PENINSULA COVENANT CHURCH

TODAY: January Program Chairman PETE HODGSON says we'll be hearing from JANE LEIBY on "Personnel Impressions".

The finemaster schedule says ERNIE GLENN and though he visited us at our last meeting, there's no way he can be our FM today. So beware, the real one may be sitting next to you.

LAST WEEK: With Pres BOB at the podium, PDG SID had us all join hands for a chorus of "Auld Lang Syne". ALAN BOSTWICK led the pledge and GUY THOMPSON gave a thoughtful invocation.

Finemaster MERLE FRUEHLING reminded all of the true meaning of the season - a time for sharing and giving and after sharing on presents received and other good things, everyone wound up giving. Good show.

And thinking of sharing and giving, the Xmas party for seniors on the Friday before Christmas was a big success and according to Past Pres. BOB on Christmas morn some 70 dinners were delivered to shut-ins. BOB said that 24 people took part, 14 of whom were R.C. Rotarians. Once again, a big thanks to Sunrise Rotarian DAVE HYMAN for all the help he offered through his catering facilities.

To help everyone relax after the usually busy schedules of Christmas Day, Pres. BOB turning a Club Assembly into a session of dead and dying jokes from the likes of BULANTI, CONKLIN, BERLIN, YOUNG, HACK, BOSTWICK, THOMPSON and STIFF - aagh!

NEWS AND NOTES: There will be a Rotary Information Seminar on Saturday, January 20th at the Presidio from 8:30 a.m. to 2:00 p.m. This is something all new Rotarians should definitely plan to attend.

NEXT WEEK: According to Prog. Chm. HODGSON, the January 9 date was still open but looks like it might well be an "ice breakers" session. And that would be just fine 'cause they're always among the best (programs).

The schedule says your finemaster will be DR. ALAN GRUMAN and he does it so nicely that you won't even feel it.

ROTARILY: Vocational Service's role in our Club. Vocational service has acquired renewed importance as an Avenue of Service over the past two years. Now more than ever, Vocational Service is a responsibility of our club as a whole. This is a change from the focus in the past, which emphasized the personal contributions we make in our vocations and in the workplaces. This change means that as a club we must work to develop service projects that promote high ethical standards in the workplace, that assist the vocational needs of people -- young and old -- in our community, and employ the vocational talents of all our club members.

OBSERVE WORLD UNDERSTANDING MONTH: It's not too early to start thinking about February, World Understanding Month. Now that many of the repressive political structures of Eastern Europe seem to be on courses charted toward democracy we must hope that the old prejudices of thenic rivalry will give in to true cooperation and understanding.

The majority must not trample the rights of minorities. Rotary has a great opportunity to lead by its example of friendship among nations, races, and religions.

Rotary offers many ways to cut through the often artificial barriers that separate people. Such programs as Group Study Exchange, Youth Exchange, and Friendship Exchange bring together people from different cultures and help them to see how minor their their differences really are. The Rotary Foundation Scholarship program, in which students study a country other than their own, also facilitates this kind of cross-cultural understanding.

International Service projects play an important role in Rotary's work for world understanding. Destitute people have little energy or inclination to seek peace. By improving the standard of living in developing nations, in urban slums, and in depressed rural areas, Rotary clubs help to create an environment that will inspire all people to work for the preservation of the planet.

JANUARY 9, 1990

PENINSULA COVENANT CHURCH

TODAY: "Icebreakers" or getting to know you - Another of those occasions we all look forward to and enjoy so much.

Usually he makes you sing but today the music master, DR. ALLEN GRUMAN, turns finemaster and that will most likely make you squeal.

LAST WEEK: With Pres. BOB leading us into the '90s, ALLEN G. led the song, Pres-Elect DENNIS led the pledge and TERRY KELLEY followed with the invocation.

Finemaster Chairman BILL JENNINGS took a turn at the weekly fundraising by putting the finger on some of those who seem to be escaping this facet of the club's fundraising routine.

Program Chairman PETE HODGSON introduced Color and Dress Consultant JANE LEIBY who gave a lesson on what's involved in making favorable first impressions and personal impressions.

We trust you all now know how to pick your ties and suits and shirts and whatever else you may want to hang around that old clothes horse, and perhaps like that GRUMAN chap, avoid being embarrassed by the shoes you wear. Oh well, win some, lose some.

OTHER VARIA: Some notes on fundraising. According to ALLEN G. the Polio Plus campaign raised over \$200 million and still in work are inoculation and vaccination programs in third world countries throughout the world. Just think of the misery and agony you are helping to avoid - it's just got to make you feel good and proud to be a Rotarian.

A thanks from SA Commander ABE BASSETT who reports that R.C. Rotary's two day bell ringing at the Jefferson Post Office netted some \$949. Good job.

Some credits not previously mentioned regarding the Xmas dinner - in addition to all the individual contributions and the big assist from DAVE HYMAN's Encore Catering - there was also a helping hand from Long's Drug and Orchard Supply. Isn't that good to hear!

Pres. BOB and your Board of Directors are reminding everyone of the Rotary attendance requirements which we are all obliged to meet. Remember, four consecutive absences without make up can lead to termination under R.I. regulations. And while making up is necessary, it's also a requirement that any member attend at least 30% of his own club's meetings.

But good attendance is not just a requirement - it's a necessity for the effective functioning of any Rotary Club. And it is, after all, an obligation which each of us has pledged to undertake.

November attendance, by the way, jumped to over 92% according to ALAN BOSTWICK, and that's a big improvement. Keep it up.

The Jazz Festival, we hear, netted the club almost \$600 - not much compared to some like Burlingame who netted in the five digits. We started late and next time - this year we're now into - with an early start and real effort we too can hope to earn a share in the meaningful thousands.

BOB BOLAND says that March 6 has been set as a Career Day at Sequoia High School, so mark your calendars and get ready.

Another reminder to new members especially. A Rotary Information Seminar will be held from 8:30 a.m. to 2:00 p.m. on Saturday, January 20th at the Presidio Officers Club. There will be car pooling so make your plans and sign up.

NEXT WEEK: On the 16th PETE HODGSON says we will be hearing from JOSEPH JEDD on the subject of Poland. Should be interesting.

Your finemaster that day will be DON HACK. Hard to top that.

EIGHTH PEACE FORUM: The eighth Rotary Peace Forum, "Building Peace in Our Community" will be held in Loughborough, England on 18-19 April, 1990.

It will focus on solving community conflict as a prerequisite to world peace, specifically examining how attitudes in the family, the media, and the educational system can affect the process.

Participants will address the world's rising incidence of urban violence with an eye toward what can be done to increase social responsibility, particularly that of young people.

PENINSULA COVENANT CHURCH

* * * * *

My oh my, those fabulous Forty Niners! We seem to recall MIKE RYAN commenting a while back that as a part of his Sports Ministry he served as chaplain for the then visiting Vikings. And then last week while giving his icebreaker he noted that he would be performing in similar fashion for the L.A. Rams. Fantastic! Does Eddie De know about this? It might mean tickets and transportation to New Orleans if only MIKE could this time bless the Broncos.

* * * * *

TODAY: Program Chairman PETE HODGSON says our speaker will be JOSEPH JEDD speaking on the timely subject of Poland.

DON HACK is scheduled to be your finemaster and you can't top it better than that - even if things do look a bit black.

LAST WEEK: With Pres. BOB taking care of the formalities and introductions, songmaster ALLEN G. led the chorus, DR. ROBERT D. led the pledge and Prexy-Elect DENNIS D. gave the invocation.

And back up front came that same DR. GRUMAN, this time to do the fining. And true to form it was once again with music - well, sort of. A "name that tune" game for members who could recognize their spouse's names amid ALLEN's merry notes. Pretty clever we guess you'd have to say.

The day's program was another of those ever enjoyable "icebreaker" sessions featuring new members CHRIS BART, BOB MEYER, MIKE RYAN and DR. NORM FENTON.

As always, a wonderfully interesting myriad of bits and pieces about the lives and experiences of a great bunch of new R.C. Rotarians. Your editor took copious notes but in between, a bout with the flu mandated an abbreviation to this sparse note. Real interesting folks though. So, if you missed it be sure to join them at lunch and get it up front and personal.

A FEW NOTES: A last reminder of the Awareness Forum for new Rotarians coming up this Saturday, the 20th at the Officers' Club at the Presidio. Transportation will be pooled. Call Pres. BOB right away if you haven't already.

Tomorrow night R.C. Rotary hosts the regular Peninsula Rotary Council meeting at the Hotel Soffitel - for those of you who've indicated you plan to attend.

Then on Thursday evening, the 18th, it's the Canada College Jazz Band in Concert at the College's Main Theatre from 8:00 to 10:00 p.m. It's the 40's and 50's modern jazz and latin and you'll be surprised at who you'll recognize in the band. A \$5 donation is suggested and it's sponsored by and for the benefit of the Canada Roteract Club. So why not get some friends together for a fun evening - their poster even says "Refreshments and Dancing". What better?

NEXT WEEK: PETE HODGSON says we'll be hearing from BURCH BACHTOLD, District 4 Director of Cal Trans on the effect of the Quake of '89 on the Bay Bridge, Cypress structure and Highway 17.

Your finemaster, and one who can easily see over the podium, ROLAND HAGA.

DISTRICT DOINGS: Each year about this time the five most recent active Past District Governors of our 515 convene to propose a District Governor Nominee-Nominee (DGNN) to take office for the second ensuing Rotary year (in this case 1991-1992). Last Saturday PDG's Bob Rockwell, Cliff McGarr, Sid Berlin, Aldo Simonetti and Bob Kane met to designate such DGNN. The Rotary Club of Redwood City had some input into this selection process having nominated past Pres. BOB RUTHERFORD for the job.

The committee duly deliberated over the qualifications of the three candidates for District 515 DGNN. The bad news is BOB did not receive the nod. DALE LORING of Mill Valleu will be our DGNN. The good news is BOB will be District Secretary over this next year and a strong candidate for 92-93.

PENINSULA COVENANT CHURCH

TODAY: Our speaker is BURCH BACHTOLD, District 4 Director of Cal Trans who will be talking about the effect of the Quake of '89 on the Bay Bridge, the Cypress structure and Highway 17.

Your finemaster will be ROLAND HAGA who will engineer you out of money and no doubt he'll try to be civil about it.

LAST WEEK: Pres. BOB called on Songmaster Gruman who this time tested our cords on that alternate anthem "Oh Beautiful for". Much more attainable than the "rockets red glare". PAUL YOUNG led the pledge (and isn't it nice to hear that voice back) and MERLE FRUEHLING gave a thoughtful invocation.

Guests galore there were to be introduced by Pres. BOB et al. - not only the locals but from New Hampshire to Australia as well.

ROLAND HAGA asked for volunteers to fill out a work crew on Saturday, the 27th, to complete the construction of an entrance for the handicapped at the Vocational Training Institute in Soquel. Time for some new faces on these important tasks. How about you?

Pres. BOB quoted from a nice letter from (Assemblyman) BYRON SHER complimenting our club on its Adopt-A-School Program with Hawes School. A good time to remind all of you that DAVE LOBREE needs help in this area so how about your asking him what it is that you can do.

DON HACK took care of the fining in fine order and how could he avoid tagging JERRY MERTENS who was ready to leave the next day (with his six tickets!) for New Orleans. Congratulations to JERRY, by the way, on his being the new President of the S.F. Chapter of the NFL Alumni Association.

Program Chairman PETE HODGSON introduced our speaker, DR. JOSEPH JEDD, for 24 years the Bursar at Stanford. A native of Poland, DR. JEDD gave an interesting and detailed accounting of that nation's turbulent history - and great suffering over the ages - a tragedy that saw it enduring the greatest per capita loss of life in World War II, culminating with Stalin's ordered execution of 25,000 Polish officers, mostly reserves and the cream of Poland's professional and intellectual elite.

And according to DR. JEDD, the prospects today remain grim and forbidding unless some current version of the Marshall Plan can come about to rescue their recovery from the communist collapse.

As an interesting, postscript it might be noted that once again after all these years there is a Rotary Club in Warsaw - now boasting all of 25 members. There was a nice feature article about it in the Wall Street Journal issue of January 10.

AND BEYOND: Jot it down. The Rotary Club of Belmont has a new permanent meeting place. They now meet on Mondays at 12:15 p.m. at Ralston Hall at the College of Notre Dame at 1500 Ralston Avenue.

And speaking of other clubs, the Rotary Club of San Francisco West is holding a giant "White Elephant Sale" on Saturday and Sunday, March 3rd and 4th from 9:30 a.m. to 4:30 p.m. at the Rec. Center for the Handicapped at 207 Skyline Blvd., San Francisco - all for the benefit of that Center. Quite an event with big, big prizes including two roundtrip tickets to Hong Kong and two roundtrip tickets to London.

NEXT WEEK: Program Chairman PETE says we'll finish up January by hearing from MIKE SADEK of the S.F. Giants and that ought to be interesting.

Club Treasurer DICK HATCH will be your finemaster and you know he knows what's needed, Bank on it!

NEXT MONTH: Our Program Chairman will be PDG SID BERLIN so start marking that calendar of yours. Every Tuesday should be a must as SID says we'll be hearing from such personages as the Counsel General of Israel and then the Counsel General of Germany - and so the month will go. A good time to bring guests by the way, so why not?

PORTLAND: Pres. Elect DENNIS DURKIN is gathering Rotarians to join him at the International Convention in Portland, Oregon this June 23 through 28. He has applications for all. We're trying to get group housing and must send registration prior to February 1st. All interested see Dennis!

JANUARY 30, 1990

PENINSULA COVENANT CHURCH

TODAY: Spring is coming - still around the corner but it's coming. How do we know? That baseball thermometer, of course. And how do you tell who's got the fever? Just listen to today's speaker, MIKE SADEK of the San Francisco Giants, that's how. And let's hope there is a season he can talk about.

Thanks again to January Program Chairman PETE HODGSON for another month of fine programs.

Today's finemaster is expected to be Club Treasurer DICK HATCH and that should be a good fit. And by the way, did you know that DICK is no longer associated with the Bay Area Bank. His card now shows him as a Business Consultant with DHOW Enterprises in Alameda.

LAST WEEK: With Pres. BOB at the helm it was once again songmaster GRUMAN persecuting the chorus with another "we can do it" rendition of the Star Spangled Banner. Looks like we'll be ready to play ball before spring training even gets here.

Pres. BOB took care of the pledge himself and thanks to DON HACK for the invocation.

LINDA (didn't get her last name) announced the coming of "Daffodil Days", a special fund raising event for the American Cancer Society taking place on March 19th - but with orders for bouquets to be received no later than March 1st. A deserving cause deserving support. BILL REINHARD is a part of the team so contact him for details on how you or your business/corporation can participate.

Last week's finemaster was ROLAND HAGA who did a fine job including recognition - at a price - in the form of a fine

wine for club presidents past, present and future.

Our speaker was Cal Trans Supervising Engineer JERRY HAUKE who, with the aid of an extensive set of slides, gave a most interesting and detailed accounting of what happened to the Bay Area's bridges, overpasses and highways in the great quake of '89. While not presented nor intended as a horn tooting affair, JERRY's presentation certainly showed Cal Trans at its best in responding to the monumental problems created by that big bang. In retrospect, the things that were done (by Cal Trans) in the days that followed the great quake were pretty incredible.

AND BEYOND: With time running short, everyone is reminded once again of the upcoming R.I. Convention in Portland, June 23 through 28. This is one of those rare opportunities to attend one of these great affairs when the cost of transit, housing and time is well within reach. We can't recall anyone who's ever been anything but tremendously enthusiastic about attending one of these grand events. Don't miss this chance. DENNIS DURKIN and BILL CONKLIN are the ones to contact for info and arrangements.

NEXT WEEK: PDG SIDE BERLIN is Program Chairman for February and that means its a time to be here for sure. Lots of interesting and super programs on tap and coming up. This next week, for example, you'll be hearing from the Counsel General of Israel.

N.B.: Sure, your editor cringes when often you barely scan the SPOKE on your table - c'est la querre. But how about folding and tucking one in your coat pocket to take home to your spouse. Doesn't she or he deserve to know a bit of what's going on? Rotary is or should be, after all, a significant thing in your life - and that should make it of interest to that important someone else.

DISTRICT 515

FEBRUARY 6, 1990

PENINSULA COVENANT CHURCH

TODAY: PDG SID BERLIN has arranged an outstanding series of programs for this World Peace and Understanding month of February.

To initiate that series we are most pleased to have with us today the Hon. HARRY KNEY-TAL, Consul General of Israel for the Pacific Northwest Region. Mr. KNEY-TAL has enjoyed a distinguished career in the Foreign Service after first joining it as a Soviet analyst in 1974. His background and experiences make him particularly well-qualified to discuss the changes in Eastern Europe and their possible effect on the Mid-East peace processes. Our finemaster today is expected to be Blood Bank Chairman DON HELBUSH so maybe that's what he'll draw.

LAST WEEK: Pres. BOB opened the meeting by calling on ALLEN GRUMAN to lead the song, Judge EDSON to lead - well, sort of - the pledge and DR. FENTON to give the invocation.

Among the guests, Hawes Principal NANCY HENDRY and her two young students of the month and PETE HUGHES and GINNY's new long term guest, RODRIGO, a foreign exchange student from Brazil.

Club Treas. DICK HATCH was our finemaster and knowing the specifics of our club's financial needs did his best to help balance the books.

PETE HODGSON wrapped up a fine month of January programs by introducing former S.F. Giants catcher MIKE SADEK, with a quick wit and lots of humor to go with it. MIKE reviewed the history of the Giants under Lurie and their path of success starting with the hiring of Al Rosen and in turn his hiring of Roger Craig - all as they went from a loss of 100 games in '85 to the World Series in '89. An entertaining show, indeed.

NEWS AND NOTES: Be sure to give a pat on the back and thanks to ROLAND HAGA, RON KOSTER, and NORM MACLEOD who finished

up the job of preparing the new quarters for the Vocational Training Institute in Soquel, this time by rebuilding the porch and pouring the slab for the new handicapped lift. Thanks too to HENRY HOGE of the South City Club who joined in on the effort.

BILL REINHARD is heading up a membership drive that starts today and will continue for three months - or through April. A list of teams has been published - get it if you haven't already received one - and get ready to go to work.

Pres.-Elect DENNIS is coordinating attendance at the Portland R.I. Convention coming up in June. Please let him know right away if you've sent in an application already and/or made any arrangements for accommodations up there. Forms and info can be had from any of DENNIS, DGN BILL or Pres. BOB.

And speaking of conventions, our new District 515 will be holding its first convention May 17-20 at the Concord Hilton. You should definitely make plans to attend all or any part of this great event so mark your calendar right now!

Hawes Principal NANCY HENDRY is asking for sign ups on three programs: Sharing your talents and hobbies with a Hawes classroom; Job Shadowing - having a Hawes 4th or 5th grader shadow a day or half a day at your office or place of business; and last but not least, another Day of the Reader on April 25th at Hawes School - a repeat of last years very successful event. All these programs mean so much to the students and staff at Hawes so please make the time and take the time to help. See DAVE LOBREE if you need more info.

A week ago last Friday evening BILL CONKLIN finally hosted a dinner "sold" at last year's auction. And what a grand party it was with the likes of SID BERLIN and ROY FRANK in tuxes doing the waiting with PEGGY and MARSHA joining CLAUDIA and the cooking team and with CHARLIE BULANTI at the piano for background music. My oh my, what a nice way to raise more than \$3,000 for the Foundation.

And also for the Foundation a check for \$1,000 from the Super Bowl Pool. Winners who could credit a sustaining P.H. membership included CONKLIN, DODGE, DANIELLE PARCELL and RUTHERFORD.

NEXT WEEK AND BEYOND: Our speaker will be WILLIAM BUSSE, Chairman of Soviet Affairs, Beyond War, whose subject will be "Rotary's Role and Responsibility in Achieving World Peace". On February 20 the speaker will be the Consul General from Columbia and that should be real interesting. On February 27th our speaker will be the Consul General of West Germany and March 6th the Consul General of El Salvador. A fine series for bringing guests.

Next week's finemaster should be PETE HODGSON. One more way to get nailed.

DISTRICT 515

FEBRUARY 13, 1990

PENINSULA COVENANT CHURCH

TODAY: February Program Chairman PDG SID has just returned from Nigeria where he has been planning "Eye Camp II" (kind of like a Rotary Superbowl). We will continue to enjoy the fine array of programs he has arranged for this Rotary World Peace and Understanding month. Today, we're pleased to have with us MR. WILLIAM BUSSE, Chairman of Soviet Affairs, Beyond War, whose timely topic is "Rotary's role and responsibility in achieving world peace".

Your finemaster is PETE HODGSON. So, as we've said, you might just get nailed.

LAST WEEK: With Pres. BOB leading the introductions and the pledge, songmaster ALLEN G. led the chorus with the invocation aptly given by MIKE RYAN. And have you noted that MIKE's nickname is "Rhino", a carryover from his days as a lineman at USC. Msgr. PETE and the Reverend BOB will find it hard to match that.

DON HELBUSH took care of the fining like he takes care of the Blood Drives - trying to get as many as possible - but at least you know it's for a good cause.

On behalf of PDG SID, BETH introduced our speaker, HARRY KNEY-TAL, Consul General of Israel. Calling on his formal training and initial foreign service as to Soviet analyst, MR. KNEY-TAL gave his views and analysis of the collapse of communism in Eastern Europe and Russia. He then went on to discuss the situation in the Middle East where an opposite momentum is continuing, i.e., arming versus disarming and notes that the disarming among the major powers will now make the flow of weapons to the Mid-East even cheaper and more plentiful.

Not an encouraging picture from the tone of MR. KNEY-TAL's remarks but not without hope either. In the long run the availability of water may be more important than the availability of weapons.

NEWS, NOTES AND VARIA: Did you read - according to the Times Tribune, Pres. BOB has announced that he will be stepping down as President of Canada College this June, to enter into a life of retirement, of travel and perhaps some teaching. Congratulations are in order, we guess, but he'll be sorely missed at the College.

And continuing with some personal notes, everyone was delighted to hear that PETE HUGHES and GINNY have decided to tie the knot. Congratulations to both.

After a fine showing in December in attendance - we were in the District's top five, you've all followed on with another fine showing in January. According to DR. BOSTWICK, attendance was 89.6%. Now let's work it back into the nineties in the 90's.

DGN BILL reminds everyone of the upcoming District Assembly to be held at Canada College on Saturday, April 7th. And when it's that close you've just no excuse for not attending - especially all you directors, officers, committee chairs and new members. So all of you - mark your calendar right now.

Then there's the District 515 Convention at the Concord Hilton coming up May 17-20 and following that The R.I. Convention is in Portland June 24-27. DGN BILL says that R.I. has hold of all the hotel rooms for this big event so if you seek accommodations you can do it through Rotary. Again, see Pres. Elect DENNIS, DGN BILL or Pres. BOB about arrangements - but you must act now!

Have you gotten your Club Membership Drive Team assignments and classification lists? If not, get ahold of BILL REINHARD but most of all, get going in the search for worthy new Rotarians. Each of you has a specific obligation so don't look the other way.

Don't forget Hawes School's plea for your help in three areas: signing up for the "Day of the Reader" from 9:00 to 10:00 a.m. on April 25th (you'll enjoy it!); indicating your willingness to have a 4th or 5th grader "Shadow your Day" (or Half Day) whenever you can and, finally, sharing your talents or hobbies with a Hawes classroom. See DAVE LOBREE for details or questions.

TAKE NOTE: DICK HATCH says there will be an auction again this year - the date has been set for Saturday evening, April 28th, so better get moving. We will also be participating in the Jazz Festival - but with an early start this time and hopefully thereby much more success.

NEXT WEEK: Our speaker will be HUMBERT ARIZA, Consul General of Columbia who will be speaking on "The Hope for Peace in South America". And then on February 27th and March 6th we'll be hearing respectively from the Consuls General of West German and El Salvador, Again, a marvelous series of programs for bringing guests.

Pres. Elect DENNIS DURKIN has just returned from the President Elect Training Seminar that's PE DENNIS gets PETS, in appropriate Rotary acronym. We ALL need to turn out for the District Assembly April 7 in support of DENNIS.

FEBRUARY 20, 1990

PENINSULA COVENANT CHURCH

TODAY: In recognition of February being Rotary's World Peace and Understanding Month we are pleased to present another of our distinguished guest speakers representing different areas of world concern. Today we are honored to have with us WALTER JOSEF KONIG, Consul General of the Federal Republic of Germany. After obtaining his Bachelor's and Master's degrees in foreign Service and Economics from Georgetown and George Washington Universities, MR. KONIG has served in diplomatic posts in Australia, Rhodesia, the Netherlands, Bonn, Poland and Zaire where he served as Ambassador before coming to San Francisco in 1986.

Today is also Past Presidents' Day - an occasion for recognizing those many who have given much to R.C. Rotary.

Finemaster Chairman BILL JENNINGS says there will be a finemaster today albeit since he's lost his list you'll just have to wait to see just who it might be.

LAST WEEK: With Pres. BOB trying to keep things in order (the noise level as guests are being introduced is downright discourteous and the offenders should be doubly fined) - songmaster DR. GRUMAN led the chorus in a Valentine's tribute, BILL REINHARD led the pledge and RON KINSMAN gave a thoughtful invocation.

Finemaster PETE HODGSON got rid of a closet full of his and her left shoes. Let's hope he'll soon be able to buy some new ones.

Just back from Nigeria where he was hard at work arranging for "Eye Camp II", PDG SID stepped up to introduce the day's speaker, Palo Alto Rotarian WILLIAM BUSSE. A former architect who took leave of his profession to devote full time to the affairs of the "Beyond War" movement, BILL BUSSE is chairman of Soviet Affairs for that organization. Based on

his many visits to the Soviet Union and his many ongoing contacts with Soviet intellectuals - with some of whom he has co-authored a book on Russia - MR. BUSSE gave his views and analysis of the events now transpiring in that nation and Eastern Europe.

BILL concluded his remarks with a commentary on what Rotary is doing and can do to contribute to the peace process in these and other troubled areas.

NEWS AND NOTES: Vocational Committee Chairman BOB BOLAND notes that the "Career Day" session at Sequoia High School has once again been rescheduled and is now set for May 8. Please note your calendars accordingly.

As earlier noted, PDG SID has just returned from Nigeria with encouraging words about progress towards "Eye Camp II" scheduled for the two week period October 12-28. Given the success of the last venture, the Nigerian government is now enthusiastically supportive of our program and many of the problems previously encountered (e.g., customs difficulties, etc.) should now be eliminated. Be sure to let SID know you're ready to help in any way you can. And thank him for all he's doing.

Reminders, Reminders: The Club Auction is now set for April 28th, with a new format according to Pres. BOB. DICK HATCH is leading the charge - be prepared to pull your oar.

The District Assembly at Canada College is set for April 7th. Make sure you're set for it.

The District Convention comes off at the Concord Hilton May 17-20, and

The R.I. Convention in Portland takes place June 24-27.

Unless you plan ahead, you'll miss these great experiences - and they are just that. How do you know? You won't until you find out for yourself. Ask those who have - then get busy with your own arrangements.

The Club Membership Drive - you haven't forgotten?

And the Hawes School sign-ups - please don't forget. Give yourself a pep talk and then get that deep satisfaction of doing and having enjoyed every minute of it.

NEXT WEEK: We expect to be hearing from HUMBERT ARIZA, Consul General of Columbia on "The Hope for Peace in South America". A first hand commentary you won't want to miss. And bring a guest.

If the schedule holds, your finemaster will be PETE HUGHES. Need we say more?

FEBRUARY 27, 1990

PENINSULA COVENANT CHURCH

TODAY: February Program Chairman PDG SID BERLIN advises that the Consul General of Columbia who had been scheduled to speak to our club today found it necessary to cancel that appearance.

In his stead, however, we are most fortunate to have as our speaker today, the REV. CHARLES J. BEIRNE, S.J., academic vice president at Santa Clara University. An expert on Latin American History, FR. BEIRNE has just been appointed to a similar post at the Universidad Centroamericana (UCA) in San Salvador where he will assume his new duties this summer. Among the six Jesuits slain in El Salvador last November 16 were the then President of UCA and the academic vice president who FR. BEIRNE will replace. A personal friend of the slain Jesuits at UCA, FR. BEIRNE will shortly be travelling to El Salvador for the sixth time. His knowledge of that troubled area should provide a most interesting commentary in view of next week's speaker being the Consul General of El Salvador.

Your finemaster today is none other than that retiring gent PETE HUGHES and who knows what that may lead to.

LAST WEEK: After calling on PDG SID to lead the chorus in a rousing introduction, MEL ANISMAN to lead the pledge and PETE HUGHES to give the invocation, Pres. BOB attended to the ceremonies of past presidents' day by introducing a fine bunch of flower bedecked past presidents who were able to join in on the day's festivities. In order of their service and introduction were MESSRS. SCHUTZ, KECKLY, BOSTWICK, PARCELL, ESSON, BERGLER, DURKIN, MACLEOD, BERLIN, DOOLEY, HUGHES and RUTHERFORD. And how nice it was to see the many Rotarians (now spouses all) who were able to join in the occasion.

Yes, it's no misprint, it was JOHN ESSON who fortuitously dropped by on a visit from his present home in Morrison, Colorado.

The day's finemaster turned out to be BILL REINHARD and darned if he didn't seem to be really enjoying the task.

PDG SID introduced our speaker, WALTER JOSEF KONIG, Consul General of the Federal Republic of Germany.

Speaking from carefully prepared notes, MR. KONIG gave an in-depth analysis of the great changes that have been occurring in Eastern Europe and outlined in considerable detail the events that have been taking place in East and West Germany and all the myraid of steps that must take place preliminary to the proposed reunification of those two entities.

According to MR. KONIG it will take at least two years with a considerable sacrifice and cost to West Germany amounting to more than \$40 billion.

MOVING ALONG: According to Pres. BOB, or whomever, it was noted that accommodations are going to be needed to care for the GSE Team of four ladies from Sweden who will be visiting the area from April 22 to 26. Make it known if you are able to offer any help. These visitations are always an interesting and enjoyable experience.

Pres. BOB also notes that there will be a Club Assembly on March 20 to review recommendations by Board Subcommittees on fund raising and the handling of various club fees. Acknowledging that it hasn't been enforced of late, Pres. BOB did point out that it is a club policy to charge members (the luncheon price) for missed meetings not made up. Think about these things and make a note to be sure to be present March 20 so that definitive action may be considered and taken.

Blood Bank Chairman DON HELBUSH notes that while the need for donations remains on-going and critical, your club has amassed a total of 76 pints of blood credited to our account which is available to all members of the club and their immediate family to draw upon as needed.

COMING UP:

The District Assembly at Canada College - April 7
Day of the Reader, Hawes School - April 25
The Club Auction - April 28.
Career Day at Sequoia High School - May 8.
The District Convention, Concord Hilton - May 17-20.
The R.I. Convention, Portland - June 24-27.

And the membership drive - Get those names in!

NEXT WEEK: We hope to be hearing from CARLOS GONSALES, Consul General of El Salvador on the subject "Is there a chance for peace in my country?"

PAUL KECKLY, past everything from Rose Bowl hero to Mayor, will be your finemaster and believe us, he knows how.

Re: Committee Assignments 1990-91

Dear Fellow Rotarians:

This is not meant as an attempt to ease Bob Stiff out of office prematurely. The Club Assembly is scheduled for ~~March 31~~, 1990.

April 7

I recently attends the P.E.T.S. conference for incoming Presidents. We were advised to make our committee assignments so everyone would know what session they should attend at the assembly.

The assembly gears everyone up to start a new year. All Board members, officers, and committee chairs are expected to attend the assembly.

Please mark your calendars. The assembly will take place at Canada College. Travel should not be a factor in the decision to attend. In fact, I believe we are the host club of the assembly.

Let's support incoming District Governor, Bill Conklin, and the Redwood City Rotary Club this coming year. Please attend the assembly if your name is on this list. Please consider attending even if your name is not on this list.

Renew Your Rotary Commitment
Very Truly Yours,

Dennis John Durkin, President Elect

CHARTERED APRIL 22, 1946
DISTRICT 515

MARCH 6, 1990

PENINSULA COVENANT CHURCH

TODAY: February Program Chairman PDG SID winds up the excellent series of programs he arranged in celebration of Rotary International's World Peace and Understanding Month as we hear today from CARLOS GONSALES, Consul General of El Salvador.

Given the most recent events in Nicaragua, it now remains for El Salvador to find the final peace in Central America.

PAUL KECKLY is due up as finemaster but you may not get much relief from this bit of therapy.

LAST WEEK: Sans his gavel, Pres. BOB still managed to bring things to order as he called on songmaster ALLEN G. to lead the chorus and our retiring County Superintendent of Education BILL JENNINGS to give the invocation.

Once again our guests included Hawes School Principal NANCY HENDRY and her two students of the month - a good reminder of the "Day of the Reader" coming up at Hawes on April 25th. And don't forget the need for volunteers to provide a day or half day of "shadowing" for a Hawes student at your place of work - a big, big event in the development of these young people for which there just is no substitute.

Thanks to NORM MACLEOD we now have our own mike to bring to the podium each week and you could surely hear the difference.

Despite Pres. BOB's please, the introduction of guests and visiting Rotarians is still being disturbed by a new unconcionably discourteous chatterers. Come on now, shape up!

PDG SID introduced our speaker, the REV. CHARLES J. BEIRNE, academic vice president at Santa Clara University.

FR. BEIRNE, an expert on Latin American History, has just been appointed to an equivalent position at the Universidad Centroamericana (UCA) in San Salvador to replace one of the six Jesuits slain last November, a position he will assume this summer.

A principle point of FR. BEIRNE's remarks was that it is now time to recognize that the problem in El Salvador is no longer one of a threat of communism or Soviet influence to U.S. security in the hemisphere but rather the more fundamental problem of mass poverty in a country where the bulk of its income is received and controlled by relatively few.

All in all, a thoughtful and interesting analysis by a learned and dedicated teacher.

NOTES AND VARIA: Past Pres. BOB - RUTHERFORD, that is, notes that April 22nd has been set as "Earth Day" and in line with R.I.'s shifting emphasis to the environment, we should be thinking of some special ways to celebrate this event. Let him know.

BOB also notes that there will be a benefit football game for the Friends for Youth on March 17th. We failed to get the when (time) and where but BOB knows, so let him know how many tickets you want. Go or no go, the \$5.00 donation is for a most worthy cause.

Pres-Elect DENNIS has passed out listings of Committee assignments for the coming Rotary Year 1990-91 and all of you chairmen should be sure to make your calendar to attend the District Assembly scheduled for April 7 at Canada College. R.C. Rotary is the host club this year and we need as many members as possible in addition to the committee chairs to show our support for incoming District Governor, BILL CONKLIN. He deserves it!

COMING UP:

The District Assembly at Canada College - April 7
Day of the Reader, Hawes School - April 25
The Club Auction - April 28.
Career Day at Sequoia High School - May 8.
The District Convention, Concord Hilton - May 17-20.
The R.I. Convention, Portland - June 24-27.

And the membership drive - Get those names in!

N.B.: Rotary Foundation Scholarship Applications must be submitted to the sponsoring Rotary Club by March 30th. If you have a candidate in mind be sure to get with RON KOSTER right away.

NEXT WEEK: Our finemaster on the 13th will be TERRY KELLEY but there may be some deviation from that good old helpful, friendly, courteous, etc. bit so "be prepared".

MARCH 13, 1990

PENINSULA COVENANT CHURCH

TODAY: Our Program Chairman for March is DR. HERB BELL who says that today we will be hearing from DR. JAMES L. PERTSCH, M.D., a plastic surgeon who will be giving us an updating on what's taking place in the area of cosmetic surgery.

TERRY KELLEY is scheduled to be your finemaster and good scout that he is, it's you who'd best "be prepared".

LAST WEEK: Enjoying our new mike, Pres. BOB took to the podium to call on songmaster ALLEN to wake up the chorus with a raising version of "This Land is Your Land" (and we still own a little of it anyway - but just a little). LEM SUMMEY led the pledge with DAVE LOBREE following with the invocation.

PAUL KECKLEY (note the "E" before the "Y") was our finemaster and if you escaped you must have been hiding under the table.

Pres. BOB advised that unfortunately and at the last minute our scheduled speaker, the Consul General of El Salvador had to cancel his engagement due to illness. Hopefully, we may be able to reschedule his appearance at a future date.

CARRYING ON: You should have all received by now ballots covering the election of 4 members to the Board of Directors - to be turned in to Secretary STEVE.

Pres. BOB notes that bills will now be going out to those who have missed meetings without a make-up, thus reactivating a long standing club policy - with past sins forgiven, these billings will start with meetings so missed from February 6 forward.

The Redwood Shores Club notes that they have arranged for a challenge golf tournament to take place at the California Golf Club on April 23rd. All clubs in the District have been invited to send a team of four players each. The fee

is \$145 per player (for the benefit of Rotary) and wouldn't you know, we had four eager swingers step up and volunteer right then and there.

DISTRICT ASSEMBLY - Yuppie! That's the next big Rotary event coming up on Saturday, April 7th from 7:30 a.m. to 2:30 p.m. right here in Redwood City at Pres. BOB's Canada College.

We have the honor this time of hosting this first Assembly of District 515 and, of course, we all have the obligation of supporting our own BILL CONKLIN as the new incoming District Governor.

Everything starts with free coffee and donuts at 7:30 a.m. and with the club paying for your registration you've nary an excuse for not seeing to it that we have a 100% turnout for this great event. A turnout of 3-400 is expected.

Seriously, though, let us tell you that if you've never attended one of these events you will not be disappointed. It's a really great experience so make sure you've cleared your calendar to make this one. And, oh yes, you'll get lunch and the whole thing adjourns promptly at 2:30 p.m.

COMING UP: And now we're going to continue repeating those important events and dates you need to keep reminding yourself of:

The membership drive - an ongoing thing but time is running short so be sure to follow through on those nominees you are or should be working on and then,

The District Assembly at Canada College - April 7
Day of the Reader, Hawes School - April 25
The Club Auction - April 28.
Career Day at Sequoia High School - May 8.
The District Convention, Concord Hilton - May 17-20.
The R.I. Convention, Portland - June 24-27.

NEXT WEEK: Program Chairman HERB says we will be getting an updating on her interesting GSE experiences in Sweden from MARIA RIVERA-PENA.

Finemaster for that day will be that nice guy (at another time, maybe) RON KINSMAN.

CHARTERED APRIL 22, 1946
DISTRICT 515

MARCH 20, 1990

PENINSULA COVENANT CHURCH

TODAY: We're going to be hearing from MARIA RIVERA-PENA, your club's nominee for selection to the GSE Team which visited Sweden last August. A good time to hear of MARIA's experiences as we look forward to the return visit of the four Swedish women from their GSE team who will be visiting this area from April 22 to 26.

Our finemaster this day is expected to be RON KINSMAN who will probably show you how successful involuntary financial planning can be in building a nest egg for Club Treasurer HATCH.

LAST WEEK: Pres. BOB persuaded PDG SID to lead the chorus in song leader ALLEN's absence and that always rocks the rafters. BOB led the pledge himself with MIKE RYAN following with the invocation.

Among the guests, ED NISSAN's wife DIANE and two young people from Hawes.

Good scout TERRY KELLEY didn't exactly rub sticks together but still kept the pot bubbling with fines given with and without merit.

March Program Chairman DR. HERB BELL introduced our speaker, plastic surgeon DR. JAMES L. PERTSCH, M.D. who, with the aid of some rather graphic slides gave an interesting updating and summary of the many and varied kinds of surgery being undertaken in his field. From intricate hand and bone reconstruction to the more cosmetic aspects of breast surgery and liposuction, the range of procedures was quite imposing.

COMING UP: Past Pres. BOB advises that this year's Annual Installation and Debunking dinner will once again be held at the Foster City Holiday Inn on Tuesday evening, June 19th.

PDG SID signed up a bunch of volunteers to carry the word to other clubs on the Peninsula about this year's big District

Assembly coming up at Canada College on Saturday, April 7th from 7:30 a.m. to 2:30 p.m.

For catering purposes, your planned attendance is needed to be known and, as an inspiration toward making it the big turnout it deserves to be, hear the word from PETE HUGHES that the Sunrise Club already has 23 of 28 signed up. Remember, R.C. Rotary is the host club and it's the big kick-off for our own incoming District Governor BILL CONKLIN. Your presence is expected. Got it!

N.B.: DICK HATCH notes that the date for this year's auction has now been moved up from April 28 to May 5, a Saturday evening at St. Pius. This year's theme: "An Evening at the Tropics". Time to start planning on all the items and contributions needed to make this important fundraiser a big success. And remember, it's what you do that makes it so.

A foursome of golfers is needed for the District Conference on May 17 at the Concord Hilton. Tell Pres. BOB if you're one of them.

In addition to the foregoing, don't forget the "Day of the Reader" at Hawes School on April 25 from 9:00 a.m. to 10:00 a.m.; Career Day at Sequoia High School on May 8 and, of course, the big R.I. Convention in Portland from June 24-27.

NEXT WEEK: Pres. BOB will be conducting an important Club Assembly. Be sure to be there.

DR. RON KOSTER is due up as finemaster.

ROTARILY: We're taking the liberty of quoting the following from a recent edition of the Sunrise Club's Morning Edition. See if the shoe fits.

FOUR SUPPOSITIONS

Suppose that your club's membership were limited to 20 members. Would you be included?

Suppose that after a year of Rotary club membership your re-election depended on the service you had provided during that period. Would you be re-elected?

Suppose you were asked why, in your opinion, your name should be retained on the club's membership list. Would you have a list of useful service activities to help in your defense?

Suppose that each of the members of your club did what you are currently doing. Would your club be the most active one in Rotary, or would it sink into obscurity?

MARCH 27, 1990

PENINSULA COVENANT CHURCH

TODAY: Pres. BOB will be conducting an important Club Assembly. Matters to be covered are expected to be primarily of a financial nature as the officers and Board try to cope with an \$11K plus budget shortfall.

A switch in last week's finemasters suggests that today's fundraiser will most likely be RON KINSMAN.

LAST WEEK: With Pres. BOB at the helm, PDG SID led the chorus in a rousing toast to St. Patrick's Day just past. Secretary STEVE gave the invocation with a thanks for a baseball season now to be.

Election of officers and new Board members for 1990-91 was announced as follows: Pres. Elect CHARLIE BULANTI and to the Board: STEVE MICKULIC, RON KOSTER, GREG ROOS and BILL REINHARD. Congratulations to all.

In a much deserved recognition, Pres. BOB presented a special Discovery Grant pin from Rotary International to PDG SID in recognition of his contributions and efforts in connection with the Nigerian Eye Camp project.

DR. RON KOSTER stepped up to do the fining; selling among other things '49er recipes.

February Program Chairman HERB BELL introduced two members of the all-women GSE Team from District 515 that visited Sweden last August and September: Team Leader and San Francisco Club Rotarian KAY CLARKE and R.C. Rotary's own nominee, MARIA RIVERA-PENA.

MARIA presented an interesting series of slides covering many of the team's experiences and exposures in Sweden. All in all it certainly appeared that they were given a very hospitable and generous introduction to life, business and industry in and about the greater Stockholm area. A good reminder that the return visit of the Swedish all-women

GSE Team is due in our immediate area of District 515 this coming April 22-26.

NEWS AND NOTES: A reminder once again that the club's annual auction, a "night at the tropics" is set for Saturday evening, May 5th at St. Pius. Don't lose time in getting those contributions and donations in and don't forget too that those contributions you can obtain from outside Rotary are most important.

If you get a billing for a missed meeting or meetings not made up, remember to make your check payable to the R.C. Rotary Foundation and mail them to Treas. DICK HATCH.

According to DR. BOSTWICK, February attendance was up to 90.61% and that's a good way to avoid those billings. Keep it up!

Pres. Elect DENNIS notes that our club will once again be participating in the annual R.C. Fourth of July Parade festivities by manning a booth selling hot dogs and soft drinks. Volunteers will be needed so why wait - tell DENNIS you're ready to put in your few hours.

Back to the subject of GSE Teams, the next District 515 Team is already scheduled to visit Madras India next January. We understand that our club is once again in the process of selecting a nominee/nominees.

Almost there - be sure you're ready to take part in the District Assembly on Saturday, April 7th here at Canada College from 7:30 a.m. to 2:30 p.m. This time it's not only an obligation - to support our own incoming District Governor BILL CONKLIN - but a great opportunity to participate in and enjoy one of these fine events with almost zero transit time. And be sure to confirm to Pres. BOB/Secy. STEVE that you're coming - breakfast donuts and lunch are paid for by the club.

NEXT WEEK: At last word we understand that we may be hearing from LEONARD KOPPETT, Editor Emeritus of the Times Tribune, and if you've ever been fortunate enough to hear this great columnist on prior occasions you know it's something you won't want to miss.

BASIC REVIEW - WHAT IS ROTARY? Rotary is an organization of business and professional leaders united worldwide who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world.

Dear Mr. Stiff:

I am pleased to inform you that Hiratsuka Rotary Club is planning to send two young persons this summer.

Mr. Kitsuda's Son High school 16 years old
Mr. Fukuzawa's Daughter J. High school 15 years old

We hope to have friendly relations with your club to continue the exchange students plan.

Your acceptance would be much appreciated.

Sincerely,

Unpei Shimizu

APRIL 3, 1990

PENINSULA COVENANT CHURCH

TODAY: It's always a special event whenever we are fortunate enough to have as our speaker Times Tribune Editor Emeritus LEONARD KOPPETT. We understand he'll be talking about the baseball lockout but it matters not, really, for whatever he talks about is always interesting.

Our finemaster this first week of April is MARIO RADDAVERO and if you didn't like your lunch this is not the time to talk about it.

LAST WEEK: Pres. BOB opened the meeting with his usually engaging smile and it stayed that way through all the usual prelims - like songmaster ALLEN getting us to pretend we own this land of ours, or is it theirs? Thanks to DR. BOSTWICK for the pledge and new board member BILL REINHARD for the invocation.

And something to keep the smile, a Polio Plus award to Pres. Elect DENNIS for a \$1K contribution to that campaign.

And there's more as Pres. BOB announced that your Board has determined to present Paul Harris Fellowships to our area's legislators including Congressman TOM LANTOS, State Senator BECKY MORGAN and State Assembly members TED LEMPert, BYRON SHER and JACKIE SPIER. Let's hope their actions continue to match the honor.

Finemaster RON KINSMAN did dampen some of the smiles but for those who escaped it was still all smiles.

And then, the business of the day - a very serious Club Assembly that had President BOB looking pretty serious as an open and candid discussion took place regarding the Club's financial circumstances - past, present and projected.

The problem - a budget short fall. We admit to not being clear as to whether the amount is \$7K or \$11K.

Whichever, it appears that we have been spending beyond our means because those means have not reached their targeted budget levels.

Under Pres. BOB's careful moderating, a candid and vigorous but healthy discussion ensued concerning the problem, it's causes and possible alternative solutions.

Prudently, decisions were not taken on the spot and it would seem that we may expect further review by both the Board and membership as all concerned R.C. Rotarians reflect upon this problem and seek to find an equitable and workable solution.

OTHER MATTERS: ALLEN GRUMAN notes that the all female Swedish GSE Team visiting District 515 will be in our immediate area April 22-25. Help is needed in respect to their entertainment, transportation and housing during their short stay. Given the report of our own GSE Team's visit to Stockholm this past year and the very hospitable and generous treatment they received, it certainly seems that we are duty bound to come up with something in kind. ALLEN and BOB RUTHERFORD are the ones to contact as to any help or suggestions you may have.

Hawes Principal NANCY HENDRY has expressed her appreciation for the "shadowing" help given (and hopefully to be given) by all of you to her fine young students. And, of course, another reminder as to the "Reader's Day" coming up on April 25. Remember, it's only an hour or so around 9-10 a.m. If you can pitch in be sure to get in touch with DAVE LOBREE.

This Saturday is the big District Assembly at Canada College from 7:30 a.m. to 2:30 p.m. Your presence is needed and in your best interest. Be sure to let Pres. BOB/Sec'y STEVE know that you're coming.

And if you attend the Friday evening cocktail party at BILL CONKLIN's home, Pres. BOB and STAN EASTER suggest you consider attending the JOHN RAITT Concert at Canada College that same evening around 8:00 p.m.

You've got your auction tickets - now get rid of them and turn the dollars in to Treas. DICK HATCH.

NEXT WEEK: We hope to be hearing from State Senator QUENTIN KOPP - another of those people always worth listening to.

Our finemaster that day - ABEL SANCHEZ. Who knows if they'll be still shots or what. Just be ready to smile.

APRIL 10, 1990

PENINSULA COVENANT CHURCH

TODAY: State Senator QUENTIN KOPP will be giving us an updating on what's happening or not happening in Sacramento. A man of outstanding credentials, QUENTIN is always worth listening to.

ABEL SANCHEZ will be your finemaster today and soon you'll learn who he'll focus on.

LAST WEEK: Once again Pres. BOB called on songmaster DR. GRUMAN to lead the chorus and that he did but not before the chorus was leading him. Pres. BOB then led the pledge himself with Past Pres. that other BOB giving the invocation.

With help from his intrepid interpreter, CHARLIE BULANTI, finemaster MARIO RADDAVERO stuck to his specialty and doled out tidbits of food and drink with all proceeds to the benefit of the club's needy treasury. Good show, MARIO.

Our speaker, introduced by PAUL YOUNG, was that ever perceptive Editor Emeritus of the Times Tribune, LEONARD KOPPETT talking about anything and everything anyone wanted to talk about. On topics ranging from sports pay to Lithuania MR. KOPPETT gave forth with his usual analytical objectivity, insight and brilliance. And by the way, if you don't read his columns in the Trib you're missing something good.

VARIA ET AL.: Pres BOB says that the Board and budget committee are still meeting and pondering over all the many points raised at the previous week's Club Assembly and you can expect to be hearing of some results in the weeks ahead.

Auction leader and club treasurer DICK says it is time to get those auction items in and tickets sold - and be sure to turn in those ticket receipts as you get them. Don't wait till the last minute to make an accounting.

Past Pres. BOB makes note again of the Earth Day celebration taking place this month. For his part there will be three trips taking place at the Institute on Sunday, April 22nd. Why not get a party together and join in on one of those fascinating cruises. Give him a call.

Secretary STEVE says that the membership and classification listing in the SPOKE is now being maintained through the good offices of BOB PIERCE so if you see any changes/corrections to be made give either of them (STEVE or BOB) a call.

NEXT WEEK: We'll be hearing all about Earth Day from our speaker, RALPH ROBLES. A timely and interesting subject.

Your finemaster that day is expected to be LLOYD LEWIS and that should keep the heat on.

Are you reading your ROTARIAN - lots of worthwhile and interesting articles always. And by the way, leave it around for others to read as well.

515 DISTRICT ASSEMBLY SMASHING SUCCESS: Last Saturday our own PDG SID chaired DGN BILL's District Assembly. It was probably the first such Assembly in Rotary history.

DGN BILL was introduced to tell us about the "Year Ahead". BILL announced RI President Elect PAUL COSTA's theme of "Honor Rotary With Faith and Enthusiasm". He then told of PAULO's program of Preserve Planet Earth. BILL highlighted his talk with a stirring slide presentation and concluded with a challenge to change the world through Rotary. All we need do is make club members into Rotarians. PETE ARMSTRONG was heard to remark that BILL's speech was the best keynote address in his memory as a Rotarian.

The featured speaker was MIKE PEDRICK, a past RI Director from Tulsa, Oklahoma. MIKE is one of Rotary's finest speakers and constantly in demand. MIKE stated "I don't give speeches any more, I just tell stories." He then proceeded to tell several stories about club members that for one reason or another became Rotarians. His questions was "Who needs Rotary?" By the end of MIKE's talk it was obvious we members of Rotary clubs need Rotary more than those we help. We need Rotary in order to move out of the category of member of a Rotary club into the category of ROTARIAN.

The Assembly proceeded to group break-out sessions and concluded with some entertainment by the Canada Dancers. If you missed the Assembly you missed a great day.

APRIL 17, 1990

PENINSULA COVENANT CHURCH

In the past week you voted, celebrated Easter/Passover, paid your taxes - must be feeling pretty good about yourself. Just in time to point yourself towards the Club Auction looming up this soon to come May 5th. Got it.

TODAY: In celebration of Earth Day we're going to be hearing from RALPH NOBLES on that very subject. Good timing and a matter of truly global importance.

Our finemaster today will be LLOYD LEWIS and while the weather has already tested you, you can expect that he'll also keep the heat on.

LAST WEEK: As the Assembly "Hard Hats" slowly wound their way back to PETE HODGSON, song master ALLEN G. had the chorus celebrate baseball's opening with the old peanuts and crackerjacks refrain. Pres. BOB led the pledge and PDG SID gave the invocation in the Passover tradition of breaking the unleavened bread as he told of the exodus and escape of the Jewish people from the slavery under the Pharohs of Egypt to the promised land.

ABEL SANCHEZ did such a slick job of fining that we'll have to revise the spelling of his name from ABEL to ABLE.

Introduced by his long standing acquaintance, PDG SID, our speaker was a man of notable stature - physically and politically - State Senator QUENTIN KOPP. Did you know, by the way, that QUENT was once a star basketball player at Dartmouth before getting his law degree at Harvard?

Being Chairman of the Transportation Committee it was no surprise that Senator KOPP chose to speak at length and in impressive detail about that problem here in California. In public opinion polls it has consistently been reported as the Bay Area's number one problem and concern. Yes, even ahead of crime and drugs.

In a state of 29 million people, we in California have over 24 million registered vehicles. No wonder the problem! The most likely solution in work is the gas tax increase to take effect later this year and in yearly increments after that.

According to Senator KOPP, however, the funds so raised cannot be spent, and therefore no solution, without the passage of Prop. 111 for which he strongly urges a yes vote.

An interesting and impressive discussion of a most important issue.

NEWS AND NOTES:

JAMES O. GREENWELL, M.D., 1911-1990. We will all miss the fun-loving, piano-playing, always smiling Dr. Jim. A charter member of RWC Rotary Jim was one of the men that created the foundation upon which our Club is based. He will be fondly remembered.

Congrats to SAM DAFNIS who has been elected to the Club's Board of Directors to replace DAVE BENNETT who has had to leave the Club for business reasons.

Congrats also to BILL STANGEL who received from our speaker a framed resolution from the State Legislature commending him for his years of outstanding public service in connection with Bay Area Transit and the SM County Transit District.

Another reminder from Auction Chairman DICK HATCH to get going on getting your tickets sold and auction donations in. Time is short.

BOB BOLAND notes that he could use more participants in respect to the Career Day scheduled at Sequoia H.S. on May 8. This is a great opportunity to make a real contribution in regard to Vocational Service so please do give BOB a call at 365-7710.

DR. BOSTWICK says that February and March attendance both hit an identical 91.16%. Isn't that fine - and keep it up!

Pres. Elect DENNIS notes that the City of R.C. will be holding its 2nd Annual "Trivia Bee" this year on September 7 at the American Legion Hall from 6-8:30 in the evening. We fielded a team last year - believe it included STIFF, FISHBACK and BOLAND. Now need volunteers for this year. Give DENNIS a call.

Pres. BOB has asked that we clarify the earlier word given about the Board's unanimously voting to award P.H. Fellowships to five area political figures - LANTOS, SPIER, MORGAN, LEMPERS and SHER. The point BOB wished to emphasize was that these awards did not represent any direct cost to the club but were available from earned credits resulting from the Nigerian Eye Camp project.

NEXT WEEK: We'll be hearing from the GSE Team of Swedish ladies who will be in this immediate area starting Sunday afternoon the 22nd through Thursday the 26th. They'll be staying, by the way, at the homes of those generous Rotarians PETE HUGHES, ALLEN GRUMAN and BOB RUTHERFORD. ALLEN will be escorting them around during their stay. They will be here in District 515 through the District Conference at the Concord Hilton May 18-20.

With LOBREE in London it appears we'll be having a substitute finemaster. Could be that BERGLER will be here.

CHARTERED APRIL 22, 1946
DISTRICT 515

APRIL 24, 1990

PENINSULA COVENANT CHURCH

TODAY: The Group Study Exchange Team coming from Sweden arrives in Redwood City. They are:

Karl-Ingvar Persson, Team leader, City Council Liaison with Business & Industry (Rotarian)
Ulla-Stina Persson, wife, secretary, mother of three
Kristina Osterlund, music teacher
Elisabeth Jakobsson, bank officer (corporate loans)
Gunilla Movin, research scientist (pharmaceuticals)
Maria Richardsdotter, agricultural advisor.

We will be the first club in District 515 to host the team for our meeting program.

While the team is in the Redwood City area they will make various visits, including SLAC, Ames/Moffet Field, Stanford University, Filoli Estate, Sunset Magazine, the Methusalah redwood trees, Fogarty Winery, Stanford Shopping Center, and a Discovery voyage on the Bay with Rutherford.

Our finemaster was suppose to be our resident clown DAVE LOBREE, however, he is in London to see the Queen. His ill-reputed standin is reputed to be BILL BERGLER who will change from a burglar to a robber in lifting cash from your wallets.

LAST WEEK: The meeting opened with DAVE SCHUTZ reflecting on the achievements of JIM GREENWELL our penultimate charter member. JIM died on Monday, April 11, 1990. JIM has not been active for the past several years and DAVE recognized that many of us didn't know him. He was a bright, sensitive, talented, dynamic man and obviously touched deeply those who knew him well. He was an outstanding person and dedicated Rotarian. As DAVE said "We will sorely miss him" -- and then there was one.

RALPH NOBLES is man who has gone the route from a maker of the A-bomb to a preserver of our environment. RALPH told

us about the hole in the ozone and the studies he is involved with to correct the problem. He showed us pictures taken on his recent trip to Antarctica. What a fascinating program -- we could have gone on for hours.

LLOYD LEWIS was our finemaster. BETH FISHBACK helped with a complicated formula of alphabet soup to determine who was fined and who got wined. LLOYD lost control after the first two minutes but still managed to gather enough fives to balance out the deficit.

NEXT WEEK: Program Chair BETH FISHBACK and committee person HERB BELL have indicated we will be given a short course in Traffic School as taught by Comedian MICKEY JOSEPH. MR. JOSEPH is a standup comedian of impeccable pedigree (our President Elect-Elect CHARLIE BULANTI and his wife FRAN are the natural parents of MR. JOSEPH). Sometime ago MR. JOSEPH discovered that conducting Traffic School in a humorous vein leaves the students with greater recollection of the subject matter than a serious recitation of dull law. And, after all, it is the impact of the material upon the student which counts.

JERRY MERTENS is due up as finemaster. He will go on the offense of a charge and pick up your money five yards at a time.

NEWS AND NOTES: District 515 GSE. We sent a GSE team of five women and a San Francisco Rotarian (KAY CLARKE) to the area of Sweden from which our visitors come (in and around Stockholm) last September -- one of them, MARIA RIVERA-PENA was sponsored by our club and was a recent speaker at our luncheon.

The next GSE project will be a mixed male and female team from here to India in January, 1991. Applications are now open, with selections to be made in August. If anyone knows of non-Rotarian individuals between the ages of 25-35 who might be interested in participating, please contact ALLEN GRUMAN or RON KOSTER as soon as possible. It is for six weeks, a working tour, with commitments to speak at Rotary clubs there and back home after the trip. It's a terrific opportunity for a business or professional person who shows lots of potential in their field and would be a good ambassador for the United States.

If all goes well we will firm up a GSE exchange with Western Australia (Perth and Northern Territory) for 1992.

An Evening In The Tropics ROTARY AUCTION

Food - Fun - Music

Saturday, May 5, 1990

5:30 Cocktails • 6:15 Dinner • 7:15 Auction

St. Pius Church, 1100 Woodside Rd., Redwood City

Donation: \$25.00 Per Person

Benefiting Local Charities

This is the most important ticket in town. Time is almost gone. Let's finish with a great stretch drive to bring home a fantastic winner. We are a service club and this is how we finance the service we give; it deserves the support of all 80 Redwood City Rotarians.

TODAY: Comedian MICKEY JOSEPH will show us how much more effective teaching can be when done in a humorous vein. MICKEY is the offspring of our Pres. Elect-Elect CHARLIE BULANTI; he comes by his one-liners honestly.

Our finemaster is former 49er DB JERRY MERTENS. JERRY will drop you for a loss (monetary that is) while plugging the holes in the treasury.

LAST WEEK: We had a great international program. Our District 515 visiting Group Study Exchange team from Sweden put on

a program which told us who our visitors are and showed us with slides where and how they live. The all women team includes a music teacher, banker, pharmacist, and an agricultural advisor. There was enough talent represented to become the nucleus of a new Rotary Club.

Sweden has been one of the most advanced countries in the world for decades. They have the highest literacy rate on earth and have been one of the strongest supporters of Women in Rotary outside the USA.

Our guests are dynamic, active young women with diversified interests which include sailing, skiing, golf, travel, reading and music. After providing our program the team was off to see the sights and visit the businesses which make our mid-peninsula great.

ALLEN GRUMAN led our songs, with a sensitive invocation given by ORLEY ANDERSON. (Must have been Scandinavian day.) PDG SID BERLIN went from advocate to judge and jury in passing out fines. As might be expected he did a fine job and put a smile on Treasurer DICK's face.

NEWS & NOTES: Past Pres BOB RUTHERFORD has announced a new name for the Institute. It is now the "Marine Science Institute" -- just as well, we couldn't spell ecological anyway.

DG BILL STURGEON has planned District 515's first ever Conference. He has labeled it the "District Celebration" and a true celebration it is. This is our chance to put ourselves on the back and look back on a year of accomplishment. It has been a year of learning about Rotary, its programs and its foundation. Let's join the rest of 515 in Concord and **ENJOY ROTARY.**

Come One. Come All!

MAY 8, 1990

PENINSULA COVENANT CHURCH

TODAY: We're going to be hearing from KIBBEY RUTH of the Center for Abuse Prevention who will be speaking on the problem of the abuse of the elderly.

Club Secretary STEVE MIKULIC will be at bat trying to make some hits today as finemaster.

LAST WEEK: Songmaster Dr. G tested our memories for the words to "This Land is Yours and Mine" - and we still think its now "...Theirs and Mine."

Pres. BOB then called on GREG ROOS for the pledge and ABEL SANCHEZ for the invocation.

Soon to be Pres. Elect CHARLIE BULANTI took over as finemaster for JERRY MERTENS and with MERTEN's notes struck paydirt with some Niner's memories and stats.

Another masterful subbing job was done as Captain MIKE PETERSON reviewed the principal function of the CHP - Traffic Safety - from the time of the CHP's founding in 1929 to today's gridlocked and somewhat unravelled concrete ribbons. Now staffed with some 6,000 officers and a half a billion annual budget, it was interesting to learn that none of their funding comes from fines for traffic citations (all of that goes back to the counties in which the tickets are written) but comes entirely from vehicle registration and licensing fees.

An interesting picture of the CHP's history, organization and operation.

THIS AND THAT: Also going on today is the Career Day Program at Sequoia High School being managed by Vocational Chairman BOB BOLAND and you other club member volunteers helping out there.

According to Pres. BOB, the Hawes School Day of the Reader was another big success this year and if we heard right, even had the participation of the visiting Swedish GSE Team.

And now it's on to the District 515 Conference - this year called a "District Celebration" by DG BILL STURGEON - across

the Bay and hills to the Concord Hilton - May 17-20. And it sounds like it really is going to be a grand celebration so why not join in the fun. You'll surely not regret it. See Pres. BOB or Past Pres. BOB.

And then, of course, along comes the R.I. Convention in Portland - June 24-27. Be a long time before you'll have another chance to enjoy one of these fantastic experiences without having to travel to distant lands. And there's still time to make arrangements if you act promptly. Come on now. Why not make it one of those once in a lifetime opportunities.

This Thursday, May 10, is the next meeting for your Program Committee members. Call BETH at 365-6292 if you need any info.

Then on this Friday, May 11, the San Carlos Rotary will be switching its meeting place to the Holiday Inn in Belmont - just across the freeway on the way to Redwood Shores.

NEXT WEEK: We'll be hearing from WALTER SINGER on the Rotary AIDS Project.

Your finemaster that day is expected to be DR. PAUL YOUNG and that should keep you on your toes.

ROTARY AUCTION: Chairman DICK HATCH has deemed the Auction last Saturday a moderate success. It did not raise as much as in previous years, however, the turnout was greater than expected and the results acceptable. All this points out the need of the Rotary Club of Redwood City to have total involvement in our annual fundraising event.

DICK and his committee put in uncounted hours to make the evening a success. A success it was in terms of fellowship, food, wine and entertainment. It could have been better, however, if the bidding had gone higher.

Somehow the bidding groups of the past failed to come together so items that previously brought thousands this year brought hundreds. Next year will be better if we start right now to think, plan and implement our most successful event.

ROTARILY: A timely suggestion

FRIENDSHIP EXCHANGE
GOING ABROAD ON YOUR VACATION???

Consider a Friendship Exchange home visit for a day or two with a Rotarian Family abroad. Its a great way to get to know a country and its culture - not available to the average tourist - and yet another way to foster Rotary's goal of promoting world peace and understanding.

For more information on how the program works call Wally Chipman, District 515 Friendship Exchange Chairman, 479-5473

Dear Mr. Stiff,

Thank you very much for accepting our two students for this summer as Exchange student.

As I fax you before, two students are boy and girl. Boy is Mitsuhiro Kitsuda 16 years old and girl is Sonomi Fukuzawa 15 years old.

Their summer vacation will start from July 20th and runs through the end of August. Tentative dates would be July 23rd through August 17th.

If this is not convenient for you, please let me know.

Sincerely you,

Hiratsuka Rotary Club

MAY 15, 1990

PENINSULA COVENANT CHURCH

TODAY: We expect to be hearing from WALTER SINGER on the Rotary AIDS project.

DR. PAUL YOUNG, today's finemaster, will try to keep you on your feet.

LAST WEEK: A house full of guests as Sequoia High students participating in your club's Career Day program joined in our luncheon along with their Rotary mentors. A number of them were apparently also involved in the new interact Club being organized at Sequoia.

A big thanks to BOB BOLAND for his efforts in making this Career Day vocational guidance program a success.

Pres. BOB called on songmaster DR. GRUMAN to lead the chorus and in celebration of VE Day he managed to keep the group on key in a rare rendition of our National Anthem.

Pres. Elect DENNIS led the pledge with a thoughtful invocation given by DAVE SCHUTZ.

And before we forget, there were two other notable guests, ELAINE BERLIN WHITE, Pres-Elect of the Redwood Shores Club and DEANNA DOOLEY, Pres-Elect of the Millbrae Club. How about that!

Club Secretary STEVE stepped up to do the fining - and who could have guessed the subject would be baseball.

Our speaker was KIBBY RUTH, founder of the Center for Abuse Prevention, who discussed the areas of interest and activities of that organization with particular emphasis on how they go about teaching and training children and young people to cope with and ward off what we tend to characterize as child abuse and molestation.

An interesting and needed area of attention these days it seems.

NEWS AND NOTES: Club Treasurer and Auction Master DICK HATCH reports that preliminary tallies indicate that the club's Auction garnered something between \$12 and \$13,000. And if DICK hasn't worked hard enough already, please don't add to the burden by failing to pay up on any bids, tickets or the like which only you can clear up - and you must know who you are.

More good attendance news from DR. BOSTWICK. Last month's 92.26% was the highest ever. See now - you know you could do it. That sounds more like R.C. Rotary. Keep it up.

Sorry to hear that we're going to be losing WAYNE TATMAN who we understand is going to be off to Texas.

District 515's "Grand Celebration" kicks off this Thursday at the Concord Hilton and the activities will be in full swing through Friday, Saturday and Sunday. Its close enough for you to drop in on anyone of those days' great programs even if you aren't planning to attend the whole affair - so why not?

And you know what this means - won't be long now before new District Governor BILL takes the reins. Be sure you're prepared to give a hand in all that he's looking to accomplish in the coming Rotary year. R.C. Rotary has a great tradition to uphold. Let's do it.

NEXT WEEK: MR. TOWES will be talking to us about the Second Harvest Food Bank.

JIM NEWELL will do the fining. Your solace is that its tax deductible?

SAN CARLOS SWITCH: Last week we reported that San Carlos was switching its meeting place. Turns out that the switch was for one at bat only. S.C. Secretary JORGEN informs us that SC will be back at "Sal's" this week and into the future.

Rotary Fellowship is OUR Responsibility

Do you remember when you were a new member in our club? Did you feel welcome when you attended your first meeting? Did you continue to feel welcome at subsequent meetings?

Rotary fellowship is key to member retention. New and not-so-new members alike must feel their membership and participation in our club are valued by each of their fellow Rotarians. A warm and friendly atmosphere at club meetings is no accident! It is created when each member takes responsibility for fellowship.

PENINSULA COVENANT CHURCH

TODAY: Our speaker, MR. TOWES, will be telling you about the Second Harvest Food Bank.

Your finemaster is expected to be JIM NEWELL and don't be surprised if you find it a bit taxing.

LAST WEEK: With BOB DURKINS granddaughter taking care of the high register, songmaster ALLEN G. checked our learning curve with another go at "This Land is Your Land..." and it wasn't too bad at that. And after leading the pledge, Pres. BOB called on another BOB - BOB MEYER, that is, to give the invocation.

Among the announcements, ROLAND HAGA gave the names of this year's scholarship award winners, each of whom will receive a \$1,000 grant, as follows:

| | |
|--|--------------------------|
| BRIAN COLE - CSM | STACEY AIKINS - Woodside |
| PETER SHUURMANS - Sequoia | PETER DANA - Woodside |
| ANGELA HARTMAN - Sequoia | ALICE LIU - Woodside |
| and Journalism Winner ANDREA GEMMET - Woodside | |

DR. PAUL YOUNG took care of the fining in fine fashion.

DICK DODGE gave a well-deserved and laudatory introduction to his long-time friend, Los Altos Rotarian WALTER SINGER.

WALTER's long history of community service is far too great to list here but typical of that service was his being named Man of the Year by the Santa Clara Board of Supervisors.

In a moving talk, WALTER disclosed how he contracted AIDS from blood transfusions he received during by-pass surgery in 1984, although the frightening news of his having the disease was not disclosed until he was tested and revealed as being HIV positive by the hospital in May of 1989.

Because of his and other AIDS tragedies within the family of the Los Altos Rotary Club, that club has now undertaken a major project to develop an AIDS educational program in the form of a professional video tape for use world-wide, a sensitive film that will personalize the statistics of AIDS and capture the emotional trauma of the disease in a compelling and dynamic way.

In view of the great cost of this project - some \$75,000, the Los Altos Club is soliciting support by donations from individual Rotarians and Rotary Clubs. If you can help, please mail your contribution to:

Rotary AIDS Project
P.O. Box 794
Los Altos, CA 94023

Our prayers and best wishes go forward to WALTER and those supporting him in this most difficult time.

BITS AND PIECES: The Board meeting originally scheduled for May 18th was rescheduled to avoid conflict with the District Conference just held and is now set for this Friday, May 25th at 7:30 a.m. at the Courthouse Cafe.

In other news from the Board, Pres. BOB has issued the following statement:

"The Board of Directors at its last meeting approved the following changes for the 1990-91 Rotary year to avoid a continuing budget shortfall:

1. That dues be raised to \$150 per member.
2. That the luncheon charge be raised to \$12 total.
3. That the Hospitality Charge be raised to \$4.

Additionally, we will continue to be rigorous in our collection of monies due the Club for missed meetings. Hopefully, these increases will provide us some flexibility and contubuity not now present in our budget. These charges are in line with charges assessed Rotary Club members elsewhere in District 515."

NEXT WEEK: Rescheduled from an earlier date, Comedian MICKEY JOSEPH will show us how much more effective teaching can be when done in a humorous vein. MICKEY is the offspring of our Pres. Elect-Elect CHARLIE BULANTI; he comes by his one-liners honestly.

Our finemaster that day will be MAGGIE STEVENS so you can expect to be stamped on.

Members of the Rotary Club of Redwood City:

The following candidate has been approved by the Membership Committee for membership in our Club. In accordance with the By-Laws, the Board of Directors has directed that his name be submitted to the General Membership. If no comments are received by the President or Secretary in ten days from May 19, 1990, he will be offered membership and will be inducted shortly thereafter. Any and all comments will be submitted to the Board, which will make a decision at its next regular meeting. Their decision will be final.

Stephen A. Mikulic

Dear Rotary Auction Ayndicate:

We were successful in the auction of bidding on and buying the following:

- | | |
|---------------------------------|------------|
| 1. Bulanti Polenta Dinner | \$1,150.00 |
| 2. Conklin French Dinner | \$1,100.00 |
| 3. Nissan Middle Eastern Dinner | \$1,000.00 |

Each syndicate member for his \$250.00, has an opportunity to attend one dinner with one guest. If any of you would like to attend two or more of the above, let me know and make out a check to the Rotary Foundation for another \$250.00 per couple. (Tax deductible and a great deal!)

If you have not already paid your \$250.00 please let me know when you have done so, so I can keep my records accurate. Let me know if the below dinner assignment is not in accordance with your wishes. Make sure the date fits with your calendar!

| | |
|-----------------|-----------------------|
| Bill Conklin | Bulanti Dinner |
| Bob Dooley | Bulanti Dinner |
| Mel Anisman | Nissan Dinner |
| Dennis Durkin | Conklin Dinner (paid) |
| Pete Hodgeson | Nissan Dinner |
| Lloyd Lewis | Bulanti Dinner |
| Ed Nissan | Conklin Dinner |
| Mario Raddavero | Bulanti Dinner |
| Lem Summey | Conklin Dinner |
| John Moylan | Nissan Dinner |
| Norm McLeod | Conklin Dinner |
| Dick Hatch | Conklin Dinner - 00. |

Dates for these events are:

| | |
|----------------|------------------|
| CONKLIN DINNER | JAN. 19, 1990 |
| BULANTI DINNER | OCTOBER 27, 1990 |
| NISSAN DINNER | OCTOBER 6, 1990 |

May 29, 1990

PENINSULA COVENANT CHURCH

TODAY: Rescheduled from an earlier date, comedian MICKEY JOSEPH will show us how much more effective teaching can be when done in a humorous vein. MICKEY is the offspring of our Pres. Elect-Elect CHARLIE BULANTI; he comes by his one liners honestly.

Postmaster MAGGIE STEVENS is going to do the fining so whether you're past due or not you're likely to get stamped on.

LAST WEEK: With Pres. BOB rapidly approaching the end of two terms of presidencies he seems to be growing more relaxed by the day. CHARLIE BULANTI used his talents to rouse the chorus; LLOYD LEWIS led the pledge and BOB DOOLEY gave the invocation.

Among the guests, all but one of this year's scholarship award winners were introduced by ROLAND HAGA. A big thanks to ROLAND and the committee that did the interviewing. RON KOSTER, JIM NEWELL, BILL BERGLER, NORM FENTON and GUY THOMPSON. It is a lot of work but so important.

JIM NEWELL did the fining and looking at the increases in luncheon costs and club dues aptly decided to fine the whole bunch of culprits that did it - all the officers and directors. On the other hand, volunteering for an even bigger fine was DR. ALAN BOSTWICK as he proudly acknowledged becoming a great grandfather. How about that!

After a so-called joke or two, soon to be Pres. Elect CHARLIE B. introduced our speaker, DAN SCHURMAN of the Second Harvest Food Bank of San Mateo and Santa Clara Counties.

We've all probably heard of the Food Bank but few really knew of all it is and all it does. The organization now has warehouses in San Mateo and San Jose and last year distributed over 12 million pounds of food to some 250

soup kitchens, emergency food pantries and shelters for homeless and abused who are feeding some 90,000 people per month over half of whom are children. Among the sources are food manufacturers, the federal government, food markets, farmers and restaurants.

A most imposing and impressive operation with some 1,700 volunteers involved in the sorting, grading and distribution.

AWARDS AND AWARDS: Oh what happy news from the District Conference Celebration in Concord this past May 17-20.

In the large club category Redwood City Rotary walked off with the following honors:

| | |
|-------------------------------|-----------|
| Club Bulletin Award | 1st Place |
| Community Service Award | 3rd Place |
| Interact | 3rd Place |
| Roteract | 1st Place |
| World Community Service Award | 1st Place |
| Vocational Service Award | 1st Place |
| Youth Service Award | 1st Place |

Congratulations too to Peninsula Sunrise who picked up one first and two seconds and Redwood Shores one second, both in the small club category.

All in all, quite a showing for Redwood City Rotary and its young offspring.

OTHER NEWS AND NOTES: Nice to hear that Pres. BOB was honored by the Redwood City Council with a plaque recognizing his many and honored achievements in the field of education and, of course, his seven years as President of Canada College.

We now have word that two students from Hiratsuka will be coming in July (to be here from July 23 to August 17). A boy and girl, both 15. Housing has been arranged but help will be needed in providing other entertainment, transportation, etc. To make their visit as memorable as the Hiratsuka Club typically does for our young visitors to Japan in alternate years. Think of what you might do. It is fun and rewarding.

BOB RUTHERFORD notes that arrangements have been made for the annual Installation Dinner and Debunking to be held June 19 once again at the Holiday Inn in Foster City. This year's tab - \$35.00 per person. Mark your calendar.

NEXT WEEK: ROY FRANK says we'll be hearing from DR. RONALD MARTINEZ, PhD on "The Alchemy of Success - Turning Losses into Wins." DR. MARTINEZ is a clinical psychologist.

BOB PIERCE is scheduled to be your finemaster. What can you say to a grin like that. No, don't say it.

"SERVICE ABOVE SELF"

Rotary Club of Redwood City

REDWOOD CITY, CALIFORNIA

D. Robert Stiff
President 1989-1990

June 1, 1990

Dear Rotary Colleague,

As you know, the Redwood City Rotary Club faces a budget shortfall of approximately \$1300 as we near the end of the 1989-90 Rotary year. That shortfall results for a variety of reasons which I have discussed with the Club on two occasions.

The Board of Directors voted unanimously at our meeting of May 25, 1990 to assess each member \$20 in order to clear the deficit and begin the 1990-91 Rotary year with a clean slate.

Please send your check in the amount of \$20 payable to the Rotary Club of Redwood City, c/o Dick Hatch, Treasurer.

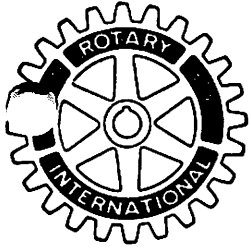

The Board and I appreciate your cooperation in this matter very much.

Sincerely,

Bob

Robert Stiff
President

wh

Who Serves Best."

ROTARY SPOKE

ROTARY CLUB of REDWOOD CITY CALIFORNIA

CHARTERED APRIL 22, 1946
DISTRICT 515

June 5, 1990

PENINSULA COVENANT CHURCH

TODAY: June Program Chairman, ROY FRANK, was so enthusiastic about today's speaker, RONALD MARTINEZ, Phd., that he ran out of adjectives. Dr. Martinez is a clinical psychologist who has overcome what many would consider to be a tragic accident to become a leader in the field of positive reinforcement. Dr. Martinez will talk to us on "The Alchemy of Success - Turning Losses Into Wins."

The finemaster list indicates that we will be Bob "Pierced" right through our pocket books.

LAST WEEK: With June 19th (our annual debunking dinner) only two weeks off, President Bob has achieved the relaxation of a short term. He is still not so relaxed as to leave his gavel unattended, however. Our veteran Choir Master, P.D.G. Sid led the song, President Bob the Pledge, and Lem Summey gave the invocation.

After introduction of visiting Rotarians, our special guest, Hawes School Principal, Nancy Hendry, introduced two of her outstanding young students. (Editor's Note: Nancy will be leaving Hawes School at the end of this school year. She is taking a position in a School District somewhere to the South of us.) It has been Nancy's enthusiasm and personality which has made our association with Hawes School so pleasant over the last three years.

Finemaster-Postmaster Maggie Stevens taught us two lessons. First she showed us how to raise beaucoup bucks in a fining session and second, she taught us how little we know about the significant participation of Black Americans in helping to obtain and preserve our freedom over the last 215 years.

Our Program was an entertaining and informative demonstration of the effectiveness of using humor to teach. Mickey Joseph (you can tell he's Charlie's son by the hairline) showed how an otherwise dull subject can be livened up through humor and how very serious points can be made and easily remembered when taught in a lighter vien.

Every time Mickey would make a point regarding his Traffic School presentation, he would look up to our resident C.H.P. Captain, Mike Peterson, for approval. Mike gave him about a 99%, which is an "A" in anyone's book.

NEWS AND NOTES: July 23rd will roll around faster than we can imagine and that is the day we will be receiving two student guests from our Sister Club in Hiratsuka, Japan. The 25 year old tradition of receiving Japanese students from Hiratsuka on alternate years is continuing with a young man and a young woman coming to California. We must make their visit as memorable as possible. Consider what kind of entertaining, informative, or educational experience you might be able to provide for these visitors and pass your thoughts along to President Bob.

ANNUAL INSTALLATION DINNER: Past President Bob Rutherford has an opportunity to "get even" (sort of) for his debunking by arranging for the debunking of current President Bob. Our annual dinner will be held June 19th, at the Holiday Inn in Foster City. This is one of our two major "must make" social events of the year. As always, a superb time can be anticipated with good food, good fellowship, entertainment, and the kick-out of our soon to be Past President---(old what's-his-name). Tickets this year are \$35.00 per person. Make your commitment to Past Pres. Bob Rutherford.

GIFT OF LIFE: Friday, June 15th, is the time for each of us to roll up our sleeves and give the gift of life by donating blood. The Mobile Blood Bank will be at Kaiser Hospital from 11:30 a.m. to 3:30 p.m. After hearing the horror story Walter Singer told us about acquiring AIDS through an errant transfusion, we can help the World by donating our blood into the system. You never know when you may be the one needing the transfusion.

BOARD ACTION: President Bob announced that the Board of Directors has come to grips with the budget shortfall, which has accumulated. A one-time assessment of \$20.00 per member will be levied with the dues assessment this July.

CLUB DIRECTOR: For those who have not had a picture taken for the Club Directory, please make a date with Abel Sanchez, as soon as possible. He is anxious to wind up the photography so a Directory can be published for our new Rotary Year, starting July 1.

NEXT WEEK: Our June Program Chairman, Roy Frank, will bring us Linda Fry, who is an expert in equity sharing. Equity sharing began about 12 years ago, when real estate markets advanced beyond the cash capabilities of young people to find down-payments. It seems to have tapered off over the last several years, however there is a resurgence of equity sharing in the real estate market place today. Ms. Fry is the foremost authority on equity sharing and will share some of her equities with us.

Finemaster is scheduled to be Program Chairman, Roy Frank. Roy enjoys the Title of Chief of the Commonwealth. Titled heads are entitled to extract fines from commoners and Roy will exercise this Royal prerogative.

PENINSULA COVENANT CHURCH

TODAY

Our speaker is Linda Frye, President of Ameirmac and an expert in equity sharing. What is it? How does it work and what are its future prospects - all questions to be answered by Ms. Frye about this aspect of the real estate market place.

Your Finemaster - ROY FRANK. Last week's editor, DGN BILL CONKLIN said it all: "Roy enjoys the title of Chief of the Commonwealth. Titled heads are entitled to extract fines from commoners and ROY will exercise this Royal prerogative."

LAST WEEK

With only two to go, Pres. BOB called on Pres.-Elect- Elect CHARLIE to head the chores and you might as well get used to it - if you can. After leading the pledge himself, Pre. BOB turned to ABE BASSETT for the invocation.

Finemaster BOB PIERCE grinned his way to the podium to parcel out assessments to a computer list of fines and just when you might have thought you escaped, lowered the boom on all those who had not yet voted. Oh well, the Treasury needs it.

June Program Chairman ROY FRANK introduced our speaker for the day, DR. RON MARTINEZ, a clinical psychologist. A paraplegic as a result of a diving accident in his high school years, this one time athlete gave an inspirational accounting of his own experiences in coping with such a great personal tragedy.

Using this personal experience as a backdrop, DR. MARTINEZ proceeded to convey a very meaningful and useful philosophy on how any of us can overcome any negatives in our lives by a combination of love, laughter and learning.

A truly touching, moving and inspirational talk that met with a spontaneous standing ovation.

NEWS AND
NOTES

We were all greatly saddened to hear the word from Pres. BOB that former long time R.C. Rotarian CHUCK LONG had passed away. You may recall that not too long ago, CHUCK transferred to the Millbrae Club to be nearer to home in view of his growing physical limitations. A fine gentleman, who will indeed be missed.

Another reminder from DON HELBUSH that the Mobile Blood Bank will be at Kaiser Hospital this Friday from 11:30 to 3:30. Please, roll up your sleeves and give this gift of life. What takes but a few minutes means so much. You can do it. Just make it happen.

Our regular meeting on June 26th and all 4 following meetings in July will be held at the Sequoia Yacht Club. Take note and mark your calendars.

And, don't forget to tell MIKE PETERSON you're ready to volunteer for one of the 3 hour shifts manning R.C. Rotary's hot dog, hamburger and soft drink concession at the 4th of July parade. If you have a Weber or ice chest, you can loan that to and it would be appreciated.

DICK HATCH reminds those who bid on dinners or the like at the auction that your checks are due and needed. According to DICK, when these debts are paid, it looks like the final tally on the auction will top \$14,500.00

Jazz festival tickets are being distributed to all members and you are reminded that 5 tickets per member must be sold for the Club to just break even. Only after that level has been reached does the Club start to participate in a share of the total festival proceeds.

Don't forget your \$20.00 contribution/assessment to overcome this year's budget shortfall. Your checks are due by June 30th. Please act now and help avoid all that taxing and unnecessary follow-up.

NEXT
WEEK

It's the Annual Installation (and Debunking) Dinner at the Holiday Inn in Foster City. No host fellowship at 6:00 p.m., and dinner at 7:00 p.m. The tab is \$35.00 per person with your choice of prime rib or salmon. Please take note that this dinner is a regular meeting and if for any reason you can't attend, a make-up is required.

For tickets, questions or anything else about it, Past President BOB RUTHERFORD is the man to call.

The schedule says that DAVE SCHRICKER is Finemaster on that date. He may be legal, but that has nothing to do with it being fair.

NEW
BUSINESS

It's people who make things happen in Rotary. Our new District Governor, BILL CONKLIN, is one of those important people. What you can do is let BILL know you're ready to be one of those people, if he needs you.

PENINSULA COVENANT CHURCH

LAST WEEK: Our annual Debunk Installation Dinner was a smash! Those who missed (all too many) lost out on good fellowship, good times, and good pagentry.

Due to the late timing of the Rotary International Convention this year, we were forced to move our Annual Dinner up a week. This gives us the unique opportunity to debunk Pres. BOB one week and have him preside the next.

Past Pres. BOB RUTHERFORD presided over the celebration with aplomb. PDG Sid led the songs, and the invocation was short and pertinent. ROY (listen up) FRANK doled out the fines and had most of his victims stuttering. Seems ROY donned the pseudonym "BILL from Tower Records" to obtain tidbits of gossip from spouses to properly embarrass his targets.

DICK DODGE audaciously parked in the VIP space, which was missed by the Finemaster, but noted by all others.

Now Past Pres. BOB was stiffly put out of office with a barrage of accusations (most true) about his early life and his double life.

Our own DGN BILL CONKLIN installed Pres. DENNIS DURKIN, his officers and Board. We are in good hands for the coming year. HALL HJERTBERG who usually notes what is happening in our Club, and report said happenings in these pages was unable to attend the Dinner due to health. We have been told he is better and will resume his reporting next week.

We apologize for the brevity and lack of news of this issue, however the substitute Editor does not have the same news sources as HAL. Welcome back to HALL (we hope). Perhaps the news will begin again next issue.

Rotary Club of Redwood City

Fellow Rotarian:

Do you realize that there are 158 unfilled classifications in Redwood City Rotary? That's right-- 158 openings for membership, if you believe the following survey is a reasonable one for the Redwood City area. Just count those (?) question marks(?)!!!

And do you know that if just 19 of those "vacant" classifications are filled, Redwood City could become a 100-member club?

Who do you know who would make a good Rotarian? With whom do you do business? Where do you shop? Do you know the owner? The manager? Or "someone...holding an important position in an executive capacity with discretionary authority," which, according to Rotary International, would make him/her eligible for club membership?

Now, would he or she likely make a good Rotarian? Have the time and interest to participate in the club's service activities? Attend our weekly meetings or make them up regularly-- a necessary habit if one is to fully enjoy the good fellowship and service opportunities of Rotary?

If your answers are "yes" and his/her business or profession is not yet represented in Redwood City Rotary, why not propose this friend or business acquaintance for membership and make President Bob h-a-p-p-y? As a former president of R.I. noted a few years ago: "You are the Key."

Just ask Secretary Steve for a proposal card, fill it out, and hand it back to Steve. That's all it takes to get things rolling. Let's replace some of those (?) question marks(?) with names!

Alan
