TODAY

Today we start another new year in the life of RC Rotary. Tomorrow we start another new year in a life of freedom. Both to be celebrated and both requiring that ever necessary sober reflection and rekindling of spirit. Happy all of it to all of us.

An appropriate time it would seem for a Club Assembly and that's what today's program's all about.

Lem Summey will be finemaster - a sort of persecution by the prosecution.

JUST V OR TWO

On the 19th, then Pres. Pete took to the podium for the last time, justly proud of a year well done and probably relieved at the prospect of rejoining the group for a change.

Dave Schutz was our finemaster. A fitting and eloquent way to attend to some over dues.

Ex 49er and NFL great, Del Williams spoke of the National Sports Career Management organization he heads and its efforts to assist young athletes, their families, schools and communities in preventing substance abuse and in coping with the pressures of professional sports careers and planning for later transitions to other careers.

INSTALL- ATION AND DEBUNKING

The event, of course, was the annual dinner last Tuesday at the Floodlight Restaurant.

And what a fun evening it was with MC Bob Durkin ably managing things from the podium.

We got our bell back and so did the boys from Guerneville. What a great bunch.

And finemaster Bob Pierce got bit of everything from almost everybody.

But the biggest get was the Pontiac Fiero got by raffle winner past D.G. Bob Barwick of Napa. And you and I thought for sure we had it won. Here's hoping the old car holds up till the next raffle comes around. Thank Roy Frank for all that push that finally put it over the top and Lou Coffaro and all who put it all together in the beginning.

How about that debunking! What a fine job and how thoughtful to drape now Past Prexy Pete in a 49er jersey appropriately numbered (fun after) 50. They don't wear ties either and also sport a shining dome.

And those red marks implanted all over Pete's happy face - were they battle scars in defense of his celebacy against our own Dallas Cowgirls? Seems like our man of the cloth finally got busted as the show almost ballooned out of proportion.

It really was as MC Durkin so aptly noted in regard to the "borrowing" of the bells: "He knew he shouldn't have done it but it did feel so good!"

But if you weren't there, there's no way these remarks can make any sense. It was indeed a marvelous last hoorah with applause for a well done due so many. Bergler, Souza, Edson, Pierce, Summey, Durkin - and more.

Nonsense all done, it was, of course, the Installation dinner and a grand way to celebrate the start of a new year with now President Allen Gruman at the helm.

And a good time to recognize the club's hard working Board of Directors. Remember to give them your working support and constructive comment. Help them to help you serve Rotary.

A good time to reflect on Pete's remarks on Rotary and the importance of family, community, fellowship, service and giving.

And when you think of and thank Past Pres. Pete and new Pres. Allen, do take the time to read the words about and from new R.I. Pres. Carlos Canseco in the July issue of the Rotarian.

Thanks to all for a wonderful evening. And oh yes, there was a beautiful piece of Waterford crystal for Pete and flowers for Pres. Allen's lovely helpmate Lois and Pete's very able and thoughtful secretary and assistant at the Parish Barbara.

NEXT
WEEK

Leif Syrstad has a fine array of programs for July starting on the 10th with Paul Brand, Information Officer for the Bay Area Air Quality Maintenance District, talking about the automobile smog certification program.

Former SM County schools superintendent J. Russell Kent dies

Times Tribune staff

J. Russell Kent, superintendent of schools in San Mateo County from 1967 until his retirement in 1979, died Wednesday in Menlo Park after a prolonged illness. He was 74.

Kent, who was born in Pasadena in 1910, might have become rich in private enterprise but instead chose a career in education.

Although he had opened a successful baby laundry business at a time when soldiers were coming home from service in World War II, Kent's first love was education. So, after eight years, he sold his share of the business and returned to Stanford University to pursue a doctorate in school administration.

"I had seen the conditions of poverty in Japan and Korea, and I became impressed with the advantages we in the United States had," Kent said in an interview five years ago, describing how a sailing adventure when he was 19 first sparked his interest in teaching. "I realized education was one of them and resolved to work in that field."

In the early 1930s, Kent had trou-

adult school principal.

But when the superintendent made him angry one morning, he quit in the afternoon and went into the laundry partnership.

After receiving his doctorate degree from Stanford in 1952, he became an assistant professor of school administration.

He subsequently became professor of school administration at San Jose State University, superintendent of schools for the Hillsborough City School District and superintendent of the San Mateo County Office of Education, serving three four-year terms, from 1967 to 1979.

Myron Schussman, deputy superintendent of the San Mateo County Office of Education, worked with Kent during the years when the department developed an innovative educational resources center organized around electronic handling of information. Kent also pioneered the development of outdoor education, one of his major interests.

Schussman said Kent demonstrated leadership during the

victory by a 15,000-vote margin. The next two times he ran unopposed before retiring at 68.

He was recognized as an expert on school finance.

Kent received numerous professional recognitions, including the Marcus Foster Award and the NAACP Freedom Award.

He is survived by his wife, Doris R. Kent of Menlo Park; three daughters, Connie Kent of Brit-

JULY 10, 1984

PENINSULA COVENANT CHURCH

TODAY Leif Syrstad is Program Chm. for July. Today you will be hearing from Paul Brand, Information Officer for the Bay Area Air Quality Maintenance District on the subject of the auto smog certification program.

Pres. Elect Roy Frank is your finemaster - pretty smooth; that is - uh, well, we mean, on top of everything. Sort of a frankless, - oops, we mean frankness. You know....

LAST WEEK Quite an opening bang for new Pres. Allen. Bang - not bong. The bell is still to ring. Maybe today? Time to terminate the tinkling.

A Club Ass'y with entertainment. Wow! And a new wireless mike. Now you can be heard even if you're not as vocally well endowed as Past Prexy Sid.

What about that John Weinmann. Where do the talents end? Really too bad if you missed his new suit or the barber shop quartet. Their name - Dan Odom and the Three Docs. Yes John was one of the Docs (D.V.M.). The others? Our own Pres. Allen (PhD) and Jim Boso (M.D.). And at the piano - Linda Odom.

And on top of that a very well done slide show - sound and all - covering the R.I. Convention in Birmingham. Who did it? Who was the narrator? Yes indeed, our new Club President.

Who thought Club Assemblies had to be - well, you know. A fine start for Pres. Allen. Good show!

And more to come. From the District Assembly in Ukiah, an appropriate and well deserved recognition for Bill Conklin who received the Rotary Foundation District Service Award for all those tremendous strides made in P.H. fellowships and sustaining memberships achieved by our Club under Bill's fine leadership.

Past Prexy Sid will be meeting with Past D.G. Bob Rockwell to once again survey the prospects for a second R.C. Rotary Club in Redwood Shores. Maybe the time has come. Call Sid if you'd like to participate in a possible organization effort.

Lem Summey did the fining - recognizing the efforts of the past year's committee chairmen. And all of us lucky guys paid dearly for that recognition. Thanks a bunch.

And oh yes, Orv Graves won the first of the new cash sharing raffle pots, No more bottles but lots of bucks. Orv picked up \$23. Not bad.

NEWS AND WHAT ELSE Did you hear Cliff Hawkins' plea for help in entertaining this summers visiting students from Hiratsuka? You know what it's all about. August is the month and even if you can't do a big thing, you sure can offer to give a helping hand. Stand up and be counted! Call Cliff.

Club Treas. Steve reminds all that those dues are due - Now.

Schneider is transferring to the Menlo Club. Their loss is our gain. Is that the way it goes? After all, he is a Past Prexy. Now you'll feel even more at home when you make up in Menlo. Cheers Phil.

NEXT Laurence J. Wodarski, Dist. Dir. of the Small Business Admin. will talk about the various business assistance programs available through the SBA.

PENINSULA COVENANT CHURCH

TODAY Our speaker is Laurence J. Wodarski, District Director of the Small Business Administration who will be telling you about the various business assistance programs available through the SBA.

Paul Keckley will take care of the fining and when he's done you'll probably need a little therapy for those pinched wallets.

LAST WEEK It was only week no. 2 and already Pres. Elect Roy had to step up to the podium for his first try. Sorry, though, that it had to be because Pres. Allen was not feeling well.

Thanks to Stan and Jim for taking care of the sing along and Mario Ercolini and Lem Summey for the pledge and invocation, respectively.

And thanks to whomever or whatever it was that got our bell back. And how about that lapel mike for those at the podium to match the technical level of the wireless mike now able to roam the hall. Once again, Rotarian Dan Odom was on hand to oversee the installation of this fine new equipment.

Pres. Elect Roy did double duty this day - also taking to the podium as finemaster - and he really enjoyed it. Nice someone did.

An icebreaker from Mario Ercolini - sure a fine way to get to know our new members. Brought up and schooled in S.F., Mario and Joni Ann were married when he was just 20 and she 19. They have a 7 yr. old boy. Wish we had the space to cover it all.

And another fine event - the induction of new member Ed Maruyama by his sponsor Dr. Ron Koster. Ed is a former Rotarian (San Jose) and owner of Hedge Printing here in R.C. Ed is a native of Salinas and his wife Anne hails from Sacramento. They have two sons, Kelly (21) and Scott (20) and two daughters, Lisa (18) and Jill (12). Ed and Anne make their home in San Jose. Welcome!

Our speaker last Tuesday was Paul Brand, Information Officer for the Bay Area Air Quality Maintenance District. It was a well received and interesting session. You'd not likely guess that Mr. Brand was a native of London, a grad of the U. of London and former soldier, journalist, war correspondent, and constable - and all that before a stint with Standard Oil and finally the District. He was quite upbeat on the auto smog certification program, for both the air quality improvements and benefits to the car owners. Hope he's right.

OTHER VARIA Don't forget that Treas. Steve is eagerly awaiting your now due dues.

And don't forget that Cliff Hawkins needs to hear from you on what help you can give in entertaining our student visitors from Hiratsuka this August. Even if you don't know what, at least tell Cliff you're ready to help someone who does.

And do you have a copy of the budget? Are you looking it over? The club is only as strong as the sum of all of you. Get involved!

Did you know John Esson joined the retirees? So he's too young but maybe now we'll get to see him.

NEXT WEEK Prog. Chm. Leif Syrstad says our speaker will be Bob Brenne, Ass't Director of Nuclear Safety Analysis at the Electric Power Research Institute who will talk about nuclear power, its outlook, reactor safety and economics.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

JULY 24, 1984

PENINSULA COVENANT CHURCH

TODAY Bob Brenne, Ass't Director of Nuclear Safety Analysis at the Electric Power Research Institute will be talking about nuclear power, its outlook, reactor safety and economics.

Sgt-at-Arms Orozco says that Paul Young will be our finemaster. That should keep you on your toes.

LAST WEEK Pres. Allen was back at the podium - but not today as he's back home in Minn. helping celebrate Lois' mother's 90th. Stan and Jim took care of the songfest with Dr. Brown leading the pledge and Merle the prayer.

Paul Keckley did fine with the fines but let the fine free badge go to Jake for all of 6 wks for the paltry bid of \$9. And Jake can't even give him another write-up - probably too young to even remember the game.

Our speaker was Laurence Wodarski, District Director of the Small Business Administration who described some of the many programs and activities conducted by that agency. The statistics on the scale and impact of small business on our national economy and employment were most impressive.

An ongoing Federal agency, the SBA is responsive to the policies of each new administration. Current attention to the needs of women and minorities speaks well for the present administration.

Bud Meyers' resignation - after 30 yrs. with RC Rotary - hilights the ongoing need for new membership development. Our best wishes to Bud and Bernice in all their new activities and many thanks to Bud for all his many contributions and service to our club.

Also sorry to hear that Ed Garcia is leaving the club. A practical matter of business, Ed will be joining the Burlingame club.

And a hearty welcome to a new inductee, Ernest (Ernie) A. Glenn, Branch Manager of the California 1st Bank. Introduced by sponsor Frank Parcell, Ernie is a former Rotarian, having joined the San Bruno club in '75. A native of Ann Arbor, Mich. he presently resides in Hayward where, as it happens, he got his B.S. from Cal State. Again - welcome!

Pierce won the raffle - all of \$26. Not bad but really a matter of justice. With Bob it comes back so fast.

NEWS AND NOTES The time is now. Our Japanese student visitors this summer will be here for the month of August and your help is needed in helping provide for their entertainment. No effort is too little - or too big. Call Don Hack. He can't call you - be responsive. Not only can you do something. You've no idea how much you will enjoy it - wonder why you didn't step up sooner.

The Burlingame Club sponsors the North-South all star football game with proceeds to the mid peninsula Boys Club. With many players from Sequoia district schools participating, why not join the fun on August 2nd - in San Mateo as we recall, but you can find out.

COMING UP On the 31st, July Program Chm. Leif Syrstad says you'll be hearing from Walter Martone, Community Services Director for the S.M. County Employment and Training Div. who will talk about the county's implementation of the Job Training and Partnership Act which succeeded CETA.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

JULY 31, 1984

PENINSULA COVENANT CHURCH

TODAY July Program Chm. Leif Syrstad wraps up a fine month with the introduction of Walter Martone, Community Services Director for the S.M. County Employment and Training Div. who will talk about the county's implementation of the Job Training and Partnership Act which succeeded CETA.

To most your finemaster needs no introduction. To quite a few, however, it may be a new experience. John Esson's his name and he spent the last hundred years (give or take) with a firm known for its expertise in reaching out and touching (up) someone (you).

LAST WEEK Pres. Allen picked up the habit from past prexy Pete - well, not quite, since he does occasionally wear a tie, but he now has Pres. Elect Roy following the same now you see him now you don't routine.

And so it was that past prexy Bob Dooley was called to service, which he did well, as did songleaders Charlie B. and Dr. G. with pledge leader Fred S. and prayer leader Paul Y. following suit.

That same Paul Y. took to the podium as finemaster. To some, no doubt, it was a punk affair.

Leif Syrstad introduced speaker Bob Brenne, Ass't Director of Nuclear Safety Analysis at the Electric Power Research Institute. Headquartered in Palo Alto, the E.P.R.I. has a staff of 700 and an annual budget (this year's funding) of over \$260 million. Sponsored by the nation's utilities, they perform or arrange the performance of wide ranging research studies. His assessment of nuclear power - safe, needed and economical.

NEWS AND NOTES Orv and Ada Graves are celebrating a golden wedding anniversary. A good time for their own gold medal.

From Membership Chairman George Huxhold: "Our club, like most clubs, must grow in membership at least ten percent a year to offset normal attrition. Thus, real growth requires a continuous, concerted effort on the part of all our members." It's also a case of sharing Rotary and knowing all the good there is to be done. And we can do it!

Our new R.I. President is Carlos Canseco from Mexico. Dr. Canseco's theme is "Discover a New World of Service". Are you reading your Rotarian? Lots of good stuff there. Really.

Do you also know that your new District (513) Governor is Larry D. Myers of Ukiah? You should. Why? Because Rotary is International and through our own District we are a part of it all. R.C. Rotary is great but we can't forget the need to reach out and touch so many.

And speaking of reaching out - how about making sure you've got your check for this year's dues on its way to Club Treas. Steve.

It's also time to pitch in and help out in arranging a good time for our visiting students from Hiratsuka who will be here for the month of August. Do you know how good it feels. Try it, you'll like it.

NEXT WEEK Lem Summey is Prog. Chm. for August. On the 7th Lem says you'll be hearing from Dr. Tom Newman, a psychiatrist and fellow Rotarian on the subject of "What to do when your TV set goes out and you have to talk to the wife and kids."

PENINSULA COVENANT CHURCH

TODAY Welcome to those Rotarians who have joined with us this day to hear from Dr. Tom Neuman, a Psychiatrist and fellow Rotarian whose subject is: "What to do when your T.V. set goes out and you have to talk to your wife and kids."

For this and much more to come, thanks to our Program Chm. for August, Lem Summey.

Our schedule says that George Szpotek will take to the podium as finemaster. Get ready to be hit with every bloomin thing.

LAST WEEK With Pres. Allen back home again, past prexy Sid led an appropriate serenade to add a few more notes of joy to a golden wedding anniversary celebration for Orv and Ada Graves.

And joining in the fun with their own Rotarians were old friends and Rotarians Ina Chaffey, Josephine Edson, Chris Gerfen, Lily Greenwell and Betty Koon. Magnifique and congratulations!

And then to make a happy day even brighter, all enjoyed a couple more special events.

With two of our host families on hand to make introductions, Bill and Barbara Cenklin and Cliff and Gladys Hawkins introduced our fine young visitors from Hiratsuka this summer, Akemi Naruse and Kumiko Motoyoshi, two charming young ladies, and that fine looking young man, Shozo Matsuda.

Next came a new member induction - with Warren Fox doing the honors for new R.C. Rotarian John J. (Jack) Castle, an owner-broker, Jack's classification is insurance - bonds. Jack's Rotarian, Raegene is a native of R.C.; for Jack it's S. F. They have two boys, Russ, 22 and Kevin, 21 and the Castle's make their home on Mohican Way here in R.C. Welcome!

Our speaker this past week was Walter Martone, Community Services Director for the S.M. County Employment and Training Div. who gave a run down on the Job Training and Partnership Act which, in conjunction with the Private Industry Council does the job of succeeding its predecessor we all remember as CETA.

Our finemaster as might be expected was not as scheduled (that was John Esson) but instead our own good club secretary Bob Rutherford. Bob took care of the club's travelers this year - which leaves it up to another F. M. to assess Bob's own extensive jaunting about.

OTHER VARIA Have you paid your dues? It's time.

Just so you don't forget, that wonderful annual canoe trip is coming up again on September 11. Bergler's the one to talk to. Guerneville will surely be ready this time.

NEXT WEEK Lem says you'll be hearing from Alan Bronstein on the subject of "the State of Art in Solar Energy." Mr. Bronstein is an entrepreneur who deals in commercial applications for solar energy.

Looking at the schedule, for what ever good that does, Merle Fruehling will be your finemaster - or at least he'll make a run for it.

PENINSULA COVENANT CHURCH

TODAY

Our speaker is Alan Bronstein who will bring you up to date on the state of the art in solar energy. With P G & E getting and asking for more and more rate hikes, this subject may be getting more interesting to many.

Merle Fruhling is scheduled to be your fine master and given the practice he's been getting in looking for funds----maybe he can run but you can't.

**LAST
WEEK**

Our scheduled speaker, Dr. Tom Neuman had to cancel. Sorry to learn his son was involved in a serious auto accident but Pres. Allen says he (Dr. Neuman) will try to make it at another time.

And so it was a good time to enjoy some "ice breakers" from new members Maruyama, Maquire and Glenn. It's a bit of chance we must admit but when you look at their background, origins and how they all happened to arrive here in R.C. Rotary, it makes one appreciate not only the uniqueness of Rotary but the marvelous variety that makes the U.S.A. so very special.

Past Prexy Sid and Dr. G. provided the notes to celebrate that very same theme with a rousing "America" from the chorus. Thanks to S.C. Rotarian Dan Odom for the pledge and Orv for the invocation. Pres. Allen, by the way, used and passed on to all who took to the podium a lapel mike that did a super job. And since your writer has to listen, we for one, can most assuredly give it a boost.

George Szpotek did the fining - one case where we'd just as soon not have heard so well. And just for the record, Leif picked up 18 bucks in the raffle (it's worth a chance), Mertens bid \$7 for a stethoscope adandoned by Dr. Who? and you can forget about fining Jake this month - he had the badge.

**NEWS
AND
NO**

Our Japanese student visitors were in L.A. this past week to visit the Olympics. That's a nice start. Now how about giving that call to the Conklins, Durkins or Hawkins to arrange a day, a night, a weekend or whatever it is that you can do to continue the hospitality.

Past Pres. Sid invites your participation in working on the possible formation of a new Rotary Club in Redwood Shores. Sid is the District Governor's rep. for this project and assuming our Board approves and accepts sponsorship of this move, a committee will proceed to investigate and recommend as to its feasibility. This is the way to make Rotary grow. It's the way both the Menlo and San Carlos clubs got their start from R.C. Rotary.

From Bill Stangel and his committee comes a report on contributions for the year past by your club---a record total of almost \$23,000 given to or set aside for deserving charities in our community. Under the new club policy, some \$8,300 has been set aside for a major project still to be defined. A fine goal and a good time to offer your input.

**NEXT
WEEK**

August Prog. Chm. Lem Summey says you'll be hearing from Dr. David Spath of the Calif. Governmental Health Services on the very pressing problem of "Toxicity in our Environment" - with emphasis on water pollution

AUGUST 21, 1984

PENINSULA COVENANT CHURCH

TODAY Dr. David Spath of the California Governmental Health Services will be speaking on the subject of "Toxicity in our Environment"-with particular attention towards that growing problem of water pollution.

Our schedule calls for Chuck Long to be your finemaster. From the long to the short of it - you'll be.

LAST WEEK Pres. Allen called on Bob Pierce to lead the song. Dr. G. took care of the beat--kind of need that with Bob's arm moving like an old Cal oil well. Thanks to Jake and Carl for the pledge and blessing.

Mel Anisman got rid of his pink badge with an "ice breaker". Now that's variety. From a wild town in Texas to growing up in Denver to the U. of Houston for a geology degree. After a spell in the oil industry it went to the dry cleaning business here on the peninsula and more recently to buying and selling commercial real estate in Dallas and Seattle. What next? An Italian wife? Nope - already did that too.

Merle Fruehling used the Olympics to pull in some green gold for the club's coffers and already Orv Graves won the raffle for the second time. You heard that, Chuck?

August Prog. Chm. Lem Summey introduced the day's speaker, Alan Bronstein, who talked about the state of the art in solar energy. With slides for visual evidence, Mr. Bronstein discussed a whole range of impressive commercial applications now in operation, including some utility owned generating giants-at least for this field.

NEWS AND NOTES Cliff Hawkins tells of some of the doings of our young Japanese visitors--they'll be with us today: Akemi Naruse, Kumiko Motoyoshi and Shozo Matsuda. Where do we sign up? Marine World, Great America, the Olympics, Disneyland, the Studios, Hearst Castle and Tahoe to name some.

On top of it all, Bob Durkin invited any who helped out in the entertaining to join them at their Tahoe retreat. How nice. Be sure to thank all concerned.

Tuesday, Sept. 11th, is the annual canoe trip. Bergler's in charge--but not in his usual capacity. If you've never done it, do it. You'll never regret it.

Don Hack says the directory is coming out Sept. 1st and if you fail to get your picture taken you've only yourself to blame. It's free. Just stop at the Woodside Plaza Camera Shop--just in from Woodside Road at the west end of the plaza. They're ready for you any time.

If you did not attend last Thursday's Board Meeting at Roy Frank's El Camino Title Board Room at the Woodland Office Park on Veterans Blvd., why not note your calendar to make the next one on Sept. 20th.

NEXT WEEK Lem Summey says we'll close out the month by hearing from Dave Parsons, venture capitalist, who'll talk about what's happening in the venture capital world and the emerging industries it spawns.

AUGUST 28, 1984

PENINSULA COVENANT CHURCH

TODAY Program Chm. Lem Summey will be closing out his month with the introduction of Dave Parsons, venture capitalist, who will tell you something about what's happening in the venture capital world and the emerging industries it spawns.

Your finemaster was to have been Bill Royer but we've since learned that Bill has regretably found it necessary to tender his resignation in the face of extensive travels facing him in the months ahead and doesn't want to hurt the club's attendance record. We'll miss you, Bill.

This then is perhaps a good time to make a note about an attendance problem. Make up cards do the club no good for the month past unless Alan Bostwick receives them by month end. Reports are now due by the 5th so if you're late you've taken care of yourself but not the club. Please, therefore, mail them in time or at least call Allan by the 30th to say you did make up.

LAST WEEK Perhaps in recognition of Past Pres. Pete's first appearance since his debunking, Pres. Allen filled the air with quips to prove we are a happy bunch. So happy, in fact, that Republican Pierce serenaded the GOP convention and Sid with "Happy Days Are Here Again". Even Dr. G. remembered the notes.

Pres. Elect Roy also celebrated the new found frivolity by having to search for his car keys in the garbage can. Gosh Roy, if only we'd known we'd all have been happy to chip in for your lunch.

Chuck Long took a short route on the fining to make time for due recognition to be given to some of those generous Rotarianns and Rotarians who helped make it such a nice visit for our Japanese student friends, Akemi Naruse, Kumiko Motoyoshi and Shozo Matsuda, each of whom expressed their thanks and received from the club a gold pen set in words they could understand from Bill Enomoto.

To those, or at least the mostest of those, who did so much then: Barb and Bill Conklin, Ginny and Dick Dodge, Glenny and Bob Durkin, Gladys and Cliff Hawkins, Karen and Jerry Mertens, Susan and Phil Schneider and Barb and Stan Silverstein. "For they are jolly good fellows...."!!!!!!

Speaker for the day was Dr. David Sparth, Sr.Superv. Engr. for the Calif. Governmental Health Services on the subject of "Toxicity in Our Environment". Dr. Sparth concentrated on water, its sources, destinations, uses and problems. A vital and timely topic.

OTHER NOTES D.G. rep Past Prexy Sid has made his report to the Board on the question of sponsoring the formation of a second RC Rotary Club--this one in the east of Bayshore area from Ralston to Marsh Rd. On Sept. 4, the Club will take a fomal vote on the matter. Board has approved. Actual formation of a club will or would only come after a full investigation on its prospects for being and succeeding.

Canoe trip - still the 11th. Berglers' your man.

So sorry to also report resignations recently received from Stan Easter, Ken Hill and Ron Renard. All will be missed, and especially, of course, Stan.

NEXT WEEK Helbush will be your finemaster--ready to draw blood, no doubt. And there'll be a program, word of which we've either missed or has missed us.

PENINSULA COVENANT CHURCH

TODAY Thanks to September Program Chm. Lou Coffaro we are delighted and honored to welcome Sister Veronica Skillin, President of The College of Notre Dame who will be sharing with you some reflections on future possibilities in higher education.

Your fine master was to have been Don Helbush but last week he filled in for Bill Royer. So what's a good guess? Will it be Bob Dooley moving up from the 11th? How about having our raffle based on guessing who will be each week's finemaster....now that's a set of odds for you.

LAST WEEK With Pres. Allen presiding, Orv Graves got the chorus to follow the notes of concertmaster Dr. James O. Greenwell (we should spell it out at least once a year) with Pete O'Brien and Carl Blessing following with the patriotic and spiritual pledges.

As previously noted, Helbush passed out the fines about the way he'd like the club to give blood--not sure but that he didn't draw a bit of that too.

August Program Chm. Lem Summey closed out his month with a fascinating and frightening delivery by speaker Dave Parsons on the subject of our being at war (economically) with Japan. Given a fine set of credentials, academic and otherwise--Princetown, Stanford (MBA)--plus the real experience of working in Japan for a number of years, Mr. Parsons presented some well thought out and substantial statistics and analyses on why and how this imposing competitor is where it is and where it's going.

Too much to sum up here, but clearly-awesome and frightening. The rapt attention of the audience told it all. Not a bad idea to have him back with perhaps a panel of others with equivalent qualifications--could make quite a symposium with an auditorium size audience.

NEWS AND NOTES 25 years ago Dr. Bob Brown delivered a daughter to Pete Hughes. Last Monday or Tuesday that daughter delivered a daughter to make Pete a Grand Dad. Happy Days!

Pres. Allen needs those committee reports to help make up his report for the new Dist. Gov. Larry Myers.

That annual delerium, the Guerneville canoe trip is around the corner--the 11th. An unforgettable experience and well worth the \$40. Call Don Hack or Bergler. It's what memories are made of.

Did you fill out Bill Conklin's Special Events Interest/Preference Survey? Lots of great plans and ideas that need your response. Call Bill or drop him a note or card. Anything but nothing. We can only be as good as the sum of the parts---like in participate.

NEXT WEEK Program Chm. for the year, Pete Hughes, has arranged a special program for the 11th on the Peace Corps.

And then on the 18th, Lou Coffaro says we'll be hearing from Father Xavier Harris, Phd., from the College of Notre Dame who will be addressing a pretty broad topic--the "Future of the U.S. Economy".

N. We'd be embarrassed to list you if you've not yet paid your dues. And if you haven't, how about like now, today--pronto?

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946

SEPTEMBER 11, 1984

PENINSULA COVENANT CHURCH

TODAY Susan Reynolds will be speaking on the subject of "Women's Rights in Tanzania, A Peace Corps Volunteer's Views on East Africa". Ms. Reynolds is presently a member of the Redwood City Personnel Department.

Past President Bob Dooley is due up as finemaster. His view on this aspect of financial planning is likely to be "start giving today".

LAST WEEK With his Rotariann Lois at his side, Pres. Allen introduced Lou Coffaro (he's been making up alright-a 98%er-but doing it at Lake Tahoe all summer) who introduced Sister Veronica Skillen, President of the College of Notre Dame.

With a charm and wit to match her knowledge and experience, Sr. Veronica shared some of her personal reflections and observations on future directions for higher education in America. Too much to summarize but well worth hearing. As she is proud of Notre Dame, so too, can the college be proud indeed of their President.

Thanks to Sid and Jim for waking up the chorus and thanks, too, to Merle for leading the pledge and Past Pres. Pete for the invocation. And this week for a change we'll all be pleased to give it back to Washington.

Frank Parcell answered the questions of who would do the fining. A pat on the back for subbing on short notice but if that's what you call rough plumbing we'd say "cool it, man".

NEWS AND NOTES Past Pres. Sid reported on the Board's approval to proceed with the actions that may lead to the formation of a Redwood Shores Rotary Club covering the area east of Bayshore from Ralston Ave. to Marsh Road.

In accordance with R.I. policy the Board's actions were then presented to the club's membership for approval. That approval given, as it was, the next step involves a survey of the area to determine the real feasibility of such a new club formation. If the results are positive and the District Governor agrees, our club, as sponsor, will contribute a \$150. charter fee.

Bill Conklin says that the outline of Special Events for 84/85 as included in that Committee's survey of August 28th appears to be firming up essentially as indicated. You'll be hearing more but we suggest you at least make some notations on your calendar now--advance reservations, if you will.

First upon that list is a Wine tasting/Barbeque set for Sept. 30. A family affair--for those over 21, that is.

R.I. President Canseco has put forth six challenges to all Rotarians for this Rotary year. Here then is the first (we'll cover them all as the weeks go by): If Rotary is to increase its effectiveness, it must increase its membership.

NEXT WEEK Xavier Harris, OFM, will speak on "The Future of the U.S. Economy". Dr. Harris is a lecturer in the Masters Program in Bus. Admin. at the College of Notre Dame.

N.B. Wasn't that a fine report from Past Club Sec'y Alan on the club's attendance stats for '83-84! Read it well--and do your part to make it better.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946

September 18, 1984

Peninsula Covenant Church

TODAY Xavier Harris, OFM, will be speaking on "The Future of the U. S. Economy". Dr. Harris is a lecturer in the Masters Program in Business Administration at the College of Notre Dame. A timely topic, indeed.

Norm MacLeod will do the fining--another of these past club prexies who almost make you feel guilty if you don't pay.

LAST WEEK Pres. Allen not only led the meeting but in the face of absences galore in our musical staff led the chorus as well.

And with particular pleasure on this particular week your club's prexy had the added pleasure of introducing a myriad of Rotarian guests ranging from Belmont and Burlingame to British Columbia; from Foster City to Menlo Park and Palo Alto to East of Bayshore & more to come--from Sacramento to South Bend (Ind) and across the Pacific from Valenzuela, P.I. as well. Who said we're hard to find.

Thanks to past Menlo Prexy Bill Mucci for delivering the pledge and Orv Graves for the prayer for the day.

Bob Dooley--just so you don't forget all of our fine past club presidents--did a fine job of fining a bunch for a bundle. Ever notice now broad a grin settles in on Club Treas. Steve's face on these occasions?

Prog. Chm. for the year Pete Hughes introduced our speaker for the day, Susan Reynolds, who gave a very interesting accounting of her experiences as a Peace Corps. Volunteer dealing with women's rights in Tanzania, a place where there really are none.

Now a member of the R.C. Personnel Dept., Ms. Reynolds' very live and lively account of her tour of duty in this survive as best one can area of East Africa was very well received--no nodding heads in the battery of Q&A's that followed her interesting talk.

NEW AND NOTES On Oct. 18-21, R.I. Pres. Carlos Canseco is hosting a Presidents' Mexico/USA Conference of Goodwill in Guadalajara, Mex. Pres. Canseco's theme this Rotary year is "Discover a New World of Service" and the second of his six challenges to all Rotarians is:

...To increase the number of new clubs so that Rotary can be shared and the delivery of service may touch every community in the world.

Bill Conklin will soon let all know the time and date (Sun., Sept. 30 or Sat. the 29th) of the wine tastind/BBQ special event to be held at the Conklin estate, or vineyard or backyard--whatever--at Bill and Barbara's home at 275 Ridgeway Road in Woodside.

COMING UP On the 25th we'll be hearing from Dr. Terry Brink, Chairman of the Psychology Dept. at the College of Notre Dame. Program Chm. Lou Coffaro has not yet given word of Dr. Brink's topic but notes that his reputation as a speaker is not to be excelled.

Finemaster for the day is scheduled to be Zannis III, Van--at least that's how Van K is listed. Maybe you'll wish he were some other kind of Van conversion.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

September 25, 1984

Peninsula Covenant Church

TODAY We continue to tap the talent of the College of Notre Dame in Belmont. Terry Brink, Ph.D., Chairman of the Psychology Department, will speak on "The Use of Psychiatric Models as a Guide to Employee Selection".

Van K. Zannis will function as Finemaster. In his four months as a member of this club, he has had ample time to note the foibles and vulnerabilities of certain members, which he will expose and exhibit, no doubt to the profit of the club.

LAST WEEK Father Xavier Harris, OFM, MBA, also of the College of Notre Dame Faculty, told of his ideas on "The Future of the U. S. Economy" in the light of ethical and moral considerations of today, in contrast to the past, when, he felt, the Judeo-Christian Principles on which our nation was founded, exerted a stronger influence. Interestingly, he repeatedly referred to the Rotary Four-Way-Test, contrasting the ideals there expressed with his observations of the business society of today: the moral values of the past that tend "to slip away from us today". Two words he left with us: **POLITY** and **SUBSIDIARITY!** Much discussion was evoked on hearing about Business from the standpoint of a Theologian; certainly a new directional approach for most of us!

Finemaster Norm MacLeod didn't forget the record number of Anniversaries occurring among the members in September.

Sid Berlin and Jim Greenwell saw to it that we were patriotic and full of smiles!

On every table:--A Bulletin on the Saturday, Sept. 29th Barbecue, Wine Tasting and general family get-together at Bill Conklin's at 275 Ridgeway Road, Woodside (go up Woodside Drive from Massachusetts Ave. and turn N. on Ridgeway). \$10 per person. Get your reservations in to Bill by tomorrow, Sept. 26th, at the latest (Phone him at 948-7604)

TA NOTE Long time Spoke Editor Ole Hal Hj. is away on a well-earned vacation. May be back for Spoke of Oct. 9 (?) Meanwhile, brought out of retirement, an Ole Spoke Editor of the Bostwick presidency. (When date?) Lots of Prolixity running around in those days and it wasn't the Editor 's fault! (61-62?)

DITTO -Pacifica Club has changed their day of meeting to Thursday (from Monday). Still at Romano's Rockaway, 12:15.

NO FORGET Our Stanford pre-game Tailgate Party - Sat., October 20th. Now becoming a tradition. Contact Jake Jacoubowsky (369-7331).

NEXT WEEK October Program Chairman Bob Dooley will introduce Paul Jeffers of Sacramento. Topic: "Soar With the Eagles". Finemaster is said to be the ineffable John Wooley, who will come up here from the YIMKA.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

OCTOBER 2, 1984

PENINSULA COVENANT CHURCH

TODAY Program Chairman of the month, Bob Dooley, brings us Paul Jeffers of Sacramento. Topic: "Soar With The Eagles" - this title apparently an enigma which will be explained as the speaker proceeds.

For Finemaster we'll have the Wooley Boy (otherwise John H.). He will attempt a painless extraction process - let us hope that he has suitable instruments for this purpose and that disserving people will be disbursed.

LAST WEEK President Gruman was oddly alone at the head table. As he brought the meeting to order, a mysterious silence occurred and lasted for some moments. This remained unexplained! Curiously, the Speaker was sequestered at a side table with the Program Chairman and certain other club worthies --- something new?

Lou Coffaro introduced Terry Brink, PhD., of Notre Dame College. Terry explained that he was a psychologist and that his topic was "Psychologic Models as a Guide to Employee Selection". For several years now he has been shifting over from the field of Geriatric Psychology to that of Industrial Management. He described six different personality types and the importance of fitting them to the specific job requirements. How often, in early life, the taking of a job, and perhaps the direction of a whole career, is determined in a hap-hazard and throw-of-the-dice manner!

Bill Stangel fine-mastered on the basis of a last minute fill-in appointment, but sounded as though he had spent the whole week in preparation - in fact, he refused to fine Sheriff Brendan or Msgr. Pete out of thanks for their just being here - it takes an old Pro!

The irrepressible Charlie Bulanti smiled and waved his arms as we sang. Dr. Gr. bravur-ed. (Bravara! What Dat?)

Details of the Sept. Barbeque at Bill Conklin's came too late before presstime. Details next week after participants are interviewed.

ROTARY DATES Sat., Oct. 20th - Stanford Game and Tailgate Party--see Jacoubowsky.
 11-8 ~~Tues., Oct. 23rd~~ - visit of our District Governor Larry Myers and his RotaryAnne Jill -- miss NOT!
 Sat., Nov. 3rd - Rotary Foundation Dinner at Dominics, San Rafael. \$50 per person (\$35 to Rotary Foundation.)
 Jan. 3, 1985 - RI Pres. Carlos Canseco will be in Northern California. Golf and a Banquet in Monterey, CA (not Monterrey, Mexico)
 Feb. 23, 1985 - 80th Anniverary of ROTARY!

NEXT WEEK October 9th -- we'll be entertained!! Bring that Spouse or Friend! Rick King of San Leandro, a Rotary Past District Governor, and a noted singer will be here (with his accompanist, we are told). A sign-up sheet is already being circulated for you to indicate your guest

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

OCTOBER 9, 1984

PENINSULA COVENANT CHURCH

TODAY It's been almost five years since we last enjoyed hearing from and being entertained by Richard D. King, a fellow Rotarian from San Leandro. An attorney by profession, Rich is a Rotary Past D.G. who has done much to promote the Rotary Foundation. And on top of that he is also a very fine performing artist as you will shortly hear and enjoy.

Mel Anisman will take care of the fining and of his multiple background of geology, dry cleaning and real estate investments you can guess which one will do what to your pockets.

N.B. Thanks a bunch to Jim Greenwell for putting out the Spoke in such fine fashion these past two weeks and thanks too to Don Bechtel and two of his staff, Ruth and Mary Ellen, who are taking care of getting it typed up, printed and delivered this year. What a help that is!

LAST WEEK Pres. Allen introduced our visiting Rotarians--sounded like almost a third of the goodly number in attendance.

Sid and Jim led the chorus in celebration of the baseball play-offs with Don B. and Geo. C. taking care of the pledge and invocation.

Pst Pres. Bob Dooley introduced our dynamic and inspiring speaker, Paul Jeffers of Sacramento, whose topic "Soar with the Eagles" took on real meaning with every successive sentence. Faced with coping with and managing an overnight and permanent loss of hearing, this outstanding life underwriter of national repute and civic minded gentleman (the kind that really does it) made most of our problems seem petty.

Listening to Paul, one could hardly doubt that with strength from the Almighty, self discipline and evaluation and the power of positive thinking, you can indeed soar with the eagles.

John Wooley did a well researched, effective and entertaining job as finemaster. What else!

From all reports Bill & Barb Conklin put on a marvelous wine tasting and BBQ party at their Woodside home this past weekend. Sure sorry we had to miss it what with the finest of European and domestic wines, a superb dinner and even entertainment by Walt K.

OTHER NOTES D.G. Larry Myers will visit with us Nov. 6th (not Oct. 23rd as earlier reported) so please note your calendar and assure a good turnout.

Pres. Allen/Sec'y Bob need to know by Oct. 12th who will be attending the Foundation dinner dance and San Raphael on Nov. 3rd. Remember you can if you choose arrange to stay overnight in the homes of some generous Marin Rotarians.

Jake has the tickets for this year's tailgate party down on the Farm for the Stanford-Wash. St. game on the 20th. Bring the wife, join the game-- a great time for all!

NEW Odette Pollar with Time Management Systems Oakland will speak on Conquering Procrastination. Don't we all need it!

PENINSULA COVENANT CHURCH

TODAY Odette Pollar, a consultant with Time Management Systems in Oakland is going to speak on the subject of "Conquering Procrastination." That's right, she'll be talking to you.

Our finemaster will be either Mel Anisman or Mario Ercolini.

LAST WEEK Proving that anybody can be President of our Rotary Club, Prexy Allen arranged for Sid and Jim to show how good the chorus can be, a happy ex-49er, Jerry M. to lead the pledge and always happy Orv G. to give the invocation.

In tune with our speaker for the day, Lyle Edson had each of our Paul Harris Fellows and Sustaining Members present stand up and take a bow - and that's getting to be quite a list.

But on to the best - and they don't come any better. There isn't enough space in the Spoke to list all the doing and accomplishments of our speaker and program for the day, Richard D. King. Bob Dooley made a good try at covering some of it as he did the introducing but how can you say enough about this great Rotarian and civic leader.

What Rich does seems almost beyond reach. What he talks about is not.

A past D.G. of Dist. 517, a practicing attorney (trial lawyer), a performing artist able to step on any stage in Las Vegas and a Rotarian who not only performs in every capacity but most especially in behalf of his most special interest, the Rotary Foundation, Dick King put on a show that captivated all including the many lovely Rotarianns present and then delivered an equally superb and inspirational message on the work of Rotary and the Rotary Foundation.

If you werethere, what could we add? If you were not we could not say enough - only that you missed something great.

COMING UP Something you don't have to miss, however, is the great Rotary Foundation dinner dance in San Rafael this Nov. 3rd. Remember, you can get accommodations overnight with Marin Rotarian families if you'd like and also that \$35 of the \$50 per ticket price and all of the \$10 raffle tickets you may buy can be credited to a Paul Harris sustaining member account for you - that on top of the club's matching \$100 to your first \$100. Do it - now's the time!

Again, see Jake for tickets to this year's tailgate party and game down on the farm. H's Stanford-Wash. State on Oct. 20th.

From Membership Chm. Geo. Huxhold: Now is the time for our club to review its achievements in membership growth. Each member should ask himself "Have I done my share in building our club? Can I propose a qualified man for membership this year?" Act now. There are many service - minded men out there waiting to be asked to join Rotary.

NEXT WEEK Pete Hughes will introduce Supervisor, Jackie Speier, a gal who really needs no introduction.

PENINSULA COVENANT CHURCH

TODAY Our speaker is County Supervisor Jacqueline Speier. This year's Program Chairman, Pete Hughes will take care of the introductions though one is hardly needed.

Mario Ercoline is due up as finemaster. And while he seems to enjoy whatever he does, you may not.

LAST WEEK With Pres. Allen at the helm, Past Pres. Sid led the song - and without Dr. G. that's no easy thing, Art Law the pledge and Past Pres. Pete the invocation - with fitting words for his and our still worthy 49ers.

Still another Past Pres., Bob Dooley, introduced Odette Pollar of Time Management Systems in Oakland who lectured us all on the habit and whys and wherefores of procrastination.

According to Pollar, if you understand why you do it (or don't) and what it does to you, well maybe you can figure out what to do about it - that bothersome habit afflicting most all.

Mel Anisman parcelled out the days fines.

Highlight of the day, however, was that rare occasion when a club member's son is inducted into Rotary. Sponsor Sid Berlin did the honors for his law partner, Dennis Durkin as father Bob and Dennis' lovely wife, Stephanie, proudly looked on. He not only looks like his Dad - if you look thru that beard, but with 3 children already he's following right in stride. Another welcome addition to RC Rotary.

NEW AND NOTES A note of sadness, work comes that former long time member Vince Claypools' Esther passed away. I'm sure we all share his loss.

From Lyle Edson, a follow-in to Dick King's recent inspiring talk and an urging to all to give real serious thought - or better yet, action - in giving consideration to that wonderful step of initiating a Paul Harris Sustaining Membership. Foundation Committee Chm. Lyle or Club Sec'y Bob can give you all the answers if you missed the Q and A sheet passed out at the meeting.

Now's the time to do it and get a head start with all the contribution plus you'll get by attending the RF dinner dance in San Rafael on Nov. 3rd. Do it - why procrastinate?

According to Past Pres. Sid the embryo Redwood Shores Rotary Club we are sponsoring will hold its first provisional meeting on Nov. 15 at Longden's Restaurant. How's that for progress - but then what else with Sid in charge!

NEXT WEEK You'll be hearing from Vincent J. Finnegan, Sr. Vice Pres. of Integrated Resources headquartered in Encino. A lawyer and MBA (also an LA Rotarian) Mr. Finnegan is a Tax Shelter Expert and that's what you'll hear about.

Former Club Treasurer Dick Dodge will be your finemaster. Got the connection?

MESSAGE

I went to Ruby King in Los Altos today
attending Rotary Fellowship. To my
surprise Los Altos Rotary Club had played
miscellaneous restaurants again. I later
discovered they now meet at the Copperwood
Inn in the View Towers. I found out
too late to attend.

I am sending a copy of this to Bob

PENINSULA COVENANT CHURCH

TODAY Our speaker is Vincent J. Finnegan, Senior V.P. of Integrated Resources headquartered in Encino. A lawyer and MBA - and also an LA Rotarian - Mr. Finnegan is a tax shelter expert and we expect you'll be getting some good advice on that score from a very knowledgeable source.

Thanks to Past Pres. Bob Dooley, program chm for October, for such a fine array of outstanding programs.

Dick Dodge will do the fineing but he won't be able to touch Pete Hodgson whose bid won him a month's protection via the fine free badge.

LAST Pres. Allen introduced another goodly array of visiting Rotarians, but **W** what do you say about that serving of B & B - a Berlin and Bulanti arrangement of "America" in foxtrot no less.

In more conventional ways it was past - or is it ex mayor Stangel with the pledge and Bill Jennings the invocation.

Program Chm for the year, Pete Hughes couldn't resist introducing Jackie Speier who, as we've said, needs no introduction.

What can we say of this articulate, knowledgeable and lovely lady? There really aren't that many democrats who can really charm that many republicans.

Too many statistics and comments to summarize. Let's leave it that S.M. County is tops and in great shape but not without some real concerns in terms of housing and an aging and declining population.

Finemaster Mario Ercolini ran a poker game, right in front of chief Guardino. Good grief - even deputy D.A. Summey was there.

Past Pres. Sid brought back a special banner from R.I. Pres Canseco's Goodwill conference in Guadalajara. Dean and Elaine joined him - and some 1800 others. It was quite an event.

And don't forget to thank Jake for the tailgating event at the Stanford - Wash. State game. Give an assist to Don Hack.

COMING Nov. 6 Don't forget - this is the day we'll be honored by a visit from **UP** our new D.G., Larry Myers. Be prepared and be there all you committee chairmen. It all starts at 10:00 AM.

And then be sure to remember there will be no meeting on the 13th. Instead, we'll be having a joint meeting with the San Carlos Club on Friday the 16th at Salvatore's Restaurant on El Camino. There's a fine program in store so let's have an equally fine turnout.

N.B. With much sadness we note the passing on October 20 of former member Leo Fabricuis. All our heartfelt sympathies go to Laverne on the loss of this kind and wonderful guy.

PENINSULA COVENANT CHURCH

TODAY Last night Dist. Governor Larry Myers and his charming Rotariann Jill joined your Board and their Rotarianns for dinner at Pres. Allen's home. This morning Larry has been busy reviewing our club's plans and activities with our officers, directors and committee chairmen.

Now all of us will have the pleasure of hearing from this outstanding Rotarian. A big RC welcome to D. G. Larry Myers of Ukiah.

Dr. Bob Durkin is scheduled up as the day's finemaster.

LAST WEEK With Pres. Allen manning the podium, Past Pres. Bob Dooley closed out his month as program chairman with the introduction of Vincent Finnegan, Sr. V.P. of Integrated Resources.

An L. A. Rotarian, attorney and MBA, Vince gave some sound words of advice on evaluating the myriad of tax shelter programs so many of you no doubt are confronted with.

Once again it was the strong voice of Past Pres. Sid trying to keep the chorus on key in the absence of our favorite pianist, Dr. Jim Greenwell, still out trying to mend that ailing back. Sure miss him! Thanks to Messrs. Young and Huxhold for taking care of the pledge and invocation.

Finemaster Dick Dodge displayed his considerable talent in boosting the club's coffers. Fun - if you escaped.

Student guests were on hand once again as Merle introduced two fine young people from Woodside High, Charmaine Picone and Phil Barbara. Welcome.

NEWS AND NOTES Did you make note of Club Sec'y Bob's remarks concerning the accommodations and events planned around R.I. President Carlos Canseca's visit to Monterey Jan. 3. Bob has rooms blocked out at the Double Tree Inn for the nights of the 2nd and/or 3rd. There'll be a banquet and golf - a great chance to hear and meeting this great Rotarian.

From Dan Helbush - yes, it's time again. The mobile unit of the Blood Bank will be at Kaiser Hosp. Nov. 23 from 9:30 to 4:00. And, of course, you can also donate at Sequoia Hosp. any Tues. from 9 till noon. Why not stop there before lunch. H's needed so much. You can help, can't you?

And don't forget the San Carlos Club's Dixieland Jazz Jamboree next Sunday the 11th at the Circle Star Theatre. Two shows - 1 PM and 6 PM. Six great Bands! A real treat well worth the \$12.50 tab. And of course, a fine cause.

NEXT WEEK One more time. No meeting here on the 13th. Got it? Instead there'll be a joint meeting on the 16th (Friday) with the SC Club at Salvatore's Restaurant on El Camino. A great program. Rotarian Dr. Joe Serra will tell of his experiences operating on polio victims in Africa. Dr. Serra is team physician for the Milwaukee Brewers and L.A. Dodgers as well as team physician for Tokay High and ass't team physician for V.O.P.

PENINSULA COVENANT CHURCH

TODAY Our speaker is Roger Drue, Director of Mills Hospital, whose topic will be "Health Issues in/facing San Mateo County".

The schedule's a bit off but could be that Club Treas. Steve will be your finemaster. Hang in there!

Recent Times On the 6th we had the pleasure of hearing from D.G. Larry Myers on the occasion of the D.G.'s annual visitation with our club. Larry and Jill spent the prior evening at a dinner party with the club's board and officers hosted by Pres. Allen and Lois at their lovely home. And then, as is custom, the D.G. spent the morning of his official visit hearing from and reviewing the plans of your club by discussion with its officers, directors and committees.

From all viewpoints it was indeed a very stimulating, useful and worthwhile series of discussions.

And what a fine time it was too for D.G. Larry to personally participate in the induction of our two newest R.C. Rotarians, Larry Abbot and Bill Stanford. Larry, sponsored by Bill Conklin, is a Field Director for the Boy Scouts of America. Bill, sponsored by Sid Berlin, is Municipal Court Administrator for the S.M. County Court and a former Rotarian and Paul Harris Fellow. The "latter", of course, is not a "former"--it's for life. Be sure to meet and welcome Larry and Bill.

Bob Durkin was finemaster--superb as always. Guess it must just be that really real Rotary inspiration.

Got some of that same feeling from Van K. as he presented a unique banner from the Madison Avenue Rotary Club in N.Y.C.

Should not forget, by the way, to note the fine participation in all these events of Area Rep. Owen McGuigan of San Carlos.

NEW AND NOTES

As D.Garry Myers noted, the Foundation Dinner on the 3rd was outstanding with net proceeds surging from last year's \$95k to a whopping \$130k. Wow!

Did you know that Dist. 513 is #2 in the whole U.S. of A. in foundation giving. Who's #1? Dist. 517 across the bay and to the south. And how will we (513) become #1? Well, by doing such as:

New P.H. Fellow - Leif Syrstad
New P.H. Sust'g members - Jean Brown, Deanne Dooley, Roy Frank, Donna Koster, Tom Poore, Bob Rutherford, Lem Summey and Van K. Zannis. Now how about that!

Moving on - remember Don Helbush's reminder about the Blood Bank giving on the 23rd. You know when and where. Just roll up your sleeves.

Next Week From Nov. Prog. Chm. Bob Stiff comes word that Amador Bustos has arranged for you to hear from Ms. Pnina Tobin, Project Director of the Children's Self- Help Project, a Sexual Abuse Prevention Program for Children.

P.S. Will try to cover next time, last week's joint program on Friday with S.C. to hear Dr. Joe Serra as this issue to print before then.

PENINSULA COVENANT CHURCH

TODAY You will be hearing from Ms. Pnina Tobin, Project Director for the Children's Self-Help Project, a sexual abuse prevention program for children.

Our finemaster will be Oscar Orozco.

LAST WEEK Pres.-Elect Roy took over at the podium, doing double duty both as Prexy and finemaster. Give him an "A" on both counts.

And with maestro Dr. Greenwell back at the keys and Past Prexy Sid at the lead, give an "A" to the chorus as well. Nice to see and hear from Bob Fortner leading the pledge and thanks to Norm MacLeod for an invocation of "Thanksgiving".

Pete Hodgson turned in his pink badge with an icebreaker bringing us up to date from the days of his childhood here on the peninsula in the country village of Belmont. Icebreakers-always an interesting mini-program in themselves.

In the appealing down-under accent, past area Rep. Fred West introduced a fine young student from Brittany (France) studying here at Golden Gate in S.F. on an R.F. scholarship. Sorry we couldn't quite make out the name.

Program Chm. Bob Stiff introduced our speaker on the 20th, Roger Drue, Admin. of the Corporation overseeing Mills Hospital and its recently acquired partner, Peninsula Hospital. A S.M. Rotarian, Mr. Drue gave a very interesting analysis of what has been happening in our "Health care industry" over the past thirty years-where from, where are and where going.

JOINT MEET'G SAN CARLOS On the 16th those who were lucky or prudent enuff to attend the joint meeting with the San Carlos Club got to hear from Dr. Joe Serra all about the R.F. project in Mulawi, East Africa dealing with the some 23K polio victimus there--the "crawlers".

An orthopedic surgeon and Rotarian from Stockton, Dr. Serra has already performed 140 operations in this wonderful and moving program. By both commentary and slides, Dr. Joe took us all to Mulawi to see at first hand what incredible results are being obtained in so human and cost effective a manner that all Rotarians, but most especially those who have given or are giving toward Paul Harris Fellowships, must feel like standing ten feet tall.

An outstanding program. A well done to the San Carlos Club and all of theirs and ours involved in arranging this very successful event.

And speaking of events, nice to hear they raised over \$12K from their 2nd annual Dixieland Jazz concert.

NEXT WEEK AND BEYOND Former Congressman Pete McCloskey will be here to discuss the problems and issues presently confronting all in the Middle East.

And then it's Quentin Kopp on the 11th--don't miss it.

Don't forget Dec. 14th is your club's bell ringing time for the Salvation Army and the 18th is the day of our Xmas party. Take note.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

DECEMBER 4, 1984

PENINSULA COVENANT CHURCH

TODAY A nice surprise, sorry we didn't know last week that today's speaker would be that outstanding gentleman, John McVay, Vice-Pres. and Gen'l Mgr. of the 49ers.

And if the schedule holds, you'll have an outstanding finemaster as well--- Councilman and former mayor, Bill Stangel.

LAST WEEK Pres. Allen was back at the podium introducing our guests and even leading the pledge. Leading the song was Charlie B. accompanied by Dr. F. with Jerry Mertens giving the invocation. With all these prayers for the red and gold it's no wonder our 49ers are riding high.

And speaking of Jerry, a good time to remind you that his garage still needs to be relieved of those stacks of fertilizer. At only \$16.50 for 80 lbs. of that 12-12 your yard will love you--and Karen will too.

Dave Schutz did the fining and what else would you expect from this distinguished charter member. Only the best--the very best.

Turning in his pink badge for a regular issue, new member Jack Castle traced his roots from S.F. to date with another fine ice breaker.

Amador Bustos introduced the day's program led by Ms. Pnina Tobin, Project Dir. for the Children's Self-Help Project headquartered in S.F. Ably assisted by Judy Pellegrino, the two of them discussed in detail the very real and serious problem of child sexual abuse. A lively Q and A period was ample proof of the concerns and awareness attended this growing area of critical need.

A welcome once again to student guests Charmaine Picone and Phil Barbara from Woodside High--introduced as usual by Merle Fruehling.

NEWS AND NOTES Good news on the club's Xmas Party on the 18th. Once again Dr. Tom Poore is graciously opening the doors of his lovely home in Atherton to host the event. We'll give you directions next week. It will be \$12.50/person for dinner and wine. Don't miss it.

Be sure to congratulate Ernie Glenn who took a new bride on the 17th of this past month--and congrats as well to his new Rotariann, Betty.

Did you know that Rotarian M.A.T. Caparas of Manila was unanimously nominated as R.I. President for 1986-1987?

October attendance climbed a bit but still fell short of our 90% minimum goal. Let's not let the holiday period interfere with reaching that goal. No excuses when you can make up on any day of the week--even on a Tuesday evening.

NEXT WEEK We're waiting to hear--it should be either Quentin Kopp or Pete McCloskey. Either way, you won't want to miss it. Could also be Willie Brown. Your Program Committee is working overtime.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946

DECEMBER 11, 1984

PENINSULA COVENANT CHURCH

TODAY Quentin L. Kopp puts in a full day as a practicing attorney at his law firm (Kopp and DiFranco), puts in a full day at his city hall office as a member of the S.F. Board of Supervisors, takes time to handle such things as arranging for Superbowl XVI coming up at Stanford Stadium little more than a month away, manages to come speak to us and somehow must manage to find a few minutes to sleep--that's all that's left.

Since we can't seem to win in guessing who'll be finemaster, today we'll just pass. But could it be former Mayor Stangel--again?

LAST WEEK An outstanding program introduced by Bill Stangel--V.P. and Gen'l Mgr. of the 49ers, John McVay.

John reminded us that this was his second visit with our club, having first appeared with John Ralston when that John was a member of R.C. Rotary.

Full of condor, and knowledge of course, John spoke in depth of the players, organization and finances of the 49ers. Among many matters of interest, they now have the highest payroll in the NFL--quite a change from being 7th from the bottom when they last won the Superbowl. With a lengthy and interesting Q and A period it surely was a time to find out all about our hometown heroes.

Pres. Allen introduced a lengthy list of visiting Rotarians and guests with Merle introducing once again student guests Charmaine and Phil.

Bulanti and Greenwell teamed up for lots of smiles from the chorus with former member Ed Nissan giving the pledge and Club Sec'y Bob the invocation.

C.W. Fox did the fining in fine style. Thanks Warren.

NEWS AND NOTES The Xmas party is the 18th (no regular meeting that day) at 6:00p.m. at Dr. Poore's lovely Atherton home. Turn right off El Camino on Isabella, 3 blks. So. of the lite at Atherton Ave. Look for #97 on the left.

Bell ringing time for the S.A. is this Friday the 14th--and don't forget to bring to the Xmas party some canned foods for the S.A. Xmas program of help for the needy.

We've already said no regular meeting on the 18th--but you'll have to make up if you don't attend the party. But you won't have to make up for the meetings that won't be held on the following Christmas and New Year's Tuesdays.

Sorry to have to note the resignations for reasons of work pressures from Messrs. Guardino, Jacobowsky and O'Brien. They'll be missed but especially Jake for all his many fine contributions to the club's workings.

NEXT WEEK YEAR Next regular meeting will be January 8. Believe we will have a speaker on Nicaragua. See you then.

See Sec'y Bob if you're thinking of participating in the Monterey, Jan. 3rd, "day and an evening with Carlos Canseco".

JANUARY 8, 1985

PENINSULA COVENANT CHURCH

Welcome back! After this long a vacation without the need for a make-up you have absolutely no excuse for not making February the 100% attendance month it's planned to be and January ought to be right up there as well.

TODAY Amador Bustos says we will be hearing from Mr. Joaquin Avila, President and General Counsel of the Mexican American Legal Defense and Educational Fund on the subject of "Immigration Reform: What's Right for America".

Our finemaster is a master at collecting, none other than Past Prexy Msgr. Peter G. Armstrong. Now that's the way to start off the new year.

THE LAST OF On the 11th we all enjoyed a facinating accounting from Quentin Kopp of all the negotiations and events leading to the selection of Stanford Stadium as the site for the Bay Area's Super Bowl XIX. A superb and most interesting speaker, Quent was introduced by Sid Berlin.

One of our newer and younger members "Van K." Zannis got his feet wet as finemaster and doing a pretty good job at that.

Then on the 18th Pres. Allen and a big chunk of the club's members and their Rotarianns joined in a party of Christmas celebration, once again in the wonderful surroundings of Dr. Tom Poore's Atherton home.

Good food, good drink, good company and a good, good time. What more can you ask. A hearty thank you to Dr. Tom for such generous hospitality-- and to all those who put it together.

OTHER NOTES February is "World Understanding Month" and that's a good way to remind you all how much good you can do in helping foster Rotary's world-wide efforts by signing up as a Paul Harris sustaining member. One of these days it may cost awhile lot more so why not get started now.

Ron Koster can tell you how well District 513 has been doing in this regard for in recognition of its outstanding contributions to the Rotary Foundation our District has had its R. I. Scholarship awards increased from 5 to 15-- most districts got only one.

Start thinking right now about possible nominees for these marvelous awards. There are none finer and that's the way the nominees should be as well.

And a good time as well to get busy seeking out and presenting candidates for membership in R.C. Rotary. It takes a double effort to both offset attrition and achieve a net gain in growth.

NEXT WEEK At last word you will be enjoying "Icebreakers" on the 15th. Always interesting and a great way to get to know our new members. A good day to be here.

If the schedule holds, Pete Hughes will be your finemaster. Should be like Christmas all over--the giving, that is.

PENINSULA COVENANT CHURCH

TODAY "Icebreakers" are on the menu today, we're told and they're usually up there among the best of programs. A great way to get to know our new fellow Rotarians.

Pete Hughes is due up as finemaster. Odds are pretty good he'll make it--and take it to you.

LAST WEEK Pres. Allen donned a bright red No. 80 (courtesy ex 49er Mertens) to celebrate the biggest thing since Christmas and New Years. Oh how we pray!

Sid and Jim exhorted the chorus as only they can with Oscar and Orv giving the pledge and invocation, respectively.

Speaking of Mertens, he had his Mom and Dad with him--here to help celebrate his 49er 49th and all that red and gold hi-jinks coming up.

Amador introduced our speaker, Joaquin Avila, Pres. and Gen'l Counsel for MALDEF, the Mexican American Legal Defense and Educational Fund. Mr. Avila discussed the question of immigration reform with a particular view towards the economic impact of undocumented workers in the Southwest and California.

A lively Q & A period attested to the timely and sensitive nature of this important issue.

Frank Parcell did another fine pinch hit job as finemaster and as one of those hit we know it only too well.

NEWS AND NOTES From Pres. Allen came word of the very successful celebration in Monterey on the 3rd where some 1300 Rotarians golfed and dined with R.I. Pres. Carlos Canseco. Five members of our club joined in the festivities.

Lou Coffaro says it's time to start gears moving as we look ahead to this years major fund raising auction scheduled for May 18. It really is so much more effective and easier if you do what needs to be done sooner rather than later. Be kind to yourself and good to Rotary. Get moving.

Bob Durkin says we'll need some homes to host a team of young businessmen from France for a nite or two this April--part of the regular Rotary exchange program. Think about it--it's really a unique opportunity, not only to help but to enjoy. Get in touch with Cliff Hawkins if you'd like to find out more. Why not?

COMING UP There's a Board meeting on the 17th--noon on Thursday at Pres. elect Roy Franks board room in his offices on Veterans Blvd. Call Pres. Allen if you'd like to attend.

On the 22nd we'll be hearing from Jerry Haugh, District Director of Sam Trans, on the doings of that great operation.

And on the 29th Pete McCloskey will be here to discuss "The Mideast Situation". You won't want to miss it.

Dr. Bostwick says that November attendance dipped to 86.97%. Sure, there are always excuses but can you really say you could not have done better? Not likely.

PENINSULA COVENANT CHURCH

SUPER SUNDAY Bill Walsh strongly disavows that he's a genius. Modesty? Perhaps--but when you have such highly placed friends, who cares. Ask Pete--he must know. How else can he make those marvelous miracles?

Congratulations to that great, great bunch of 'niners. They've said it all, there's nothing left to say but oh my!

TODAY Jerry Haugh, District Director of Sam Trans is our speaker--guess we'll learn something about how they move'em out, and move them out they do.

Last week we did predict the right finemaster. Feels good to make it every now and then. But two in a row--not on your life.

LAST WEEK Good vibes--with Pres. Allen at the podium, Past Prexy Sid and Dr. G. exhorting the chorus and Mario Ercolini and Carl Blessing taking care of the pledge and invocation.

And as we predicted, Pete Hughes did do the fining and as might be expected, the greenbacks and bucks flowed freely.

With Gerd at his side, Leif Syrstad received his official credentials as a Paul Harris Fellow with Judge Lyle Edson doing the honors. (Retired or not, he'll still always be "de judge"). Congratulations to Leif--how about some more to follow a fine example.

Ice breakers took care of the program. Dennis Durkin, Larry Abbott and Van K. Zannis took their turn. Always interesting albiet with their youth the biographies were a bit more like short stories. Some pretty fine young men but don't forget to tell them about you too--goes both ways you know.

OTHER NOTES Did you know that Steve San Filippo has stepped down as Club Treasurer after some fine service and before they could catch up to him. Tell him thanks. It's a lot of work.

And guess who, with all else he has to do has taken over. Lou Coffaro--that's who and that's service with a capital "S". Take note and remind yourself that Rotary is not meant to be a luncheon club.

Past Prexy Sid says the provisional R.W. Shores Rotary club meets Thursdays at Longdons Restaurant. They've got 9 to 10 prospective members and must get that number up to 20 to make it a go. Think if there's anything you can do to help. How do you know unless you give it a thought.

NEXT WEEK Trusting it is a firm date this time, next Tuesday we will be hearing from Pete McCloskey on his views regarding "The Mideast Situation". Should be interesting, of course.

N.B. Are you remembering to think hard about candidates for those fantastic R.F. scholarships. The District has earned so many more but it's your obligation to honor that privilege with some truly worthy prospects.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

JANUARY 29, 1985

PENINSULA COVENANT CHURCH

- TODAY** Pete McCloskey really needs no introduction. Let's just say that we are very pleased to have this distinguished public figure join us today to share in some of his thoughts about "The Mideast Situation".
- Bill Tresnon has said that yes indeed, he will be the finemaster as scheduled. Things are looking up.
- LAST WEEK** Lots of happy grins about that super Sunday but alas, neither Pete nor Jerry were on hand to tell all about it all. Will they yet be recovered enough to share a few words on that happy day as they saw it?
- No lack of enthusiasm from all the gang, however. Pres. Allen never did stop grinning. Sid and Dr. G. led a super chorus with lots of smiles. Fred Strathdee led the pledge and Club Sec'y Bob gave proper thanks on all accounts with the invocation.
- And subbing for an exhausted chaplain, finemaster Dick Dodge let his pleasure over super special super bowl seats bubble over in a generous assessment towards all who went, watched or even didn't go or remember which play went or not.
- Geo. Szpotek introduced our speaker, Sam Trans G.M. Jerry Hough who proudly reported on the success of their shuttling 115 buses and 10k people on Sunday with nary a breakdown. And from there, an interesting overview on the status and prospects for public transportation in the Bay Area--and in particular, of course, San Mateo county.
- NEWS AND NOTES** From Pres. Allen the happy word that Ron Koster has been appointed to the Club's Board to fill out the remaining term this year of now former member and director Jake Jacobowsky.
- And then the not so happy word that Bob Fortner has resigned in the face of job travel demands that have simply precluded his continued participation. He hopes he can rejoin when all that settles down.
- With Dr. Bostwick battling a fever, past Prexy Sid noted that our attendance has dropped off this year--perhaps as much as 10%. That's not what all of us and Rotary expect of us. So what better a time to remind all that once again February is targeted as a 100% attendance month. You can do it! Just be sure you don't let down the rest of RC Rotary.
- Club Sec'y Bob notes that we will be electing or re-electing five Board members whose terms expire this June. The process starts next week with the delivery of nominating ballots. All members are potential candidates. Give it the thought it deserves.
- From the membership committee a reminder: There are hundreds of qualified men out there just waiting to be invited into Rotary. Go find them. Invite them. Enroll them. Help keep the work of Rotary rolling.
- COMING UP** This year's District Conference will be held in Ukiah April 25-27. Good time to block it out on your calendar.
- NEXT WEEK** On the 5th our speaker will be our own past District Governor, George Chaffey. Just talking about Rotary and he does that very well.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946

FEBRUARY 5, 1985

PENINSULA COVENANT CHURCH

TODAY George Chaffey is a Past District Governor, an honor and service we sometimes take for granted and fail to fully appreciate. George has done much for Rotary and our club and few know more about Rotary than he does. And that's just what he's going to talk about.

Shall we go for two in a row--like saying that Amador Bustos will be today's finemaster. Why not?

LAST WEEK Imagine, having two programs lined up, but that's the way it was. We probably missed something good from Sid but still.....

Wasn't it great that Pete McCloskey rushed down from the airport (returning from testifying at the Westmoreland-CBS trial in N.Y.) just in time to talk to us about his views on the "Mideast Situation".

Acknowledging the controversial nature of some of his views, Pete still pleads for the give that must come from both sides if ever this draining wound is to be healed. He gave a most interesting historical perspective on how it all was arrived at, where it is today and certainly only good can come from a continuing dialogue on this great trauma.

Pete Hughes gave the introduction. Pres. Allen held it all together with the usual good help from Sid and Dr. G. on the song with an assist from Menlo's John Head on the pledge and Pete Hughes the invocation.

Bill Fresno was indeed our finemaster as scheduled-but that didn't make it any easier.

NEWS NOTES AND VARIA Get those committee assignment preferences for the '85-'86 year back to incoming prexy Roy Frank within the next three weeks.

You now know who your "buddy" is for the February 100% attendance drive. Let's do the job and do it right.

And from Dr. Bostwick a report on December's attendance--a much more respectable 95%. It's got to be at least that or better so make it the habit it should be.

You've received your ballots for nominating five of your fellow RC Rotarians for election to the club's Board for the term '85-87. Get them back to Club Sec'y Bob by Feb. 12. The top ten will be included in a run-off election with ballots to be distributed on Feb. 19 and counted on March 4.

President Allen delivered a gift to the club from the Vongsy (Laotian refugee) family to Pete Hughes for caretaking. How nice!

From Don Helbush--time again to roll up your sleeves. The mobile unit of the Peninsula Blood Bank will be at Kaiser Feb. 15 from 9:30 to 4:00--but why not drop in at Sequoia where you can do it any Tuesday morn before our regular meeting. Blood is badly needed. You can give, can't you?

This year's R.I. convention will be in Kansas City. Some very special fares have been arranged to make it a really affordable experience. Here's your chance. Past Prexy Sid, as always, can give you all the info.

NEXT WEEK Feb. Prog. Chm. Paul Keckley says we'll be getting an update on the Port of RC from Port Manager--or is it Director--Fred Di Pietro.

And your finemaster--Dr. Alan Bostwick. Is that garage cleaned out yet?

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY

CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

FEBRUARY 11, 1985

PENINSULA COVENANT CHURCH

TODAY It's Lincoln's Birthday and according to Pres. Allen a good time to recognize and honor our own past presidents, 19 of whom are still enriching the life and activities of our club. They're all noted on the back of the SPOKE and hopefully all or at least most all will be here today.

Fred Di Pietro, R.C. Port Manager, will be giving you an updating on the status of that operation. Should be lots to hear about.

Cliff Hawkins will be subbing as finemaster for Alan Bostwick who's still throwing off the effects of a bout with the flu.

LAST WEEK With our own Past District Governor George Chaffey giving an inspirational talk on what Rotary is all about and another PDG, Menlo's Bob Paroli, in the audience, along came the wonderful news that....

TAKE NOTE The District Governor Nominee for '86-87 for District 513 is none other than our own Past Prexy Sidney L. Berlin. Now isn't that fantastic! Congratulations to Sid and a big thanks for the continuing honor it brings to R.C. Rotary.

Pres. Allen made the announcement with an appropriate king size scroll unveiled with some equally appropriate notes from Charlie Bulanti's clarinet.

Sid and Dr. G. lifted the chorus to some other high notes; Art Low gave the pledge, Carl the Blessing and finemaster Amador Bustos used some bits and pieces of R.C. history to bring in the bucks.

OTHER NEWS AND NOTES We said the R.I. Convention in Kansas City would be affordable. How true, with word from Barbara Conklin last week that the very special round trip air fare will be just \$238. Better get going.

The R.C. Outstanding Citizen Award Dinner will be held on Feb. 23rd. Only \$10. a head and one of the nominees could even come from our own club--we've already got three past winners--Keckley, Parcell and Schutz.

Point is, it would be nice to have a good turnout of R.C. Rotarians at the dinner so why not mark your calendar and tell your Rotariann she won't have to cook that night.

And don't forget the Blood Bank Mobile Unit will be at Kaiser this Friday--or you can give that pint any Tuesday a.m. at Sequoia--like before our Rotary lunch.

And also don't forget to give your committee assignment preferences to Roy Frank. It is important--let's run by decision not indecision.

February is World Understanding Month--we could stand a whole lot more of that--and also the 80th anniversary of R.I. It's come a long way with 962,500 Rotarians in 20,862 clubs in 159 countries. For the fiscal year ended June '84 the R.I. Fund balance increased from 20 to 25 million and the Rotary Foundation (TRF) total fund balance rose to over 75 million--and all of it doing so much good for so many. Be proud of that pin you wear.

NEXT WEEK Prog. Chm. Paul Keckley says you're not only going to hear about ragtime piano--you're also going to hear some of the real thing. Sounds like fun.

Joh Wooley will take care of the fining we hear. Not sure it that sounds like fun.

PENINSULA COVENANT CHURCH

N.B. Before turning to our regular program for the day we should acknowledge that we are honored today by a visit from both Dist. Gov. Larry Myers and D.G. Nominee Norm Lawrence who are here to greet the members of the provisional Redwood Shores Rotary Club with whom we are holding a joint meeting. Welcome to all! The Shores club, by the way, will be holding their future meetings on Thursdays at the Holiday Inn on Marine World Parkway.

TODAY According to this month's Prog. Chm. Paul Keckley, we are going to both hear and learn about ragtime piano from a master of many things, Jim Fitzgerald, whose distinguished background includes, among things of note, the Presidency of Foothill College.

John Wooley is due up as finemaster. Forget where you are, you'll feel like it's a lion's den.

LAST WEEK Pres. Allen arranged and led a well deserved salute to our past RC Rotary Presidents. There are nineteen still active and all but two showed up to accept due recognition, a red carnation and applause--give or take a boo or two here and there. Who were they:

Bergler	Durkin	Keckley	Schutz
Berlin	Edson	MacLeod	Souza
Bostwick	Enomoto	Parcell	and not present:
Brown	Esson	Pierce	Armstrong
Dooley	Fitzgerald	Schricker	Pearson

Most senior of the past prexies--in terms of when in office--Dave Schutz (and a charter member as well) led the pledge. Bill Tresnon (who gets the Spoke to those who miss a meeting) gave the invocation and Past Pres. and D.G.N.N. Sid, joined with Dr. Jim to keep the chorus on that always high note.

Cliff Hawkins made the fining a "Trivia" thing but not as it felt in your wallet. And speaking of Cliff, he's among the ten following nominees, five of whom will be elected to new terms on your club's Board of Directors. They are:

Bullante	Koster
Durkin (Dennis)	Orozco
Hawkins	San Filippo
Hughes	Stiff
Huxhold	Syrstad

A busy time it was but we shouldn't fail to take note that our speaker this past week was R.C. Port Manager Fred DiPietro who gave an upbeat updating of all the doings out there, and they are many. Dick Dodge, by the way, chairs the Port Commission these days following other notables along the way such as Paul Keckley and Dr. Bob Brown.

NEWS AND NOTES Are you keeping touch with your "Buddy" to make sure February's 100% attendance goal is reached?

And have you gotten those committee assignment preference sheets back to Roy Frank? If not, get with it.

NEXT WEEK Paul Keckley will be bringing some key people from his staff to tune you in on what's doing in all the various physical therapy programs at Sequoia Hospital. Should be interesting.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

FEBRUARY 26, 1985

PENINSULA COVENANT CHURCH

TODAY This month's Program Chm., Paul Keckley, will close out a month of fine programs by presenting to you some of the key people from his staff at Sequoia Hospital who will give you an updating on what's going on in the various physical therapy programs they conduct for both the in and out patients cared for up on the hill.

Our schedule says that John Novak is due up as finemaster. Better Czech your wallet.

LAST WEEK What a fine day it was. Not only a visit from Dist. Gov. Larry Myers and his lovely Rotariann, Jill, and D.G. Nominee for the coming Rotary year, Norm Lawrence, but a fine and entertaining program on top of it all.

Larry and Norm came all the way down from Ukiah and Ignacio to greet and exhort the visiting members of the Redwood Shores provisional Rotary Club who joined in our luncheon, reminding them of the challenge and honor they will enjoy as charter members of a new club.

Pres. Allen showed by example how our meetings are run and Sid and Jim how our songs are sung. Thanks to D.G.N. Norm for leading the pledge and John Wooley the invocation.

It was a mixed blessing from John, however, as he soon took to the podium as finemaster and gathered in a bunch of greenery for the club's coffers.

Paul Keckley introduced his brother-in-law, Jim Fitzgerald, (the one who gives him the ties Dodge so admires) who gave a most enertaining lesson in words and at the keyboard on Rag-time piano. Dr. Fitzgerald is well qualified, of course, to teach a lesson or two, having retired as President of Foothill College.

For those who missed it, sorry, but we can't play it back. Let's just leave it that it is or was the only truly original American music and oddly enough occupied a period of only twenty years, from 1895 to 1915.

NEWS AND NOTES D.G. Larry reminded all that the District Conference coming up around the end of April will indeed, as promised, be quite affordable. For you and your Rotariann if you went for the whole three days, participated in every planned event and did all there was to do it wouldn't cost you more than \$300. So whether you come for just one or all the days it will be a bargain indeed and a whole lot of fun to boot.

There's a new time table for R.F. International Scholarships for the '86-87 year. Applications will be mailed to the districts by March this year with the final date for receipt of applications and supplementary documents by the sponsoring clubs being Oct. 1, 1985. Announcement of recipients by R.F. Trustees will occur in February 1986.

NEXT WEEK There'll be a program for sure, but you'll have to show up to find out just what it will be.

REMINDER Get your ballots to Sec'y Bob and be sure it call Dr. Bostwick of you have any make up info for February.

MARCH 5, 1985

PENINSULA COVENANT CHURCH

TODAY Our Program Chm. for March is Bill Stangel and according to Bill, on this first Tuesday of the month you will be hearing from Arthur K. Chapman, Senior Director of Campeau Corp. Calif. We expect that Mr. Chapman will be filling you in on some of what they are planning for the Marine World Park site once its present operations have been relocated.

Finemaster? Just have to wait and see.

LAST WEEK Pres. Allen did his best to keep order--there are time when the cross talk gets downright rude and annoying--but no problem when the chorus is turned on and Bulanti and Greenwell did just that. Thanks to Sec'y Bob and Paul Young for the pledge and invocation, resp.

John Novak used his famous violin for a local version of "Name That Tune" and name it or not it was five bucks for all who had a chance.

Paul Keckley closed out his month as Program Chm. by introducing key members of his staff who gave a current picture of what's happening in the area of Rehabilitation Therapy at Sequoia Hospital.

For any who've chanced to see or participate in their programs it's pretty clear that changes in equipment and technique are coming at a very rapid rate.

But now you know what it's all about thanks to Steve Allen (Sports Medicine), Brenda Vinnacome (Occup. Therapy), JoAnn Kemist (Speech Therapy) and Ann Downs (Cardiac and Pulmonary programs). An impressive bunch of talents and programs.

Always a great thing and something we never tire of, the induction of a new member. This time it was Past Pres. (and sponsor) Pete doing the honors for Dr. Lyle J. Rausch. A Dermatologist with offices on Broadway here in R.C., Lyle holds an awesome array of academic credentials including a B.S., M.S., PhD and finally an M.D. He and his Rotariann Mary J. Knicely-Rausch have three children ages 5, 3 and 1. Welcome!

Pete, by the way, had just returned from So. Calif. where he did the honors in wedding Joe Montana and his beautiful bride Jennifer.

NEWS AND NOTES From Cliff Hawkins a reminder that the French Group Study Exchange group will arrive March 31st and be in need of housing for the nights of April 2 and 3.

If you can manage to take in one of these young men--and it's a real fun experience--call Cliff. Their days are taken up so you won't have to do anything on that score.

Among last week's guests, former member Jake (Jacenowsky), the proud parent (as editor) of the now second edition of the 49ers Report.

And don't forget to get your reservations in for the District Conference in Ukiah the end of April. Pres. Allen has all the details. Whether it's for one day or the whole week--end you won't regret it.

Scholarship interviews (those your club awards) will be starting soon and if you can participate, see Ron Koster. He could use some help due to membership losses in the original committee.

NEXT WEEK Bill Stangel has had some good things lined up but still doing some date juggling. What--ever--our guess is that you will indeed find something good.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

MARCH 12, 1985

PENINSULA COVENANT CHURCH

TODAY Redwood City Manager, Jim Smith, is our speaker and according to Prg. Chm. Bill Stangel, you'll be hearing about such things as Waste-Energy and City Finance. Now there are some words that should have a lot of meaning.

If the schedule holds, Bill Bergler will be your finemaster--feel like you're getting boxed in?

LAST WEEK With Pres. Allen down with the flu it's nice to have the likes of Past Pres. Pete ready to pitch in.

And with another past prexy and now DGNN Sid B. and Dr. G. joining up to set the pitch, how can the chorus fail to rise to the occasion--no way. Thanks too, to Mike Kreiss for leading the pledge and his ever faithful taking care of setting out the club's identification symbols from curb to door each week.

Ernie Glenn did the fining--may not have found his roots but got pretty deep into the pockets of some of the rest of you.

Our speaker was Arthur K. Chapman, Sr. Dir. of Campeau Corp. who gave a look-see at what they have planned for the Marine World site. Exciting--indeed! And looking at all this two billion corporation has done elsewhere and is now doing throughout the bay area, there's every reason for having high hopes for a development of equally high quality.

Two new members. That too is always exciting. Alphabetically: Kay Bell, Jr., Pres. of Bell Marine Co., Inc., with the classification of "Dredging-Sand and Gravel", sponsored by Bob Rutherford and then, what a pleasure to finally have Art Law transfer from visiting Rotarian to R.C. Rotarian. Isn't that just great! Welcome to both these fine new members of R.C. Rotary.

NEWS AND NOTES Elected to the Club's Board of Directors for the term '85-87: Charlie Bulanti, Cliff Hawkins, Pete Hughes, Ron Koster and Steve San Filippo. A nice blend of talents and doers all.

And for the record, the Club's By-Laws were officially amended by voice vote to adopt a revised wording describing the manner in which the club's financial transactions are to be reviewed annually at the direction of the Board by means of such compilation, review or audit as the Board may determine.

From Alan Bostwick comes word that February's attendance goal of 100% fell a tad short at a still very notable 97.43%. Too bad so few made such a big difference but accolades to all you who did give your all. Let's make March even a tad better.

NEXT WEEK Prog. Chm. Bill Stangel says you'll be hearing from Peninsula Times and Tribune President and Publisher Thomas J. Culligan.

And on the 26th Bill says our speaker will be Trial Attorney Joe Gughemetti who specializes in land use and environmental litigation.

Both are programs that should keep that March attendance up. Be here and enjoy!

PENINSULA COVENANT CHURCH

TODAY

Our speaker is Thomas J. Culligan, President and Publisher of the Peninsula Times Tribune. For those of you too new to the area to remember, that name first came into being with a merger of the then Redwood City Tribune and Palo Alto Times. It might seem even longer ago if Dave Schutz didn't look so young.

LAST WEEK

With your editor floored with the flu, thanks to Don Bechtel for keeping track of things.

Pres. Allen yielded the gavel though it will be Pres. Elect Roy Frank who'll be at the podium this week and next.

Thanks to John Wooley for the pledge, Carl Blessing for the invocation and for those who escaped, thanks to Bill Bergler for doing the fining-one of the few times when no one wanted to hear that 'Bergler's here'.

Redwood City Manager Jim Smith was the day's speaker with the most interesting of his remarks apparently coming in a lively Q and A session following some initial remarks on waste/energy conversion systems and the like.

NEWS AND NOTES

At a Board Meeting immediately following last weeks regular meeting we're pleased to announce that Pete Hughes was elected President Elect of RC Rotary for the term 86-87 and to serve along with him your present club secretary Bob Rutherford and Treasurer Lou Coffaro. A fine and popular choice and congratulations to all.

And from Lou Coffaro a reminder that your clubs annual fund raising auction is set for May 18. Last year that effort netted more than \$12K and with lots of new innovations this years goal is to take a big step past that fine accomplishment. Time to start doing!

12-12-12. Recognize those numbers? That's right-it's the makeup of those great 80 lb. sacks of fertilizer that Jerry Mertens is once again making available at one heckuva price- the same \$16.50/bag as last year. Shop and compare and you'll see why you should be spreading it all over your yards and lawns.

And take some orders for your neighbors too-they'll thank you. And for what it returns to the clubs treasury you can thank Jerry-a whole lot for it's a mighty big job he does. Get your orders in.

From Alan Bostwick, a suggestion-or better yet, a request. Please see to it that your makeup cards show the date of the clubs regular meeting against which you intend the makeup to apply. Easy for you to do. Why make the good doctor guess?

Remember, the visit of the Group Study Exchange Students from Paris brings them into our environs come the end of this month and the first two or three days of April. Talk to Cliff Hawkins to see if ther's anything you can do.

Belmont and San Carlos have joined to form an interact club at Carlmont H.S. recently-with 25 young people starting out in the program. Bully for them. Isn't it time RC got in the act?

NEXT WEEK

March Prog. Chm. Bill Stangel closes out a fine month with a presentation by Trial Attorney Joe Gughemetti, a specialist in land use and environmental litigation.

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 513

MARCH 26, 1985

PENINSULA COVENANT CHURCH

- TODAY** March Prog. Chm. Bill Stangel closes out a month of fine programs with the presentation of Trial Attorney Joe Gughemetti who will speak about his principal fields of interest: land use and environmental litigation.
- If our schedule gets back on track, Stan Silverstein will be your finemaster. Not much chance you'll find a cheap way out.
- LAST WEEK** Pres. Elect Roy had another chance to get tuned up for the coming year. And speaking of tuning, how about Lou Coffaro leading the chorus - sound your "o"'s. Thanks to Van K for the pledge and Dr. G. the invocation.
- Dennis Durkin took a turn as finemaster. Any complaints? See a lawyer. Could start with DGNN Sid. No? So what then - you prefer getting drilled by his Dad?
- It must be a record in terms of out again and in again but we know of no one who wasn't just as pleased as could be about having Jake Jacobowski reinducted into R.C. Rotary. Side tracked for a spell, this former sports editor is back in stride in the field of sports journalism - and doing one heckuva job! Welcome home, Jake!
- And speaking of journalism, our speaker was the distinguished President and Publisher of the Peninsula Time Tribune, Thomas J. Culligan.
- Articulate as one might expect, Mr. Culligan recited the history of the formation of the present paper from the merger of venerable and much missed Redwood City Tribune and Palo Alto Times and the ensuing struggle and effort to create a new and larger journal hopefully yet responsive to local needs while still managing to be a quality competitor in the areas growing market place.
- NEWS AND NOTES** With the tempo of the club's coming annual auction increasing by the day, Lou Coffaro reminds all that now's the time to search out gifts from vendors to enhance the array of auction items that are necessary to the success of this so important event.
- Time to get serious and make arrangements and commitments. Yes, the District 513 Assembly is set for Saturday, May 18, 1985. The assembly will be held at the Indian Valley Colleges, Novato from 7:30 AM to 3:30 PM.
- From past experience, that should permit you to be back home well in time for your own club's auction.
- That poses a degree of conflict but take our word for it, the Assembly is really an event well worth the effort it take to attend. Once you've done it we know you'll agree.
- Sure it will be a full day, but cocktails and dinner will have you back in fine shape for our own auction - and even more inspired. Give it a try.
- NEXT WEEK** Ice breakers are always interesting and lots of fun - and a good way to march on into April.
- And if Bob Pierce does turn out to be your finemaster - well, just figure it's April fool; day all over again.
- N.B.** Words of wisdom from Pres. Elect. Roy - "if you don't know where you're going, you can't know where you're going to wind up - or something to that effect.

APRIL 2, 1985

PENINSULA COVENANT CHURCH

TODAY With our "ice breakers" deferred to the 16th, Prog. Chm. for the year and next Prexy-elect Pete Hughes says we'll be hearing from Mr. Garth Hull of the NASA Ames Research Center on the third of NASA's four letters--SPACE, of course.

Bob Pierce is due up as finemaster. Hope you've sent in your Returns--not likely you'll have much left for the 15th after today.

LAST WEEK With Pres. Elect Roy getting in even more practice for the year to come what could you expect but to have one of our younger members lead the chorus. Sounded good but we're not sure if Orv Graves was practicing fencing, dancing or just waving in a runner from second to home.

Thanks always to Dr. G. at the keyboard and this week to new member Kay Bell for leading the pledge and Past Prexy Bob Dooley for a fine and fitting f'invocation.

Stan Silverstein did the fining--with an expression that reminds us of that cat in Alice in Wonderland. And his collections were just about as fanciful--albiet, not the kind to make you purr.

Trial Attorney Joe Gughemetti, a specialist in the fields of land use and environmental litigation, threw out some thought provoking comments on the possible effects of our society's ever increasing control and/or ownership of the nation's land and resources by government.

Against a theme of "if you can control the land you can control the people", Mr. Gughemetti made note of many facts (e.g. the government now owns 1/3 of all the land and 55% of all of it west of the Mississippi) and areas of concern (e.g., the actions of the Calif. Coastal Commission) all leading in his view to a threat of the survival of democracy as we have known it.

NEWS AND NOTE Noting the many World Fellowship Groups already thriving in Rotary, Bill Conklin is suggesting, even advocating, the addition of one more: "Wine Appreciation".

We know he's serious about it and we are too! It's a great idea, especially that "one more". Hic!

The Group Study Exchange group from Paris will be here with us next week. What a fine program. Be sure to help in any way you can. And thank Cliff Hawkins for all he's been doing to make their visit hereabouts a success.

The District Conference is set for April 25-28 in Ukiah and D.G. Larry Myers and all those helping have one heckuva great time arranged. It is an experience worth experiencing. You can still make arrangements--call Pres. Elect Roy or Secy Bob.

Then on May 18th you've got both the Dist. Ass'y and our own Club Auction. Mark that calendar!

And on June 21st, Raul Keckley says you'll be able to help a great fund raiser for equipment for the patients at Sequoia Hospital, by enjoying a terrific evening at the Circle Star with Bob Hope. Only \$20. a seat for a fantastic show and an equal cause.

NEXT WEEK This month's Prog. Chm. Pete Hodgson says our speaker will be Paul Roskoph, a tax attorney who'll be talking about the Tax Act of '84 and just what the IRS and Congress are trying to achieve. The time is right!

CHARTERED APRIL 22, 1946

APRIL 9, 1985

PENINSULA COVENANT CHURCH

.....A season for remembrance, forgiveness, devotion and love for all.....

TODAY April Prog. Chm. Pete Hodgson says that our speaker for this day will be Mr. Paul Roskoph, a tax attorney, who will be discussing the 1984 Tax Act and offering some insight into what the IRS and Congress are trying to accomplish.

Whatever that is, our finemasters should do as well. Pierce didn't make it last week. After all that snow and skiing will he make it today?

LAST WEEK Pres. Allen resumed his familiar posture at the podium, fresh and freshened from a trip to Egypt, Israel, and Athens--all the richer for the likes of fellow traveler called Chaffey.

With almost more visitors than R.C. members, Sid and Dr. G. stil unleashed the chorus to sounds in tune with all the wonders of one of those rare and to be remembered truly beautiful days of spring.

Thanks to Amador and Carl for the pledge and "Blessing"--even if it does come in short hand.

Jerry Mertens pinch hit as finemaster for Pierce. And his hits do pinch--no safety in how he acts now a days. But when you talk about a team effort, here's your guy.

Lem Summey did the honors in introducing our speaker for the day, Mr. Garth Hull of the NASA Ames Research Center.

Coping with the problem of trying to show slides when the drapes don't draw on a day so bright, Mr. Hull still managed to give a run through of the past, present and pending programs of space exploration and research coming along in the rest of the '80's, '90's and beyond--all against a back drop of those many accomplishments of the '60's and '70's.

NEWS AND NOT A very strong and not to be ignored pitch from Past Prexy and DGNN Sid on the need for some much needed and to date lacking support in the search for candidates for membership in the new RW Shores Club.

That membership stands now at 14 with 6 to go to make the 20 necessary for the formal and final reality of forming another new Rotary Club.

Take time. From R.C. Rotary it was such an effort that gave birth to clubs now so much to be admired--San Carlos and Menlo. In their time it didn't just happen. All of R.C. Rotary made it work. Make it happen again.

From Lou Coffaro, many suggestions on what to do or give to the needs of our club's upcoming auction on May 18th. Get going now and if you're still scratching your head, don't wait--call Lou now. He'll help you find a way to meet the club's needs and your obligation.

Another reminder--The Dist. Conf. at Ukiah, April 25-28. Until you've done it you'll never know what it's worth. And it is worth it.

NEXT WEEK Icebreakers it will be--and always a great time to get to know our new members. Can you ever remember when they were not interesting--and we mean enjoyable. So enjoy!

PENINSULA COVENANT CHURCH

TODAY Today's menu calls for Icebreakers. Interesting for sure--they always are--but there's a lot more to it. There's nothing more important than getting to know one another and this is one of the best ways ever. Just be sure you keep it going after the meeting as well.

George Chaffey is your finemaster. Kind of worries you, doesn't it? We can sense the apprehension. Cheers!

LAST WEEK Thanks to all the visitors it wasn't quite so apparent how many must have been at Candlestick for the Giant's opener.

With Dr. G. on the open road again, Pres. Allen called on Maestro Bulanti to help him lead the chorus. And we should be grateful--and we are-- but still, it takes a bit of adjusting to cope with "America" and "Smile" in foxtrot.

Thanks to Mike and Del for the pledge and for the Blessing, Carl.

Dr. Bill Koon took care of the fining and showed he still has that bedside manner, albiet most of his patients took their medicine standing up.

April Prog. Chm. Pete Hodgson introduced tax attorney Paul Roskoph who gave an interesting synopsis of where we've been and where we are in the ongoing and agonizing muddle of tax acts, regulations, revisions and other curia snaking their way thru past and present administrations, congresses and the IRS.

No way to recap other than to say if you're not confused you don't understand the situation. Easy to understand how that old expression "say uncle" came about.

OTHER NOTES From Club Sec'y Bob comes word that Dr. Bostwick will be away for a couple of weeks, so send your make up cards to Bob till Alan returns.

Pretty good word on March attendance--92.52%. How about pushing it to 95%. Sure you can.

A last reminder. The District Conference in Ukiah takes place April 25-28 and it's well worth the effort.

And if you can't make it to the Dist. Conference you really should consider the Dist. Assembly on May 18 at the Indian Valley Colleges in Novato. Plenty of opportunity for car pooling and a marvelous way for new Rotarians, especially, to get to really know what Rotary is all about and enjoy a wonderful fellowship with Rotarians from all over Dist. 513.

Then on the night of the 18th it's our own club's annual auction and that means it's time now (not later) to get with it on what you will be contributing or arranging to have contributed to this great event. Again, if you're not sure, call Lou Coffaro.

NEXT WEEK Pete Hodgson says you'll be hearing from Dave Arkin who's in charge of the Sports Car Club of America's Race Driving Schoo. So you think you'd like to drive one of those "vrooms"--here's your chance.

Says here that on the 23rd Alan Bostwick will be finemaster. How do you get ready for that?

PENINSULA COVENANT CHURCH

TODAY

April Prog. Chm. Pete Hodgson has arranged for all of you to get a lesson in sports car driving from Dave Arkin who's in charge of the Sports Car Club of American Race Driving School. Gentlemen, start your engines--put, put, put, v'room!

Dr. Alan Bostwick is set to do the fining. And you thought the IRS and FTB have some devious ways--meet the devil!

**LAST
WEEK**

And speaking of the IRS, Pres. Allen passed out packets of a famous old remedy for headache and stomach upset to celebrate or calm the post April 15th shakes.

Key-noter Dr. G. is still away but DGNN Sid keyed the way for the chorus. Thanks to visiting Past DG Bob Paroli for leading the pledge and Carl for the invocation.

George Chaffey handed out the fines as he demonstrated there's no tool like an old tool.

Icebreakers was the program and true to form, once again one of the most interesting of all as we heard in depth from new members Kay Bell, Jr. and Dr. Lyle Rausch.

Son of a famed professional wrestler, Kay described the unusual business of his company, Bell Marine, Inc., that of dredging the Sacramento River and the Bay for sand, gravel and even oyster shells and barging it to the Port of RC for sale and redistribution to a myriad of users.

Lyle then traced the interesting history of his path. to becoming an M.D. from Stanford now specializing in Dermatology. And what a path--a B.S. in psychology from Loyola (Chicago), service in the army, an M.S. and PH. D. from Memphis State, Research and teaching fellow at UCLA and finally to Stanford for his M.D. and tour as Chief Internist in Dermatology before taking up private practice here in R.C.

Thanks to Kay and Lyle for a most interesting session.

**NEWS
AND
NOTES**

Cliff Hawkins advises that so far he has only one sure candidate for this summer's proposed exchange visit by our club's off-spring to the Hiratsuka Club. If that's all there is, this year's exchange will have to be cancelled according to Cliff.

Ron Koster says that interviews are underway in respect to this year's scholarship awards once again there will be given out to the lucky winners six \$1,000 grants.

Applications for R.I. Foundation scholarships are now available. See Ron if you have any nominees in mind.

The club's annual auction is now less than a month away--May 18th--so get those donations in to Lou Coffaro. It's no longer something to do in the future. With all the work to be done the time is now.

**NEXT
WEEK**

Pete Hodgson will round out his month as program chm. by presenting Bob Balliet, Past President of the California Assoc. of Gen'l Contractors. His Subject: "Time for the Construction Industry to Claim Its Rightful Place (in our economy)".

Says here our finemaster will be charter member, Dr. Bob Brown. You can bet he's handled more than a few of these sessions.

Dear Bill:

It was a pleasure to meet you at Rotary Monday. I looked at your card after you left and was envious of your address. It is about two miles from my home.

I thought you might find the last two issues of our firm's Newsletter useful. Accordingly, copies are enclosed.

I look forward to seeing you again.

Very truly yours,

APRIL 30, 1985

PENINSULA COVENANT CHURCH

TODAY Pete Hodgson will round out his month as Prog. Chm. by presenting our speaker, Bob Balliet, Past President of the Calif. Assn. of General Contractors. Mr. Balliet's remarks will be directed toward the subject: "Time for the construction industry to claim its rightful place (in our economy)".

Dr. Robert G. Brown will be your finemaster-and you can be sure that Bob knows more than a little about how to deliver.

LAST WEEK Pres. Allen once again called on Sid to rouse the chorus and rousing it was. Still in all, we sure do miss maestro Jim at the ivories.

Charter members Bob Brown and Dave Schutz took care of the pledge and Carl the Blessing. Thanks to all.

Alan Bostwick took to the podium as finemaster leaving most relieved there was another program still on tap-relieved in more ways than one.

Our speaker was Dave Arkin who handles the Sports Car Club of America's Race Driving School. Pete Hodgson did the introducing, naturally, and now you all know a bit more-quite a bit-about this car racing hobby of his. One way to get rid of your tensions-and any spare change you may have. Not a poor man's hobby, that's for sure.

Not sure it was needed but at the heading of Pres. Elect Pete Hughes, a unanimous vote was cast instructing the club's delegates to vote for DGNN Sid at the District conference now just held this past weekend in Ukiah.

NEWS AND NOTES Should have mentioned that last Tuesday's meeting filled the hall-SRO- with visiting Rotarians galore.

A note from Don Helbush, now visiting his grandchildren in Europe, reminding all of the acute need for blood donations and asking that you note your calendar-the mobile unit of the Peninsula Blood Bank will be at Kaiser on Friday, May 17th from 9:30 to 4. You can also give at Sequoia Hosp. any Tuesday morning-do it before our meeting and save a trip.

The Menlo Club is holding their annual Casino Night on Sat., May 11. Sounds like real fun with some grand prizes for the winners.

And that's a good way to remind you all of our own Auction on the 18th. Take it from Lou Coffaro, there's going to be a fine array of goodies going on the block that Sat. night at St. Pius. But we still need your donation, so get with it-now!

By the way, the regular meeting on May 21 has been cancelled in favor of the auction, so here again, note your calendar.

You might also note that Roy Frank is planning a meeting of new committee chairmen at his offices on Veteran's Blvd. on the evening of May 9th.

NEXT WEEK May Prog. Chm. Charlie Bulanti will start things off on a fine note by having the Canada College Choral Group here to entertain you.

And Finally this year's Installation dinner is scheduled for June 25.

MAY 7, 1985

PENINSULA COVENANT CHURCH

TODAY What a fine way to start this month of May. Prog. Chm. Charlie Bulanti says you'll be enjoying a special treat this noon. What better entertainment than the Canada College Choral Group to lift your spirits.

Your finemaster? The schedule says Fitzgerald but we wouldn't count on that.

LAST WEEK Just returned from the District Conference in Ukiah, Pres. Allen continued the inspiration by calling on District Governor Nominee (for '86-'87) Sid--yes indeed, it's now official--to lead the chorus. "Bout the best you can do till Maestro Dr. Greenwell returns.

And speaking of returns, Pres. Elect Roy finally did after a long and lovely vacation abroad with all the family. Won't likely be much more of that until the next Rotary year has passed the scene.

Frank Addiego pinch hit for Dr. Brown as finemaster--even used the good doctor's script for the occasion. Not too bad--but the delivery just will never be the same.

Pete Hodgson wrapped up his month as Prog. Chm. by introducing Bob Balliet, a S.F. contractor and past president of the Calif. Assoc. of Gen'l Contractors.

With all due pride and partiality, Mr. Balliet noted some notable statistics about the scale and contribution of the construction industry to the state and nation's economy. And imposing they are. Still, it remains that if the economy thrives so does construction and the sequence does not change.

NEWS AND NOTES Said before but worth saying again, yes indeed, R.C. Rotarian Sid Berlin is now officially Dist. 513's DGN for '86-'87. He'll need help so start thinking now of how you can.

All this and more happened at the District Conference held just a week ago in Ukiah as present DG Larry Myers term draws to a close.

Then more? Oh my--must be the luck of the Irish as Dennis Durkin came out the winner in a drawing that awarded him a Paul Harris Fellowship. It's a great honor for anyone but isn't this a nice way to come about it. Congratulations.

Word comes that the R.W. Shores provisional club now meets at noon on Thursdays at the Farm House. Could there be a handier way to make up? Let's see what that now does for our attendance stats.

Just in time for that time of the year, those big nourishing bags of Merten's special fertilizer blend are now ready for pick up. Call Jerry to let him know if you'll pick it up at his place or here at meeting time. And if you haven't ordered, don't miss this bargain. Share it with a neighbor or neighbors. At \$16.50 for 80 lbs. you just can't beat it--and it's just the right blend for all your needs.

NEXT WEEK We'll be hearing from Captain Frank Jordan of the San Francisco Police Dept.--should be a good opportunity to hear about some of all that which is getting so much publicity and these days.

N.B. A reminder again. There will be no regular meeting on the 21st--it's cancelled in favor of the club's auction coming on Saturday night, the 18th.

PENINSULA COVENANT CHURCH

TOJAY Our speaker is Captain Frank Jordan of the San Francisco Police Department. — We don't have a topic but given all the press the S.F.P.D. has been receiving of late and an authority of this level, it just has to be interesting.

Our schedule says Bill Conklin is due up as finemaster and when you consider his interest and contributions in behalf of the Rotary Foundation--and other interests as well--you can be sure he'll most likely uncork something of note. Like bank notes from you.

LAST WEEK Once again Pres. Allen called on DGNN Sid (not long now before we drop that 1st "N") to keep the chorus sounding like they be with Dr. G.

And with the Auction just around the corner, what a fine time to hear from our good friend and auctioneer, Dr. John Weinmann who led the pledge. John, by the way, will once again be involved in that great task, this year sharing the duty (auctioneering) with Travis Jackson.

Thanks to Norm MacLeod for the invocation. Should say Past Prexy Norm but have you ever noted that we have all of nineteen past presidents still on our active roster!

Jim Fitzgerald was finemaster according to Don Bechtel who took notes for your absent editor.

And do you know that Don very generously arranges to handle the typing of each week's copy of the SPOKE and then gets it to the printer and the meeting--a not so small load your editor had to bear in the past. We'd appreciate your giving him a well deserved pat on the back.

Our program last week was an entertaining musical treat by the Canada College Choral Group. Not much one can write about that but must have been a nice relief from some of the more serious matters usually attended to.

NEWS AND NOTE What's "Prime Time" right now--the Auction, of course.

Yes, indeed, it's finally here. This Saturday it is. At St. Pius it is. And a great event it will be thanks to all the work done and being done by Lou Coffaro and all those others helping so much.

You're coming, aren't you? Of course, and with friends and neighbors as well--great. You won't be sorry 'cause it will be just one great time for one great cause.

What's to be bid upon is just fantabulous! You've heard or read about the many terrific goods and services to be sold to the highest bidder (s). And there are more. In the air, on land and afloat. Cruises and dinner and goods galore. Why even Dorothy has donated four cooked turkey (s) dinners to be delivered right to your door step.

Same day, the District Assembly at the Indian Colleges in Novato. A bit of a rush but do-able and well worth the effort. Really!

Jerry Mertens says he still has at least 30 bags of that super yard food left. It's a steal. Make your neighborhood green. See the man.

Last call--from Helbush it comes--give that blood so needed. This Friday the 17th at Kaiser 9:30 to 4. Giving is safe and the need is acute. Get involved.

NEXT WEEK NO REGULAR MEETING ON THE 21st. BUT YOU HAVE TO MAKE UP IF FOR ANY REASON YOU MISS THE AUCTION ON THE 18th.

PENINSULA COVENANT CHURCH

- TODAY** Our speaker is Dr. Wojciech Zalewski, Director of Slavic Studies at Stanford. A former priest, Dr. Zalewski will be discussing "Recent Events in Poland".
- Our schedule says that Jerry Mertens is due up as finemaster. No rest from this defense.
- LAST WEEK** Pres. Allen took charge as songleader. With Dr. G. back at the keyboard almost anyone can hack it.
- Freshly invigorated by the R.I. Convention in K.C., Bob Dooley led the pledge with Don Helbush giving the invocation.
- San Mateo Rotarian Norm Meltzer served up a program of puns and jokes as he wandered thru the ages trying to explain how humor came about, what makes us laugh and why. Well, at least he proved a good joke always helps.
- Dr. Bob Brown took a turn as finemaster--not exactly a bedside manner but he still knows how to deliver.
- ~~DGN-Sid showed up once again just to prove that last week's surprise appearance after that very recent heart surgery was no illusion.~~
- NEWS AND NOTES** Pres.-Elect Roy had lots of interesting statistics from the R.I. Convention in K.C. albeit we couldn't jot them down as fast as he tossed them out.
- A few, though. There were 13,700 Rotarians from 160 countries but with 85% of them from the U.S. Could be the effect of the dollar's value or Kansas in June.
- Next year's shindig will be in Las Vegas--likely to see a change in that percentage there. And the year after, it's Munich.
- Rotary has over 983,000 members now--a growth of more than 30% in just the last ten years!
- And recalling all you've heard from Ron Koster on R.I. Foundation Scholarships, it was noted by Roy that last year some 945 such awards were granted and that todate the total of those marvelous fellowships given out amounts to a whopping 105 million!
- And remember too all the reminders you've had from Ron Koster to think hard about possible nominees to be put up by our club to compete for the record breaking 15 scholarships allocated to District 513 this year.
- Did we mention yet that this August sons of Cliff Hawkins and Ron Koster will be visiting Hiratsuka as guests of our sister club in continuation of that longstanding and fine exchange program?
- And from Bob Pierce a reminder that this year's Russian River Annual Canoe Trip will be held on September 10th. New members not familiar with this indescribable event should really look into it. It's a blast.
- NEXT WEEK** We'll be hearing from Bruce Stewart--a San Carlos Rotarian on "The Grace Report on Economy in Government--where will it get us?"
- N.B.** Don't forget the Installation dinner is just around the corner on the 25th at the Floodlight restaurant. Won't want to miss that.

Peninsula Covenant Church

TODAY San Carlos Rotarian Bruce Stewart will be discussing the Grace Report on Economy in Government--and where will it get us?

If the schedule holds, Dave Schutz will be our finemaster and you can be sure the coverage will be complete--and fair.

LAST WEEK As Pres. Allen noted, it surely makes a difference when maestro Dr. Greenwell is back at the keyboard. Just think of what might have happened if Bulanti were up there by himself. With that wild Italian we could lose all the allegro in America and wind up smiling with a mouthful of pasta.

So much for the moosic, Sec'y Bob got things back in order with the invocation.

June Program Chm. Leif Syrstad introduced our speaker, Dr. Wojciech Zalewski of Stanford. A former priest, Dr. Zalewski discussed the role of the church in Poland today and in the past.

With 95% of the Polish people being Catholic, the church inevitably bears a major influence on the government's ability to institute and maintain a communist and totalitarian state as well as the continued existence of the Solidarity movement.

Without the communication within and among the people provided by the church there could be no resistance to the establishment of complete and dictatorial communist control.

And speaking of the church, our own Past Prexy Pete acknowledged that it was the 30th anniversary of his ordination. Congratulations to the good Monisignor.

Bob Pierce took care of the fining in his own inimitable style. You may not see them anymore but Pierce arrows are still around.

NEWS AND NOT Alan Bostwick notes that contributions to the Rotary Foundation in memory of Vince Claypool are welcome and have already been started by the No. Fresno Club.

Pres. Elect Roy asks that you mark your calendar to note that the July 2 meeting will be a Club Assembly and a full turnout is really needed to assure meaningful and constructive discussion of the Club's goals and activities for the coming year. Please be there and be prepared to participate. No guests on that date, by the way.

A reminder once more that the installation dinner is the 25th at the Floodlight so there'll be no meeting that day. If you've not yet signed up, tell Bill Conklin you'll be coming. Allen and Roy surely deserve that much.

Pres. Allen notes the resignation of Carl Blessing who is being transferred to a new post by the Salvation Army.

NEXT WEEK We've already said it. No meeting at noon but a big shindig in the evening. No host cocktails at 6:00 pm, dinner at 7:00.

Let's close out Allen's year in real Style!
