## ROTARY CLUB of REDWOOD CITY CALIFORNIA

JULY 5, 1983

PENINSULA COVENANT CHURCH

TODAY We mark the start of a new Rotary year - another year of great promise and opportunity. With your help, and the blessing of a continuing standard of such fine leadership, R.C. Rotary can and will indeed achieve and even surpass the aspirations of our new Prexy Msgr. Peter G. Armstrong.

We understand that for our program today we'll be having a Club Assembly. A fine chance for all to hear from our new President a bit more about where he's going to try to take us this coming year. And you can be sure that for Msgr. Pete it's nothing new to be looking up.

If schedules hold, Roy Frank will be your finemaster this noon - probably has a few sparklers left over.

LAST WEEK One and all joined in celebrating the coming independence of new Past Prexy Bob Dooley and the added new mission of new Pres. Pete.

An overflow crowd at the Installation and Debunking dinner at the Floodlite Restaurant truly recorded the tribute and celebration awarded the departing and arriving flights. Perhaps we should say incoming flock.

Lem Summey once again did the honors as M.C. and after the pledge led by Amador and invocation by that standard of service above self, Ron Bawden, Past Prexy Joe Souza took over as finemaster. A fine job but not for those who weren't lucky.

Like Dooley - who kept smiling - must have been a buck a tooth and for Bob that really adds up. But in the net, a good show from a good Joe.

Before we forget. Bergler organized it all. Yes, Bergler was here. Thanks Bill - and especially to the debunking committee - a pack of premier performing past prexys: Berlin, Bergler, Durkin, Edson, Pierce - Oscar nominees all - what for? Yes, we wondered too.

So Dooley was debunked and Armstrong ordunced - or can you be ordained with that kind of pointed hat?

Foundation Chm. Bill Conklin had to be away but his spirit was here as all could share in the wonderful vibes of Paul Harris Fellowships being awarded on this special occasion.

With their Rotarianns at their side here they are: Ron Bawden (Marilyn) from the Club; Bob Brown (Jean) completed by Jean; Bob Dooley (Deanna) from Deanna; Bob Durkin (Glenny) completed by Glenny; Orv Graves (Ada); Ron Koster (Donna); Jerry Mertens (Karen) from the Club; Frank Parcell (Maxine) from Maxine.

Isn't that marvelous!

On hand to assist in these awards and to perform the formal installations - our thanks to Past D.G.'s Bob Paroli and Al Quilici. And great Rotarians they are!

And from Bob and Pete came inspirational words on a year past and one to come. A good time for rejoicing, gratitude, renewal and re-dedication.

A theme from Pres. Msgr. Pete: a spirit of family and living the four way test.

NEXT WEEK Merle Fruehling is Program Chm. for July but at this writing he's out of state so he'll have to tell you firsthand about next Tuesday's program. Bob Durkin is on tap as finemaster - with gold and silver he'll bridge the gap from your wallet to the Club's coffers.

### GUIDELINES FOR FINE MASTERS

THE FINING SECESSION HAS TWO PURPOSES. THE FIRST IS TO RAISE MONEY. THE SECOND AND MOST IMPORTANT IS TO GENERATE FELLOWSHIP AND LAUGHTER. THE FINES SHOULD BE USED TO RECOGNIZE AN INDIVIDUAL FOR SOME ACT OR ACCOMPLISHMENT.

THE BASICS ARE AS FOLLOWS:

1. YOU WILL HAVE FIVE TO TEN MINUTES TO RAISE APPROXIMATELY \$70.00.
2. THE MINIMUM FINE IS \$5.00.
3. EACH MEMBER HAS AN ANNUAL FINE LIMIT OF \$50.00. YOU WILL BE PROVIDED WITH A LIST SHOWING EVERYONE'S CURRENT FINES PAID. PLEASE USE THIS LIST AS A GUIDE TO KEEP EVERYONE EQUAL.
4. GROUP FINES ARE DIFFICULT TO KEEP TRACK OF. IF YOU PLAN A GROUP FINE PLEASE MAKE ARRANGEMENTS TO PROVIDE A LIST OF THOSE FINED.
5. FINES GREATER THAN \$5.00 ARE ALLOWED IF ARRANGEMENTS ARE MADE IN ADVANCE WITH THE INDIVIDUAL TO BE FINED.

THE FOLLOWING IS A LIST OF FINEMASTERS FOR ROTARY YEAR 83-84. IF YOU ARE UNABLE TO PERFORM THE DUTIES OF FINEMASTER ON THE DATE INDICATED, IT IS YOUR RESPONSIBILITY TO SWITCH WITH SOMEONE ELSE OR FIND A REPLACEMENT. PLEASE NOTIFY DON HACK, PHONE 366-8760, OF ANY CHANGES YOU MAKE. THANK YOU

REDWOOD CITY, CALIFORNIA

July 12, 1983

Fellow Rotarian:

Annual dues for fiscal year beginning July 1, 1983 are now payable. We would appreciate full payment by August 5, 1983 to enable our club to meet heavy July and August expenses without using our capital reserves. Dues for fiscal year July 1, 1983 through June 30, 1984 are as follows:

\$100.00	Dues
<u>10.00</u>	Scholarship (voluntary)
\$110.00	Total

It is anticipated that as much as \$35 of the dues may be allocated to the Rotary Foundation to be used for charitable purposes.

Make checks payable to Redwood City Rotary Club

Thank you,

Steven E. San Filippo  
Treasurer

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

JULY 12, 1983

PENINSULA COVENANT CHURCH

**TODAY** Just back from a bit of vacationing in Iowa, Program Chm. Merle Fruehling brings the good word that our speaker will be distinguished educator Dr. J. Myron Atkin, Dean of the School of Education at Stanford. Dr. Atkin will share with you some of the findings coming out of Stanford's study of (secondary) schools.

Bob Durkin shows up on Don Hack's printout as your finemaster for the day. If there's a cavity in the treasury it won't be for long.

**LAST WEEK** New song leader, Charlie Bulanti teamed with our perennially youthful maestro, Dr. Jim Greenwell to give a star spangled welcome to Pres. Pete to celebrate his first official turn at the podium.

And, as befits the occasion, the pledge was served up by none less than hizzoner, Mayor Bill Stangel. And just to put Pres. Pete at ease, Leo Fabricius took care of the invocation.

Our program was the new year's first club assembly with lots of ground covered by Pres. Pete, but since space doesn't permit full coverage of all discussed in that important area, here are a few points of general interest culled out for mention at this time.

- from Club Treas. Steve, preliminary results of the fireworks sale arranged by Jerry Mertens show gross sales in the 4.5K range with a net to the club of 1.8 to 2.0K - maybe more. And with an awkward site, what a terrific first go at it. Thanks Jerry and all you great folks who helped out.
- Board Meetings are now tentatively set for noon on the 2nd or 3rd Thursday of each month at the St. Pius Rectory. New Club Sec'y Bob Rutherford will give you the final word.
- The D.G.'s visit was scheduled for Sept. 13 - that's the day of the annual canoe trip. Efforts are in work to see if the Governor's visit can possibly be changed to avoid this conflict.
- The District's membership goal for R.C. Rotary is a net addition of 6 - with normal attrition that will mean a gross of +16. You can do it - and more if you get going now. Note that you - not the other guy, but you!
- Program Chairman Roy Frank has high goals in mind for '83-'84. No better way to build attendance, attract new members and visitors and help the club's PR. If you've got some ideas or contacts, speak up sonny. Now is the time.
- Speaking of attendance, RC was 7th in the district last year. You made an effort - it's paying off. And you're the real winner.
- Ambitious goals being set for this year's auction. Lou Coffaro says we're pointing for a date of May 5, 1984. Lou can lead the charge but he'll go nowhere without all the troop behind him. Start thinking.

**NEXT WEEK** Merle had a cancellation - waiting word on a new who. Meantime, be sure to read all about your new R.I. President Bill Skelton (Dr. William E., dean emeritus, VPI) and his philosophies and objectives. It's all in the July Rotarian.

**N.B.** For weeks we've tried to include the following - maybe this time space will allow. A little late but still very much in order of your attention. Mike Kreiss, doing fine, is home from a hospital visit. Why not drop him a card - or better, give him a call and maybe drop by.

CHARTERED APRIL 22, 1946

JULY 26, 1983

PENINSULA COVENANT CHURCH

**TODAY** Marilyn Raby, Coordinator of Special Projects for the Sequoia Union H.S. District will speak to you on the subject of Peninsula Academies.

Hank Deeken has the finemaster duty - too late now to think about protection.

**LAST WEEK** Pres. Elect Allen took a turn at the podium for the first time - pretty smooth, we'd have to say.

Pretty smooth too, was songmaster Charlie Bulanti teaming up with Dr. G. to lead the chorus. Thanks to Alan Bostwick and Bob Pierce for the pledge and invocation, respectively.

Among the visitors, Kaname Kitsuda of the Hiratsuka club. In making the introduction, Paul Keckley noted that it was Mr. Kitsuda who helped found the student exchange program our two clubs have enjoyed for so many years now.

Jake Jacobowsky did a sporting good job as finemaster and for the record, Roy Frank won the bidding for the fine free badge.

New members John Novak and Ed Caillouette gave ice breakers to take care of the program, the latter with flip charts and slides to boot. And as so often has been the case, they made it a most interesting program indeed.

John traced his path to the U.S. from Czechoslovakia via Germany and Australia. It was in Sidney that he mastered the violin, playing with their symphony and later with the Oakland and S.F. symphonies and ballet with a casino or two thrown in - all that before deciding to play for himself when he founded his first Gypsy Cellar restaurant 6 yrs. ago.

Ed C. (the name is French-Canadian) got interested in construction and Marilyn while studying Poli Sci at the Univ. of Arkansas. Did well with both and as you know, this ex razorback now heads up the regional operations of Daniel Construction Co., a subsidiary of Fluor Corp whose Metals and Mining Div. is headquartered here in R.C.

As an added attraction Prexy elect Allen arranged for some interesting personal, business and other update from members Royer, Giannini, Pierce, Stangel, Brown, Berlin, Young and Hack. A potpurri from programs to politics.

**NEWS AND NOTES** That canoe trip - you bet! Sept. 13. Go up Mon. P.M., come back Tues. P.M. - if you're able.

Details yet to come, but from Auction Chm. Lou Coffaro word that if you arrange for an energy audit by P.G. & E. whatever credits accrue can be passed along to the R.C. Rotary Foundation. George Huxhold will explain.

Same (yet to come) concerning reservations for up to 50 persons being arranged by past prexy Sid for the Rotary Convention next year in Birmingham, England, including time in Scotland and the Emerald Isle as well.

Committee reports - get them in to Pres. Pete. Not that long till the new D.G. visit Sept. 20. And your dues to Treas. Steve no later than Aug. 5.

**NEXT WEEK** Dr. Brown is program chm. for August. Well, that's a start anyway. Cliff Hawkins is listed to be your finemaster. Look out for his racquet.

N.B. Send your M.U. cards to Sec'y Rutherford till Aug. 9 - then back to Dr. Bostwick.

CHARTERED APRIL 22, 1946

AUGUST 2, 1983

PENINSULA COVENANT CHURCH

**TODAY** August Prog. Chm. Dr. Bob Brown will most likely introduce your speaker, Dr. Roy Deffebach, Head of the Sequoia (Hosp) Dept. of Radiation Encology. Dr. Deffebach will offer some commentary on changes coming down the road that may affect the medical and economic treatment afforded you, the patient.

Your finemaster is Cliff Hawkins - get ready for some A+ treatment.

**LAST WEEK** Merle Fruehling introduced Sequoia Union H.S. District Spec. Projects Coordinator, Marilyn Raby, who described the Peninsula Academies, a new (Sept. '81) and highly successful program whereby local industry has become a valuable and contributing partner with the district in working with disaffected and underperforming H.S. youth.

The results: many - including motivation, job training and academic achievement, both benefiting the young people and providing a needed source of a level of labor and skill that might not otherwise be available to local industry.

Pres. Pete was back at the helm with fortissimo Bulanti and Maestro Greenwell taking care of the chorale and Bill Enomoto and Max Gerfen leading the pledge and invocation.

Hank Deeken did the fining - nothing bashful there.

**CHAT AND CHAT** R.I. Directories are available from Club Sec'y Rutherford - \$6 if you please.

Pres. Pete says there'll be no tip canoes available on the Sept. 13 trip for the timid non tippers or walking wounded.

Also from Pres. Pete: Board Mtgs will be on the 3rd instead of 2nd Thurs of each month at noon at the Rectory at St. Pius. You're welcome but better make reservations ahead of time with Pete or Sec'y Bob.

If Treas. Steve can corral 9 other RC Rotarians able to recognize and swing a bat there may be a soft ball contest at and with the Foster City Club on Aug. 20. Call him if you've heard of the game.

Congratulations are in order for Bob Durkin who was recently awarded a Master's from the Academy of General Dentistry that only 1 of 100 so awarded in their history. Bob has been a Fellow since '75.

From Sec'y Bob, word of two resignations as of 6/30 - Gary Malone (to East Fresno) and Tony Goodsite - just too much for him to keep getting up here from Mt. View.

Those Committee Reports needed by your new Prexy for the District Governor's visit coming up Sept. 20 - no time for more reminders. And the same goes for those dues checks which are just about over due by now. Treas. Steve is waiting.

**NEXT WEEK AND MORE** Dave Schutz will share with you some thoughts and observations on "A Moment at the Great Wall". You'll enjoy Dave's comments on his recent visit to China.

You may not, however, enjoy finemaster Dick Dodge's visitation. This ex-treas. has a one track mind when it comes to the club's coffers.

Make a note that on the 23rd of Aug. Sid Berlin has arranged for former Hollywood P.R. great, Hubert Voight, now of the Menlo Club, to be interviewed at our meeting by one of Channel 36's reporters. Should be a fine show.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

AUGUST 16, 1983

PENINSULA COVENANT CHURCH

**TODAY** Dr. Herman Pepper will take you on an illustrated trip to the Antartica - a far cry from the summer we've been enjoying.

Ken Hill is your finemaster and you can be sure he's had some pretty good practice scrounging up those greenbacks of late.

**LAST WEEK** Many thanks to Bud Meyer for doing such a fine job in putting out last week's SPOKE for your roving editor.

Was a long time coming but Prexy-elect Allen Gruman finally solved the problems of our poor accoustics (microphonic) - a welcome improvement.

Subbing for Pres. Pete, Allen had quite a bunch of visitors and guests to introduce, all of whom no doubt enjoyed the songfest led by Charlie Bulanti with that big assist from Dr. Greenwell at the keyboard. And thanks to Lou Rolla for the pledge and Geo. Chaffey for the invocation.

George also pinch hit as finemaster but by then the prayers were too late and too little - not so, though as to the good news offered by Bud Meyer that Ida was doing just fine - but even the happy look that brought to George didn't daunt or dampen his dipping into pockets right and left.

Our speaker was our own Dave Schutz giving a perceptive and scholarly report on his recent visit to China. Sounded as though he really covered a lot of ground but one thing is for sure - it takes this type of firsthand look and insight to convey what life in this huge chunk of mother earth is all about and without that comprehension there's just no way one can conceive of the politics and realities of their society.

**NEWS AND NOTES** Be reminded of the new mid-Peninsula Rotary Club which meets on Tues. evenings at 6:30 P.M. in the Mills Hospital Skyroom.

Bob Pierce says that formal sign ups for the upcoming canoe trip on September 13 will take place around the first wk of Sept. Sounds like there'll be as many as a dozen or more going. Should be a unique and fun experience as always.

Be sure to check your listing on the back of the SPOKE. Changes should be given to Club Sec'y Rutherford. Some recent changes, by the way: resignations from Goodsite, Malone and Blackmon and a transfer, if you will, for Jonathan Willis who joined the forementioned mid Peninsula Club this past month.

We're 83 members now with 5 new in process towards an '83-'84 goal of 93. Get busy.

**NEXT WEEK** Past Prexy Sid has taken care of the program for the 23rd according to August Prog. Chm. Dr. Bob Brown.

Should be quite a show with KICU TV (Channel 36) P.R. Director, Martha Tonsing, interviewing Hollywood P.R. Legend, Hubert Voight who'll have lots to say about a quarter century of intimate association with the greats of Hollywood from the days of silent films to the late forties.

Dick Dodge will come on stage as finemaster - too late to duck this one.

**Dr. Allen J. Gruman**  
President Elect

**Robert E. Dooley**  
Past President

— Officers for 1983-84 —

**Msgr. Peter G. Armstrong**  
President

**Robert E. Rutherford**  
Secretary

# ROTARY SPOKE

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

AUGUST 30, 1983

PENINSULA COVENANT CHURCH

**TODAY** Tom Jenkins is our speaker today - a treat for all, but especially for our new Rotarians who may, for the first time, be hearing from this respected jurist and public servant who is not only addressed as "His Honor" in his Judges' robes but has also enjoyed the same addressing during his service as a Mayor of one of our local cities - San Carlos.

Don't fret that finemaster Bill Bergler won't keep you looking up - even when your case is closed.

**LAST WEEK** Pres. Pete was back. You know, of course, that we were joined by all those talented and charming Soroptomists. Pete knew, wouldn't you guess. A fine time for some fine music with Charlie Bulanti and Dr. Greenwell leading the mixed chorus.

Soroptomist Pres. Rickie Guignan led the pledge, thank you and Bill Bergler the invocation.

After introducing all our usual visitors, Pres. Pete had each of our charming guests introduce themselves. A fine and distinguished batch of talent, if ever.

Finemaster Dick Dodge gave due recognition to the stars of the San Filippo Redwood Giants who clawed their way to first place in the Rotary softball tourney, climbing over the likes of Burlingame, Foster City and San Mateo.

As to last weeks program - my what you missed if you did. With a fine turnout, Past Prexy Sid introduced Channel 36's attractive and able Martha Tonsing who's had an impressive career of her own in PR and as a TV personality.

Martha, in turn, introduced and interviewed Menlo Rotary's Hubert Voight, a living legend and last of Hollywood's publicity directors from the silent screen of the mid twenties to the golden years of the mid forties.

It was a sparkling session of lively memories from the yet very lively mind and wit of Hubert Voight.

An added feature to the days program - Phil Schneider introduced his son, George, one of this years three RC Rotary young people and first to return from their stay in Hiratsuka. A fine and interesting talk from George and some of what it was all about.

**NEWS AND NOTES** Last call - time to get your check for \$30. to Bill Bergler to nail down your reservation on the September 13 Russian River Canoe trip.

Keep in mind there'll be more news upcoming on the BBQ and golf outing being planned for Sept. 27 at the Elk's Club. Walt K. is handling.

And keep in mind too the pending visit of D.G. Clif McGarr on Sept. 20. Be certain to help make this a top turnout.

**NEXT WEEK** Dr. Paul Young is September program chm. On Sept 6 we'll start off with Travis Jackson, attorney and San Carlos Rotarian on the subject: "Living Trusts, an Alternative to Probate."

His Honor, Mayor Bill Stangel will be your finemaster. Might as well give up gracefully - he's got a firm grip on that gavel.

CHARTERED APRIL 22, 1946

SEPTEMBER 6, 1983

PENINSULA COVENANT CHURCH

**TODAY** This month's Program Chm. is Dr. Paul Young who tells us that today we'll be hearing from San Carlos Rotarian, attorney Travis Jackson whose subject will be: "Living Trusts, an Alternative to Probate."

Bill Stangel will be your finemaster and you can expect some real gems from Hizzonor, the Mayor.

**LAST WEEK** Pres. Pete (remember, you're likely to get fined if you address him as Msgr. - maybe he'll let you get by if you just leave out the "s") turned to musicians extraordinaire, Stan Easter and Jim Greenwell, to rouse the chorus and Messrs. Durkin and Young for the pledge and invocation, respectively.

Finemaster Bergler was here - running that lateral into the ground again and filling the coffers (not a mis-spelling) from the pockets of just about anyone and everyone.

Cliff Hawkins introduced son Scott who gave a fine accounting of his visit to Hiratsuka this past month. Apart from all the excesses of generosity extended by his Japanese hosts, Scott emphasized the exposure our young people received to the traditional Japan in terms of places, food, and especially, home.

August Prog. Chm. Dr. Bob Brown introduced Judge Tom Jenkins - hardly a newcomer to our podium - and made due note of some of the incredible listings of public and professional service performed by this outstanding citizen and jurist.

And it's not just that he's a fine speaker, but always - always has some really thought provoking remarks to make. This time - the criminal justice system and much else involving and over involving the judiciary these days.

**NEWS AND NOTES** Can't remind you too much about D.G. Clif McGarr's coming visit on the 20th. See that you're here, not just for the club but for your own pleasure and enlightenment. You won't want to miss this outstanding Rotarian.

Pres. Pete notes that the BBQ et al has been postponed from the end of this month to next spring - probably around May - to allow more time to make it the kind of event all would like it to be.

Bergler says there'll be ten or more taking advantage of next week's (the 13th) Russian River trip. Now that's an event - tippy canoe and old whatever's in the bottle too.

Did you hear the fantastic trip package Past Prexy Sid has arranged for next year's R.I. Convention in Birmingham, England (6/3 to 6/6) and from then till the 15th in London, Scotland and the Emerald Isle. He's got all the details but we'll give you bits and pieces as time goes by. But the price - oh my, - it's like wholesale!

Did you read and digest that marvelous attendance recap for the year put out by Past Club Sec'y Dr. Bostwick. Take heed and do whatever it's up to you to do.

**NEXT WEEK** Icebreakers - those marvelous and personal introductions and insights into some of your new fellow Rotarians.

The computer says that Mertens will be your finemaster - maybe not - we thought he was to be in one of those canoes?

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

SEPTEMBER 13, 1983

PENINSULA COVENANT CHURCH

**TODAY** Pres. Pete is among the ten or so of the club's members who right now are floating down the Russian River - in or out of their canoes - on this annual trip arranged through the Guerneville Rotary Club.

So, what better a time than this to make up a program of ice breakers. They're always interesting, usually lots of fun - and for sure, the best way to get to know your new fellow R.C. Rotarians. Sit back and enjoy.

By short wave from Sgt-at-Arms Don Hack who is also floating (in a manner of speaking) in one of those canoes (and probably covered with foam) comes word that your finemaster today will be Dr. Bob Brown. Now don't you wish you too were in a canoe!

**LAST WEEL** Pres. Pete called on Stan Easter to keep the chorus on key without the benefit of those ivory notes from Dr. G. And for the pledge he pointed to Geo. Huxhold and for the invocation - Roy Frank. Thanks to all.

Sept. Prog. Chm Paul Young introduced SC Rotarian and the day's speaker, attorney Travis Jackson who spoke on the subject of "Living Trusts - an Alternative to Probate". An interesting subject for sure and one you might well want to refer to your own attorney to see if and how it might fit your needs.

Always a happy event - the induction of a new RC Rotarian. This time it was proposer Stan Easter introducing our newest member, Dwight Robert (Bob) Stiff and his charming and by now familiar to all Rotariann, Woodside Mayor Joan Stiff. Bob, as you probably know, is the new Executive Dean (the District's new title for President) of Canada College and a long term member of both that school's faculty and the District's administrative staff.

A native of Detroit, Bob received his academic degrees from the Univ. of Redlands and S.F. State Univ. Joan and Bob have four children ages 17 thru 26 and a couple of grandchildren to boot. Welcome!

Finemaster Bill Stangel showed one of the skills no doubt considered in his being chosen Mayor of our fair city as he collected and collected and collected. Club Treas. San Filippo's cup runneth over!

**NEWS AND NOTES** Pres. Pete reminds all of the club's officers and committee chairmen to be presnt and prepared to meet with and enjoy the advice and comments of Dist. Gov. Clif McGarr next Tues. A.M. prior to the regular noon meeting at which D.G. Clif will be our honored guest and speaker.

A good time to also remind all that this is Youth Activities Month. We can't make a very lasting impression as Rotarians if we don't succeed in making some very real impression on the generations to follow. Think about and do something.

Remember R.I. Pres. Bill Skelton's theme for this year - "Share Rotary - Serve People". Our youth is one area where you can really share and serve.

**NEXT WEEK** D.G. Clif McGarr - need we say more except to ask for a 100% turnout for this wonderful guy.

Jerry Mertens will be your finemaster and knowing his standards of Rotary giving - well, why not.

CHARTERED APRIL 22, 1946  
DISTRICT 513

SEPTEMBER 20, 1983

PENINSULA COVENANT CHURCH

TODAY

Clifton C. (Clif) McGarr  
District Governor

### GOALS FOR 1983-84

1. 100% support for Rotary International President William E. "Bill" Skelton's theme of "Share Rotary—Serve People."
2. Emphasize and encourage substantial growth in Interact and Rotoract clubs.
3. To increase district attendance to a minimum of 90% average.
4. Encourage clubs to seek out major community projects and to develop major fund raising activities to support them.
5. Encourage more clubs to participate in International Youth Exchange.
6. To increase level of district contribution to Rotary Foundation. To encourage **all** members to a firm contributory position.
7. To encourage participation in the Rotary Foundation Endowment Fund. Our goal 1983-84 is 20 new contributors.
8. Implement a membership development program that will result in a growth of 333 new members or approximately 8% net.
9. Add at least 1 new Rotary club in District 513.
10. Attain 100% club participation in the new District 513 awards program.

TODAY (cont.) Let's give a real Redwood City Rotary welcome to Clif and Eleanor (Ellie) McGarr. We want them to know that we are not only honored by this visit but also very much aware of and grateful for the dedication and sacrifice that goes hand in hand with the assumption of leadership for another year in the life of District 513.

Your club's officers, directors and committee chairmen have been meeting all morning with our District Governor in a sharing of goals and aspirations for this Rotary year and most of all, receiving the benefit of D.G. Clif's guidance and inspiration.

But lest you forget, there's still no escaping that sort of reach out and touch someone attitude of our finemasters. Today it's Jerry Mertens and this ex 49er great hasn't forgotten one bit what it means to reach out and pick 'em off.

LAST PAST Prexy Bob Dooley took charge for Pres. Pete who volunteered as chaplain for last week's canoe flotilla holding maneuvers on the Russian River.

And in honor of that flip flopping fleet, Stan Easter led the group thru three verses of "Row, Row, Row Your Boat.....". What harmony!

Thanks to Ken Hill for the pledge and John Wooley for the invocation.

Dr. Bob Brown did a fine job of delivering - as finemaster.

New member Bob Stiff turned his icebreaker stint into a whole program as he gave a very penetrating and interesting insight into the problems and prospects facing our community colleges. Hard facts with no punches pulled but all the more lucid for the lack of hysteria. An objective evaluation of some serious problems yet not lacking in hope and confidence in the future.

NEWS Jake Jacobowsky is taking sign-ups for the Stanford-UCLA game October 8. Only \$12 AND per person this year. It's always fun down on the Farm for these tailgating events. NOTES Come along. Let Jake know you're ready to join in and enjoy.

From England, a picture of a now 10 foot tall redwood tree grown from seeds dispatched about the globe from R.C. Rotary - with greetings from not only local members abroad but also from the local government and community leaders.

Dr. Tom Poore has done so much to help make this program work. Tell him thanks.

NEXT Dr. Paul Young rounds out the September program schedule with the introduction of WEEK George Marada, Public Relations Director for the Hoover Institute who will speak on the subject of "The Role of Think Tanks in the United States".

Your finemaster? Dr. Alan Bostwick. Scary, isn't it!

# ROTARY SPOKE

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

SEPTEMBER 27, 1983

PENINSULA COVENANT CHURCH

**TODAY** Our speaker today is George Marada, a distinguished member and Public Relations Director of the Hoover Institution. Mr. Marada's subject: "The Role of Think Tanks in the United States".

With an Allen for an Alan and one PhD for another, Pres. Elect Allen Gruman will handle the finemaster's chores today. Given his quietly effective ways you won't even feel it. But then isn't this the time of year when some of that green starts to fall.

**LAS  
WEE** We have far too little space to cover in full all the many good things about D.G. Clif McGarr's visit with our club. What a wonderful guy! But even he can't quite make up for the absence of his Rotariann, Ellie. We're so sorry she couldn't share this happy occasion with us. Another time, perhaps, but better it is that she kicks this bug and gets up and about to rejoin the D.G.'s taxing schedule of visitations to all of the District's 55 clubs.

A wonderful day with a very meaningful and invigorating dialogue with D.G. Clif and the Club's Board, officers and committee reps.

Thanks to Dr. G. for getting us all back on key with a big assist from song leader Stan Easter - and to Bill Royer for the pledge and Bob Brown the invocation.

And keeping things on an even keel, who else but Pres. Pete, fresh from the last weeks dipping and dunking and canoe cavorting in the bare-in surroundings of the Russian River. Past D.G. Paroli was in the water so much that there was nothing left to clean up.

With an introduction from proud father Frank, Arlene Addiego gave some interesting remarks about her visit this summer with our sister club in Hiratsuka.

A good time and occasion to induct another new R.C. Rotarian. Amador Bustos did the introducing. D.G. Clif McGarr did the inducting. And joining R.C. Rotary: Oscar M. Orozco, Asst. V.P. and Mgr. of the Wells Fargo Bank, Woodside Road Branch.

A native of San Salvador, Oscar is a former member of the San Bruno Rotary Club. His Rotariann is Valerie and they have three children - Jo Ann 14, Jason 12, and Oscar Jr. 1. And now to keep pace with Merle Fruehling, Oscar is not only an avid cyclist but also an accomplished marathoner and master of the well reputed Boston Marathon as is Merle.

**NEWS  
AND  
NOTES** See Jake Jacobowsky for tickets to the Stanford-UCLA shootout on Oct 8. Forget the game - it'll be fun - but more fun will be the tailgating all A.M. Only \$13 per - a real fun day. Get that check to Jake.

Remember, this is Youth Activities Month, but that's only a reminder. You should be keeping it in mind and doing something all year round!

And coming up, October is Vocational Service Month. Read your Rotarian. These "months" are not to be passed by lightly. What you do is what Rotary does. And what Rotary does is what this world of ours needs.

**NEX  
WEEK** October 4. That said, all your editor needs is to find out who's our speaker and finemaster. That's how it goes on some of these days.

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

OCTOBER 4, 1983

PENINSULA COVENANT CHURCH

**TODAY** October Program Chairman Lou Coffaro will introduce our speaker.

And with an apology to Sgt.-at-Arms Don Hack, your editor must allow that he has forgotten who was to be today's finemaster in place of Gary Malone, now a member of the Fresno Club. So it goes.

**LAST WEEK** From Pres. Pete a recounting of some kind and flattering remarks about our club from D.G. Clif McGarr. We surely enjoyed his visit. Isn't it nice to know it worked both ways.

Thank you Stan Easter for directing the chorus. Thanks too to Tony Guardino for the pledge and Bill Bergler for the invocation.

Pres. Elect Allen G. pinch hit as the day's finemaster. A few more sessions like that and we can all go fine free for the rest of the year.

George Marada of the Hoover Institution honored us with a second visit - let's hope there'll still be more to come - and gave an interesting and in depth accounting of the history and activities of that distinguished organization.

**NEWS AND NOTES** Auction Chairman Lou Coffaro says the first meeting of the Auction Committee will be held immediately following the regular meeting on October 11. Lou would like to have not only the current year's committee present but also all those who participated in last year's event. According to Lou, "...your experience is needed."

The committee also welcomes suggestions from club members on any aspect of the auction. It will only be as successful as you - that's right, you make it.

The S.F. Club held its first such event this past year and according to D.G. Clif McGarr they managed to raise a tidy sum of \$63,000. How's that for a starter!

From Pres. Pete and others who rowed, drifted, floated or dipped down or in the Russian River canoe trip this year, more fond memories of that fun and water filled frivolity. Make a note not to miss next year's repeat.

It's tailgating down at the Farm this Saturday. Jake's got the tickets and all the details. All you need do is get you there!

S.C. Rotary will be holding a real live and top drawer jazz festival at the Circle Star November 20. How's that for a great idea and a date you won't want to miss. Mark your calendar.

And make another note - from Walt Koslosky comes word that this year's Xmas party will be held at Scotty Campbell's, Tuesday, December 13 - a dinner dance, no less. Be sure to circle that date.

And then there's the Rotary Foundation dinner in San Raphael on November 5. Bill Conklin has all the info and reminds you that \$35 of the \$50 ticket price will go towards a sustaining Paul Harris membership in your name. Nice way to get started.

**NEXT WEEK** It's October 11 - how's that for a starter. Lou... Roy...Where are you? Rich Pellizzari will be your finemaster - or is he today? Oh well. The food is always good - and such wonderful company.

# ROTARY SPOKE

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

OCTOBER 11, 1983

PENINSULA COVENANT CHURCH

**TODAY** Sherman Mo of the PG&E is going to speak on the subject of "Prospecting for Energy Savings in the '80's". Mr. Mo will also comment on the energy saving incentive plan recently referred to by George Huxhold with benefits accruing not only to Rotary members but also the club's '84 auction.

Rich Pellizzari is today's finemaster. Could be a shock to some - at best, you'll get a charge out of it.

**LAST WEEK** With all the bumps and bruises of the canoe trip now but a fond memory, Pres. Pete called on maestros Stan Easter and Dr. G. to lead the chorus, Dick Dodge the pledge and Pres. Elect Allen the invocation.

And as Pres. Pete introduces each week's visiting Rotarians and guests, may we remind you all to make it a point to personally greet and welcome these visitors who honor us by their presence.

October Program Chm. Lou Coffaro introduced the day's speaker, Dr. Henry Brink, an eminent psychologist on the faculty of the College of Notre Dame who also serves on the clinical staff of the Stanford Medical School. A prominent writer and lecturer, Dr. Brink discussed the prospects and problems of "optimal aging", something we all must face sooner or later. It's not a negative thing and there's lots of good advice to be found in writing and counseling if you take the time to look - and you should.

Pete Hughes took care of the fining - did a fine job at that. Should be noted that Jerry Mertens shortened the bidding for the fine free badge by going to the top in one jump and the way he gets picked on that's not a bad bit of insurance.

**NEWS AND NOTES** Past D.G. Bob Paroli, always setting a good example in Rotary service, took time to remind one and all of the Rotary Foundation dinner to be held at Domenic's Restaurant in San Raphael Sat. eve. Nov 5. Tickets are limited and going fast. Of the \$50 tariff, \$35 can be credited to your own Paul Harris sustaining membership and remember, the club still matches the first \$100. you give towards that goal. There's also a \$10 raffle with prizes you can't believe. This is a great opportunity and grand event. Call Bill Conklin for reservations.

From Bob Dooley comes word on how well Ron and Marilyn Bawden are going in their new mission in Santa Cruz. Drop by and say hello if you're down that way.

Club Sec'y Bob Rutherford says the back side of the SPOKE is due for updating. Check and let him know of any changes.

Don't forget this is Vocational Service Month. Get that good feeling that comes when you do something on your own - now that's being a Rotarian.

Did you note last week's words from Walt Koslosky on the Xmas party set for Dec. 13th at Scotty Campbells.

More to come on the S.C. Club's jazz festival set for the Circle Star on Nov. 20. Not just a good cause but some great entertainment from some of the best combos in the West. Mark the date, we'll tell you more.

**NEXT WEEK** Ralph Cotton, Chief Accountant for the S.F. office of the Securities and Exchange Commission will discuss current thrusts of the S.E.C. and their ramifications to the business community. Stan Silverstein will be your finemaster - you'll get some thrusts there too.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

OCTOBER 18, 1983

PENINSULA COVENANT CHURCH

**TODAY** October Program Chm Lou Coffaro will introduce our speaker, Mr. Ralph Cotton, Chief Accountant for the S.F. office of the Securities and Exchange Commission. Mr. Cotton will discuss some of the current thrusts of the S.E.C. and their ramifications to the business community.

Stan Silverstein is finemaster for this day. Expect the worse but, then, he does have a nice touch.

**LAST WEEK** It was a busy day as Pres. Pete proudly oversaw the induction of three new R.C. Rotarians.

Fresh from a tour of eastern Europe with, of course, a stopover with friends and relatives in Italy, songmaster Charlie Bulanti teamed with maestro Jim Greenwell to lead the chorus. Thanks too to Sam Dafnis for leading the pledge and Past Prexy Bob Dooley for the invocation.

And thanks also to Bill Tresnon for a batch of banners collected on his just completed trip to China and the Far East.

Wasn't it nice to have Mike Kreiss join the old gang once again - and looking just fine.

Speaker for the day was Sherman Mo of the PG&E whose topic was "Prospecting for Energy Savings in the '80's". Sherm discussed the utility's programs directed towards helping consumers reduce their energy consumption and thereby the costs for providing that energy to the PG&E and its customers.

Back to the inductions. First we had sponsor and Past Prexy Bob Dooley introduce Peter G. (Pete) Tasseff, Director of Finance for the city of R.C. and a former member of the So. Lake Tahoe Club. A resident and native of San Francisco, Pete obtained his academic credentials from the City College of S.F. and Golden Gate Univ.

Next, sponsor Lem Summey introduced Gregory H. (Greg) McWilliams, Executive Officer of the S.M. County Local Agency Formation Commission. A resident of Menlo Park and native of Illinois, Greg obtained his Bachelors in Economics/Int'l Relations from the Univ. of Redlands and Juris Doctorate from Western State Univ.

Finally, sponsor and Pres. Elect Alan Gruman introduced Lt. Carl D. (Carl) Blessing and his wife and fellow Salvation Army Officer, Anita. Carl, a native of Sun Valley, Idaho and Anita, born in Phoenix, Ariz., are parents of Amy, 8; David, 6; and Heather, 4 - and one more soon to join the Blessing clan.

Carl (29) and Greg (33) join the club's welcome and growing youth movement. Get to know them and Pete, of course, and learn more of their outstanding past accomplishments. Welcome to all!

**OTHER NOTES** November is Rotary Foundation month and once again Bill Conklin reminded all of the big dinner event being held Nov. 5 in San Raphael. Bill says 21 tickets are already gone - but he'll try for more if you're still interested in this great opportunity to get going towards a Paul Harris Fellowship. And what an opportunity it is!

Already we have 3 new P.H. Fellows and 9 new sustaining P.H. memberships joining in the growing recognition of the importance of the Rotary Foundation.

**NEXT WEEK** Tom Jordan, V.P. of Public Relations for the College of Notre Dame will speak on "The Role and Survival of Private Institutions in Education."

For finemaster, former Congressman Bill Royer. Need we say more?

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

OCTOBER 25, 1983

PENINSULA COVENANT CHURCH

**TODAY** Tom Jordan, V.P. of Public Relations for the College of Notre Dame is our speaker. His subject: "The Role and Survival of Private Institutions in Education". October Prog. Chm. Lou Coffaro will take care of the introductions.

Bill Royer is your finemaster. Be ready, 'cause over the years this former congressman, supervisor, mayor - and more - must have picked up a few tricks on how to reach your pocketbook.

**LAST WEEK** Pres. Pete practiced remembering some names. Charlie and Dr. G. held choir practice. Bill Jennings, fresh from an enviable tour of the Swiss Alps led the pledge with the invocation from Jim Greenwell.

Nice to see among our visitors former R.C. Rotarians Dr. Henry Ritter and Bill Bulanti.

Finemaster Stan Silverstein introduced himself to our new members, got an update on other club members travels and otherwise showed how he can pick up a fee on almost anything.

Filling in for Bill Conklin, Bob Durkin gave one last reminder of the great opportunity to get a fine start towards a P.H. Fellowship by attending the Rotary Foundation dinner in San Raphael Nov. 5. Yes, Bill did manage to get some more tickets but you'd better act quickly. Remember, with the club's matching \$100. contribution, credit from your ticket price, raffle tickets et al, it's a simple case of getting a gift of over \$135. towards that P.H. Fellowship. Don't walk, run! Call Bob.

Our speaker was Ralph Cotton, Chief Accountant for the S.E.C. in the City. Talking on the subject of "What the S.E.C. Can Do For You", Mr. Cotton gave a very enlightening rundown of what the S.E.C. does and the info you can obtain regarding investment advisors, broker-dealers and the like with some sound investment advice additionally thrown in.

And as an added touch, Ralph generously donated a nite at a Bed and Breakfast Inn he owns to this years auction. Sure could use more speakers like that.

**NEW AND NOTES** A reminder that the San Carlos Clubs 1st Annual Rotary Dixieland Jazz Jamboree will be held at the Circle Star Sunday, Nov. 20th. With six of the best bands in the west, there'll be two complete shows - 1:00 P.M. and 6:00 P.M. Admission is \$10.00 (regular) and \$12.50 (orchestra)

Looks like a fund raiser you can support with real pleasure. We'll pass around a flyer and some ticket vouchers at todays meeting.

You have made that note about the Christmas Dinner Dance set for Dec. 13th at Scotty Campbells - and told your Rotariann?

And looking ahead, this Rotary year's District Conference will be held in Sacramento April 26-28.

**NEXT WEEK** November Prog. Chm. Ron Giannini has a fine line up for you starting with County Manager Dave Nichols whose talk is aptly titled "A Report on San Mateo County".

Dr. Alan Bostwick will be your finemaster. Are you ready? No, I s'pose that's asking the impossible.

**N.F.** Have you got a new member to propose? Why not?

Msgr. Peter C. Armstrong, President  
 Rotary Club of Redwood City  
 Redwood City, CA 94061

Dear President Pete:

Following is a summary of Redwood City Rotary attendance for October, 1983, as reported to the District Governor after the October 25 meeting:

<u>Date</u>	<u>No. of Members</u>	<u>Excused</u>	<u>Absent</u>	<u>Percentages</u>
4	84	14	0 *	100.00 *
11	87	14	3	95.89
18	87	14	2	97.26
25	87	14	0	100.00

Average attendance for October was 98.29%-- a record for modern times!!

Seventy-three of our 87 members (including 14 members excused because of age-plus-years-of-Rotary-service) either attended our October meetings or enjoyed the great satisfaction of making up. The elite "100% Club for October"-- just about everybody, it seems-- includes:

Addiego	Dafnis	Giannini	Huxhold	Mitchell	Schneider
Armstrong	Dooley	Graves	Jennings	Newell	Schricker
Bechtel	Durkin	Greenwell	Keckley	Novak	Schutz
Bergler	Easter	Gregorio	Kent	Orozco	Silverstein
Berlin	Edson	Gruman	Koon	Parcell	Souza
Bostwick	Enomoto	Guardino	Koslosky	Pearson	Stiff
Brown	Esson	Hack	Koster	Pierce	Summey
Bustos	Fitzgerald	Hawkins	Kreiss	Poore	Syrstad
Caillouette	Fortner	Helbush	Long	Rolla	Tasseff
Chaffey	Frank	Hill	MacLeod	Royer	Tresnon
Coffaro	Garcia	Hjertberg	McWilliams	Rutherford	White
Conklin	Gerfen	Hughes	Meyer	San Filippo	Woolley
					Young

Only 14 members failed to make the "100% Club" for October:

<u>Member</u>	<u>Meetings Missed</u>	<u>Dates</u>	<u>Member</u>	<u>Meetings Missed</u>	<u>Dates</u>
Deeken, Hank	4	4, 11, 18, 25	Fruehling, Merle	1	25
Pellizzari, Rich	2	4, 18	Haythornwhite, Ray	1	4
Blessing, Carl	1	25	Jacobowsky, Jake	1	18
Bulanti, Charlie	1	4	Mertens, Jerry	1	25
Campbell, John	1	11	Stangel, Bill	1	4
Dodge, Dick	1	11	Strathdee, Fred	1	25
Fabricius, Leo	1	11	Szpotek, George	1	4

Some of those who "missed" in October have been "100%ers" before-- and will be back in November. Wouldn't be great if we all could be "100%ers" the same month?

New Members: Oscar Orozco, 9-20; Carl Blessing, 10-11; Greg McWilliams, 10-11; Peter Tasseff, 10-11
Terminations: None.

\* How can we have members listed as "absent" on October 4 and still claim 100% October 4? Because make-up cards which were received too late for the September report can be added to the October report. That's why!!!

Respectfully,  
 [Signature]

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946

NOVEMBER 1, 1983

PENINSULA COVENANT CHURCH

**TODAY** County Manager Dave Nichols will be giving you a current report on San Mateo County - and he's the man who should know. With outstanding leadership, S.M. County takes a back seat to no one in the entire Golden State.

Ex-Club Sec'y, Dr. Alan Bostwick is scheduled to be your finemaster. Could it be that we'll be right this week? Our gain will be your loss.

**LAST WEEK** Pres. Pete naturally gives the good Lord credit for most everything, including the 49ers. Sure hope he doesn't forget his name.

And other names to be forgot - songmaster Bulanti and maestro Greenwell, Rutherford for leading the pledge and Ed Cailhouette the invocation.

Bowing out as October Prog. Chm., Lou Coffaro introduced Tom Jordan, V.P. of College Relations for the College of Notre Dame. What you got was a rundown on the history and current doings of this fine old institution founded way back in 1858. It's coed now, you know, and from Tom's enthusiastic quoting from a myriad of press clippings, doing quite a job.

From Sam Dafnis a report on the Christmas Party. Seems the tab at Scotty Campbells got a bit steep (\$17.50 the dinner alone with wine and other drinks all on top of that).

Put to a vote, a decision was apparently reached to choose alternate arrangements at St. Pius in a newly redecorated facility with a comfortably sociable atmosphere according to Pres Pete. The revised estimated tab: \$15.00 including the drinks. A bit of a difference indeed! Dec. 13 is still the date so be sure to let your Rotariann know.

Pres. Pete wound up subbing as finemaster for Bill Royer and a pat on the back meant a put in the pocketbook. Praise for pay I guess you'd say.

**OTHER** Nice to hear that Jim Fitzgerald is not only up and around but is or was relaxing back to shape down Mexico way.

**NOTES** With Rotary Foundation Month about to be kicked off at the big party in San Raphael this Saturday, a reminder from Ron Koster that he's the guy to contact for all the info relating to the application and selection of candidates for the R.F. scholarships.

From Lou Coffaro a raffle's being added to this year's auction and if you've got any prize suggestions, he'd like to hear from you. There'll also be a silent auction for items in the \$10-45 range with bigger items going the regular auctioneers route.

And then there's the PGandE's "Prospecting for Energy Savings in the 80's program! Just get a blank form from George Huxhold. Fill in the service you, a friend, relative, neighbor, or co-worker is interested in (RCS audit, Balanced Payment Plan (BPP) or ZIP loan). Have whomever is interested in the service sign the form and return to George. You may save money and the auction will get free prizes - don't wait Fall is here - Winter is coming.

**NEXT WEEK** Assemblyman Bob Naylor - a Sacramento Up Date. Don't miss a very informative session with this very able legislator.

Max Gerfen's all set to be your finemaster. Are you?

**N...** Dr. Bud Meyer will be your editor for the next couple of issues - a nice change of pace for you and we who are off for the sun and fun of Puerto Vallarta and Guadalajara.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

NOVEMBER 8, 1983

PENINSULA COVENANT CHURCH

### WELCOME BOB NAYLOR

Assemblyman Bob Naylor has been invited to describe the recent sessions of the Assembly and some of the problems it faced.

### HOLLOWEEN AFTERMATH

MAX GERFFEN is our scheduled finemaster.

### KING KONG, PATRIARCH

Debbie Stratton has been invited by RON GIANNINI to examine "The Gorilla Foundation"  
DON HACK has invited STAN EASTER to go ape next week.

FRED STRATHDEE, VOCATIONAL SERVICE COMMITTEE, advised that each member will be given an opportunity to present a vocational information talk. SAM DAFNIS passed a sign-up sheet around for the Christmas party: St. Pius Church, December 13, \$15.00. BILL CONKLIN, Paul Harris Fellows Committee, announced that few raffle tickets are still available for the big drawing at \$10.00 per.

AMADOR BUSTOS won the raffle but couldn't find ticket #049427. KEN HILL not only collected the second bottle but introduced Sara Stewart, candidate for the highschool board. BOB STIFF told of Michael Bulanti's fine performances in THE HOUSE OF BLUE LEAVES.

RON KOSTER described the intent of our fellowship grants: to contribute to international understanding. He advises that graduated candidates must be ages 18 to 28. Undergraduates must be 18 to 24. There are vocational, journalistic and other scholarships which require 2 years of experience in the chosen field.

### GIANNINI HEARS HIS BOSS

County manager Dave Nichols was introduced by November programmer, RON GIANNINI. Nichols reports that our county is in "the best financial condition of any county in the state." Residents less than 18 have decreased by 20%, over 45 have increased by 46%. The county's #1 problem is housing. The supervisor's #1 problem is new jailspace.

### WITH SYMPATHY

The membership indicated concern and sympathy for BOB FORTNER. His Father is at rest. Best wishes were offered for the early recovery of his ailing Mother.

### BLOOD BANK AT KAISER

Blood donors are invited to Kaiser on November 25 between 9:30 and 4:00. DON HELBUSH cites these gifts as among our best services to the community.

### DIXIELAND JAZZ JAMBOREE

San Carlos Rotary invites you to stomp and clap at its premier Dixieland Jazz Jamboree November 20 either 1:00pm or 6:00pm. Six great bands \$12.50. Call Travis Jackson, 595-0444.

### HOLLOWEEN AFTERMATH

JIM GREENWELL filled our desserts with sweets in 6/8 time. SID BERLIN wore two hats, one a yarmulke, to lead prayer and song. ALAN BOSTWICK stung himself and hung the rest of us. ARLEN GREGORIO led the pledge.

### 'FRISCO JUBILEE

Members are invited to the Diamond Jubilee anniversary party (1908-1983) November 12, St. Francis Hotel, \$45.00. Reserve or info at 546-0644.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

NOVEMBER 15, 1983

PENINSULA COVENANT CHURCH

### Gorilla Spoken Here

Ms. Debbie Stratton will speak on behalf of The Gorilla Foundation. The Foundation is trying to use American Sign Language such as is used for the deaf to communicate with nonhumans. It is hoped that better human-to-animal care may be tendered if some correspondence can be effected.

#### POST HARVEST REAPING

Aware of November days committed to EASTER. LOU COFFARRO, an Accounting professor at Notre Dame, will ring your bell next week.

#### NINE EIGHT POINT TWO NINE

Secretary BOB RUTHERFORD reports an attendance record of 98.29% for October. A miss rate of 1.5 members at each meeting. BILL KOON wants more info on that half member.

#### BROTHER AND BOARD

President Pete and the Board invite any member to join them at lunch on Thursday, November 21 at noon for the monthly board meeting and lunch. Those who have not attended recently are doubly encouraged. Reserve through Secretary Bob.

#### GETTING IT ON

FRED STRATHDEF introduced the Vocational Service Committee's first 5 minute talk on member occupations. He introduced the very shy BOB PIERCE who described the 15 year tenure of his company which manufactured waterproofing chemicals. Bob has now entered the world of real estate investment.

Bob Pierce returned for a turn at finemastering. BILL BERGLER was not fined.

#### SACRAMENTO SPECTACLE

Assemblyman and Republican leader, Robert W. Naylor provided a candid recount of legislative activities. He reports that California now has a balanced budget, is paying off some of its debts and accumulating reserves.

Naylor expressed concern that the District Colleges were denied the Governor's proposed \$50.00 tuition privilege and also denied adequate funding.

In answer to LEM SUMMEY's question Naylor guessed that the Gann initiative to cut the legislative budget would pass. SID asked for comment on the apparent proportionate decline in budget and enrollment. Naylor feels there are diverse causes. He seemed to agree with ALAN BOSTWICK that college tuition may be a legislative rather than a gubernatorial problem. BILL CONKLIN asked if initiatives are the result of legislative inaction. JIM GREENWELL asked the status of unicameral consideration and the assemblyman felt there was a check and balance to be lost.

#### PAUL HARRIS DINNER

The Redwood City Club held a dominant role at the Paul Harris dinner. The governor's area rep, SID BERLIN, performed admirably as M.C. Fellowships were awarded to 3 members and one Rotarian. New sustaining members totaled 14. The club added about \$5,000.00 and appears to be tops District 513.

President Pete was awarded a gift fellowship and a handsome congratulatory card by BILL CONKLIN, PETE HUGHES, BOB DOOLEY, BOB PIERCE, JERRY MERTENS, BILL ROYER, DON HACK, ALLEN GRUMAN, SID BERLIN, NORM MACLEOD, LOU COFFARRO'S school kids, CHARLIE BULANTI, FRANK PARCELL, BILL BERGLER, BOLAND GIANINNI, BOB DURKIN, STEVE SAN FILIPPO, BOB PAROLI, AL QUILICI, JOE PECELLI, and LOU STEFANELLI.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946

NOVEMBER 22, 1983

PENINSULA COVENANT CHURCH

Have a happy Thanksgiving, and as you think about how thankful we all should be, think too about what you should be doing in return.

**TODAY** In celebration of Rotary Foundation Month, you're going to be hearing from a pretty super Rotarian and good friend, PDG Bob Paroli. He leads by example. Need we say more.

Finemaster Lou Coffaro also sets a fine example and will probably make one out of you too.

**LAST WE** Pres. Elect Allen took the helm for the day and called on Messrs. Bulanti for leading the chorus, Tasseff the pledge and White the invocation.

Pete Hughes bought the fine free badge from FM Stan Easter who directed the flow of green notes from hip to San Filip.....

Debbie Stratton told all about Koko and Michael and the Gorilla Foundation, a very serious and fascinating study in the use of sign language to communicate in very human terms with these highly intelligent and fun living primates.

If only we could communicate as well with our fellow humanoids. After all, it would be so much cheaper than missiles.

Given the objectives of Fred Strathdee's Vocational Service Committee's new program of informational talks, Roy Frank gave an interesting log of his activities following the sale of his El Camino Title Co. and his now continuing presidency of the company as it seeks to meet its parent company's objectives in expanding in the Calif. market.

**NEWS AND NOTES** Don't forget the Xmas party at 6:30 PM on 12/13 at St. Pius. \$15 per - see Sam Dafnis.

From Don Helbush - the blood bank will be at Kaiser Nov. 25. How can you not give?

From Foundation Chm. Bill Conklin:

"The fund raising dinner for the benefit of Rotary Foundation was history as of 10:00 PM November 5. The honors bestowed on the Redwood City Rotary Club will continue for years to come. We have received a final accounting and R.C. Rotary raised more money for the Foundation than any other Club in Dist. 513, a total of \$6,050.

We boast four new Paul Harris Fellows: President Pete, Pete Hughes, Barbara Conklin and Walt Kosloski. We also congratulate 14 new Sustaining Members: Messrs. Bergler, Bulanti, Coffaro, Dafnis, Giannini, Gruman, Hack, Huxhold, Mertens, Pierce, Royer, San Filippo, White and Rotariann Glenny Durkin. The Foundation does great things for the betterment of the world. Let's hope we can continue to do great things for the Foundation."

**NEXT WEEK** Your speaker: Bud Bostwick, Exec. Dir. of the S.M. County Development Assoc. Your finemaster: Chuck Long.

**N.F.** Our thanks again to Bud Meyer for doing such a fine job in turning out the SPOKE these past two weeks.

- IN FOND MEMORY A bit of sunshine went out of our lives this Wednesday last with the passing of Lou Rolla. A member of RC Rotary for over 34 years, Lou was stricken with a heart attack while duck hunting. He will be sorely missed and well remembered. Our heartfelt sympathy goes out to Angela and all his family.
- N.B. A reminder to the many of us so preoccupied with Christmas shopping and planning for the holidays, the Jewish community is in the midst of its eight day observance of Hanukkah or the "Festival of Lights", a holiday commemorating the age-old struggle for religious freedom. Happy Hanukkah!
- TODAY Our speaker is Duane McDowell, Public Relations Consultant, U.S. - Arab Chamber of Commerce (Pacific) Inc. whose speech topic is, "The Economic Ties Between America's Western States and the Arab World".
- Dean White is your finemaster but it's you who will need the shielding.
- LAST WEEK Pres. Pete kept that beautiful smile but you can be sure he wasn't at all as happy as he is today thanks to those Patriots, Eagles and a bunch of Pirates locked up on Sunday.
- Thank you Jim and Charlie for good vibes and Pete Hughes for the pledge and Past Prexy Norm MacLeod the invocation.
- Bud Bostwick, Exec. Dir. of the S.M. County Development Association was our speaker. Among the many areas of the county's life in need of attention, Bud gave special coverage to both transportation and housing.
- Chuch Long took care of the fining and you can guess who got the long and short of it.
- Amador Bustos arranged the donation of two tickets to the Vatican Art exhibit at the de Young Museum. Guess who was hi bidder - can you believe all that Jerry Mertens has given for this club? Thanks again.
- NEWS AND NOTES How about that October attendance record of 98.29%! Give ex-club sec'y Alan Bostwick a pat on the back for keeping and reporting these happy statistics.
- XMAS PARTY is next week so there'll be no regular scheduled meeting. See you at St. Pius Hall and get your checks to Sam Dafnis now - that's today.
- From Bob Durkin a reminder that it's time again to order those wonderful cases of Texas sweet grapefruit for the benefit of Los Amigos de Americas. They're so much better and cheaper than guns. A great treat/gift at \$12.50 - really!
- For you who signed up, don't forget that it's bell ringing time for the Salvation Army on Friday the 16th.
- NEXT WEEK It's the Xmas party on the 13th.
- On the 20th it's another Xmas celebration with John Novak and his celebrated violin providing music for the annual Christmas luncheon to be shared with our Rotarianns. Please let Club Sec'y Bob Rutherford know if the two of you will be here.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

DECEMBER 20, 1983

PENINSULA COVENANT CHURCH

TODAY Another happy occasion to celebrate this joyous season as John Novak tucks that famous violin under his chin to serenade you and your lovely Rotarianns with holiday strings.

Finemaster Bill Jennings will no doubt try to fill the club's stocking - has probably already cut off the toe.

LAST WEEK What a nice party. Who do we thank - too many, we fear. Sam, of course, and Dorothy and Pete for the use of St. Pius Hall, and Walt and then all the bartenders.

And all of you for being such good company - and how about all those flowers from George Szpotek!

Then there was FM Bob Pierce, a sort of Santa in reverse, getting instead of giving but not without being jolly about it. And weren't those some jolly nice notes from Bulanti's sax.

A lovely evening, indeed, and finally, a fitting occasion it was for a few moments of silent reflection on the worth and many happy contributions of a dear friend, Lou Rolla.

WEEK BEFORE Duane McDowell, PR Consultant for the U.S.-Arab C of C (Pacific) was our speaker with some interesting comments on "The Arab World" - interesting for as much as was touched upon as was not.

Thanks to Dean White for finemastering, Bob Brown for the pledge and Cliff Hawkins for a thoughtful invocation giving special note to the passing of a great guy and fellow Rotarian Lou Rolla.

NEWS AND NOTES We were so sorry to learn that Leo Fabricius has found it necessary to tender his resignation for reasons of health. You've got his address - keep in touch.

A note of thanks to all who signed up to buy cases of those delicious grapefruit being sold for the benefit of the Amigos de las Americas. Bob Durkin has often told you all about the wonderful work of this group in Central and South America. How much more it does than bullets.

Did you know of the involvement of NYC Rotarians in arranging and paying for the heart surgery for the two Korean children brought to the U.S. on Air Force One with Mrs. Reagan? Another example of Rotary in action the world around.

NEW MEMBER PROPOSALS Hey you guys - what happened? We were doing so well that now it seems you've all forgotten that this is an absolutely necessary and on going thing.

Rise up and shine. Let's get going. Chop, chop! Loss and attrition will happen without doing anything. New members - our life blood - will only happen with your doing something. You must do. Let's get with it.

With every passing day, Rotary's contribution to the survival of this planet grows more and more important. Melodramatic? Bull! Just think about it.

But think looking up, for with love and concern there is joy and peace to be found in this and all seasons. "In his hands, he has the whole world, in his hands...."

NEXT WEEK Club Assembly. A fine way to start the new year. A fine time for you to speak up and make your contribution. You can do, so do.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

JANUARY 3, 1984

PENINSULA COVENANT CHURCH

It's 1984. A chance to atone for last year's misdeeds.  
Hope springs eternal. Keep the faith. All that sort of thing.

TODAY 1984. Hmm - wasn't there something said about this year that gave reason for shivering a bit as we entered it? Well shiver we do but let's hope we don't get shook up about it.

And speaking of shivers, what better a way to start the new year than with "Ice breakers".

Our finemaster was to be Walt Koslosky. Won't be says Sgt.-at-Arms Don Hack. Instead, will be \_\_\_\_\_.

LAST WEEK Stan Easter passed out some song books. Dr. G tinkled the keys and the chorus warbled some old campfire songs that haven't been heard since Dr. King first marched.

Thanks to Dave Schricker for the pledge and Carl Blessing for the blessing.

Pres. Pete presided over a Club Assembly but before speaking to that let's cover a few notes and notices.

Past Prexy Sid says he has 37 reservations for the RI Convention trip to Birmingham (G.B.). If you want to take advantage of this super deal and if you want to be part of the group staying together at the same hotel you'd best tell him by - maybe yesterday.

Noting Hank Deeken's resignation from the club (a job change, as we recall), Pres. Pete gave the good word that Jake Jacoubowsky has agreed to take over as Chm. of the Membership Development Committee.

According to our Prexy, we now have 5 new members in the pipeline but given losses need as many as 11 more to stay on track this year. Get going - especially all you Senior Actives.

Back to the Club Ass'y. Paul Keckley reviewed the study work done thus far on the question of how to disburse the Club's funds allocated to charities and the public good. This is a most important question. Give Paul your input. If you don't have an opinion maybe it's time you do enough reflecting to get one. Don't just leave this to the other guy.

The handling of "Bug-outs" was also debated in depth. This too needs your input. Most of all though, it needs your attention to the problem and remembering to apologize to our speakers if you must leave early. Best of all - stay!

COMING UP You're forgetting the Auction. No can do. Get to it now and give Lou Coffaro the word on what you will be contributing.

Club Sec'y Bob notes there'll be a Peninsula Rotary Council Mtg. Jan 11 at the Customs House Restaurant, Foster City at 6:00 P.M. Our Club will pay for your dinner (not drinks). Tell Bob by 1/10 if you'll go.

Prog. Chm. Roy Frank (year and this month) notes you'll be hearing from Willie Brown, Butterfield & Butterfield (Auctioneers), and Sutro & Co. (Investments) - but not yet known as to which dates (in Jan.).

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946

JANUARY 10, 1984

PENINSULA COVENANT CHURCH

They didn't fade. They didn't give up. Maybe all that was needed was one more D.C. in the nation's capital. Surely, there are enough hogs and bad calls back there already.

TODAY Joe Marchi, director of Canada College's Center for American Musical will tell you about the development of the Center, its various art forms and what programs it is providing.

Your finemaster will be Don Hack.

T Pres. Pete presided. Charlie B. led the chorus with Oscar Orozco leading the pledge and Wooley, John giving the invocation.

Bill Tremon stepped in to do a fine job of pinchhitting as finemaster.

And it was "Icebreaker" time and interesting as always as we got a vocational update from Fred Strathdee and lifetime updates from Lou Coffaro and Tony Guardino.

What can we say of these intimate personal glimpses but that if you miss them you're missing something really good.

These typically honest and candid reflections are just one more example of what makes Rotarians so special. So remember, when it's your turn, don't fret - just think how fun it is to just hear it like it is.

NEWS Finemaster take note. Roy Frank is inviting you all to the grand opening of El Camino Title's new corporate offices on Feb. 8, 5:30-8 P.M. at the Woodland Ofc Park at 805 Veterans Blvd: R.S.V.P. 369-4641.

AND

THE

LIKE

Bob Durkin has the info on a young French chap who needs a family or families to stay with during a stay here this spring. Son of a Rotarian, he'll defray costs and teach French as he learns English. Could be a fun exchange if you could manage part or all the time. Call Bob.

Are you remembering and doing something about the Club's membership development drive?

Remember, there was only one Rotarian who was not proposed for membership and that was (founder) Paul Harris.

More than an obligation, it's a privilege and a real pleasure for both the new member and you. Have you tried it lately?

February is WORLD UNDERSTANDING MONTH. Take a cue from Past Prexy Sid Berlin's great example and think and do what you can do to help. Oh my but it's needed - so desperately, for all those who face a future that without your help you could be lucky to miss. Do you really understand? Do it!

NEXT  
WEEK

Program Chm. Roy Frank says it will be John Gallo of Butterfield & Butterfield on the auction business, how it works, the appraising process and how one bids.

Frank Parcell is scheduled to be your finemaster. And you thought he was such a nice guy. Don't get hot about it. Just tell him to cool it.

HILITES OF JANUARY 9th MEETING

Following opening singing of America lead by JOHN BRACKEN, JERRY KENNEDY gave invocation. Visiting Rotarians were introduced by LARRY HENNINGER.

The speaker of the day was DR. ROBERT ARNOLD from the Center for Continuing Study of the Economy, whose subject was "The California Economy." His organization's job was Economic Long Range Planning. The 1980's will produce substantial economic growth in California three million more jobs and great family housing increases. Fifty per cent of population growth will be Hispanic (two million more). Many young marriages producing a new baby boom. The average annual household income will be \$25,000 in real dollars by end of decade. Hi tec is number 1 growth industry nationwide, and thus huge growth in California, and especially our area. California will grow 25% faster than the rest of the nation. He said taxes will increase in 1985, and that our nation's biggest problem is that we are allowing our education to fall behind, and we are not keeping pace with our other "quality of life" experiences.

**WE DON'T  
MEAN TO BUG  
YOU, BUT...**

President AGUSTO AMADOR urged us to look for new members.

RALPH KELLER shared his thoughts on the death of our fellow Rotarian DICK JOHNS. "The world was a better place because of Dick."

JOE JEDD, President Elect, told us of officers who will serve next term: JOSE MARCAL, President Elect; BOB McCOWEN, Secretary; and LANE SPENCER, Treasurer.

DAVE YANCY mentioned sale of February 5th Amador Concert going well. Asked return of tickets not to be sold and turn in money of those sold. --\$8.00 of each \$10.00 ticket will go to club.

DAVE "fined" DAVE MITCHELL, SAM WEBSTER and DON PUTT--all joined President Century Club. DAVE fined himself for his recent trip to Mexico.

- Jan. 16 Arthur Farmer, Gunn High School winner of Presidential Award for Excellence in Science & Mathematics Teaching.
- Jan. 23 New Member Talks: Fogarty, Burgess, Duestch.

Msgr. Peter G. Armstrong, President  
 Rotary Club of Redwood City  
 Redwood City, California

Dear President Pete:

Following is a summary of Redwood City Rotary attendance for December, 1983, as reported to the District Governor after the December 27 meeting:

<u>Date</u>	<u>No. of Members</u>	<u>Excused</u>	<u>Absent</u>	<u>Percentages</u>
6	84	14	8	88.57
13	84	14	9	87.14
20	84	13	9	87.32
27	84	13	5	92.96

Average attendance for December was 89.00%.

Several of our regular "100%ers" let Christmas cheer get in the way of their perfect attendance records in December. Nevertheless, the great majority of Redwood City Rotarians-- 59 - continued to meet their attendance obligations, cheer or no cheer! Here they are:

Addiego	Dooley	Greenwell	Kent	Parcell	Silverstein
Armstrong	Durkin	Gregorio	Koon	Pearson	Stiff
Berlin	Easter	Gruman	Koslosky	Pierce	Strathdee
Bostwick	Edson	Haythornwhite	Koster	Poore	Summey
Brown	Enomoto	Helbush	Kreiss	Royer	Syrstard
Chaffey	Fitzgerald	Hjertberg	Long	Rutherford	Tasseff
Coffaro	Fortner	Hughes	MacLeod	San Filippo	Tesnon
Conklin	Gerfen	Huxhold	McWilliams	Schneider	White
Dafnis	Giannini	Jennings	Mitchell	Schricker	Young
Dodge	Graves	Keckley	Newell	Schutz	

Now, if you are on the shorter list below, don't you wish YOU belonged on that LONGER list above? If it is too late for January, why not resolve, now, to do so in February? JOIN THE CROWD-- most of your fellow members!!

<u>Member</u>	<u>Meetings Missed</u>	<u>Dates</u>	<u>Member</u>	<u>Meetings Missed</u>	<u>Dates</u>
Campbell, John	4	6, 13, 20, 27	Bechtel, Don	1	13

			Souza, Joe	1	20
			Stangel, Bill	1	20
			Szpotek, George	1	20

Note: John Campbell, having failed to attend four consecutive meetings (and more) without make up, should be terminated under R. I. rules unless there are good reasons for the Board to do otherwise.

Terminations: Lou Rolla, deceased, 11-30  
 Hank Deeken, 12-1.

Respectfully submitted,

PENINSULA COVENANT CHURCH

**TODAY** John Gallo of Butterfield & Butterfield is going to tell you something about the auction business - how it works, the appraising process and how one bids.

Not a bad time for a reminder about your own club's auction 'cause you are how it works, so let's get busy.

Frank Parcell is today's finemaster. That oughta be cool. Hope he takes note of last week's hint about Roy Frank.

**LAST WEEK** Pres. Elect Allen took over for Pres. Pete who we suspect was still in mourning.

Stan Easter led the chorus, as best as one can without that Greenwell touch. Thanks to Arlen Gregorio for the pledge and Charlie B. for the invocation.

Joe Marchi, director of Canada College's Center for the American Musical was our speaker for the day and if there was one word heard over and over again as the members left the hall at meeting's end it was "enthusiasm". And as I glanced at my notes, well what do you know - "enthusiasm plus", they said.

It's really one man's special love affair with the "American Musical" and its recognition as an art form(s). Seems this program is even getting national attention.

Sgt-at-Arms Don Hack did some pinch hitting as finemaster. Seems as though he should be made the regular designated hitter.

**NEWS AND NOTES** Ron Koster notes that 8 applications have been given out thus far to candidates for this year's Rotary Foundation Scholarship awards within District 513. That's a new high for our club.

Congrats to new member Bob Stiff for earning his permanent badge in good time. Norm MacLeod did the honors and those of you still in the "pink" take note.

As you know, Jake Jacobowsky has taken on the Membership Development chairmanship. That's big of him but there's no way he can do what needs be done unless you do what only you can do.

Rotary's growth is predicated upon a perseverance in seeking out worthwhile men who are Rotarians in spirit before they become Rotarians in fact.

From Bud Meyer comes word that Jim Fitzgerald is getting back on track after enduring some setbacks in his trek down the path of returning to good health. Be real good to see him again. A call wouldn't hurt.

Sorry to see that RC's November attendance dropped us to 38th place and below even the District's average attendance for the month. Come now - let's put an end to those strange doings.

Don't have all the details yet but note that the District Conference April 26-29 has been shifted from Sacramento to the Concord Hilton. Note your calendar.

**NEXT WEEK** Program Chm. Roy Frank says you'll be hearing from Alfred Cranston of Sutro & Co. on the subject of what 1984 will have to offer in the investment community.

Dave Schutz will take care of the fining and this past prexy, charter member and P.H. Fellow has such a nice touch you won't even feel it. Well, sort of.....

# ROTARY SPOKE

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

JANUARY 24, 1984

PENINSULA COVENANT CHURCH

**TODAY** Alfred Cranston of Sutro & Co. is going to give you a financial outlook on 1984 with some comments on what this much publicized year will have to offer to the investment community.

Dave Schutz is your finemaster - nothing you'll really want to write home about.

**LAST WEEK** Pres. Pete was back and remarkably composed after a visit to our nation's capital that left most of us still wondering about some of the decisions from which there was no appeal.

But then there was the Raiders' revenge - how sweet it was.

Frank Parcell took care of the fining - a real cool job.

Stan Easter led the chorus, Lou Coffaro the pledge and Dr. Durkin did nicely take care of the invocation.

Installation of a new member is always a highlight and this time it was proposer Bob Rutherford doing the honors as he welcomed new member C. Warren Fox, classification Real Estate Appraisal and President of the firm carrying his own name at 900 Veterans Blvd. here in RC. Welcome!

Program Chairman Roy Frank introduced the day's speaker, John Gallo, executive V.P. of Butterfield and Butterfield, noted auctioneers.

John gave a fascinating insight into the unique world of his firm's business with a lot of hints on how to deal with the concept of investing when you buy in this sort of stock market for art, antiques, gems, coins and the like.

**NEWS AND NOTES** De're goes de judge - did you know that Lyle Edson has retired. How nice to hang up your robe and still look like that.

More reminders from Lou Coffaro on the club's upcoming auction. Not that far away now and with so much to be done.

Bob Fortner is handling the prizes and needs word from you all on what you'll be contributing. Yes indeed, now.....not tomorrow.

Frank Addiego is in charge of the tickets. If you haven't gotten yours, see him. Can't do much in the way of selling if you don't have a lot of buyers so remember there's more to the auction than just contributing a prize.

The Vatican Collection. Pres. Pete is arranging for tickets - 6:30 or 7:00 P.M. at the deYoung museum on February 14. Those of you who will be going please let him know right away. It's your last chance to see this rare exhibit.

Did you see the pics from Ron Koster showing the Orthodonty needed to be performed (and to be performed) for one of the children in our Vietnamese refugee family?

And from Jake Jacobowsky who has so ably taken over as head of the Membership Development Committee, lots of info and hints on where to look for worthy new candidates for RC Rotary.

**COMING UP** We'll be hearing about next week's speaker from Prog. Chm. Roy Frank.

Dr. Bill Koon will be your finemaster on the 31st and as we recall, he always has such a nice way of making that touch.

# ROTARY SPOKE

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

JANUARY 31, 1984

PENINSULA COVENANT CHURCH

**TODAY** Our speaker is David Eakin on the subject of traveling in France. Mr. Eakin is in charge of foreign instruction at Canada College.

Bill Koon is your finemaster and this day the good doctor will probably be practicing some infernal medicine.

Ballots will be distributed for nominations for election to the club's Board. All members are eligible. 5 terms expire June 30, 1984 (see back of SPOKE). Directors whose terms do not expire till '85 should not be included in these nominations. The 10 nominees with the most votes will be voted on for election to the Board at the Feb. 28 meeting.

**LAST WEEK** Pres. Elect Allen took over the podium for Pres. Pete. To your editor it sounded as though we had as many visiting Rotarians and guests as we've ever enjoyed on a single day.

And they all enjoyed hearing from our speaker, Al Barnston, First VP of Sutro and Co. who gave some learned comments on the financial outlook and investment opportunities for 1984. Too much to recap but in the net the overall outlook was upbeat. Al, who by the way was one of the founders of Temple Beth Jacob, is distinguished by his giving of the first speech of each year before the S.F. Rotary Club. And this is the second time we've enjoyed his lively synopsis.

Dave Schutz did the fining. Amazing how so gracious and distinguished a newsman can get so picky on the assumption of this duty. Picked things pretty clean at that.

Choirmaster Stan did his best without the ivory - oh where is Dr. G - and thanks to guest D.A. Jim Fox for leading the pledge and to Orv Graves for the invocation.

Merle Fruehling introduced student guests Kim Scutero and Keld Laustsen from Sequoia H.S. Such fine young people. Hope they enjoy their visits with our club.

**NEWS AND NOTES** Sign-ups were taken for the Feb. 14 visit to the Vatican Collection at the deYoung museum being arranged by Pres. Pete. Per person rates are \$5 for the exhibit, \$3.50 for bus transport if you choose and \$15 for a following dinner at the Northbeach Restaurant in S.F. This is an evening event - times to be announced.

From Alan Bostwick word that February is targeted for a 100% attendance month. There'll be a buddy system to assure that make-ups if needed are made within 6 days. You better believe there'll be fines if you miss but fines aren't what's wanted - just the 100%. Now you wouldn't want to bear the stain of spoiling it, would you?

See Lem Summy for details on another in the series of Great Decisions programs at the Hoover Institute this Feb. and Mar. Try it. You'll like it.

**NEXT WEEK** February is World Understanding Month. That we know. But you'll have to wait a bit to know about our program on Feb. 7.

Your finemaster - c'est moi. Cheers.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

FEBRUARY 7, 1984

PENINSULA COVENANT CHURCH

**TODAY** Bob Fortner is Program Chairman for this month and will be introducing today's speaker, Sgt. Dick Morton of the R.C.P.D.

Your finemaster - Hal Hjertberg, c'est moi.

**LAST WEEK** Pres. Elect Allen once again filled in for Pres. Pete who was last reported visiting the Saints in the Caribbean.

Charlie Bulanti led the chorus; visiting Rotarian, Judge Phrasel Shelton, led the pledge and Paul Keckley gave the invocation.

Dr. Bill Koon did the fining but left his bedside manner at the office.

Our speaker, David Eakin of Canada College took us on a slide show tour of the chateaus of the Loire Valley in France. With a distinguished academic background, Mr. Eakin was well qualified to serve as a tour guide, which he has and does, having both studied and lived in France.

Another happy and lately more frequent event, the induction of another new member, Sponsor Pete Hughes introduced another Pete, Peter Hodgson, Pres. of Hodgson Construction, Inc. and his wife and now Rotariann, Mary. Both Bay Area natives, Pete and Mary have four children ages 19 to 23. Take time to welcome Pete to R.C. Rotary.

For his second visit, student guest Keld Laustsen was once again introduced by Merle Fruehling.

**NEWS AND NOTES** Have you hooked up with your "Buddy" to make sure February makes its 100% attendance goal?

And have you turned in your nominations for election to the Club's Board. Ballots will be counted next week and then ballots for the election will be distributed on the 28th with the final election count taking place Mar. 13.

The trip to the Vatican Collection at the de Young and dinner will take place next Tues. eve., Feb. 14. Final details for those who signed up should be forthcoming today.

Those on the scholarship committee please remember the meeting later today at 5 P.M. at Ron Koster's office.

Be sure you've marked your calendar to note the District Conference coming up April 26-28 at the Concord Hilton. Details coming up soon.

And the auction, the auction, the auction.....it's time to get your contribution in. At least let the committee know what you'll be donating. And get those tickets sold.

The M.P. Club, by the way, is raffling a new Pontiac to raise \$ for their scholarship fund. \$50 a ticket - but it's tax deductible and the prize ain't peanuts.

World Understanding Month is now. Work at it. Why not try the Great Decisions Program. Lem Summey has all the info - says the first of 8 mtgs will start tonite at 7:30 P.M. at the Menlo Library.

**NEXT WE** You'll be getting an update from Don Warren of the Redwood Development Corp. Bob Fortner will be your finemaster and ready for your deposits.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

FEBRUARY 14, 1984

PENINSULA COVENANT CHURCH

**TODAY** You haven't forgotten those flowers or chocolates, have you? There's still time and there's nary a Rotariann who doesn't deserve them.

February Prog. Chm. Bob Fortner will be introducing Don Warren of the Redwood Development Corp., and familiar to most of you, who no doubt will give you an update on happenings and plans between the Bayshore and the bay.

Roy Frank will be pinch hitting for Bob as finemaster this Valentines Day - hearts and flowers for you.

**LAST WEEK** Tanned and fit, Pres. Pete returned to the podium (from the Caribbean) as Past Pres. Sid with a matching tan (Hawaii), led the group in song. For the pledge thanks to Lou Guardino and for the invocation, Lou Coffaro.

One of Chief Guardino's finest, Sgt. Dick Morton was our speaker, giving and describing a slide presentation prepared for and being used in educating our young people in school on the dangers of alcohol and drug abuse.

Your editor did the fining. We had fun. Some won't agree.

**COMING UP** Tonights the nite for those of you joining Pres. Pete for a trip to the city to see the Vatican Collection followed by dinner at the Northbeach Restaurant.

And speaking of dinner, the Palo Alto-Bayshore Rotary Club is having its Fifth Annual Int'l Dinner and Auction at the First Congregational Church of P.A. on Louis Rd. this Sat., Feb. 18 starting at 6:30 P.M. Tickets are \$35/ couple. Call 322-7716

Better not forget this is a 100% attendance month. No reason you can't make up.

And don't forget to block out April 26-28 for the District Conference to be held at the Concord Hilton.

Have you turned in your ballot for nominees for election to the Clubs Board of Directors? They'll be counted today.

Good time to make note of another nominee - this one for President of R.I. for '85-86 - Dr. Edward F. Cadman of Wenatchee, Washington.

Cam't remind you enough about the Club's Auction coming up May 5 and the real need to get those donations in now. And get busy with those tickets as well.

**NEXT WEEK** We'll be hearing from Jennie Doyle on CPR and especially on how to handle the problem of choking. Hope you never need it, but sure worth knowing.

Don Hacks printout say that Merle Fruehling should be our finemaster. Are you ready to learn?

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

FEBRUARY 21, 1984

PENINSULA COVENANT CHURCH

**TODAY** Our speaker today is Jennie Doyle who will be talking to you on CPR with particular attention on how to handle the problem of choking.

Merle Fruehling is scheduled to be our finemaster but don't look for a secondary effort on that score.

**LAST WEEK** Is it February attendance month that's doing it. My goodness, we could hardly find an empty seat in the entire hall. How pleasing to Pres. Pete.

And how pleasing too to have Jim Greenwell back at the keyboard to team up once more with song leader Charlie B. Thanks to the Mayor for leading the pledge and to Norm MacLeod for the invocation.

Pres. Pete must have felt secure at the head table surrounded not only by Mayor Stangel but by Chiefs Guardino and O'Brien and Sheriff McGuire as well.

Don Warren, President of the Redwood Shores subsidiary of Mobil Land Development Corp. gave an update on the status and future plans for both the residential and commercial developments encompassed by Redwood Shores. Using slides Don gave a complete picture of all the activities going on out there and yet to come. Quite impressive indeed.

Roy Frank took over the finemaster's chores and yes, Bergler was there. Bill's not only the top finee in the club but already socked for almost double the club's individual annual quota. Now that's really getting boxed in.

**NEWS AND NOTES** From Club Sec'y Bob, the top vote getters as nominees for election to the Board of Directors are (in alpha order):

Addiego	Dodge	Stiff
Bulanti	Frank	White
Bustos	Giannini	and
Coffaro	Mertens	Wooley
Conklin	Rutherford	

Bob says there are more than ten because of tie votes. Run-off ballots for election of five to a term of July '84 thru June '86 will be given out at the Feb. 28 meeting and must be in for the final count by Mar. 13. And let's improve the turnout. Only 62% of you turned in your ballots first time around. What kind of nonsense is that?

A fine trip for fifty last Tuesday P.M. to the Vatican Collection at the de Young and dinner afterwards at the Northbeach Restaurant. And what service. With Don Bechtel's son driving the bus it was a case of being let off and picked up right at curbside at all stops. Oh yes, on top of that Pres. Pete generously served up cocktails at the Rectory before leaving. Good show!

Don't forget the auction (May 5). Don't forget the District Conference (Apr. 26-28) and don't forget this is World Understanding Month. Give them all some real thought and do something.

**NEXT WEEK** Feb. Prog. Chm. Fortner says you'll be hearing from Attorney Richard Henson on the subject of Estate Planning.

Ray Haythornwhite will be finemaster. That ought to stiffen you up. Cheers.

# ROTARY SPOKE

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

FEBRUARY 28, 1984

PENINSULA COVENANT CHURCH

**TODAY** Attorney Richard Henson will be speaking to you on the subject of Estate Planning - that's the word from February Program Chm. Bob Fortner.

A good time to remind you that our annual program chm - this year it's Roy Frank, as you know - and those carrying the ball each month do indeed welcome your suggestions and help in arranging for a continuing array of topnotch speakers. Give it a thought - lots of thought and then follow thru.

Ray Haythornwhite has the duty as finemaster - don't let that get you up tight.

**LAST WEEK** Pres. Pete picked on Charlie B. and Dr. Jim G. to take care of the vocalizing - and they did!

Thanks Bob Fortner for the pledge and for the invocation, thanks a heap to Ron Giannini. And that's about as much thanks as he (Ron G.) can aspire to on this and every year.

Terry Hanes, MFCC, who now works as a counselor on alcohol and drug abuse with the Raleigh Hills Hospital, discussed his experiences and results in dealing with alcoholics - the disease the allergy. According to Terry, what is now the No. 3 killer behind heart and circulatory and cancer will be No. 1 by the year 2000.

Finemaster Merle Fruehling once again introduced our fine young student guests: Kim Scutero and Keld Laustsen. After that, his (Merle) popularity only went down hill.

**NEWS AND NOTES** Good news. January attendance was back up. Hardly at the 100% level everyone is going at for February but at a much improved rate of 93.41% over the dismal Nov. & Dec. showings.

With winter snows again painting the Sierra, Bob Pierce says there will be a ski trip leaving Mon. P.M. Mar. 12 and returning Wed. the 14th. How about one more last harrah for you ski bums - call Bob for details.

Don Hack says the club's directory is being updated but needs the help of 18 new members who should get their pics taken by calling for and making an appointment with Woodside Plaza Camera Shop (no cost to the member - just do it).

Get that auction fever going. Lou Coffaro says we'll now be adding a new car from Mucci Buick to the list with tickets to go at \$50. apiece.

April 26-28. That's the District Conference at the Concord Hilton. Even picking just one of the days is well worth it.

**NEXT WEEK** March Program Chm. Bill Jennings says you'll be hearing from Dr. Arnold Beichman on U.S.-Soviet relationships - war/peace.

Don Helbush will be your finemaster. Usually he's after your blood so what now?

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

MARCH 6, 1984

PENINSULA COVENANT CHURCH

**TODAY** March Program Chm. Bill Jennings says we'll be hearing from Dr. Arnold Beichman, former newspaper reporter and foreign correspondent and a visiting Scholar at the Hoover Institute on the subject of "U.S.-Soviet Relationships - War/Peace".

Our finemasters seem more often than not to switch their scheduled dates but maybe we'll be on target today with Don Helbush. So what have you got to lose - a little blood maybe.

**LAST** Outgoing Program Chm. Bob Fortner's last speaker for February was Attorney Richard Henson who covered well the ABC's of Estate Planning, a subject most all can keep picking up a few new hints about.

Pres. Pete handled the gavel with Messrs. Bulanti and Greenwell handling the chorus.

Phil Schneider filled in as finemaster and fortunately on that account your editor had to miss this meeting - but we made up and wouldn't want to be in your shoes if you didn't bat a thousand for February.

**NEWS** You're remembering to get your ballots in on the Run-Off Election of Directors of  
**AND** the '84-'86 term. Club Sec'y Bob says they'll be counted on March 13 so the time  
**NOTES** to act is now.

Those ski bums taking one last fling at the slopes will be leaving next Mon. P.M. Mar. 12 and coming back Wed. the 14th - unaided we hope. Pierce is in charge.

Jerry Mertens is readying another sale of that fine M & M Chemicals fertilizer - and it is good stuff at a darn good price - all for the benefit of the Club Treasury. With spring already busting out all over it's just what you need. Take some orders for yourself and your neighbors.

Not long to go till the District Conference at the Concord Hilton April 26-28. Still time to reserve for one or all the days.

And not that long to go on the Club's Auction coming up May 5. Have you gotten your contribution in to Lou Coffaro and his committee - or at least word of what it is that you will be donating. This show just doesn't go without the full participation of every one of you. Chop, chop!

So far it's been a pretty good year in terms of new members but you just can't forget that this (proposing new members) is an on going responsibility for all of us.

"The more men who come into Rotary, gleaning a little of its purpose and sensing something of its vision, the greater will be the gain to Rotary and to Society."

So said R.I. Vice Pres. Frank Lamb, 1923-24 and so true yet today.

**NEXT** Our speaker on the 13th will be Executive Director Rodney Pierini of the Criminal  
**WEEK** Justice Council.

Past Prexy Bob Dooley is slated to be your finemaster - and you thought he was such a nice guy.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

MARCH 13, 1984

PENINSULA COVENANT CHURCH

**TODAY** According to March Program Chm Bill Jennings, our speaker today will be Rodney Pierini, Executive Director of the Criminal Justice Council.

Past Prexy Bob Dooley is scheduled to be your finemaster and a good prexy he was. You learn how you have to call on people in that job and today, no doubt, he's come to call s'more.

**LAST WEEK** With Pres. Pete at the helm, Stan Easter and Dr. G. joined notes to rouse the chorus with Paul Young leading the pledge and Bill Conklin taking good care of the invocation.

Dr. Arnold Beichman, former news reporter, foreign correspondent and author and now a visiting scholar at the Hoover Institute, gave a current and penetrating perspective of the Soviet Union - where it is today, its failings and the what and where from here on.

Don Helbush was supposed to be - and darned if he wasn't the day's finemaster. Next time he asks you to give blood - do it and be glad that's all.

A particular pleasure for Pres. Pete (sponsor) and always a pleasure for all of us - the induction of a new member.

This day it was Mario Ercolini, Branch Manager of the Mark Larwood Company (microfilm) in R.C. Mario and his now Rotariann, Joni Ann, have two children, Richard (6) and Lauren (3). The Ercolini's presently make their home in So. San Francisco. After that, it's any golf course Mario can find.

**NEWS AND NOTES** Jerry Mertens is taking orders for what has now become his regular spring sale of that super M & M fertilizer. For the benefit of the Club he's hoping you'll sign up for a total of 250 bags - for yourselves, your neighbors, business associates, et al. This year's price is \$16.50 for an 80 lb. bag. At 20 cents/lb. you can't beat that for a bargain.

Prexy elect Allen has the registration forms for the District 513 annual conference set for April 26-28 at the Conrad Hilton. On the 27th Past R.I. Pres. Stan McCaffrey will be the keynote speaker. Now there's an event worth attending - and more.

Bill Conklin presented the club's new badge showing R.C. Rotary at the 3900% level in participation in the Rotary Foundation. How far we've come under Bill's sincere and effective leadership in the generation of Paul Harris Fellowships.

Give a call. Give a ring. Sing a song if you can sing - anything to lighten the woe of Club Treas. Steve San Filippo who's just now embarking on that long and tough road back from a torn achilles tendon.

And do your bit to fulfill your obligation re that "Old Time Country Auction" set for Saturday, May 5. Your help has always been needed but now even more with Auction Gen'l Chmn. Lou Coffaro hobbling about on crutches. An ankle fracture. He did it jogging. Oh that all the good things would come so easy.

**NEXT WEEK** Richard Sperisen, Art Coordinator, the San Mateo County Office of Education on the subject of "Art and You".

Finemaster? Was to have been Phil Schneider who filled in for Ray Haythornwhite a couple weeks back. Does that mean the 20th is Ray's day?

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

MARCH 20, 1984

PENINSULA COVENANT CHURCH

**TODAY** Our speaker is Richard Sperisen, Art Coordinator, San Mateo County Office of Education. His subject: "Art and You".

We are guessing that your finemaster will be Ray Haythornewrite who missed his turn a bit ago when he was opening a new deli to add some thirst for the rest of his business.

**LAST WEEK** With Pres. Pete off on a visit to the Guerneville Club, Prexy Elect Allen took care of the formalities not the least of which was to announce some election results, such as:

Five Directors with terms commencing this June 30: Lou Coffaro, Bill Conklin, Roy Frank, Jerry Mertens, and Bob Rutherford.

And for the coming year, joining then Pres. Allen Gruman will be new Pres. Elect Roy Frank, Club Sec'y Bob Rutherford and Treasurer Steve San Filippo.

And finally, as trustees for the Ray Wilson Fund (3 yr. terms): Bill Conklin, Jim Newell and Steve San Filippo.

Sounds like some pretty good choices. Congratulations and thanks to all!

And thanks as usual to Charlie B. and Jim G. for leading a serenade to St. Patrick's Day and to that good looking young chap who led the pledge, Mike Kreiss. We gave the invocation.

Past Prexy Bob Dooley handled the fining and apart from auctioning off the fine free badge to Charlie Bulanti, assigned some fines to be collected by Pete Hughes who paid up in advance with a sort of boxes rebellion - go find a couple of checks in all that paper. Pretty clever but who finally searched them out?

Our student guests this week as introduced by Merle Fruehling were a pair of fine young Woodside High'ers: Julie Grey and Tom Jacobowsky - the name is familiar - family too.

Our speaker was Rod Pierini, Exec. Dir. of the Criminal Justice Council who told all about the functions and activities of that agency. Club members Tony Guardino and Ken Hill, by the way, are among the 29 members of that council. Roy Frank did the introductions for Prog. Chm. Bill Jennings.

**NEWS AND NOTES** Raffle tickets for that Pontiac Fiero to be turned over to some lucky so and so at the May 5 auction were distributed. \$50. ea. but only 400 to be sold. Did you get yours.

Ever closer now to the District Conference April 26-28 at the Concord Hilton. Why not - you can't go wrong. Pres. Elect Allen has the details.

The Club Auction set for May 5. Get going! And tell Jerry Mertens you'll take how many bags of that fertilizer. At that price and quality you're doing your neighbors a favor - no imposition.

**NEXT WEEK** March Prog. Chm. Bill Jennings will introduce Tom Huenig, A State Senate Candidate who'll be talking to you about the "Community College".

Dave Schricker will be your finemaster - so get a lawyer if you think it'll help.

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

MARCH 27, 1984

PENINSULA COVENANT CHURCH

**TODAY** March Program Chm. Bill Jennings will introduce today's speaker, Glenn Smith, Chancellor-Superintendent of San Mateo County Community College District whose topic appropriately enough is "Community Colleges".

Dave Schricker is expected to be your finemaster. One of these days the schedule is bound to hold.

**LAST WEEK** Richard Sperison, Art Coordinator for the S.M. County Office of Education spoke on the subject of "Art and You". Apart from putting his audience through some exercises in collages, Dick made some strong points about the impact of art on imagination and design - factors so significant in so many aspects of our society. New Pres. Elect Roy Frank took care of the introduction.

Bob Durkin was the latest in a sequence of pinch hitting finemasters and in celebration of St. Patrick's Day just past made a pretty good raid on the pockets of all the non-Irish.

Pres. Elect Allen, getting more deft by the week, once again subbed for Pres. Pete. Stan Easter and Dr. G. joined in leading a serenade to spring with Supervisorial Candidate Sid Berlin taking care of the pledge and Cliff Hawkins the invocation.

An interesting chance in having three visiting Rotarians from different cities in Canada on the same day. And among other visitors, for their second visit, student guests Tom Jacobowsky and Julie Grey.

Bill Conklin joined by his Rotariann Barbara did the honors in introducing and inducting his neighbor and new RC Rotarian Melvin (Mel) Anisman. A native of Texas and grad in Geology from the Univ. of Houston, Mel was joined in this special event by his charming wife, Carla. Mel's classification is Real Estate-Investment Management. He and Carla have one youngster, Sarah, age 6. Welcome!

**NEWS AND NOTES** Tendons, ankle fractures and now Bob Fortner with an emergency appendectomy last Friday. Let's hope Steve and Bob make as fine a recovery as did Lou Coffaro, off the crutches and not even limping on that ankle.

Alan Bostwick and Roy Frank will be leaving for the District Conference in Concord the morning of April 28 - be back by midnite that day. Here's your chance for some fine and free transportation. Fees and events (lunch, dinner, etc.) will run \$62 but well worth it for a great experience. Call them.

The new named San Mateo Evening Club will offer you another chance for making up - this time at the Le Sommit Restaurant at 2121 S. El Camino Real in San Mateo Tuesday evenings at 6:30 P.M.

How are you doing with those auction tickets, your own donation and those tempting \$50 raffle tickets for that Pontiac Fiero. Remember, it's limited to 400 tickets - pretty good odds. And oh yes, the fertilizer - give your orders to Jerry Mertens.

**NEXT WEEK** April Prog. Chm. Lem Summey says we'll be hearing from Fed. Res. Bank (S.F.) Officer Mike Hutchinson who will talk on the Int'l Monetary Fund and debtor nations problems - especially the impact on the U.S. banking system.

Finemaster - John Campbell. Think you can bank on that ?

Happy Anniversary

Hank & Mickey Corrica April 6

This Week

The meeting started off by Ross Stangeland leading in the pledge and Reverend Bob Paulus saying a short prayer.

Monte Carlo Night

Alpio Barbara announced that he has started to receive numerous gifts from members. Although there is still a ways to go. Those who have not gotten their gifts in to Alpio please do so As Soon As Possible. The smaller gifts in the range of \$25 - \$30 turn into Frank O'Neill.

Bo Robertson mentioned the ticket sales are improving and he needs the money from each of us as the tickets are sold.

Frank O'Neill once again announced there will be a District Conference held at the Concord Hilton on April 20th through April 28th. For more information see Frank.

President Mike Telleen gave thanks to Frank O'Neill who spent 12 hours

putting together the awards package representing our club. This is turned into the District Governor. President Mike read a thank you note from John and Leslie Bolton for the flowers we sent to them on their recent anniversary.

John Weinmann brought the news and announced that there is a golf tournament held by the St. Helena Rotary Club on May 11th. See John for more details. Warren Mitchell did a good job levying the fines as his questions related to water.

Fred West introduced the guest speaker Hubert Voight. Hubert gave a real interesting talk on the early days of the motion picture industry.

Next Week

John Mills will levy the fines, Fred West will bring us the news and Ben King has the program.

NEW RULES FOR MEMBERSHIP, ATTENDANCE

Since 1 January, 1984, three important rule changes have gone into effect:

1. Your club may now elect members

from anywhere within your city's corporate limits, regardless of your club's territorial limits. Your club may also elect members who live or work within the territorial limits of any immediately adjoining club or clubs;

2. To accommodate earlier retirement patterns, qualifications for past service members have been reduced to three years' membership (previously it was five);

3. Each member must be present for at least 60 percent of a club's regular meeting; otherwise he should be counted as absent.

### IMPORTANT NEWS FROM THE FOUNDATION

the Rotary Foundation Trustees recently made several major policy decisions to improve the quality and effectiveness of Foundation programs. Here are highlights of the changes:

\* Beginning in the 1983-85 period, Group Study Exchange (GSE) teams may comprise all men or all women at the discretion of the sending

district.

\* Commencing with contributions received in 1982-83, your district may substitute one earned 1985-86 Scholarship for a 1984-86 GSE Award.

\* Starting with contributions received in 1982-83, your district can carry forward, as credit for the next Rotary year, contributions in excess of the highest level it achieves from the Trustee's formula for granting additional Scholarships.

\* Beginning with 1985-86 Scholarships, age qualifications will be modified for Vocational, Journalism, and Teacher of the Handicapped Scholarships. Thenceforth all applicants for such Scholarships may be aged 21 through 50 years.

\* By 1985-86, extra Scholarships awarded on a competitive basis will no longer be available, and Foundation-subsidized language training (except for Japanese) will be eliminated.

CHARTERED APRIL 22, 1946  
DISTRICT 513

APRIL 3, 1984

PENINSULA COVENANT CHURCH

**TODAY** Mike Hutchinson, an officer of the Federal Reserve Bank in San Francisco, will be speaking on the International Monetary Fund, the debtor nation's problems and the impact on the U.S. banking system.

Lem Summey is your program chm. for April and, we expect, will take care of introducing Mr. Hutchinson.

Last week's finemaster was according to schedule. This week that schedule says it should be John Campbell. Think we can make it two in a row?

**THIS WEEK** Back from a command performance at the NFL meetings in Hawaii, Pres. Pete once again resumed his place at the podium.

Charlie B. and Dr. G. had the group riding off to London on a pony - hope you Yankee doodles do better on your R.I. Convention trip with Sid in June. Sure you will! Pete Tasseff led the pledge and that same past Prexy Sid took care of the invocation. Some of the language was not all that clear - but then what else can you expect in a campaign year. Clear, year - if only we could play a trombone like George.

Geo. Chaffey subbed for March Prog. Chm. Bill Jennings by introducing Chancellor Glenn Smith of the San Mateo County Community College District. A S.M. Rotarian himself, Glenn has appeared before our club before and his pertinent and penetrating remarks indicate his return appearance was welcome indeed.

Dave Schricker was on schedule as finemaster and on target as well. Think he was once a gunnery ofcr. on a destroyer - if not, he should have been.

Lucky we are as fine new members are being inducted week by week. Keep it up, that magical 100 is in reach. This time Bob Dooley introduced and inducted Ronald (Ron) C. Renard, Communications Sales Consultant for Executone of No. Calif.

A native of Delaware and grad of the U. of Del., Ron and his wife, Kathleen, reside in San Jose. They have three children, 26, 24 and 18 - Amy, Brenda and David. Ron's interests are in photography and antiques - ask him about the latter. Welcome!

**NEWS AND NOTES** Sorry to hear that Club Treas. Steve had to return home after trying to make it with that torn achilles tendon. This is a tough one - give him your encouragement.

Bostwick's car is taking Berlin, Frank, Hughes and Koster to the Dist. Conf. in Concord on the 28th. Alan's going too, but if he's in the trunk how does he steer?

Ron Koster reports that because of this year's fine performance in R.I. Foundation support (Paul Harris fellowships and new sustaining members) our club was able to recommend 4 - or was it 5 - R.I. scholarship candidates. Be sure to give Bill Conklin and Ron some well deserved accolades for their fine efforts.

The auction - Frank Addiego needs your ticket money by Apr. 17 and the donations and all else are really needed now. Please get the word to Frank, Bob Fortner and Chm. Lou Coffaro.

**NEXT WEEK** In celebration of Easter, a special musical program to be presented by Stan Easter - how appropriate. Our list says Fred Strathdee will be your finemaster. Could be he has some designs on you.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

APRIL 10, 1984

PENINSULA COVENANT CHURCH

**TODAY** Stan Easter is going to present a special musical program in celebration of that wonderful season upon us from which his name was taken.

Finemaster? This week it's Fred Strathdee's chance to hit or miss. If it's the former, you'll soon see what designs he has on you.

**LAST WEEK** Pres. Pete reminded all that Dorothy has arranged to let you start filling your plates at noon instead of quarter past - thus to give you that much more fellowship before the meeting gets under way.

And when it did Charlie and Jim led the chorus, Judge Edson (he'll never lose his honor) led the pledge and Bill Bergler gave the invocation.

Outstanding student guests Julie Grey and Tom Jacoubowsky from Woodside Hi joined us for their last visit and voiced their regard and pleasure at being able to observe Rotary in action.

April Prog. Chm. Lem Summey introduced the day's speaker, Mike Hutchinson, an economist with the Federal Reserve Bank in S.F. who gave some enlightening remarks about the Int'l Monetary Fund and the problems and prospects of debtor nations and the impact of it all on the U.S. banking system.

This week Joe Souza was the subbing finemaster and like Durkin last week, this past prexy turned in another outstanding job. Boy, what designated hitters we got!

Pres. Pete continued our recent string of new member inductions - he himself the sponsor, this time of County Sheriff Brendon P. (Mac) Maguire. Well known to all you needn't be told that Mac was born in Ireland but you should know that he and his wife (now Rotariann) Margo have five children ranging from 15 to 22. Mac says he is ready to take part and knowing him you know he will. Welcome!

Club Treas. Steve was back, still hobbling in a cast but not lacking in that always welcome grin.

**NEWS AND NOTES** From Bob Durkin comes word that we'll have two Japanese young people from Hiratsuka, a boy and girl both age 20 visiting with us this summer for the month of August. Two host families are needed plus the help of all of you in offering help in hosting some of the day to day activities of these young people. Let Bob know what you might do.

Did you hear Chaffey blow Conklin's swiss horn - all eight or more feet of it fresh from the Alps. And for that Bill tossed in another \$20 to the Rotary Foundation. Neat, and nice!

Jerry's fertilizer has arrived. Be ready to get yours and help unload the half of that 20,000 lbs. not yet sold. Your neighbors will thank you for getting them to take an 80 lb. bag for only \$16. A bargain indeed.

The auction - your donations, ticket sales, the raffle - you know all that's to be done. Well get with it for the time is now! Yes now - not tomorrow.

**NEXT WEEK** New members Blessing, Fox and Orozco will be giving their ice breakers - always an interesting and fun thing. Charlie Bulanti should be your finemaster - bound to be interesting and fun, if you escape. Otherwise - well?

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946

APRIL 17, 1984

PENINSULA COVENANT CHURCH

**TODAY** Icebreakers - from an interesting and varied cross section of new Rotarians in terms of ages, vocations and backgrounds. You'll enjoy hearing from Carl Blessing, Warren Fox and Oscar Orozco.

Your finemaster? None other than Charlie Bulanti. Usually he makes you sing and smile for free. So this time it's going to cost you.

**LAST WEEK** Where else but at RC Rotary do you have a symphony orchestra for lunch. Now that's class - real class.

Many thanks to Stan Easter for arranging it all and then conducting the Canada College Orchestra in a salute to the Easter season. If you'd like some more, remember, they're giving a concert up at the college on May 10. Why not take the time to both enjoy and recognize their fine work.

With Pres. Pete taking care of all the introductions, Charlie B. joined with Jim B. to take care of the serenading just as Stan Silverstein and Jerry Mertens took care of the pledge and invocation. Thanks to all.

Fred Strathdee finally broke the string of substitute finemasters for a change - no, more than change, it was that green stuff.

**NEWS AND NOTES** With nary a warning in advance, Sid Berlin noted the need for some immediate (starting this Saturday past) housing accommodations for two of the six member work study group just arrived from West Africa. This time the State Department selected District 513 to provide the honors of hosting these fine young visitors.

Who else but ever giving Bob Durkin volunteered to help out - sure hope some of you were willing and able to lend a hand.

From Don Hack - you know if you're one of those who still has to have your picture taken for the roster book. Let's get off the dime - it's even for free. All you have to do is show up at the Woodside Camera Shop at Woodside Plaza. They're all set up and waiting. Click and it's done with.

And if you haven't picked up or ordered some of that fine fertilizer - it really is a heck of a buy and good stuff indeed - get going - before Jerry Merten's garage at his home at 465 Woodside Drive (straight out Massachusetts from Woodside Plaza - it becomes Woodside Drive as you cross Fernside) starts settling from the half of it still unsold. That's 10,000 lbs. Jerry's handling it all - surely you can handle a bag or two.

Did you see Bud Meyer's donation to the auction - a weaving or whatever it's called of a sketch by one of the Royer grandchildren. Real clever. All kinds of things you can do or get - and give. Coffaro, Addiego and Fortner are waiting (now impatiently) for your donations, ticket sales, and raffle receipts. Times run out - so go, go, go!

Don't forget the District Conference little more than a week away at the Concord Hilton. You've got all the details. Now all that's needed is you.

**NEXT WEEK** Judge Thomas M. Jenkins will talk on meeting the needs of the aging. Active at both the state and national levels, Judge Jenkins has testified before both Senate and House Committees on this area of vital concern. George Szpotek will be finemaster, but it's not likely to be flowers he'll be tossing your way.

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946

APRIL 24, 1984

PENINSULA COVENANT CHURCH

**TODAY** Meeting the needs of the aging will be addressed by Judge Thomas M. Jenkins, immediate past president of the Northern California Presbyterian Homes. Judge Jenkins has been very active in both the State and National Association for the Aging and has testified before House and Senate Committees concerning legislation affecting the aging.

George Szpotek will be your finemaster and with that special day for bouquets just passed there'll be none of that coming your way.

**LAST WEEK** A busy agenda for Pres. Pete. Past Prexy Sid and Dr. Jim took care of the song, Frank Addiego the pledge and appropriately enough, Carl Blessing the blessing.

Finemaster Bulanti permitted no riddles to be solved but did pretty well at riddling the club to refurbish its coffers.

Lots of guests and most notably, of course, six fine gentlemen visiting District 513 from West Africa (Ivory Coast and Togo) thru the auspices of the State Department. Past Prexy Sid took care of the introductions - who else could so fluently handle the names! Our visitors were: Messrs. Diakite, Ibrahima, Issatieba, Siba, Yao and Ismaila.

All but one spoke only French so it was nice that after lunch former RC Rotarian C.J. Lucot showed up to help assist in their continuing tour of the area. Sid and Pres. Elect Allen were helping on that account and also deserving a big thank you are George Chaffey, Bob Durkin and Don Hack who, with their Rotarianns Ina, Glenny and Nancy provided overnite accommodations.

The day's program offered icebreakers from Carl Blessing, Warren Fox and Oscar Orozco. Wish we had the space to jot down all they said but as always, these icebreakers are full of interest and do such a fine job of helping us all to get to know one another so much better.

**NE' AND NOTES** As that Auction nite of May 5 gets ever so close all attention is - or certainly should be focused on this big event for the club's well used Treasury.

You've got to get your ticket money to Frank Addiego - how else to know how many for dinner.

Donations must be settled by today or they'll never get listed - and that's important. Tell Bob Fortner - tell Lou Coffaro. And get your raffle money to Lou as well. You want that hot little Pontiac Fiero, don't you?

Bob Durkin is lining up homes for this summer's young people who'll be visiting from Hiratsuka this August - a boy (20) and two girls (both 19). And if it's not housing you can give, don't forget to pick up a share of the other arrangements - trips, dining and the like.

The District Conference in Concord - don't forget. It's this Thurs., Fri., and Sat.

**NEXT WEEK** There'll be a program for sure - but you'll have to come to find out.

We do know the finemaster though - Dr. Tom Poore, so you can expect a little surgery on your wallets.

**N.B.** NO MEETING MAY 8. THE AUCTION MAY 5 TAKES ITS PLACE.

# ROTARY SPOKE

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946

MAY 1, 1984

PENINSULA COVENANT CHURCH

TODAY It's MAY! It's daylight saving time - it's almost the auction.....

Program Chm. for May, Jerry Mertens says our speaker today will be Bud Winter, himself a former national champion and former coach of the San Jose State Track Team - talking about the Olympics, an event we're beginning to see in a whole new light.

Dr. Jim Greenwell, the source of all those beautiful notes each week will be looking for another kind of note this week as he subs as finemaster for previously scheduled and another good doctor friend - Tom Poore.

N. Almost there - what better a time to remind all that one phase of that upcoming "Old Time Country Auction" is a Silent Auction - that's the time and place to bid on all those little gems, those likely to be reasonably priced (by bid) items that turn out to be just what you need for those really "it's a steal" bid.

LAST WEEK Prexy elect Allen is already an experienced podium presider (is that proper language, David or can we plead some journalistic freedom?)

So here he was again, once more calling on the tuneful talents of Charlie B. and Jim G. for the music; and for the pledge, who else but new member Brendon (Mac) McGuire. And for the invocation, thanks to Ed Garcia.

Prog. Chm. for April, Lem Summey introduced an old and always welcome friend, Judge Tom Jenkins. It would take a whole issue or two of the SPOKE just to list his incredible array of accomplishments in public service.

Judge Jenkins addressed the striking and mind boggling issue of the needs and impact of the aging - a matter of especial significance here in our own San Mateo County today and in the years ahead.

We can't recite all the facts and projections but be assured they are imposing and well worth your looking into most carefully.

Geo. Szpotek did the fining. His bouquets are perhaps a bit fancier - but for the pleasure of the treasur(y), no less expensive.

A passing note of no small degree - this past week was the 38th anniversary of R.C. Rotary's founding.

That's no small span - but how about having around yet such young and vibrant charter members, the likes of: Bob Brown, Jim Greenwell, and the ever effervescent and youthful Dave Schutz. There's no one of us who doesn't envy all they have been and still are.

NEWS AND NOTES Give a call to Russ Kent, that marvelous gent - just recovering from a slight stroke. Your words of encouragement still do count.

So here we are - the auction is here! NO MEETING MAY 8. MAY 5 - this Sat. is when it all adds up. You'd better believe - for this writer it's all that plus our birthday.

NEXT WE. No meeting the 8th. But something special is on tap for the 15th. Take our word - please be here!

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

MAY 15, 1984

PENINSULA COVENANT CHURCH

**TODAY** Let's see now. Where were we? The Auction was on the 5th. No meeting on the 8th (if you attended the Auction). So the last meeting was on the first.

Okay. So now it's the 15th - which means that our program is.....

Oh no - Mertens is our program chm for May, and for the 15th all he's got is "something special". Great! So how does Pres. Pete introduce that? Stick around and maybe you'll find out what's on the spit.

Finemaster? Yes, that we do know. It's Amador Bustos. Make believe you're still at the auction and keep on giving.

**LAST WEEK(S)** On the 1st it was former coach and now author, Bud Winter talking about how to relax and win. No question about how tension destroys and how much better your game without it. But he didn't say how. Guess you'll have to read the book.

From Ron Koster came the good word that one of the clubs R.I. Scholarship nominees is a winner. A real honor to the club and all who worked so hard on this. We trust you'll meet the recipient before too long. Paul Weston is his name. And what an award it is. According to Ron, records show that the average total of the grant adds up to about \$17,000!

THE AUCTION Saturday night, May 5 all that hard work by Lou Coffaro and his committee came to fruition. We don't have the final results but from your editor's notes on that grand evening, the numbers were pushing \$8,500.

So many gave so much and bid so much. What a marvelous effort. And what can you say about guys like Mertens and Pierce who bid \$1,400 and \$1,300 respectively for a pair of El Presidente's Enchilada dinners.

By now you've all no doubt received Pres. Pete's congratulatory memo including the note that as of the auction date all the tickets for the drawing on the Pontiac Fiero had not yet been sold and that ticket sale and drawing has been extended to June 26, date of the installation dinner.

So get busy and buy or sell the rest of those tickets. Call Lou C. for how many ever you need.

So many in the club deserve thanks for all their work on the auction - they were all listed in the auction catalog. But one more time, for sure, a very special mention has to go to Belmont Rotary's John Weinmann who does such a fabulous job as auctioneer.

**NEXT WEEK** Jerry says our speaker will be ex 49er Bruce Bosley on the NFL Alumni.

You'll enjoy the finemaster too - Lyle Edson according to our schedule. Judge for yourself.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946

MAY 22, 1984

PENINSULA COVENANT CHURCH

**TODAY** Former 49er, Bruce Bosley, will be talking about the NFL Alumni.

Lyle Edson is your finemaster. Look for the scales of justice to weigh heavily - on you. Here come de Judge.

**LAST WEEK** The Guerneville club has some 32 members. Fifteen of them - almost half the entire club - took an entire day off to make the trek to RC Rotary to do honor - a roasting if you will - to our own Pres. Pete. Now that's really something!

Particular recognition goes out to the three primary participants in this act - Chuck Marcia, Bob Schneider and Kevin O'Shea. And given a five buck fine apiece from the whole delegation (Pete did it), you just have to give a big "thank you" to the whole gang. Yes indeed, quite a gesture!

Bulanti and Greenwell led the full hall in song and helping celebrate the occasion, Past D.G. Al Quilici joined to lead the pledge with Roy Frank giving the invocation.

Also helping fill the hall were 49er QB and receiver coach Paul Hackett along with a group of the stars of the South County All Star football team and their coach this year, Sequoia's Ivan Hamilton.

Amador Bustos tried to even out a bit the fine burden but, as usual, all too many of those way under their quota were not on hand.

**NEWS AND NOTES** According to Lou Coffaro, preliminary figures indicate that the auction results will exceed \$9,000. A big thanks to so many. And a reminder to those who didn't - look at the results and start thinking about what you can do next year. That's all it takes - just thinking and doing.

Bob Durkin has a home for the 20 yr. old boy from Hiratsuka this August but still needs accommodations for the two 19 yr. old girls who'll also be coming. It's really a marvelous experience if you can manage it - the whole month or even half of it. Talk it over with your Rotariann and call Bob. A home(s) with a daughter is obviously preferred. And think of the experience it'll be for her too.

Jerry Mertens still has some of that great fertilizer left. Considering all he's done be a good guy and tell him you'll pick up a bag or two. Only \$16.50 for 80 lbs. Brighten your block. Parcel out some 5 or 10 lb. bags to your neighbors - tell 'em it's from Rotary. Why not?

Pres. Elect Allen needs your sign-up assignment sheets. Like NOW. Think of all he has to do. Now fulfill your smaller but important part of your Rotary responsibility.

Sorry to report that John Campbell has resigned - press of business. Let's hope he'll be able to rejoin down the pike. We're at 87 members now with two coming in and 4 or 5 in the works. Could end the year with 94 - up from 84 at the start. Pretty darned good - but no reason not to still hope and strive for that goal of 100.

Around the corner, the R.I. Convention in Birmingham, England and the great tour arranged by Past Prexy Sid Berlin this coming June 2-16.

**NEXT WEEK** Will have to get the word from May Prog. Chm Mertens today. Sam Dafnis is due up as finemaster - look for him to clean out your pockets.

**N.B.** Installation dinner is June 26 at the Floodlight - make a note.

On May 15, Dick Dodge reported to the membership on the Charities Committee Report that had been presented to and approved by Club's Board of Directors.

We quote now the summary of that report as included in the minutes of the Board's meeting of April 19, 1984. (That action and the plan were once again reviewed and confirmed by the Board at its meeting this past Thursday, May 17.)

5. Charities Committee Report: Chairman Dodge accompanied by Bill Stangel reported on the overall distribution plan and procedure developed by their Committee.

The Plan:

- A. The Board of Directors will determine the total contributions available for that year, and the funds that would be set aside for Club scholarships.
- B. The balance of the allotted funds will be distributed as follows-
  1. 50% for a Major Project, yet to be determined.
  2. 30% will be divided equally among these four areas of concern and to the particular organizations in these areas-
    - . Youth - YMCA
    - . Needy - Salvation Army
    - . Hungry - PADUA Dining Room
    - . Handicapped - KAINOS
  3. 20% will be available to other community needs/projects, but any one contribution will be limited to 10% of the funds in this category.
- C. The Committee recommended that the Board approve this Plan for a three-year trial period, and that the organizations named be advised so that they may plan on an annual contribution for the next three years.

The Board enthusiastically approved the Report and expressed its appreciation to Chairman Dodge, Bill Stangel, and the other members of the Committee.

Msgr. Peter G. Armstrong, President  
 Rotary Club of Redwood City  
 Redwood City, California

Dear President Pete:

Following is a summary of Redwood City Rotary attendance for April, 1984, as reported to the District Governor after the April 24 meeting:

<u>Date</u>	<u>No. of Members</u>	<u>Excused</u>	<u>Absent</u>	<u>Percentages</u>
3	88	15	4	94.52
10	88	15	8	89.04
17	88	15	11	84.53
24	88	15	4	94.52

Average attendance for April was 90.75 per cent.

We slipped a bit in April, only SIXTY-NINE of our 88 members being eligible for the "100% Club." But that's still 78 per cent, compared to only 22 per cent with less than perfect records. Here are the fellows who either attended every one of our April luncheon meetings or enjoyed the satisfaction of making up (including, of course, the 15 members excused because of age-plus-years-of-Rotary-service):

Addiego	Dafnis	Giannini	Jennings	Newell	Schutz
Armstrong	Dodge	Graves	Kent	Novak	Silverstein
Bergler	Dooley	Greenwell	Koon	Parcel	Souza
Berlin	Durkin	Gruman	Koslosky	Pearson	Stiff
Blessing	Easter	Hack	Koster	Pierce	Summey
Bostwick	Edson	Hawkins	Kreiss	Poore	Tresnon
Brown	Enomoto	Helbush	Long	Renard	White
Bulanti	Ercolini	Hjertberg	MacLeod	Royer	Wooley
Caillouette	Fitzgerald	Hodgson	Meyer	Rutherford	Young
Chaffey	Fortner	Hughes	McGuire	San Filippo	
Coffaro	Garcia	Huxhold	Mertens	Schneider	
Conklin	Gerfen	Jacoubowsky	Mitchell	Schricker	

As mentioned above, only 22 per cent of our members-- a distinct minority-- failed to make the "100 % Attendance Club" for April. We encourage them to join the crowd in future months. They will find there are real satisfactions to be gained by attending the home club or visiting another club each week. Try it! You'll like it!

<u>Member</u>	<u>Meetings Missed</u>	<u>Dates</u>	<u>Member</u>	<u>Meetings Missed</u>	<u>Dates</u>
*Campbell, John	4	3, 10, 17, 24	Anisman, Mel	1	24

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946  
DISTRICT 513

MAY 29, 1984

PENINSULA COVENANT CHURCH

- TODAY** From Program Chairman Jerry Mertens comes word that our speaker will be District Attorney Jim Fox.
- John Wooley will be passing out the fines - a new way to keep your wallet in shape - thin!
- LAST WEEK** Neither the County Sheriff nor the city's Chief of Police could succeed in protecting the club president's bell. That's right, those Guerneville gangsters took off with the bong. Let's see if they make a confession to our Prexy - otherwise it's downhill all the way. And you know where that leads.
- Thanks as always to Charlie B. and Jim (Dr.) G. for the vocal exercise and to Mario Ercolini for the pledge and Carl Blessing the prayer.
- Just as reliable as always, Bill Conklin pinch hit as finemaster for de judge. And did you take note of that list of new RC Rotary Paul Harris sustaining members!
- When you think of all the good it does why not step up and add your name to the list of all those thousands of P.H. Fellows whose actions have helped continue to build the great base from which R.I. reaches out with such wonderful impact the world over.
- Bob Pierce introduced ex 49er great and NFL Hall of Fame'er Bruce Bosley who told all about the history and growth of the NFL Alumni.
- It's an incredible success story - a nationwide effort to raise funds and do a job of "caring for kids" coupled with a helping hand for those pro-football vets whose days preceded the now established pension plans of the NFL and other Canadian and U.S. pro football leagues.
- NEWS** Pres. Pete once again reviewed the Club's new program for distributing funds among its areas of charitable concern.
- NEWS** Just as Ron Koster was about to announce this year's six scholarship winners, Pres. Pete gave the good news that the Club's Board had just approved an increase in the scholarship awards from \$500 to \$1000 (each). And it starts with this year's winners. Won't they be happy to get that news! Ron is now trying to arrange their attending a Club luncheon - perhaps even today - so you can meet these fine young people.
- As of last week, Bob Durkin was still looking for homes this August for two of this year's student visitors from Hiratsuka (two 19 yr. old girls). Let's hope you're responding and thinking as well of what you can do to help out with their entertainment and travel during their visit. It's not only fun but with enough involved it's not even a burden.
- This year's district assembly will be held in Ukiah Saturday, June 30, with most expected to arrive Friday in time for a wine tasting party and dinner and then stay overnight.
- NEXT WEEK** June Program Chm. Pete Hughes says our speaker will be Peter Billeveau, Delta Airlines. His topic: "Airlines, Pilots and Safety", one pilot's insider look at air travel today

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

JUNE 5, 1984

PENINSULA COVENANT CHURCH

HAVE YOU VOTED YET? BUT YOU WILL. AND PLEASE, NO EXCUSES.

It almost seems trite except for the fact of such appalling voter turnouts. In our own city alone of almost 60,000 we typically have Councilmen elected to office with a mere 3,000 votes. Our system cannot long survive with so few giving so much power to even fewer. Can you possibly perceive that the incredible monies spent to reach public office could ever be so expended without there being a return to someone? Can you ever afford not to vote? Vote, and do it with every ounce of intelligence and sincere concern you can muster!

**TODAY** Peter Billeveau of Delta Airlines is our speaker. His topic: "Airlines, Pilots and Safety", one pilot's insider look at air travel today.

June Program Chm. Pete Hughes will likely do the introducing - unless he's off to the R.L. Convention in Birmingham England with Pres. Elect Allen and the rest of the bunch that signed on to enjoy Past Prexy Sid Berlin's wonderful excursion to the convention along with a bit of London, Scotland and the Emerald Isle.

**LAST WEEK** Pres. Elect Allen took the podium - and tinkling on a teacup at that. Could we dare hope that Pres. Pete might have been in Guerneville to retrieve the bong gong?

Stan Easter and Dr. G. took care of the chorus with Art Law leading the pledge and Bob Stiff doing the invocation.

Bob, by the way, also introduced his guest, Julie Aldigé, one of the many fine students at Canada who also happened to be one of our scholarship award (\$1,000) winners this year. A journalism major, Julie expects to move on from Canada to Columbia U. - and with straight A's, why not!

New member Brendon Maguire introduced our speaker, S.M. County D.A. Jim Fox, who spoke of some of the major problems confronting our criminal justice system. Among them, Jim spoke of the big problem of the lack of resources (that's \$) resulting in - among other things - the overcrowding in county and local jail facilities.

Bill Tresnon joined the growing list of pinch-hitting finemasters. Who knows, maybe we'll be having designated finemasters next.

Always a hilite - another induction of a new member. This time Bill Stangel introduced and inducted Van ("Van K") Zannis III, Ass't to the Chairman of MT. South Corporation whose classification is Real Estate, Loans. A resident of Hillsborough, Van K bears the distinction of being our youngest member. Welcome!

**OTHER NOTES** Dr. Bostwick's official attendance report for April is out - 90.75% is the number. Not too bad but are you one of those who can make it better.

Pres. Elect Allen has published the committee assignments for his year '84-'85. Be sure you check it out and get going on your new responsibilities.

**NEXT WEEK** Diane Greenberg of the Robertson, Alexander Law Firm will speak on "The Washington Scene". A former Washington, D.C. attorney, Ms. Greenberg will give you a look at the nation's political capital.

Lyle Edson is expected to be your finemaster - your chance to tell it to "de judge".

Another reminder - the District Assembly is coming up June 29 (Fri evening) and 30 in Ukiah. With Pres. Elect Allen abroad, talk to Sec'y Bob about reservations.

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

JUNE 12, 1984

PENINSULA COVENANT CHURCH

**TODAY** Diane S. Greenberg of the law firm Robertson, Alexander et al will be talking about "The Washington Scene". A former Washington, D.C. attorney, Ms. Greenberg will give you a lawyer's look at the nation's political capital.

He may have retired his robe but he's still "de judge" and today he'll still be assessing fines. You've guessed it - today's finemaster is none other than Lyle Edson.

**LAST WEEK** Pres. Pete was back at the podium and like Pres. Elect Allen last week, tinkling on a teacup. Seems our bell is still in Guerneville. Seems like the least he could have done was bring the big one from St. Pius. Now that would stop the talking.

Thanks to past Pres. Sid B. and Dr. G. for celebrating election day - 'fraid that was the last time though - and to Pete Hughes and Charlie B. for the pledge and invocation.

John Wooley pointed a "Fine" finger at some of those most deserving it as this year nears an end.

Pete Hughes introduced our speaker, Delta pilot Mike Cahill who gave an interesting insight into the question of safety in air travel today. For this listener it was most reassuring to get this insiders look at how it's done (making it safe) and mind boggling as well to think of the 140 computers buzzing and blinking away on today's 767 as one example.

From Roy Frank an earnest and meaningful pitch to all to get the rest of those raffle tickets sold. 170 are gone. 70 more are needed to reach the 240 minimum and from then on (to 400) it's all a big plus for our charities.

It's that 70 that's so critical though - to avoid the embarrassment and future damage to any subsequent raffle program if the whole deal has to be cancelled and all monies refunded. It would be a serious blow to RC Rotary's future fundraising prospects.

The odds are still fantastic. At the minimum, 1:240 for \$10K or the Fiero. I pledged another and I'll get my neighbors - or me, if it has to be. So can you!

Three more of our six \$1,000 (each) scholarship winners joined us for lunch. Week before it was Julie Aldigé of Canada College. This week it was Kim Scutero and Christiana Quandt of Sequoia High and Wendie Li of Woodside. Outstanding students all, Kim is headed for Foothill first and then Sacramento State while both Wendie and Chris are on their way to U.C. Berkley.

The two other winners are Silvia Sandoval of M.A. and Raul Pacheco also of Sequoia.

**TAKE NOTE** From Bob Durkin, one more plea for the homes needed to accommodate the two 19 yr. old Hiratsuka girls who'll be visiting in August. (The 20 yr. old boy is already taken care of). We're getting down to short strokes and this long program is pretty much on the line so please, get very serious about what you can do. Really, it's such a wonderful experience both ways. Call Bob.

Installation and debunking - it's the 26th of this month at the Floodlite. \$15 per with cocktails starting at 6:30. Bergler's the one to tell how many tickets you want.

**NEXT WEEK** Prog. Chm. Pete Hughes continues a month of fine speakers with Delvin Williams (former '49er and pro football great), National Sports Career Management, speaking on "The Evolution of an Athlete".

Don Bechtel has the FM duty. Your coverage just ran out.

## ROTARY CLUB of REDWOOD CITY

### CALIFORNIA

CHARTERED APRIL 22, 1946

JUNE 19, 1984

PENINSULA COVENANT CHURCH

**TODAY** Former 49er and pro football great, Delvin Williams, National Sports Career Management, will talk about professional athletes today. His topic: "Evolution of An Athlete".

Don Bechtel will be your finemaster. Casualty Insurance? Sorry, this time he's going to collect, not you.

**LAST WEEK** Can you believe that Pres. Pete did the kinds of things he did to heist Guerneville's super gong to replace the RC Rotary bell that club's gang of thieves took from under the nose of our very own County Sheriff and RC Chief of Police.

Saints perserve us. Surely the Pope must have interceded and arranged to clear his (Pete) name of such worldly misdeeds by having the Guerneville removed from his sinful possession before he (yes, Pres. Pete) had even left the hall.

Who has whose bell. Best we should turn Orval Graves and his Sherlocks loose to solve this ever deepening mystery.

Back to reality. Thanks to Charlie and Jim for the melody (was it "Home on the Stove"?) and Ron for the pledge and Dean the invocation.

Lyle (still de Judge) Edson did the fining - hasn't lost his touch.

And Tony Guardino performed the happy task of inducting his fellow RC Chief, Peter O'Brien of the RCFD. In addition to his Rotariann, Loraine (Lori), Pete's family includes daughters Christine and Karen (20 and 18) and son Joe (16). A native of S.F. Pete has been with the RCFD for 22 yrs. - one short of half his life. Welcome!

As an added attraction, R.C. Finance Director and not quite so new member (10/83) Pete Tasseff gave an icebreaker accounting of how he got from there to here. Interesting, as always - thanks Pete.

Lem Summey introduced our speaker, attorney Diane S. Greenberg, who shared some of her interesting experiences and observations on the Washington (DC) political scene as an Ass't Legal Counsel for the Dept. of Interior during the Carter administration. An interesting insider's view.

**NEWS AND NOTES** Bob Durkin has been working so hard to arrange homes for our three Hiratsuka student visitors this August. Cliff Hawkins and Dick Dodge have committed to the care of one boy (20) and one girl (19). Still to be provided for, one more 19 yr. old girl. Come on now. Speak up, this is as much a delightful opportunity as it is a generous fulfillment of service.

The car raffle - we're down to the wire. 190 sold. 50 more needed to reach the minimum - that's the critical goal. Please, please, take heed of Roy Frank's urgent pleas. This is a matter of credibility for the club and will bear heavily on any future fundraising efforts. We need to sell the 400 limit, but at the 240 minimum - my oh my, what wonderful odds for a 10-12 thousand \$ prize!

**NEXT WEEK** Tempus Fugit - how time flies. Already! Debunking (of Pres. Pete) and installation of Pres. Elect Allen. Remember, it's the 26th (Tues) at the Floodlight Restaurant. If you've not yet been called for ticket signups (\$17.50/person) tell Bill Bergler. But either way, don't miss this chance to see Pres. Pete possibly detoured from the road to those pearly gates. Ron Giannini will be finemaster - you can assess what that means.

# ROTARY SPOKE

## ROTARY CLUB of REDWOOD CITY CALIFORNIA

JUNE 12, 1984

PENINSULA COVENANT CHURCH

**TODAY** Diane S. Greenberg of the law firm Robertson, Alexander et al will be talking about "The Washington Scene". A former Washington, D.C. attorney, Ms. Greenberg will give you a lawyer's look at the nation's political capital.

He may have retired his robe but he's still "de judge" and today he'll still be assessing fines. You've guessed it - today's finemaster is none other than Lyle Edson.

**LAST WEEK** Pres. Pete was back at the podium and like Pres. Elect Allen last week, tinkling on a teacup. Seems our bell is still in Guerneville. Seems like the least he could have done was bring the big one from St. Pius. Now that would stop the talking.

Thanks to past Pres. Sid B. and Dr. G. for celebrating election day - 'fraid that was the last time though - and to Pete Hughes and Charlie B. for the pledge and invocation.

John Wooley pointed a "Fine" finger at some of those most deserving it as this year nears an end.

Pete Hughes introduced our speaker, Delta pilot Mike Cahill who gave an interesting insight into the question of safety in air travel today. For this listener it was most reassuring to get this insiders look at how it's done (making it safe) and mind boggling as well to think of the 140 computers buzzing and blinking away on today's 767 as one example.

From Roy Frank an earnest and meaningful pitch to all to get the rest of those raffle tickets sold. 170 are gone. 70 more are needed to reach the 240 minimum and from then on (to 400) it's all a big plus for our charities.

It's that 70 that's so critical though - to avoid the embarrassment and future damage to any subsequent raffle program if the whole deal has to be cancelled and all monies refunded. It would be a serious blow to RC Rotary's future fundraising prospects.

The odds are still fantastic. At the minimum, 1:240 for \$10K or the Fiero. I pledged another and I'll get my neighbors - or me, if it has to be. So can you!

Three more of our six \$1,000 (each) scholarship winners joined us for lunch. Week before it was Julie Aldigé of Canada College. This week it was Kim Scutero and Christiana Quandt of Sequoia High and Wendie Li of Woodside. Outstanding students all, Kim is headed for Foothill first and then Sacramento State while both Wendie and Chris are on their way to U.C. Berkley.

The two other winners are Silvia Sandoval of M.A. and Raul Pacheco also of Sequoia.

**TAKE NOTE** From Bob Durkin, one more plea for the homes needed to accommodate the two 19 yr. old Hiratsuka girls who'll be visiting in August. (The 20 yr. old boy is already taken care of). We're getting down to short strokes and this long program is pretty much on the line so please, get very serious about what you can do. Really, it's such a wonderful experience both ways. Call Bob.

Installation and debunking - it's the 26th of this month at the Floodlite. \$15 per with cocktails starting at 6:30. Bergler's the one to tell how many tickets you want.

**NEXT WEEK** Prog. Chm. Pete Hughes continues a month of fine speakers with Delvin Williams (former '49er and pro football great), National Sports Career Management, speaking on "The Evolution of an Athlete".

Don Bechtel has the FM duty. Your coverage just ran out.
