CHARTERED APRIL 22, 1946  
DISTRICT 513

JANUARY 3, 1988

PENINSULA COVENANT CHURCH

**TODAY:** Hope you all had a safe and happy **NEW YEARS**. January program chairman PETE HODGSON says we'll be starting this new year by hearing from Canada College History Instructor GIL WORKMAN on the "History of San Mateo County".

And if it's good to start a new year with some fitting resolutions and a few prayers, our finemaster today is just the one to help you do it - the good Msgr. PETE ARMSTRONG. Get ready for the collection.

**LAST WEEK:** On request from Pres. BOB, PDG SID put the cap on '88 by leading the chorus in a rousing rendition of "Auld Lang Syne". Always welcome visitor JOHN WEINMAN led the pledge (after noting he's now added taxidermy to his profession so you get your pet pack one way or another - aaagh!); and CHARLIE BULANTI gave the invocation.

GEORGE SZPOTEK did the fining by adding on a bit of a fee for some of those nice presents we enjoyed.

Your editor lucked out for a change by winning the door prize and, noting Pres. BOB's remarks on donations still being welcome to your club's contribution to the Armenian Relief Fund, added it to that needy cause.

December Program Chm. STEVE DETCH closed out his term with a session of those ever interesting and enjoyable "Ice Breakers". Hearing these fascinating anecdotes make you realize how really very special all these fellow Rotarians of ours are.

This time those who stepped up to tell it as it is - and was - included HERB BELL, ORLEY ANDERSON and our newest member, DR. STAN GOLDEN.

HERB spent his early life on the move as a son of an army surgeon. With his father's passing while he was still a youngster, HERB finally settled and grew up in San Jose. After attending UC San Diego where he met his wife JULIE LAMPERT, he decided to enter the Chiropractic field, receiving his degree in 1981. Now specializing in the area of sports injuries, he and his wife and two young sons, ages 5 and 2 make their home in Atherton.

ORLEY, recently retired after 32 years with Fuller O'Brien Paints, most recently as a Corporate Director and V.P. of Trade Sales, now spends his time as a sales and marketing consultant. A native of Chicago, ORLEY and his wife BARBARA have lived in Redwood City for the past 21 years. They have three grown daughters and a son and now two grandchildren in their happy family. Enjoying such activities as tennis, golf and downhill skiing it's easy to see why he looks so fit.

Ophthalmologist STAN GOLDEN made his way from Brooklyn to the Bronx and finally Manhattan. After going "out west" to attend Ohio State he got his doctor's degree from N.Y. Medical College under the WWII V-12 program. That debt he paid by serving a term in the Army AF as a flight surgeon. After starting practice for 2 years in Tacoma, he and his wife BARBARA came to R.C. in '57 where he has maintained practice ever since. Serving also as an Ass't Professor at Stanford Med, STAN and his wife reside in Woodside where he has additionally served on the town council putting in terms both as Mayor and Vice Mayor.

So much more they all said that we haven't room for but didn't they do it with such splendid candor and humor!

**NEWS & NOTES:** Thanks to the fine efforts of project leader DUC NGUYEN and Pres. BOB some 35 of you great Rotarians pitched in to cook, assemble, serve and deliver Christmas dinners on Christmas morn to some 39 needy and deserving "shut-ins". And to hear the remarks of those who did this fine deed, such as new member STAN, it was an experience as rewarding to the doers as it must have been to those who received. A hip hip and hooray to all!

Attendance Chm. ALAN BOSTWICK notes our performance in recent months as follows: August 77%, September 91%, October 81% and November 83%. Time to make one more New Year's resolution, be here or make up. You can do it.

We note with regret the resignation of TONY GUARDINO, CAROLYN KEVER and HARRIET ARNOLD. HARRIET, we understand will seek to resume her Rotary connection in San Jose.

From DAVE LOBREE on the club's activities at Hawes Elementary School. So far this year it's been all DAVE using his fine talents as a clown to entertain the children on Easter and Halloween. On the latter date he additionally recruited two S.F. Shrine clowns to join in the fun. It's been a lot of work on DAVE's part and time for others of you to put your heads together and conjure up some other activities of value in this adopt-a-school venture. Seems to us we recall some talk about the need for vocational guidance and experience.

**COMING UP:** Next week we'll be hearing from Commodore Ward Hornblower Proescher on "The Magic of Believing in Yourself". Your finemaster that day will be DUC NGUYEN.

And then according to Chm. PETE HODGSON:

JAN. 17: Randy Lewis - Indy 500 Driver will tell of his experiences on the Cart Racing Circuit.

Jan. 24: Harry Villec of the Sutro Company with comments on "1989 Economy - Boom or Boomerang"

Jan. 31: John Edmonds on "The Service Leagues Halfway House for Women"

JANUARY 10, 1989

PENINSULA COVENANT CHURCH

**TODAY:** Our speaker has an appropriate subject for the beginning of a new year. Commodore WARD HORNBLOWER PROESCHER's topic is: "The Magic of Believing in Yourself".

DUC NGUYEN will take care of the fining and most everything this good doctor takes care of he takes care of well.

**LAST WEEK:** Pres. BOB summmed songmaster ALLEN GRUMAN to lead the chorus and with PDG SID out there the rafters rattled. ERNIE GLENN led the pledge with the New Year's blessing given by PAUL KECKLEY.

Msgr. PETE did some fine collecting on short notice but then it's just one of the tools of his trade, so who'd expect less.

A good way to start the New Year - the induction of a new member. Judge MARGARET KEMP did the honors in introducing an old friend, Captain MICHAEL PETERSON, Area Commander for the California Highway Patrol headquartered here on Convention Way in R.C. MIKE is not new to Rotary having been a Rotarian for 10 years now, his prior association having been with the Lakeport, CA club. Following his undergraduate work at San Jose State MIKE obtained a Master's Degree in Public Administration from Pepperdine and has been in one phase or another of Law Enforcement ever since. With wife CHRIS looking on MIKE accepted his newest badge. He and Chris make their home in San Bruno. Welcome!

Pres. Elect BOB introduced our speaker, one of his faculty members at Canada, History Professor GIL WORKMAN. With considerable knowledge and much enthusiasm. Prof. WORKMAN took us on an interesting journey back into time with a necessarily abbreviated but intimate coverage of the history of San Mateo County, starting with the discovery of San Francisco Bay by the Gaspar de Portola expedition on November 4, 1769 and bringing it forward to the Redwood City and San Mateo County of just 100 years ago. Hard to believe but the entire population of the county at that time was only 10,000 with RC at only 1650. Already, San Francisco was over 250,000 and even Marin and Alameda far exceeded SM which at that

time was principally a land of great estates. An interesting trip into time!

**NEWS & NOTES:** With the resignation of CAROLYN KEVER, Pres. BOB has prevailed on LEM SUMMEY to take the reins as Program Chairman for the balance of the year.

And from LEM comes word that on January 23rd you've got an opportunity to attend a luncheon at the SFO Marriot to hear three leading Soviet economists talk about the new age of Glasnost. Word has it that one is a member of the Politburo and another a key member of the KGBH - a chaperone? It's \$25.00 per and the time is 11:45 a.m. See Past. Pres. BILL CONKLIN for tickets if you're interested.

On the 18th (that's a Wednesday) The Peninsula Sunrise Rotary Club here in R.C. is holding a "Toothbrush Party" from 3 to 5 p.m. at 2992 Spring Street. Tickets are \$25.00 a piece and there'll be champagne, hors d'ourves and live music. The grand prize is a 7 day trip to Hawaii for two with a second grand prize being a limousine escort for two that evening to S.F. for dinner, an overnight stay at a Bed & Breakfast Inn and \$100.00 in cash for pin money.

And that's only the beginning of a whole series of additional prizes of all kinds and all great.

**NEXT WEEK:** A change from last weeks announcement, we're going to be hearing from and seeing the slides of Past. Pres. BILL's trip to Nigeria this past fall with PDG SID, STAN GOLDEN and others for the now famous eye clinic.

BILL JENNINGS says our finemaster will be BETH BERLIN FISHBACK (Exchanged) whatever that means.

**DISTRICT DOINGS:** Each year about this time the five most recent active Past District Governors of the District convene to propose a District Governor Nominees - Nominee to take office for the second ensuing Rotary year (in this case 1990-91). Last Saturday PDG's Bob Rockwell, Bob Paroli, Cliff McGarr, Sid Berlin and Aldo Simonetti met to designate such DGNN. The Rotary Club of Redwood City had some input into this selection process having nominated past. Pres. BILL CONKLIN for the job.

The committee duly deliberated over the qualifications of the five candidates for the newly created Dist. 515 DGNN. The good news is: Bill was the selection of the committee. The bad news is: Bill will need the help of all of the members of the RC of RWC to do his job. (This, however, could be the good news too!). We will have the rare opportunity to have two DG's from our club within five years. We will further have the opportunity to show how we are truly the "Best Club" in the district by giving BILL our support.

**TODAY:** Past. Pres. and Dist Governor Nominee-Nominee (from hereon DGNN) BILL CONKLIN is going to share with us some slides and observations on the Nigerian Eye Clinic sponsored by your club this past fall under the leadership of PDG SID, the professional skills of DR. STAN GOLDEN and the support of so many including, of course, DGNN BILL.

Your finemaster may be BETH BERLIN FISHBACK or an "exchange" but then you're used to this kind of living under uncertainty.

**LAST WEEK:** With Pres. BOB bringing things to order, songmaster ALLEN RUMAN bravely tried to get the group to salute the 49er's to the tune of a Minnesota (aaaagh!) fight song after which there was naught to do but "smile". Visiting Shores Rotarian DEAN WHITE led the pledge and L LAOS gave the invocation.

Finemaster DUC NGUYEN used his surgical skills to take a slice out of wallets here and wallets there and bills in hand just anywhere. And we not only can't spell it (Orthopedics), we don't even know what these foot mattresses are for.

Our speaker was Commodore WARD HORNBLOWER PROESCHER whose subject was "The Magic of Believing in Yourself". According to Prog. Chm. PETE HODGSON's introductory remarks, Mr. PROESCHER's accomplishments are many including a listing in "who's who" and a reputation as an inspirational speaker. He touched on many things including the influence of 40,000 years of ancestors on our genes and the importance of challenging fear and exploiting ideas and intuition. He also dwelled some bit on the acquisition and development of his current fleet of party boats which, as we heard it, are apparently not related to that other Hornblower fleet.

**NEWS & NOTES:** Pres. BOB says that our club's contribution to the Armenian Earthquake Relief Fund now totals \$375. Out of a District total of something over \$2,000. It seems like we've done a pretty good job.

New Chairman of this year's Auction Committee, DICK HATCH, reminds everyone that the time and place is Saturday, April 8 at St. Pius. Once again we'll have the good fortune of having JOHN WIENMAN as auctioneer. According to DICK the goal is substantial (\$25K) and so will be the necessary effort on the part of each and everyone of us. Be prepared

to participate!

By now you've all received all that tempting information from BETH on the Scandinavia and Russia Cruise coming up in June on the Royal Cruise Line's new "Crown Odessey". Here's your chance to combine a super vacation at a bargain price and at the same time be contributing to the club's fundraising effort. Take a good look - it's a real deal!

Once again, on the 23rd there's the luncheon at the SFO Marriot featuring a seminar on Gorbachev's Economic Reform and United States - Soviet Relations. And for all those who question the definition of "Perestrojka", word has it that its definition is "A concentrated effort to bring about a better way of life".

Three highly placed Soviet economists and political leaders will be the speakers and this super affair starting at 11:45 a.m. will not only cost but a nominal amount of \$25.00. But will also count as a regular meeting makeup. Call Bill Conklin at 361-1163 to see if any tickets are still left.

**AHEAD:** On the 24th PETE HODGSON says we'll be hearing from HARRY VILLEC of the Sutro Company who will be taking a look at the "1989 Economy - Boom or Boomerang".

Your finemaster is expected to be DR. ALAN BOSTWICK. Need we say more.

And now that you're marking your calendar - at least we hope you have - here's a few more to add:

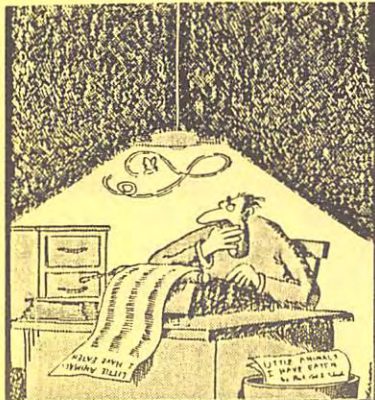

April 29th - District Assembly at the Presidio  
May 11th- 14th - District Conf. at the Raddison Hotel in Sacramento  
May 20th - 25th - R.I. Convention in Seoul

**ROTARY INTERNATIONAL NEWS:** Thursday, January 5, 1989 One Thousand One Hundred Forty Rotarians and guests turned out at the Airport Marriott Hotel to greet R.I. President Royce Abby. This was probably the largest crowd ever gathered in one place in Dist. 513 for such an event.

President Royce extolled the accomplishments of Rotary, its Foundation and its members who make all the great things happen. The evening was one of warm feelings for President Royce and his wife. It was also a chance to participate in the fellowship which is the foundation of our great organization. Seven Districts (that we know of) were represented. Hopefully, with the great response shown in the Bay Area, we will have annual visits by the then incumbent president of Rotary International.

As a child, little Henry Jekyll would often change himself into a big, red-haired delinquent that parents in the neighborhood simply dubbed "that Hyde kid."

And, by coincidence, Carl had just reached the "m's."

PENINSULA COVENANT CHURCH

---

**TODAY:** Our speaker is HARRY VILLEC of the Sutro Company whose topic should be of much interest: "Our 1989 Economy - Boom or Boomarang".

Our finemaster is DR. ALAN BOSTWICK and with all those attendance records at his fingertips your record may just cost a bit.

-oOo-

**LAST WEEK:** Songmaster ALLEN G. led the chorus. Pres. BOB led the pledge and then, with great sadness, Pres. BOB called for a moment of silent prayer in memory of DR. STAN GOLDEN whose untimely death from an accidental fall the preceeding Sunday has left us all in a state of such great sarrow.

In so short a time this wonderful man left so large a mark on R.C. Rotary - just as he has for so long on all his fellow man. Contributions were taken at the meeting and may still be made in his honor and memory to the R.I. foundation. Gifts should be made to the R.C. Rotary Foundation from whence a final total will be transfered to R.I.

-oOo-

With apologies for failing to get her name, the area leader for the Girl Scouts of America stepped forward to acknowledge your club's contribution to that fine organization and let all know that all is alive and well and growing with that fine organization.

Our speaker this day was our own DGNN BILL CONKLIN who gave a first hand account in words and pictures (a fine bunch of slides) of the Nigerian Eye Camp conducted so successfully this past fall. A fine article in last Wednesday's Peninsula Times Tribune covered BILL's remarks far more completely than we might here.

What does, however, continue to become more clear is the magnitude of the undertaking - the immense challenges and obstacles to be confronted and conquered by the dedication and determination of those few and many (in support) who conceived this meaningful

and humane project and by their sweat made it work.

To SID and BILL and STAN and all the rest, hats off to a job well done. What a proof to what the human spirit can do. And may you all be inspired to catch on and follow suit.

-oOo-

**AND BEYOND:** According to Pres. BOB on the 31st we will be having four Russian Visitors - two men and two women. What we missed, however, was whether our Soviet guests will be the program in lieu or not of the previously announced program.

In any event, your finemaster that day is scheduled to be GEORGE CHAFFEY and if that doesn't leave our guests confused, nothing will.

From LEM SUMMEY comes word of a fine array of programs for February.

On **February 7th** Elena S. Danielson, from the Hoover Institution, will tell us all about the biggest and best archives anywhere on war revolution and peace and the Soviet Union. This will include some cloak and dagger revelations as to how some of the more precious and personal documents were required.

On **February 14th** Annelise Anderson, co-editor of "Thinking About America - The United States in the 1990's" will review with us some of the foreign and domestic policy options which may be considered by Congress and the President. Gorbachev told Reagan that, having read a similar work of Hoover Scholars ie: "U.S. in the 80's" he knew exactly what Reagan was thinking at the summit meetings.

On **February 21st** We are again privileged to hear our old friend Bill Goss, former president of Canada College, talk about some of the most troublesome hot spots around the globe and which affect our national interests.

On **February 28th** Richard King, a director of Rotary International, will again give us some song and words of inspiration and motivation in recognition of this, our Rotary Foundation month. This program is a must for all members and their spouses.

-oOo-

**THE RUSSIANS ARE COMING!** (Have come). In addition to our four visitors from Russia mentioned above, several members of our club attended the Peninsula Rotary council's seminar yesterday given by three Russian Economists at the Airport Marriott. About 400 listened to a most informative talk. Openness seems truly to be the order of the day in the U.S.S.R.

PENINSULA COVENANT CHURCH

TODAY: We're delighted to have with us today four Soviet visitors from four different areas of the USSR. Our guests are: ANDRONIK OGANESIAN, chief architect for the Armenian capital city of Yerevan; VERA SYSOEVA, executive secretary of the Friendship Society of Cherkassy in the Ukraine; REMIQIS BISTRİKAS, a psychologist at the State University of Vilnius, capital of Lithuania and MUZA MAKUSHEVA, an Intourist guide from Leningrad.

Our guests are here in Redwood City on a visit hosted by members of the Woodside Road United Methodist Church as part of a national program called "Soviets, meet Middle America", which is under auspices of the San Francisco based center for US-USSR Initiatives.

According to our schedule your finemaster will be GEORGE CHAFFEY. You may not know what you're being fined for but still, it's likely to be fun.

-o0o-

LAST WEEK: Pres. Elect BOB STIFF took a turn at the podium in the absence of that other BOB and got the day off to a good start with Past DG SID urging the chorus onward and upward.

A happy JERRY MERTENS led the pledge followed by the invocation by BRAD WOOD.

NANCY HENDRY, principal of Hawes elementary school stepped up to introduce two of her young "students of the month" and talk a bit on the status of our adopt-a-school program with Hawes. At this time they are particularly interested in arranging for students to spend a half day or a day "shadowing" any of you as you go about your professional or business affairs and thereby adding a new dimension to their perception of what it's like out there in the world - a great help in their developing a career consciousness and objectives.

Think hard about what you might be able to arrange and then speak up.

DR. ALAN BOSTWICK did a fine fining job especially since the club seemed to get at least as much money as talk.

Program Chairman PETE HODGSON introduced our speaker, MR. HARRY VILLEC of the Sutro Company whose topic was "Our 1989 Economy - Boom or Boomerang". Allowing that differing views do indeed exist even within their own and other organizations under the umbrella of their parent company, John Hancock, Mr. Villec held a rather dim view of prospects beyond 1989. No recession for now he feels but when it comes it's his view that it will be severe, a depression if you will, that will last a few years. Who to believe and what to believe, it's a topic that hardly grows stale.

-oOo-

**NEWS & NOTES:** Did you hear that BOB DURKIN won the grand prize of a trip to Hawaii at the Sunrise Club's recent fundraising raffle. Just back from the Superbowl and in process of turning over his practice he really needed that. He is one of the needy isn't he?

Happy news from PDG SID who's soon to be on his way to Vancouver, B.C. to take a new bride. Her name is PEGGY and we understand she's a former Rotary Scholar. Isn't that great.

DENNIS DURKIN is looking to all of you to take part in making the Lathrop House Celebration Art Show and wine & cheese affair on Saturday, March 11 (from 10 to 4) a big success. Many things you can do but you've got to step up and volunteer. It's getting close so please, give him a call and see where you can fit.

According to the House Committee, they are still actively reviewing the matter of meeting location and additionally are expecting to see an increase in the luncheon fee to \$9.00 starting in February - hopefully contributing to the quality side.

You may still contribute to the fund being collected to honor DR. STAN GOLDEN. \$700.00 has been received so far and the funds will go to R.I. from Redwood City Rotary in his name. We understand your Board expects to make this fine man, posthumously, a Paul Harris Fellow.

-oOo-

**NEXT WEEK:** According to Prog. Chm. LEM SUMMEY, Elena S. Danielson, from the Hoover Institution, will tell us all about the biggest and best archives anywhere on war revolution and peace and the Soviet Union. This will include some cloak and dagger revelations as to how some of the more precious and personal documents were acquired.

Hopefully BILL JENNINGS will let us know who your finemaster will be.

**LAST WEEK:** Pres. BOB got the meeting off to a good start by calling on PDG SID to warm up the chorus, leading the pledge himself and hearing the invocation from ABE BASSETT. Among the guests, former Canada Roteract President AVIS WALSH, now a member of Pres. Elect BOB's office staff.

GEORGE CHAFFEY stepped up to do the fining and he still has a way with him - but which way? Good show.

Four Soviet visitors were our program and what an interesting session it turned out to be. After each gave a few introductory remarks - about themselves, where they were from (Yerevan, Armenia; Cherkosky, Ukraine; Vilnius, Lithuania and Leningrad), what they do and a few remarks about their visit, the session was opened to questions and answers.

Their candor, sincerity, and openness was notable. There was no reluctance to speak honestly of the past nor of the problems and shortcomings they face today. One could readily sense their hope and anticipation in looking forward to the results of the changes and reforms being sculpted by Gorbachev's new order.

We are most grateful to their hosts at the Woodside Road United Methodist Church for allowing our participation in their (the Soviets)

very busy schedules and certainly must commend this kind of interchange arranged by the S.F. based center for US-USSR initiatives.

-oOo-

**OTHER VARIA:** Pres BOB says that the response to your club's distribution of Xmas dinners to shut-ins this last Christmas morn has been almost overwhelming. If you already felt good about it, you can even feel better.

DENNIS DURKIN has been taking sign-ups to man the "Lathrop House Celebration - Art Show wine and cheese" coming up on Saturday, March 11. Your help is needed so please give him a call and by all means, mark your calendar to be sure you show up and support this fine effort. It's 627 Hamilton - next to the Hall of Justice - from 10:00 a.m. to 4:00 p.m. and all profits will go to the benefit of the Lathrop House.

Things to think about:

The club auction at St. Pius Saturday April 8th  
District Assembly at the Presidio April 29th  
District Conference at the Raddison in Sacramento May 11-17  
R.I. Convention in Seoul May 20-25

-oOo-

**N.B.** February is World Understanding Month and reflecting on our recent spate of Soviet visitors it was interesting to note in the new February issue of The Rotarian R.I. Pres. Royce Abbey's presentation of a Paul Harris Fellow award to yet another Soviet visitor for personal delivery to Mikhail Gorbachev.

-oOo-

**NEXT WEEK:** Annelise Anderson, co-editor of "Thinking about America - the U.S. in the 1990's" will review with us some of the foreign and domestic policy options which may be considered by Congress and the President. **SEOUL CONVENTION:** Time is running out to consider a trip to the International Conference in Seoul Korea May 21 - 24, 1989. If you are interested contact Bill Conklin.

**Portland 1990:** If you can't make Seoul, plan on Portland Oregon June 24 - 27, 1990. The true value of Rotary becomes apparent by attending an R.I. convention.

#### HAPPY VALENTINES DAY

**TODAY:** ANNE LISE ANDERSON, co-editor of "Thinking About America - The U.S. in the 1990's" will review with us some of the domestic and foreign policy options which may be considered by Congress and the President. Having read a similar work of Hoover Scholars - ie, "U.S. in the '80's" - Gorbachev told Reagan he knew exactly what he (Reagan) was thinking at the Summit meetings.

We understand that BOB DOOLEY will step forward as today's finemaster - a lesson in financial panning, no doubt.

-oOo-

**LAST WEEK:** With Pres. BOB at the helm, songmaster ALLEN GRUMAN tried to get the chorus on high (you could hear the squeaking). RON KOSTER led the pledge and PETE HODGSON gave the invocation - and it's clear he'd trade those crutches for a skateboard any day.

TOM DELFS took his turn as finemaster and spread the pain of payin pretty well around the room.

Program Chairman LEM SUMMEY announced that our scheduled speaker had to bow out in the face of a bout with a fever and in view of our recent deep freeze, what better a substitute than DALE GOODEAU, deputy in charge of the National Weather Service regional office here in R.C.

Noting a reading of 43 below zero at a little town north of Tahoe that morning, DALE ran off an impressive list of all time lows being recorded but no one had to convince us of that. Before yielding to a lengthy Q&A period, Mr. Goodeau spent a few moments describing the National Weather Service (Noah), now a part of the Dept. of Commerce and its 5,000 personnel operating under a 300 mill annual budget. And as far as forecasting goes, DALE scoffed at any likely reliability of forecasts more than five days out. Five? We'd be quick to agree to one, two or three.

-o0o-

**AND BEYOND:** Happy we are to confirm that PDG SID did in fact tie the knot in Vancouver, B.C. but now, given the myriad of immigration restrictions, it will be a month or two before the new Mrs. B will be able to reach her new home here in R.C.

Only 3 weeks from this Saturday to the March 11 date of the Lathrop House Celebration. Time flies so spread the word to bring your friends and help make this Art Show - Wine and Cheese affair a big success.

And then it's less than 8 weeks to our big club Auction on Saturday April 8. When you think of what has to be done to make it work that is not a lot of time - not at all. Things have to be happening and if you're not yet energized it's time to get up to speed. Don't wait to be told - call DICK HATCH and find out what's expected if you're not yet in gear.

Good to hear from DAVE LOBREE that already some fifteen of you have volunteered to open your offices or plant to a day or half day of "shadowing" by youngsters from Hawes Elementary School as part of our Adopt-A-School program with Hawes. This kind of exposure to career opportunities and choices is invaluable to these young people and for many their only chance to view a world apart. We can't offer too many opportunities so if you haven't yet joined this wonderful effort, puleez - step right up and count yourself in.

-o0o-

**NEXT WEEK:** We will once again be hearing from an old friend and former member and former president of Canada College, BILL GOSS who will be talking about some of the most troublesome hot spots around the globe which affect our national interests. These discussions with BILL have always been of great interest. Try not to miss it.

Your finemaster is that almost ex-dentist, BOB DURKIN. And despite a splint or a brace he still knows how to extract some of those negotiable notes you're holding. Treasurer ERNIE says it's the only kind of fillings he likes.

-o0o-

**ROTARY COMES OF AGE:** From 1905 until 1910 Rotary was somewhat of an amalgamation of boys clubs formed for purposes of fellowship. In 1910 this amalgamation formed itself into the National Association of Rotary Clubs and it held its first Convention in Chicago, Illinois, U.S.A. Paul P. Harris became Rotary's first president and Chesley R. Perry was elected as the first secretary. The Objects of Rotary were formulated at this milestone Convention. That year, there were 16 clubs with an estimated membership of 1,500. And the first Rotary club outside the U.S.A. was formed in Winnipeg, Manitoba, Canada.

Today Rotary consists of 23,906 clubs with a membership of 1,062,058 in 465 districts and 164 countries.

PENINSULA COVENANT CHURCH

---

**TODAY:** BILL GOSS, former President of Canada College and R.C. Rotarian will once again join our luncheon, this time to talk about some of the most troublesome hot spots around the globe as we try to evaluate the rapidly changing conditions around this old globe of ours.

Never mind that one wing is in a sling. From past experience we all know it won't slow down finemaster DR. BOB DURKIN one bit. Seems like he's been trying to show what he can do with one hand behind his back for years.

**LAST WEEK:** With songleader ALLEN GRUMAN setting the mood for the day with a sweetheart chorus, Pres. BOB called on our newest citizen SAM DAFNIS for the pledge and PETE HUGHES the invocation.

Finemaster BOB DOOLEY also celebrated Valentine's Day in fine fashion as he passed out a whole bunch of lovely single rose bouquets - at a price, of course, to all kinds of romantics in our midst who no doubt went home to wow their valentines with "their" thoughtful gifts. Good show. Hope he remembered to save one for his own DEANNA.

Prog. Chairman LEM SUMMEY introduced our speaker, ANNEISE ANDERSON, Research Fellow at the Hoover Institution and co-editor of "Thinking About America - the U.S. in the 1990's". A distinguished scholar and, among many other offices held, a former associate director of the OMB, MS. ANDERSON remarked on the major change that has and is occurring in the final recognition of the failure (by those both within and without) of socialism and communism as economic systems around the world.

That done, our speaker quickly focused on our own economic crises such as the crumbling aura about our own S&L and Banking Institutions with a strong admonition that we need to look hard at ourselves to see where we have failed or are failing and not just gloat over the failures of socialism and communism.

An interesting and provocative discussion.

**NEWS & NOTES:** From Pres. BOB a reminder to be sure to be here for next weeks meeting. He's looking for a 100% attendance day next Tuesday - that's the 28th - to celebrate not only the special program that day but also to pay homage to all our past presidents who'll be toasted

on that occasion as a reminder of all the great contributions each of them has made both in their time of office and over the years.

And, of course, you won't want to miss the outstanding program we'll enjoy with a visit once again from old friend and now R.I. Director RICK KING. For those who've heard him before, nothing need be said. For you newer Rotarians who never have - well, just don't miss this opportunity. You'll not just be inspired, you'll be duly entertained. An attorney by profession, this great Rotarian is good enuff to have appeared on the stages of Las Vegas.

So be here! Do yourself and your club the favor. And by the way, spouses are invited but for logistics sake let Pres. BOB/Secy STEVE know how many.

Happy to hear that MIKE KREISS' IDA, hospitalized at Sequoia with a touch of pneumonia was doing fine and may well be home by now.

Pres. BOB notes that your club's procedures for making contributions are undergoing a periodic review. A committee headed by Past Prexy ROY FRANK is making the study this time. It's not a case of looking for any change, per se, but rather, just being sure that what we do or decide to do is the right thing for R.C. Rotary in 1989 and beyond. If you've any thoughts on the matter, be sure to contact ROY.

Nice to hear that R.I. in its current legislative session has determined that women in Rotary is now not just a case of U.S.A. but sanctioned world-wide, with an understandable proviso that it is up to the local clubs to make the final decision. Quite a big step forward in so relatively short a time. Hear, hear!

March 11, is the Lathrop House Celebration - Art Show, Wine and Cheese - and that's just around the corner. If you're not participating directly, be sure you do your part by getting the word out to your friends, associates, customers, whatever, and then be sure you show up to lend your support. It's a Saturday from 10-4. Drop by, partake and take part in this worthy cause. All profits go to the Lathrop House. It deserves and needs our help.

And then it's the club auction on Saturday, April 8 in the evening at St. Pius. Chairman DICK HATCH says that this year it's a Celebrate Redwood City event for, after all, it's not a benefit for Rotary but a fundraiser that permits Rotary to do all it does for the local community. It's all the charities we support in R.C. who are the beneficiaries of this auction and that is why you are urged to get the support of your friends, neighbors, business associates, etc. in making this auction the fun and fundraiser it is.

**NEXT WEEK:** It's already been said - RICK KING and Past Presidents Day - and 100% attendance.

If the schedule holds, your finemaster will be former club Secy AL LAOS - and it's always been his business to look for your bucks.

FEBRUARY 28, 1989

PENINSULA COVENANT CHURCH

#### IN FOND MEMORY

With much sadness we report the passing of DR. ROBERT BROWN this past Wednesday. BOB was a charter member and past president of RC Rotary and a Rotarian for some 42 years. A dedicated and much respected civic leader, he will be greatly missed by his many friends and associates. He was 76. Our deep sympathy goes out to JEAN and all the family.

**TODAY:** It's "Past President's Day" and in celebration of Rotary Foundation Month we are delighted and honored to be enjoying another visit from fellow Rotarian and R.I. Director RICK KING. It's always nice to be able to mix inspiration and pleasure and that is something RICK KING can do like no other.

Welcome and a toast to all you past presidents and spouses who are able to join in today's celebration. May your many and substantial past contributions to R.C. Rotary not be forgotten and may we continue to enjoy the benefit of your experience and ongoing efforts in behalf of Rotary on each and every tomorrow.

Today, lurking about in the shadows is our "**Mystery Finemaster**". He is Historically one of the finest masters of the art of fining... no one will be safe.

**LAST WEEK:** Pres. BOB called on ALLEN GRUMAN to lead the song, MIKE PETERSON to lead the pledge and himself for the invocation.

Finemaster DR. BOB DURKIN played some kind of game with members names - but then, what kind of flight of fancy can you expect from a bird with one wing!

At Pres. BOB's request ED NISSAN called on his background to give a brief but incisive analysis of the Satanic Verses crisis as it might be seen from the Moslem world and, of course, Iran.

Program Chairman LEM SUMMEY introduced our speaker, former RC Rotarian and Canada College President BILL GOSS. In another of his in depth and perceptive analysis of global hot spot problems, BILL discussed the state of affairs in and relations with our neighbor to the South-Mexico.

A nation of only 20 million people in 1940, this Latin Giant has exploded to more than 83 million today yet is tottering on the brink with a staggering debt of 105 billion, low growth (only 1% in '87) and an

inflation that has caused real wages to decline 50% over the past five years - a major factor in the illegal exodus of such great numbers across our borders.

With Mexico's entire economic output equal to only two thirds of that of metropolitan L.A. it is easy to see why drug trafficking has reached such major proportions with one third of the marijuana, heroin and cocaine entering the U.S. coming via Mexico.

What follows in politics and corruption is a grim picture indeed and BILL gave us all the grim facts.

**NEWS & NOTES:** Attendance data from DR. BOSTWICK:

	<u>%</u>	<u>100%ers</u>
October	80.70	45
November	82.59	55
December	84.62	52
January	87.59	62

Your efforts are making a difference but there is still a big difference yet to be made. It's only when we reach the 90% level that we can start to feel at home.

Saturday, **March 11** from 10 to 4 is the big Lathrop House Celebration. Be sure to show up and give solid support to this fine cause and don't forget to get your neighbors, friends, associates, customers, etc., etc., to join you.

And it's now less than six weeks to the club auction at St. Pius on **April 8**. Remember, it's not enough to just take care of your donation - it can't succeed unless we all manage to get participation from the community at large. It takes people - lots of them - to donate, attend and bid to make it work. Now get with it and remember all those needy we help for whom you're doing it all.

The House Committee under BOB DOOLEY is continuing to search and research in the matter of food service and meeting place. Be sure to give BOB a call if you've any input on that account.

Pres. BOB notes that the church (here) has asked that you not park in the spaces either in the immediate front of this building or the church offices. There's lots of parking up and around and certainly we can understand their need to keep spaces open for the normal conduct of the church's business.

Vocational Service Chairman BOB BOLAND says arrangements are going forward with Sequoia High School in respect to a "Career Day" program tentatively set for **May 9** when students will get to visit your participating businesses from 8 til lunch. Note your calendar.

**NEXT WEEK:** We're waiting word on our program for March 7 - perhaps we'll hear today. In any event, your finemaster will be Union Banker and club Treasurer ERNIE GLENN and with those credentials you know he's going to get you.

PENINSULA COVENANT CHURCH

**TODAY:** Oh to relive those golden moments and that's just what we'll be doing as JERRY MERTENS once again unveils another 49er hilights film and you know how satisfying this one must be. No pretending this time around.

Your finemaster is that friendly banker and club treasurer ERNIE GLENN. He knows just what the club needs and where to find it - or is it fine it?

**LAST WEEK:** What a day Pres. BOB put together. Hard to beat a guest list that included three past District Governors, the current D.G., the D.G. elect-elect and a Director of R.I.

It was Past President's Day and with those fine gents sporting carnations in their lapels and their lovely Rotarianns holding roses galore, songmaster ALLEN GRUMAN showed our many guests the soaring talents of the R.C. Rotary chorus. Thanks to DENNIS DURKIN and RON KOSTER for the pledge and invocation.

How nice it was that in the presence of so many distinguished guests BARBARA GOLDEN could join in this special day as she received from Pres. BOB the Paul Harris Fellowship awarded by your club in the name and memory of STAN GOLDEN in recognition of all he did in so short a time for Rotary at home and abroad.

And much went on before our distinguished speaker could even get to the podium.

First, DAVE LOBREE introduced Hawes School Principal NANCY HENDRY who then introduced two of her schools' students of the month (who now join our luncheons each month) and spoke of the schools "Skipping Rope for the Heart Association" program to be held on March 10 from 12:45 to 2:15. Sign up sheets were circulated to get sponsors to pledge a donation (to the Heart Association) of so many dollars or cents per minute for the efforts of the participating students. A real nice program and if you didn't get to join in, get a hold of DAVE.

Along the way, all our past presidents present were recognized and individually greeted by District Governor BOB KANE, and what a turn

out there was. Among those enjoying the day's festivities were Past Presidents SCHUTZ, BOSTWICK, KECKLEY, PEARSON, EDSON, ENOMOTO, PIERCE, PARCELL, BERGLER, DURKIN, SCHRICKER, MACLEOD, BERLIN, DOOLEY, GRUMAN, FRANK, HUGHES and CONKLIN.

And, whereas all these fine gents were guests of the club for the luncheon, finemaster D.G. elect-elect BILL CONKLIN got a fair tad back as they and current members lost out in a game of seniority guessing- and guess right or wrong you still lose.

With the preliminaries finally done, PDG SID stepped up to introduce our distinguished speaker, R.I. Director elect and PDG of District 517 RICK KING.

Many of us recall previous visits by RICK. For many others it was their first encounter. But for all it was a new encounter. The humor and the inspiration are always there but the delivery is ever refreshing.

It's just as impossible to sum up all RICK KING does and has done as it is to try to tell what it is he has to say and said.

All we can say is that it's Rotary in its very best-conveying the true meaning and impact of such famous logos and phrases as "He profits most who serves the best" and "Service above self".

It was a day to remind ourselves how very special Rotary is and what we should and can do as Rotarians. An inspirational message indeed as we now approach our big fund raiser - the auction on April 8.

**COMING UP: March 11** is the Lathrop House celebration. Be there!

**April 8:** Yes, the auction. You've got donations to make and get and people to invite and entice. You are the one who makes it work. Without you nobody's efforts are enough.

**May 9:** Is "Career Day" with Sequoia High School.

**May 11-14:** is the District Conference

And next week this month's Program Chairman MAGGIE STEVENS says we will be hearing from Postal Inspector MICHAEL BAUN. Your finemaster that day should be DON HACK. Can you top that - he can.

The on the 21st we expect to be hearing from freshman assemblyman TED LEMPERT.

in the Wearin O' the Green,  
so to all you Irish lad  
and lassies, and all you  
pretenders as well...

HAPPY ST. PATRICK'S DAY

-oOo-

**TODAY:** According to Program Chairman MAGGIE STEVENS you're going to be hearing from Postal Inspector MICHAEL BAUN.

DON HACK will be stepping up to the podium to do the fining a sort of BAP the ZAP. Try topping that!

-oOo-

**LAST WEEK:** Pres. BOB called on ALLEN G. to make us hover high and low around the old Star Spangled notes. Oh well, cheers to baseball. Visiting Rotarian SUSANNA MUNZELL led the pledge with the invocation given by BILL REINHARD.

Club Treasurer ERNIE seemed like he was trying to pin the tail on a donkey - and he found quite a few of them out there. Great way to balance the budget.

Although JERRY MERTENS couldn't be here to host the show - he had to be back in Iowa due to KAREN's mother having passed away - we are all grateful for his arranging for a showing of the new 49er highlights film - this year's version happily recounting not only that great Super Bowl win but also reflecting on a decade of great accomplishments by the entire organization and all those wearing and who wore the red and gold here in the eighties.

And a special thanks to ANDERSONS TV for providing a big screen TV on which to show it all.

-oOo-

**OTHER MATTERS:** A reminder from Pres. BOB there'll be a regular Board meeting this Friday at 7:30 a.m. at Pete's Harbor.

RON KOSTER says they are looking for young women ages 25 - 35 as candidates to make up a GSE team that will visit Sweden this August and September. Call him if you know of anyone you might propose - or for more info if that's what you need.

Then during the period May 14 through 18, hosts are needed to house a GSE team from Brazil that will be visiting our area. Can be an interesting and rewarding experience.

NOTE: The Belmont Club now meets at Two Guys from Italy at 12:15 on Mondays.

#### A U C T I O N

Better get used to these reminders, It's only three (3) weeks and Four Days to the big AUCTION on April 8th. So much to be done and it can't get all done at the last minute, so please get going now! Tickets to sell, donations to be obtained and made, etc., etc.,. It's the backbone of all the great work your club does and wants to do.

#### D I S T R I C T C O N F E R E N C E

And don't forget to give serious thought to attending the District Conference in Sacramento May 11 - 14. You should all have reservation kits by now. From all we hear it's shaping up as a fine and entertaining event.

-oOo-

**NEXT WEEK:** Our speaker is going to be freshman Assemblyman TED LEMPERS who seems to be having a pretty busy first year. Should be interesting.

Our schedule says your finemaster will be DON HELBUSH. Sometimes he's asking for blood - who knows what he'll go for this time?

PENINSULA COVENANT CHURCH

**TODAY:** Our speaker is freshmen Assemblyman TED LEMPert who should have lots to tell of interest about his new experiences as a member of the legislature in Sacramento.

Your FINEMASTER is scheduled to be DON HELBUSH. As previously noted, he's usually out for blood but this time a little green will do just fine.

-oOo-

**LAST WEEK:** Pres. BOB got the meeting off on key with PDG SID leading the chorus. With BOB leading the pledge himself, Club Treas. ERNIE took care of the invocation.

After commending all on the noticeable reduction in the rate of duck-outs in recent weeks, Pres. BOB asked all to take note once again of the church's request that we do not park directly in front of the meeting hall or church offices. There's plenty of space available on site without those spaces which the church has need of for the conduct of its normal day to day business.

Pres. Elect-Elect DENNIS DURKIN stepped up to do the fining - subbing for an absent DON HACK. Didn't seem to slow the process one bit with your editor even being happily tagged for arrival of a new grand daughter.

Program Chairman for March, MAGGIE STEVENS introduced our speaker, Postal Inspector MICHAEL BAUM. Not to make light of the fraud and deception conducted through the mails - it is a serious business - Inspector BAUM nonetheless presented a pretty fair share of the schemes used to bilk the public through mail fraud. Hope you didn't buy that universal coat hanger (a neatly packaged nail), solar clothes drying kit (line and pins) or that copper-bronze bust of Abe Lincoln (a pretty expensive penny) or things of that sort.

An interesting and amusing presentation.

-oOo-

**OTHER MATTERS:** If you're planning to make up with the Menlo Club tomorrow take note that they'll be meeting at the Herbert Hoover

Boys and Girls Club and not at the Masonic Temple this day.

Pres. Elect BOB noted that he must have all the awards info put together in preparation for the District Conference - and he needs it now.

And speaking of the **District Conference** (that's May 11-14 in Sacramento) Pres. BOB has additional application kits and forms if any of you failed to receive - or misplaced your set.

Good news - the R.I. conference on legislation in Singapore approved and adopted the joint resolution by the Redwood City and Menlo Rotary clubs concerning the recommended resolution of international disputes by negotiation and arbitration. The whole matter goes beyond these few words and means a whole lot more. Shows what can be done if you've a mind to do it.

-o0o-

THE AUCTION: Time is short and Chairman DICK HATCH says those donations have got to come pouring in - too much foot dragging so far. March 28 is the deadline but they're obviously needed now - too much to expect them all to be properly catalogued and physically handled all in the last minute. SO GET WITH IT! Same goes for selling the tickets now passed out to each member. If you've not yet gotten yours 'cause you've not been around it's up to you to get ahold of DICK and get them and get going.

-o0o-

THE LATHROP HOUSE CELEBRATION: Hats off to DENNIS and all those who took part in making a go of this fine event - some 22-24 of you who rolled up your sleeves and did the job. To name a few, cheers to TOM DELFS for that big banner, to BILL CONKLIN for glasses and wine, to MARGARET KEMP for the cheese part, to BILL BULANTI for hauling props and all the many others who pitched in to help the 2-300 visitors who came. Good show!

-o0o-

NEXT WEEK: Pres. BOB says there will be a Club Assembly. This is the meeting you should really try to make. R.C. Rotary needs you and your ideas. Be here.

DR. JOHN HOFF will be your finemaster and this time he'll be showing off his collection skills - you already know about his delivery.

-o0o-

N.B.: BOB BOLAND notes that the Career Day at Sequoia High originally scheduled for the 9th has been rescheduled to the 16th of May.

PENINSULA COVENANT CHURCH

**TODAY:** It's Club Assembly time, a time to hear from Pres. BOB something of where we are and where we've yet to go. And a time too for you to come forth with any questions and suggestions on these important matters.

Unless his beeper interferes you'll be getting some idea of how else he delivers from finemaster DR. JOHN HOFF.

-oOo-

**LAST WEEK:** With Pres. BOB at the helm, songleader ALLEN GRUMAN got the chorus off on some soaring notes with guest speaker Assemblyman TED LEMPert leading the pledge and Pres. BOB giving the invocation.

Allowing how he hates the job, finemaster DON HELBUSH had little trouble keeping collector SAM DAFNIS busy as he (DON) embarrassed quite a few with their lack of political knowledge of both state and local and much to the amusement of our speaker for the day.

And that speaker, of course, was freshman Assemblyman TED LEMPert.

In his introductory remarks Pres. Elect BOB STIFF pointed out that despite his real and apparent youthfulness, Assemblyman LEMPert had already acquired considerable exposure in matters of government and the judiciary before coming to office.

TED then proceeded to speak in considerable detail on his own views of priorities in State and Local legislation on matters such as education, transportation, and housing. From there he went on to discuss the legislation he has been pressing on, matters of ethics and the critical need to restore public confidence and trust in government at all levels.

In his talk and the following question and answer period, Assemblyman LEMPert presented himself well and seemed to display a good grasp and knowledge of the state of affairs in Sacramento. All in all an interesting and well received report.

-oOo-

**OTHER MATTERS:** Pres. BOB commended Chairman PAUL YOUNG on the report of his contributions Committee. More info will be forthcoming on

this subject.

Pres. BOB also noted that a desire has been evidenced to obtain a Paul Harris Fellowship in the name of Dr. BILL KOON who recently passed away. Any who wish to contribute to that cause should forward your checks to Pres. BOB payable to the Redwood City Rotary Foundation.

Be sure to get in your nominations for your Club's Board of Directors. Your ballot should cover 10 nominees. From these the 5 receiving the most votes will be elected. Ballots must be received by Club Secy STEVE no later than March 31. Bring them to the meeting or mail them to him at 154 Arch St., Redwood City, California 94062.

And on to the **Auction - April 8** is just around the corner now so be sure to get those tickets sold and your donations in. Donation forms must be given to DICK HATCH and his committee as soon as possible and no later than March 31. Some date for ticket sales as well 'cause the caterer has got to know how many there'll be for dinner. Your donations, by the way, can be brought to the meeting, like today, or delivered to DICK's office at the Bay Area Bank building.

BOB BOLAND has passed out forms to be filled out by all participating in the career Day event planned for Sequoia High Seniors on May 16. Please get them back to BOB just as soon as you can.

By now we hope you've all seen the fine article in the March ROTARIAN (p.40) covering the Nigerian Eye Camp. Lots of other good reading in this same issue as well.

Attendance is still hanging in the 85% range and that's not good enuff. 90% or better is the goal and you can do it!

Sorry to report that Msgr. and Past Pres. PETE ARMSTRONG has tendered his resignation. The demands on his time have just made it impossible for him to keep up his attendance. We'll surely miss him.

-o0o-

**NEXT WEEK:** Our own Pres. BOB is going to be our speaker, giving us an updating of things going on at the Marine Ecological Institute. Should be interesting.

Your finemaster that day should be PAUL KECKLEY and that ought to loosen you up - from your wallet, that is.

-o0o-

**REFLECTIONS:** INTERNATIONAL SERVICE NOW: The need for cooperation, understanding, and goodwill among nations has perhaps never been greater. After all, some of mankind's greatest dangers are still untamed -- the nuclear threat, the population explosion, burgeoning numbers of the elderly, food shortages, viral disease, drug abuse, limited energy resources, and a despoiled environment... Rotarians are helping to fulfill this need through the fourth Avenue of Service.

APRIL 4, 1989

PENINSULA COVENANT CHURCH

TODAY: Our speaker is BILL DOVEREN of the Bay Institute who will be discussing the status of our precious bay and some of the environmental and political aspects affecting it.

If the schedule holds - and we wouldn't bet on that - your finemaster will be PAUL KECKLEY, retired but not retiring.

-oOo-

LAST WEEK: Pres. BOB called on PDG SID to inspire the chorus, visiting Roteract Pres. (at Canada College) JULIO MARTINEZ to lead the pledge and DR. DUC to give the invocation.

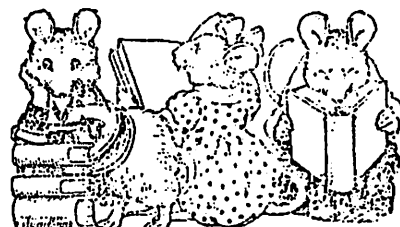

And among the many guests, PDG SID's lovely new Roteriann, PEGGY.

Before we forget, let's announce it loud and clear - there will be no regular meeting on Tuesday April 11. In lieu of that meeting let it be known by all that the Auction on Saturday evening April 8 will be considered as a regular meeting. Therefore, if for any reason (and it better be good) you fail to attend the auction you will have a make-up due.

On a nice day an always nice event as DENNIS DURKIN introduced and inducted new member DR. GREG ROOS, successor as you may know to the dental practice of now retired DR. BOB DURKIN. Born in '51, GREG and his wife CARLEEN have two children and now a double anniversary on March 28 - wedding and Rotary. Welcome!!

Hawes School principal NANCY HENDRY once again introduced her two students of the month and then went on to note that the school's rope skipping contest netted over \$7,000 for the Heart Fund. Isn't that something! And thanks to all you who did your part as sponsors.

NANCY also spoke of the "Reading Session" coming up once again this year on April 26 and for which sign up sheets were circulated. If you missed and would like to join in, give DAVE LOBREE a call. There'll be a welcome session for you at the school from 9:00 to 9:30 A.M. with the reading session to follow from 9:30 to 10:00.

Past Pres. PETE HUGHES stepped up to do the fining in place of previously scheduled DR. HOFF. And when PETE puts his mind to something there's no escaping as so many learned. Good Show!

The days program was, of course, a Club Assembly with Pres. BOB covering a wide range of matters. Among the more current: the Club Auction coming up this Saturday with Chairman DICK HATCH noting that times up for getting donations in, ticket sales completed and turned in and making sure you're all there to help push this year's event to a successful conclusion.

Among other current events, the Hawes School project and the Career Day at Sequoia BOB BOLAND has set for May 16.

Other subjects discussed: Attendance and what to do about missed meetings not made up for which, by past club procedure, a fine in the amount of the luncheon price is technically in order; duck outs - there has been an improvement; the ongoing question of meeting place and food service, a matter still understudy but yet lacking any final resolution; the need to get as many new or not yet participating members as possible started as P.H. Sustaining Members - the club still matching that first \$100.00 contribution; and last but not least, the District Assembly coming up April 29 at the Presidio. New Members especially are urged to enjoy and experience this annual event. We know you'll be glad you did.

-oOo-

NEXT WEEK: Once again, there will be no regular scheduled meeting on the 11th. After the Auction our next meeting will be here on the 18th. That day program is not yet finalized but your finemaster should be DAVE LOBREE.

-oOo-

N.B.: Don't forget to get your suggestions, project assignment and committee preferences for the next Rotary year to Pres. Elect BOB STIFF. Things run far better by participation than by mandate. So please, give it careful thought and then make those thoughts known.

PENINSULA COVENANT CHURCH

---

**TODAY:** Welcome back. The Auction on Saturday the 8th was a regular meeting in place of what would have been last week's regular Tuesday meeting. If you missed the auction be sure to send your make-up cards to Alan Bostwick.

Our speaker today is KENT PAXTON of the office of Emergency Services for San Mateo County who will be talking about that critical matter (if and when it comes) of earthquake preparedness.

Our finemaster today will also try to shake you up, albiet with a happy face. The kids at Hawes School know about this congenial clown already---**DAVE LOBREE.**

**TWO WEEKS AGO:** Time flies and the memory fails, but we do recall the always pleasant recollections of a new member induction. This time it was our past pres and future D.G. **BILL CONKLIN** stepping forward to introduce and induct **TERENCE (TERRY) KELLEY**, Assistant Scout Executive for the San Mateo County Council of the Boy Scouts of America. A native of Connecticut and a grad of Cal State Chico, TERRY first joined Rotary in 1979 in Henderson, Nevada. TERRY and his wife Susan have two children, Sean 9, and Kyle 5. Welcome back to Rotary, TERRY!

Our speaker on the 4th was **BILL DAVOREN**, Executive Director of the Bay Institute of San Francisco. With a long background of environmental experience at both state (Colorado and California) and national levels, **BILL** founded the Bay Institute in 1981.

With the help of a number of slides of substance, **MR. DAVOREN** presented a very interesting and complete assessment of the physical and political aspects of the drying up (your editor's words) of the largest estuary on the west coast of North America. A very interesting discussion of the sources and diversions of water in California.

**NEWS AND NOTES:** We've forgotten to mention some membership changes. Past Club Secty. AL LAOS finally had to yeild to the community burden and has joined the San Mateo Sunrise Club. HARRIET BROWN ARNOLD has now completed her professional relocation to the South Bay by joining the Cambrian Park Club in San Jose.

**THE CLUB AUCTION:** Yes indeed! After all those typically herculean efforts by so many it finally did comeoff on a hot and steaming Saturday evening at St. Pius' hall. It was April 8 and, as we said a regular meeting of the club.

The results---of course you'r interested. In round numbers it looks like this year's great effort netted about \$17,000 after expenses. This makes it possible for R.C. Rotary to continue its commitment to serve the many interests in the community, international and vocational fields that we have dedicated ourselves to for all these years.

Hat off to all of you who gave so much to make it work: to chairman **DICK AHTCH**, to all of his committee who gave so much of their time and resources---to **DAVE BENNITT**, **BETH FISHBACK**, **DENNIS DURKIN**, **SAM DAFNIS**, **FRANK PARCELL**, **BILL CONKLIN**, **PETE HUGHES**, **STEVE DETCH** and any and all we've missed---our appologies.

**NEXT WEEK:** On the 25th we will be hearing from Deputy Sheriff **JOHN EDMONDS** about the San Mateo County Service League and in particular, the creation and maintenance of a Halfway house for women. May not seem exciting but it's a big problem in our County and it fills abig need. Nevertheless we need to be informed of what is going on in our community and what better way to obtain information than from those directly involved with the project.

Your finemaster---**JERRY MERTINS** oh boy! You all know how **JERRY** knows how to hand out the fertelizer---perhaps it will help our coffers to grow.

**N.B.** Only a month away. That is the District Conference at the Radisson Hotel in Sacramento May 11-14. This will be the last for the old Dist. 513. All 67 clubs from 9 counties will be represented. Hereafter it will be Dist. 515 from 3 counties only. It is going to be a really great event, and the opportunity - That's right, an opportunity you shouldn't miss to be with old friends from the "BIG 513".

Even sooner is the NEW 515 District Assembly. April 29, at the Presido in San Francisco should find all incomming officers, directors and committee chairpersons in attendance. All new Rotarians should also attend to find out what Rotary does at the District level. It's exciting, let's go!

PENINSULA COVENANT CHURCH

**TODAY:** April Program Chairman DAVE BENNETT will finish up his month with the introduction of Deputy Sheriff JOHN EDMONDS who will tell you something about the San Mateo County Service League and the creation and maintenance of a Halfway House for Women.

Your finemaster for this last meeting of April will be JERRY MERTENS and if he can handle the NFL Alumni he can surely handle this task.

**LAST WEEK:** Pres. BOB called on ALLEN GRUMEN to charge up the chorus, Menlo's ART FLEGEL to lead the pledge and PDG SID to give the invocation. With word and matzos SID celebrated and explained the coming of Passover.

Next to come was that always happy event, the induction of another new member. This time as a sponsor, SID introduced and handled the induction of DR. NORMAN R. FENTON (NORM), a retired Gynecologist from England. With his lovely Irish wife NOREEN joining in the occasion it's clear from the considerable list of children and grandchildren in this family that the English and Irish can indeed get along. Welcome to R.C. Rotary.

Adding more sunshine to a Sunny day a teacher from Fair Oaks school (apologies for not having gotten her name) and a number of the school's young students expressed their thanks and enthusiasm over their learning trip on the "Inland Seas" taking them out onto the bay - a trip sponsored by your club. Nice to hear first hand how meaningful these experiences can be.

DAVE LOBREE was our finemaster and no clowning around this time. Short and sweet - at least from Treas. ERNIE's point of view.

DAVE BENNETT introduced our speaker, KENT PAXTON of the Office of Emergency Services for San Mateo County who probably made our new member NORM and his wife a bit uncomfortable with his discussion on the history of earthquakes and the general topic of earthquake preparedness here in the Bay Area.

It's clearly a subject most of us would like to not think about, which is okay, but only after you've thought about it enough to do all that you should to be prepared. There is indeed a lot you can

and should do and if and when that day comes you'll surely be glad you did. An important topic and KENT PAXTON's office has a lot of information if you need it.

**NEWS & NOTES:** Auction Chairman DICK HATCH says the net proceeds appear to be leveling off at around \$17,500. Thanks again to all who did their share.

ROY FRANK says the annual salmon fishing trip, being joined in this year by the Millbrae Club, is set for Thursday June 8. The tab is \$42.00 per fisherman and the cruise will depart from Fisherman's Wharf in S.F. at 5:30 a.m. with an expected return about 1:30 p.m. Call ROY if you wish to join in the fun.

BILL CONKLIN notes that on May 5 the American Cancer Society is having a "roast" to honor PETE UCELLI for all his great public service. Give BILL a ring if you'd like to participate in that fine event.

Don't forget to get your ballots in for the election of the five new members on your club's Board of Directors. If your ballot is not turned in today it must be received by Club Sec'y STEVE MIKULIC at his offices at 154 Arch St. Redwood City, CA 94062 no later than April 28.

**COMING UP: Remember:**

APRIL 11 - TIMES TRIBUNE

## Cancer society honors Pete Uccelli's work

Times Tribune staffs

Redwood City restaurateur and marina owner Pete Uccelli will be honored by the San Mateo County unit of the American Cancer Society on May 5 for his work in the community and on behalf of the society.

Uccelli will be the first person that the local cancer society has honored with a tribute dinner, according to Michele Kaster, communications director.

Kaster said Uccelli has helped the cancer society raise funds and also has involved himself in numerous community causes, including holding fund-raising dinners at Pete's Harbor.

"He's always there to lend a hand when there's a need," Kaster said, "and we wanted to honor him not only for what he's done for the American Cancer Society in San Mateo County but for the things he has done all over the world."

For the past few years, Uccelli has provided the use of his restaurant so the cancer society can conduct its annual "jail and bail" fundraiser.

Political figures and prominent

business people are "arrested" and have to get themselves bailed out by contacting friends for donations.

Following the 1979 fire at the Temple Beth Jacob in Redwood City, he held a spaghetti feed which raised about \$10,000, Kaster said.

A similar benefit raised about \$19,000 for victims of an earthquake Oct. 24, 1980, in Mexico City.

This is only the latest honor for Uccelli, who was Redwood City's Outstanding Citizen in 1982 and received the 1984 Good Scout award from the San Mateo County Council of the Boy Scouts of America.

Last month, Uccelli and his wife, Paula, received the volunteer of the year award from the Kalnos Home Training Center in Redwood City, a home for mentally retarded adults.

The benefit, "An Evening of Elegance & Swing," will be held at the Airport Marriott.

Tickets, which cost \$125 per person, can be purchased by calling the American Cancer Society at (415) 578-8902.

**NEXT WEEK:** Our speaker will be Ken McGill, an associate administrator from Sequoia Hospital. Ken will bring us up to date on the state of Sequoia Hospital and possible future projects.

On May 9th Jerry Moe will be our speaker. Jerry will help us understand the problems of children of addicted parents and ways to help these children.

Two great speakers to look forward to these upcoming weeks.

**TODAY:** KEN MCGILL, Associate Administrator at Sequoia Hospital will give an updating on the current status of the hospital and comment on possible future projects.

The schedule says JIM NEWELL should be stepping forward to do the fining - could be a taxing time.

**LAST WEEK:** Pres. BOB's voice really boomed forth what with the mike once again working. Songmaster ALLEN GRUMAN got the chorus booming - no mike needed there - with the current and future president BOB's taking care of the pledge and invocation.

Among the guests, three students from Sequoia introduced by MERLE FRUEHLING and two young students of the month from Hawes School introduced by their Principal NANCY HENDRY.

Our finemaster was JERRY MERTENS who raked in the bills on the basis of the names of the 49er picks in the recent NFL draft. And since he had to read those names from a list you can imagine how many could them out from memory.

DAVE BENNETT introduced the day's speaker, Deputy Sheriff JOHN EDMONDS who spoke about the San Mateo County Service Leagues' current efforts to arrange for the establishment and funding of a Halfway House for Women.

Nothing the high cost of housing inmates in jail and the high rate of return (92%) of women who have served time, JOHN suggests that it would be in the net be far cheaper to reduce that rate of return by employing a Halfway House program that could help prepare women who have served their time find the means for a constructive and safe return to society. Under the program as proposed the women would be aided in getting schooling, employment and making social adjustments through church activities, etc.

Sheriff EDMONDS made an eloquent and impassioned plea for support for their seemingly worthy and needed project.

**OTHER NOTES:** Pres. BOB announced that there would be another dinner for shut-ins event to be conducted on Sunday, May 28. Volunteers

are needed in all areas such as providing turkeys and other parts of the menu, cooking the birds et al, carving and food preparation, delivery, etc.

And since DR. DUC NGUYEN who has so successfully led this project in the past will not be available this time around there is also a dire need for one or more of you to step forward and take a lead in coordinating the event. Please, come forward (as to all needs) and let Pres. BOB know where you can help.

It's a good time to recall the heart felt remarks of the late DR. GOLDEN on the happiness and satisfaction he found on participating in the same event held past Christmas.

May not be any space left by now but if you're interested in the **annual salmon fishing trip** planned for June 8th, the man to call is ROY FRANK.

Last Saturday was the District Assembly at the Presidio and for those too many who didn't make it why not consider attending at least one of the days at the District Conference in Sacramento coming up May 11-14. Both these events are certainly well worth your time and something you'll find highly rewarding.

**NEXT WEEK:** May Program Chairman ABEL SANCHEZ says we'll be hearing from JERRY MOE who will discuss and help us to understand the problems of children of addicted parents and ways to help these children.

**R.I. RESOLUTION:** A resolution (89-172) recently adopted at the Council on Legislation in January is of particular interest to District 513 since it was proposed by our Menlo Park and Redwood City clubs. Its purpose is to endorse the peaceful resolution of disputes at all levels. I quote it in its entirety:

"IT IS RESOLVED by Rotary International that the commitment to the objective and processes of peace reflected in the Rotary Peace Forum program be confirmed and expanded to include an endorsement of peaceful dispute resolution at all levels of human activity; and that specific reference be made in Rotary literature to the utility of, and opportunities to employ, systematic methods for the peaceful resolution of conflict in all four avenues of service; in our clubs; in our workplaces and vocations; in our communities; and in the world community.

Congratulations to these two fine clubs that have made Rotary history by taking the initiative in proposing this well intentioned legislation.

**ROTARY COUNTRIES & TERRITORIES UP TO 165:** Rotary International now has clubs in 165 countries and territories. The new Rotarians are members of the Rotary Club of St. Pierre at Miquelon in District 782. The club was chartered in March with 26 members. The islands of St. Pierre and Miquelon are off the southwest coast of Newfoundland, and together they constitute an overseas department of France. The new country will be represented by the French flag in Rotary displays and ceremonies. Other clubs in District 782 are in the Canadian provinces of Newfoundland, Nova Scotia and Prince Edward Island.

**TODAY:** Our speaker today is Jerry Moe who deals with drug addiction as it affects the most innocent of victims -- the children of users. We presume that adults are capable of making their own decisions regarding what they do to their lives, however, their children become wrapped up in the drug culture without any decision on their part and without justification on the part of their parents.

STEVE SAN FILIPPO is scheduled to be finemaster. Now that we are past April 15th, Steve will become a taxing authority and will be levying upon us to the full extent of the law.

-oOo-

**LAST WEEK:** No mike again. Sometimes mike comes to the meeting and sometimes he doesn't. ALLEN GRUMAN practiced for his role as Chorusmaster at our upcoming District Conference by leading us in song. MAGGIE STEVENS had the Assembly join her in the pledge to our flag and MARGARET KEMP invoked the blessing of the Almighty upon our gathering and our meal.

Pres. Elect BOB STIFF reported on the first District Assembly of soon to be formed District 515 which was held at the Officers Club in the Presidio of San Francisco. DGN BILL STURGEON is cranking up the machinery for the new streamlined District. He conducted a compact informative Assembly setting forth his goals for the upcoming Rotary year 89-90. Our own DGND BILL CONKLIN (90-91) was introduced to the District. Leadership looks good for the next two years.

A play is being given for the Canada Rotaract Club's Jazz Band Concert this Thursday May 11 at 7:30 p.m. If your evening is free try to get over to Canada and support "Our" Rotaract Club.

-oOo-

**NEW BOARD:** Have you been bored with the old Board? Now is your chance to climb aboard the bandwagon of our new Board. The result of our recent election are in and the new Board of Directors will see BETH FISHBACK, DICK HATCH, ERNIE GLENN, GUY THOMPSON, and Retreaded Past. Pres. NORM MAC LEOD joining soon to be past pres. BOB RUTHERFORD,

soon to be Pres. BOB STIFF, sometime to be (90-91) DENNIS DURKIN, BOB BOLIN, STEVE MIKULIC and RON KOSTER as our governing body for the ensuing Rotary year (as it says in the by-laws).

JIM NEWELL was finemaster. We guess he did a good job, no one could hear him, but he raised bunches of bucks so who's to complain?

Our speaker was Ken McGill, the Associate Administrator at Sequoia Hospital. Ken is no stranger to our club. He drops by every other year or so and gives us an update about a very important citizen of Redwood City, Sequoia Hospital.

We are all concerned about the quality of medical care in our community and about the cost of such care. Ken's talk touched on both aspects. We all recognize the quality of care at Sequoia and we seemed to accept this as a given. The financial aspects, however, evoked many questions and a great dialogue. Since the federal government is squeezing expenditures for health care and private insurance companies are negotiating rates the burden falls back on management to provide tight controls and an efficient operation to keep a medical facility like Sequoia operating in the black.

-oOo-

**NEXT WEEK:** As of this writing our May program chairman Able Sanchez was hoping for a confirmation from his speaker. We know from history his ability to find interesting presenters so we anticipate a dynamite program.

Finemaster is scheduled to be DAVE SCHRICKER, the expert of what government can and will do to you civilly. We doubt that Dave will do anything civilly during his stint at the podium but extract fines like an expert prosecutor.

-oOo-

**NEWS & NOTES:** District Conference commences this Thursday at Sacramento. Should be a great time, the last of the GIANT 513. Come join in the nostalgia about the good ol' days of 513.

Sunday **May 28** we will provide dinners for shut-ins. This is a great "hands-on" project that everyone in the club can pridefully take part. Many jobs need to be done including preparing the food, setting up the individual meals, cooking, carving, dishing up and delivering. Should be a great time for fellowship among club members as well as an opportunity to provide community service to those who live near us.

The annual SALMON fishing derby will be **June 8** if you have not already signed up contact ROY FRANK to see if any space is still available.

**DG Visitation:** Our new District Governor BILL STURGEON will visit the Rotary Club of Redwood City for his official review on **July 18, 1989**. All committee reports should be in draft form soon so Pres Elect BOB STIFF can have us up and running for the visitation.

The last of the large District 513 conferences was held at the Rodesson Hotel in Sacramento this past weekend. It was unanimous that it was the best conference ever held by 513. The high-point of the event was the naming of the 513 Rotarian of the Year. Our own PDG SID BERLIN was awarded the honor by DG BOB KANE. Well deserved!!!!

SID put the Nigeria Eye Camp project together and has spent uncountable hours on behalf of Rotary. Bon Chance, Sid!

Both of our SPOKE editors came up missing last week soooo-- the news is sparse for this edition We promise to be back on track for next week.

### **OBJECT OF ROTARY**

*The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:*

*First. The development of acquaintance as an opportunity for service;*

*Second. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of his occupation as an opportunity to serve society;*

*Third. The application of the ideal of service by every Rotarian to his personal, business, and community life;*

*Fourth. The advancement of international understanding, good will, and peace through a world fellowship of business and professional men united in the ideal of service.*

**TODAY:** Long time friend of R.C. Rotary and a fellow Rotarian TRAVIS JACKSON is going to be speaking to us about an upcoming R.I. project for all District 515 Rotarians.

Your finemaster today? Guess what - yep, BERGLER's here!!

**LAST WEEK:** With all hands safely back from the big district finale for old "513", Pres. BOB called on that rafter rouser PDG SID to awaken the chorus and after leading the pledge himself called on Sec'y STEVE to give the invocation.

Finemaster DAVE SCHRICKER was in fine form by his own doing but add to that some other fine contributions as noted next and what a fine day it was for Club Treas. ERNIE.

In acknowledgement of a much deserved acclamation as "District 513 Rotarian of the Year" PDG SID BERLIN wrote his check for \$100.00 to the Rotary Foundations unrestricted giving fund - a vital part of Rotary that has unfortunately suffered from the great and generous efforts attended to the Polio Plus Campaign in recent times.

As SID noted, in this past year alone, unrestricted givings were down 82% - and that's an area of such great importance, GSE, the Foundation Scholarships, matching funds for worthy projects and so forth.

Then up stepped a happy DGN BILL CONKLIN with another \$100.00 to acknowledge his new Rotariann, CLAUDIA. What happy news.

And then, of course, there was a \$20.00 from ALAN BOSTWICK as he described the travails of senior Legislature Assemblywoman PHOEBE as her lost briefcase was taken for a bomb in the capital corridors.

Even May Program Chairman ABEL SANCHEZ got nicked in honor of his receiving some fine photographic awards, so now his rates can even go higher.

Before more on the District Conference and other notes, best we make note of our speaker for the day, a charming and articulate Rotary Foundation Scholar, ALISON PATTON. As we understood it from Prog. Chm. ABEL, ALISON, a resident of R.C. was sponsored by the Menlo Park Club.

According to ALISON, her scholarship time abroad was in France from September '85 thru May '86 with another half year on her own traveling

on the continent. Studying in art, literature and language Ms. patton is now interested in the field of Broadcasting. Her accounting of her experiences abroad were most interesting as she described the nature of the French people and Rotarians and, as she put it, the very caring attitude of Rotarians all over Europe.

For her it was a period of growing up - of much meaning and learning - a good representative of a great program.

**DISTRICT CONFERENCE:** For those who may not have heard, in addition to the great honor bestowed ON PDG SID, RC Rotary also received the following awards:

Homer Wood Award: For the outstanding work SID BERLIN and BILL CONKLIN did to establish the Nigeria Eye Clinic and support by the club.

Bru Brunnier Award: For the club's over all International Service.

Rotaract Award: (the only one given) for the Club's support to its Rotaract Club and the work of that club.

Youth Service Award: (Third Place) for the club's support to its several youth projects.

And from Pres. BOB's notes, a notable quote of the conference: "Drugs... you'll go to Hell Before you die!"

**AND ON:** BILL REINHARD says the Sunrise and Redwood Shores Clubs will be joining in our June 11 dinners for shut-ins program. Still time to join the fun as suppliers of the birds or other food, as cookers, preparers, deliverers and more. Please step up and count yourself in on the valuable, happy and rewarding project.

Don't forget to get to Pres. Elect BOB STIFF on committee assignment preferences and your comments as well for the club's operations this coming year.

BOB also requests that you think hard about your Rotary sons and daughter (generally 10th thru 12 graders) who might be part of our contingent heading for Hiratsuka this late July - early August. What an opportunity!

Best wishes to PETE HODGSON who was due to undergo a very serious and important bone grat on his leg this past friday. And just out of sympathy your editor went in for a skin graft on his leg the same day.

We caught only a word but hope to hear more of a coast to coast relay being planned by the Larkspur Club to raise some five million in the year ahead. My oh my!

**NEXT WEEK:** One of those great fun times again as we will be entertained by those ever enjoyable "ICE BREAKERS". Don't miss it.

Your finemaster - no other than FRANK PARCELL. Hope you're conditioned for it.

**TODAY: I C E B R E A K E R S !** Always a good time to be had by all.

The scheduled finemaster will plumb the depths of your wallet - FRANK PARCELL.

**LAST WEEK:** Songs were ably led by Allen Gruman. A regular visitor, ART FLEGEL of the Menlo Park Club, led the pledge. The invocation, after a tentative start by ORLEY ("I'm Next Week") ANDERSON, was finished by President BOB RUTHERFORD.

Great Opportunity - Africa:  
A very interesting program was presented by San Carlos Rotarian, TRAVIS JACKSON. He is spearheading a joint project by the Bay Area Clubs with Rotary International and the Rotary Club of Nouakchott in Mauritania, Africa. An application is pending with Rotary International for a 3H grant of money. The City of Kiffa has experienced drought and an influx of refugees from the dessert. There is an adequate water supply but the people must be taught to obtain it (wells), use it, and basic hygiene as well. Travis was looking for Rotarians who are willing to spend 30 days in Africa working on the project. The target date is between November of 1989 and March of 1990. Rotary International will pay each Rotarian \$40.00 per day, provide round trip transportation, and room and board at the location.

Accommodations will be rustic. Some fluency in the French language is necessary. Classes are available. If you are interested Contact Travis Jackson at the San Carlos Club. Sounds like a great opportunity!

We were pleased to hear that PETE HODGSON and BILL ENOMOTO are recovering from their respective health problems. Hope to see them back soon.

The finemaster was BILL BERGLER who focused on tax returns. If you filed a return, didn't file a return, got a refund, paid a tax, or obtained an extension, there was a \$5.00 fine. Needless to say, as taxes go, no one got off, everyone in the club paid a fine.

**NEXT WEEK:** The scheduled speaker is Erwin Seibel who is the dean of undergraduate studies at San Francisco State. He will be speaking on "The Ocean, The Bay, and You".

The scheduled finemaster is LEM SUMMEY.

**NEWS & NOTES:** The Annual SALMON FISHING DERBY will be June 8 if you have not already signed up contact ROY FRANK to see if any space is still available.

**ROTARY ANNIVERSARY'S:**

Sidney L. Berlin, May 1968  
William Conklin, May 1978  
Peter Hughes, May 1973  
Duc Nguyen, May 1988  
Joseph Souza, May 1968  
Lemuel Summey, May 1973

Albeit these men could tell you some history of Redwood City Rotary Club and of our community.

**PUT IT ON YOUR CALENDAR:**

Fly In: The Napa Valley Rotary Clubs will have a fly in on June 14th. Call 707/255-6255 for details.

Golf Tournament: June 10th, Redwood Shores Rotary is putting on a Golf Tourney. Call Herman Santos at 344-1000 for details.

Food for the Needy: Redwood Shores is on their way to help our club June 11th prepare and deliver food to the needy. This is a great opportunity for all of those gourmet chef's and chefette's to put on their cooking cap and come out and cook for a wonderful cause. If you can't cook but are great kitchen helpers, we need carvers, preparers and deliverers, and especially smiling faces, to deliver food to these special people.

**GET WELL WISHES:** Our SPOKE author, HAL HJERTBERG, is recovering from his latest surgery. All good wishes HAL, and hurry back.

**1989-90 ROTARY INTERNATIONAL CONFERENCE:** We all await, with great anticipation, the wonderful stories to be brought back with those who attended the SEOUL KOREA Rotary International Conference. As we hear these stories of encouragement and fellowship, let's remember that next year is a great opportunity for all to experience the same. The 1989-90 Rotary International Convention will be held in Portland, Oregon, **May 27th through May 30th.** The theme for the convention will be "ENJOY ROTARY - By Making Our World A Finer Place to Live". Portland is an enjoyable city where Rotarians can enjoy fellowship as a basis for service in a way that cannot be duplicated.

**JULY 4th CELEBRATION:** July 1st through the 4th in Downtown Redwood City. Prepare yourself for a great time of fun and service. Our club will join with Redwood Shores Club at this wonderful time of national celebration. We are sharing a concession stand near the parade route. The Shores club will serve their pancake breakfast in the morning, and our shift will come in at the afternoon serving that all-american favorite hotdog. Keep it on your calendar and find a place where you can contribute your time and talents.

**DISTRICT GOVERNOR VISITATION:** BILL STURGEON will visit the Rotary Club of Redwood City for his official review on July 18, 1989. All committee reports should be in draft form soon so Pres. Elect BOB STIFF can have us up and running for the visitation.

PENINSULA COVENANT CHURCH

**TODAY:** June Program Chairman and past prexy ROY FRANK kicks off his month with the introduction of today's speaker, ERWIN SEIBEL, Dean of Undergraduate Studies at San Francisco State University whose subject is: "The Ocean, Bay and You".

And finemaster LEM SUMMEY will no doubt deal at some length with a part of Dean Siebel's subject; ie, "and you".

**LAST WEEK:** Club Sec'y STEVE had to bang the bell for all the missing leaders albiet we didn't quite follow whether they were hung up on a reef or just what.

In honor of the Memorial Day celebrations, song leader ALLEN G. somehow managed to get a rousing though a bit garbled "Battle Hymn of the Republic" out of a struggling chorus - good try, though - with the pledge given by our old friend from San Carlos, FRANK COLEMAN and a well thought invocation by new member ORLEY ANDERSON.

Finemaster FRANK PARCELL hit on every opportunity he could to meet the needs of Treasurer ERNIE's shrinking balances. In the net we can't help but observe that there are too

few bleeding hearts and too many untouchables. You know who you are so in these waning days of this now passing Rotary year how about writing that check to show your support for the wonderful works of the Rotary Foundation - especially to the unrestricted gifts category which has so much to do and so little to do it with.

The day's program was that always warm and wonderful occasion of "Icebreakers".

Last weeks "breakers" was a fine quartet of ABE BASSETT, TERRY KELLEY, GREG ROOS and WAYNE TATMAN. Space doesn't permit covering all their doings. Still, how many would have pictured ABE playing hockey at a pro level in Canada or Scout TERRY finding such a pure life in Las Vegas. GREG, of course, has probed from S.F. to Idaho to St. Louis and back to SF before finding an in from DURKIN to your molars. And then WAYNE who did it all in Delaware - as though no one else had ever been there. It may be a shock, WAYNE, but DORA attended Friends School and had her coming out party at the DuPont Country Club and we were married at the "Old Swedes Church" (dating back to the 15 hundred) in Wilmington. Your days in Texas may prove to be more exclusive.

**NEWS & NOTES:** Many thanks to back-up editors DGN BILL CONKLIN and soon to be P.E. DENNIS DURKIN for putting out the past two issues of the SPOKE. A friend in need is a friend indeed! and by the way, DENNIS, Dad BOB and former member LYLE RAUSCH (he who's being taking slices out of me these past few weeks) spent the past holiday in Baja - flew down - and wouldn't you know, both DENNIS and LYLE hauled in seven foot marlins. DENNIS left his there for the locals, but LYLE's is coming back for a wall mount. Maybe the spear end will become a new surgical tool.

DEAN WHITE notes that the big RWS golf tourney at the California Country Club will be held on July 10 not June 10 as previously reported. Cost is \$145 per but for a fine cause. Again, call HERMAN SANTOS at 344-1000 for more info.

Help of all kinds is still needed for the June 11 dinners for shut-ins effort - even with help coming from Redwood Shores and, I thought we heard the Sunrise Club as well, call BILL REINHARD to volunteer.

From DON HELBUSH word that it's that time again to make your so very much needed donation to the Blood Bank. Their mobile unit will be at Kaiser Hospital on Friday, June 16 from 11:30 to 3:30. Go on down and then reward yourself with a nice lunch. You can also do the same on any Tuesday morning (why not before our regular luncheon) at Sequoia Hospital. The need is great with usage now running

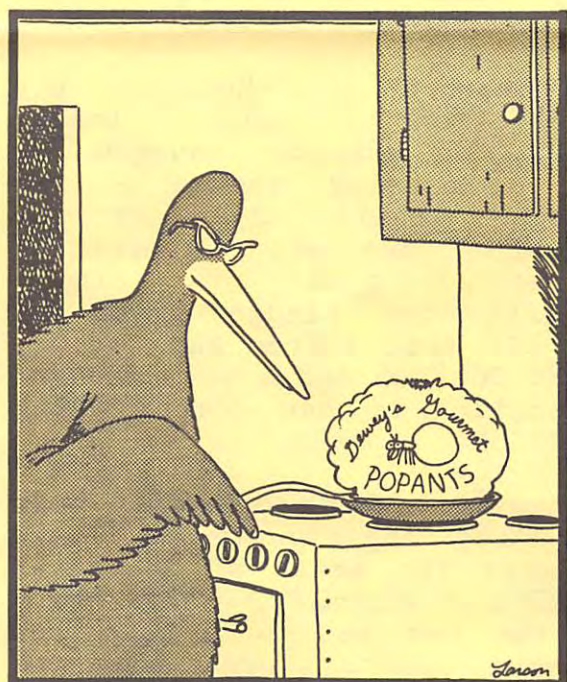

at a rate of 125 pint/day.

And don't forget we've all got to pitch in and help man our hot dog and soft drink concession on the afternoon of the big July 4th parade and celebration in downtown RC. The Shores Club will start the day with a pancake breakfast during the morning shift so if you'd like you can come be a customer, watch the parade and finish up as a server. How 'bout that.

Pres. Elect BOB needs all those committee reports to put together our presentation to new District Governor BILL STURGEON at another of those early visitations. This year it's July 18.

**NEXT WEEK:** Prog. Chm. ROY FRANK says we'll be hearing from Redwood Shores, Inc. Pres. DON WARREN on an update and overview of this fast growing area of R.C. Should be interesting.

And what do you know - that same ROY FRANK is also due up that date as finemaster. Think of the fun - if you can.

CHARTERED APRIL 22, 1946  
DISTRICT 513

JUNE 13, 1989

PENINSULA COVENANT CHURCH

TODAY: Our speaker, DON WARREN, President of Redwood Shores, Inc. is going to give us an update and overview of developments in this fast growing area of Redwood City.

Your finemaster is that timid and retiring past prexy ROY FRANK. Let's hope he had a good salmon catch.

-oOo-

LAST WEEK: Pres. BOB was back and all smiles now that the "Inland Sea" is at sea again. Songmaster ALLEN GRUMAN got the chorus fully aroused. Pres. BOB took care of the pledge and WAYNE TATMAN gave the invocation.

Not included in the invocation but among the things WAYNE was thankful for was a check in the amount of \$10,000.00 presented to him by Pres. BOB - a contribution from R.C. Rotary to the Sequoia YMCA in support of the "Y"'s Latch Key Program.

According to WAYNE. Sequoia now has a child care centers and one third of the 220 children included in the R.C. program are subsidized by this support from R.C. Rotary. That's a nice feeling.

More happiness. Pres. BOB read a very nice thank you note from Hawes School Principal NANCY HENDRY expressing appreciation for R.C. Rotary's efforts in connection with the "Adopt-a-School" program we share with Hawes. And a tip of the hat from BOB to DAVE LOBREE for all his fine work in this program.

Pres. Elect BOB STIFF, now returned from, and invigorated by, the R.I. Convention in Seoul, Korea gave all present a briefing on what it was like in Seoul and some of the doings of the convention. Pretty inspirational, it sounded, to be among the some 33,000 Rotarians from 162 countries attending this great event.

Given the distance (Korea) there were only 1,700 from the U.S. but what did you think of there being 150 clubs in Korea with 48 in Seoul alone! and among the happy signs of Rotary's continuing growth are the prospects now in view that before long those 162 countries may be joined by Russia and Hungary.

And then with sadistic pleasure, finemaster PETE HUGHES very efficiently set about restoring

some of those funds continually being yielded up by the club's Treasury.

Yes, there was a program and at last we'll get to that.

Program Chairman ROY FRANK introduced ERWIN SEIBEL, Dean of Undergraduate studies at San Francisco State University.

A scientist and oceanographer of high repute, DEAN SEIBEL painted a rather grim picture of climatic and ocean level changes that lie ahead in the coming century as a result of the increasing amounts of CO2 being released into the atmosphere, principally as caused by the ever growing consumption of fossil fuels including wood.

Trees, you see, consume carbon dioxide and their loss simply accelerates the growing volume of CO2 stemming from the burning of such fossil fuels as coal, oil and gas.

Acknowledging debate within the scientific community, Dean SEIBEL leaves no doubt about his convictions as to the temperature and thereby ocean level increases he believes are coming. The results? It doesn't take much imagination. An interesting albeit disturbing presentation.

-oOo-

**UP AHEAD:** Once again a reminder from DON HELBUSH that the Blood Bank mobile unit will be at Kaiser Hospital this Friday the 16th from 11:30 to 3:30 and your giving is much needed. And don't forget, you can also give any Tuesday morning at Sequoia.

The Installation dinner is set for Tuesday P.M. the 27th

at the Holiday Inn in Foster City. PETE HUGHES is the one to make reservations with and get your money to. The tab is \$30.00 per.

After that its just around the corner to the July 4 celebration and thats when you should be planning to do your part in helping man the Rotary hot dog and soft drink concession during the afternoon.

-oOo-

**NEXT WEEK:** R.C. Chamber of Commerce President, LARRY AIKENS will be talking about how to perceive the business climate in Redwood City.

DR. ALLEN GRUMAN is due up as finemaster.

**RECOGNITION FOR ROTARY:** Illinois Congressman Richard J. Durbin has placed a new statement of praise for Rotary International in the Congressional Record. Mr. Durbin called Rotary "the first and one of the most successful worldwide service clubs." He pointed out the variety of activities Rotarians undertake to meet "a broad range of civic, social and cultural needs". He mentioned anti-drug campaigns, environmental cleanup projects, and work to safeguard water and sanitation systems as activities Rotarians carry out in their local communities. The Congressman specifically applauded the PolioPlus Program aimed at protecting "our most vital resource, the children of the world".

PENINSULA COVENANT CHURCH

**TODAY:** On this, our next to last meeting date of this Rotary year, Program chairman ROY FRANK says we will be hearing from R.C. Chamber of commerce President LARRY AIKENS who will be speaking about how the Chamber functions and how he perceives the business climate in Redwood City.

Your finemaster this day will be that congenial (up to now) songmaster and world traveler DR. ALLEN GRUMAN. He'll be looking for some different notes this time around.

-o0o-

**LAST WEEK:** With only two more to go a relaxed Pres. BOB called on Club Treas. ERNIE to lead - or was it mislead - the chorus. And despite the training of such mentors as PDG SID, DR. G. that mad Italian, BOB - oops, s'cusa please, we mean CHARLIE - ERNIE demonstrated that you're all still a bunch of sheep.

That debacle over with, Pres. BOB led the followed by the invocation from DR. PAUL YOUNG.

A highlight of the days doings was Pres. BOB's presentation to the club of the '88-89 year's report on R.C. Rotary's Club contributions activity.

We hope you all now have a written copy to study and reflect upon.

As noted in that report, this Rotary year you have given (to your community) \$27,900 through your club.

And present to receive their share of this year's awards were representatives of a number of the recipient organizations including: Kainos, Padua Dining Room, Salvation Army, Friends for Youth, Amigos de las Americas, BSA and GSA, Emergency Hunger Fund, Fair Oaks Community Center, Peninsula Oral School for the Deaf and the Marine Ecological Institute.

In addition, there was, of course, some \$7,000 in scholarships awarded.

Again, study the report and congratulate yourselves.

Before introducing the days speaker, his ebullience, ROY FRANK took to the podium as finemaster for the day and as if they hadn't already suffered enough, exacted a toll from among the many would be fishermen on this year's Salmon cruise aboard the "Wacky Jacky".

So on to the day's program. Subbing for Redwood Shores President DON WARREN, that company's Managing Architect

and Planner, MIKE GIBSON gave a composite updating and overview of the developments, past, present and future taking place in that ever growing area of Redwood City.

With the help of a full set of slides showing ariel views of all phases of this imposing development, MIKE reviewed each and every aspect of the project. A very interesting presentation.

**MATTERS OF INTEREST:** A big hand to all the many doers who rallied under the direction of BILL REINHARD to make such a success of this second of your club's dinners for Shut-Ins event. This time, with the participation of the Redwood Shores and Peninsula Sunrise Clubs, there were cooked, prepared and delivered some 157 special meals to these needy and deserving people - a lot of happiness well distributed.

This Friday, the 23rd, there will be a joint meeting of your outgoing and incoming Boards of Directors (many of the outgoing Board will, of course, continue to serve on the Board for '89-90). 7:30 a.m. at Pete's Harbor as usual.

Once again, a reminder that there's the Hot Dog and Soft Drink Concession to be manned on the afternoon of July 4 following the big parade. As always, in doing these tasks the more really is the merrier, more effective, more fun. So even if you can just do a little, do that!

On Saturday, July 8, by the way, there'll be a chicken

& rib Barbeque at the Fair Oaks Senior Center from 11AM to 4PM with music and dancing at 1PM. Drop by if you can.

Honararia: How nice to hear that past Prexy NORM MACLEOD was given a special award by the Fresno Rotary Club where he was a distinguished member some many years ago and would you believe, has ever since continued to give service to that club by providing his mountain home as a "retreat" for that club's leaders. Rotary at its finest - a real doer. Congratulations!

There are many others indeed, but given the previous reporting on your club's contributions, Pres. BOB rightly suggests a hand be given to the chairmen of the contributions and Scholarships Committees, respectively - PAUL YOUNG and ROLAND HAGA.

**COMING UP:** Next week it's on to the Annual Installation (and debunking) Dinner at the Holiday Inn in Foster City. Get your \$\$ to PETE HUGHES but now! It's \$30.00 per or \$60.00 per couple. There's some mathematics for you.

And as an added attraction the finemaster will be that newlywed DGN BILL CONKLIN. Now you know you've got to be there!

-oOo-

**BACK IN THE SADDLE AGAIN:** Cowboy Bill (Past Pres. Now DGN BILL CONKLIN) is rounding up a new team albeit on a larger scale than his last roundup. He is gathering the Pres. Elects of 515 (PE. DENNIS DURKIN among them) to form a "Cowboy Bill's District 515 Team". He will be needin' all sorts of additional help. If you are interested in "He profits most who serves best" please give ol' C.B. a call and volunteer.

Rotary Club of Redwood City

Attendance Report, 1988-89

"HOW ARE YOU DOING?"

Everything You Always Wanted to Know about the  
Attendance Habits of Redwood City Rotarians  
but Were Afraid to Ask-- Particularly if Your  
Own Attendance Record Could Stand Improvement

Now it can be told! Just how often does the typical Redwood City Rotarian get to our meetings-- or "makes up" at another club (before or after) if he just can't get to one of our weekly get-togethers?

Well, in 1988-89 the typical Rotarian (that's nearly three-fourths of our members) got there nearly every week-- or better. Furthermore, if we include those who are "excused" after reaching the age of 65 with more than 20 years of membership, exactly half of our members never missed a meeting in 1988-89. Still further, sixteen of your fellow Rotarians had averages of more than once-a-week!

For more than 70 years-- ever since 1916 when the first attendance contest among clubs was held-- new members around the world have agreed to regular weekly attendance as a condition of admission to a Rotary club. In return, the member who takes seriously this obligation gets a measure of good fellowship, a sense of "belonging," and opportunities for service that never can be realized by those who may attend meetings only sporadically.

As we have stated, the great majority of our members have developed the "regular attendance" habit. If you are not among them now, why not join the crowd? Try it; you'll like it!

For 1988-89 details and personalities, read on:

THE SUPER ATTENDERS!!!

- 146% Bill Conklin (The D.G.'s Area Rep on the job. Attended 76 meetings in 52 weeks-- plus one more, we think. A "no name" make up card, arriving by mail, appeared to have been addressed by "Wild Bill," but we aren't sure so no credit. Nevertheless, a decent score, we say!)
- 138% Pete Hughes (Godfather to the Peninsula Sunrise club. With all those gals among the "early bird club" members, no wonder he goes to Rotary twice on Tuesdays! Attended 72 meetings in 52 weeks!)
- 115% Dennis Durkin (Next year's prexy not so sure of himself that he can't use a few more ideas from other clubs. Hold it! Dennis "not sure of himself?" Perish the thought! Anyway, 60 in 52 weeks!)
- 113% Bob Rutherford (Our newest "has been." Even while piloting our club in 1988-89, he found time to make 59 meetings in 52 weeks!)
- 110% Steve Mikulic (Secretary's gotta be here each week, but he still finds time for a few excursions elsewhere--57 meetings in 52 weeks!)
- 108% Sid Berlin (Record shows 56 meetings in 52 weeks! Sid will squeal that he attended even more-- but he didn't report them, and your statistician is no psychic.)
- 108% Alan Bostwick (Attended 56 meetings in 52 weeks!)
- 108% Sam Dafnis (Attended 56 meetings in 52 weeks!)
- 108% Norm MacLeod (Attended 56 meetings in 52 weeks!)

SUPER ATTENDERS (Continued)

106% Bob Durkin (Attended 55 meetings in 52 weeks!)  
 106% Beth Fishback (Attended 55 meetings in 52 weeks!)  
 104% Don Helbush (Attended 54 meetings in 52 weeks!)  
 103% Orley Anderson (New member. Attended 35 meetings in 43 weeks!)  
 102% Bob Dooley (Attended 53 meetings in 52 weeks!)  
 102% Ron Koster (Attended 53 meetings in 52 weeks!)  
 102% Lem Summey (Attended 53 meetings in 52 weeks!)

100% George Chaffey	100% Lloyd Lewis	100% Paul Young

ELDER STATESMEN -- EXCUSED!

These fellows can be considered 100%ers, for they have met their R. I. attendance requirements; excused! In addition to two members who have been excused by the Board for protracted illness, the following are Senior Active members over 65 years of age who, at their request, have gone on the excused list. But look around: some will be here every week!

Lyle Edson	Orv Graves	Walt Koslosky	Chuck Long*	Dave Schutz
Bill Enomoto	Jim Greenwell	Mike Kreiss**	Del Mitchell	Stan Silverstein***
Warren Fox***	Paul Keckley	Art Law	Fran Pearson	

\*Has resigned since June 30 in order to attend Millbrae club closer to home.

\*\* You would never know Mike was on the excused list!

\*\*\* Excused by Board because of protracted illness.

-- AND NOW THOSE WHO DID NOT ACHIEVE THE IDEAL OF 90%

Are you in this category? Your name will not be revealed to the general membership, for it is not our desire to embarrass anyone-- but The Shadow knows!! President Bob

has vowed that Redwood City Rotary will have a 90-per-cent-plus attendance record during 1989-90. You can do your part by making a conscientious effort to boost your attendance in 1989-90 to a new high. Some of you are close to 90% already, so it won't take much doing. Others can at least raise the old figure-- or maybe even go for broke! If you do, we can guarantee you won't regret it. (After all, what is there to regret?) READY! SET!! GO!!!

Have we erred in your attendance accounting? If so, just let us know which meeting(s) you attended or made up. Write it on a slip of paper and hand it to Alan Bostwick; he will see that you get credit. Since you subscribe to "The Four-Way Test," your word is good.

For the future: We will try to be accurate, but it's a tough job. Be sure that you check the attendance sheet when you attend our Redwood City meetings. And when you are absent, be sure your make up cards get to Alan-- dated and with your name thereon! We do get some doozies: no date, no name, no nothing!

Respectfully submitted,

-- AND NOW THOSE WHO DID NOT ACHIEVE THE IDEAL OF 90%

Are you in this category? Your name will not be revealed to the general membership, for it is not our desire to embarrass anyone-- but The Shadow knows!! President Bob

has vowed that Redwood City Rotary will have a 90-per-cent-plus attendance record during 1989-90. You can do your part by making a conscientious effort to boost your attendance in 1989-90 to a new high. Some of you are close to 90% already, so it won't take much doing. Others can at least raise the old figure-- or maybe even go for broke! If you do, we can guarantee you won't regret it. (After all, what is there to regret?) READY! SET!! GO!!!

Have we erred in your attendance accounting? If so, just let us know which meeting(s) you attended or made up. Write it on a slip of paper and hand it to Alan Bostwick; he will see that you get credit. Since you subscribe to "The Four-Way Test," your word is good.

For the future: We will try to be accurate, but it's a tough job. Be sure that you check the attendance sheet when you attend our Redwood City meetings. And when you are absent, be sure your make up cards get to Alan-- dated and with your name thereon! We do get some doozies: no date, no name, no nothing!

Respectfully submitted,

*Alan*
