club Assembly
- REMINDERS** Don't forget our efforts to continue to find new members, keep up our regular attendance, make the visiting Rotarians and guests welcome, and to reach out to others around the room and in your daily lives. This is part of the build-up to a set of New Year's resolutions!

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

DECEMBER 26, 1978

PENINSULA COVENANT CHURCH

**TODAY** Club Assembly, a time to reflect on the past year and a chance to have input regarding plans and projects for the new year.

**LAST WEEK** Our Holiday Celebration at Dr. Tom Poore's home was a great success! Tom was joined by his daughters, Patty and Barbie, in making us most welcome. Others who helped make it a very memorable evening were Jerry Schutz, our indefatigable chairman of special events, his wife, Irmy, Frances and Norm MacLeod, Grace and Joe Souza, Bill Enomoto, Les Riddell, and Allen Gruman.

It was great to have Honorary Bob Biggs and Trudy with us that evening and Vince and Esther Claypool. The Claypools have plans to move to a retirement home in Fresno in the near future. Speaking as a representative of the entire club, I wish to state that there are so many charming and beautiful wives in our group we ought to hold more activities with our Rotaryannes!

And speaking of that, Jerry and Frances are at work on a Valentine's Party for either Feb. 10 or 17. So watch for another coming attraction!

**WHO SERVES LUNCH?**

Our luncheons (and the Christmas Party fare) are served to us by Club Caterers of Burlingame. Dorothy and Wally Seelos are the owners, and they have operated the business for the past five years. Their customers include R. C. Kiwanis, Hughes Airwest, Executive Aircraft, Sherman Clay, the jails in five cities, and others--including a special dinner annually for 2500 underprivileged children.

*Happy  
New  
Year!*

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

JANUARY 2, 1979

PENINSULA COVENANT CHURCH

TODAY Kel Kellner, Assistant Administrator at Raleigh Hills Hospital, will describe his staff's program for the treatment of problem drinkers. There is essentially a psychological approach of building up conditioned reflexes, and this should be a most timely topic for us to discuss.

LAST WEEK Last week was the time for soul-searching suggestions for new directions, resolutions, and plans for action. And there were plenty of them! Summarized, they come out looking like this:

- Get the caterers there by noon so that there is more time for the activities and the speaker of the day
- Insure that there is plenty of visiting time before the meeting begins
- Re-evaluate the fining process. Let the President do some fining also. Eliminate all basic fines, making an increase in the dues to cover those, but retain special fines, usually for larger amounts. The finemaster adds to the fellowship of the meeting and ought to be retained. Don't use birthdays, anniversaries as gimmicks for fines. Have continuity in finemasters of at least three months. Lift the \$2 limit. Arrange fines in advance when intending to levy larger amounts. ~~Shorten the time of the finemaster.~~  
(Note: this was the most popular topic for discussion!)
- Re-evaluate the newscast. Limit it to 2 minutes. Eliminate it. (Only one at a time, and not necessarily in that order!)
- Eliminate the drawing. Consider that members must donate the prizes as well as buy the raffle tickets.
- Develop a project (or more) by which our Club may be identified
- Reduce the number of committees and help them become more efficient and active
- Look for ways to develop a program for Rotary International to be more involved in human rights issues, and implement these on the local level if possible
- Use Club members as speakers
- Participation in Club social activities needs to be improved

All of these topics should keep the Board of Directors occupied for a fortnight or two! In keeping with the "accountability" movement, your editor promises to report Board actions on these suggestions.

OTHER  
ACTIVITY

Ron Koster as finemaster filled the cavities in our budget with many well-placed levies--even digging back into old bones from the economy bus trip to the big game. Then he auctioned off an extra Xmas gift to Russ Kent for \$5.05. Jerry Olhiser won the raffle, gift donated by Don Noren. Roses for the day went to Bob Pierce in recognition of over 10 years of blood donations to the Club (about 30 pints, he estimates!).

COMING  
UP

- Jan. 9 -- Paul Young will discuss Captive Insurance Companies, a new approach to liability insurance being used by big businesses & professionals.
- Jan. 16 -- Leslie A. Young, an economist at SRI, will discuss their analytical approach to applied research.

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

JANUARY 16, 1979

PENINSULA COVENANT CHURCH

**TODAY** Our speaker today is Leslie A. Young, an economist at Stanford Research International, who will tell us about their analytical approach to applied research. She has been conducting environmental impact studies regarding the closure of air force units. That should give us something to think about! Just incidentally, she's Paul Young's daughter.

**LAST WEEK** Introduced by himself, as program chairman, was Paul Young. His topic was the Captive Insurance Companies or Offshore Trusts which businesses and professionals are now using for liability insurance purposes. Originally these were tax avoidance techniques, but now are mainly used for insurance. Headquarters is usually a P.O. Box number in Bermuda, Grand Cayman Islands, or Guernsey Islands. Paul's group includes the Podiatry Patient Care Association which provides its own claims adjustment and standards. Since this is a self-insurance program its strength lies in the ability of its group to adjust claims with more reasonable reimbursement than might result from a legal judgement. So far it's going well--and apparently it's successful for some of the big companies like Levi Strauss, Boeing, Exxon, Ford, and about 600 large U.S. firms. Interesting, to say the least!

If you are in San Rafael on Jan. 17, make up at Dominics and hear the incoming President of Rotary International. If you're in Rockaway the same day, attend the Peninsula Rotary Council luncheon. If you're Dick Dodge you'd better stay off your broken ankle--a tennis casualty--our best wishes for a speedy recovery.

Ed Carrera tried a new technique as finemaster--recognize a member and allow him to fine someone else. Guess whom they chose? Ed. But he did finally nick Stan Silverstein for the exotic new Excalibur he wheels up in every day. What a way to go!

**OTHER ACITIVITY** Save February 24 for our Valentine Party at the Sequoia Yacht Club. Jerry Schutz and Fran McLeod are co-chairing the evening--dinner, dancing, and fun--all for \$8.50 per person. Rotaryans are invited, and it should be a perfect way to celebrate that occasion. 6:30 P.M. to 11:00 P.M., dinner at 7:00.

You should know that Dean White has accepted the job as roster manager--in place of Dick Jones who moved to San Diego. Dean will be using a camera donated by Bob Waligore. Your Board of Directors has nominated Bob Durkin as a candidate for District Governor, a well-deserved honor. He's currently serving as Bob Paroli's Area Representative.

Interested in a 75th anniversary Spode china plate? The Rotary Club of Croydon, England, is having them crafted, and will use the proceeds for Rotary projects. See Norm for an advertisement.

**COMING UP**

Jan. 23 Two AFS students will be introduced by Clara Hansen. Anne Masson from France and Leonardo Gandini from Italy.

Jan. 30 Ralph W. Schaffarzick, M.D., Medical Director and Vice President of Blue Shield California, will speak on the "Curtaiment of Fraudulent Practices in the Health Field".

# ROTARY SPOKE

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

JANUARY 30, 1979

PENINSULA COVENANT CHURCH

**TODAY**

We will hear Dr. Ralph W. Schaffarzick speak on "Curtailement of Fraudulent Practices in the Health Field". He is Medical Director and Vice President of Blue Shield of California.

Dean White as finemaster will see if his nuclear shielding can protect him from the atomic wrath of the fines. Remember, Dean, the \$3 fines don't start until next week.

**LAST  
WEEK**

Our speakers were two A.F.S. exchange students presently attending Sequoia High School. Anne Masson, whose father is a Rotarian, is from Agen, France. Abbas Zarei is from Iran, but prefers the old name of Persia. They both told about their countries, their high school systems and their impressions of the differences between their countries and the United States. Anne commented that schools in the United States were more creative, classes were not so hard, and there were more outside activities. It was more difficult for Abbas to adjust to our system because of the very different life style in Iran.

Sid Berlin and Jim Greenwell started the festivities off with their usual raucous bit. Rex Dillon did the fining and Dr. Gordon Teeter of Menlo Park won the prize donated by Bob Pierce.

**OTHER  
NEWS**

Don't forget the Valentine party on Saturday night, February 24, at the Sequoia Yacht Club. This is for YOU, your wives, girlfriends, boyfriends(?), or whatever. Cost is \$8.50 per person. (This is in place of the regular meeting on February 20)

Bob Durkin would like to know as soon as possible who would like to send their kids to Japan this summer. They should be in the 15-22 year range and the expected timing is for August.

December attendance was 85.95% which made us number 35 out of 53 clubs. Not so good.

**NEXT  
WEEK**

Our speaker will be Patrick O'Meara, M.D., of the Bay Pacific Health Plan Health Maintenance Organization.

An assistant D.A. like Lem Summey should have no trouble collecting fines since his office always prosecutes.

**COMING  
UP**

February 13 - Dr. Robert Wallace on earthquakes.

February 27 - Keith Sorenson, District Attorney

**P.S.**

To Allen Gruman - You've lounged in that hospital bed long enough now when you're supposed to be writing these bulletins. Good luck and hurry back.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

FEBRUARY 6, 1979

PENINSULA COVENANT CHURCH

**TODAY**

Our speaker will be Dr. Patrick O'Meara of the Bay Pacific Health Plan Health Maintenance Organization, undoubtedly explaining those last seven long words.

Lem Summey as finemaster will try to charge everyone with a crime. But I've heard tell that fining is criminal.

Fines are now \$3 and there's no prize. Woe is us!

**LAST  
WEEK**

Dr. Ralph W. Schaffarzick spoke on abusive billing practices in the health field. Health care in the United States consumes \$170 billion annually, or 9% of the gross national product. He cited cases of a psychiatrist billing for 55 hours per day, or a podiatrist who billed for bones removed from a foot, but subsequent x-rays revealed the bones still intact, or hospitals billing for 3 day stays when the patients were released in 5 hours. Eighty-four physicians were convicted in the past year for prescribing drugs without an examination. There are 16 different agencies auditing or investigating health care agencies using computer runs, post payment auditing or consultants.

We wondered why Dean White was snapping pictures a couple of weeks ago. Turns out he wasn't showing off a new camera but was gathering the evidence for a fining session. At \$2, they were cheaper than Keith Cole and just as good.

Sid Berlin and Jim Greenwell were melodious, Bob Durkin led the pledge and Wes Westerdahl gave the invocation.

An era has come to an end. Dave Schutz gave his last newscast of 25 years and received a well deserved standing ovation.

Bill Wenrich won the final drawing prize which was donated by Tom Poore.

**OTHER  
NEWS**

Allen Gruman is in Kaiser after a heart attack. Bob Baum (former member) is in Sequoia with the same. Kell Kellner is going to Sacramento to a new job.

Which of your 15-21 year olds are going to Japan this coming August? Bob Durkin needs your intentions, or he may have to lie about his age and go himself. Total expense should be under \$1,000 for transportation with all other costs paid and there should be no language problem. Will they take 7 and 10 year olds?

**NEXT  
WEEK**

Our earth shaking speaker is scheduled to be Dr. Robert Wallace on earthquakes.

Make yourself waterproof before Bob Pierce does his fining.

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

FEBRUARY 13, 1979

PENINSULA COVENANT CENTER

- TODAY** Dr. Robert Wallace, recently returned from China, will speak on earthquakes. Bob "Waterproof" Pierce will squeeze the liquid assets from us. Would it help if we wore raincoats?
- LAST WEEK** Dr. Patrick O'Meara, a Redwood City internist and head of the Individual Practice Association told us about the upcoming Bay Pacific Health Plan Health Maintenance Organization. This is in the final stages of development and will be an HMO similar to Kaiser, but using member private practitioners and local hospitals, such as Sequoia, as well as local nursing homes. Their success will come from enrolling groups of healthy working people and excluding high risk groups, such as Medicare and Medi-cal patients, as well as holding down the cost of hospitalization and physician fees. Hospital costs have risen 15% per year and the average daily cost at Sequoia is now \$300. The estimated monthly premium will range from \$45 per month for a single person to \$109 per month for a family with some co-payment amounts for office visits, emergency room treatment and maternity care.
- Lem Summey levied fines like a judge. Bet he wouldn't appreciate that if he was on the other side of the bench.
- Jim Greenwell and Sid Berlin led the music, Joe Souza led the pledge, and Orv Graves gave the invocation.
- 
- Ezekiel Villa was our guest from Sequoia High School.
- OTHER NEWS** Foster City Club now meets at Di Martini's Restaurant in the Marlin Cove Shopping Center. Still on Wednesday.
- Tony Goodsite is going into the hospital for new hip sockets, or something like that. Apparently he can't chase the girls fast enough now.
- Alan Bostwick has registration and housing forms for your stay at the International Convention in Rome.
- Thanks to Bud Meyer for the new welcoming banner that is 100% hand made. Do you knit between patients, Bud?
- NEXT WEEK** NO MEETING on Tuesday. BUT, on Saturday night, February 24, a gala valentine party with wives, etc., at the Sequoia Yacht Club next to Charlie Brown's. Cocktails (no-host) from 6:30 to 7, dinner at 7 and dancing from 9 to 11. The price is \$8.50 per person which includes wine with dinner. For reservations or any other details see Jerry Schutz as soon as possible.
- COMING UP** February 27 - Keith Sorenson, San Mateo County District Attorney on current activities of the D.A.'s office.
- March 6 - Our meeting will be at the new Farm House Restaurant on Convention Way for a trial run. The speaker will be from Children's Hospital at Stanford.
- When a man puts his wife upon a pedestal, it's usually so she can reach the ceiling with her paint roller.

CHARTERED APRIL 22, 1946

FEBRUARY 27, 1979

PENINSULA COVENANT CHURCH

**TODAY** Keith Sorenson, San Mateo County District Attorney, will speak on current activities of the D.A.'s office.

The finemaster will be Jerry Schutz, I think. That is, if he survived the Valentine dinner dance. Maybe he can explain why his classification is medical clinics when he works for Bob Pierce in waterproof chemicals.

**TWO WEEKS AGO** Dr. Robert Wallace, geologist from the U.S. Geological Office in Menlo Park told us about progress in earthquake hazard reduction programs. That is, the forecasting of coming earthquakes. He said the San Andreas fault near us is the intersection of huge plates which move 1/2" to 2" per year. When they move with a jerk, in estimated 60-200 year cycles, they cause shaking, landslides, liquifaction of the earth and tidalwaves. How many years has it been since 1906? So far the prediction methods don't work too well.

Sid Berlin and Jim Greenwell led the singing with their jolly best. Dick Chilingarian led the pledge and Vince Claypool gave the invocation.

Maria and Zeke from Sequoia High School were with us.

Nobody was waterproof when Bob Pierce levied the fines.

New member Chan Keith was inducted. Chan is the assistant pastor at Peninsula Christian Center and was formerly a sportswriter in Minneapolis, as well as other places. Welcome aboard, Chan.

~~Bill Marsico asked that contributions for the rebuilding of the Redwood City Jewish Temple be sent to Evergreen Savings.~~

**LAST WEEK** There was no meeting, being replaced by the Valentine dinner dance. As of the writing of this bulletin, the event had not taken place. The hope is that a good time was had by all.

**OTHER NEWS** Your ballots for directors are due in by 12:30 today. Those nominated are Sid Berlin, Ken Blumenthal, Ed Carrera, Cliff Hawkins, Pete Hughes, Don Noren, Jerry Schutz, Bill Stangel and Bill Wenrich. Vote for four.

And now a paid commercial from your Secretary:

Did you know that 79% of your fellow Rotarians attended or made up every meeting in January--unless officially excused by the Board (over 65 or long-term poor health)? If you aren't on this list, you should be. "Making up" your absences will do it. How about joining the crowd this month. The good guys are Sid Berlin, Ken Blumenthal, Alan Bostwick, Bob Brown (excused), John Bunting (excused), Ed Carrera, George Chaffey, Dick Chilingarian, Vince Claypool, Bill Conklin, Rex Dillon, Bob Dooley, Bob Durkin, Lyle Edson, Bill Enomoto, John Esson, Leo Fabricius, Jim Fitzgerald(excused), Merle Fruehling, Max Gerfen, Ron Giannini, Tony Goodsite(excused), Orv Graves(excused), Jim Greenwell, Allen Gruman (excused Jan. 30), Don Hack, Cliff Hawkins, Don Helbush, Hal Hjertberg, Ed Hussong, Mike Ivceovich, Dick Jones (now residing in San Diego), Paul Jones, Russ Kent, Ron Kinsman(excused Jan. 2), Walt Koslosky, Ron Koster, Mike Kreiss(excused), Chuck Long(excused), Carl Mabie(excused), Joe Mell, Norm MacLeod, Bud Meyer, Del Mitchell(excused), Jim Newell, Fran Pearson, Bob Pierce, Tom Poore, Les Reese, Les Riddell, Lou Rolla, Phil Schneider, Dave Schricker, Jerry Schick, Stan Silverstein, Steve Small, Walt Small, Joe Souza, Dave Schutz, Jerry Schutz, Bill Stangel, Lem Summey, George Szpotek, Bob Waligore, Wes Westerdahl, Dean White and Paul Young.

**NEXT WEEK** No meeting at the Church. It will be at the new Farm House Restaurant on Convention Way. That is, half way between Dennis Nelson's and the Volkswagen dealership. The speaker will be from Children's Hospital at Stanford.

Bob Waligore will be finemaster, adding to his Fireside Savings account.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

MARCH 6, 1979

FARM HOUSE RESTAURANT

**TODAY** Here we are at the Farm House for a trial run. How many of you went to the church first? And that made you late. You had better hope the finemaster was late too.

The speaker will be Lou Bording from Children's Hospital at Stanford.

Bob Waligore is scheduled to be finemaster, charging at the interest rate of \$3.

**LAST WEEK** Keith Sorenson, the San Mateo County District Attorney, explained how Prop. 13 has reduced his administrative personnel. Plus the civil division has an increased workload with the preparation of school district layoff notices and the administrative hearings afterwards. They are also tied up with cases like the Ravenswood District segregation case and the case regarding bugging the visitors' telephones at the County jail. The County is now basically self-insured up to \$250,000 and the D.A.'s office must defend all damage suits against the County. So far no large judgements. He has 50 people in the office tracing 15,000 absent parents looking for support payments for wives and children which then cut down welfare payments. Four inspectors are working on welfare fraud with 200 convictions last year.

Sid Berlin and Jim Greenwell again showed the ivories and tinkled the ivories, respectively. Jerry Schutz led the pledge and George Chaffey gave the invocation.

Jerry Schutz fined everyone who didn't go to the Valentine dance, and some who did.

A new member, superior court judge Walter Capaccioli was inducted, and promptly fined. Welcome to the Club, Walt.

Bill Bergler is selling a proposed American River raft trip during the first week in June. Cost \$34. See him if you want to go but didn't voice your intentions at the meeting.

**OTHER NEWS** Your directors for the coming year are - Bob Dooley, Allen Gruman, Bob Waligore, Joe Souza (also president), Norm MacLeod, Sid Berlin, Ken Blumenthal, Jerry Schutz and Bill Wenrich. Congratulations to all.

An addition to our Secretary's paid commercial of last week. Bob Rutherford and Don Noren also had 100% made-up attendance in January. The problem seems to be that make-up cards don't get to Alan by the 8th of the month when he has to send his report in. Try to get those cards and letters in early please. March 11-17 is District Attendance Week. Everybody, let's make it 100% on March 13.

Who says this is an old men's club? Bob Landau and his wife have a new son! Congratulations. Has Bob Durkin signed him up for the Japan trip this summer?

I have been told that Bob Durkin, Fran Pearson and Paul Keckley have paid in \$45 so far and are fine exempt. If there is any such thing as fine exempt.

Foster City Club is now meeting in the Jester Room of the Hillsdale Inn.

**NEXT WEEK** A special event for all you Cal grads, the program will be a Stanford Highlights Film. Guess who is program chairman?

Finemaster will be Joe Souza. He must have used up all those profits from his years as treasurer.

**FUTURE EVENTS** March 20, John Busterude will tell us about the salt mines of Germany during World War II.

March 27, Our speaker will be Rod Dowhower, head football coach at Stanford.

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

MARCH 20, 1979

PENINSULA COVENANT CHURCH

**TODAY** John Busterude will speak to us about the salt mines of Germany during World War II.

Phil Schneider's fining tactics today may drive you to drink but unless you want to see more of him you will be well advised to stick with good old cold clear water.

After some fancy footwork of his own, program chairman Joe Mell managed to come up with film and camera and a showing of Stanford football highlights. Ken Margerum, the Cardinal's personable and acrobatically talented wide receiver (as was well documented in the film clips) added his own comments and answered questions about the coming year's prospects down on the Farm. According to Ken, the talents are many and deep. The name of the game will stay the same under new head coach Rod Dowhower - exciting areobatics and some dazzling running from the likes of Darrin Nelson. Spirits are high and with a fine crop of new high school All-Americans it does appear that the Golden Bears have got another up-hill battle coming their way.

Incoming Prexy Joe Souza gave us a taste of the pace of things to come with a well done, fast moving fining session. No discounts this day and only the Club's treasury got a bargain.

Sid and Jim exhorted all in rousing song. Rex Dillon led the pledge and Wes Westerdahl gave us inspiration.

Merle Fruehling introduced our student guests from Woodside High, Sue Martin and Mike Wall. Welcome! We hope you will be visiting with us again today.

President Norm gave the good word that Bob Waligore has been chosen President Elect to follow incoming President Joe Souza. Congratulations! And thanks, more than congratulations, are in order for Ken Blumenthal who was chosen once again and once again agreed to take on the arduous task of Treasurer.

**OTHER NEWS** Don't forget to remind your Rotary Anns of their luncheon meeting tomorrow at the Farm House.

May 17-19 is the District Conference at Konocti Inn this year. The program promises lots of good fun, interest and entertainment. Give it some real thought. Joe Souza has the forms.

Jerry Schutz is still trying to assemble that soft ball team for a go at it with the Menlo Club. We need more than nine old men. How about twenty nine?

Another reminder that a week from tomorrow -- that's Wednesday the 28th -- is the Chamber's 7th Annual Inter Service Club luncheon at Marine World. Let's have the kind of turnout that proves our community interest.

From your Board of Directors: A decision has been taken that no further consideration will be given at this time to moving the Club's meeting place to the Farm House Restaurant. A donation of \$1,000 to the Ronald MacDonald House at the Children's Hospital at Stanford has been approved and likewise a gift of \$75. to the Redwood City Cares Fund established to benefit the rebuilding of Temple Beth Jacob.

**THINGS TO COME** No meeting on Tuesday, March 27. That's replaced by the Inter Service Club luncheon mentioned above.

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

APRIL 3, 1979

PENINSULA COVENANT CHURCH

- TODAY** Our speaker today is Professor Ronald Hilton of Stanford University. Professor Hilton, who is also Executive Director of the California Institute for International Studies, will share with us some views on the subject of The World as Seen from Moscow.
- Paul Young is our finemaster for this first Tuesday of April, so you had better be on your toes and prepared for some fancy footwork in the art of finery.
- LAST WEEK** The March 27 meet was cancelled and attendance credit given instead for your presence at the Chamber of Commerce's Annual Inter-Service Club Luncheon held the following day at Marine World. Despite a soaking rain we had a pretty fair representation with some sixty or so Redwood City Rotarians who enjoyed some funny and racy stories as well as one told by our own Bob Brown. For those who missed it, Bil Wenrich turned in a very professional job as Master of Ceremonies for the day.
- TWO WEEKS AGO** John Busterude, a fellow Rotarian from the Palo Alto Club, an attorney and former member of the State legislature and now President of RESOLVE, an organization dedicated to trying to reconcile problems inherent in environmental considerations and development, spoke to us about his own personal experiences in World War II involving the discovery and handling of bullion and art treasures unearthed in a German salt mine.
- Phil Schneider used three little letters in a word game to unearth treasures from our own pockets. With Jim G. tickling the keys, Bob Pierce urged on the chorus. Bob Brown (he of the immoral porpoises), led the pledge and George Chaffey gave the invocation.
- District Governor Bob Paroli pleased us with his presence and graciously presented the Club with a banner recognizing the early-on contribution and endorsement by Redwood City Rotary of the International's 3-H program.
- Bob Baum and Dennis Duncan were inducted with George Chaffey doing the honors. For Bob it was a heartwarming return home witnessed by his charming Rotary Ann, Geraldine.
- And speaking of hearts, how good it was to see not only Bob Baum but a week later, Allen Gruman at the Inter-Service Club lunch. Both looking great and how grateful we are that both are back.
- Joining us once again were our student guests from Woodside High, Sue Martin and Mike Walls. We hope they have enjoyed their visits as much as we have enjoyed visiting with them.
- COMING ALONG** Recruits for the softball game with the Menlo Club scheduled for April 28 or May 5 should sign in with Jerry Schutz. Ditto re the April 27 golf match. See Jerry on that too.
- Saturday, April 21 is District (Rotary) Day at Candlestick. What a fine way to start the season! Only \$5.00 - with \$1.00 of that going to Rotary Service. Sign in!
- AND PROGRAMS TO COME**
- 4/10: Leslie Ann Williams, Regional Director of Hymnovation, Inc., will discuss that organization's efforts to contribute to professional and educational growth with emphasis on behavioral modification.
- 4/17: The Consul General of Egypt in San Francisco, Sal El-Daour, will speak on current conditions in Egypt and the middle east.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

APRIL 10, 1979

PENINSULA COVENANT CHURCH

- TODAY** Leslie Ann Williams, Regional Director of Hypnovation, Inc., is our speaker today. Ms. Williams will tell us something about the techniques and programs developed by that organization in their efforts to contribute to professional and educational growth by special emphasis on behavioral modification.
- Steve Small will do his best as finemaster to develop some income for the Club so get ready to yield up some of your property to small talk.
- LAST WEEK** Ronald Hilton, Professor Emeritus at Stanford and Executive Director of the California Institute for International Studies, shared with us some of his insight on Soviet methodology for reporting and distorting world news. Well versed in Russian affairs and fluent in the language, Professor Hilton reads and keeps close tabs on Communist press coverages of events abroad, disseminating much of that information in the Institute's "World Affairs" publication. In sum, the Soviets appear to know in many respects a lot more about us than we know about ourselves and their manipulation of the news to influence opinions at home and abroad are no small bit discomfoting.
- President Elect Joe Souza took the gavel for the day. Could be that at times he appeared ready to pass it along, heavy end first, to Paul Young for some of his corny fine work.
- John Ralston, needing no introduction but now of the 49<sup>th</sup> management, and Clarence Tuck, Area Commander of the CHP division headquartered in Redwood City, were presented as guests of the Club. Phil Schneider introduced our personable young student guests, Jill Norris and Carl Hoffman from Sequoia High.
- Messrs. Berlin and Greenwell led the song and smile; Joe Mell the pledge and Ron Kinsman the invocation.
- COMING UP** **HELP! YOUR HELP IS NEEDED.** Please, sign up for the April 28 Senior Citizens Center Paint Up. Come at 9:00. They will serve you breakfast. Push with the bristles or roller as long as you can last or as long as you can. Here's your chance to do a real community service. Bob Waligore is coordinating this project. Tell him you will be there.
- Reminders: Jerry Schutz is coaching the softball and golf matches with the Menlo Club. Bill Bergler is arranging the river boat trip. Never again will you get a trip winding up at his place of business for \$34. Konocti Inn is the site of the May 17-19 District Conference. Sounds like great fun - see Joe Souza. And don't forget, Saturday April 21 is Rotary District Family Day at Candlestick. There are 1,000 seats reserved in the upper deck from first to home and home to third. Only \$5.00/person (with \$1.00 of that going to Rotary Service). Tailgating starts in the parking lot at 11:00.
- NEXT WEEK** Our speaker will be the Consul General of Egypt in San Francisco, Sal El-Daour who will discuss current conditions in Egypt and the middle east.
- Stan Silverstein will be our finemaster.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

APRIL 17, 1979

PENINSULA COVENANT CHURCH

- TODAY** We are very pleased to have as our speaker today the Honorable Sal El-Daour, Consul General of Egypt in San Francisco, who will share with us some views of current conditions in Egypt and the middle east.
- Our finemaster, Stan Silverstein, will no doubt, enjoy the opportunity of acknowledging all the attention heaped upon his humble chariot, "Excalibur" (you know, the one with the buggy tail lites and tent for a roof).
- LAST WEEK** Leslie Ann Williams, Regional Director of Hymnovation, Inc., gave a lively dissertation on her company's techniques for combining self-hypnosis and motivation to bring about behavioral modifications.
- Finemaster Steve Small used the opening of the baseball season as a means for making some hits, doing a bit of stealing and causing a few errors.
- Jerry Schutz joined the Greenwell symphony to lead us in song. Don Noren gave the pledge and George Chaffey reminded all of the spirit of the season.
- MAKE NOTE** Don't forget the Senior Citizens Center paint-up on April 28, with breakfast starting at 9:00.
- Come alive all you green thumbers. Tom Poore needs help in getting trees started from other clubs around the world. Get some seeds from Tom. Put them in a pot and pamper them with a little loving care until the seedlings can be transferred to a five gallon can. This is a good program. Give it a hand -- yours!
- Late word from sports director Jerry Schutz. The golf tournament with the Menlo Club will come off at noon on Friday the 27th of April at the Palo Alto Hills Club. And the softball game, also with Menlo, will take place Saturday, May 5 at 2 or 3 o'clock at a park yet to be designated. The loser buys a keg of beer. Softball practice will be held at 2 P.M. on Saturday the 21st of April and again on the 28th at Sequoia High School.
- Are you planning to do something about the District Conference? Better get busy. That fine event is set for May 17-19 at Konocti Inn. Get squared away with Joe Souza.
- And why not celebrate the coming of Spring (one can always hope) by picking up a few tickets for this Saturday's Rotary District Family Day at Candlestick. The seats are good and only \$5.00 per with \$1.00 of that, remember, going to Rotary Service.
- NEXT WEEK** Our speaker will be Aaron Levine who will give us some words on the very timely topic of Nuclear Plant Safety.
- Russ Kent will do some educating in the fine art of replenishing the treasury.

# ROTARY SPOKE

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

MAY 1, 1979

PENINSULA COVENANT CHURCH

**TODAY** We are honored to introduce as our speaker today Mr. George Togasaki, Past President of Rotary International (1969). He spoke to our club in 1964 when Jim Fitzgerald was our President, and during a recent visit in Tokyo, Jim invited him to speak again. Mr. Togasaki is a native Californian who now is Chairman of the Board of a large Japanese travel agency. Through his efforts some 1500 Rotary Clubs were established in Japan. We welcome Mr. Togasaki back to Redwood City where our travel agents tell us the climate is best by government test!

**LAST WEEK** Last week's meeting and speaker were as timely as they come. Aaron Levine, nuclear engineer with General Electric in San Jose, discussed nuclear safety and energy alternatives. It didn't take long to generate a real give and take discussion, with the speaker ably holding his own! All of us are vitally concerned about what he posed as the real question: What is safe enough? His answer was that the benefits are worth the risks involved, and he came up with at least two quotable quotes: the second law of thermodynamics (a la Newtonian Physics) is that there is no such thing as a free lunch--and --most dam sources are already utilized. Guess we can all take it from there.

Big project last Saturday was the new paint job on the exterior of the Senior Citizens Building at 2555 Middlefield Road. All non-union, but nevertheless outstandingly qualified, were Bob Waligore, George Szpotek, Ken Blumenthal, Alan Bostwick, Joe Mell, Bill Maxwell, Don Noren, George Chaffey, Bob Dooley, Norm MacLeod, and Bill Wenrich. Did I miss anyone? From the description of Maxwell and Noren leaning over the edge of the two-story building to finish the job right up to the very top, we might have been missing one or two of our stout-hearted members! Good food cooked by the seniors filled in the gaps, and the job was completed by 3 P.M. Why don't you--all drive by and see it? It's the one that's light green with brown trim. It's a top flite job.

Did you miss National Secretaries Week? Some members were seen enjoying themselves at the Marco Polo.

Back to the Spoke business. Our student guests gave their farewell speeches--Jill Norris, Senior Class President, and Karl Hofmann, Attorney General. News will certainly be forthcoming about the golf tournament last Friday, and we hope to field a full-sized team for the softball game next Saturday, May 5, with the Menlo Park Club.

This is almost your last chance to arrange to take in the District's Annual Conference at Konocti Harbor Inn. May 17-19. See Joe Souza.

**COMING UP** May 8 Robert Blessing, Journalism Instructor at Canada College, will discuss with us the recent court rulings affecting the news media.

May 15 Brendan Horan, Director of the Nursing Home Ombudsman program, will describe that program for us as it operates in San Mateo Co.

Did you attend Washington School sometime since 1916? You may want to help celebrate its gala farewell on May 19 from 7-9 P.M. Call 366-0662 for further information.

DISTRICT 513

MAY 15, 1979

PENINSULA COVENANT CHURCH

- TODAY** Brendan Horan, Director of the Nursing Home Ombudsman Program in San Mateo County will describe that program for us.
- LAST WEEK** Robert Glessing, Instructor at Canada College in Journalism, helped us understand some of the reasoning behind some recent court decisions regarding freedom of the press--and what they will likely mean to the future of investigative journalism. His background as reporter and newspaper publisher lent a real air of authenticity to his comments, and we came up with lots of questions. He commended the Times-Tribune for maintaining the ombudsman program, and reminded us that letters to the editor are an effective way to participate as members of the public. However, he did express some concerns that the courts have probably helped discourage the pursuit of dishonesty and corruption in public office. (investigative reporters doing the pursuing, you understand!)
- The finemaster, Bob Durkin, tried to make hay out of the gas shortage by removing funds from everyone in the room on the flimsiest excuses. Does Olhiser sound like the famous Offenhausem? Does Lyle Edson sound like Lyle Edsel? And where was there ever a Fruehling racer? And then to top it all off (which is now illegal) he fined a substitute if the real thing wasn't present!
- Fortunately there was nice change of pace when John Ralston was inducted as a new member of our club. How symbolic can you get with Keckley doing the inducting, Mell and Bostwick as sponsors. John did play for Cal, then coached at Utah, Stanford, and Colorado (pro), and now in a full swing is V. P. for Administration for the 49'ers. He's been a Rotarian in other locations, but we hope he's found a real home now, both with the team and with our Rotary Club. We welcome also his wife, Patty, and together they have three rhyming children, Sherry, Terry, and Larry.
- OTHER NEWS** Nice to have super-greeter Paul Jones back with us after a short hospital sojourn. The YMCA finally caught up with Bill Wenrich to award him a plaque for his service to that organization. Jerry Schutz and Joe Souza decided they couldn't take on the whole Menlo club by themselves in softball (besides it was raining) so they've put off the big event until fall.
- Cliff Hawkins sent in the following commercial: We want you to enjoy your stay at Konocti Harbor, so let the California State Automobile Association suggest the preferred route. Take Bayshore Highway (101) over the San Francisco-Oakland Bay Bridge, follow highway 80 to 37 at Vallejo. Go two miles, then turn right on Highway 29, going through St. Helena and Calistoga and Middletown. When you get to Soda Bay Road turn right. It will take you to Konocti Harbor. It is approximately 130 miles from San Francisco. If you want gas information before leaving home, call 864-6440.
- OTHER BUSINESS** Be sure to send in your sign-up sheet for your committee preferences for next year.
- COMING UP**
- May 22 Bub Bowling, Canada Basketball Coach, former Stanford player and assistant coach--What's coming up in basketball's future?
- May 29 Eileen Lewis, Chemist at Canada College, who according to Wenrich puts on a chemical dog and pony show! Don't miss it.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

May 22, 1979

PENINSULA COVENANT CHURCH

- TODAY** Bub Bowling, Canada basketball coach, former Stanford player and assistant coach, will talk about what's coming up in basketball's future. Perhaps he already knows something about the Bulls and Sonics!
- LAST WEEK** An ombudsman for nursing homes was the topic, a two-year old program in San Mateo County headed by Brendan Horan. There are 25 nursing homes with 2200 elderly residents in our county--averaging 84 years of age, with all of their infirmities and personal idiosyncracies. His job is to hear complaints and concerns and work out solutions, both for patients, their families, and the nursing home operators. Although he's caught in the middle of continual problems, the non-profit organization he represents certainly performs a much-needed service, and we're glad it exists (particularly since all of us are getting older each year and want to be sure everything stays rosy in our futures!).
- There are all kinds of finemasters, but few can outdo our experienced assessor, Roland Giannini. He hit all of his friends: Schricker and Summey who could get him out of trouble with the law, and Edson and Cappicioli who usually have the last word. Those like Durkin and Dodge, who sincerely sought Roland's advice with problems, felt the sting of his assessments. Even kindly Dave Schutz, whose newspaper gives Roland front page coverage so often, suffered a \$3 nick. And he was only a substitute finemaster. For having had only two hours warning, he really did well!
- Student guests with us were Judi Smith and Steve Wraith from Woodside High. Visiting Rotarians included a Rome-bound Rotarian from Napier, New Zealand. Bob Pierce was the visiting conductor of American and Smiles, and with Greenwell's concerto accompaniment, what more could we ask for!
- COMING UP** It's blood bank day again--Friday, May 25--Kaiser Clinic on Maple from 11 A.M. to 4 P.M.
- The Celebrity Softball Game is set for Wed., June 6--tickets are only \$1, and you can see our illustrious city fathers tangle with 49'ers and Raiders. Will John Ralston, newest Rotarian, be on the mound? Only time will tell.
- Have you sent in your committee sign-up sheet yet? Joe needs all the support he can get!
- Quote for the day: Lyle Edson, responding to our infamous finemaster: "You don't appeal to me!"
- Got any old junk you want to unload on the San Carlos Rotary Club? They have offered to let us contribute to their annual Junktique June 20 - 22, their big sale of the year at Central School. Then you can come and buy it back! They raise lots of bucks for their Paul Harris Fellowship goal, and for other projects through the year.
- NEXT WEEK** May 29 Eileen Lewis, Chemist at Canada College, who according to Bill Wenrich, puts on a chemical dog and pony show par excellence. Peninsula's meeting hall may never look the same again after she gets through.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

May 29, 1979

PENINSULA COVENANT CHURCH

**TODAY** Eileen Lewis, Chemistry Instructor at Canada College, will present a special demonstration of the power in the test tube. Be prepared for some surprises!

**LAST WEEK** Basketball and Bub Bowling go together at Canada College. Coach of the Year last year, Bub found ways to spin basketball stories to intrigue us all. He let us in on the joys of community college coaching--smaller crowds, lower emotional level of participation, but a chance for "unadulterated" players to reach a higher potential. He named the two best players in his career at Canada--Darrell Barbour (from M.A.) and Todd Sedlacek (formerly San Carlos).

While he dodged brickbats, Dick Dodge nicked Wes Westerdahl for \$3 to get his crutches back, and then after locating anyone else who'd ever had a broken leg, fined the members at their left. No matter which side was the broken leg! Break a leg in show biz is supposed to bring you luck--so those fined got tickets to the Celebrity Softball game June 6. Good deal!

Konocti Inn--District 513 conference--a good time was had by all. Better plan on being there next year.

It's a good time to review what we've been doing with our funds this past year. Our contributions make an impressive total: \$6066.

- \$ 1500 -RI fund for Hunger, Health, and Humanity--we were one of the first to meet the goal of \$1500 per club when the fund was first set up by RI Pres. Clem Renouf. World-wide some \$695,000 has been raised.
- 1000 -Ronald MacDonald House at Stanford Children's Hospital
- 575 -Redwood City Senior Citizens Drop-In Center, operating expenses to stay in business after Prop. 13 took its big cut.
- 400 -Senior Citizens Center paint job
- 1200 -Student guests from Hiratsuka
- 40 -Fair Oaks Community Center Christmas Party
- 250 -Marine Ecological Center
- 25 -Capture
- 100 -RSVP
- 60 -Big Sisters
- 400 -Sequoia YMCA
- 75 -Temple Beth Jacob
- 150 -Sequoia YMCA Camperships
- 36 -Sequoia High School Honor Awards
- 255 -Peninsula Oral School for the Deaf

Still to come--our annual scholarships.

**CLUB BUSINESS** Save June 26 for our annual installation dinner. Details will be announced today.

Been missing Ron and Gerry? Ron Kinsman has resigned temporarily--but Gerry Schick, contrary to contrary rumors, is still making up for our club even tho moved to Dos Palos. Where is that?

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

JUNE 5, 1979

PENTECOSTA COVENANT CHURCH

**TODAY** Frederick Helversen, retired engineer for Georgia Pacific in research and development, will discuss "Hydrogen as a Viable Energy Source".

**LAST WEEK** Bill Wenrich was correct--Eileen Lewis of his staff at Canada College could put on a razzle-dazzle show of chemical power, complete with a little serious talk about the nature of substances and new developments in the science. Did you know that hydrogen pops just like champagne? Bet Eileen didn't know that she was the lead-in for today's topic!

Bill also took the opportunity to introduce his temporary replacement at Canada College, Acting President Sam Ferguson. Actually, that's all Bill's been doing for these past few years--acting himself.

If you missed our tremendous rendition of the Star Spangled Banner in honor of Memorial Day, you haven't heard how it should be done. Sid Berlin and Jim Greenwell can't be touched when it comes to inspirational notes.

Art Law found out how much we value his regular attendance at our club, even though he's a member of the Los Altos Gang--\$10. Jack Ference, our finemaster, thought that was equitable, as he also nicked all those weekend travellers who are using up our precious gasoline supplies.

### CLUB BUSINESS

Two big events coming up:

June 26, Tuesday at 6:30 for cocktails, 7:30 dinner, honoring the latest in our line of successful presidents, good ol' boy, Norm MacLeod. This is one party you won't want to miss--at the Sequoia Yacht Club. Jerry Schutz, as usual, promises a great time to be had by all, and he'll be checking us out for reservations today. Remember, no noon luncheon that day.

July 7, District Assembly at Santa Rosa Junior College, 8:00 A.M. Actually, the festivities start at 7:30 Friday evening at the Wild Oak Saddle Club in Santa Rosa. Sounds like a good place to water your animals, but we expect that the officers, board members, committee chairmen, and any new Rotarians should attend. Be sure to let our new president, Joe, know so we can car pool as much as possible.

Hope you received the committee assignments in the mail. Your name is on the list, and we look forward to an active year.

The Burlingame Club has changed meeting places--now are at the Sheraton Inn just off Bayshore Freeway, 12:15 on Wednesdays.

### NEXT WEEK

It may be the height of the baseball season (basketball just ended!), but we're going to kick off the Stanford football season with Rod Dowhower, their new coach. Come and hear his plans to out-Ralston Ralston.

Be prepared today for some tall tales re the canoe trip last weekend. Bergler and Pierce, the usual duo, teamed with Don Hack and his vacation hideway. What a combination!

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

JUNE 12, 1979

PENINSULA COVENANT CHURCH

**TODAY** Our speaker today, Rod Dowhower, is the new head football coach at Stanford, and no doubt we'll be treated to one of his first pre-season looks at prospects for 1979.

**LAST WEEK** Frederick Helversen, retired engineer for Georgia Pacific, described his company's construction of a hydrogen-fired boiler, a concept he feels makes a strong case for future energy systems. His pitch, if economically feasible, makes most sense from the re-cycling capabilities of hydrogen energy and its unlimited supply. It will be interesting to get a follow-up on his plans to test an Omni powered by hydrogen instead of gasoline (car being modified by Billings Energy Corp., Springvale, Utah).

Incidentally, it would be most appreciated if members will take a few minutes to stop afterward to thank the speaker for coming. You may not always agree with the points of view espoused, but the speakers do make the effort to come to our meetings, and your program chairmen would also appreciate this expression of support.

Mystery guest, Mary Koslowski, came to present husband, Walt, with a 64th birthday gift, so he now is a Paul Harris Sustaining Member of the Rotary Foundation. Congratulations!

Finemaster, Jim Newell, Clever Perspicacious Assessor, tried us out on the Guinness Book of Records, and everyone failed the test. Who'd ever suspect there were 25 x 10 (to the 116th power) different games of checkers! Tom Hallum, welcomed back as a member, was re-initiated with a fine, and so were the river rafters--Pierce, Bergler, Hack, Noren, MacLeod, Conklin, Schneider, Waligore, and Poore. Bob Pierce explained that the highlight of the trip was the training session the night before! It's a wonder they all made it back.

**CLUB BUSINESS** Ed Carrera was chosen by the Board to succeed Bill Wenrich for his two-year term on the Board. Welcome to the world of high finance and big decisions! We're also pleased to note that sunny Jim Fitzgerald was released from Sequoia Hospital on Sunday after a bit of heart trouble. Your editor has sympathetic pains just writing about that.

Please note that we have arranged for a double entree at lunch to take care of those whose diets are limited. So don't take both--and leave the fish for those who can't eat the other entree, please.

Just in case you're in Mountain View some Tuesday, their club now meets at Menlo Gardens, directly behind Sears on San Antonio Road.

- Lost a better-than-average pen at the June 5th meeting? See Alan Bostwick.
- Ready to debunk Pres. Norm? On Tuesday evening, June 26, you'll have your chance. See Jerry Schutz or his committee members for tickets.
- Want to see how Rotary Clubs should function and get in gear for the new year? Plan to go to the District Assembly at Santa Rosa Jr. Coll. on Sat., July 7
- Want to know what next week's program is? Come then and find out! But don't come to lunch on June 26.

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

JUNE 19, 1979 - PENINSULA COVENANT CHURCH

- TODAY** Icebreaker talks from our newest members.
- NEXT WEEK** The annual debunking will take place at the Sequoia Yacht Club. Come at 6:30 for cocktails, 7:30 dinner. By 8:30 we plan to bring in a bill of particulars against Norm MacLeod, soon to be President Emeritus. Remember - - - no lunch that day!
- LAST WEEK** Rod Dowhower, Stanford Football Coach, told us how it's spozed to be next year--and certainly he'll have a lot to say about what happens. Season starts with Tulane, September 8, and there'll be eleven games. Naturally, we presented him with roses so he could smell them--hope it helps!
- FINES** Don Hack fined the river rafters and the one-driver per car luncheoneers. That took care of most everyone. Most noteworthy fine: Waligore and Poore for associating with the rest of the river riff-raff group.
- SAN CARLOS** Al Hart, Prexy of San Carlos Rotary, reminded us of their Junktique at Central School on June 20-22.
- BLOOD** Don Helbush awarded fine-free status for one month to all donors: Schneider, Reese, Dillon, Steve Small, Landau, and himself. Is that kosher?
- DISTRICT CONFERENCE** Bob Durkin reminded all officers, committee chairmen and others interested in attending that the District Conference on July 6-7 begins with a wine tasting party at the Wild Oak Saddle Club in Santa Rosa Friday evening.
- VOTE TODAY** We vote today on the By Laws change, which proposes setting our annual dues at \$80 (a \$10 inflationary adjustment). This was approved unanimously by your Board of Directors.
- DIRECTORS MEETING** Pete's Harbor for breakfast, tomorrow morning. With good luck everyone's alarm will go off on time to make it by 7:30 a.m.
- ROTARY NEWS** Did you know that President Carter is now a Paul Harris Fellow? Rotarians in New Jersey made it possible, and RI President Clem Renouf made the presentation. He joins a very select group!
