PENINSULA COVENANT CHURCH

TODAY Today marks the debut of our new president, C. Joseph Souza. His trip to the International Convention in Rome should get us off to an inspired beginning. Each of us has a stake in his success--let's make it a banner year!

We'll start off with Ken Schroeter, Director of the Redwood City Planning Department, who will give us a preview of the future for Redwood City. No fireworks today--they're scheduled for tomorrow.

WHAT'S BEEN GOING ON An event of great significance last Tuesday evening at the Sequoia Yacht Club. Norman MacLeod, capping a highly successful year as president, was ushered out of office with great un-ceremony by no less than seven be-wigged solemn jurists led by Lem Summey. Silver-grey mantled Lyle Edson, Joe Mell, Bill Bergler, Dave Schutz, Bob Pierce, and Bob Durkin each recited the tremendous accomplishments of the old regime. And then to the melifluous strains of George Chaffey's trombone and Jim Greenwell's piano, they belted out Norm's swan song. Not a dry eye in the house

Of course, Dave Schricker as MC and John Esson as FM did a great job of running the meeting, and Jerry Schutz and his committee, as usual, pulled off the planning with real style. A fun evening--lots of good fellowship, Norm--and we do love you!

DUES COMING UP Dues did go up by vote of the membership on the 19th. The new tab is \$80 per annum, plus a voluntary \$10 for scholarships. The Board was unanimous in its recommendation, and Paul Keckley and Bill Stangel were the good sports who moved and seconded the proposal.

YOU SHOULD KNOW Save September 21 for Golf at Stanford. Details later.
Russ Kent is progressing well at Stanford Hospital after a heart attack. He'll likely be home by the end of this week--sounds good over the phone and wants all to know he appreciates all of your good wishes for his speedy recovery.
New editor of the Spoke is Hal Hjertberg. In keeping with the Don Helbush tradition of granting fine free status to blood givers, your ex-editor hereby awards Hal exempt status for July before anyone takes umbrage for typos, misspelled names, or whatever!

TWO WEEK'S AGO Just in case you missed it, we had three icebreakers on the 19th, to get caught up on members who have joined this past year. Steve Small was raised in the J. C. Penny circuit, spent some time at Carleton College with his dad and mom in 1946-47, then the Univ. of Nevada, and now makes money for Stan Silverstein in property management.

Judge Walt Capaccioli is a San Francisco product--St. Ignatius, USF, and Stanford Law School. He's gone through the chairs, first in the Municipal Court and currently is presiding judge in the Superior Court. Don Hack, in the first 4-year class graduated from Menlo Atherton, started in the paving business with his brother-in-law after a stint as a production supervisor with Lytton. Since 1964 they have run their own company, Bay Area Paving. He's a flyer, water/snow skier, and Little League manager.

PENINSULA COVENANT CHURCH

TODAY We are pleased to have visiting with us Redwood City's new Mayor, Bill Rhodes. It's been some years now since Bill first aspired to and finally won his seat on the City Council. And now, as Mayor, perhaps Bill will be able to give us some insight into the problems and prospects of this city by the bay where we live and/or work - but either way, spend a big part of the time of our lives.

Bob Rutherford is our finemaster this day, and shallow or deep he will search you out and make you pay, and pay, and pay.

LAST WEEK With maestro Jim Greenwell manipulating the ivory, our new yell leader, Bob Pierce, urged us on in the tradition of the Berlin wail (Random House: "1. to utter a prolonged, inarticulate, mournful cry.... or 5. to express emotion musically in an exciting, satisfying way"). I go for 5.

Outgoing Sargent-at-Arms, Leo Fabricius, rewarded all of us who did a stint as finemaster this past year. But then, as though to delay our club assembly, Leo allowed one R. Durkin to chit and chatter until it didn't matter about some frantic antics and calls galore and speeding cars and lots, lots more. There are times it seems when lack of a Visa can make a Master Charge. But all's well that ends well and with only seconds to spare this year's crop of RC Rotary offspring finally boarded their plane to Japan for this year's visit with host families from our sister club in Hiratsuka.

It was also Club Assembly with much of the time taken up by that persistent old question of where to meet. Concern about attendance and visitors finding us relate to the present locale though strong likes for our church site still persist. No conclusion yet but a questionnaire will go out to members to get a more exact definition of feelings on the question.

On the matter of Membership Development, Bud Meyer presented some new procedures and techniques intended to broaden the club's classifications and representation from the business and professional community.

Bill Maxwell made a pitch for doing something to help the Boat People and Sid Berlin, I think it was, noted the need for books and English language publications to be sent to China to aid in their English language teaching.

COMING UP There's a canoe trip coming up September 11. Get your \$10. deposit to Bill Bergler.

The 2nd Annual RC Rotary Club Golf Championship tees off at noon on Friday September 21 at Stanford. Cost is \$29. including a cart (\$23. if you hoof it). Included are Tee prizes, trophies, door prizes and post tourney food and beverages. More to come next week.

Next week: Our speaker will be John Wolley, new executive director of the Sequoia Y and Bob Brown will show his delivery skill in transferring bundles from your holding places to the treasury.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

AUGUST 14, 1979

PENINSULA COVENANT CHURCH

TODAY John Wolley, Executive Director of the Sequoia Y, will lunch with us and give us an update on some of the activities of this grand old institution where so many of our RC Rotary have given great personal service and more still have an ongoing interest and concern.

Dr. Bob Brown has found a new kind of bundle of joy to deliver. They're all green and most of the faces are famous. But more than that, as Treasurer Ken will attest, they're all negotiable. A fine lot!

LAST WEEK RC Mayor Bill Rhodes gave an update on many aspects of our community's growth. Much is happening and more to come. Many of the specifics were covered in Planning Director Ken Schroeter's presentation before the club some weeks back so there's no need to repeat them in this issue. Bill also spoke at some length on "people" problems and his own reaction and adaption to politics.

Our vocalizing soared to new heights, at least on the decible scale as Sid and Jim urged us through a rousing rendition of the National Anthem. Bob Pierce led the pledge and Sid Berlin gave the invocation. The words were not too familiar but the Master the same.

Bob Rutherford rang up a pretty good take for the fine free badge - it now rests in Lem Summey's pocket, I think - and few escaped his fine touch.

Among our visitors were two gentlemen from far off places - Rotarians Norm Croll from Edmunton, Alberta and Olson Hodges from Narashino, Japan.

NEWS AND NOTES Alan Bostwick advises that Nels Nelson has been moved to a health care unit at 180 Hamilton Ave., Palo Alto 94301, Apt. 12 (Phone 321-3195). Nels has been hospitalized four times since last November and now uses a walker to get around. Now an honorary member of our club, Nels first joined Rotary in Stockton 52 years ago and our own RC club in 1966. He's now 84 years young and I'm sure a card or call would be welcome.

In case you missed the word, Don Hack let it be known that the lamb his boy and Mark Meagher displayed a few weeks back took 3rd place at the County Fair and, would you believe, Bill Enomoto's grandson boasted a Grand Champion. Congrats to all.

Reminders: Don't forget the RC Rotary Club Golf Championship at Stanford on Friday, September 21. Silverstein and Berlin will be back to defend their titles. And for you paddlers, remember the canoe trip on Tuesday, September 11.

NEXT WEEK Continuing this month's civic line up, City Manager Jim Fales will be with us and Tom Hallum will look for some of that loose change in your pockets.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

AUGUST 28, 1979

PENINSULA COVENANT CHURCH

TODAY When Bill Royer was elected to the County Board of Supervisors, his civic activities and duties made it impossible for him to continue as an active Rotarian. Appropriately and deservedly, he was awarded status as an honorary member. Man that he is, Bill acknowledged that status by becoming, in fact, the Honorable William H. Royer, Member, the United States House of Representatives. Your and our Congressman, Royer will, undoubtedly, give us a fascinating insight into the wonder and workings of that incredible and sometimes incomprehensible body politic working for us, at least sometimes, we hope, in that Disneyland of the Potomac, Washington, D.C. We are most pleased and honored. Welcome home, Bill.

What more can be said than was last week. You're up against a Walt. When confronted with fine, relax and enjoy it. After all, it's only a Small thing.

LAST WEEK President Joe is on vacation; one (week) down, two to go. In his stead incoming ('80) prexy Bob Waligore took the gavel.

Dr. Greenwell, ivory tickler par excellance gave background music for Bob Pierce to pull on our vocal chords. Tony Goodsite pointed us to the flag and Jerry Olhiser pointed us upward.

RC City Manager Jim Fales gave a point by point description of the status of the City's situation, programs and progress under Prop 13. Too much to repeat, but in broad terms the new budget for fiscal '79-'80 will show us to be in "reasonably satisfactory" shape and able to maintain a level of services comparable to those established last November when the first "bail out" funding from the state occurred. A few points of interest/concern. Capital expenditures are likely to get the squeeze and effects therefrom may fall heavily at some future times. Developments in RC, and they are many, will serve as a direct basis for allocations of bailout funding rather than go into a county wide pot - a new approach by the state. Consolidations of services such as police and fire communications are taking place under the pressures of Prop 13 and some healthy belt tightening is going on.

Welcome to County Superintendent of Schools Bill Jennings, our newest member. Bob Durkin handled the induction ceremonies and Bill's proposer, Bob Rutherford did the pinning.

OTHER NEWS AND NOTES Unwelcome news. Dave Lobree is reported to have undergone a heart attack but thankfully is understood to be progressing well. Our prayers and best wishes to Dave for a speedy return.

Of special interest to newer members but good for all is word of a series of indoctrination seminars to be held for the district governor's Area 13 (Belmont, San Carlos, RC and Menlo Park). For info and reservations call George Newlon (347-2205) or Allison McNay (593-6212) who will be serving as co-instructors. The seminars will be on Thursday evenings from 7:00 to 9:30 P.M. at Sal's restaurant, 1000 El Camino, San Carlos on September 13, October 11 and November 8. A no host dinner may be attended at 6:00 P.M. or you can come for just the seminar alone if you wish. Each program will start with sound slide material from Rotary International. This is an excellent opportunity to get a real understanding of what Rotary is all about. Don't miss it.

Bud Meyer's system of soliciting new member recommendations from visiting Rotarians is already getting results according to word from Paul Jones.

Reminders: The canoe trip pushes off September 11 (Bill Bergler) and the RC Rotary grand slam of golf tees off at Stanford September 21 (Jerry Schutz).

Apologies for not having word yet on next week's program but your finemaster will be Cliff Hawkins who will insure a good time as he takes you in tow and shows you the way.

Officers for 1979-80

Robert Waligore, President Elect
Norman MacLeod, Past President

C. Joseph Souza, President

Dr. Alan Bostwick, Secretary
Kenneth Blumenthal, Treasurer

PENINSULA COVENANT CHURCH

TODAY

Alan was gone fishing - we were wishin he was here to bring us good cheer!

Arlen Gregorio, former state senator, fellow Rotarian from San Mateo and an attorney presently representing the California League of Cities, will speak to us on the topic "How can the San Mateo County Board of Supervisors improve our lives." As you no doubt know, Arlen is currently a candidate campaigning for the seat on that Board vacated by now Congressman Bill Royer.

Cliff Hawkins, today's finemaster, usually gets his kicks in Racquet Ball. This noon he'll try to get more A's for his performance in a new racket, pick pocketing.

LAST WEEK

Bob Waligore continued his subbing for vacationing President Joe and with Dr. G. pounding the keys, Sid Berlin led a vocal salute to some old friends: Russ Kent, returning from his recent heart attack; Dick Arimoto, President of this club in '56-'57 when Geo. Chaffey was District Governor and past President Joe Lodi ('65-'66). Bob Dooley led the pledge and Wes Westerdahl the invocation.

Acting President Bob's two daughters, Marilyn and Kathy and Phil Schneider's son, Phil Jr., gave a few interesting observations of their recent stay in Japan with families of our sister club in Hiratsuka. The hospitality at both ends of this exchange seems to be growing each year. Credit for initiating this fine program goes to Paul Keckley.

Introduced by Cliff Hawkins as a club guest once again was Joe Carini.

There was nothing small about Walt Small's finemastering and best of all his jokes was the recouping of \$3 directly from Congress, via, of course, our speaker for the day, honorary member of our club and now honorable member of a larger club in Washington, our old friend and now Congressman, Bill Royer.

Your editor took copious notes but it would take pages to adequately cover and summarize all that Bill covered in rapid fire order. So let's leave it to a few impressions. His extensive past experience with government seems to show up in his apparently quick involvement and strong grasp of matters and issues needing attention. D.C. is hectic, exciting and frustrating but he and Shirley are enjoying it. Much needs to be done, for sure, but according to Bill, the mood of Congress is different and beginning to listen to the mood of the people. In sum, Bill covered a broad range of topics in considerable depth and in specifics as to his positions.

COMING UP

Next week: Art Robinson, PhD, former President of the Linus Pauling group and expert in areas of metabolic and nutritional research will address the subject of "How are medical investigations financed?"

Tony Goodsite will attend to the fine points.

Reminders: Canoes paddle off September 11 and golfers get teed off the 21st (at Stanford).

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

SEPTEMBER 11, 1979

PENINSULA COVENANT CHURCH

TODAY

Our program chairman for September, Bud Meyers, will introduce another in an interesting and varied array of speakers. From last week's politics we go to this week's scientifics. Our thanks today go to Dr. Arthur Robinson, PhD., former president of the Linus Pauling group and, titles aside, a scientist investigating areas of metabolic and nutritional research.

Tony Goodsite, a pretty hip fellow, will draw you into the chamber and extract a fine, fine.

LAST WEEK

Pres. Joe stopped by (from his vacation rounds). Bob Waligore, we understand, will once again take the gavel this week.

Music and song were aptly conducted by Messrs. Greenwell and Berlin. Bob Baum led the pledge and Allen Gruman offered the spiritual inspiration.

Our speaker was former state senator and now candidate for the county Board of Supervisors, Arlen Gregorio. Acknowledging that government is in trouble, with the public antagonistic and generally lacking confidence, morale in Washington low and young people "turned off", Arlen tried to offer some rays of hope by suggesting that it has all happened before, a number of times. By Mr. Gregorio's count we have historically gone through periods of stagnation and non involvement followed in turn by periods of activism. He looks now for a new period of activism which, in his view, will emerge at the local level of government.

Finemaster Cliff Hawkins befuddled most with his objectivity test in a clever play on words and phrases.

NEWS AND NOTES AND THINGS TO COME

Bob Durkin is recovering from surgery at Sequoia last Friday to correct a long standing ulcer problem. We understand he's doing well but will be soon recuperating at home for perhaps 4-6 weeks. Ulcers? What else would you expect from a guy who crashes boats, cars, planes, skis and gosh knows what else. It's enough to make anyone nervous.

Next week our speaker will be George Reppas, businessman (CPA), investor and inventor who will talk of an escape from an African prison.

Our finemaster will be Merle Fruehling who will continue your education in deficit fine-ancing.

And, of course, one last repeat - get your clubs ready to knock that little white ball around on Stanford's green fairways the 21st.

PENINSULA COVENANT CHURCH

TODAY

An intriguing topic from a speaker with an equally interesting background. Our speaker is George Reppas, businessman, investor, inventor and CPA and his topic: "Escape from an African Prison."

Merle Fruehling is your finemaster. No doubt it will be an educational experience but let's see how many of his fellow educators he seeks out and finds.

LAST WEEK

We missed a few of the group - those paddling their canoes on Bergler's annual Russian River float down or sink in - however it went. And then there was Bob Durkin, goofin off in Room 380 after surgery at Sequoia (home by now, we suspect, and eager to pick up the phone for your thoughtful calls).

Bob Waligore, Prexy-elect, may almost have more time in than Prexy for now Joe Souza. With all that time off, Pres. Joe should be raring to go.

Our finemaster last week, Tony Goodsite, picked up some greenery for the treasury via some name association fantasy - a sort of greenery from a dreamery.

Our speaker, Dr. Arthur Robinson, former President of the Linus Pauling group, gave some personal insights and perspectives on the manner and impact of fund raising for research. According to Dr. Robinson, tax financed research interferes too much with the freedoms he feels are essential to productive research. Too much bureaucracy, he claims, with too many scientists learning to do what's popular and spending more time in political activity than research. The points were all well taken but real alternatives did not seem to surface very readily.

OTHER NEWS AND NOTES

It seems so unfair. We're all distressed to learn that Vince Claypool's Esther is in Sequoia with a broken hip. I'm sure that all our warmest thoughts go to her comfort and rapid recovery.

Our speaker next week, the 25th, will be Mario Biagi, Redwood City Councilman, businessman (Biagi's Carriage House - Home furnishings in Belmont) and restaurateur, and now a candidate for the San Mateo County Board of Supervisors who will speak to us on the question of "Changes needed in our County."

Finemaster for next week will be Dick Chilingarian. However you title it it's going to be a pretty flighty session.

Lastly, he's at it again. Jerry Schutz has things all lined up for a golf match with the Menlo Club at Stanford - to T-off at noon on Friday, November 2.

CHARTERED APRIL 22, 1946
DISTRICT 513

SEPTEMBER 25, 1979

PENINSULA COVENANT CHURCH

TODAY Mario Biagi, Redwood City Councilman and candidate for the seat on the County Board of Supervisors vacated by our own now Congressman Bill Royer, will speak to us on his views of changes needed in our county.

Your finemaster is Dick Chilingarian who will probably take you on a fanciful flight for which there is no title.

LAST WEEK President Bob J. Souza rejoined the group in time to observe the re-induction of a former member, Ken Hill, in a ceremony ably conducted by district 513's premier trombonist, former district governor, George C. Paroli. As Ken's proposer, Vince Claypool appropriately did the pinning. A charter member of the Pacifica Club, Ken was with RC Rotary from '70-'74 and with no other introductions needed, returns to us as Superintendent of the RC Elementary School District. Welcome back, Ken.

Merle Fruehling, another educator, continued our learning experience - a taxing one at that. Better know more about those guys sitting about you - not just to save three bucks but because it's really a pleasure to be enjoyed.

Our speaker, George Reppas, gave an accounting of capital ventures, intrigue, and adventure in Madagascar. Imprisoned on purportedly trumped up charges, Mr. Reppas finally escaped under TV spy-thriller type circumstances. He's written a book about it. It's not just an adventure story, but a serious look at the neo-colonialism that has followed the emancipation of so many African nations. Dictators and bureaucrats abound but constitutions and real protection for the people do not.

Jim Greenwell and Bob Pierce took care of the music but best of all, Dave Lobree, coming on strong from his recent heart attack, gave the invocation in voice and feeling that let you know he's glad to be back, just as we're glad to have him once again in the group.

"Winners" of the canoe trip kept on floating as Ron Koster distributed spirits to a well fined table whose spirits were high but apparently not spiritually confirmed.

We had a good turnout with many visitors including the President elect of a club in Denmark. Given Pierce's poor English or Danish, I couldn't get his name. Still, welcome. And welcome also to Earl Walker, new principal at Sequoia - latest to try to unglue the mess left by Vince Claypool. Vince said so. Now that's a big man. And Don Helbush presented a banner from the New Zealand Club whose members (that nice couple) he and Doris hosted earlier this year.

OTHER NEWS AND NOTES Durkin's nasty and mean - must be doing well. Dave Schricker will stick it to you as finemaster. Beware. He's got all the advantages - legal and incompetent. Apologies - I don't have word on our next speaker.

Lot's of other news and notes to pick up next week - Xmas at Tom Poore's, Big Game plans, golf vs. Menlo Nov. 2, word from Bud Meyer on membership development going well. We'll try to cover it next week.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

OCTOBER 2, 1979

PENINSULA COVENANT CHURCH

TODAY Our speaker is Fred DiPietro, Director of the Port of Redwood City, who will give you an update on changes and prospects for our international waterfront.

In some places your finemaster today is called a solicitor. And for today that's appropriate, for when Dave Schricker calls on you, forget the counsel. It's only the fee he's interested in!

LAST WEEK RC Councilman, Mario Biagi, now campaigning for a seat on the County Board of Supervisors, spoke about local government, both city and county, against a backdrop of Prop. 13 and the upcoming Prop. 4, or so-called "Spirit of 13". Clearly in favor of "13", Mario decried its circumvention, as he sees it, by many levels of both state and local government. In strongly supporting the follow-on Prop. 4 (which places certain limits on government spending), he indicated that in his view much can be done to cut back and limit such spending by eliminating excesses in government superstructures dealing with common problems, citing as an example, the seven agencies and three departments in the county which he claimed were all involved with the area of senior citizens.

Dick Chilingarian did the fining, and a fine job it was, except when he imprudently threw some difficult (only to others) questions of sports at Jerry Schutz. You know who lost--the treasury, of course!

The prelims were rich as always. Music by Jim and Sid, Orv the pledge, and Vince reminding of the time of the year and its special meaning to those descendants of the followers of Moses and of the influence of those ancient philosophies and cultures on so many generations of faiths spawned from that relatively small point in time and space.

On sports reports, it was a good day for golf at Stanford. Silverstein remains top dog and Berlin, too, in some other category, with Stangel and Schutz next in line. Lyle Edson got closest to the pin to maintain his honor, and hipster, Goodsite, tried to match his blood pressure with a neat 120 score.

NOTES AND YET TO COME New member activity is at a very gratifying level, per membership development Chm. Bud Meyer. New ideas and hard work are paying off. According to Dr. Bud, if you've got an assignment without results or prospects, let him know. Don't bury it. Better to reshuffle and search out new potentials. Keep it on the up beat.

October program chm., Dr. Bob Brown, has everything lined up with the exception that next week's tentative program of ice breakers is yet awaiting a few confirmations.

Be sure to note on your calendar that District Governor Harry Empey will join us on the 23rd. Let's have a fine turnout. He deserves our support, and we always benefit from learning.

Next weeks' finemaster (Oct. 9) will be Bob Dooley--no doubt looking for a group benefit for the life of the club!

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

OCTOBER 9, 1979

PENINSULA COVENANT CHURCH

TODAY

Ms Fran Gordon of the California Actor's Theatre will join us to tell us something more about their program of live plays to be given at the Sequoia Fox here in Redwood City (Broadway on Broadway) starting November 1 and running through next May.

Bob Dooley takes the podium as your finemaster and no doubt will make a play for your pocket. Sorry, but there's no coverage for that, group, so you'll just have to buck(s) up.

LAST
WEEK

RC Port Director Fred DiPietro took the occasion of his 6th anniversary as Port Director to recount progress, prospects and aspirations down by the piers. This week marks the 50th anniversary of the establishment of the Port within the framework of the city charter. Points covered included among others: Seaport Village, due to come to life in March '80 with an array of restaurants and boutiques; a bond issue recently floated to support repairs and hopefully serve to qualify for matching federal funds for additional repairs; cement plant development in concert with Taiwanese interests; marina expansion and finally, warehousing facilities planned.

Dave Schricker did the fining with some help from the Rotary Directory and Don Noren latched onto the fine free badge.

Vince Claypool gave the invocation, John Ralston led the pledge and Sid and Jim roused the chorus who raised the rafters.

NOTES
AND THINGS
TO COME

R.I. is sponsoring a float in this year's Rose Parade in celebration of its 75th anniversary. They have some package tours covering the game and parade. Pres. Joe has the details.

Big Game plans are in the able hands of Jerry Schutz. Tickets (a max of 4 per member - there's a total of 50) are \$11/person which covers some other festivating as I recall.

Golters match up with Menlo November 2 at Stanford. 12 can make the team. Again, see Schutz.

There's a Board meeting tomorrow A.M. at Pete's Harbor. Anyone can attend. Why not join in one of these times and see what makes it tick. We're not just a lunch group, you know.

Dr. Bob D. is doing fine - says thanks for all the thoughtful cards and calls.

Another reminder: District Governor Harry Empey will honor us with a visit on the 23rd. Let's have a full house. You need to know and it can't all be covered on this page.

NEXT
WEEK

October 16: Hold onto your seats. It's Sid Berlin and the Family Feud - part live, part re-run. Should be a kick. Finemaster Bob Pierce will probably give you a kick too, right in your cash.

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

OCTOBER 16, 1979

PENINSULA COVENANT CHURCH

TODAY

Alan was absent, that'll lower his grade
he'll learn he was missed and then we'll see Alan!

Your program today features none other than local television luminary, Sidney L. Berlin, Esq. On our roster of active members Sid falls between "Funeral Directing" and "Television, Retailing". As he brings both live and recorded episodes from his night on the tube in Family Feud you can best judge for yourself which of these classifications he leans towards the more.

In a warm up for the program he precedes, finemaster Bob Pierce will possibly try to offer you some waterproofing against the deluge to follow. On our roster Bob lies between "Tax Service" and "Surgery" and no matter which way he leans it's going to come out of you.

LAST WEEK

Ms Fran Gordon, General Manager of the California Actor's Theatre gave a most sparkling and enthusiastic description of that company's past and present ventures. With impeccable credentials: Summa Cum Laude from Stanford, a PhD and former member of the faculty at the Stanford Business School, Ms Gordon gave a rapid fire description of the theatre and its new ventures in and move to its new headquarters in RC at the historic old Sequoia Fox. Emphasizing the fully professional and full time casting and staffing of the California Actor's Theatre and its five successful seasons at its location and former HQ in Los Gatos, Ms Gordon also made note of the likely economic and cultural impact which the company's hoped for success at its new RC location will have on the local community.

Finemaster Bob Dooley gave recognition to all our hustling committee chairmen but unfortunately the publicity was for a fee. Future finemasters should remember to thank him- for a fee.

Bob Pierce and Maestro Jim Greenwell led our own weekly musical with Bill Bergler leading the Pledge and Rex Dillon giving the invocation.

OTHER NEWS AND NOTES

Pres. Joe made note once again of R.I.'s participation in this year's Rose Parade. There's a package trip covering the game, parade, transportation, accommodations and other festivities available for \$250. See him for details if you're interested.

RV's, motor homes, and the like are needed to round out and round up Big Game prelims and post mortems. If you've got facilities to offer please check in with Norm MacLeod.

NEXT WEEK

District Governor Harry Empey will visit with us and no doubt offer much inspiration. Let's make sure we have a full house and so return the honor and inspiration.

Bill Conklin will be your finemaster and show you how to raise a green crop legally.

COMING UP

Tom Poore has a fine array of programs in store for you for November. For starters you'll have Mr. Edward Dangler, Ass't to the President of Ocean Minerals Co. (Lockheed) speaking on "Ocean Mining" on the 6th, and then on the 13th, a distinguished former member of this club, Richard J. Elkus, Chairman of the Board, Ampex Corporation, will talk on "Productivity in the Humanities".

PENINSULA COVENANT CHURCH

TODAY

We are pleased and honored to have District Governor Harry C. Empey join with us for lunch and fellowship today. We will all benefit much from his Rotary inspiration and look forward to hearing more of the goals and programs for District 513 this year.

Finemaster Wes Westerdahl will put to work his extensive fundraising experiences in this sanctuary today. No place to run and hide so might as well start reaching for your wallets right now.

LAST
WEEK

President Joe said something about a kosher ham. Right on. Yes indeed, our very own TV personality, Sid Berlin, gave a part live and part recorded re-run of his delightful family's appearance on TV's Family Feud show. Sid claimed he edited out the commercials but as he sat there grinning and chatting on our own stage - well, I'm not so sure. The young folks were great and son Louis almost, just almost upstaged his Dad.

Inductions of new members are always a pleasure and this week John Esson did the honors in presenting our newest Rotarian and his Rotary Ann. Anthony R. (Tony) DiGiovanni and his charming wife, Julie. Tony, who is Chairman of the Board of the new Bay Area Bank, needs no introduction to Rotary as he comes to us from the San Clemente Club. A flying enthusiast with wings from WW II and Korea, Tony and Julie have two children, now grown and two grandchildren. Welcome.

Finemaster Bob Pierce let his victims put the sting on their fellows in a sort of truth and consequences routine as Don Hack did his customarily efficient job of collecting the green consequences.

Dr. Jim G. and Sid B. tested our tonsils, Joe Mell led the pledge and Allen Gruman lifted our spirits.

OTHER NEWS
AND N.B.

The golf team has now been recruited and is ready for their annual club fest with Menlo at Stanford on Friday November 2.

Remember to note your calendars. Once again Tom Poore is graciously opening his lovely home for our Xmas party on December 18 at 6 PM.

Jerry Schutz is wrapping up arrangements for the Big Game. If he doesn't have your money you'd better be ready to settle for a radio version.

And once again, R.I. is sponsoring a float in this year's Rose Parade in celebration of our 75th anniversary. You can see it all, parade and game with transportation to L.A., accommodations at the Marriott, game lunch, etc., for \$250 per person.

NEXT
WEEK

October Program Chairman Dr. Bob Brown says our speaker will be Dr. Sidney Marchisan. According to Bob, Dr. Marchisan is a regular contributor and oft-times commentator (TV) to articles on medicine and matters medical. His topic: "The Economics of Health".

CHARTERED APRIL 22, 1946
DISTRICT 513

OCTOBER 30, 1979

PENINSULA COVENANT CHURCH

TODAY

Dr. Sidney Marchisan, medical commentator and contributor to articles on medicine and related topics in the press and magazines, will discuss with us "The Economics of Health". Dr. Bob Brown has been the program chairman for the past month.

Finemaster will be Bill Conklin, so be on your best behavior, or the goblins will getcha!

LAST WEEK

District Governor, Harry C. Empey, gave us a pep talk about Rotary, and his enthusiasm showed. He encouraged us to make special plans to help celebrate Rotary's 50th anniversary, and especially emphasized the possibility of publishing a newspaper supplement telling of the accomplishments of our club during its 33 years. He noted that we have contributed \$11,707 over the years to the Rotary Foundation, which puts us at the 1400% level (however that is figured!)

Gov. Harry was introduced by Al McNay of the San Carlos club who is our Area Representative. Al told us that Harry made the successful leap from a lowly birth in Utah, then up the ladder with J. C. Penney to his own store, and now has reached that high plateau of Real Estate Development. Not only that but he has six grandchildren.

Wes Westerdahl had trouble finding enough questions to ask to set members up for a fine, so he prevailed upon members Chaffey, Bostwick, Claypool, Fruehling, and Gruman. So now we know just how proficient some of our members are as they struggled to answer basic educational questions. Only Bostwick failed to come up with a question--how long ago was it he retired?

BUSINESS ITEMS

In the preliminary meeting with Gov. Harry the Board approved a contribution of \$1 per member toward the 75th Anniversary Float in the Rose Parade. Also it was agreed that the Redwood City Club would become a Friend of the Foundation, which commits us to an annual pledge of \$1 per member and \$10 per new member--amounts which we have easily exceeded in previous years.

Just in case you haven't heard, a special Rotary group is going to the Rose Bowl, and if you wish to join them you have two days to make up your mind! It will cost you \$110 for seats at the game, parade, transportation, and a lunch. If you want to go all the way, \$250 would get you down there and keep you overnight at the Marriott for a gala New Years Eve party.

COMING EVENTS

PENINSULA COVENANT CHURCH

TODAY "Mineral Resources of the Deep Seabed" is the topic of today's speaker, Mr. Edward Dangler, Assistant to the Vice President of Ocean Minerals Co., a consortium of Lockheed, Standard Oil of Indiana, Royal Dutch Shell, and Royal Bos Kalis Westminster Group. Mr. Dangler is responsible for legal and economic analysis and long range planning for ocean mining systems.

Finemaster for today should be Bob Landau, and he'll probably be all fired up to make up for lost time last week!

LAST WEEK

Norm MacLeod substituted for Bob Waligore who substituted for Joe Souza. Does that sound complicated? With all Norm's experience, he still has to struggle to derail the kibitzing that goes on at the back tables. Hey, you guys, let's pay attention! Fun having Norm back in the saddle.

Our speaker, Dr. Sidney Marchasin (now we have it spelled correctly, right?) told us about ways in which medical costs could be reduced. He didn't have to tell us that they were high, but he did make a point of debunking the most popular solutions--educating the consumers, getting the government to participate, or putting a cap on medical costs. His major proposals involve closing unneeded hospitals, eliminating excessive regulations which are costly, and reducing the insurance costs.

Sid Berlin led the songs sans Greenwell's arpeggios (sorely missed), Ken Knoll led the pledge, and Bill Bergler blessed us and our lunch. A great way to go!

MEMBER-SHIP

Bud Meyer, Chairman of the Membership Committee, reminds us that we have each been given a membership assignment--to locate a prospective member in a particular profession or business. If you need any help in proceeding, please contact him. We're expecting great things from this concerted effort to expand our membership.

COMING EVENTS

Nov. 13 "Productivity in the Humanities", Richard Elkus, Chairman of the Board of Directors of Ampex.

Nov. 20 Club Assembly

Nov. 29 "Quality Control in Medicine--Its Friends and Enemies", presented by Melvin C. Britton, M.D., Palo Alto Clinic Rheumatologist, Associate Prof. at Stanford, and incoming President of the Santa Clara Medical Association.

OTHER NOTES

Redwood City started the ball rolling with its \$1500 contribution last year to the Rotary Health, Hunger, and Humanity Program--now the fund totals \$1,766,356 and is still growing. The Fund announced its first project--\$760,000 for a polio immunization fund to inoculate over six million children in the Philippines. This is a 5-year project.

Special note: George Togasaki, recent visitor to our club from Japan, and former resident, has become a member of the R. C. American Legion!

TODAY

Richard J. Elkus, Chairman of the Board of Ampex Corporation, will speak to us today on the subject of "Productivity in the Humanities". A distinguished industrialist and banker of international repute, Dick Elkus is also a former fellow Rotarian of RC Rotary. It would take more than an entire issue of SPOKE to acknowledge his many achievements or even just provide a simple listing of the many significant positions of leadership and responsibility which he has held. Beyond Ampex, Mr. Elkus serves or has served in such capacities as Chairman of the Board, President or Director of Mangrum, Holbrook & Elkus; First National Bank of San Mateo County; Wells Fargo Bank; United States Leasing Corporation; Mercantile Credit Company, London; Barclay's Bank of California; San Francisco Bay Area Council; San Mateo County Charter Study Commission; The Mental Research Institute; and, as Program Chairman Tom Poore notes, even the St. Francis Yacht Club. There's even more, Tom; your editor also recalls photographic expositions of considerable artistry - but space won't allow.

Our finemaster today is another distinguished Rotarian - editor and journalist, Dave Schutz. Looks like you may find yourself in the press for dollars this week.

**LAST
WEEK**

Edward Dangler, an executive of Ocean Minerals Co., a consortium of Lockheed, Standard Oil of Indiana, Royal Dutch Shell and the Royal Bos Kalis Westminster Group, discussed the present status and future prospects of Ocean Mining, with particular reference to the recovery of manganese nodules from the ocean bottom. As the quality of surface ores, short in supply and global dispersion, recedes, the prospect for successful deep sea mining of ocean beds grows. Mr. Dangler disclosed many of the technical aspects of deep sea mining processes along with problems of environmental rules and other matters subject to U.S. and U.N. debate.

At \$5 apiece, finemaster Bob Landau gifted a small circle of lucky recipients with some fine firefighters.

**COMING
UP**

It's Club Assembly next week, so come prepared for some productive participation. And you'll get no relief from next week's finemaster, Hizzoner Lyle Edson. 'Fraid de judge is gonna tell it to you.

Reminders from Don Helbush: There's a blood bank drive at Kaiser Hospital Friday, Nov. 16 from 11 to 4. And you basketball fans should get your reservations in to Don for 3 games lined up in Jan., Feb., and Mar.

N.B.

Remember Bill Maxwell's news of our club's agreement to sponsor resettlement of a refugee VN family. Let him know what help or materials you can contribute.

PENINSULA COVENANT CHURCH

TODAY

It's Club Assembly; time for some careful and thoughtful reflections - a good time to make known what you think about what we're doing and how we're doing.

Your finemaster today is not the judge who was to be. He'll be on next week. Today it will be one Bill Conklin who was to be last October twenty three.

LAST

Former RC Rotarian Richard J. Elkus, Board Chairman of Ampex Corporation, shared with us some of his personal observations and philosophies on the state of affairs in this nation of ours - still great but far from living up to its aspirations and expectations. Trying to sum it up in a phrase, this writer's impression of his principal theme is that we have lost the will and art of productivity. Until that discipline is restored, we cannot expect to advance in and serve the humanities for the two go hand in hand rather than being adversaries as he feels so many of today's pseudo intellectual politicians seem to suggest. And, as we lose self discipline, both individually and especially in government, we move towards chaos and historically over the ages from out of chaos comes dictatorship.

An interesting side light to Dick Elkus' remarks was his accounting of the start of his association with Ampex - a conversation at a Rotary lunch with Kevin Mallen, a former director and member of the original Ampex managing group. Also worthy of mention was Mr. Elkus' remark that Ampex gave over \$100,000 to local charities this past year.

Finemaster Dave Schutz used his quick and easy wit to bring in a hefty haul of dollars for the club treasury, proving that flattery not only gets you anywhere but also can take anything you've got.

It was great to have impresario Jim Greenwell back at the keyboard to help us follow song leader Sid Berlin. Thanks to Wes Westerdahl for the invocation and Cliff Hawkins who led the pledge.

OTHER NEWS AND NOTES

President Joe announced with just pride that club attendance in September placed RC Rotary in the top five of District 513. Now let's see if we can keep it up.

A list was circulated to line up a bunch of bell ringers to help out with the Salvation Army's Christmas collections this year. If you didn't see it there's still time to join the team.

Good to see Bob Durkin up and around again and don't forget, Bill Maxwell still needs your word on what help and/or materials you can contribute toward the club's sponsorship of the resettlement of a refugee VN family.

NEXT WEEK

"Quality Control in Medicine - Its Friends and Enemies" will be the subject of some remarks to be given by Melvin C. Britton, M.D., Palo Alto Clinic Rheumatologist, Associate Professor at Stanford and incoming President of the Santa Clara Medical Association.

PENINSULA COVENANT CHURCH

TODAY Dr. Melvin C. Britton, M.D., Palo Alto Clinic Rheumatologist, Associate Professor at Stanford and incoming President of the Santa Clara Medical Association will speak to us today on the subject "Quality Control in Medicine - Its Friends and Enemies."

Your finemaster today comes well experienced in the art of metering out just and fair levies. After all, his honor is well known and respected for being one of our most superior Court Justices.

LAST WEEK Repetitious though it may seem a resounding applause is much deserved by our masterful music makers, Dr. Jim Greenwell, tickling the keys and Sid Berlin, tickling the tonsils. Thanks too to Joe Mell who led the pledge and Ron Bawden who lifted our thoughts in this season of gratitude and, hopefully, great giving.

A fine time it was too, for inductions of new members. Bob Rutherford did the honors in presenting Tom Martin, Partner in the Woodside Camera Center at Woodside Plaza. A native of Brooklyn and veteran of service in the U.S. Air Force, Tom has three children ages 11 to 14. A photography buff as might well be expected, Tom is also involved and interested in radio controlled aircraft and boats.

With proposer Ron Koster doing the pinning, it was also a welcome aboard to Captain Ron Bawden, Officer in Charge of the Salvation Army post in Redwood City. Ron, a former Rotarian, comes to us with his Rotariann Marilyn and their two youngsters ages 9 and 11, from prior service in Pendleton, Oregon, Modesto and Richmond. Welcome!

It was Club Assembly last week and of the topics discussed we'll note a few:

- . On leaving early - some strong thoughts were expressed on how negative the impact is on speakers. Let's try not to, but if circumstances so demand, remember to ask in advance to be excused and be sure to give a personal apology to the speaker. It is important.
- . The head table will be moved to the end of the hall in hopes of improving on the acoustics. Will also help on the prior topic of early departures - won't stream by the head table.
- . According to Merle Fruehling, club membership stands at 88 with a target of roughly 100. The three committees now dealing with this area under Merle, Bob Baum and Bud Meyer will be combined into one under Bud's direction.

OTHER NEWS AND NOTES So very saddened to have to report that Esther Claypool has had to be hospitalized once again - this time with a broken leg from an unfortunate fall. We all send our very best wishes for a full and early recovery.

Bill Maxwell says the VN refugee family has not yet been selected but meantime he still needs your early advice on where you will help.

COMING UP Our speaker for next week will be Sgt. James Eldredge of the Burlingame P.D. who will tell you about P.S.E. - a new form of lie detection.

Club Secretary, Dr. Alan Bostwick will give you the benefit of his long Rotary experience next week - look for a fine time.

REDWOOD CITY, CALIFORNIA

RULES FOR FINEMASTER

1. If you are unable to be Finemaster on the date assigned, arrange a substitute and notify the Sergeant-at-Arms of the change. It is suggested that you trade dates with one of those assigned for upcoming meetings when this can be agreed.
2. You will have about 7 minutes to collect approximately \$50.00.
3. The period should primarily be entertaining and humorous, but in good taste. Try to avoid a 'Quiz Program' so far as possible.
4. Avoid fining the same people who always get fined. Include at least a few of those who never get fined. Try to get some of the newer members up, since this gives the club a chance to get better acquainted.
5. Seven minutes is a short time in which to collect \$50.00. Please do not fine anyone less than \$1.00 since it takes so much time to make change.
6. Starting July 1, 1977 we will have an annual fine limit of \$45.00 per person. You will be advised of those who have reached the \$45.00 limit.
7. Optional fines over \$3.00 are now allowed if you notify the person being fined in advance of the meeting.
8. No "blanket" fines please. All the fines must be by name so that the Sergeant-at-Arms committee can keep records.

PENINSULA COVENANT CHURCH

TODAY A warm welcome to all the charming Rotarianns who were able to break away from busy holiday schedules and join us for todays special luncheon program.

We all look forward to hearing and hearing from Richard D. King, a fellow Rotarian from San Leandro. Dick King is an attorney by profession and a very dedicated Rotarian who has done much to promote the objectives of and support for the Rotary Foundation. And, as you will soon find out, Dick King is also a very fine performing artist who will add much to your luncheon pleasure.

Our finemaster today is our club Secretary, Dr. Alan M. Bostwick. Well versed in the activities and needs of RC Rotary, Alan will enthusiastically solicit your donations.

LAST WEEK With Dr. Jim keeping us on key, Bob Pierce led the chorus. Dick Chilingarian led the pledge and Vince Claypool lifted our thoughts. George Chaffey may have missed half of his trombone (no one else did) but he didn't miss many pockets in doing a fine job.

Sgt. James Eldredge of the Burlingame Police gave an interesting description of the background, use and prospects for a device and technique known as P.S.E. (Psychological Stress Evaluation). Known more simply as voice lie detection, P.S.E. works on the precept that stress and deception go hand-in-hand and, as stress is controlled by electrical impulses from the body's central nervous system, a careful measurement and analysis of micro muscular tremors in the range of 8-14 cycles will reveal stress abnormalities which, in turn, point to deception. Developed by the CIA, P.S.E. is, according to Eldredge, a very useful and reliable technique. He also mused that rumors now have the CIA able to read your mind without your knowing it with laser beams. To that, Phil Schnieder was quick to retort that wives have always had that facility.

COMING UP Next Tuesday, December 18, is our Christmas Party. There'll be no luncheon meeting that day but you won't have to make up if you've signed up, paid a modest fee of \$10 per person and present yourself (make that plural when you add your Rotariann) at Tom Poore's lovely home at 6:30 P.M. We are all deeply indebted to Dr. Poore for once again so generously offering such a gracious environment in which to toast and feast the coming holiday. How to find 97 Isabella in Atherton? Going south on El Camino it's 3 blocks beyond Atherton Ave. Turn right and you'll find it on your left opposite the fourth street light.

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

JANUARY 8, 1980

PENINSULA COVENANT CHURCH

Happy New Year and welcome to this new decade. May the inspiration of Rotary, through the efforts of each one of us, somehow bear a meaningful influence upon all those whose actions in the days and years ahead will shape the history of the 1980s.

TODAY

With many thanks to past District Governor George Newlon, we are most pleased and honored to have with us today the Right Reverend Thomas H. Cashmore, retired Bishop of the Church of England and past President of Rotary International of Great Britain and Ireland. Born in Coventry, Bishop Cashmore has been much honored for his great public service not only in the British Isles but across the globe from the West Indies to India. A former Director of RI, our distinguished guest first received appointment as Bishop Suffragan of Dunwich in the Diocese of St. Edmundsbury and Ipswich, England. And among his many honors, Reverend Cashmore was awarded the Defense Medal for his work in WW II and the Silver Medal of the Kaiser-I-hind for Public Service in India.

Treasurer Ken Blumenthal is your finemaster today and I've a notion he will seek your direct assistance in balancing the budget.

LAST
DECEMBER

The holiday season was grandly inaugurated with our annual Christmas party held once again amid the warm and gracious surroundings of Dr. Tom Poore's lovely home in Atherton. With a fine cuisine and much good spirit(s) our fellow Rotarians and their Rotarianns toasted the season in obvious happiness and good cheer. Thanks again, Dr. Tom and thanks too, to Jerry Schutz and all those who made this splendid evening possible.

Thanks also to Sid Berlin for helping to make some entertainment in the face of a missing entertainer at the December 11 Xmas luncheon shared with our Rotarianns. Bob Waligore took the gavel that day and Alan Bostwick took the pick of your wallets with his garage sale. For those not present it should be noted that upon Jim Fitzgerald's motion, your club did formally act to suggest the nomination of a distinguished California Rotarian, Stan McCaffery, for election as President of RI.

NEXT WEEK

Program Chairman Joe Mell says our speaker will be John Russell of Menlo College who will talk to us about that fine institution. Your finemaster for the 15th is scheduled to be Dr. Jim Greenwell who will no doubt play upon your pockets as deftly as he does upon the keys.

N.B.

There will be a group picture taken next week, the 15th, so let's all try to come and, please, ties would be preferred,

*as is a smile,
Shoes (no hats) etc.*

Be looking for you!

World-Wide Exclusive

Professor SNYDER surprised us with the historical background of the melody "I Love You California," written in 1910 ... RIX and GEORGE KNOLES were sopranos in San Jose when they became aware of this song ... I.L.Y.C. came in 2nd in 1954 when the State of California chose "California Here I Come" as the official State Song ... "The Sun Kissed Miss" wins out every time! Professor GOERGE KNOLES gets the "Grizzly Baton" award for his musical score of this long lost melody (from memory yet) and his protege RON HERSHBERGER, a pair of mittens for his rendition of GEORGE KNOLES' composition.

Rabbi SID AKSELRAD Invoked Peace and Good Will ... calling attention to the power and ability of TV to carry the message ...

Quoting Anniversary JOHN B's "Rotary's 1980 Diamond Jubilee Anniversary" with the 12 page newspaper supplement in February ...

"To finance our share of the expense of the newspaper supplement, we are asking each member of the club to make a contribution. How much? That is up to you. However, we recommend that you take a look at your Rotary experience and determine for yourself if that experience has not been worth a dollar for each year of your membership in Rotary. If the answer is yes, we invite you to contribute a dollar for each of your years of membership in Rotary. If you are a very new member, we suggest a floor of \$5.00 or \$10.00, as you see fit. However, your participation - and the amount you give - is necessary."

Make your check payable to Rotary Club of Palo Alto and give to JOHN BRACKEN at meeting, or mail to J.B. 292 Carolina Lane, Palo Alto 94306.

PENINSULA COVENANT CHURCH

TODAY

If you read this in absentia it means you didn't get your picture took - with the group. Too bad, for that means you won't see yourself in the coming TIMES TRIBUNE feature on Rotary's 75th anniversary.

Beyond that, you will also have missed the picture John Russell is going to give us of his favorite place, that very fine institution just down the pike, Menlo College. John Russell is not only a fellow Rotarian from the Menlo Club but also one of those very special people - a charter member of the Redwood City Club.

If our finemaster today gets from you as much as he regularly gives to us, you had better start reaching for your wallet right now. You'll whistle the notes from him but he'll bank the notes from you. Who else but Dr. Jim Greenwell!

LAST WEEK

It was such an inspiration to hear the Rt. Reverend Thomas H. Cashmore urge us on in the real work of Rotary. Former President of RI for Great Britain and Ireland and a retired Bishop of the Church of England, Rev. Cashmore noted that this was his 41st trip to the U.S. and that, in his recollection, he thought he talked to our club once before - way back in 1956. Your editor finds it difficult to try to summarize the Bishop's remarks but let's just leave it that he reminded all of the true meaning of Rotary and the real contribution it can and should make to world peace and understanding. In capital letters it all adds up to this - SERVICE.

Thanks to Bob Waligore for leading us in song; to Phil Schneider who led the pledge and Wes Westerdahl who lifted our spirits. Club Treasurer Ken Blumenthal took care of the fining in an effective but gentle way. Thank you brother Smith.

On the serious side - and with much sadness, it was reported that Russ Kent suffered another heart attack over the holidays but has now returned home once again. If the love of many friends can help - well, you know you've got lots of help, Russ.

NEXT WEEK

Program Chairman Joe Mell says that Sid Berlin will introduce our two speakers, one of each sex, from the Gay Rights Speakers Bureau.

Your finemaster on the 22nd is scheduled to be Ed Hussong. Looks like you can bank on another lesson in collections.

COMING UP

You will truly enjoy our speaker for the 29th. Fred Hargadon, Director of Admissions for Stanford University will let you in on some of the more amusing and interesting kinds of happenings his office experiences.

And if that's not enough, your finemaster will be John Esson. Now that's always an experience.

We missed the thrill of having Bill part of our day. don't stay away!

PENINSULA COVENANT CHURCH

TODAY

Sid Berlin will introduce our two speakers today, both from the Gay Rights Speakers Bureau in San Francisco. First we will hear from Ms. Darien DiLorenzo who owns an advertising agency in San Mateo specializing in ad copy for medical journals. Our second speaker will be Dr. Martin Stow, a practicing psychologist who maintains a private practice in San Francisco.

Banker Ed Hussong is our finemaster today. He'll make you dig down deep - like you're going for wells. No telling how far he'll go.

PAST WEEK

You couldn't miss the pride, enthusiasm and pleasure - let's call it pep - that former RC Rotary charter member, Jack Russell, displayed in his very interesting talk on his very favorite subject, Menlo School and College. The history and facts about Menlo College are both fascinating and impressive but too much to recount. Now a long time member of the Menlo Club, Jack retired from the post of Chief Administrator of Menlo in 1977. Originally an attorney by profession, that retirement seems more legal than actual. In the actual, it didn't sound like he'll ever retire.

S.B. and Dr. G. made music with lots of eager vocal chords. Allen Gruman led the pledge and Orv Graves shared with us his inspiration.

And with Bob Durkin handling the induction, Monsignor Peter Armstrong not only rejoined Rotary after 10 years with the S.F. club, but also acknowledged his rejoining the many friends and Parish of St. Pius he left some many years ago. And thanks to past District Governor Paroli for adding his presence to this happy occasion.

One more happy event to note. Russ Kent surprised us all with his smiling presence and a swift comeback from his most recent ticker problem.

Finemaster Dr. Jim Greenwell anniversaried just about everybody and everything. Treasurer Ken Blumenthal was beaming at the take even though he joined the givers for letting his new face hang out.

NEXT WEEK

Stanford's Director of Admissions, Fred Hargadon will be with us. Don't miss it. You'll surely enjoy his recounting some of the amusing and interesting experiences encountered by his office.

John Esson will take care of the collections on the 29th. He'll have lots of you on the line so be prepared for his calling.

COMING UP

Remember President Joe's announcement about the very special Rotary 75th Anniversary party to be held at the Sheraton in Burlingame on February 15th. It will be a fine evening of dining and dancing for just \$30 a couple. Make up your parties and get your reservations in right away.

JANUARY 29, 1980

PENINSULA COVENANT CHURCH

- TODAY** Stanford University's Director of Admissions, Fred Hargadon, will let you in on some of the things that happen when you have to care enough to pick the very best. It would be interesting to know how many of you old grads would make it today, but we doubt that Dean Hargadon will give you any admissions on that account.
- John Esson is your finemaster today and you will quickly remember his calling as he lays it on the line. No point in wringing your hands though - you know he'll do bell. And if you get a little nervous, don't worry - he'll only suggest you use Dial.
- LAST WEEK** We heard from Dr. Martin Stow, a practicing psychologist from S.F. who appeared on behalf of the Gay Rights Speakers Bureau of Northern California in S.F. According to Program Chairman, Sid Berlin, the woman speaker, from the same Bureau, was called away by an urgent business problem and will have to appear at some other date. Dr. Stow's candor and willingness to field all questions appeared to be well received by a large turnout.
- Past President Norm MacLeod handled the gavel this day and surely had no trouble hearing Sid Berlin and Jim Greenwell lead us in song or Messrs. Hallum and Chaffey the pledge and invocation.
- Ed Hussong did the fining with cool efficiency and no withdrawal slips.
- NOW HEAR THIS** It was a special day, indeed, as fitting tribute was given to our very good friend, Dr. Vincent Claypool, on this occasion of his last regular meeting with us. Vince and Esther are joining a retirement community in Fresno but you can be sure they will remain close to our hearts here in RC.
- AND THIS** And speaking of retirements, we hope you will be sure to contact Ed Hussong or Max Gerfen for tickets to the special evening to be held in commemoration of that event for one David N. Schutz on February 8 at the Elks Club. We'll miss the product of one career but hopefully, from time to time, from this important voice we will indeed still hear.
- NEXT WEEK** This month's program chairman, Bob Brown, says our speaker on the 5th will be Ms. Charlotte Ross, Executive Director of the Suicide Prevention Center for San Mateo County who will talk about the problems of crisis and depression among the citizenry.
- Walt Small will be your finemaster and this is one time when his interest is not in Penney's.
- OTHER NOTES** Attendance continues to edge ahead of prior years. For the first six months of our Rotary year we're now at 90.63%. Let's keep up the improvement. And if you haven't yet acted, there may still be time to join the 75th Rotary Anniversary party scheduled for Feb. 15th at the Sheraton in Burlingame.

CHARTERED APRIL 22, 1946
DISTRICT 513

FEBRUARY 5, 1980

PENINSULA COVENANT CHURCH

TODAY

Ms Charlotte Ross, Executive Director of the Suicide Prevention Center for San Mateo County is going to tell us something about the problems of crisis and depression among the citizenry. It's not a happy topic but it's real and could confront almost any of you. There's uplift, though, in what's being done and can be done to forestall these tragedies.

Finemaster Walt Small is going to look for bigger things, and if he makes you give like he does, you'll know it has nothing to do with pennies.

**LAST
WEEK**

Former S.F. 49er star receiver, R.C. Owen (who can forget those Alley Oop antics of Tittle to Owen), filled in for Stanford Dean Fred Hargadon who had to be excused to help interview the Cards' new coaching prospects. Now an aid to the new 49er management, R.C. spoke of that "extra effort", drawing from the experiences of his own career in pro ball and completing his education along with his experiences in public service work with J.C. Penneys and others in dealing with young people.

Incoming Prexy Bob Waligore took the rostrum while President Joe was busy minding the store. Thanks as usual to Messrs Greenwell and Berlin for the fine music and Walt Koslosky and Orv Graves for the pledge and invocation.

John Esson took care of the fining in fine style along with revealing a few of Berlin Travels' many undercover agents.

**NEXT
WEEK**

Note your calendar - the February 12 meeting has been cancelled in deference to the Rotary 75th Anniversary party to be held on the 15th at the Sheraton in Burlingame.

**OTHER
NOTES**

Make a note too of the District Conference coming up on April 30 - we'll have more on that later.

Acting President Bob gave the unhappy news that Club Treasurer Ken Blumenthal is resigning. Along with that new face, Ken is evidently going to be embarking on a new career that will take him to the South Bay Area. He certainly has all of our very best wishes and many thanks for his money tending.

Don't forget this Friday (the 8th) is the time and the Elks Club the place for Dave Schutz's retirement dinner.

You'll be getting more word from Sid Berlin and his committee on the Books for China project. Keep surveying what you may have that would help in teaching the English language. Right now, shipping arrangements are the biggest problem to be worked out.

CHARTERED APRIL 22, 1946
DISTRICT 513

You're been gone two long!

FEBRUARY 19, 1980

PENINSULA COVENANT CHURCH

TODAY

Mr. John Boccabella, speaking for PG&E, will talk about the use of liquified natural gas and demonstrate some of the unique characteristics of that product. And if you're thinking that name sounds a bit familiar - like that of a former ball player - you're right.

Paul Keckley is your finemaster today. If it looks like he's making an end run it's only that he'll be looking for your wallet. He knows how to loosen a lot of things.

**THE LAST
TWO WEEKS**

The February 12 regular meeting was cancelled in favor of the Rotary 75th Anniversary Party held (or to be held at this writing) at the Sheraton in Burlingame on the 15th. A make up is required if you did not attend the party.

Friday the 8th saw what seemed like most of the Club along with a Who's Who of these parts (more than 300 in all) attending the gala dinner deservedly honoring our own David N. Schutz on his retirement from 35 years of superb journalism, editorial management and community contribution. We're all proud of Dave's accomplishments and recognition on both the local and national level and enjoyed the tributes he earned and received almost as much as he did. You could see the affection in the smiles.

On the 5th we heard from Mrs. Charlotte Ross, Executive Director of the Suicide Prevention Center for San Mateo County. It was not a dull subject. Mrs. Ross ably handled an interesting discussion of many of the surprising and intriguing aspects of the facts and statistics regarding this area of grim and unhappy reality.

Norm MacLeod kindly took the gavel as Pres. Joe Souza continued to struggle with his company's difficult labor problem. Walt Small took care of the fund raising - did a fine job and Bob Pierce joined with Dr. Jim in leading the music as Cliff Hawkins and Jerry Olhiser took care of the pledge and devotion.

**NEXT
WEEK**

Assistant District Director for Enforcement for the U.S. Immigration Service, Mr. Billy M. Glazner, will address the subject, "The Developing Statii of Iranian Visitors".

Dr. Bud Meyer will take care of the fining and when he's done you may find a few cavities in your pockets you didn't know existed.

**OTHER
NEWS AND
NOTES**

Membership Development Chairman, Bud Meyer says we expect to have as club guests next week a number of the owners, managers or reps of many of the new businesses which have joined the community as a part of the growth of recent months and years. Look for them and help make sure they feel welcome.

Be sure your Nominations for Director get to Dr. Alan Bostwick no later than 12:30 today. And speaking of nominations, don't be surprised if you see Bob Durkin's name put forth as a candidate for District Governor. No doubt he'd be a great one.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

FEBRUARY 26, 1980

PENINSULA COVENANT CHURCH

TODAY Mr. Billy M. Glazner, Assistant Director for enforcement for the U.S. Immigration Service will talk about "The Developing Statii of Iranian Visitors".

Dr. Bud Meyer has the duty today so don't be surprised if you leave with some cavities in your pockets you didn't know were there.

LAST WEEK Norm MacLeod showed once again how well he learned from all that past experience as he stepped up and took over the rostrum one more time during this period of troubled absence for President Joe.

Paul Keckley did the fining as he cashed in on some old young wives tales. Good Show!

Acting Prexy Norm announced that Dick Dodge has generously offered to take over those fiduciary responsibilities left behind by Treasurer Ken Blumenthal's recent resignation.

Our speaker this past week, John Boccabella, gave an entertaining display of cryogenics in behalf of PG & E as he very ably covered the many potential sources, uses and handling of liquified natural gas.

OTHER NEWS Very sorry to have to report that President Elect Bob Waligore has had to make a sudden visit to Sequoia Hospital for surgery. We understand it went well but await further word on his status as to visitors and return home. We know your fondest thoughts and well wishes will be with Bob and Rosemary for a speedy recovery.

NEXT WEEK March Program Chairman, Dr. Bill Koon, advises that the title of our program for March 4th is "The Walatam Caper". Who dat? You know as much as this writer does. Finemaster for next week is Don Helbush. You know that Don is usually out to get your blood but this time he's not interested in anything red or blue - just green will do.

N.B. Take another look at that memo from Messrs. Berlin and Waligore detailing the kinds of books and periodicals needed for the "Books for China" program. Shipping arrangements are the next problem to be solved but the sum and size of your contributions are needed before the answer to that problem can really be buttoned up.

With luck, Club Secretary Alan Bostwick may come down from the hill and rejoin us today - perhaps tell us what it's like to have mud in your way.

Officers for 1979-80

Norman MacLeod, Past President

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

MARCH 4, 1980

PENINSULA COVENANT CHURCH

- TODAY** We'll find out today what March Program Chairman Bill Koon means when he says that today's subject is entitled "The Walatam Caper".
- Your finemaster is Don Helbush and if you've given blood you're probably safe. If not, be prepared to give that and more.
- LAST WEEK** Norm MacLeod once again took the helm in Pres. Joe's absence, an absence that, according to the latest news, should now or soon be ended - a big relief to all concerned.
- Our speaker was Mr. Billy M. Glazner, Assistant Director for Enforcement, U.S. Immigration Service. Apart from reporting on the status of our Iranian visitors, Mr. Glazner gave an interesting recap on the evolution of our immigration laws and policies and the level of current activity in this field nationally.
- A very special and happy occasion also took place as Jim Fitzgerald handled the introduction and granting of honorary membership in RC Rotary to a familiar and most distinguished visitor from Japan, a past President of Rotary International, Mr. George Togasaki. Mr. Togasaki's visit to his native land was occasioned this time by a reunion of U.C. Berkeley's special "100" (most distinguished living alumni). Apart from his great efforts for and involvement in R.I., Mr. Togasaki, as you may recall, is a noted newspaper publisher in Japan, a 33rd degree Mason and also past Grand Master of that order for Japan.
- Finemaster Bud Meyer sold poems and things. The things were rather well done and really good fun. Not bad. But the poems - said politely were really quite sad. In rousing song, music masters Sid Berlin and Jim Greenwell led a toast to our Olympic heroes. Joe Mell led the pledge and Wes Westerdahl gave thanks for all of us.
- GOOD NEWS** Bob Waligore is home, progressing well from his recent surgery and feeling much, much better. You can give him a call but be sure to call first before making any visit. Bob knows that everyone's been rooting for him and we happily look forward to his return in a few weeks.
- COMING UP** Next Tuesday, March 11, our own Fran Pearson will address the group and discuss the question and prospects of your having an income tax audit by the IRS - and what to do if you do. A Timely topic indeed. And if you think the IRS is bad, wait till you see how finemaster Pete Hughes gets at your pockets.
- ELECTION OF DIRECTORS** Don't forget to get your ballots in to Alan Bostwick by or before next Tuesday noon showing your choice for the three new directors to be elected from among nominees Baum, Dodge, Dooley, Gruman, Hack, Hughes and Noren.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

MARCH 11, 1980

PENINSULA COVENANT CHURCH

TODAY There's not much time left and if you haven't yet filed your return you will want to listen carefully to Fran Pearson's knowledgeable remarks on your prospects of having a tax audit by the IRS. You'll also learn what to do if you do and maybe what to do so you won't. Confused? Right! Now you're beginning to understand the situation.

On a bit smaller scale, finemaster Pete Hughes is also out to raise a little revenue - hope you don't find it too taxing.

Is he there? Did he return? It's like reporting on the hostages. President Joe - hello?

LAST WEEK Erstwhile Prexy Norm MacLeod was at the podium once more and if he's not there again today, how about giving him a real big hand for all that fine pinch hitting.

Icebreakers are always a bit of fun and interest and this time around two new members with a common inspiration quickly showed the evidence of their many prior years of Rotary service.

For Monsignor Peter Armstrong it was not only a welcome again to Rotary but welcome home to the parish of St. Pius which he left some 20 years ago.

And another welcome to and from Captain Ron Bawden, new commander of the Salvation Army Post here in R.C. Ron's lovely Rotariann, Marilyn, was commissioned a Lieutenant in the S.A. a shade ahead of Ron back in 1965 so now you know who's the senior officer in that encampment.

Both Pete and Ron bring to us the experience of over 10 years of prior service in Rotary. And with people of their cloth you can be sure we can only gain. Welcome!

Messrs. Berlin and Greenwell did once again bring out the mostest from the assembled masses - in song that is. Finemaster Don Helbush used a bunch of natural laws to bring out the bucks. A clever job indeed. Bob Rutherford introduced the visiting Rotarians and acting Pres. Norm very fittingly gave the roses to Paul Jones for the grand job he always does in greeting our visitors.

NEXT WEEK Sid O'Berlin has a fine program in store for you in honor of St. Patrick's Day. From the staff of Aer Lingus - Irish Airlines, Leslie Downsing and James O'Donnell will take you on a tour of their lovely emerald isle. It's time for a wearing of the green. Don't forget.

OTHER NOTES Check your calendar. The District Conference is coming up - 4 days starting Wednesday, April 30.

For any who missed the word, Dr. Jim Greenwell has taken over as club historian replacing Vince Claypool.

And continued good news from Bob Waligore on the road back from his recent surgery. He's looking forward to returning as much as we are to his return.

Will Bill return? Was the question of the day - Someone

TODAY Yesterday was St. Patrick's Day but according to one Sid O'Berlin, yesterday is still today. And, in honor of the wearin' of the green, our program will take you to that lovely emerald isle by Aer Lingus - Irish Airlines. Your guides for today's program and your trip to their green, green home are Leslie Downsing and James O'Donnell. *was heard*

Today's finemaster, Bill O'Stangel, also has an eye for the green. He'd love it if you really were looking for emeralds. You're not? So be it - he'll take a little lettuce instead - just a bit of green in honor of the occasion. *to say SURE heard he'll be!*

LAST WEEK Cliff Hawkins introduced and inducted our newest member, Joe Carini, And sharing in the occasion was Joe's lovely Rotariann, Karen Sue. Among other interests, when not busy with his auto service and repair operations, Joe raises and races pigeons. A Sequoia H.S. alum, Joe (and Karen) are also busy raising Peter, 13; John, 12; and Lisa, 10. Welcome!

This past week's speaker was our own Fran Pearson. With offices now in Palo Alto as well as R.C., Fran and his associates are well qualified to keep you aware of the probabilities of your being audited or, as the government likes to put it, "examined" by the IRS. Those who have experienced it know it's not fun and from Fran's remarks, it's getting no better. If you get that friendly little notice, best you give a quick call to your accountants and attorney.

Pete Hughes did the fining. New club treasurer, Dick Dodge was delighted but for the rest of the club it was a pretty seedy performance.

Messrs. Berlin and Greenwell serenaded President Joe's at long last return. You remember him. You do, don't you? You know, the one with the mustache. The pledge was led by Walt Koslowski. Ron Bawden gave the invocation.

NEXT WEEK Our recent student guests will share some of their observations with us next Tuesday. Debbie Dodge is from England and Tono Breschi from Chile. For the past school year they have been attending Sequoia H.S. as students under the American Field Service exchange program.

Dean White will be your finemaster on the 25th. The pictures he's taken over these many past weeks are nothing compared to the shots he's likely to take next week.

NEWS AND NOTES Congratulations to newly elected directors Bob Dooley, Dick Dodge and Don Hack. And for the rest of the Board, remember you have a meeting at Pete's Harbor at 7:30 A.M. tomorrow.

If I could convey to you only a fraction of Alan Bostwick's enthusiastic remarks, you all will step right up and sign up for the District Conference to be held April 30 through May 3 at Konocti Harbor Inn at Clearlake. Alan says there are 4 night, 3 night and 2 night specials - even a "1040A" short form special. Pick the combo that suits you best. It's a great experience and great fun.

Bob Waligore's walking about now. That's great news and we are all looking forward to his return before long.

TODAY Debbie Dodge (England) and Tono Breschi (Chile), two AFS students who have been spending this school year at Sequoia, will share with us some of the observations and insight they have gained by this experience. We hope they will tell it "like it is", for by their learning, we too, can always find a lot to learn.

Dean White will take care of the fining and there's no telling how exposed you may be.

LAST WEEK Aer Lingus (Irish Airlines) senior rep for the western states, Leslie Downsing, gave a lively pitch for her lovely home. Her enthusiasm almost matches that of Program Chairman, Sid O'Berlin. Sid, by the way, will represent Father Murphy at his new parish in Tel Aviv.

Music bankers Jim and Sid raised interest in the notes, Art Law (shouldn't we collect quarters for him) led the pledge and Rex Dillon gave the invocation.

Jack Keller stopped by - looking good and all got a chance to say hello to student guests from Sequoia, Debbie Dodge and Ken Moseley.

Phil Schneider handled the induction of new member Anthony (Tony) R. Marques. Pres. Joe is no longer our only connection with corkland. Tony is President of Universal Building Maintenance and, with his Rotariann Mary Ellen, shares in the maintaining and caring for four children. Born in San Jose, Tony includes duck hunting high on the list of other interests. Welcome, Tony!

R.C. cannot have a disaster unless the City Council first so declares. That's the law, said finemaster, incumbant councilman and candidate Bill Stangel.

NEWS AND NOTES From the Board: President Elect for '81-'82 is none other than Sid Berlin! Prexy Elect coming up, as you know, is Bob Waligore - up and around following his recent surgery though down some pounds in weight.

Bob and George Chaffey will be our official delegates to the upcoming RI convention in Chicago with Jim Fitzgerald an alternate.

Dick Dodge is now officially Treasurer succeeding Ken Blumenthal, now resigned. Also resigned: Dr. Henry Ritter - just too much in the way of radio and TV demands on his time; and Les Reese, now a Rotary member in Florida and keeping up with the 25 years of perfect attendance he kept up here in R.C.

Congrats to Allen Gruman who would have retired from the Board this year but has accepted the bid to another year to fill out the unexpired term of Ken Blumenthal.

The Books for China project is filing for matching funds of \$1500 from R.I. to cover shipping and other costs. Keep the volumes coming in.

S. C. Rotarianns are staging a gala theatre party plus wine and cheese tasting Sunday, April 13, at 3:00 P.M. at the Hillbarn Theatre in Foster City. \$6.00/person will cover your ticket to the musical, "The Boy Friend" - just mail your check to Alice Brauff, 3101 Melendy Dr., San Carlos.

TODAY

Mr. Isaac R. Goodwin, fellow attorney and law partner to Sid Berlin, is going to address you on the subject: "The State Inheritance Tax Amendment - Pro and Con".

Mr. Goodwin's remarks may, however, fall on some deaf ears since today's finemaster is none other than Sid Berlin. When he gets through with you, there will probably be too little left for inheritance to worry about.

LAST
WEEK

Calli Hansen introduced two very articulate, interesting and entertaining AFS student visitors, Debbie Dodge from England and Tono Breschi from Chile. If you heard them, I'm sure you'll agree. If you missed - too bad. They really did present themselves most ably and admirably.

President Joe continued to renew his acquaintance with the group and hats off to Prexy Elect Bob Waligore, back in the fold, looking great and not showing the loss of a few pounds all that much.

Student guest Ken Mosley remarked on his recent visits with us. Nice that he enjoyed RC Rotary as much as we enjoyed him.

Finemaster Dean White took good care of the collections. Jim and Sid loosened the tonsils. John Esson took the - I mean led the pledge and Phil Schneider helped enrich the spirit.

NEWS
AND
NOTES

We're all so sorry to hear that Don Helbush suffered a heart attack but also so very grateful to hear that he's now returned home - a real good sign. Do what they say and get well real fast - we miss you.

The Rotary Club of Half Moon Bay has invited all to its "Easter Swing Dance". It's this Saturday, April 5, from 5:30-7:30 P.M. at the HMB High School Gym. It's FREE! No donations. And the music is LIVE - by the 13 pc. HYATT REGENCY BAND. No alcohol, but soft drinks, coffee, tea and pastries will be on sale. Dress is casual - what are you waiting for!

And don't forget the S.C. Rotariann's gala theatre party plus wine and cheese tasting at the Hillbarn in Foster City on Sunday, April 13. Details in last week's SPOKE.

Back to basics. April 30 - May 3: Knocti Harbor Inn at Clear Lake. District 513's Annual Conference. What are you waiting for? This is it! You'd better BELIEVE. Really, it's FABULOUS. Fun, inspiration - just a whale of a time. Tell Alan or Joe you're going - NOW!

NEXT
WEEK

You know of our involvement in Junior Achievement. Now get some interesting, first-hand knowledge of what it's all about from J.A.'s District Manager David R. Martella and two of our local participants - Stacy Rosen, a Woodside High Sophomore, and Tung Pai, a Senior at M.A.

Your finemaster - Jerry Olhiser. He'll have you asking: "Y" me?

What a bum deal - No Ball- see you soon?!

TODAY

Junior Achievement District Manager David R. Martella will introduce two of the young people who participate in this fine program at the Redwood City facility which our club helped construct (the improvements, that is) and support. Telling us something about their activities will be Stacy Rosen, a Woodside High Sophomore, and Tung Pai, a senior at M.A.

Finemaster, Jerry Olhiser will help you shape up and lose a few pounds, converted to dollars, of course.

LAST WEEK

Attorney Isaac (Ike) Goodman discussed the pros and cons of the pending State Inheritance Tax Amendment, a proposal to eliminate State Inheritance Taxes coming down the pike via the initiative process. Mr. Goodman gave an interesting charting of the intent, development and evolution of such taxes with particular note on the impact of inflation in exposing more and more people to inheritance tax problems. If you have not done so already, you should get some education on these problems, but do some reading and study before just seeing your estate planner, lawyer or CPA.

Ike's partner, Sid Berlin, did much as finemaster to reduce the estates of many of us - just to save you taxes, of course.

The you know who duo took care of the music. John Ralston led the pledge and your next President Elect reminded us that this was also the time of Passover, giving both a taste and history of their unleavened bread.

NEWS AND NOTES

A group exchange from Pakistan needs housing (homes to stay at) Wed. and Thurs. evenings, April 16 and 17. There are six in the group with four clubs, Belmont to Menlo to provide such hospitality. Would be very interesting to have one of these gentlemen in your home for a night or two. More than that, it would be a nice example of the service we talk so much about. Call Bob Durkin if you can help.

Alan Bostwick passed out copies of Rotary Club attendance rules. If you missed, see him for a copy. These are the R.I. requirements. You should know.

Walt Koslowski, standing in for Jerry Schutz, needs your input on the prospects and places for a possible golf match with the Menlo club. The Menlo Country Club could provide the course on June 6. You golfers give your views to Walt pronto.

April 30 - May 3 is the District 513 Conference at the Konocti Harbor Inn at Clear Lake. ACT NOW! Don't just think about it. It's a truly superb occasion. Rotary for sure, but with enough fine entertainment and sports to make it one of the best mini vacations ever.

Club assignments for the coming year are in the mill - get thinking hard about the service you'll want to be performing. Talk to your various service chairmen. Choose rather than just be chosen.

NEWS WEEK

Mr. Bill Brennan, Manager of the Civic Light Opera Co. of S.F. will be with us along with their P.R. Director, Violet Wells. You'll get a history of this fine group plus a preview of the 1980 season. And if you're lucky, you may just get a pair of tickets.

PENINSULA COVENANT CHURCH

TODAY The Civic Light Opera Company of San Francisco is the subject of today's program. Mr. Bill Brennan, Manager of that very fine company, will be with us along with their P.R. Director, Violet Wells. In addition to a bit of history on this much respected group, you'll get a preview of their 1980 season and, if lady luck shines on you, a pair of tickets to a reserved preview of one of their shows.

And though it may not be as entertaining, you can bank on making a few deposits today as finemaster Tony DeGiovanni displays some of his financial wizardry.

LAST WEEK Junior Achievement participants, Stacy Rosen and Tung Pai were introduced by David Martella, District Manager of that program, and gave a quick look at some of what's involved in their taking a crack at running their own small businesses. Dave noted that they have lost the use of the facility on Broadway we worked so hard to develop. Sorry to hear that. They now meet at Kennedy School. Glad to hear that.

Our student guests introduced by Bob Rutherford were sequoia seniors Kelley Johnson and Dan Rottinghaus. Nice to have them join us for lunch.

With Jim Greenwell keeping all in tune, Bob Waligore led the chorus, Leo Fabricius the pledge and with an introduction from President Joe, visiting Rotarian, Allen Wilkinson from Waynsville, N.C., gave the invocation.

Our nominee for a Rotary Foundation Scholarship, former Miss R.C., Debra Ann Loza, a charming combination of beauty and brains, was introduced by the lovely Bob Dooley. Deserving she is - how wonderful it would be if she could receive that high honor.

Good news. Don Helbush sends greetings - has to take it easy for another month or so but meantime is making up near home and hasn't missed yet.

Finemaster Jerry Olhiser got some wifely tips on which to base some of his assessments - tips, for example, on what some of you had done that you were proud about. Can't understand why he didn't call Rosalyn.

Was nice to see among our visitors former R.C. and now Los Banos Rotarian Gerry Schick.

NEXT WEEK April's programs were to have been the handiwork of Henry Ritter but that went down or up the tube. For next week, yearly program chairman, Sid B. has prevailed upon 49er Veep John Ralston to arrange a showing of the brand new 49er film flick that's literally just off the press.

Appropriately enough, wouldn't you know who's going to take care of the finemastering chores on the 22nd? Right - none other than that old red, Joe Mell. Could be a blue day for any of you who have gold to hide.

N.B. Last call for the District Conference special at Konocti 4/30 - 5/3. If we haven't already told you enuff, how about a drawing that one of the Rotarianns will win for a two day, one night stay for two at the luxurious Highlands Inn in Carmel-by-the-sea. Take the Clearlake special!

TODAY John Ralston needs no introduction - we've all been learning for some time now how nice it is just to get to know him. He's that Cal man who led Stanford to the roses. Former GM of the Denver Broncos, he's now helping put it all together for our own 49ers. And today, John's going to give us a first look at a brand new 49er film clip.

Bob Rutherford will once again introduce our student guests from Sequoia, Kelly Johnson and Dan Rottinghaus, who will give us that helpful view from the outside looking in.

Nothing foreign about today's program to finemaster Joe Mell. Too bad he only sees red - your deficit spending, that is. And if you're a blueblood - great! That's good as gold.

LAST WEEK A very enjoyable program with Bill Brennan, Manager of the S.F. Civic Light Opera, tracing that company's history plus giving a preview of this season's new shows. Carl Mabie won a pair of season tickets (over the counter that's over three digits!) and the Ron Bawdens got an invitation to the opening nite of "Guys and Dolls".

President Joe did a finemastering pinch hit job for Tony DiGiovanni and boy, did he (Souza) ever know how to bring home the groceries!

Following Maestro Greenwell's audition, the chorus, akna, the "Berlin Wail", qualified for next season's Light Opera. Jim Newell led the pledge and Wes Westerdahl inspired and lifted our thoughts.

NEWS AND NOTES Walt Koslosky (apologies for the "owski") notes the upcoming golf match with Menlo on Friday, June 20 at the Sharon Golf & CC. Tee off time: 11:30 to 12:00. Green fee \$17.50 plus 1/2 cart \$6.00. Limited to ten players each club so get your reservation in to Walt (368-4147) or Menlo's Bill Maul (328-7164) pronto.

A tour of San Quentin with dinner and entertainment - and voluntary! Right - only \$9.00 per person. Board the bus at Holiday Inn, San Carlos 4 P.M. Sat., June 21. A joint venture with the S.C. and Belmont clubs. Dress warmly. Women wear slacks (no hi heels). No blue shirts or jeans. Call John Esson for tickets: 573-8589 (bus) or 368-1679 (res).

Be sure to let Pres.-Elect Bob Waligore know what committee(s) you would prefer to serve on in '80-'81. He needs your input by May 1. Remember, better to choose than wait to be chosen.

For those going, there'll be a California breakfast at the R.I. Convention on 6/5 at 7 A.M. Bob W. has details.

NEXT WEEK Redwood City's newly elected Mayor Mario Biagi is going to be with us and give an update on what's going on around town - and there's alot.

George Szpotek will take care of the finemastering on the 22nd - probably be a sort of "he loves me he loves me not" plucking.

PENINSULA COVENANT CHURCH

TODAY

We are pleased to have as our speaker today the newly elected Mayor of Redwood City, Mario Biagi. As a local businessman, Mario can feel the pulse of our town and, hopefully, will give us some insight on the condition, direction and prospects of this place by the bay as seen from City Hall.

George Szpotek makes things bud and bloom and grow. That's the start. Next step is to collect for all this bloomin fun. He likes that the most. As Ma Bell would say, leaf out and really touch someone - YOU!

LAST WEEK

By courtesy of John Ralston you all got a look at a brand new film flick of our ever hopeful 49ers. And when you focus on what they do right, Wow! Are they ever exciting. Forgot to ask if we could get reservations to just the film version alone.

Doctor G. and Robert P. took care of the music. Jim Fitzgerald led the pledge and Ron Bawden gave the invocation.

Student guests Kelly Johnson and Don Rottinghaus were most articulate in commenting on their visits with us. It was really our pleasure but Sequoia H.S. can well be proud of them.

Finemaster Joe Mell raised some cash with a little weight lifting routine. The D.A. might want to check his interests in local health salons.

Club Secretary, Dr. Bostwick, joined the week's celebration as Pres. Joe handed him a bouquet of flowers. And the guy really deserves it - most of the time, anyway.

NEWS AND NOTES

Congrats to Don Noren who was just appointed to the Board of Directors to fill the chair resigned by Jerry Schutz.

Bill Bergler is planning another raft trip down the American River. This time it's Sat. June 7. There are 12 places to fill at \$53/person. If you're interested, he has to have 1/2 the \$ right now.

There's a trip to San Quentin on Sat. June 21. You leave by chartered bus from the Holiday Inn (our old meeting place) at 4 P.M. \$9/person covers transportation (both ways, luckily) dinner, tour and entertainment by some of those there for a longer visit. John Esson is handling this for Don Helbush who made the original arrangements. Don, by the way, is coming along nicely and hopefully we may get to enjoy his company again in a few weeks.

June 20 is the golf match with Menlo at Sharon Golf & CC. Limited to 10 players each team so you had better get the word to Walt K. right away. \$23.50 will cover green fees and a share of a cart.

NEXT WEEK

Last week you saw the 49er film. Now you're going to hear from John Ralston all about the draft and the real - close up and personal - prospects for the club this year.

Bob Haight will do the fining. Don't know who you can turn to for protection.

PENINSULA COVENANT CHURCH

TODAY The NFL draft this year had a few surprises. Some were generated by our own 49ers. Today we get to hear all about it from someone who has lived through more than one of these shoot outs, and, what John Ralston can say, we'll soon find out.

Bob Haight will do the fining and I still don't know where you can look for protection.

LAST WEEK Dean White introduced RC's new Mayor, Mario Biagi, who gave a fairly in depth overview of the many problems and prospects confronting our town today. He covered a lot of ground - much more than can be summed up in a sentence or two on this page. It was interesting and we hope you didn't miss it.

With incoming prexy Bob Waligore at the podium, Jim Greenwell gave an impromptu concert before providing the background for Don Noren's song leading. Lou Rolla led the pledge and Orv Graves took care of the inspiration.

Always a special pleasure - two new members were inducted. With his new Rotariann, Karen looking on, ex 49er Jerry Mertens was presented by Jim Fitzgerald. Now a Woodside resident, Jerry is owner and President of M & M Chemical Products. A native of Wisconsin, Jerry and Karen are parents of three young adults ages 23, 22 and 18. Among other activities, fishing, boating and camping are special interests.

And with Dr. Bud Meyer doing the honors, we also enjoyed the induction of David E. McKenzie, VP and Manager of the Citizens S & L Branch at Veterans Blvd. and Main. Dave is single and a New Englander from Boston. Nice to have you with us here in another city by the bay.

Finemaster George Szpotek held shop on the premises as he sold off a bunch of carnations for the benefit of the club's coffers. And while he did put the touch on Merle Fruehling for having run (and all the way!) the Boston Marathon, it was really pretty light. For being in that kind of shape - well, how much would you give?

NEWS AND NOTES Get those committee selection preferences in to Bob Waligore. Now! Pick some tasks you'd like. Don't just be lassoed.

Busy as he recuperates at home, Don Helbush says you should note your calendar. It's time again to give where it counts. The Blood Bank mobile unit will be at Kaiser Hospital on May 16 from 9:30 to 4:30. Think of what it means when you have to have it. Then give it and be happy that you can.

Reminders: Golf competition with Menlo at Sharon Golf & CC on 6/20. (see Walt Koslosky). San Quentin - a two way trip on 6/21 (see John Esson). Raft trip on 6/7 - white water and white knuckles (may be booked up but call Bill Bergler if you're interested. And if things don't go well, he'll take care of the rest of your trip.)

NEXT WEEK PLUS On the 13th we'll hear from the Peninsula Oral School (for the deaf), a fine activity conducted here at the Covenant Church. We know you will give them your support just as on Tuesday, your Board will give them our support. Max Gerfen will do the fining - might just leave you a hospital case.

And on the 20th - more later - make a note that we'll hear from supervisorial candidates Jim Fitzgerald and Jackie Speier. Now that's a date to reserve.

PENINSULA COVENANT CHURCH

TODAY We are going to hear from and about the Peninsula Oral School for the Deaf, an organization whose facilities and classes are located right here on the grounds of the Covenant Church. A chance to hear about some who can't.

Max Gerfen is your finemaster. Be patient. In or Out - you'll find out which way your pockets get turned.

LAST WEEK President Joe managed the podium and did a "fine" job once again. He's getting so feisty that - well, how about Groucho Souza?

With a disarming candor, our own John Ralston not only gave an incisive replay of the 49ers' player draft scenario, but of perhaps even more interest, shared some of the emotions of his experience with the Denver Broncos, a team he readied for Red Miller to bring to the Super Bowl. The honesty and courage can't help but brush off on all of us.

With Paul Schneider doing the presenting, new member (but not new to Rotary) Arlen Gregorio was inducted. A distinguished grad of Stanford Law School and former State Senator for eight years, Arlen now focuses his attention on the many problems he faces as a member of the San Mateo County Board of Supervisors.

Prexy-elect Bob Waligore gave a firsthand report on some of the doings at the District Convention in Konocti and a pointed reminder that of the many Paul Harris Fellows sponsored this past year - with many on the Peninsula - none came from our own RC Club. Bob also joined Jim to lead in song as did Orv Graves the pledge. George Chaffey nicely handled the invocation.

NEWS AND NOTES Check your calendars and reserve some time on Saturday the 17th to lend a hand in painting the gym at the "Y". Get ready to roll up your sleeves at 8 A.M. and, according to plan, you should be able to hang up your brush by 1 or 2 and rest your bones with a bit of beer on the house.

We hope to have Don Helbush rejoining us today and no doubt he'll remind you to show up at the Blood Bank Mobile unit at Kaiser Hospital on May 16 anytime from 9:30 to 4:30.

And while you still have your calendar out, remember Bergler's raft trip on June 7 (as things have gone lately, it may be an ice breaker); golf vs. Menlo on June 20 and a visit to San Quentin on June 21.

Club Sec'y and story teller Alan Bostwick notes a couple of recent contributions approved by the Board: \$325 to the YMCA for a wire fence and \$1000 to the subject of today's program for an electronic typewriter.

Almost forgot, our books for China project got the District's top award, predicated on its successful completion, of course.

NEXT WEEK Sid Berlin has arranged for supervisorial candidates Jim Fitzgerald and Jackie Speier. They'll each give some views and field your questions. A fine chance to help you decide who deserves the vote.

Bill Koon will do the fining and the good doctor will not be looking (out) for your health - just your wealth.

Robert Waligore, President Elect
Norman MacLeod, Past President

C. Joseph Souza, President

ROTARY CLUB of REDWOOD CITY CALIFORNIA

MAY 20, 1980

PENINSULA COVENANT CHURCH

TODAY With County elections just around the corner, we're fortunate indeed to have as our guests and speakers incumbent Supervisor Jim Fitzgerald along with supervisorial candidate Jackie Speier. You'll hear from each and, hopefully, each will take on your questions. Thanks to Sid Berlin for making the arrangements. As noted in last week's bulletin, Bill Koon will be master of the fines and the good doctor will this time be looking more to your wealth than health.

LAST WEEK The Peninsula Oral School for the Deaf gave a fascinating update on the wonderful work they are performing with a special assist from one of their outstanding pupils. It's a marvelous job that they do and your club's support of this worthy effort is easy to understand.

Finemaster Max Gerfen showed he's lost none of the old touch as he used a rare spring day to add to the greening of the club's coffers. Bob Waligore kept up his practice on podium management for the year to come with notes and song offered up by our own mini symphony ably conducted by Dr. Jim Greenwell with some ear piercing by a relaxed and ever smiling Robert P. Tom Hallum gave the pledge and Captain Ron Bawden put our thoughts in order.

With a gracious assist from John MacArthur of the Menlo Club, we all got to know a bit more about our new fellow member, Monsieur C. J. Lucot. Born in Algeria and to Paris at age two, our new French friend spent much of WW II in the resistance movement starting in Oran. After years as an air traffic controller, "C.J." got into the development of cooperative housing in the Marseilles/Nice area before coming to this country in '74. With a married son and daughter still in France, Monsieur Lucot and his wife, Jean, a nurse, now reside on Farm Hill Blvd. His business address is 611 Veterans Blvd. where he is manager of California Property Services.

NEWS AND NOTES You make the note and we'll give you more news as time goes on of the District Ass'y scheduled for Saturday June 28 from 8 to 2:30 at the Indian Valley Colleges in Novato. A must for all new officers, directors and major committee chairmen.

A pot luck dinner is being planned at the Durkins for Saturday nite, May 31, to honor and entertain our good friends from Hiratsuka on their way to the Chicago Convention. Check with Bob and Glenn on what you can do to help. We know you'll want to.

This years annual Installation and debunking will be held on June 24 - details yet to come, but note your calendar.

Sorry to note the termination of now former members Bob Haight and Tony Marques. Attendance was the problem.

And most especially comes the acceptance with deep regret of resignations from Jerry Schutz, now re-located to S.F. and Ed Carrera now in Daly City. It would take a whole issue of the "Spoke" just to touch upon all the work and contributions of Jerry over the seven years of his very real participation in club affairs. And Ed, too, was another doer we'll really miss.

NEXT WEEK Program Chairman Wes W. says we'll have a fine male chorus on stage to entertain you. One of the few ways to find some harmony these days.

And with Club Treasurer Dick Dodge going the fining, you'll learn there are also some other kinds of notes to be seen if not heard. Short of space for some of the other news not covered this week - will try to pick up the pieces next week.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

MAY 27, 1980

PENINSULA COVENANT CHURCH

TODAY Harmony will prevail. Yes it can and yes it will. Wes Westerdahl has arranged for a fine male chorus to be on stage this week - just to let us know that as good as we like to think we are in voice projection, there's still room for some considerable humility.

Club Treasurer Dick Dodge will be your finemaster and you will most likely find it a moving experience - nothing stationery about it this time.

LAST WEEK County Supervisorial candidates Jim Fitzgerald and Jackie Speier ably presented their views and fielded your questions on matters relative to their run and re-run for office this year. A fine show, well conducted, and our thanks to Sid Berlin for making the arrangements.

Bill Koon took care of the fining - very good care in fact, as President Joe introduced our visitors and kept things in good order with hardly a rap of the gavel. Dr. Jim and Bob Pierce led the chorus, Paul Young the pledge and Jerry O. gave the inspiration. I'm sorry I missed the names (I'll get them for next time around) but Jerry also acknowledged as did and should the whole club the fine work performed by the paint crew who brightened the gym of the "Y" this past week.

Student guests who joined us were Sequoia seniors Maria Lupe Gallegos (next stop, Univ. of Santa Clara) and Allen Prochaska (on his way to UCB). We look forward to another visit from these fine young people.

NEWS AND NOTES Our good friends and guests from Hiratsuka will be feted at the Durkins' gracious home on Friday the 30th. Please note the change from the 31st noted in last week's Spoke.

Calendar notes: Bill Bergler's raft trip on white water and ice on June 7. Golf with Menlo at Sharon Heights on June 20 (Walt K. in charge). A round trip (phew!) to San Quentin on June 21 (John Esson has been handling for newly returned (ain't that great) Don Helbush). Installation and debunking (Souza's last march) will be somewhere on June 24. And then there's the District Assembly at the Indian Valley Colleges in Novato on June 28 - a must for new officers, directors and committee chairmen. And somewhere in between, there's the RI convention in Chicago and a board meeting at 7:30 AM at Pete's Harbor on Wed., June 11.

A BIT AHEAD On June 3 you'll hear from Ms Linda Hojnacki, Program Director of "VITAL" and cardiovascular nurse at St. Francis Memorial Hospital in S.F. With our track record, there's got to be something we can learn on this score.

And on June 10 our good friend and neighbor from M.P., Jack Robertson will give an update on the status of integration on the mid-peninsula. And there's more to remind us of this ongoing real problem than just Miami.

Bill Maxwell and Paul Young will do the fining on those dates. You can bank on both of them footing the bill - your foot and your bank!

JUNE 3, 1980

PENINSULA COVENANT CHURCH

Have you voted yet? Don't forget - it's your privilege and duty.

TODAY Ms. Linda Hojnacki, Program Director of "VITAL" at St. Francis Memorial Hospital in SF and a cardiovascular nurse by profession will speak about some of their programs and activities that are close to the hearts of all of us.

Bill Maxwell will use his considerable financial experience and no doubt do a fine job in getting your interest in the club's coffers.

LAST Wes Westerdahl arranged for a little early celebrating of our first two years of meet-
WEEK ing in this church hall (September is the real anniversary) by introducing the Peninsula Male Chorus. Aply directed by the Church's Minister of Religious Music, Mr. Dan Korneychuk, the chorus put on a rousing and professional show that included a highly entertaining and broad range of musical works. The group meets on Wednesday evenings and anyone of good voice can join, church member or not. And from the looks and sounds, it's pretty clear how much fun they have at it.

Pres. Joe Souza handled the gavel as his term winds down. With Sid B. and Jim G. keeping all in tune, our own house chorus did a pretty good job too. Tom Martin led the pledge. Geo. Chaffey gave the invocation and admonition and Orv Graves made a good pitch for your taking a good look at the June ROTARIAN.

Club Treasurer Dick Dodge handled the fining and left no doubt that he enjoyed his work. Not many could dodge it.

With Bob Rutherford and Ron Giannini doing the presenting we welcomed the induction of new members B.R. (Bernie) Ertel and Dr. Samuel A. Ferguson. Bernie comes to us from the Dublin Club and is Asst. Vice President and Manager of the Crocker National Bank on Jefferson. An AF vet, Bernie and his wife have 5 children and 1 grandchild. He keeps in shape with tennis and golf.

Dr. Ferguson is acting President of Canada College, an army vet, father of three and prior to his association with the Community College District was a member of the professional staff of SRI in pharmacology. Welcome to RC Rotary!

NEWS Vince Claypool asked to be remembered to all. He and Esther, as you recall, are now
AND residing at a retirement community in Fresno.

NOTES

Phil Schneider notes that there will be two young people from Hiratsuka staying with the Durkins this July-August and would like you to let him know of any trips/activities that you or your family might be able to include them in. You would certainly enjoy them.

Get your fertilizer from and money to Jerry Mertens. This is a fine effort and fundraiser on Jerry's part and truly warrants your support. And it's a good deal as well.

Dates to remember: Raft trip this Sat. Board Meeting at Petes Harbor June 11. Golf with Menlo June 20. San Quentin trip June 21. Installation June 24 (haven't heard where yet). And, the District Assembly at the Indian Valley Colleges in Novato June 28.

NEXT Jack Robertson is going to bring you up to date on the status of integration on the mid-
WEEK peninsula. May not sound exciting but it's darned important and well worth staying well informed on.

Dr. Paul Young will do the fining and you'll foot the bill.

PENINSULA COVENANT CHURCH

TODAY Jack Robertson is going to give you an update on the status of integration here on the midpeninsula. As you know, Jack is a member of the Menlo Rotary Club, a prominent attorney and to many, known especially for his activities and contributions as a member of the Board of the Sequoia Union H.S. District.

Your finemaster today is Paul Young and this good doctor will reveal his plans for your footing the bill to boost the club's treasury this week.

LAST WEEK Linda Hojnacki, a cardiovascular nurse and Program Director of St. Francis Memorial Hospital's program "VITAL", gave a very interesting description of many of the techniques utilized by that institution in their efforts to assist in the prevention of degenerative diseases with particular emphasis on heart and circulatory problems. It's interesting to see how much has been and can be done in this field and to discuss such problems and opportunities with your own physician wouldn't be a bad idea at all.

Bill Maxwell did the fining and I understand that Jerry Mertens may undertake the distribution of some of the poems dropped by this literary giant packaged under the label of "Maxwell's Mess".

It's one down and two to go as Pres. Joe chaired last week's session. Without Dr. Jim at the keyboard, Maestro Berlin imposed the torture of singing (the notes - not the words) our national anthem followed by a "Piercing play ball!"

Paul Keckley followed the pledge and Rex Dillon reminded all of our many blessings.

Student guest and Sequoia senior Maria Lupe Gallegos nicely acknowledged the pleasure of herself and fellow student Allen Prochaska in joining with us for lunch these last few weeks. The real pleasure is ours.

Bob Durkin gave a moving account of the party arranged at his home Friday last for the visitors from our sister club in Hiratsuka on their way to the R.I. convention in Chicago. Norm and Fran MacLeod did much to help it happen and from Bob's remarks, those 35 from RC (in attendance) were fortunate in giving and, especially, receiving some of the warm and generous feelings - and from our visitors, even gifts - exchanged on this pleasant occasion.

With credits to others, Club Sec'y, Dr. Alan Bostwick, made pointed note of the importance of Service in all aspects of Rotary. Behind a paint brush at the "Y" or with Prexy Joe and Norm MacLeod plumbing in a new dishwasher (from the club) for Senior Citizens - or Jerry Mertens leading the way to funds for service by his swellgent effort to subsidize the marketing of some granules for the soil for some help on top of the soil.

DATES Board meets tomorrow. Walt K. has all the info on golf with Menlo June 20. Talk to John Esson (for Don Helbush) on the San Quentin trip June 21. June 24 is installation - reserve it - no meeting that week. And June 28 is Dist. Assy. at the Indian Valley Colleges in Novato.

NEXT WEEK AND THEN Not yet finalized but the "if" will be good. Fran Pearson knows it all on giving, saving, protecting (c'est not possible) your \$. He's finemaster - be ready to give.

July - Chm. Sid Berlin says you'll have a stimulating series on many aspects of law enforcement. Very real. Nothing trite.

PENINSULA COVENANT CHURCH

TODAY

Ronald Kato, an Air Traffic Controller from the Control Center in Fremont, will give you a firsthand insight on some of the problems and challenges confronting this vital function as it tries to cope with an ever increasing volume of commercial and general air traffic.

Finemaster Fran Pearson's extensive experience in protecting your money has also shown him just where you're vulnerable in releasing it. Probably learned some tricks from the IRS as well.

LAST WEEK

Jack Robertson gave an education and update on the status of legal proceedings and relative progress in respect to integration here on the midpeninsula. Q and A's revealed an apparent wide disparity of views on this matter and an interest in what Jack had to say.

Paul Young did the fining and showed he can do some pretty fancy footwork in your pockets as well as your shoes.

Cliff Hawkins introduced the five outstanding young people selected to receive the \$500 RC Rotary scholarship awards this year. Their names, highschool, intended field of study and college of choice are:

Jeanette Bautista	Woodside	medicine	U.C. Davis
Sarah Denzler	Woodside	computer science	U.C. Davis
John Doyle	Woodside	marine biology and music	U.C. Santa Barbara
M. Guadalupe Gallegos	Sequoia	business	U. of Santa Clara
David Okada	Sequoia	computer science in aeronautics	Willamette

Pres. Joe gave thanks from all of us for the outstanding job done by Cliff in assuming chairmanship of the committee on short notice. Cliff, in turn, gave due credit to hard working committee members Carini, Gruman and Hill.

Sid and Jim did their usual best with the music with Messrs. Fitzgerald and Westerdahl handling the pledge and invocation.
