CHARTERED APRIL 22, 1946
DISTRICT 513

JULY 1, 1980

PENINSULA COVENANT CHURCH

TODAY This month we are having a series of programs on law enforcement - areas of interest and concern. Starting this excursion, we're pleased to have with us today, San Mateo County's Sheriff John R. MacDonald.

When finemaster Phil Schneider gets thru with you, you may be looking for a little nip - what better way to drum up new clients.

LAST WEEK(S) With a big assist from Bob Pierce (fine him, Phil), our now ex-prexy Joe Souza held his last stand on the 17th. Fran Pearson fined just about all out of their loose change and shirts and Air Traffic Controller Ron Kato from the Oakland Control Center gave a close up account of what's going on upstairs these days.

THE BIG EVENT With Norm MacLeod leading the way, lucky Joe Souza finally found a safeway out of his administration with a "Port-a-gee Debunking" at the R.C. (Sequoia) Yacht Club.

Good fun, good people, good food - even with an in-house strike going on.

Of very special note, however, Joe, incoming Prexy Bob Waligore and all of us had to be so very pleased and honored by the presence and participation of such distinguished Rotarians as Past International Presidents Charles Wheeler and George Togasaki (the latter now an honorary member of our club) along with ex District Governors George Newlon and Bob Paroli and a trombonist by the name of George Chaffey.

Pres. Elect Sid Berlin led a serenade to all the Rotarianns who really do make the world go round - with a special note for Grace who wanted so to be with Joe this nite but could not (down with the flu). Music, the real thing as always, by Dr. Jim Greenwell.

Pierce Arrows took care of the fining - almost a shame he enjoys it so much, What doesn't he?

Delivered with some questionable eloquence were briefs by such distinguished jurists as Messrs. Newlon, Armstrong, Bergler, Durkin, Dodge and Giannini - all nattily attired and appropriately mustachioed in red Lisbonese uniforms.

Too much else going on to sum up in this short blurb. Let's just leave it that it was a great show and a real fine year for a real good Joe. Thanks for a job well done.

Lest we forget, this was also Installation time for new President Bob Waligore, an event graciously handled by George Togasaki as he urged us onward along the Rotary path with a plea for vision. Thanks for the job now to be done.

NEXT WEEK We'll be continuing with our July programming on some of the more major problem areas of law enforcement. Steve Small will try to make it big as your finemaster.

N.B. Don't forget Bill Maxwell's plea for help for our refugee family - everything from cooking utensils to kitchen furniture. Take a good look at your cupboards and garage shelves.

Rotary Club of Redwood City

REDWOOD CITY, CALIFORNIA

July 1, 1980

Dear Fellow Rotarian:

The list of Committees and assignments for Rotary year 1980-81 is attached. Please examine it carefully and note your assignments. Some changes were necessary but most requests have been honored. Your name may appear on several committees.

Committee chairmen should meet with their committee as soon as possible and outline its program for the year. Please prepare a report of your proposed plans and activities and send it to me by July 25, 1980. This will allow time to review and then submit them to the District Governor prior to his visit on September 9, 1980.

Your directors and officers ask for your active participation in your committee assignments and in Rotary this year. We know we have the support of each of you and look forward to a great year.

Yours in Rotary,

PENINSULA COVENANT CHURCH

TODAY Continuing with this month's series of programs on law enforcement, our own George W. Bold, Chief of Police for Redwood City, will tell you something about the way it is at the local level.

Finemaster Steve Small may have grown up in an environment of Penneys, but you'd better believe he only talks in dollars now - yours !

LAST WEEK Sheriff John R. MacDonald kicked off July's program on law enforcement. His office covers 4/5ths of the county plus areas such as East Palo Alto under contract service. In addition to general patrols, the Sheriff's office has 33 investigators specializing by type of crime along with 11 technical specialists in their crime lab. The County's correctional service has an average of 500 persons in custody per day and beyond that, the Sheriff's office serves as the civil arm of the courts, providing for bailiffs, service of process and though once regular, now on an emergency basis or special events only, the helicopter service.

Phil Schneider did the fining and quickly took advantage of all the birthdays, anniversaries, etc., to fill the golden can now reached about by Jerry Mertens. Don Hack was pretty good - real good - but with a bit of experience can you imagine what ex 49er Mertens will do.

This day was the first official day at the podium for new President Bob Waligore. It's fun to watch these great guys grow into their office. And they do.

Pres. Elect Sid Berlin tickled the tonsils; Bernie Ertels led the pledge, and Msgr. Armstrong reminded us of where we are and where we should be.

New pins were passed out by the good Dr. Bostwick including one that's a real first - to Art Law - Professional Visitor.

NEWS AND NOTES

According to Bob, Alleen Dooley is home and progressing nicely. And from all the smiles you'd better believe she's got a big rooting section.

Bill and Dolores Maxwell, bless 'em, have been putting up our seven member refugee family till new housing could be arranged. Says they couldn't be nicer. Don't forget those pots and pans and anything else to help.

Committee reports are due by the end of this month (a Club Assembly is set for July 29) and the visitation from our new district governor is scheduled for September 9. And don't forget to put those thinking caps on to come up with ideas for offsetting a projected \$5K budget deficit for the upcoming year.

NEXT WEEK

Another session on law enforcement is in store for you. Will be either the state or federal government this time. Lem Summey will be your finemaster - a little persecution from the prosecution.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

JULY 15, 1980

PENINSULA COVENANT CHURCH

- TODAY** We've heard from the County and the City and now our July program series on law enforcement proceeds to either the State or Federal level (not known which at this writing).
- It sounded so good to your writer last week that you'll have to forgive a repeat. A little persecution from the prosecution is what you're likely to get from this week's finemaster - and with eloquence, no doubt, from one Lemuel Summey.
- LAST WEEK** RCPD Sgt. Richard Morton, a veteran of 17 yrs. gave a detailed and informative accounting of the make up and functioning of the RC Police Department. Some basics: 74 members including Chief Bold, 4 Lieutenants, 10 Sgts., 38 patrol officers, 8 detectives and 8 traffic specialists among others. Of interest, requirements today are much stiffer. 3 mos. away at rookie school. 3 mos. training under a senior officer and a total of 18 mos. probation before a new officer finally makes it. Much else covered by Sgt. Morton - too much for these few paragraphs.
- With new Pres. Bob Waligore wielding the gavel, old hands Jim Greenwell and Bob Pierce gave with the music, Orv Graves the invo, invo, invocation and Joe Carini the pledge.
- Finemaster Steve Small's insight into a lot of our own Rotarian's philosophies caused a pretty good inflight of greenbacks into the long armed golden club repository.
- NEWS AND NOTES** Bill Maxwell reported the move of our new refugee family to their new residence last week and noted the need for such things as a washer and dryer, refrigerator, vanity mirror, etc. Somebody (ies) have already done an awful lot. How about the rest of you guys really pitching in. It's only a matter of remembering - 'cause you know you can HELP.
- Club Assembly is the 29th. Get those reports in and constructive commentaries ready. It's only the sum of all our efforts and concern that can make it. Rotary is not a passive thing. Get serving or look in the mirror and wonder about what you are.
- Two students from our sister club in Japan will arrive the 26th. A young man, 22, will be with the Waligores and a young lady, 18, with Glenny and Bob Durkin. Put them in mind as you plan your trips and entertainment and let Phil Schneider know what you can do.
- NEXT WEEK** Our interesting and relevant excursion into the many aspects of law enforcement at all levels will continue.
- Ron Bawden will be your finemaster. He sure does a job in helping others. If he brings those skills to bear, the treasury should really fare. So I'm not much of a poet, but then, in the end, it's really all you guys who finally owe it.
- N.B.** Send your make-up cards to Tom Martin, 572 Woodside Plaza, RC, 94061. Remember - to Tom - not Alan.

CHARTERED APRIL 22, 1946
DISTRICT 513

JULY 22, 1980

PENINSULA COVENANT CHURCH

TODAY To wrap up our series of programs on law enforcement we will now get a look at one of the major activities at a national level by a visit with an agent from the San Francisco office of the Federal Drug Enforcement Administration.

Finemaster Ron Bawden's uniform tells it all. You'll be singing the blues and probably be a bit in the red.

LAST WEEK Sheridan Rose, a Field Rep for the State Division of Law Enforcement (a unit of the State Department of Justice which falls under the Attorney General), enumerated a very considerable list of agencies, sections, departments, bureaus, programs and files which are operated and maintained under the Dept. of Justice to assist local law enforcement agencies.

Dr. Jim Greenwell and Prexy-elect Sid Berlin did their thing as always in rousing the chorus. Cliff Hawkins led the pledge and wasn't it nice to welcome back Dave Lobree who gave the invocation.

Pres. Bob had many guests to welcome. Dave McEvans, a former District Governor from Arkansas who's been visiting our club for a quarter century now and had the nicest things to say. A visiting Rotarian from Alerød, Denmark and a Rotary Foundation Awardee, Dr. Rudiger Ehlert from Germany who has been studying here this past year and hopes to return for further study at Stanford (Medicine) in 1981.

Jerry Mertens, giving so much in time and effort, reported that he was down to 35 bags of earth food to be bought up for the benefit of the club's charities. This week or next he will pass on to the club his check for \$1K. From a new member, quite a job from quite a guy.

From Finemaster Lem Summey it was "recognition day". A time for the past year's "Do'ers" to have their efforts acknowledged. With Uncle Lem it was like Uncle Sam. The more you do, the more you give, albeit, the honors were appreciated and who's so frail that he wouldn't say thank you, I think.

NEWS AND NOTES We chanced to sit at lunch with Bob Dooley last week and were so happy to hear that Alleen is not only up and around but busy doing her things. Isn't that great!

Keep remembering Bill Maxwell's reminders on the needs of our refugee family. It's action and help that's needed, not just good wishes.

And remember too, let Phil Schneider know what you can do to include our young Japanese guests in your summer trip/entertainment plans.

NEXT WEEK Get those committee reports in and get your thoughts together on what you may have to say at Club Assembly on the 29th. Your involvement is needed. It's the sum of all efforts that counts, not just the average.

Quiet but effective Leo Fabricius will be your finemaster. He always gives. Why not you?

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

JULY 29, 1980

PENINSULA COVENANT CHURCH

TODAY We're going to hear from a lot of important people. Who? Your fellow RC Rotarians - that means you too, I hope. Important people? Yes, because without the involvement and participation of all you guys, RC Rotary goes nowhere and does nothing for nobody. So, speak up! Now is the time. And if you can't quite do it in front of everybody, don't forget it. Make it a point to get your point to somebody. Want to pick on the politicians? Better take a good look in the mirror. If you're not really doing any better (in service) - why not now?

Finemaster Leo Fabricius is a doer. You know that. Problem is, you know what he wants you to do today. Uh huh! \$\$\$.

LAST WEEK Closing out this month's reporting on law enforcement activities at all levels from local to national, our speaker, Bill Ruzzamenti, coming to us from the Federal Drug Enforcement Administration in S.F., described the goings on in the traffic of big drugs, the volume, the sources and more.

Thanks, by the way, to Joe Carini who took the notes for this bulletin and to Don Hack who delivered (to the printer) and brought back the SPOKES for last week.

So, from Joe's notes: Jim G. and Sid B. took care of the melodies; John Esson led the pledge and Norm MacLeod took care of the inspiration.

Ron Bawden did the fining and according to Joe's comments, it was a fine, fine job.

T. NOTE Hear! Hear! Jerry Mertens joined your club in April. In just three months, but after a heckuva effort on his part, Jerry presented to the club (Pres. Bob must have really been smiling) a check for \$1,000. Fantastic! What an effort and contribution in so short a period of time. Thanks, Mr. Mertens, not just for what you did but for the example you set.

NEWS AND NOTES The week of 15 Sept. is Rotary Youth Activities Week. Don't take for granted what you and Rotary are trying to do for and with our young people. They are the future and if you believe, it's time to take time to let them know that you do, why you do and to help them find their way to believe in their way too.

NEXT WEEK August program chm. Dr. Paul Young says that our speakers on 8/5 will be Becky Cooper and Jenna Di Angelo, who will tell you all about being "Partners" in an adult juvenile delinquency program. Listen. You won't find answers if you don't.

Officers for 1980-81

PENINSULA COVENANT CHURCH

TODAY

You are going to hear from Becky Cooper and Jenna Di Angelo something about what's involved in being "Partners" in an adult juvenile delinquency program.

Your finemaster will have to be a surprise as your editor hasn't yet caught up with a new listing.

LAST
WEEK

It was Club Assembly after Messrs. Greenwell and Berlin took care of the harmonics, Sam Ferguson the pledge and Ron Bawden the invocation.

There's a \$5K budget deficit. Look for your dues to likely go up but look harder for ideas - ways and means - for raising funds. Items mentioned: the lottery once held but with the Club providing the prize; an auction such as Jerry Schutz once brought off so well; an increase in fines to \$4. Put your thinking hats on, like Jerry Mertens did and come up with some valuable ideas.

Other bits and pieces: Give Bill Jennings the names of any good speaker material (for programs) you may know of. Remember the needs of our refugee family - see Chaffey, Maxwell or MacLeod. See Dick Dodge if you want info on the Club's community service contributions (he listed last year's efforts). Get ready for a trial lunch sometime in the next few weeks at Scotty Campbells on El Camino. The House Committee wants you to have your annual check up on alternate luncheon locations. No decisions yet and feelings still run strong, it seems, both for and against our present site. Who's in the majority? No idea at all. Could go heavily either way for all we know.

Look to the raising of \$1K to add another Paul Harris Fellow to the Club's roster. The Club will match the first \$100 you raise and you can even do it over a ten year period. RC Rotary has fallen a bit short on this worthy effort so think hard about it. Last year Rotary Foundation granted over \$8 million in awards to some 870 grad and undergrad students, teachers of the handicapped and journalists sponsored or hosted by Rotary clubs in 125 countries. Get with Alan Bostwick or Ron Koster and get started!

So much for Club Assembly - but not your ideas, participation and help. The Board doesn't know what you're thinking unless you tell them. Think hard, then make your views known. They're needed.

Finemaster Leo Fabricius exchanged gifts for cash - nice way to swell the treasury and shrink your garage.

NEWS
AND
NOTES

A \$400 down payment will lock up one of those \$1,100 bargain tickets to Sao Paulo and Rio for next year's RI Convention. Sid B. is the guy to see.

Our young visitors from Japan arrived a week ago last Saturday - a young lady with the Durkins and a young man with Pres. Bob. Remember to help if you can on trips and entertainment.

NEXT
WEEK

Program Chairman Paul Young says he's waiting a final confirmation on what should be an outstanding program

PENINSULA COVENANT CHURCH

TODAY Our speaker is Dr. Alex Glass from the Lawrence Livermore Labs who will unveil some of the mysteries of Laser Fusion - Energy from Light.

Dr. Ron Koster will take care of the fining today so open wide - your pockets, that is.

LAST WEEK We not only had a concert from Jim G. but some operatics from Sid B. After that warm up the group really let loose in song - fortissimo!

Bill Conklin did the fining with some one liners, or on second thought, maybe they were only half liners. C.J. led the pledge and Dr. Greenwell delivered the invocation.

Two charming and able young ladies, Becky Cooper and Jenna Di Angelo, both counselors in the Partners program gave an interesting and informative presentation on the operation and activities of that program here in San Mateo County. Originating in Denver 13 years ago, this non profit program seeking to provide help to juvenile delinquent or just plain troubled boys and girls, ages 10-18, inaugurated its Bay Area Branch a year and a half ago. From all we heard, a fine program indeed!

NEWS AND NOTES Bill Stangel announced that a trial luncheon has been arranged at Scotty Campbells on September 2. Mark your calendar. A full turnout is needed to assure the fairness of any subsequent vote and decision on a choice of meeting locations.

Please let Lou Rolla (Sunshine Committee Chm) know of any member's illness or hospitalization you may hear of.

And speaking of passing the word, here are some resignations of which you may not be aware: Carl Mabie - after 23 yrs. and a past director. "Retirement activities haven't allowed time for participation." Bob Landau - "difficulty keeping up attendance." Rex Dillon - "family responsibilities make it impractical at this time." John Ralston - "Have to travel so much that just not feasible to keep up attendance." Quotes are as the writer understands and not to be taken as verbatim.

Pres. Bob noted again that applications are open for a Pakistan Group Study Exchange Program.

Walt Koslosky gave notice that the Menlo Club is inviting up to 10 of you golfers to join in their annual golf and BBQ shindig to be held at Aptos September 10. See him if you are interested.

As of last week, Sid Berlin's Brazil '81 (RI Convention - Sao Paulo and side trip to Rio) had 32 reservations against the 50 tour spaces available.

October 12-18 is Rotary Vocational Service Week - to emphasize the involvement of each Rotarian, and not just clubs, in the everyday practice of Vocational Service - a focus on human relationships - with competitors, employees, customers and young people. Start thinking what you can do.

NEXT WEEK Sorry but haven't yet gotten the word on next week's program. Pete Hughes will do the fining though and that's almost a program in itself.

PENINSULA COVENANT CHURCH

TODAY Pete Uccelli needs no introduction. You can find him in the Yellow Pages under Restaurants: Pete's Harbor House; or Yacht Harbors: Pete's Harbor. Today Pete sheds his sails for wings as he tells you about an innovative executive airport plan. Maybe he'll call it Sky Harbor.

You've also got another Pete to be heard from this day - a finemaster named Hughes. He's into plastics fabrication but looks a bit like another fabricator called Mark Twain.

LAST WEEK

Preceding our regular program we had a delightful visit from our two charming young Japanese visitors from Hiratsuka, Yukiko Shimada and Toru Takahashi. Yukiko, 18, a student at a Women's College in Yokohama has been staying with the Durkins and Toru, 21, a law student, has been the guest of the Waligores. Both presented themselves very well and would have highly pleased our club's honorary member in Hiratsuka, Dr. Hiro-o Watanabe, who has done so much to make these summer exchange programs such a success.

With Pres. Bob at the podium, Sid and Jim led the chorus in their usual style, Sam Ferguson the pledge and Wes the invocation.

Inducting a new member is always a happy event and this time it was Sid Berlin doing the honors for new Rotarian William Wright as his now Rotarian, Cindy, looked on. Bill is manager of the Evergreen Savings and Loan operation you've no doubt seen on Woodside Road. Make it a point to see him at lunch next Tues. and in the weeks to come.

Our speaker last week was Dr. Alex Glass of the Lawrence Livermore Labs. With an imposing list of credentials, Dr. Glass gave an interesting review and discussion of LL Labs programs and progress in the development and use of giant lasers which will hopefully lead to proving the feasibility of controlled fusion as a relatively inexhaustible resource of fuel for electrical energy. With the world's population doubling every 35 years, demand for electrical energy is now doubling every 10 years. Given funding for the last and largest laser project, NOVA, they hope to establish feasibility by 1985 which could, in turn, put producing plants in operation by 2020.

Lacking a pharmacist to interpret his notes, finemaster Dr. Ron Koster, still managed to put the bite on enuff of you guys to help straighten the treasury.

NEWS AND NOTES

Especially for you new Rotarians and others as well, there will be a series of three Rotary information meetings at 7:30 A.M. at the Lyons Cafe on EC in SC on Thursdays, 8/21, 9/18 and 10/16.

Members Chaffey, Chilingarian, Schutz and Waligore all serve on the Board of the SM County Emergency Hunger Fund and urge your attendance at their 1st Annual Fund Raiser Wine & Cheese Social on Sep. 3 from 6-8 PM at Marine World. Your \$10 donation will help this worthy cause - and it is! See them for tickets.

Aug. 28 is the 21st 49ers Luncheon and Players Welcome. It's at the African Wharf Restaurant at Marine World. Great chance to meet the team. Your \$10 ticket (or \$20 host ticket) also gets you a souvenir and a chance at a pair of season tickets. Call the C of C.

NEXT WEEK

Don Noren is going to tell you all about Beefalo, what it is, where it's from and how they're going to market it here in the Bay Area. Alan Bostwick will be your finemaster.

PENINSULA COVENANT CHURCH

TODAY Our own Don Noren is going to take over the podium today - or maybe I should say hover over the podium. Be that as it may, Don is going to provide some enlightenment on the subject of "beefalo". What exactly is it? Where does it come from and what's in mind as to its distribution.

Alan Bostwick is your finemaster. He'll probably give you lots of bull to beef about.

LAST WEEK Pete Uccelli was our speaker and presented an interesting plan for which he is seeking support that would call for the development of the easterly tip of Bair Island to both replace the San Carlos airport as well as provide a recreational site for golfing and boating.

Pete Hughes took care of the fining as Jerry Mertens filled his golden bucket. Our music masters as usual were Jim G. and Sid B. with Wes Westerdahl giving the invocation.

NEWS AND NOTES District Governor Rube Kaehler will honor our club with a visit on September 9. All directors and committee chairmen should have a schedule and plan to attend the full morning session starting at 10 o'clock.

And don't forget to note your calendar on the two remaining information meetings to be held at the Lyons Cafe in SC at 7:30 A.M. on Thursdays, 9/18 and 10/16.

Walt Koslosky reminds you golfers that 9/2 is the cut-off date for making arrangements to attend the Menlo Rotary Club's annual golf and BBQ festivities at the Aptos Golf and CC on 9/11.

Good news - Max Gerfen is home after a short visit at his old stomping grounds (Sequoia Hospital) and might even join us for lunch today.

NEXT WEEK Apologies but your editor has yet to find out who is program chairman for September. We'll try to get the word to you by meeting time. Bernie Ertel will be finemaster so be prepared to make a few deposits.

PENINSULA COVENANT CHURCH

TODAY We are at Scotty Campbell's to sample their new facilities as an alternate meeting place.

Our program chairman for this year has not only taken over as program chairman for this month but is also our speaker for this day. County Superintendent of Education Bill Jennings is going to tell you something about that office as he kicks off a series of programs this month featuring some outstanding people from his staff who will be covering a wide range of interesting subjects.

Bernie Ertel who knows more than a little about taking deposits and raising interest will do the fining.

LAST WEEK Prexy Elect Sid Berlin took over the podium for the day from which point he teamed up with master of the keys Dr. Jim Greenwell to lead all in song. Ron Bawden gave the invocation.

Our speaker was Don Noren who gave us all a very interesting education on the subject of Beefalo, an exotic new cattle breed (3/8 bison, 3/8 angus, 1/4 heifer) developed by D. C. "Bud" Basolo, Jr. whose Texas Meat Brokerage, Inc. is headquartered in Burlingame. Semen from the pureblood Basolo Hybrid Beefalo sires he has raised is now used to inseminate regular breeds of cows both in the U.S. and abroad to create Beefalo calves - an apparently marvelously efficient new form of cattle in terms of diet, protein value and time to reach marketability (14-16 mos. vs. 2 1/2 years). Don's involvement is in the establishment of retail outlets in No. Calif., the latest of which will be opening in a few days at the Lyons building on EC in Belmont. If Don's enthusiasm is any index, Beefalo is the wave of the future.

Alan Bostwick did the fining and fortunately left his garage at home as he cleverly used a numbers game to provide a full set of new dishes for our refugee family.

NEWS AND NOTES Don't forget - next week we will enjoy a visit from new district governor Rube Kaehler. All you committee chairmen are reminded of the morning sessions you will be attending with the D.G. (at the room in the front of our regular meeting hall at the Covenant Church.)

Memb. Dev. Chm. Bob Baum has outlined plans for increasing our roster to 100 which, allowing for attrition, means 30 new members this year. It's up to you, so get busy all you senior actives, and for the rest of us, it's additional actives that are needed.

Sid says the Sao Paulo/Rio trip next May-June is fully booked but you can try for the waiting list. Fran Pearson will be there and his Int'l Activities Comm. is seeking to arrange a reception in S.P. for members from our sister club in Hiratsuka.

NEXT WEEK Dr. Don Halverson of the County Office of Education will speak to you on the subject of "Time Management".

Your finemaster will be Bob Durkin and the good Doctor is only interested in filling the treasury and leaving cavities in your pockets. And you can forget Don Noren, Bob, he still has the badge.

SEPTEMBER 9, 1980

PENINSULA COVENANT CHURCH

TODAY A special day indeed! And a very special welcome to our new District Governor Ruben W. (Rube) Kaehler who we are both honored and pleased to have join with us in Rotary this day. With luck we might even have the greater pleasure of Rube's wife, Rena, joining us as well. Our D.G., as you know, is from Novato and weather and facilities permitting, more often than not descends on 513's 53 clubs on wings, but with a prop up front. He's pretty terrific, but still earthbound.

Welcome! Thanks for coming and sharing with us some of your thoughts and Rotary inspiration.

Our finemaster today is also a very special Rotarian, a past president who doesn't know how to stop serving - here and anywhere. Who else but Bob Durkin. But don't fear - the good doctor will try to be as painless as possible as he fills our treasury's cavities with gold and silver - yours.

LAST We had a close encounter at Scotty Campbell's. President Bob said we will have a secret
WEEK ballot next week to judge on this alternate meeting site.

Bill Jennings, our own Dr. William K., County Superintendent of Schools, was our speaker. Bill is not only our program chairman for the year but also for the month. And he's lined up some pretty good speakers to follow. They are all highly talented members of his staff - and that adds a bit of motivation to a lot of qualification.

With much credit to our own ex-Supt'd, Russ Kent, Bill gave a very informative outlining of the many functions performed by his office for all the county's schools and districts. With a \$22 mill./yr. budget and a staff of 600 the support and assistance sounded rather imposing. If you're not aware, you should be. After all, it's your money.

Prexy-elect Sid B. took care of the moosic as he marched us all into some hi-C's. Art Law (sounds familiar) gave the pledge and Msgr Pete Armstrong gave the word - the real thing.

Finemasters take note - Don Noren is ready for market. Finemaster Bernie Ertel stripped Don of the fine free badge he (Don) adopted and somehow let slip into the hands of Sid Berlin. Now let's be fair, on a time sharing basis, Sid doesn't deserve that - now really be fair. Who cares if he wins it, earns it, pays for it or deserves it. All in favor - ah hah!

NEWS Don't forget Bob Baum's admonitions. We need to push the roster to 100, we're told, and
NOTES that means 30 new members yet this year.

AND

NEXT GET BUSY - especially you senior actives and those who are in a position to recommend an
WEEK additional active.

Our speaker, I believe, will be Dr. Don Halverson of the County Office of Education, who will talk to you on the subject of "Time Management".

Finemaster for the 16th is scheduled to be Merle Fruehling. Merle's classification is secondary education - admin. It won't be secondary, we suspect - likely to be first hand this time around.

November 9-15 celebrates Rotary Foundation Week. You know all it means. All that's left is for you to do. DO IT. DO IT. Right! Just DO IT. No more time for just talk.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

SEPTEMBER 16, 1980

PENINSULA COVENANT CHURCH

TODAY Dr. Cecil Reeves of the County Office of Education will talk to you on a subject that has to hit home these days: "Dealing with Stress".

Your finemaster today is Merle Fruehling and anybody who can run the Boston Marathon can lead you on a pretty fine chase.

LAST WEEK District Governor Ruben W. (Rube) Kaehler honored us with a visit and after a productive morning work session with Pres. Bob, Board members and Committee Chairmen (a total of 19 were able to participate - a nice turnout), our very energetic and enthusiastic D.G. shared with us some of his Rotary views and objectives.

Apart from enjoying many of his kind remarks on our club's direction, programs and projects, Rube gave us all some useful prodding on a number of matters, including: membership development - it is important and needed to stimulate and give impetus through new blood. Not big just for big but bigger for better. Interact - the need to restore momentum to youth activities deserves a high priority. Community Service Programs - look for them, test them. If they meet a vital human need, if they can be done with excellence and in a way exciting to the club's members as well as to other clubs, then have at it. If it's worth it you can find a way to do it.

"TAKE TIME TO SERVE". Those words of R.I. Pres. Rolf J. Klarish were reiterated and underscored by Dist. Gov. Rube, and if you feel, as you must, his enthusiasm and satisfaction in service, you will surely know it is the time to take that time.

Bob Durkin did the fining with the help (involuntary) of a lot of us in selecting or being the victims.

Sid Berlin led us both in song and prayer with Jim Fitzgerald pointing us to the flag.

AND NOTES New members in particular are reminded of the next Rotary information meeting set for Thurs. Sept. 18 at 7:30 A.M. at the Lyons Cafe on El Camino in San Carlos. Al McNay of the SC club is, by the way, the prime mover behind these fine sessions.

Don't wait for Bob Baum's membership development helpers to prod you - get moving right now on seeking out and proposing for membership those many outstanding candidates for Rotary you know are out there in our community.

NEXT WEEK Mr. Dick Sperisen, again of the County Office of Education, will talk to you on the subject of art and design in education.

Banker Mike Ivicovich will take care of the fining. Get ready to make a deposit.

AND NEXT MONTH Lem Summey says we'll have a great opportunity to get ready for November's elections as we hear from incumbents and candidates, Congressman Bill Royer (7th), his opposition, Tom Lanto (28th), Supervisor Jim Fitzgerald (21st) and his opponent, Jackie Speier (14th). A great series you won't want to miss.

CHARTERED APRIL 22, 1946
DISTRICT 513

SEPTEMBER 23, 1980

PENINSULA COVENANT CHURCH

TODAY Dick Sperisen of the County Office of Education will join us as he discusses the subject of art and design in education.

Taking deposits and opening new accounts is only part of what finemaster Mike Ivceovich has in mind for you. Actually, it's the "Express Banking" theme he has in mind - sort of a speedy three bucks.

LAST With Pres. Bob at the helm, we all vocalized with Sid, pledged with Bud Meyer and
WEEK joined in prayer with Phil Schneider.

Dr. Cecil Reeves of the County Office of Education gave a fascinating and rapid fire discourse on the subject of "Stress Management". Your editor took lots of notes but there's just no way to abbreviate an abbreviation of a subject of this magnitude. A stimulating, many faceted and - especially in these times - very meaningful arena of thought.

Merle Fruehling (initials M.F. stand for "more fines") took care of the cash contributions with Jerry Mertens reaching out and picking off all you guys had to offer - a 49er going for the gold.

Pete Hughes introduced and we all had the pleasure of hearing from the master of our refugee family, Keo Bongsy, who is now employed by the Hughes firm. From Pete's remarks, Keo will be a real asset to our community and country.

Bill Maxwell did so much. So very much! And Norm MacLeod never stops giving. Thanks guys.

This week or next we'll have a vote count on alternate meeting places. Scotty Campbells was given a chance. Now there's the ex-Algiers, ex-you name it. Make your feelings known.

NEWS Happy to hear that Vince Claypool was inducted into the North Fresno Rotary Club
AND this past Thursday. Sad to report that Joe Mell has resigned and that Jerry Olhiser
NOTES has been terminated for attendance problems.

Our "SOS" program "orphan" in Austria, Johan Reitzer was pictured in literature circulated at the meeting. Make sure you see what your "quarters" go for.

From the Board: Sid Berlin, Joe Souza and Jim Newell have been reappointed to 3 year terms as Trustees of the Redwood City Rotary Trust; ie., the Ray Wilson Fund.

NEXT We will hear from Dr. Al Grossman of the County Office of Education on the subject
WEEK of "Computers in Education".

Sid Berlin will take care of the fining - very good care, I expect.

Don't forget, October's programs will present four outstanding candidates as we hear from Messrs. Royer, Lantos, Fitzgerald and Ms. Speier.

PENINSULA COVENANT CHURCH

TODAY Rounding out this month's series of speakers from the County Office of Education, you will be hearing from Dr. Al Grossman on the subject of "Computers in Education."

Run, hide, duck under the table or maybe just pray. May make you feel better but won't likely get you out from under the claws of Prexy Elect and today's finemaster Sid Berlin.

LAST WEEK Without Jim G., Sid B., or Bob P. all we could do was pledge (me) and pray (Wes) - and there goes the rhyme.

Our speaker was Dick Sperisen, again from the County Office of Education, who spoke to us on the subject of "Art in Education". It was more than "Art", really, for when you add an "s" to make it "Arts" you are covering a lot more ground.

There's been a sharp and notable decline, according to Mr. Sperisen, and it does not bode well towards the need to maintain creative design in our country - not just in the arts, so called, but in technical achievement and personal expression as well. A look at many of the products from abroad is only a part of the picture - but a striking part at that. Personal happiness, achievement and satisfaction are even more.

Mike Ivicovich took care of the fining. Said he wasn't really prepared but as finor he gave the finee just one choice - be a payee and give it to Mertens, the collector.

NEWS AND NOTES Bob Baum is continuing to stir the coals under you so you'd better get going on your new member proposals. Any questions on classifications? Talk to the follow-up chrm. assigned to you. Or Bob, or Bill Stangel.

Phil Schneider read a letter from the Pres. of the Hiratsuka Club attesting to the continuing success of our young peoples summer exchange program with them. Next summer's candidates might be a point of interest to a potential new member, by the way.

Retirement Jobs, Inc. has an office at 524 Marshall St. here in R.C. - one of 18 offices in the Bay area. Look them up - to hire or be hired. It's free.

The where to meet and eat balloting was reported by Club Secretary Dr. Alan Bostwick as follows: (ie., present location vs. Scotty Campbells) Undecided: 5, Campbells: 13, Here: 50. Thanks to the House Committee for giving all a chance to compare.

The next Rotary Information meeting is scheduled for October 16 - a Thursday at 7:30 A.M. at the Lyons Cafe on El Camino in SC. Good for anyone but especially new members.

August attendance per Chm. Tom Martin was 86% - ahead of MP and SC but only in the middle of Dist. 513. No middle men are we so let's get it up.

NEXT WEEK We start our candidates' month next week, Oct. 7 with our own Congressman Bill Royer. Be sure to plan to attend the start of this fine series of programs. Good time to bring a guest. On the 14th it's Jackie Speier, with Jim Fitzgerald on the 21st and Tom Lantos on the 28th.

OCTOBER 7, 1980

PENINSULA COVENANT CHURCH

TODAY Our first speaker in this month's "candidate" series needs no introduction for it's none other than former active and now honorary member of RC Rotary, Congressman Bill Royer.

Perhaps it was in contemplation of Finemaster Sid Berlin that the club last week set a record, I think, in a dutch auction bidding for the fine free badge. Pierce tried and tried and tried some more but by the time the bid reached \$50 it was firmly in the possession of Dr. Sam Ferguson. Will Bob show up today?

LAST We heard from Dr. Al Grossman of the County Office of Education on the subject of WEEK "Computers in Education". The computer as a teacher is a new phenomenon according to Dr. Grossman. It's also a great teacher aid and will unquestionably be a major factor in future educational processes. San Mateo County is a leader in the field, says Dr. Grossman, not only in California but nationally as well.

With Pres. Bob keeping order and Pierce disorder, "CJ" led the pledge and George Chaffey the prayer.

Bob Baum continued his updating on the membership drive, this time listing the chairmen who will be helping and prodding you. Bob promises to have prospects cleared within 3 wks of receipt of your proposal card.

NEWS Wes Westerdahl talked with John Ralston recently - says that John really misses the AND group and wishes he could still be a part - but keeping track of over 1200 NFL players NOTES is just too much of a burden to get around.

Knowing that Fresno was Alan B.'s hometown, Vince Claypool asked Alan to attend his recent induction into the North Fresno Rotary Club, so he did. That's nice.

Rotary Foundation Week is Nov. 9-15. For '79-'80, District 513 contributions averaged almost \$33 per member for a total of over \$125,000. World wide the total was \$16.4 million with 12,178 Paul Harris Fellows enrolled. The search is now on for '82-'83 Foundation Scholars to be submitted no later than 1 April, 1981. PDG Bob Paroli is chairman of this year's educational awards committee, by the way.

Don't forget the next Rotary Information meeting - especially new members. It's at 7:30 A.M. on Oct. 16 at the Lyons Cafe on EC in SC.

NEXT We will be hearing from Supervisorial candidate Jackie Speier. That's on the 14th. WEEK Incumbant Jim Fitzgerald will be with us the following week, the 21st and finally, on the 28th we will hear from Congressional candidate Tom Lantos.

Next week's finemaster will be Steve Small who'll no doubt try to do some big things for the treasury.

C. Joseph Souza, Past President

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

OCTOBER 14, 1980

PENINSULA COVENANT CHURCH

TODAY

Our second speaker in this month's "Candidate" series is Supervisorial hopeful, Jackie Speier. Having previously addressed our club, Ms. Speier is well known to all and needs no further introduction at this time.

Steve Small is this week's finemaster and coming on the heels of Pres. Bob and Prexy-elect Sid he has some hard acts to follow - but don't look for any small favors.

LAST
W

Former active and now honorary RC Rotary member, Congressman Bill Royer kicked off this month's "Candidate" series with his usual succinct and informative summary of congressional action and inaction over the course of his first 1 1/2 yrs. in office. Much ground was covered but among some of the points recalled: the "misery rate" (a combo of inflation and unemployment) has gone from 12% to 20% from '76 to '80. Budget during same period has exploded from 400 to 600 billion + 50%. The projected deficit for this year was 23 billion - Bill says the actual will be from 69-80 billion. The national debt is now approaching a trillion (980 billion) - with annual interest alone running 72 billion.

Bill likes his job, feels he has been productive in his committee assignments (Pub. Works & Transp. and Energy & Development) and happily reported he is spending 20% less than his allowed budget for staffing and other expenditures.

Sid was back and you could tell by the voices raised in song plus all he raised as finemaster - like selling raffle tickets for Jackie Speier. Even Bill Royer got one. What if he wins?

Mons. Armstrong gave the invocation and then deservedly got a big ovation when it was disclosed that he was honored by the CYO as man of the year for his 20 yrs of truly outstanding service. You know they (CYO) meant it when, among other honors, they named their camp after him.

There are others among us of whom we can all be justly proud. Look about you. Be inspired and grateful. Look at Pete Armstrong and see what Rotary wants you to be - see what "service above self" really means.

NEWS
AND
NOTES

Bob Baum is doing a tremendous job in our membership drive. Know how to thank him? A new member proposal card (filled out) is just the ticket.

Once again, remember the Rotary Information meeting this Thursday the 16th at 7:30 A.M. at Lyons Cafe in SC.

NEXT
WEEK

Incumbent Supervisor Jim Fitzgerald will take the podium to present his views to support his retaining his long held seat on the Board of Supervisors.

Dean White will take his turn as finemaster - better be prepared for a White wash or maybe a White out.

Officers for 1980-81

OCTOBER 21, 1980

PENINSULA COVENANT CHURCH

TODAY County Supervisor Jim Fitzgerald is the third in this month's "candidate" series. A long term incumbent, Jim is facing a formidable challenge from last week's speaker, Ms. Jackie Speier.

A special note of thanks, by the way, to Lem Summey who, as this month's program chairman, arranged for this informative series.

Finemaster Dean White is ready to expose you to a few shots to develop a little something for the treasury. Got the picture?

LAST WEEK Supervisorial candidate Jackie Speier spelled out some of her particular interests in looking to the possibility of gaining a seat on the Board. Housing or the lack of it took a number one spot, with Ms. Speier emphasizing how the high cost and shortage pose a major threat in both our keeping as well as attracting business.

The Medivac program as now constituted also received a harsh look from Ms. Speier as she noted the mounting cost of the program in serving the county's indigents. Her view - incorporate it into the Fire Departments to hopefully both speed up and provide better service and perhaps at an even lesser cost.

With a strong and impartial plea to get out the vote, Ms. Speier noted that the U.S. voting (participation) record is the lowest among all democracies save for Botswana. Last time around, Jimmy Carter won with but 28% of those eligible to vote and New York's Mayor Koch was a real winner as he took office with a mere 12% of the eligible electorate. If you think we're in trouble (your editor's comment) guess why!

Home at last from a tour of our country's founding places, from Maine to Monticello, Dr. Jim Greenwell added that something always extra as Prexy elect Sid led us all in song. Stan Silverstein pointed the way with the Pledge and Ron Bawden lifted our hearts in inspiration and love.

Steve Small took care of the fining - can't quite remember who went unfined.

NEWS AND NOTES Some tidbits of note from Club Secretary, Dr. Alan Bostwick on October's last Board Meeting:

- . with sincere regret, Tom Hallum has resigned, citing business pressures.
- . having passed more than 20 Rotary years (great!) and 65 other years (impossible!) Chuck Long got excused from regular attendance requirements.
- . Messrs. Carini and Fabricius are now appointed Ass't Treasurers - to keep track of fines paid out by individual members.
- . a \$500 contribution to "Partners" to help support activities involving one young person for a year was approved by the Board - a program given ardent support by Messrs. Giannini and Dodge.

NEXT WEEK We will hear from the last of our "Candidates" speakers, this time Congressional aspirant, Tom Lantos.

Capt. Ron Bawden will do the fining. He has a bit of experience in matters of this sort. Why not just give up and give.

OCTOBER 28, 1980

PENINSULA COVENANT CHURCH

TODAY We are going to hear from the last of the candidates in this month's "candidate" series, Tom Lantos, the Democratic nominee seeking to wrest a congressional seat from Republican incumbent Bill Royer.

Capt. Ron Bawden will handle the finemaster's chores. All of our candidates would do well were they to assume some of the views towards giving rather than getting that Ron's "Army" fields so well.

LAST WEEK With Pres. Bob at the helm, all enjoyed the return of Maestro Dr. Jim G. giving the right keys to songmaster Sid B. "C.J." led the pledge as Orv Graves gave the invocation.

Our speaker was James V. Fitzgerald, seeking return to another term on the Board of Supervisors where he has served for many years past. Seeking to represent the 1st District one more time around, Supervisor Fitzgerald started his long term in public office as a member of the Council and mayor of San Bruno. For many years a Supervisor and Chairman of the Board of Supervisors, Jim is against Prop."A" which would change the method of electing supervisors.

There are other county measures that warrant your careful review - take a good look - make a careful, thoughtful vote.

Bob Baum continued the updating of our membership drive. R.I. (information) sessions will be held at Geo. Chaffey's home and for those ready to propose new members, Ed Hussong and Don Noren will continue to make their services readily available.

With sincere apologies, your editor failed to get the names of our student guests presented by Merle Fruehling - this week we'll make contact.

Our finemaster this past week was Dean White and from a treasury view it was a fine picture of election issues.

NEWS AND NOTES Remember the quips about Sid Berlin selling raffle tickets for the benefit of Jackie Speier's campaign - even Bill Royer got one. Politics aside, who might better deserve to win a chance at a shopping spree this Wednesday at Key Market than our own Bill Enomoto. It's at two o'clock, I believe. How about being there to cheer him on.

NEXT WEEK November Program Chairman Paul Keckley says our first speaker on the 4th will be Fred Di Pietro, Manager of the Port of Redwood City, who's going to bring you up to date on all that's going on all along our waterfront.

Doing the fining will be Jim Fitzgerald - not the politico, but our own ex-banker. With Jim's Rotary zeal, you know he'll do well.

NOVEMBER 4, 1980

PENINSULA COVENANT CHURCH

TODAY This is it. This is the day on which you act. You do not have the privilege of inaction. If you are not happy, curse yourself for not having acted some time ago. But now, you have no other choice. You act. You vote.

Fred Di Pietro, Manager of the Port of Redwood City, is our speaker. He'll give you a firsthand account of the current status of the many programs and projects in work, pending or perhaps just contemplated for this unique element of the community's diverse enterprises.

Jim Fitzgerald will take care of the fining. No lack of experience there - he's coming of age, you know - will reach his 21st year with RC Rotary this coming April.

LAST WEEK Prexy Elect Sid Berlin filled in for Pres. Bob but still joined with Dr. Jim in rousing the chorus. Bud Meyer gave the pledge and George Chaffey the invocation.

Democratic Congressional candidate Tom Lantos was introduced by October program chairman Lem Summey who arranged this past month's interesting and informative "candidate" series.

Sid Berlin, party wise partial but in this case, quite accurate, I think, commented on the way out "Isn't he a spellbinder!" Indeed. A Professor of economics at San Francisco State, Mr. Lantos quite eloquently ranged over a broad array of national and international issues. A native of Hungary, Dr. Lantos holds undergrad and graduate degrees from the Univ. of Washington and U.C. Berkeley. Thanks again to Lem for this fine series which earlier featured Congressman Royer, Supervisor Fitzgerald and their principal contenders, Tom Lantos and Jackie Speier.

Ron Bawden did another fine job of fining, awarding gilded certificates for all manner of deeds and misdeeds - but all for the same price, save for Dr. Ferguson whose fine free badge saved him only two bucks. Don Noren got a special award - a signature version of one of his business' end products. Even Art Law got involved in the give and take. He gave and got took.

Merle Fruehling introduced our student guests these past two weeks from Woodside High, Melissa Auchard and David Goerz.

NEWS AND NOTES Don't know if any spaces are left but Bob Pierce circulated a signup sheet covering 50 reservations for a Big Game bus trip with seats on the 50 yard line.

Fortunate for him, Bill Royer did not win but fortunate for him, Bill Enomoto did win in the Speier raffle, tickets for which Sid B. peddled a few weeks back - prize was a shopping spree at Key.

Can't let the subject cool - be sure you are hard at work on your new membership proposals. Bob Baum and his posse will be coming at you!

NEXT WEEK Former Dist. Governor Bob Paroli will introduce a past recipient of a Rotary Foundation Scholarship who will share with us some of the experiences of that fine award.

Finemaster Dr. Sam Ferguson will have no need for his fine free badge but you will. Don't know what curriculum he has in mind but the treasury and not you will get the credits.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

NOVEMBER 11, 1980

PENINSULA COVENANT CHURCH

TODAY In recognition of Rotary Foundation Week (Nov. 9-15) we are honored to have with us today Past District Governor and old friend Bob Paroli who is not only Rotary Foundation Chairman for Dist. 513 this year but also chairing this year's educational awards committee.

Bob will introduce to the club one of the outstanding recipients of a foundation scholarship award who will give you a firsthand look at some of the experiences received under this great international program. And it is just that.

Today's finemaster, Dr. Sam Ferguson, will make the picking of your pockets a rather academic affair. I doubt that you can look for any good grades - probably just a case of pass/fail - mostly the latter.

LAST WEEK Thanks to Steve Small for taking notes for your editor who was sitting in a dentist's chair.

Fred Di Pietro, Manager of the Port of Redwood City, gave an update on the activities of that facility which, during the course of his custodianship, has turned around from an operating deficit in '74 to an income production of over a million this past year. Seaport Village is still in work and likewise the negotiations with far eastern interests towards the possible establishment of a "clinker" (cement operations) facility at the port. Nothing new and startling but apparently a continued building of a hoped for solid foundation for a viable and profitable future operation.

Pres. Bob Waligore was back at the podium as Bob Pierce led the harmonizing with Dr. Jim G. tickling the ivory key(s). Walt Small took charge of the pledge as Dr. Jim continued to keep things in tune, this time with the invocation.

Finemaster Jim Fitzgerald, I'm told, used some of the more up to date banking techniques to raise the bucks - a bit of poker and confusion - a sort of prime effort.

Charities Committee Chairman Ron Giannini presented the club's check for \$500 to "Partners", whose bay area operations are now headquartered next door in San Carlos. This fine activity, providing avenues of hope for young people in difficulty, will use this donation to fund their program for one such young person in need for a full year term.

NEWS AND COMING UP HEAR YE! HEAR YE! Don Helbush says that the mobile unit of the Peninsula Blood Bank will be at Kaiser Hospital on Friday 11/21 from 9:30 - 4:00 PM. All eligible donors and family members are urged to show up and give. You are the only source. Your giving is needed. And not a drop goes to waste.

Next week's speaker is waiting confirmation - a possible change following last Tuesday's election results.

Dr. Russ Kent who did so much to uplift the contributions of the County Office of Education will do a little lift-upping of some fine bills from your pockets. You'll know he's a fine master.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

NOVEMBER 18, 1980

PENINSULA COVENANT CHURCH

TODAY Mike Barrett, former Mayor of Redwood City and field rep for Congressman Bill Royer will speak to us today.

If you think the weatherman has anything to say about it, forget it. This is going to be a fine day, so don't RUSS off, you KENT escape.

3RD
WEEK

It's first things first so let's acknowledge right off the wonderful and deserving honor of being a Paul Harris Fellow that came to one Dr. James O. Greenwell. So it was that the great and gracious generosity of Vince and Esther Claypool found its way through our Board to give real recognition to the marvelous contributions of Dr. J. to the enrichment of our fellowships for over 34 years of charter membership in RC Rotary. How nice it was that Vince could be with us to witness this wonderful moment of giving and receiving.

Back to business. Pres. Bob did the presiding as Sid B. and our honored Jim G. did the exciting (of the tonsils) with Paul Jones leading the pledge and Norm MacLeod the way.

Roger Effromski, an articulate and recent recipient of an RI Foundation scholarship award, gave an accounting of his meaningful experiences and studies in So. Africa. Now a law student at the Univ. of Santa Clara, Roger, a graduate of the Menlo Business College, received his award through the sponsorship of the Menlo Rotary Club.

Following Roger's interesting recitation, San Carlos' Al McNay presented a well done film presentation on the activities of the Rotary Foundation and the many productive diversities of this "Foundation for Peace".

With so much going on, we almost forgot to note the contribution of finemaster Dr. Sam Ferguson who "awarded" fines for questions to answers. I guess Treasurer Dick Dodge doesn't care if the bills back in or fly in - dollar bills, that is.

NEWS
AND
NOTES

How nice it is to have good news to publish. Hardly a month away and it's a Christmas Party - and would you believe, once again in the warm and gracious environs of Dr. Tom Poore's home in Atherton. Mark your calendar - Tues. nite, Dec. 16.

Remember that Friday, Nov. 21 (9:30 - 4:00) is the time to give your blood - the mobile unit of the Pen. Blood Bank will be at Kaiser that day. Don Helbush works hard on this and much else so don't let him down.

NEXT
WEEK

Sequoia Hospital Administrator Richard Daniels will be on hand to update us on that important local and Peninsula facility and Lem Summey will be doing a bit of prosecuting - very proper and legal, of course. Just pay your fine - you can plead and bargain all you want but it's that or d'Judge.

BILL LINDEBURG — President
21 NOVEMBER 1990

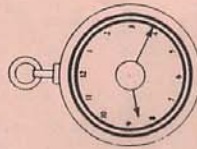

THIS WEEK

JACKIE WALKER, Stanford Women's Gymnastics Team Coach will speak.
JOANNE CRISTIAMI, coach of the Rotary sponsored AYSO Soccer Team called The Rattlers, will fill us in on the team's progress so far. Currently the team is in first place in Division 6. Vegas oddsmakers give them a 2-1 edge for the season championship.

JOHN BUCHANAN auditions as Finemaster today, so all the really tough cases can relax.

NEXT WEEK

WILLIAM PENBURG & BEVERLY AGUILAR of The Peninsula Halfway House will speak on the role of their organization in our county's social services.
DAVE MEUFELD will be our Finemaster that day, also.

TAKE TIME TO SERVE

LAST WEEK

In honor of our club's new Paul Harris Fellows and new Sustaining Members, we held a champagne luncheon last week. With the Rotary Anns present and wearing corsages from GRANARA's, members of the foundation committee announced the latest club participation in the Foundation. This brings the total contributions to over \$37,000 and includes 69 members. That includes 23 fully paid Paul Harris Fellows.

President BILL, on behalf of the Club, gave Paul Harris Fellows to TRAVIS JACKSON & RON PERRY. In recognition of his contributions and special friendship with our Club, KEBLE HILTON also received the Paul Harris award from BILL.

HELP FOR THE SECRETARY

AL MCMAY has asked if any member has a copy machine he would be willing to donate to the Club. AL has lots of copying to do in his job as our Club Secretary. A good machine will help him get information to all members much quicker than through his present system.

SAN CARLOS & BELMONT ROTARY CLUB'S JOINT CHRISTMAS PARTY

JOHN WATKINS & his Social Committee have gotten plans for our Christmas party in high gear. Grab him at the meeting today and get signed up. It's Dec. 20th at the Green Hills Country Club & includes dinner & dancing for \$20 per person.

MERRY CHRISTMAS

CLUB ROSTER

It isn't perfect, yet, is it?

If you've spotted a mistake, please let AL MCMAY know. That's right, grab AL right now while you're thinking about how he fouled up your business address in the last roster. Don't wait until the next one comes out; RON SMERMOFF's word processing machine will make that same mistake forever unless you tell it something different.

ROTARY HOT LINE

The Peninsula Rotary Clubs sponsor a telephone answering service.

By dialing 871-5323 visiting Rotarians and local club members can obtain information on meeting times & places.

The listing is under Rotary Clubs of San Mateo Co. in the directory white pages and under Clubs in the yellow pages.

ROTARY QUESTION

Q: What is the special grants program?

A: The trustees of the Foundation encourage clubs and districts to make applications for what is known as special grants. Projects may not duplicate the existing programs of the Rotary Foundation.

Neither will grants be made for youth exchange, unless the project is innovative, nor for the education of persons from a given country in the same country. Projects must be financed partially by the sponsoring club or district, usually on a matching basis.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

NOVEMBER 25, 1980

PENINSULA COVENANT CHURCH

TODAY Richard Daniels, Administrator of Sequoia Hospital, will give us an updating on some of the more important facets of and problems confronting this vital local and regional medical facility.

Lem Summey will take care of the prosecution - or is it persecution - as he seeks to impose some short, like one, two, three buck sentences. No trial by jury this time. Not even a judge - just a finger pointing at you, so end your prayers with an AMem.

**T
WEEK**

Past Prexy Norm MacLeod manned the podium for absent President Bob while Maestro Greenwell maintained the beat and the tune as the chorus was being misled by some Piercing sounds. Joe Carini led the pledge and Pastor Wes led The Way.

Michael Barrett, Field Rep for Congressman Royer and former Mayor of RC gave an interesting account of his 19 mos. of service with Bill. Obviously satisfied and excited by his involvement in the affairs of Congress, Mike still showed his enthusiasm and regard for the Royer record and candidly fielded a broad range of questions on many matters - including many on the why of an unexpected loss at the polls.

Finemaster Jack Ference displayed his familiarity and comfort in the art of raising funds from many sources - a sort of axation without representation. And can you imagine letting the fine free badge go to Pierce!

**NEWS
AND
NOTES**

It's not all that clear but apparently you will do better in Sao Paulo for the RI convention next year if you arrange your housing accommodations through SP Rotary and that's best done by getting it all together with Sid B. who knows how to open doors in good old Sao P.

Two days hence and you'll all be reminded of what we have so much to be grateful for. It's a good time for some good thoughts about all of the good things that Rotary means to so many in so many places. And a good time too, to remember to TAKE TIME TO SERVE.

Tom Martin reports our October attendance up to 85% - an improvement but still puts our standing at only 34 out of 53 clubs. Not all that good.

**NEXT
WEEK**

OOPS! A new month. That means a new Program Chairman and who better than Sid Berlin. But who's who - your editor hasn't heard. Apologies likewise to your next finemaster. Sgt. at Arms, Jerry Mertens, probably has it all arranged with his usual proficiency but who's who on Dec two - must be one of you.

Beyond that, Xmas is coming and if you haven't already heard, our celebration will once moore take place at that holiday inn of one Dr. Thomas Poore in Atherton. December 16 is the date. Be sure to give the word to your Rotariann.

PENINSULA COVENANT CHURCH

TODAY Last week Pres. Elect Sid Berlin gave the invocation by singing the Thanksgiving hymn. This week we give recognition to another celebration of thankfulness for tonite is the first night of Chanukah, or Hanukka, an eight day celebration by the Jewish people commemorating one of the first battles in history for religious freedom.

Our speaker today is Warren Heiman, President of Reactor Experiments, Inc., who will discuss with you the future of atomic power.

Bill Bergler is our finemaster and thus ends the Thanksgiving holiday. Now enters the season of bearing gifts and I'm sure he has quite a few bearers in mind - golden perhaps?

LAST WEEK Sequoia Hospital Administrator, Richard Daniels, discussed some of the very real and costly problems the hospital faced in coping with state and federal regulations involved in getting their certificate of need to continue operation of Sequoia's cardiac facilities.

With Pres. Bob back at the podium, music makers Greenwell and Berlin tuned us in and turned up the volume. Ron Giannini gave the pledge and Sid, as first noted, the invocation.

Finemaster Lem Summey took care of the prosecuting and persecuting - mostly the latter, I think.

Inducting new members is always a pleasure. This time Bill Jennings did the honors as he introduced our newest, John Williams, Dean of Instruction at Canada College and his charming Rotariann, Agnes.

NOTES More details on the Xmas Party. (Be sure to sign up if you haven't already.) As previously reported, once again we have the good fortune of having Dr. Tom Poore open his lovely Atherton home to us. It's Tuesday, December 16 at 6:15 P.M. (There'll be no regular meeting that day). The address is 97 Isabella - turn west on Isabella off El Camino a few blocks south of the Atherton Ave./El Camino intersection. The tariff is only \$9/person and all who've enjoyed this grand event in the past know what a bargain that is.

On the 23rd there will be a special meeting right here - a festival of Christmas carols with Dr. G. and Sid B. leading you and your Rotarianns. So make a note and remember to invite and bring that favorite gal with you for lunch and song.

Feb. 20 was something to remember but I can't. I do know that Feb. 22-28 is World Understanding Week and that's surely something to remember and do something about - was that it, Pres. Bob?

NEXT WEEK Can't tell you why but just be here. It's really something you'd never want to miss. You heard me now!

Bill Koon has the finemaster duty but don't expect any of his usual bedside manner. Looks like the good doctor might just skin you this time. A Koonskin?

TODAY According to program chairmen (this month) Sid Berlin and (this year) Bill Jennings, today's program will celebrate a very special event for a very special person. All present will take great delight in having the good fortune to participate in the commemoration of this occasion.

Dr. Bill Koon will apply his healing ways to the club's ever ailing treasury, albeit you may not find his bedside manner all that soothing.

LAST Even Pres. Bob's good voice can't make up for the absence of Maestro Greenwell's chords of ivory. Bob Pierce made a good go at it. Just close your eyes and think of Mitch Miller. Can't? He needs a beard, you say. Anything to wear but that fine free badge and the treasury will be okay.

Bill Bergler had lots of goodies for all on his fine list. Too bad that most of them (it seemed) were making up (we hope) elsewhere this week. New member John Williams led the pledge and old member (in terms of service) George Chaffey gave the invocation.

Dean White introduced our speaker and his boss, Warren Heiman, President of Reactor Experiments, Inc. Speaking on the question of the prospects for nuclear power, Mr. Heiman gave a recap of the status of all of our present energy sources and, by noting the problems, limitations and dangers of those sources, seemed to suggest that the apparent problems and dangers of nuclear power plants are really not that great. In his view, the operation of such plants and the storage and disposal of waste materials can all be safely managed.

NEWS For those good oranges for a good cause (Amigos de Las Americas), be sure to give your
AND \$7.95 per box to that very good doer, Bob Durkin. He'll have them waiting for you when
NOTES you leave next week's Xmas party.

George Chaffey noted that our refugee Laotian family is growing, therefore the need for a crib - have you got one in good and substantial order hiding in the rafters?

Don't forget, on the 23rd there will be a special meeting right here. A festival of Xmas carols for you and your Rotariann. Dr. G. and Sid B. will hit the key - for you and she, just be - here.

A couple of solid quotes from an RI publication that have special meaning in this special season:

"The roots of happiness grow deepest in
the soil of service, and
the smallest deed is better than the greatest
intention."

It is, above all, a season of giving.

NEXT XMAS PARTY Enjoy - yes indeed! Once again Dr. Tom Poore is opening his gracious home
WEEK to our club's celebration of this joyous season. When: Dec. 16. That's next Tues.
(no regular meeting that day) Time: 6:15 P.M. Where: 97 Isabella in Atherton. How
to get there: Isabella is 3 blocks south of the Atherton Ave. intersection and stoplite
on El Camino. Going south, turn right on Isabella. Tom's home is on the left a ways in -
about 4 street lites or so.

PENINSULA COVENANT CHURCH

TODAY MERRY CHRISTMAS and WELCOME to all those lovely Rotarianns joining in today in our first planned annual Xmas carol sing-a-long with maestro Greenwell at the keys, conductor Berlin helping you find the key and the glee club hopefully on key.

Your finemaster is Bob Dooley. He'll keep you in the spirit of giving.

LAST WEEK(S) On the 9th it was a marvelous celebration honoring Paul Jones on the occasion of his entering his 9th decade. What more can be said that wasn't said in Times Tribune article covering the event. Thanks to Paul for making it possible and thanks to all those who made it such a grand event: Chairman Bob Brown, Pres. Bob, Bill Stangel for the City, Les Riddell for the Chamber, Lou Rolla, Geo. Chaffey for the trombone and a very special invocation - and all of you who helped and shared.

On the 16th it was another of those wonderful Christmas parties at Dr. Tom Poore's Atherton home. Good food. Good drink. Good time. A very special thanks to Tom for once again so generously opening to us his gracious home as a setting for this annual celebration.

TAKE NOTE Don Helbush is making his regular appeal for blood donations. Sure you can! Let's hope you don't need it but it's nice to know there are 60 pints in the bank available for members and family.

A reminder from Alan Bostwick for those planning to attend the RI Convention in Sao Paulo next year. There's a registration and housing application form on p.48 of the December Rotarian.

NEXT WEEK Program chairman for this month, Sid B., says he expects to have someone of appropriate stature give you a look see at the business outlook for 1981.

Your finemaster for the 30th will be ex prexy Norm MacLeod and on that account you'd better look out.

*may this be
a wonderful Christmas
and New Year
for all*

TODAY

We were to have had an expert's views on the business outlook for '81. Scratch it. Some unexpected business conflicts. Just as well. Without it you'll far more so enjoy the holidays. At this writing "icebreakers" will be the happy fill-in.

Norm MacLeod has the duty as finemaster. Last chance this year so why not avoid the hassle and just volunteer.

LAST W

A songfest with our lovely Rotarianns. With music by Dr. Jim and a solo by song leader Sid Berlin - even one by Prexy Bob - we had holiday music from the glee club along with carolling by all the guys and gals. In addition to Bob and Sid the voices heard included Ron Koster, Sam Ferguson, Allen Gruman, Bob Pierce and Norm MacLeod. Thanks guys.

With Allen Gruman leading the pledge and Orv Graves giving the invocation, Wes Wester Dahl took care of fining any and all.

A nice addition to the day's events was the induction of new member Brad Burget. Paul Keckley did the honors in presenting Brad and his very lovely Rotariann, Mary Ann. Son of a former Asst. City Manager of RC, Brad, a native of RC, holds the classification "Investments - Mortgages".

Along the way, Prexy Bob presented Dorothy, who feeds you all so well, a well deserved bouquet of roses plus a gift from the club to acknowledge our appreciation and regard.

Ron Koster summed up the work of the Rotary Foundation and reminded all once again of the ways and means for creating Paul Harris Fellows. Get it going!

OT NE AND NOTES

George Chaffey gave an update on our Laotian refugee family of seven - about to increase by one - and invited your giving to further enrich this first holiday season for them. Time for you to match the doings of Ina and George, Dolores and Bill.

D.G. Rube Käehler notes that R.I. Pres. Rolf J. Klarich will honor our district with a visit to S.F. Jan. 21-23. There'll be a reception and dinner at the St. Francis Hotel in S.F. on the 22nd arranged by the S.F. Club. Pres. Bob has the details.

NEXT WEEK

January Program Chm. Cliff Hawkins has the new month's speakers all set up but unfortunately the listing didn't arrive in time for this issue.

N.B.

As you pause to reflect on the more meaningful aspects of the Season, keep a special thought and prayer in your hearts for Alleen and Bob Dooley. They'll hear.

*May the future overflow
with health, happiness and prosperity for you
and those around you.*

PENINSULA COVENANT CHURCH

TODAY What better a way to start the New Year than by having Dr. Charles Garfield share with us some very useful knowledge on the matter of achieving maximum performance.

It being a New Year, you've lost all immunity so finemaster Bob Rutherford will be able to pick and choose just as he pleases.

LAST WEEK Jim and Sid led a toast to the old year with a rousing chorus of Auld Lang Syne. Pres. Bob recognized the return of a well-travelled Dave Schutz by having him lead the pledge. Wes Westerdahl gave the invocation.

Past Prexy Norm MacLeod made one last push at balancing the budget by extracting some New Year's resolutions - at a fine price.

Ice breaker talks by new members John Williams and Bill Wright turned into two very interesting programs. John, who traced his roots to North Carolina and a news publisher Dad, recognized his adoption of the Golden State as a new home after service in the Korean War. After earning his degrees at S.F.State, John put in service with the Food and Drug Administration before taking up a teaching career, first at the H.S. level in San Mateo and then on the faculty of San Mateo Junior College. 18 months ago he joined the administration of Canada College under Dr. Sam Ferguson where he is now Dean of Instruction. John gave a most interesting talk on many aspects of Canada's operations including curriculum development and definition of the many communities served by a community college.

Bill Wright traced his path from his youth as a farm boy and 4Her in Chowchilla to his present position as Manager of Evergreen Savings and Loan. Native son of a native daughter, Bill, whose father was a police captain, had to give up the physical demands of farm life in '60 following an auto accident. Educated at Fresno State (we've another A.B. from there) Bill started out in a finance company and then spent six years as an insurance broker before returning to the finance field with such as NorCal and American S & L before taking the reins at Evergreen. With a brother, mother and sister involved in Chowchilla's school system, Bill had some interesting remarks to offer about the kidnapping of the busload of school children a few years back.

NEWS AND NOTES Hooray - it's a boy, born to our Laotian refugee family the morning of last weeks meeting according to George C.

With a club gift and roses for the bride, Pres. Bob recognized the recent marriage of Arlen Gregorio.

Ron Giannini listed some \$1,950 in donations to various charities made by your Board just before Xmas. Too many to include here.

A reminder - February is targeted for a 100% attendance month. We can do it so make your plans.

Pres.

A reminder from Pres. Bob on the coming visit to S.F. of R.I., Rolf Klärlich and the reception and dinner at the St. Francis on Jan. 22. Bob has all the details.

NEXT WEEK Mr. Al Barnston of Sutro & Co. will be on hand to talk about the stock market as we move along into the 80's.

Finemaster Bob Pierce will also show you some ways to make (for the club) and lose (your) money.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

JANUARY 13, 1981

PENINSULA COVENANT CHURCH

TODAY

Mr. Al Barnston of Sutro & Co. is going to talk to us about the stock market and after last week's performance Wall Street may be renamed Mt. St. Helen's Way.

For a change, Bob Pierce is going to be on the shooting end of a fine procedure. No sense ducking. If his aim is high it'll only make it worse. Cheers.

LAST WEEK

To impress our speaker, Maestros Jim and Sid urged some peak notes out of a lot of throats. Brad Burget led the pledge and Ron Bawden lifted our thoughts.

Bob Rutherford performed two tasks, the least pleasant of which was fining just about everyone but Pres. Bob. All Pierce will find left will be I.O.U.'s, but not from Allen Gruman who hauled in the fine free badge when the dutch auction hit \$31.

Much more pleasant was Bob's handling the induction of new member Robert W. (Bob) Denison, Manager of Corporate Personnel Planning and Admin. for Ampex Corp. A native of Bangor, Maine and alum of Springfield College, Bob and his wife, Carla are parents of three children, two boys and a girl. Welcome, Bob!

Back to our speaker, and he was outstanding, Dr. Charles A. Garfield delivered a most interesting talk on the subject of achieving peak performance. Dr. Garfield's remarks seemed to really hit home, especially at a time when this country's image and productivity are sadly sagging (last year the U.S. was 11th in the growth rate of productivity among western nations - 1/3rd the rate of Japan). His views pose both a personal and national challenge. Too much to summarize here but his books and seminars will answer your questions.

NEWS AND NOTES

One more reminder - R.I. Pres. Rolf Klarich will be honored at a reception and dinner at the St. Francis Hotel in S.F. on Jan 22 - Pres. Bob has all the info.

Sid Berlin gave an update on all the plans and arrangements re the special tour package to next June's R.I. convention in Sao Paulo, Brazil with a return stop-over in Rio. A steal of a deal if you've got the feel. Little time and space left. Call him if you get the notion.

Plan ahead. February is targeted for a 100% month. A big goal requiring a big effort. We can do it. Don't let the rest down for any reason within your control.

Feb. 22-28 is World Understanding Week, a time to emphasize international understanding and goodwill. If you don't think that's vital, you're not even reading your newspaper.

NEXT WEEK

Onnolee Trapp of the League of Women Voters will be with us. They do a lot - should be very interesting.

George Chaffey will do the fining, and you know you don't want to miss that. Step forward you philanthropists - must be one of you who can make it not happen.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

JANUARY 20, 1981

PENINSULA COVENANT CHURCH

- TODAY** Onnolee Trapp of the League of Women Voters is our speaker - kind of fitting with an inauguration just a breath away.
- George Chaffey is finemaster. Imagine, you may even have to pay to hear them - or worse, IT! Please remember, however, you can't bug out after the invocation. But maybe we could take up a collection?
- LAST WEEK** What a pleasure having Pres. Bob induct and welcome home again an old friend and past president of RC Rotary, Frank Parcell. For our new members, if you want to know what "Service" means - this is the guy. Welcome back, Frank.
- Jim and Sid finally got their notes together; Lou Rolla the pledge and Geo. C. the invocation.
- Al Barnston, V.P. and Dir. of Sutro & Co. gave a bullish outlook for the stock market in the 80's. "An opportunity of a lifetime" in his words. Familiar to many for his involvement in the founding of Temple Beth Jacob, this former peninsula resident has given the first speech of the year to the SF Rotary Club for 20 years now. Little wonder. He does it well. Under incoming Pres. Reagan, he feels, there exists the chance of turning this country around and with that the same market opportunities as occurred in the 50's. Be nice, wouldn't it.
- Area rep Fred West joined us to give a pitch for the Welcome dinner and reception at the St. Francis in SF this Thursday for R.I. Pres. Rolf Klarich. San Carlos Rotary's Al McNay presented a charming young lady from down under, Sara Cairnes, a youth exchange student who speaks funny like Fred does but at least is pretty. They grow nice things down there. She did herself credit.
- Merle introduced our student guests - both credits to Sequoia: Student Body Pres. Audrey Li and a fine young athlete and V.P. Dan McCord.
- "C.J." Lucot, home from a vacation home, presented Pres. Bob with club flags from Paris and points near home along the Riviera.
- Pierce was finemaster. Vindicative, he said, and was. But all the while he kept smiling. This won't hurt. Do you know what the dictionary says about his name?
- NEXT WEEK** R.C. Manager Jim Fales will join us with an update on some of the tasks, trials and tremors facing this favored old city of ours - looking pretty new.
- Speaking of trials and tremors, your finemaster will be John Esson. Don't let the Hemingway crew cut fool you. The professor is sharp and may bomb you - sure knows about A T 'N T.

JANUARY 27, 1981

PENINSULA COVENANT CHURCH

TODAY RC Manager Jim Fales is going to join us with an update on the many - and they are - ongoing developments in progress and coming along in this, your place of home or work.

Don't know if he'll try long lines or just reach out and touch someone - I mean some many of you. Whatever - there'll be no sense guessin with your friendly finemaster, Professor Esson.

LAST From the League of Women Voters, two charming and very able ladies (is it wrong to K say that?), Onnolee Trapp and Margaret Marshall had quite a bit of substance to say about our schools. On the Board of the RC Elementary School District, Margaret spoke of a lot of good things that are happening, albeit, against a back drop of retrenchment and belt tightening. Ms. Trapp left copies of a special study project by the League's So. San Mateo County branch. "From Desegregation to Integration: The Multicultural Approach". A fine piece of work but too much to cover in these few lines.

Prexy Elect Sid Berlin, subbing for Pres. Bob, joined with maestro Jim G. in leading a vocal salute to our hostages' return and the celebration of another peaceful and orderly exchange of office in this good old U.S.A. Rejoined member and good friend Frank Parcell led the pledge with Phil Schneider counting our blessings.

Hear, hear! How we love thee, Bill Conklin, for generously contributing \$50 to the foundation and thus spare all the moan of finemaster Chaffey's threatening tromboan (spelled like it sounds).

Alan Bostwick did the honors in presenting newest member Bill Tresnon and his lovely Rotariann Evelyn. A resident of RC, Bill is Director of the Allemany Community College Center in S.F. and shares Alan's classification of Adult Education. A native of Boston, Bill served as a Navy officer in WWII and his college time at Arizona State. Nice to have you with us. Bill.

For a second visit, our student guests from Sequoia, Audrey Li and Dan McCord, a couple of very nice and able young people.

"C.J." Lucot, speaking of his visit home, noted that the president of the ancient Order of Malta was a member of the Aix-En-Provence Rotary Club in southern France, which is building a hospital in the African nation of Gabon. Rotary is "R.I.", a world of concern. If you'd like to help, call C.J.

NOTES On your mark, get ready - February is going to be a 100% attendance month. That's AND a long way up from the 78% reported by Tom Martin for December. If the Raiders NEXT and Reagan could do it, darned if you can't, not if you've a mind to. And there are WEEK only 4 wks. Get ready, get set - hup, hup!

A treat for you next week. Our own Ron Bawden and his Rotariann Marilyn are going to show you the kind of musical talent this wonderful couple has as they bring you up to date on the doings of the RC base of the Salvation Army that's in their charge.

PENINSULA COVENANT CHURCH

TODAY For this first day of our 100% attendance month we're going to have the pleasure of some entertainment and enlightenment from Ron Bawden and his Rotariann, Marilyn. You'll hear some good sounds from them and some good word about the doings of the S.A. base that's in their care here in R.C.

C.J. Lucot (and remember the "c" in Lucot is pronounced like a "k") is going to pick your pockets. Mon ami, what are you doing to me - ah, it's for the treasury.

**LAST
K**

A couple of ice breakers subbed for our scheduled speaker and it has to be a "well done" to Joe Carini and Jerry Mertens for a pair of very interesting biographies covering their paths to R.C. Rotary. Born in RC, Joe was the oldest of eleven children. Imagine - some of his three youngsters are now older than their aunt or uncle. A veteran of Viet Nam service as a hospital corpsman (Navy), Joe met and married Karen Sue, then a nurse and navy officer in San Diego. After a spell on a ranch in Oregon, Joe rejoined the family business with his Dad here in RC - auto-motive, body shop, towing service and equipment sales. Talk of his hobby of raising and racing pigeons was almost a program in itself.

Ex 49er, Jerry Mertens, spoke of his youth in Racine, Wisconsin, giving an interesting insight on his early experiences and development in sports. And it was from those experiences coupled with overcoming serious injuries that he acquired the aggressiveness that brought him college fame at Drake U. and finally a bid from the 49ers in 1958. When you last 9 years in that League, you've got to have a lot of something. Now heading his own company, Jerry and his wife Karen, who met and married at Drake, are parents of three young people. Well done, guys.

With Jim away, Sid kept all in harmony as new member Bill Tresnon led the pledge with Msgr. (Pete) Armstrong giving the invocation.

John Esson collected insurance from the fearful masses and then fines from those without coverage.

**NEWS
AND
NOTES**

Bob Durkin noted it was time again to pick those RC Rotary children (boys and girls 16-17 or older) to participate this summer (August) in our exchange program with the Hiratsuka Club, spending that month living with Japanese families over there. See Bob if you've got a son or daughter you might send.

Ron Koster gave an update and pitch for more foundation dollars for Paul Harris fellows. Why not get started as a sustaining member.

From Alan Bostwick, news of the passing in Cloverdale of former member, Dr. Farrell Moore. Dr. Moore helped found the Redwood Clinic and was a Chief of Staff at Sequoia Hospital as well as serving on the H.S. Board.

Note your calendar. Fri. Eve., Mar. 6 - our club's dinner and fund raising country auction to be held at the American Legion Hall. More word to follow from Pres. Bob and Ron Bawden

**NEXT
WEEK**

President Bob, with help of Orv Graves' slides, will tell us about Rotary's 75th International Convention in Chicago this past year.

Finemaster Phil Schneider will hear nothing of your abstaining on this day.

PENINSULA COVENANT CHURCH

TODAY

With an introduction and assist from Orv Graves, our own President Bob Waligore is going to give you a visual and verbal account of R.I.'s 75th International Convention held in Chicago this past year.

Phil Schneider is your finemaster. We hope he does well for the treasury - the one time he won't tolerate your abstaining. May even drive you to drink. What a way to solicit business.

BT
WEEK

In tune with a beautiful day, Maestros Sid and Jim raised our voices as Frank Parcell led the pledge and Orv Graves lifted our thoughts.

And wasn't that a lift from Ron and Marilyn Bawden! For those who missed it, we'll all tell you that you missed something really good. Everyone will welcome an encore of that kind of musical talent anytime. But then they do have a lot of good things to sing about in the service they have both performed and enjoyed during their lives with the Salvation Army. You can't help but feel the depth and intensity of commitment in Ron's words describing their own career with the Army, its history and some of the activities of the Corps under their command and custodianship here in RC.

Merle Fruehling once again introduced our two fine young student guests from Sequoia, Audrey Li and Dan McCord.

C.J. Lucot used a general ignorance of Africa to ante up a fine collection. Did you know he was born in Algeria? Mais oui!

NEWS
AND
NOTES

Wasn't it great to see Paul Jones up and around so soon after his unfortunate fall. And that's the kind of spunk it takes to help us reach our February attendance goal. Remember to get after your buddies.

Keep March 6 in mind and reserve that Fri. P.M. for you and your Rotariann to enjoy dinner and the country auction being held by your club at the American Legion Hall. Dorothy is doing the catering so you know the food will be good.

And don't forget to also note your calendar about the District 513 Conference scheduled for Apr. 30 and May 1 and 2 at the Red Lion Motor Inn in Sacramento.

Al MacNay is once again conducting a series of indoctrination meetings for Rotarians starting February 26 at 7:30 A.M. - a breakfast session at the Lyons Cafe on El Camino in San Carlos. See Pres. Bob and Past Prexy Norm for more info.

Remember to see Bob Durkin if you've got a youngster who might enjoy the marvelous experience of a month (August) in Japan with a family from our sister club in Hiratsuka. A really fantastic opportunity.

NEXT
WEEK

We'll hear from Mr. Robert E. Mayer, Executive Director of the Governmental Research Council of San Mateo County, who'll tell you what it is and what it does.

Joe Carini will be your finemaster - probably has in mind taking some pigeons in tow.

CHARTERED APRIL 22, 1946
DISTRICT 513

FEBRUARY 17, 1981

PENINSULA COVENANT CHURCH

Only one more to go to achieve our 100% attendance month. Be sure to remind yourself as well as your "buddy".

TODAY Robert E. Mayer, Executive Director of the Governmental Research Council of San Mateo County is going to bring you up to date on what they do and why.

Finemaster Joe Carini markets a device for taking vehicles in tow called a "cradle snatcher". Today he has you pigeons in mind for a different kind of snatching.

PAST WEEK After music makers Sid and Jim, Brad Burget led the pledge with Wes Westerdahl giving the invocation. Finemaster Phil Schneider wasn't satisfied with pledges. It was the hard stuff he was after and got. Although considering today's currency, maybe what he got was kind of soft.

With an introduction from Orv Graves, Prexy Bob Waligore gave a first hand accounting of some slides covering R.I.'s 75th anniversary convention in Chicago last summer. For those who may have missed, Orv noted not only Bob's business affiliation (VP, Fireside Thrift) but also his membership in the Bohemian Club, service as a Trustee of Heald College as well as his pending tour as incoming President of the RC C of C.

NEWS AND NOTES From Ron Koster, a reminder that the search is on once again for deserving applicants for Rotary Foundation Scholarships. Such an opportunity! Let's really put your mind to that.

Four Rotary daughters are possible candidates so far for this summer's stay with Rotary families of our Japanese sister club in Hiratsuka - a month starting July 27/28. Another great opportunity. Now's the time to speak up. See Bob Durkin.

Redwood redwoods are growing in England - news from our seed distribution program. Not quite a Sherwood forest as yet but we need some way of calling it other than a Poore beginning.

MARCH 6 COUNTRY AUCTION Take heed of that packet from Ron Bawden and do note (and reserve) your calendar on the Friday night dinner and country auction to be held at the American Legion Hall. Good food, fellowship and some mighty fine bargains in store. And bring a friend(s).

NEXT WEEK Earl G. Unze, Regional Vice President of Pacific Mutual Life Insurance Company is going to discuss with you some views on the subject of Health Care in the 80's. You'll find it very informative.

Finemaster Bob Dooley has in mind some shorter term plans for the health of our treasury - now you need the insurance!

N.B. IN MEMORIAM. With great sadness we note the passing on Friday last of a much loved Rotary wife and mother, Phyllis Ann Small. To Walt and Steve and all their family, we pray that His love will be their strength. A memorial service will be held tomorrow, Wednesday, February 18 at eleven A.M. at the Redwood Chapel on Woodside Road.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

FEBRUARY 24, 1981

PENINSULA COVENANT CHURCH

TODAY Mr. Earl G. Unze, Regional Vice President of Pacific Mutual Life Insurance Company is going to speak to you on the subject of Health Care in the '80's. In the struggle against inflation and evergrowing governmental bureaucracy, as well as the disposition of tax dollars - let alone pure and simple survival, this is an issue of immense importance.

Your editor's schedule says Bob Dooley will be your finemaster but don't be surprised if there's a last minute change. Either way, the only change you'll feel is in your pocket.

LAST WEEK With President Bob at the podium, concertmaster Jim G. and Mitch Berlin dusted off the notes as your editor led the pledge and Msgr. Pete Armstrong gave the invocation.

February's Program Chairman, Dr. Tom Poore, introduced Robert E. Mayer, Executive Director of the Governmental Research Council of San Mateo County. By use of business expertise and experience, the GRC seeks to assist government in achieving improved efficiency and reducing costs (taxes). With obvious enthusiasm, pride and confidence, Mr. Mayer made a strong pitch that the system is working and that the County and GRC are effectively working towards a common goal - your benefit.

Joe Carini did the fining. He said he was good with pigeons - which he raises and races. I kind of felt like I was one among many last week.

NEWS AND NOTES Can't remember who but someone said the Board gave \$100 towards a Sequoia H.S. spelling B contest. After that, Ron Bawden gave more details on the March 6 dinner and Country Auction which is where those kinds of bucks come from. MARCH 6! That's a FRIDAY NITE. It's YOU, your ROTARIANN and all the friends you can entice to bid on the really great buys that will be up for bid. And they are! Look at the lists. Add your own. You'll agree.

Remember to name your nominees for Directors - 4 vacancies have to be filled. Get them in to Alan Bostwick TODAY.

There's a San Quentin tour March 7. Don Helbush is arranging. Dora and I went last year. If you haven't, DO IT. It's really fantastic experience. Nothing you read can tell it like it is. See it.

Still saying Hi, new old member and past Prexy Frank Parcell is already at it again - this time doing the plumbing, electrical and all else to install a washer and dryer provided by Ron B. and the Salvation Army for our Laotian family.

Tell me what I forget to include in the Spoke. There's so much but so little space.

NEXT WEEK March program chairman, Dr. Bill Koon, says our speaker will be Dr. Belson (I think Bill said "Jack") Weinstein, M.D. an internist who will speak to you on the intriguing subject of "Life style medicine."

CHARTERED APRIL 22, 1946
DISTRICT 513

MARCH 10, 1981

PENINSULA COVENANT CHURCH

TODAY According to Dr. Bill Koon, our program chairman for this month, we are going to hear from Dr. Louis Gann, a Senior Fellow at the Hoover Institution on the subject of "Scientology".

Take time, by the way, to personally acknowledge the efforts of your program chairmen, for their efforts contribute much to your pleasure and learning.

Ed Hussong is your finemaster and this banker is going to take your deposit with no interest at all - except the club's treasury, that is.

LAST WEEK This bulletin is the first since our meeting on the 24th of February at which time we heard a lot of interesting, enlightening and yet, very distressing facts, figures and conjecture about health care and its costs, past, present and in the 80's from an expert in the field, Mr. Earl G. Unze, Regional VP of Pacific Mutual Life Insurance Co.

Bob Durkin took care of the fining. He has the right touch when it comes to filling the treasury - silver or gold - take your pick. Lem Summey wound up with the fine free badge when the "Dutch Auction" hit \$40. Not bad.

The BIG EVENT of last, however, was the "Old Time Country Auction" on Friday eve last, which replaced what would have been a regular meeting on the 3rd.

Sadly, this writer stumbled and stubbed a mending broken toe just after lunch on Friday and that was the end of that day. And so, with much apology, we will have to cover that BIG EVENT in a special issue next week. But then it really deserves special coverage, for what an effort by Ron Bawden and all who contributed and did so much.

NEWS AND NOTES A reminder from Norm MacLeod, don't forget those fine Rotary orientation sessions so well presented by San Carlos Rotarian Al McNay - especially for new members. If you missed the one on 2/26, the next are on 3/26 and 4/23 at 7:30 A.M. at the Lyons' Cafe on E.C. in S.C.

And getting closer by the day, it's time to plan for the District 513 Conference on April 30, May 1-2, at the Red Lion Motor Inn in Sacramento. District Governor Rube Kaehler has really got a dynamite session planned you don't want to miss.

Did you know that RC was first of the Bottom Five in attendance in the district for January. Pretty sad. February will soften the blow, but it's time to make February's drive towards 100% an every month affair.

NEXT WEEK Old friend and former member, Dr. Henry Ritter is going to tune you in on his experiences as a tour director to China and Tibet - to the top of the world.

Dr. Paul Young will do the fining and he won't be playing footsie with you.

B. So soon again to be reporting the passing of a beloved and wonderful Rotariann, Alleen Dooley. We know the prayers and good wishes of all of you go to Bob and their families.

MARCH 17, 1981

PENINSULA COVENANT CHURCH

TODAY

Radio and TV personality, author, world traveler and former RC Rotarian, Dr. Henry Ritter is our speaker and you know how well he does that. His subject is a bit different from that with which he's usually associated; this time he'll reveal an interesting experience as a tour director: to China, Tibet and the top of the world.

Dr. Paul Young is our finemaster. How will he find the bullion? Who knows - maybe with some sole searching. Even George would say that's pretty corny.

LAST WEEK

Hoover Institution Senior Fellow, Dr. Louis Gann, spoke about Scientology, an applied religious philosophy. Dr. Gann noted that his views were based on his personal study and experience and were not a position of the Hoover Institution. Clearly, his views were supportive and favorable towards the concepts, but what was difficult for him to cover in half an hour would be impossible to summarize in a sentence or two on this page.

With Pres. Bob presiding, Sid B. kept us on key, though it's still kind of flat w/o the ivory chords of Dr. Jim G.

Finemaster Ed Hussong celebrated everything - and Jerry Mertens held out that golden arm to pick off all the bucks passed. Norm MacL led the pledge and Pete (Msgr) Armstrong lifted our spirits - and a little bit more.

Thank you, Prexy Elect Sid B. - Feb. attendance was over 97%. Let's make it a new beginning that won't have an end. It's time to keep meeting your obligation.

NEWS AND NOTES

Ron Bawden arranged an "Old Time Country Auction". With typical humility, he gave all the credit to everyone who gave - of time, materials, work - all the auctioned "things", the Board for "their help and direction" and with special recognition to auctioneer, Travis Jackson. But you all know what Ron did.

More than 140 attended this big event at the American Legion Hall on Mar. 6. More than 72 items of material and service were offered - thanks to those outstanding and special RC Rotarians who gave so much. For those who didn't or couldn't at the time, how about sitting down and writing a check to add to all the good to come from this great effort.

How great - over \$4,000.00! And all of it goes to services. The R.I. Foundation, scholarships and charities - all the good we should try to do.

Election results. To fill terms expiring this June: Ron Bawden, Allen Gruman, Bob Rutherford and Wes Westerdahl. Congratulations, guys. This week the New Board will meet to organize and pick new officers and a new prexy elect.

NEXT WEEK

Program Chairman Dr. Bill Koon says your speaker will be Dr. Belson Weinstein, M.D., who will talk about "life style medicine".

Bob Dooley will be your finemaster so get your premiums ready.

DISTRICT 513

MARCH 24, 1981

PENINSULA COVENANT CHURCH

TODAY You're going to learn something about "life style medicine" from Dr. Belson Weinstein, M.D. What is it? I'm just as curious as you are.

Bob Dooley is your finemaster. Get your premiums ready.

NEXT WEEK Now a member of the Menlo Club, former RC Rotarian, Dr. Henry Ritter, took leave from his usual writing, TV and Radio subjects to recount his recent experiences in guiding a tour to China and Tibet. A fascinating trip indeed but surely no indulgence in luxury. The extremes on this planet of ours are truly great and in this case (Tibet), living high is not to be envied.

Green, green! Sid pulled it from our throats. Paul Young pulled it from your pockets. In between, Bill Tresnon led the pledge; Orv Graves gave the prayer. Merle Fruehling introduced our student guests - two fine young people from Woodside High, Kendall Magnuson and Matt Leipzig. Welcome again!

Always a special event, George Chaffey conducted the induction of new member Richard (Rich) Pellizzari. With his charming wife, Dianne, looking on, Rich received his pin from Don Hack. His classification is contractor-electrical. Both Rich and his wife are native Californians - right here on the peninsula. And to prove how well things grow hereabouts, they have five children, ages 13-19 to show for it.

Wasn't it great to see Paul Jones taking time again to make our visitors welcome.

NEWS AND NOTES Your president-elect to follow incoming president Sid Berlin is BOB DOOLEY. Now how's that for good news. Dick Dodge has once again accepted the big job - and it is - of treasurer, and just in case you weren't aware, a really grand Rotarian, Dr. Alan Bostwick, is still our secretary. Another fine team. Congratulations to them and the Board for their care in choosing.

Getting closer and closer. Don't forget the District 513 Conference set for April 30, May 1-2 at the Red Lion Motor Inn in Sacramento. DG Rube Kaehler has gone all out to make this a really super session of Rotary in action, so act now. It's worth it.

Did you know that six of your fellows* have become Paul Harris Sustaining Members by matching the Board's offer of \$100 with that or more of their own towards the \$1,000 goal each has committed to reach? On the same trail, but for some time now, are Bob Durkin and Walt Koslosky. They deserve a hand. How about joining them.

NEXT WEEK Not yet confirmed as we go to print, Program Chairman this month, Dr. Bill Koon, says we hope to have as our speaker an attorney well versed in matters of real estate syndication and precious gem investment.

Your finemaster? None less than Dr. Bud Meyer and you know what kind of ingenuity and things will be used to fill the club's coffers.

CHARTERED APRIL 22, 1946
DISTRICT 513

MARCH 31, 1981

PENINSULA COVENANT CHURCH

TODAY According to Program Chairman Dr. Bill Koon you are going to hear from Ms. Nancy Powell, a local attorney, on the subjects of Real Estate Syndication and Precious Gem Investment.

Dr. Bud Meyer is your finemaster so get ready for a little buck passing - from you to the treasury, after first being picked off by Jerry Mertens.

THIS WEEK "Life Style Medicine" was the subject of Dr. Belson Weinstein, M.D. What's that? A bit hard to sum up, but essentially it's a matter of the treatment, therapy or prescription being based on monitoring and analysis of the patient's daily activities, thus the term "Life Style", with particular application to coronary problems.

Under Pres. Bob's usual quiet and effective guidance, we had songs with Sid, a French toast as C.J. Lucot led the pledge and a sharing of some higher thoughts from Wes W.

Once again a welcome to student guests Kendall Magnuson and Matt Leipzig from Woodside High. It was also welcome - home again - to former member John Campbell on the occasion of his re-induction into RC Rotary.

A reminder from Dr. Ron Koster that \$1000 of the auction proceeds has been set aside to provide \$100 matching contributions from the club for those of you ready to give that or more to start your way as Paul Harris Sustaining Members with a \$1000 goal as a P.H. Fellow.

Prexy-elect for 82-83, Bob Dooley cleaned out his desk and had a fine time distributing the debris for dollars for debit by Dodge.

NEWS AND NOTES

Pres-elect Sid's February attendance campaign, now an official matter of record, rocketed RC Rotary from 49th place (out of 53) in club standings at 80.41% and the "Bottom Five" to 3rd place at 97.88% and the "Top Five". Take note that 4 out of 5 meetings is only 80% so watch those make ups.

Still time to make your reservation for the District 513 Conference April 30, May 1-2 at the Red Lion Motor Inn in Sacramento. D.G. Rube Kaehler has a truly fine program in store for you and your Rotary Ann. Why not make a big weekend of it!

NEXT WEEK

April Program Chairman Wes Westerdahl says that our own Joe Carini will be our speaker. He's going to give you a firsthand account of an intriguing hobby and sport, racing and raising racing pigeons.

Your finemaster - none other than club treasurer Dick Dodge who will be out to balance the books. You haven't got a chance.

Officers for 1980-81

Sidney L. Berlin, President Elect
C. Joseph Souza, Past President

Robert Waligore, President

Dr. Alan Bostwick, Secretary

CHARTERED APRIL 22, 1946
DISTRICT 513

APRIL 7, 1981

PENINSULA COVENANT CHURCH

TODAY Joseph L. Carini. Classification: Auto Body Repairs. Has a towing business and also markets a sophisticated line of towing equipment. But for today, Joe is going to talk about a different interest. A hobby - raising and racing 'racing pigeons'. We'll let it drop there, but you'll enjoy it.

Now the part you may not enjoy. Club Treasurer Dick Dodge is your finemaster. To our legal talents: Is this a conflict of interest?

LAST WEEK Attorney Nancy Powell gave a lot of interesting hints on what to look for and what to look out for when dealing with real estate syndication and the same for precious gems. An intentionally guarded approach but not one intended to dissuade the use of these activities as a source of investment opportunity.

Bob Pierce took care of the song (will Dr. J. be back soon?) New member Rich Pellizzari took care of the pledge and George Chaffey's invocation took care of everything else.

Jim Fitzgerald reported on his advance scouting in Rio for the side trip planned for those on Sid's charter to this summer's R.I. convention in Sao Paulo. Seems to me, he even looked younger.

Student guest Matt Leipzig gave a nice thank you on behalf of fellow student Kendall Magnuson and himself. It would be nice if we all lived up to his impressions of Rotary's concern and service - Take note.

From Orv Graves, a worthwhile reminder - make sure you do read THE ROTARIAN. Not only will you enjoy it. There's a lot of real inspiration in those pages.

Dr. Bud Meyer took care of the fining. "This won't hurt", but woosh and it was gone. A new approach. Take the gold and silver and leave a cavity - in your hip pocket.

NEWS NOTES AND NEXT WEEK Pres. Bob says there'll be a Board meeting tomorrow A.M. at Pete's Harbor. Remember you can attend. A good way to see your Rotary in action.

Also tomorrow but in the P.M., there's a Peninsula Rotary Council session being held in San Bruno. Check with Pres. Bob if you're interested.

The District 513 Conference is getting closer. April 30, May 1-2 in Sacramento. You've got the word, just get those reservations in. You won't regret it.

From the R.I. Board of Directors: "...a statement encouraging Rotary Clubs to welcome at all club meetings the wives of visiting Rotarians." The rest is up to you.

Program Chairman Wes Westerdahl says we'll adjourn to the church's main sanctuary to see, hear and hear from the designer of their great organ. From Wes' enthusiastic remarks it sounds like something you shouldn't miss.

Your finemaster: Don Hack. Did you know, he takes the "Spoke" from your editor to the printer most every Tuesday A.M. A real effort and I'll take a fine for that kind of help.

PENINSULA COVENANT CHURCH

TODAY Following today's luncheon, you and those of your Rotarianns who could join with us are going to get a close-in look-see at, and hear from, the great organ in the church's main sanctuary. You'll not only hear from the designer of this superb instrument but also from the talented artist who coaxes all those magnificent chords from all those many pipes.

Today's finemaster, Don Hack, has some notions about (your) paving the way to a more favorable budget balance - likes to keep things in the black.

LAST WEEK Many of you knew that one of Joe Carini's hobbies was raising racing pigeons. Those present last week now know how big a sport it is. 25 pigeon fanciers in R.C. alone, not to speak of 5-600 in the Bay Area and 12,000 in just this golden state. Maybe we could put one of these fleet winged doves in every cockpit and put an end to the problems of air traffic control.

Bob Pierce led the song - well, sort of. Funny. With such a grin, such good looks and such exuberance...why is his arm so tired? Thanks to Cliff Hawkins for the pledge and Ron Bawden for giving direction to our thoughts.

With Bob Baum and Paul Jones jointly sharing credit for doing the proposing, new member Ed Garcia enjoyed the unique experience of formal induction as conducted by George Chaffey. Good thing new Rotariann Evangaline was here to share it. How else might Ed get her to believe? A Metropolitan Life agent, Ed carries the classification of "Insurance - Life". Ed and his wife have two children, a girl 16 and a boy 11. Welcome!

MEETINGS AND NOTES Mark your calendar. Don Helbush has arranged for your blood bank contribution on Monday, May 18. Anytime from 9:30 to 4:00.

C.J. Lucot is looking for temporary job situations for two visiting French students, both sons of Rotarians abroad. Pierre-Alain David, 23, is looking for a position in mktg/sales for about a year starting this September. Bruno Weishaupt, 22, would like to find a spot in construction/engineering for 2-3 mos. starting June 15 this year. Let C.J. know if you can help or offer any suggestions.

Last call for the District Conference in Sacramento. It's Apr. 30, May 1-2 at the Red Lion Motor Inn and D.G. Rube Kaehler says you'll strike gold at this dynamite session. No doubt about it.

NEXT WEEK April Program Chmn. West Westerdahl says that fellow Rotarian and Superintendent of Elementary Education, Ken Hill, is going to talk about a program of "Sisters and Brothers" about which they are most enthusiastic.

Donning the finemaster's robes will be Dr. Sam Ferguson. You'll get credit - for what you give. It's a matter of degrees.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

APRIL 21, 1981

PENINSULA COVENANT CHURCH

TODAY Dr. Kenneth G. Hill, Superintendent of Elementary Education for the R.C. School District (that's right, your fellow Rotarian, Ken) is going to talk about a "Sisters and Brothers" program which has, evidently, captured their enthusiasm.

Your education will no doubt continue to be quite elementary - you'll need only count to three (dollars, that is) - under the direction of finemaster Dr. Sam Ferguson.

ST How nice it was to have all those pretty flowers at lunch - all shades of blooming
WEEK Rotarianns.

Pres. Elect Sid was back home to lead us in song. He turned up the volume, no doubt, but absence still does make the ear grow ever fonder for the restless sound of Dr.G tickling every little key.

Msgr. (Pete) Armstrong did the honors in handling the induction of his proposee, Stamatiios (Sam) V. Dafnis. A native of Greece, Sam came to the U.S. in '72. Along the way he joined Past D.G. Bob Paroli's building maintenance firm and did such a good job that he not only took over management of the firm's business headquartered here in R.C. but also married the boss's lovely daughter, Sandy. That was back in '75 and it's not certain which happened first. A real sports enthusiast, we're told; welcome, Sam.

What a fine program Wes Westerdahl arranged. You missed a lot if you weren't there. Designer-builder Paul Sahlin narrated and staff organist Ty Woodward demonstrated as we all enjoyed a fascinating and explicit history of the great organ - a prime example of which - all 3500 plus pipes - was displayed in full sound in the Church's beautiful sanctuary.

Finemaster Don Hack showed his skills in helping the treasury stay in the black. He'd like everything to be that way - in, or at least under the black.

NEWS We missed the details but according to Pres. Elect Sid, the first shipment of our
AND books for China program departed Hong Kong for the Peoples Republic while he was
NOTES there. In the interest of reducing shipping costs, the next lot will try to find space on "Shuttle II".

Do you need a reminder? Indeed! May 18. That's a Monday and you can enrich the blood bank anytime from 9:30 to 4:00. Don Helbush is doing all he can. Time now for you to give a little. Now don't say you haven't got anything to give.

The District Conference. Is there time? Yup. It's Apr. 30, May 1-2. You can still make it. Did you know that you'll be there (Sacramento) for the opening of the California State Railway Museum. Biggest in the U.S. and quite a show. Still time to make a real holiday of it.

NEXT Rabbi David Teitelbaum will bring you up to date on the status of the "post-fire"
WEEK new Temple Beth Jacob along with some firsthand comments on Israel today.

Your finemaster: ex mayor, port commissioner (oriental traveler), feetsball hero, massage parlor operator (but only in hospitals), and Mr. Nice Guy, Paul Keckley.

PENINSULA COVENANT CHURCH

TODAY Rabbi David Teitelbaum is going to join us and give an update on their progress in rebuilding Temple Beth Jacob. He'll also share some thoughts and views on Israel today.

Cardinals beware. Your finemaster today is from that other school. You can bet that Paul Keckley has lots of programs for unlimbering your grip on your wallet.

LAST WEEK R.C. School District Superintendent Ken Hill introduced Ms. Ann Ladd, Coordinator of "Project Equity", who, in turn, presented the cast of Sisters and Brothers, who then, in turn, presented a very delightful and meaningful "musical", if you will, the purpose of which ... "is to encourage members of the cast and of the audience to accept each human being as a unique sister or brother worthy of respect and dignity". It was a very nice performance.

With little more than fifteen minutes notice, Bob Pierce stepped in as substitute finemaster. Here again, a very nice performance. Really terrific what these young people can do.

And, with Pres. Bob getting ever closer to winding down his tour of service, Prexy elect Sid gave the invocation in recognition of the meaning of the "Passover" season. And to lead the pledge, who else but new member Sam Dafnis.

And speaking of new members, Bob Durkin took care of handling the induction of RC Rotary's newest and youngest member, John C. Schaup. Manager of UCB's RC branch, John carries the classification "Banking-Savings". Still a very eligible bachelor, John maintains a pretty busy schedule as, in addition to all else, he pursues completion of an MBA during those too few and rare evening hours. And just to make your joints creak, proposer Bob Pierce notes that John is Virginia '53 - not class of but born of.

NEWS AND NOTES Thursday, May 7 is the date of the Salvation Army's awards luncheon being held at the Elks' Club. Tickets are \$10. A great occasion for a great purpose.

For those with wings, the Davis club is conducting their annual "fly-in" breakfast on Monday, May 4. Pres. Bob has details.

And on May 25, the American Legion has arranged a breakfast celebration following Memorial Day A.M. ceremonies at Union Cemetery on Woodside Road.

NEXT WEEK Having failed to reach your program chairman for the month or year and pending a schedule of finemasters to be, let's just say that next Tuesday will come. I tried to duck it but couldn't. That's right, another birthday.

ROTARY CLUB OF REDWOOD CITY, CALIFORNIA

REGULAR DIRECTORS MEETING
AT PETE'S HARBOR
MAY 13, 1981

PRESENT:

President Bob Waligore
Secretary Alan Bostwick
Treasurer Dick Dodge

Directors:
Bob Dooley
Bill Stangel
Don Hack

Directors-elect:
Ron Bawden
Bob Rutherford
Wes Westerdahl

Member:
Ron Gianinni

The meeting was called to order at 7:40 a.m. by President Bob Waligore.

CHARITIES COMMITTEE

After hearing recommendations for charitable donations from Ron Gianinni, Charities Committee chairman, the Board voted to transfer \$656 from funds budgeted for International Service to the budget for Charities. The Board then made the following grants:

- \$500 to "Redwood City Cares" for the family of slain police officer George Garrett
- 605 to the Boy Scouts
- 500 to the Police Youth Club
- 500 to the Girl Svouts
- \$1,000 to the Salvation Army
- 36 to Sequoia High School for medals for the top graduating seniors in music and drama

MINUTES

The minutes of the regular directors' meeting of April 8 and the special meeting of April 21 were approved as read.

TREASURER'S REPORT

The Treasurer's Report was accepted as presented.

NEW MEMBER

For the record, it was noted that John C. Schrup, manager of the United California Bank, had been inducted into the club on April 21.

BILL WRIGHT

Because his attendance record fell below the standards required for

membership in Rotary, Bill Wright was terminated. (Bill moved several months ago to the Reno area.)

PROPOSED MEMBER

John Wooley, executive director of the Sequoia YMCA, has been proposed for membership by Norma MacLeod.

NON-PROFIT CORPORATION

It was reported that Federal approval had finally been received for the new Redwood City Rotary Charitable Foundation, to which tax-deductible donations can be made. The Board decided that two signatures should be required for withdrawals from the account and designated the following officers for the bank's signature card: Treasurer Dick Dodge, President (for 1981-82) Sid Berlin, and President-elect (for 1981-82) Bob Dooley.

ROSTER BOOK

Ron Bawden, who is taking over renewal of the roster book, said he is dissatisfied with earlier pictures taken of present members and is arranging with Tom Martin to take new pictures during club meetings. Later, as new men are brought into the club, they will be asked to go to Tom's studio for their roster pictures.

INTERSERVICE CLUB ORGANIZATION

A \$5.00 membership fee in the Interservice Club Association was ordered paid.

BY-LAWS

To clarify the meaning of Art. I, Sec. 1 of the proposed by-laws revision, the Board adopted the following rewording: "...Normally the other eight (8) Directors shall serve for terms of two (2) years; the terms of four (4) of the Directors shall terminate each year, except as provided otherwise in the sentence next following. The term as a Director of the President-Elect shall be in any event for one (1) full year after the completion of his service as President-Elect...."

To Art. I, Sec. 4, the following words were added: "... at the next regular board meeting or any special board meeting called by any board member."

Article V (Fees and Dues) was changed to remove exact figures for admission fees and dues from the by-laws, as follows: Art. V, Sec. 1 was revised to read: "The admission fee shall be established annually by the Board of Directors with the approval of the general membership in the same manner as provided for amendments to the By-Laws." Art. V, Sec. 2 was revised to read: "The membership dues shall be established annually by the Board of Directors with the approval of the general membership in the same manner as provided for amendments to the By-Laws. Dues of a new member shall be prorated for the remaining period at the time of his admission to membership. A member shall be delinquent if dues are unpaid ninety (90) days after receipt of the dues statement, unless prior arrangements have been made with the Treasurer."

The first sentence of Art. X, Sec. 2 was changed to read: "All bills from the general account shall be paid only by checks signed by the Treasurer, President, or President-Elect upon vouchers signed by an officer and one other member."

Section 6 was added to Article X, reading as follows: "All checks against the funds of the Redwood City Rotary Charitable Foundation shall be signed by any two of the following officers: Treasurer, President, and President-Elect, after prior approval of the Board of Directors."

AID TO GARRETT UNBORN CHILD

A proposal initiated by Bud Mayer and containing 39 signatures suggested that Rotary funds be set aside to assist with the education of the unborn child of Officer Garrett, slain during a bank hold-up. Noting that the club had donated \$500 to "Redwood City Cares" for the benefit of the Garrett family, the Board tabled the proposal.

TIME OF 1981-82 BOARD MEETINGS?

Several members of the Board said it would be difficult for them to meet during the late afternoon in 1981-82, a time announced by Sid Berlin. Since the president-elect was absent today, the matter will be brought up again for discussion at the June board meeting.

NEXT BOARD MEETING

The next regular meeting of the Board of Directors will be held Wednesday, June 10, at 7:30 A.M. at Pete's Harbor.

The meeting was adjourned at 8:52 a.m.

Respectfully submitted,

Alan

PENINSULA COVENANT CHURCH

TODAY To many, this is a very special day - "Cinco de Mayo". Program Chairman (this month) Dr. Sam Ferguson says we are going to learn something more about this special day from Ms. Sally Salinas, Director of the Fair Oaks Minority Elders Center.

Jerry Mertens is our Sgt.-at-Arms. Among other things, he corrals our finemasters. Ever think how much time that takes? He could sure use some help. Why not step up and volunteer - lots of future openings.

Today's volunteer is Past Pres. Norm MacLeod. This silver fox is pretty much aware of all the devious ways available to separate you and your greenery. So relax and enjoy - make believe, if you can.

LAST WEEK With Pres. Bob another step closer to fulfilling another good year, Prexy Elect Sid cranked up the chorus to celebrate this beautiful land for which Mike Kreiss led the pledge. And in tribute to "the family" (Msgr.) Pete Armstrong's invocation gave thanks for this fundamental base of the society of man.

Club Sec'y, Dr. Alan Bostwick, collected a few bucks for some new and old badges for some new and old members. Bought a few himself. Why shouldn't Bill Enomoto have one for each suit?

Rabbi Dave Teitelbaum was our speaker last week. It's been a long journey but with obvious satisfaction and relief he noted that the dedication of the rebuilt Temple Beth Jacob is now at last scheduled for July 20. Speaking of a broader concern, Dr. Teitelbaum also recounted some observations and impressions of his visit this past year to Israel.

NEWS AND NOTES For those fortunate ticketed for the R.I. convention in Sao Paulo, a reminder from past D.G. Bob Paroli: there's a California Luncheon Reunion set for Wed., June 3 at 12 noon at the Maksoud Plaza Hotel in S.P. For tickets, give Bob a call.

An apology. We mis-spelled new member John Schrup's name last week. It is Schrup not "Schaup". The latter came from the Club's circulation sheet. To that, Sec'y Dr. B says "but that was weeks ago". And speaking of John, Brad Burget let's it be known that John's "born in '53" is not younger than Brad's arrival in '55.

Don't forget, Thurs. is the Salvation Army awards luncheon at the Elks' Club. And May 18, make a note, is the day to replenish the Blood Bank. At Kaiser Hosp. 9:30-4:00. Try telling Don Helbush why you can't!

NEXT WEEK We know that C.J. Lucot is going to be your finemaster. C'est la guerre.

Not yet known is your speaker but you can count on Dr. Sam having something of interest.

CHARTERED APRIL 22, 1946
DISTRICT 513

MAY 12, 1981

PENINSULA COVENANT CHURCH

- TODAY** Continuing this month's program theme of enhancing cultural awareness, we're going to hear from someone well known to most of you, Gertrude Wilkes of the Mothers for Equal Education and the Nairobi Day School.
- Finemaster C.J. Lucot specializes in property management, first in France and now in California. Today he hopes he can manage to get some of your property into the club's coffers.
- LAST WEEK** Sally Salinas, Director of the Fair Oaks Senior Citizens Development Center, traced the many paths of conquest, dictatorship, war and revolution and finally freedom embodied in the celebration of "Cinco de Mayo". For Sally, a native of New Mexico, this bit of history was no more known to her than many of us and had to be garnered by some quick research on her part. And well done it was.
- Past Prexy Norm MacLeod took good care of the fining and along the way displayed his active auction tongue as the fine free badge found a new home in Lem Summey's pocket.
- Allen Gruman sparked the song, Art Law the pledge and Ron Bawden the invocation.
- Pres. Bob had some blessings too: a \$500 check to "Y" Director John Wooley to help support their summer program and a \$500 check to Ron Bawden for the Salvation Army's summer camp for needy youngsters.
- From Club Secy., Dr. Alan Bostwick came some good news from the District Conference in Sacramento. Two awards to RC Rotary - the only club, he thought, to get two.
- To Ida Chaffey, the District's award for Outstanding Rotariann for her part in all the work that had to be done and was done in settling our refugee family. As Ida graciously acknowledged, she accepted the award in behalf of all who do so much. It couldn't have been without the likes of Dolores Maxwell and Rosemary Waligore and all others who gave so generously in time and effort.
- And for your SPOKE, a very gratifying honor. We took first place in the Club Bulletin competition for our division (clubs with 60 to 100 members, I think it was). It's a nice feeling and good time for your editor to acknowledge the big contribution of his Rotariann, Dora, who, week after week, converts the written word to typed copy.
- NEWS AND NOTES** Also from Alan: Our district's incoming R.I. President, Sam McCaffery, on taking a year leave as Pres. of the Univ. of the Pacific, says his theme for the new year will be "easing world-wide tensions."
- Next year's conference will be at Silverado in the wine country - why not plan a mini vacation around it.
- Don't forget the "retirement dinner for Les Riddell on May 14 at the Elk's Club. Les is leaving RC - 'case you missed the word - to take charge of the Anaheim C of C. Congrats and good luck.
- If my notes are right we'll be honored by a visit next week from Dr. Hiro-o Watanabe. Dr. Watanabe will be here - all the way from Hiratsuka - to attend the wedding of Don Noren's daughter. How nice!
- NEXT WEEK** Michael Cookson of Fairchild Camera and Robert Russell, Pres. of RJOHN Dev. Co., two of the district's 5 man exchange team to Pakistan will share some of their recent experiences in that far away land and distant culture. Don't miss it.
- Dr. Bob Brown, finemaster extraordinaire, will prove he can deliver.

CHARTERED APRIL 22, 1946
DISTRICT 513

MAY 19, 1981

PENINSULA COVENANT CHURCH

TODAY You are going to hear from Michael Cookson and Robert Russell, two of the district's five man exchange team to Pakistan. A good chance to share their recent experiences in that distant land and culture.

Your finemaster, Dr. Bob Brown, knows more about delivery than Vida Blue or United Parcel. And when he slaps your _____, you know he's looking for more than just a cry. Be ready to cough up some nice fresh greens.

PAST WEEK Mrs. Gertrude Wilkes of the Mothers for Equal Education and Nairobi Day School shared some of her infectious happiness and enthusiasm over the accomplishments of "her children" with you. And good reason she does have to be proud!

Sid B. yanked at your vocal chords as Rich P. helped in a search for the flag and Geo. C. reached out for the spirit that nourishes us all.

Merle Fruehling introduced our student guests from Sequoia, Jill Imperiale and Steve Patterson - welcome!

Oh! mais oui, finemaster C.J. Lucot asked some "franc" questions to help satisfy Jerry Mertens' golden retriever.

Jerry, by the way, noted that you'll soon have the chance to once again enrich your garden and the club's coffers with those bargain granules from M & M.

And don't forget Ron Koster's reminder - you can get a big boost on your start on the Paul Harris foundation trail if you make that big move by May 26.

NEWS AND NOTES Like the Oakland 'A's, winning leads to finicky fingers. Thanks to Alan Bostwick for noting that, of course, it's Ina not Ida Chaffey and Stan not Sam McCaffery. Shows we're sure not goof proof.

From incoming Prexy Sid Berlin - take heed of all the new committee assignments. And don't take them lightly. If you can't serve, speak up. Otherwise, get ready to "Rotarize"!

Installation this year is June 23, (a Tuesday) at the Floodlight on So. El Camino Real. Incoming D.G. Bob Rockwell will join in the formalities. Make it a date now. That's right - pull out that calendar and mark it down right now. June 23, got it!

And another big day to remember, June 30. That's also a Tuesday but a very special regular meeting. It's the time for this year's debugging or "roasting" of outgoing President Bob and your time to show up and show your appreciation for all of Bob's efforts and contributions to RC Rotary this past year.

NEXT WEEK According to Program Chm. Dr. Sam Ferguson we will have with us Ms. Jane Weidman, Director of the Women's Re-entry Program at Canada College.

Wes Westerdahl will do the fining. Don't fight it. He has real connections, down-stairs and UP.

Listed below are the Finemasters for three months. This is the only notice you will be given so please post your date where you will remember. It is too difficult to remind each person numerous times and it is felt that each person is responsible enough to meet his Rotary commitment.

Should you find a conflict in dates, please make it your responsibility to exchange or get a substitute. Two reasons for performing are: The fines are necessary to balance our budget and the fine session is part of the fellowship of our weekly meeting. Don't let your fellow Rotarians down!

MAY 26, 1981

PENINSULA COVENANT CHURCH

TODAY We're going to hear from Ms. Jane Weidman, Director of the Women's Re-entry Program at Canada College, something about this important area of need and opportunity.

Wes Westerdahl is your finemaster. He usually picks up your spirits. Today he's going to be picking up something else.

LAST WEEK What a pleasure it was to have as our guests, our honorary member, Dr. Hiro-o Watanabe and his charming wife, all the way from Hiratsuka, Japan. Dr. Watanabe and his wife, here for the wedding of Don Noren's daughter, were presented by Pres. Bob with mementos of our club's friendship and esteem, and, of course, the roses which Bill Enomoto so graciously and generously provides for these and all occasions.

Incoming Prexy Sid led the chorus up, up and even upper. John Schrup led the pledge and Orv Graves gave direction to our thoughts.

Want an enthusiastic endorsement of the R.I. Foundation's Group Study Exchange Program? We got that and more from two of the District's five man exchange team that spent a month in Pakistan this past year. Mike Cookson of Fairchild Camera and Bob Russell of RJOHN Dev. Co., gave a very interesting and - I use the word again - enthusiastic accounting of their experiences in this far off land and culture.

And listening to these fine young men, one gets the feeling that the District has done a very good job in selecting participants for this important and constructive program.

Last week's finemaster, by the way - I almost forgot and really meant to - was Dr. Bob _____. (Darn, but I was sure his name would come to me - something about when the lights go out.)

NEWS AND NOTES Have you marked your calendar? Okay, once again. Tuesday P.M., June 23 is Installation - at the Floodlight Restaurant on El Camino in RC. (Remember the old Algiers?)

And June 30 - that's the day! Right - it's the time for de-bugging Pres. Bob. It's a regular meeting, albeit a very special one. How about a fantastic - like 99% - turn out to show your respect and appreciation for all Bob has given this past year. Think about it, and show up.

NEXT WEEK Dean White will do the fining. You know how well he takes shots with a camera. Now he'll do a little snapping of another sort. Feel exposed? You are.

Program? We're looking for the chairman let alone the speaker. But you know it's usually something good.

CHARTERED APRIL 22, 1946
DISTRICT 513

JUNE 2, 1981

PENINSULA COVENANT CHURCH

TODAY It's June. The month of the coming of summer. The month of spoons and swoons - a time of sentiments. What better then to bring it on - "The Family of Man". You're going to hear Larry Love's Interaction singing group from Kennedy Jr. H.S. A real treat! And to tell you what it's all about, Margaret Marshall, RC School District Board Member, will introduce and explain the Interaction program.

Your finemaster is Dean White and as we said last week, get ready to be exposed. You'll find all the negatives in your wallets. But then, that's a plus for the treasury.

LAST WEEK With Prexy Elect Sid B. manning the podium and the chorus, all enjoyed a presentation of the flag and pledge by a pretty and pretty be-medalled color guard from the Girl Scouts.

George Chaffey gave the invocation and Merle Fruehling introduced our student guests from Sequoia, Jill Imperiale and Steve Patterson.

And on a specially happy note, Ron Giannini, speaking for the club's committee on charitable contributions, presented R.C. Rotary checks of \$500 to the GSA; \$600 to the BSA; \$500 to the Police Youth Club (accepted by our own Don Hack, showing his extra service), and \$1,000 to the Salvation Army - and who better to accept but our own Captain Ron Bawden.

Wes Westerdahl did the fining - picked on all sorts of us helpless folk.

Our speakers last week: two very able members of the staff from Canada College; Jane W. Weidman, Director of the Women's Re-entry program and Cathy Nelson, Director of New Horizons for Displaced Homemakers. Some very interesting and enthusiastic comments about all that they are doing in this area of very great need and opportunity.

NEWS AND NOTES Forget any prior reports. The Installation Dinner set for June 23rd will include the regular annual debunking, this time, of course, of Pres. Bob. It will be at the Floodlight Restaurant on El Camino (the old Algiers) with cocktails at 6 PM and dinner to follow at 7. Joe Souza has all the info and tickets. \$15 a head. See him for reservations.

From Club Sec'y, Dr. B., word of the passing of Embert C. (Nels) Nelson, 51 years an active Rotarian - from '27 to '63 in Stockton and from '63 to '78 here in RC where he left so many good feelings as Sunshine Chairman. A record to be envied and remembered well.

NEXT WEEK Program Chairman, Dr. Bill Jennings says we will hear all about vocational education in S.M. County. An excellent presentation, according to Bill. You'll be hearing from Emily Glines, Program Mgr. of Career Preparation Programs for the County and Lee Baxter, in the same capacity for Regular Occupational Programs.

Your finemaster next week: CPA Jim Newell - that's costs plus assessments. Be ready with the green stuff.

Officers for 1980-81

Sidney L. Berlin, President Elect
C. Joseph Souza, Past President

Robert Waligore, President

Dr. Alan Bostwick, Secretary
Richard A. Dodge, Treasurer

PENINSULA COVENANT CHURCH

TODAY Vocational education in S.M. County is today's subject according to Program Chairman Dr. Bill Jennings. You'll be hearing from Emily Glines, Program Mgr. of Career Preparation Programs for the County and Lee Baxter, Program Mgr. for Regular Occupational Programs.

Finemaster Jim Newell is Chairman of this year's Auditing Committee. What better time than now to build a reserve to cover all those errors and omissions and a bit of deficit spending.

LAST WEEK If you missed it, you missed something really good. Told you it would be and it was! Larry Love's Interaction singing group from Kennedy Jr. High was something to hear. Really something! The words, the music, the meaning of it all. And what superlatives are there to define what the artistry of Larry Love has done with these fine young voices - and people. School Board member Margaret Marshall explained the program - a voluntary effort to help prepare students of diverse ethnic, racial and economic backgrounds for the common grounds they'll have to find as they funnel into their high school years to come.

With Pres. Bob and Pres. Elect Sid off to the R.I. Convention in Brazil, Past Prexy Joe Souza came out of retirement to not only man the podium but do the fining as well - filling in for Dean White on that account. I think he really enjoys it. He's naturally nasty - and to make you pay for it as well - how lucky can you get. Club Treas. Dick Dodge knows how lucky it is.

Speaking of luck - all kinds, you know - Pierce led the chorus in two waltzes - America and Smile. Um pa pa! Thanks to Walt Koslosky for leading the pledge and Msgr. Pete Armstrong for lifting our spirits.

Student guests from Sequoia, Jill Imperiale and Steve Patterson were introduced once again by Merle Fruehling. Remember to thank him. It takes more than a few minutes to plan and arrange these nice visits.

Ron Koster gave a current update on all the fine progress being made in getting more and more members off and on their way to P.H. fellowships and the meaning of it all - more helping hands in the form of dollars for the Rotary Foundation's important programs.

NEWS AND NOTES Inadvertently omitted from the published list of the new year's committee line ups: Jim Newell for "Auditing" (noted above); Lou Rolla for "Sunshine" - and that's a lot of (fine) work, and Orv Graves doing all he is already for "Banners".

Sat., June 27 is the District Assembly, held once again at the Indian Valley Colleges in Novato. Have to be there for registration at 7:30 A.M. but you'll be able to head home by 2:30 P.M. For all new officers, directors, committee chm - even new members - a great opportunity. See Club Sec'y Dr. Alan B. for reservations.

Help! Bill Jennings needs a Program Chm. for July. Here's your chance to fill in with a splash. Give him a call.

NEXT WEEK Finemaster Jim Fitzgerald will try to recall some of that wealth of banking experience to get at some of yours (wealth). And you can rest assured there's a program for next week. "Its" been arranged. All we need is the word on "It's".

JUNE 16, 1981

PENINSULA COVENANT CHURCH

- TODAY** Big Brothers and Big Sisters. You've heard of it. Lots - but maybe not enuff. They do so much, and Bonnie Silverman is going to join us today to add a bit more reality to that which you have already heard. A record 82 matches is what Bonnie has contributed. You can't just expect it - but then, with a degree from UCLA and a Master's from U.C., it is something you could at least hope for when you want to hope for the most.
- Jim Fitzgerald is your finemaster. He took it on short notice. I s'pect you'll all come up short too.
- LAST WEEK** Ms. Emily Glines, Program Mgr. of Career Preparation Programs for S.M. County presented a slide show along with a discussion of some of the many varied and interesting paths ready to be followed among the County's career training programs.
- Past President Joe Souza once again filled in for Pres. Bob who, along with Prexy elect Sid and others, has been attending the R.I. Convention in Brazil.
- Bob Pierce led the chorus, Bob Brown the pledge and Phil Schneider gave the invocation.
- Finemaster Jim Newell raised some bucks and eyebrows with some dizzy eating and drinking stats. Jim also arranged for the re-election of Messrs. Berlin, Souza and himself as officers of the RC Rotary Charitable Foundation - an organization set up to help make your Rotary gifts and contributions tax deductible.
- NEWS AND TIPS** Once again, a reminder - the District Assembly will be held at the Indian Valley Colleges in Novato on Saturday, June 27. You can make your reservations with Alan Bostwick. The club will pay your fee but transportation is up to you. No doubt there will be carpooling. Be prepared to leave early. Registration is at 7:30 A.M. but then you'll be home early too as the session ends by 2:30 P.M.
- Be sure to get your reservations in for next Tuesdays Installation Dinner. That's the 23rd and there will be no regular meeting that day. It will be at the Floodlight Restaurant on El Camino (remember the old Algiers) with cocktails starting at 6 and dinner at 7. The tariff is \$15 per head and we're told it will be a fine feast.
- For those wondering about Dr. Jim Greenwell's whereabouts - and how we miss him - Jim is unfortunately laid up and on his back with a recurrence of his long time back problem. Sure hope we'll see you soon, Jim.
- NEXT WEEK** Doesn't sound right to say there won't be one but that's the way it is for the regular meeting.
- See you all at the Installation and debunking.

PENINSULA COVENANT CHURCH

More to print than space allows. It may read like shorthand. Sorry.

TODAY Brazil '81. Bob and Sid with words and slides on the R.I. Convention in Sao Paulo. Also some words from the "Y" and try to meet and congratulate our scholarship recipients.

Bill Conklin's your finemaster. Full of new inspiration from the R.I. Convention so brace yourself.

LAST WEEK(S) Two to cover. Thanks to Bonnie Silverman for her update on Big Brothers and Sisters on the 16th.

Big show, of course, was the Installation Dinner and Debunking on the 23rd at the Floodlite. What a grand occasion.

With past-past prexy Joe Sousa mastering the ceremonies and a galaxy of guests: Bob and Jeane Rockwell (incoming D.G.); Bob and Martha Paroli (past D.G.); Don and Christine Dent (new district rep); John and Chris Head (Menlo's outgoing Prexy); George and Grace Williams (Belmont Club) and more.

Lem Summey was finemaster. What more to say.

Much more. A plaque for now Past Pres. Bob with Sousa doing the pinning, plus a gift (telephoto lens) and flowers for Grace - how she's lived up to her name.

Debunking. Indeed! When Bud Meyer does the script you know that even Shakespeare would be jealous. A whale of a time. Bud had some henchmen though: Conklin, Bawden, Durkin, Edson, Gruman and Westerdahl with some echoes from over the Hill and a prop Burgler.

Installation. A gavel without a handle for new Prexy Sid. Now that's telling it like it is. He noted some objectives for R.C. Rotary but the biggest objective was for himself - a very lovely Rotariann to be. Linda McMillan, a Mrs. B. to be. And roses were in order.

And it was good but forgive us for those we may have missed.

MOVING ALONG Your comments on the proposed new BY-LAWS are due today - in writing, to Club Sec'y Alan Bostwick. Speak up.

There's a Club Assembly on July 21. You are Rotary. If you don't take the time, who will? You are what it's all about. If you can't get serious about it - should you be here?

Attendance: It was 73% for May. That's not Rotary. With so many make up opportunities, how do you explain that your problems are different from the more than 4,000 Rotarians in Dist. 513.

Coming up: July 4th. Hang out the flags. And take note of the many celebrations and recognitions of our Viet Nam vets taking place over the 4th and 5th.

Your July Rotarian has lots of good words of and by your new R.I. President - 513's own Stan McCaffrey. Read it. Enjoy it. You will.

NEXT WEEK You're going to see and hear all about investments in quality diamonds in a presentation by three gentlemen from the Pacific Diamond Exchange. Bob Rutherford will be your finemaster - ready to search for all those riches just below the surface.

ATTENDANCE SWEEPSTAKES 1980-81

Rotary Club of Redwood City

This report has several purposes: (1) to let you know what our records show your attendance to have been in 1980-81 (does it need correcting?); (2) to let you know what kinds of attendance records others in the club maintain; (3) to inspire you to make regular attendance or makeups a weekly habit.

(Have we erred in your attendance accounting? If so, just let us know which meeting(s) you attended or made up. Write it on a slip of paper and hand it to Secretary Alan; he will see that you get credit. A Rotarian's word is good.)

(For the Future: We will try to be accurate, but it's a difficult job. Be sure you check the attendance sheet. If you are absent, be sure your makeup card gets to Alan.)

THE SUPER ATTENDERS!

- 108% Dick Chilingarian (attended 57 meetings in 53 weeks!)
- 104% Norm MacLeod (attended 55 meetings in 53 weeks!)
- 102% Alan Bostwick (attended 54 meetings in 53 weeks!)
- 102% Bob Dooley (attended 54 meetings in 53 weeks!)

100%ERS ALL!

ELDER STATESMEN -- EXCUSED!

These fellows can be considered 100%ers, for they have met their R. I. attendance requirement; excused! All are Senior Active members over 65 years of age who, at their request, have gone on the excused list. But look around: even though they are not obligated to attend at all, many are here-- regularly.

OTHERS WHO ACHIEVED THE 90% IDEAL IN 1980-81

Another 26 fellows attended (or made up) at least 90% of the time, i. e., they averaged only one "miss" in 10 meetings-- in two-and-one-half months! (See next page for names.)

AND NOW THOSE WHO DIDN'T ACHIEVE THE IDEAL OF 90 %

Are you in this category? Your name will not be revealed to the general membership, for it is not our desire to embarrass anyone-- but The Shadow knows! Seriously, why don't you join the crowd -- strive for the "90% Ideal" in 1981-82? Make attendance or makeup a habit!

THOUGHT FOR TODAY

"Rotary stresses regular attendance because it is a 'participating' organization. Men just don't have their names on the membership list of a Rotary Club. If a man is selected for Rotary, he is representing his vocation in the club and is expected to take an active part.... most Rotarians plan to attend every week. If they cannot attend their own club... 'makeup' visits to other clubs often providesome unusually interesting experiences in friendship and opportunities for service...."
