SEQUOIA CLUB

**TODAY:** Bob Doss, our new president will tell us about his plans for the future of our Rotary Club.

**July 29:** Former mayor Gorgie La Berge will discuss the proposal to build a new jail. Will it be in Redwood City?

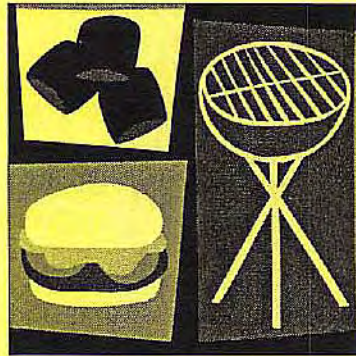

**July 8:** John Bruno of the Redwood City Salt Works will update us on the projected assault on the 50-50 proposal by the "Save the Bay" folks. We may see continued salt harvest into the next century.

**LAST MEETING:** Now Past President Alpio, in true lame duck fashion, turned the chairmanship of the meeting over to Past Pres. Roland. Roland's committee did a fabulous job in presenting a debunk of Alpio, the venue was super, the food was good and the fellowship was outstanding. Finemasters were Barbara Bonilla and Tinella Coats, doing a fine session of recognition.

**July 15:** Breakout sessions.

**July 22:** Awards from the car raffle will be distributed.

**BIG BOB BEGINS HIS  
BOISTEROUS, BUCHOLIC,  
BOUT AS THE LEADER OF THE  
BEST ROTARY CLUB EVER,  
ANYWHERE. WE WELCOME  
BOB DOSS AS OUR NEW  
LEADER FOR THE YEAR  
2008-2009**

SEQUOIA CLUB

**TODAY:** District Governor Russ Ketron will participate in a Club Assembly and then present us with a program designed to keep us focused on being Rotarians

**LAST MEETING:**

The meeting was called to order by President Bob with, I presume, was his gavel.

"America" and "Smiles" were led, quite well, by Tom Delfs, subbing for PDG Bill Conklin.

Invocation was led by Pete Hughes.

Secret Greeter was Phil Gelb

Finemaster was Greg Roos who wasted time by signing up future finemasters then his fining session was asking what one did to really piss off his/her spouse/significant other.

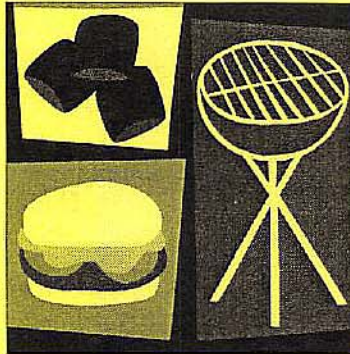

Our speaker was former Redwood City councilperson/mayor Georgi La Barge and her work on No More Jails in Redwood City. She brought literature and a letter from our own, Mayor Rosanne Foust, to the S.M. County Board of Supervisors stating that Redwood City already has 4 facilities in it and why did the council not explore any other sites. It seems those who have been released stay in the city in which they are released, any many are repeat offenders. Therefore, released in R.C. = higher crime.

We were urged to let the Supervisors know of our disdain to their plans.

**ANNOUNCEMENTS:**

PP John Lowe talked about Homebound.

Glen Nielsen said he had spoken to PP Alpino who is doing better and may return next Tuesday, 8/5/08.

SEQUOIA CLUB

**TODAY:** TBA

**LAST MEETING:**

The meeting was called to order by President Bob without his gavel; seems he finds it better to leave it home than to subject it to the risk of being kidnapped. PDG Bill led us in a rousing rendition of *God Bless America* and *Smiles*; Paul Piccione, holding dual offices of Pres. 2B and Sergeant at Arms led the Pledge of Allegiance; Rev. Rod Towes gave the invocation; PDG Bill found everyone in attendance with the opportunity to be recognized and contribute \$5 to our Club's Rotary Foundation; and Pres. Bob announced Lillia Ledezma as the Secret Greeter.

District Governor Russ Ketron presented us with a program designed to keep us focused on being Rotarians. He invited us to participate in upcoming events (see Announcements) and he challenged us to participate in programs such as literacy, Rotoplast, Wheel Chairs, Boy Scouts, Boys and Girls Club, PAL and the Rotary Foundation's main goal of eradicating polio through the Polio Plus Campaign.

**ANNOUNCEMENTS:**

Congratulations to Glen Nielsen on his appointment as Chief of Police of Atherton.

The District Foundation event will be at the Cline Cellars Winery in Sonoma County on September 14, see page 2. We had a hugely successful event at the Cline venue a few years ago and this should be even better with bus transportation available from the Peninsula.

San Francisco #2, the second oldest Rotary Club in the world, will be celebrating its 100<sup>th</sup> anniversary on November 9, 2008 at the St. Francis Hotel in the City, more details in later editions of the *Spoke*.

The District Conference will be April 17, through April 19, 2009. The venue is the Portola Hotel and Spa - Monterey Bay. The conference is our time to celebrate our accomplishments over the year. It is a great time for fellowship, activities, and sharing Rotary information.

**TODAY:** TBA

Ryan, that meets the spiritual needs of those who protect us (fire & police).

**AUGUST 26:** Chris Threatt, MD will give us a talk entitled "Living Better and Living Longer".

### LAST MEETING:

The meeting was called to order by President Bob with his well protected gavel; PDG Bill led us in a rousing rendition of *America the Beautiful* and *Smiles*; Past Pres. and soon to be blushing bride, Judy Cooper, acting as Sergeant at Arms led the Pledge of Allegiance; Past Pres. Bob Dooley gave the invocation; Henry Gaw asked questions about China, with a smattering of reference to the Olympics, causing members to donate \$5 each to our Club's Rotary Foundation. It really wasn't fair since Henry knew all of the answers; and Pres. Bob announced Past Pres. Pete Hughes as the Secret Greeter.

The program was one of our perennial favorites, *Ice Breakers*. This time we were treated to a new wrinkle, Senior Moments. Glenn (spelled correctly) Nielsen started off by telling of his birth in Redwood City, his schooling in Redwood City, his rearing in Redwood City and his present ties to Redwood City. Seems he only shifted South to Atherton to find a job as a police officer. He sailed through the ranks to where he is now Chief of Police of the Town of Atherton. Glenn is active in the San Mateo County Chaplaincy, an agency started by our past member Rev. Mike

Past Pres. Bob Dooley presented the Senior Moments portion of the program. Bob was born and raised on a farm in the San Joaquin Valley. Since he decided not to be a cowboy, he went to work in the insurance field. Bob gathered experience from The Hartford, Travelers and others, in Sacramento and San Francisco. He finally settled in Redwood City with the Boring-Friedberg agency. Bob now, with his business and life partner, Deanna, operate an independent insurance brokerage agency.

### ANNOUNCEMENTS:

The District Foundation event will be at the Cline Cellars Winery in Sonoma County on September 14, see page 2. We had a hugely successful event at the Cline venue a few years ago and this should be even better with bus transportation available from the Peninsula.

San Francisco #2, the second oldest Rotary Club in the world, will be celebrating its 100<sup>th</sup> anniversary on November 9, 2008 at the St. Francis Hotel in the City, more details in later editions of the *Spoke*.

The District Conference will be April 17, through April 19, 2009. The venue is the Portola Hotel and Spa - Monterey Bay.

**TODAY:** Chris Threatt, MD will give us a talk entitled "Living Better and Living Longer".

### LAST MEETING:

The meeting was called to order by President Bob with his wolf protected gavel; PDG Bill led us in a rousing rendition of *My Country 'tis of Thee and Smiles*; Sergeant at Arms Mick Clarke led the Pledge of Allegiance; Rod Towes gave the invocation; Karen Krueger asked questions about who, within our lifetime we would nominate for an Olympic Gold medal, for their relationship to us, causing members to donate \$5 each to our Club's Rotary Foundation; and Pres. Bob announced Past Pres. Pete Hodgson as the Secret Greeter.

The program was presented by Michelle Isonio a Cardio Lab nurse at Sequoia Hospital. Besides being a full time nurse, Michelle organizes and participates in medical missions with Assist International. The organization has taken on orphanages in Rwanda in collaboration with a Dr. Blaise. The program started with the mission to educate diversity between the

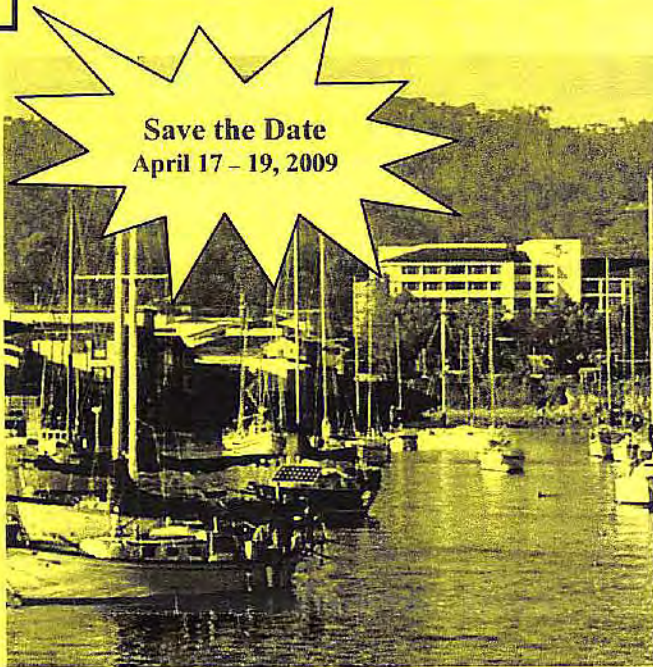

Rwandan tribes, but has expanded to helping children all over the world to understand diversity. The goal is to educate this diversity through international exchange and is geared to children between 11 and 13 years old.

**TODAY:** TBA

**LAST MEETING:**

The meeting was called to order by President Bob with his well protected gavel; Mayor Rosanne Foust led us in a rousing rendition of a patriotic song and *Smiles*; Sergeant at Mayor Rosanne Foust doubled up by leading the Pledge of Allegiance; Rod Towes gave the invocation; a fine/recognition master did a number causing members to donate \$5 each to our Club's Rotary Foundation; and Pres. Bob announced the Secret Greeter.

The program was to have been Chris Threatt, MD giving us a talk entitled "Living Better and Living Longer", however, Dr. Threatt had an emergence surgery on Tuesday and was unable to attend. A little serendipity kicked in with Danny Gasparini and Louise Della Maggiora being at the meeting. They stepped up and told us about our wonderful Sequoia Hospital and its plans for our future with this great institution.

**ANNOUNCEMENTS:**

It is now official; Judy Cooper and Bob have tied the knot and happiness reigns.

The District Foundation event will be at the Cline Cellars Winery in Sonoma County on September 14. We had a hugely successful event at the Cline venue a few years ago and this should be even better with bus transportation available from the Peninsula.

San Francisco #2, the second oldest Rotary Club in the world, will be celebrating its 100<sup>th</sup> anniversary on November 9, 2008 at the St. Francis Hotel in the City, details on page two of today's *Spoke*.

The District Conference will be April 17, through April 19, 2009. The venue is the Portola Hotel and Spa - Monterey Bay. The Conference is our chance to celebrate all of the accomplishments of our current Rotary year.

SEQUOIA CLUB

**TODAY:** Bayana Chunga. He is a radio broadcaster and journalist for a religious newspaper in Malawi .

**SEPTEMBER 16:** Breakout sessions where the work of our club in the four avenues of service is planned, implemented and evaluated. The announcement/unveiling of the Redwood City Rotary Club website. We will have a presentation before the fine session prior to Breakouts.

**September 23:** Will Travis, Executive Director, Bay Conservation and Development Commission (BCDC). He will speak and give a very interesting power point on climate change and the impact that sea level rise will have on SF Bay.

**September 30:** Off-site meeting in the patio behind Bella Restaurant at the Port of Redwood City Marina. There will be a brief presentation by a crewmember from the Nina followed by a guided tour of this authentic replica of Columbus ' ship.

### LAST MEETING:

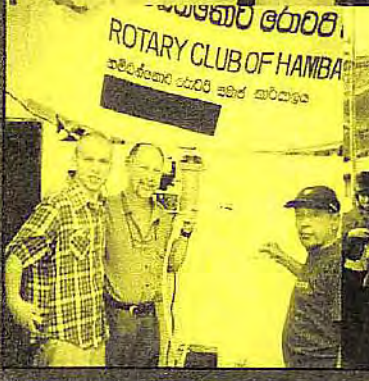

The meeting was called to order by President Bob with his well protected spoon; PDG Bill led us in singing *God Bless America* and *Smiles*; Mayor/Sergeant at Arms Rosanne lead the Pledge of Allegiance; Rev Chip, back from sabbatical, gave the invocation; a fine/recognition session was conducted by master fine master Past Pres. Greg Roos asking what

we did over the Labor Day weekend, causing members to donate \$5 each to our Club's Rotary Foundation; and Pres. Bob announced the Secret Greeter as newest old member returned, Past Pres. Pete Hodgson.

Program Chair for September, Mike Giari, introduced Greg Greenway of the Threshold 2008 Housing and Transportation Committee of the Chamber of Commerce, who gave a statement of fact: We are not producing enough housing to meet the needs of our County. There are about 140,000 commuters into San Mateo County daily. We need to create more housing to allow these commuters to live locally. There is a shortage between permits and construction of approximately 1,000 per year. This creates an affordability gap. Threshold 2008 works on the permit approval aspect of the housing crunch. Greg stated that the people with the need are the commuters who go home at the end of the day and are not present when city departments and councils have meetings to determine their very fate. He advocates more dialogue, face-to-face meetings, online communication and community outreach. All this and some still advocate a yes on Prop. W??????????

### ANNOUNCEMENTS:

The District Foundation event will be at the Cline Cellars Winery in Sonoma County on September 14. We had a hugely successful event at the Cline venue a few years ago and this should be even better.

### LAST MEETING:

The meeting was called to order by President Bob with his well protected spoon; PDG Bill led us in singing *America the Beautiful* and *Smiles*; Sergeant at Arms Don Hack lead the Pledge of Allegiance; Rev. Rod, gave the invocation; a fine/recognition session was conducted by Pres. 2B Paul Piccione asking everyone to pitch in \$5 since he had taken all of the time to introduce our new "web page". The introduction was sensational. We will have, according to PDG Mark Flegel, the best web presence of any club in the District. Pres. Bob announced the Secret Greeter as Lillia Ledezma.

Past Pres. Don Horsley introduced our speaker, Bayana Chunga. Bayana is a radio broadcaster and journalist in Malawi and a part time tennis coach when he is visiting at Peninsula Covenant Church. He started his presentation by teaching us "Mugubawi-Tilly" (sp?) the greetings in Malawi. We also learned how to properly clap approval the next time we visit Malawi. Bayana became certain that something had to be done to create public awareness of the scourge of AIDS in his country. Two of his uncles died of the disease convincing him to try to create a radio program addressing the issue. At first his attempts were rejected, however, perseverance paid off and he was allowed to do a demo. His program *Wings of Hope* airs weekly. In addition Bayana presents a program in schools, bringing AIDS victims with him to tell their stories and create awareness. Bayana has also worked with Dr. Perry Jenson to create awareness of a preventable disease.

### ANNOUNCEMENTS:

Congratulations to Susan Howell on becoming a Paul Harris Society member. PDG Mark Flegel honored her for committing \$1,000 per year for five years to the Rotary Foundation.

## COLUMBUS REPLICA SHIP

### THE 'NIÑA' TO VISIT

## PORT OF REDWOOD CITY

Sept. 24 – Oct. 13, 2008

---

Redwood City, Ca. -- On Wednesday September 24<sup>th</sup>, the '*Niña*', a replica of Columbus' favorite ship will open in Redwood City. The ship will be docked at the Redwood City Municipal Marina until her departure early morning Tuesday October 14<sup>th</sup>.

Built completely by hand and without the use of any power tools, Archaeology magazine called the ship "the most historically correct Columbus replica ever built". The craftsmanship of construction and the details in the rigging make it a truly fascinating visit back to the Age of Discovery, while adding a unique perspective to the Age of Sail. The '*Niña*' was used in the production of the film '1492' starring Gerard Depardieu and directed by Ridley Scott.

The ship has been touring continually since 1992 as a 'sailing museum' for the purpose of educating the public and school children on the 'caravel', a Portuguese ship used by Columbus and many early explorers to discover the world.

### DISCOVER THE NIÑA

While in port, the public is invited to visit the ship for a walk-aboard, self-guided tour. The ship is open every day from **9:00–6:00 p.m.** Prices are \$5.00 for adults, \$4.00 for senior citizens and \$3.00 for students. Children 4 and under are Free. No reservations necessary.

Teachers wishing to schedule a 30-minute guided tour with a crew member should call the ship directly at 1-787-672-2152. Minimum of 15. No Maximum. Visit our website at [www.thenina.com](http://www.thenina.com) .

COLUMBUS' NINA

**TODAY:** Off-site meeting in the patio behind Bella Restaurant at the Port of Redwood City Marina. There will be a brief presentation by a crewmember from the Nina followed by a guided tour of this authentic replica of Columbus' ship.

### LAST MEETING:

The meeting was called to order by President Bob with his well protected gavel; PDG Bill led us in singing *God Bless America* and *Smiles*; Sergeant at Arms, Pres. 2B Paul Piccione lead the Pledge of Allegiance; Rev. Rod, gave the invocation; a fine/recognition session was conducted by R.J. Toguchi asking whether we knew the actual rock group or the fake one he dreamed up, we were amazed at how many "true Rockies" there were in the club.

Will Travis, the Executive Director, of the Bay Conservation and Development Commission (BCDC), using a powerful power point presentation, gave an idea of what we may expect when we feel the effects of climate change and the impact that sea level rise will have on SF Bay. Changes in our weather will cause storm surge; fires will move further North; there will be greater salinity in the Delta; and a rise in the level of the Bay that will inundate the low lying areas surrounding it. He stated that we need to build levies and that properly planned development, incorporating levies, to be built by the

developers is a possible solution. In some instances, we will have to move out of low lying areas, in others, such as Redwood City, it is better to build the levies. So much for Prop W on the Redwood City ballot.

### ANNOUNCEMENTS:

Congratulations to Rosanne Foust on becoming a Paul Harris Fellow (PHF).

Congratulations to Past Pres. Alpio for funding his fifth PHF.

**TODAY:** TBA

**LAST MEETING:**

The meeting was held in the patio behind the Bella Restaurant at the Port of Redwood City Marina. President Bob called for order with his well (well sort of) protected gavel; PDG Bill led us in singing *America the Beautiful* and *Smiles*; Sergeant at Arms, Past Pres. Judy Cooper lead the Pledge of Allegiance; Rev. Rod, gave the invocation; Mike Giari was announced as the secret greeter; fine/recognition session was conducted by John Lowe with a focus on the 40th Rotary anniversary of Past Pres. Bill Bergler. Bill's tenure with the club is only exceeded by Frank Parcell; and Frank and Bob Dooley may be the only ones who remember Bill's year as President. Nevertheless, John asked us to reflect on some of our experiences with the Bergler. Fines were \$5 for nice things to say and \$10 if you really wanted to tell it as it is. Bill showed his quickness by nabbing Pres. Bob's gavel, but also showed that he has totally reformed (if you believe it), by giving it back and protesting his innocence. We were then introduced to Ms. Elly, a volunteer and crew member of the

Niña. She has sailed on the ship for 8years and gave us a tour.

**ANNOUNCEMENTS:**

Past Pres. Tom Delfs had his ticket drawn and found the blue marble, congratulations Tom.

Congratulations to Ruth Ann Gardner on becoming a Paul Harris Fellow by donating to the Rotary Foundation.

### LAST MEETING:

President Bob called for order with his well (well sort of) protected gavel; PDG Bill led us in singing *My Country 'tis of Thee* and *Smiles*; Sergeant at Arms, Mike Clarke lead the Pledge of Allegiance; Rev. Chip, gave the invocation; Someone was announced as the secret greeter, however we were unable to decipher Pres. Bob's muffled announcement; fine/recognition session was conducted by Past Pres. Fred Strathdee wondering if there was ever another Fred in our Club. Thinking of none, Fred proceeded to ask us about famous Freds or about acronyms with the letters FRED.

Our program was presented by Tina King Director of Sustainable San Mateo County. Tina predicted that our Bay Area will increase in population by 2 million people in 25 years. We will need to residences for them and the business structure to accommodate such an increase. Tina's organization promotes smart development, recycling programs and conservation of resources. We may need to find alternative sources of water and energy to survive.

### ANNOUNCEMENTS:

SEQUOIA CLUB

**TODAY:** Bob Marks and Mark Simon will give a program entitled "The Game on Peninsula TV".

**OCTOBER 28:** Stacey Redman, President of the Tim Griffith Memorial will tell us about her organization.

November 4: Chris Threatt, MD will tell us how to live longer and better.

#### **LAST MEETING:**

President Bob called for order with his well (well sort of) protected gavel; PDG Bill led us in singing *God Bless America* and *Smiles*; Sergeant at Arms Don Hack lead the Pledge of Allegiance; Mel Anisman gave the invocation; Past Pres Roland Haga was announced as the secret greeter; fine/recognition session was conducted by John McAfee testing us on how closely we paid attention to his bio when he was inducted. It seems that mostly it went in one ear and out the other.

Past District Governor and current Dist. 5150 Foundation Chair, gave us an informative insight into the programs of the

Rotary Foundation. Our charitable arm is doing amazing things such as ridding the world of Polio. Mark told where our money goes from the largest non-secretarian charitable organization in the world.

#### **ANNOUNCEMENTS:**

Now is the time to participate on our Foundation Fun Raiser the World Series. See Linda Schmidt for details.

## Cheers and costumes at Columbus Day celebration

**ABOVE:** Redwood City resident Bill Conklin hammed it up as Hiawatha in a "historically inaccurate" skit that was part of the Columbus Day Italian-American Heritage celebration at the Old San Mateo County Courthouse on Saturday. The event also featured traditional Italian food and live music. **RIGHT:** John Clemente, of Menlo Park, watched the show at the Columbus Day Italian-American Heritage celebration at the Old San Mateo County Courthouse on Saturday. As the medal around his neck attests; Clemente took third in in the Columbus Day celebration Bocce tournament.

### LAST MEETING:

President Bob called for order with his well protected gavel; PDG Bill led us in singing *My Country 'tis of Thee* and *Smiles*; Sergeant at Arms, Mayor Rosanne Foust lead the Pledge of Allegiance; Rev. Chip, gave the invocation; Pres Bob announced himself as the secret greeter; and fine/recognition session was conducted by Mick Clarke eliciting "One Liners" from the members and, if you didn't have a one liner, Mick gave you one.

Our program was presented by Bob Marks and Mark Simon giving us a political analysis and they invited us to join them on

election night at the Foster City Council Chamber where they will be reporting election results. The Marks told us that Obama has changed the game. He had raised over \$150 million in September from some 3.1 million contributors. McCain was dealt a bad hand and Obama is better at developing a grass roots base of support.

**TODAY:** Linda Mancini will talk to us about elder abuse, how to identify it and how to deal with it.

**December 9:** Holiday Party at Angelica's Bistro on Main Street, \$60 per person.

**December 16:** We will be entertained, as we are annually, by the Children's Choir, and/or we will have "Ice Breakers".

**December 23:** This will be a gathering of "Club Casual" a great time to toast the holiday season.

**December 30:** No meeting.

#### **LAST MEETING:**

President Bob called the meeting to order with his gavel, we think. The gavel rarely sees the light of day; Past President Carlos and Glenn Nielson volunteered to lead us in song; the first was *God Bless America*, which surprisingly, was rather good and mostly on key. We even broke out in applause before *Smiles*, which was good. Carlos, in honor to PDG Bill Conklin, made us drop the octave so we could sing. Sergeant at Arms, our resident Aussie, Mick Clarke, lead the Pledge of Allegiance; Rev Rod Toews, gave the invocation

Finemaster was Greg Roos DDS, who asked what each of us would do to straighten out the economy. We had some great answers from bombing Saudi Arabia, to selling Yosemite to the Saudis for \$900 billion then nationalizing it, to letting Ford and GM go into Chapter 11 to get out from under their mess and many others.

Our program was "Senior Moments" with two of our longer standing members, Pete Hughes and Bill Bergler did a 2008 version of an icebreaker. Both were very entertaining and both had a senior moment when they lost their train of thought and forget what they wanted to say.

#### **ANNOUNCEMENTS:**

The turkey drive went well. Jennifer Cortez thanked us for donating.

The canned food tree is done and there is more beside the tree. Our goal has been achieved, but don't let that stop you from bringing more.

The roster is full for the bell ringing on December 13<sup>th</sup>. Those of you who volunteered will receive an email from John Lowe reminding you.

Christmas party is 12/9/08. Please bring a new gift for the kids

**TODAY:** "Ice Breakers", the opportunity to learn more about some of our newer members.

**December 23:** This will be a gathering of "Club Casual" a great time to toast the holiday season.

**December 30:** No meeting.

#### LAST MEETING:

December 2: President Bob called the meeting to order with his gavel, we think. The gavel rarely sees the light of day; PDG Bill led us in singing *America the Beautiful and Smiles*; Sergeant at Arms Don Hack lead the Pledge of Allegiance; Rev Rod Toews, gave the invocation; secret greeter was Hal Butts; finemaster was Karen Krueger recognized each Rotarian present for the good they provide to our club and

our community. The program featured Linda Mancini telling us about elder abuse, how to identify it and how to deal with it.

December 9: We gathered at Angela's Bistro on Main Street and had a great crowd. President Bob called the meeting to order sans gavel; PDG Bill led us in singing Our National Anthem and (of course) *Smiles*; Santa Claus (Andy Frisch) came in time to conduct a fine session; fellowship followed and we ended with the traditional *12 Days of Christmas*, with exactly 12 tables to provide the frivolity.

#### ANNOUNCEMENTS:

The roster was full for the bell ringing on December 13<sup>th</sup>. We believe that the tough economic times didn't keep the good-hearted customers of Safeway from making our effort worthwhile.

**JANUARY 27:** TBA

**FEBRUARY 3:** Household Goods Drive.

**LAST MEETING:** President Bob called the meeting to order with his gavel, we think. The gavel rarely sees the light of day; PDG Bill led us in singing *God Bless America* and *Smiles*; Sergeant at Arms Rosanne Foust lead the Pledge of Allegiance; Rev Rod Toews, gave the invocation; secret greeter was none other than Pres Bob himself; Fine/Recognition Master was Past Pres. Bill Bergler asking us to pay a fine for our participation or lack of participation in our Club's Rotary projects.

Our program was presented by Terry Wilson, a San Carlos Rotarian since 1988. Terry presented a message in a series of poems that he has authored. His premise is: "There is no 'I' in Rotary there is only

We'." Terry attended the Rotary 100 year convention in Chicago and was overwhelmed by the magnitude of representative from 168 countries coming together as a great "We". He stressed the need to bring young members into our clubs. "We have strength in dedication, we teach throughout the world and Rotary Shines Brightest."

### ANNOUNCEMENTS:

We will be hosting a pancake breakfast for the residents at Casa de Redwood on January 24.

The Board of Directors will meet on Friday January 30, at 8:30 AM, at Bob's Courthouse Café, all are welcome.

TODAY: Breakout sessions.

JANUARY 27: TBA

FEBRUARY 3: Household Goods Drive.

**LAST MEETING:** President Bob called the meeting to order with his gavel. The gavel rarely saw the light of day, until last meeting when it was liberated from the pocket of Pres. Bob by a dastardly deed committed by one of our members who applied Pete Hughes' one way test, "Is it Good For Me?"; PDG Bill led us in singing *America the Beautiful* and *Smiles*; Sergeant at Arms Mike Clarke lead the Pledge of Allegiance; Rev Rod Toews, gave the invocation; secret greeter was someone recorded in the lost notes of your editor; Fine/Recognition Master was Feliks Sukhovitsky asking us to identify the author of various famous (?) quotations, mostly recited in Russian.

Our program was presented by Sports broadcaster Dave Fleming, the voice of the Giants. Dave told us of his career start at Stanford's KZSU radio station and how he filled in at various jobs as an announcer for minor league teams on the East Coast and finally had the opportunity to audition for the San Francisco Giants. Dave is now recognized as "The Voice of the Giants".

#### ANNOUNCEMENTS:

We will be hosting a pancake breakfast for the residents at Casa de Redwood on January 24.

The Board of Directors will meet on Friday January 30, at 8:30 AM, at Bob's Courthouse Café, all are welcome.

At our February 3, meeting we will be having a Household Goods Drive, bring no longer used or needed items.

## Kenny says 'Future of Rotary Is in Your Hands'

By Arnold R. Grahl

Rotary International News -- 19 January 2009

The 2009-10 RI theme acknowledges the important role individual Rotary clubs will play in shaping the future of Rotary.

RI President-elect John Kenny unveiled the theme, *The Future of Rotary Is in Your Hands*, on Monday during the opening plenary session of the International Assembly, an annual training event in San Diego, California, USA, for incoming district governors.

"The future of Rotary will not be shaped at RI headquarters -- it will be shaped in each and every Rotary club," Kenny said, "because it is for each of us -- as Rotarians -- to do what is necessary to keep Rotary strong."

Kenny acknowledged the foundation established by past Rotary leaders and laid the responsibility for building upon that success on every Rotarian.

"Each one of us is standing on the shoulders of generations of Rotarians past, and it is our responsibility to determine Rotary's future," Kenny said.

"The goals we set, whatever our action plan, it is in our hands to accomplish or not," said Kazeem Mustapha, governor-elect of District 9125 (Nigeria). "Everybody has to be involved."

**LAST MEETING:** President Bob called the meeting to order with his pen. The gavel was liberated from the pocket of Pres. Bob by a dastardly deed committed by one of our members who applied Pete Hughes' one way test, "Is it Good For Me?"; PDG Bill led us in singing *My Country 'tis of Thee* and *Smiles*; Fill-in Sergeant at Arms Past Pres. Roland Haga lead the Pledge of Allegiance; Rev Rod Toews, gave the invocation; secret greeter was Jim Newell; Fine/Recognition Master was Rod Carpenter whom we amazed with the number of correct answers to his questions about presidential trivia.

Our meeting devolved into breakout sessions and the level of activity was electric. We must be doing some things right with the energy that could be felt in the room. We did not have our "wrap-up" at the end of the session. Pres. Bob will call upon the various chairmen to report today.

#### ANNOUNCEMENTS:

We hosted a pancake breakfast for the residents at Casa de Redwood on January 24. As usual Pete & Ginny Hughes led the way with a great turnout of members helping and a grateful reception from the residents.

The Board of Directors will meet on Friday January 30, at 8:30 AM, at Bob's Courthouse Café, all are welcome.

**TODAY:** Household Goods Drive bring no longer used or needed items.

Our program will be presented by Lindsay Spiller starting where he left off last time as entertainment lawyer, sea captain and master of all trades.

**LAST MEETING:** President Bob called the meeting to order with his pen. The gavel was liberated from the pocket of Pres. Bob by a dastardly deed committed by one of our members who applied Pete Hughes' one way test, "Is it Good For Me?"; PDG Bill led us in singing *God Bless America* and *Smiles*; Sergeant at Arms, Pres. 2B Paul Piccione, led the Pledge of Allegiance; Rev Rod Toews, gave the invocation; secret greeter was Tom Delfs; Fine/Recognition Master was Michael Clarke, subbing for Past Pres. Sam Dafnis as a last minute fill-in. Mik, who bombed at his last Recognition stint, worked the room asking each of us to identify what we do for a living or how we benefit our community. Bravo Mik.

The program was presented by Rabbi Jay Miller, Executive Director of the Peninsula Clergy Network (PNC), an organization designed to bring interaction between clergy and civic leaders within the communities they serve. Rabbi Miller stressed the need for tolerance among the various religious sects and that the PNC was

a means of education for such a policy. There are 67 congregations in Redwood City alone and one of the goals of the PNC is to marshal the resources of these congregations to assist in the event of disaster.

### ANNOUNCEMENTS:

We will provide a Spaghetti Dinner at Casa de Redwood on February 21, save the date.

Congratulations to PDG Bill Conklin the successful chooser of the winning space on the Superbowl drawing that benefits the Rotary Foundation.

We have reserved the Veterans Memorial Theatre for a presentation of Pete Liebengood's documentary about the AIDS epidemic in Malawi. Put May 21, 2009 on your calendar. We will have a reception in the lobby and a wine auction and the film in the theatre.

Please go to your computer and bring up the Rotary District 5150 website. There is a short questionnaire (five minutes max) and your input will be helpful in better planning and in the locating of our District events.

SEQUOIA CLUB

**TODAY:** Household Goods Drive  
bring no longer used or needed items.

- **LAST MEETING:** President Bob called the meeting to order with his knife gavel whereabouts still unknown
- In the absence of the venerable songmeister, the acapella group of Don Horsley and Alpio Barbara led the songs, with Pete Liebengood chiming in with the DooWop base line
- Pledge by SAA Lilia Ledezma
- We welcomed back Judy Cooper from an extended visit to Australia and NZ. Judy gave us a wonderful account of her visit to Otorhanga (I know that's not spelled right!), and the redwood Grove started from seeds sent there by our very own club. The "Rotary Park" redwood grove is now 27 years old, and the trees are doing magnificently. Photos of the grove were passed around.
- Paul Piccione was awarded his first Paul Harris
- Andy Frisch, Director of Kainos gave us an update on their project our community service committee helped fund. That was a video highlighting the Kainos members'

participation in working for Habitat for Humanity in New Orleans, after hurricane Katrina.

- Our own travel expert Ruth Wheeler gave us an update on the travel industry, and gave us some tips on finding travel bargains in today's economic climate.

### ANNOUNCEMENTS:

We will provide a Spaghetti Dinner at Casa de Redwood on February 21, save the date.

All are invited to attend the District Assembly to be held on March 28, at the Redwood High School in Larkspur. This is a great opportunity to learn about Rotary in general and about our District. See page 2.

We have reserved the Veterans Memorial Theatre for a presentation of Pete Liebengood's documentary about the AIDS epidemic in Malawi. Put May 21, 2009 on your calendar. We will have a reception in the lobby and a wine auction and the film in the theatre.

Please go to your computer and bring up the Rotary District 5150 website. There is a short questionnaire (five minutes max) and your input will be helpful in better planning and in the locating of our District events.

SEQUOIA CLUB

**TODAY:** Oscar Broun will be our speaker.

Household Goods Drive bring no longer used or needed items.

**LAST MEETING:** President Bob called the meeting to order with his pen or knife or whatever. PDG Bill led us in singing *My Country 'tis of Thee* and *Smiles*; Sergeant at Arms, Pres. 2B Paul Piccione, led the Pledge of Allegiance; Past Pres Bob Dooley gave the invocation; secret greeter was Pete Hughes; Fine/Recognition Master was Lillia Ledezma who worked the room asking each of us about Rotary's Polio Plus campaign and about the disease in general. We think that the session was informative on all counts.

Our speaker was excused due to illness. Past Pres. John Lowe, describing his various descents from the top of Mt. Crested Butte, filled in the speakerless void nicely. John had agreed to join in the fundraiser of the International Skiing Fellowship of Rotations' (ISFR) Harris Boyd Foundation for the benefit of Adaptive Skiing for the handicapped and the developmentally disabled. John's job was to ski from the top of the mountain to the bottom four times with each of us paying an amount of money for each vertical foot skied.

We saw a video of the Adaptive Sports Program that is available at Crested Butte. Our other members of ISFR, Past Pres. Bill Bergler and PDG Bill Conklin chimed in telling how some of the participants in the program are returning Iraq and Afghanistan veterans and encouraging us to support John's effort in helping raise funds for such a worthy program

### ANNOUNCEMENTS:

Pres. Bob announced the formation of a club Polio Plus Committee. Lillia Ledezma will chair and Steve Wagstaff and Past Pres. Greg Roos will fill out the Committee.

We have reserved the Veterans Memorial Theatre for a presentation of Pete Liebengood's documentary about the AIDS epidemic in Malawi. Put May 21, 2009 on your calendar. We will have a reception in the lobby and a wine auction and the film in the theatre.

Judy Cooper, doing a hat trick, working the room asking each of us something about ourselves that others might not know.

Our speaker was Oscar Broun, a confirmed environmentalist, who told us about his efforts to protect the waters of our peninsula. Oscar has had a running battle with the County of San Mateo over various permits to use his Coastside property and issues regarding San Francisco Bay.

**District Assembly 2009-2010 Registration**

From: Riki Intner  
 District 5150  
 District Governor Elect 2009-2010

Greetings District 5150 Rotarians,  
 As many of you know by now I will be your District Governor for 2009-2010. I'm writing to remind you of the importance of our upcoming DISTRICT ASSEMBLY on Saturday March 28, 2009. It will be held at Redwood High School, 395 Doherty Drive in Larkspur from 8:00 am to 1:15 pm. It will include the Rotary Club of Foster City's famous Ollique 'ribs' for those who register by our cutoff date. In the afternoon we will hold our District Membership Seminar and our District Foundation Seminar, both from 1:30 to 3:30 pm.

The District Assembly is a training meeting, conducted annually in Districts worldwide. The Assembly will provide a program of instruction to better develop club leaders to have the necessary skills, knowledge and motivation to improve club effectiveness as defined by the RI Board. It is also an opportunity to share local and district plans, objectives and information. Consider this an invitation to all Rotary club members, including new Rotarians, and prospective members as well as the family of Rotary, to attend the District Assembly to learn more about Rotary and to experience the fun and fellowship we all enjoy in our organization. The following is a partial list of some of the great break-out sessions we will have:

Vocational Service (including Rotary Means Business), Navigating the District Website, Rotary Information 101, Great Programs, Interact, Rotaract, Marketing/Public Relations, District Leadership Opportunities, Vision Facilitation for Clubs  
 In addition, I'm inviting all the Club Membership Chairs and their committee members to attend the District Membership Seminar and all the Club Foundation Chairs and their committee members to attend the District Foundation Seminar, both held later in the afternoon (1:30-3:30 pm). There will be much new and important information presented.

Please save the date now and complete and submit the form below for easy registration.  
 And the best news is:

*"There is no need to pay on this website with your registration.  
 Your club will be billed."*

SEQUOIA CLUB

**TODAY:** Due to a SNAFU, President Obama had to cancel his trip to Redwood City. We will, however, hear from Peter Fortenbaugh the Executive Director of the Boys' and Girl's Club about their good work in RWC.

**APRIL 14:** Lydia Dobyns will tell us about the opening of RAFT in Redwood City.

**APRIL 21:** TBA

**APRIL 28:** Chris Beth will give a program entitled "Summer in Downtown Redwood City."

**LAST MEETING:** Pres. Bob called the meeting to order with the a gavel handle and closed the meeting with his pen; PDG Bill les us in singing of *My Country 'tis of Thee* and *Smiles*; Sergeant at Arms Lillia Ledezma, led the Pledge of Allegiance; Past Pres. Fred Strathdee gave the invocation; the Secret Greeter was Sergeant at Arms Lillia; Fine/Recognition Master was Past Pres. Alpjo Barbara, recognizing our members for their contribution to our club and community.

Sheriff Greg Monk gave the program telling us about the overcrowded jail system in our County and how to deal with it in the future. With existing jails designed to hold some 670 inmates we are running up to 1,050 at any given time. %0% of those convicted of crimes in San Mateo County

are doing their time outside of jail on work furlough programs. San Mateo County has a relatively safe environment and we have a unique Public Safety Collaborative among police, sheriff, district attorney and fire agencies. One of Sheriff Monk's toughest jobs is dealing with incarcerated gang members. He has to keep the various gangs separated and he has to keep any one gang from getting too many together and causing trouble. Another problem is dealing with mentally ill inmates, 14% of men and 22% of women are involved with the illness.

### ANNOUNCEMENTS:

**TODAY:** Lydia Dobyms will tell us about the opening of RAFT in Redwood City.

**APRIL 21:** TBA

**APRIL 28:** Chris Beth will give a program entitled "Summer in Downtown Redwood City."

**LAST MEETING:** Pres. Bob called the meeting to order with the a gavel handle and closed the meeting with his pen; PDG Bill les us in singing of *God Bless America* and *Smiles*; Sergeant at Pres. to be Paul Piccione, led the Pledge of Allegiance; Past Pres. Fred Strathdee gave the invocation; the Secret Greeter was Sergeant at Arms Paul; Fine/Recognition Master was Past Pres. and current Master Fine Master Greg Roos, recognizing our members for their ability to tell if any of our past US presidents were in the military, and if so, what branch of service.

Peter Fortenbaugh, the Executive Director of the Boys' and Girl's Club, gave our program, telling us about the after school activities provided for the youth of our community. B&G has a facility in Redwood City and partners with five schools in the surrounding area to serve about 1,000 kids per day. There are 40 full time employees and 100 part time workers. Peter spoke of Opportunity Gaps and Achievement Gaps. Children from some families have tutors and parents to help with academic

achievement, while the family situation of others fails to provide such opportunities (Opportunity Gap). With the opportunity gap as such, the achievement gap follows. The B&G Club's staff tries to bridge the gaps by providing opportunities to those whose family situation would otherwise leave allow the gap to widen.

**TODAY:** Chris Beth will give a program entitled "Summer in Downtown Redwood City."

**MAY 5:** John Luff will provide a program entitled "Serve the Peninsula".

**MAY 12:** We will recognize those students that have won our annual scholarship awards.

**MAY 19:** Committee breakout sessions where we do the business of Rotary and continue on the path that won us "Best Medium Club Award" in District 5150 for 2008-09.

**MAY 26:** Our own Rod Towes will tell us about PLUS and the relationship with Peninsula Covenant Church.

**LAST MEETING:** Pres. Bob attempted to call the meeting to order with a pen, to no avail, so he resorted to a fork and closed the meeting with the same, although soiled, fork; PDG Bill led us in singing of *My Country 'tis of Thee* and *Smiles*; Sergeant at Arms Michael Clarke, led the Pledge of Allegiance; Past Pres. Fred Strathdee gave the invocation; the Secret Greeter was Sharon Madrano, who appeared after some absence, welcome back Sharon; Fine/Recognition Master was Ruth Wheeler

recognizing with questions about, what else, travel and world geography, why not, she's a travel consultant.

Brian Ponty, Finance Director for the City of Redwood City gave a program that should make us as residents proud of our leadership. Redwood City, unlike the State of California and the Congress of the USA, saw enough into the future some years ago to establish a reserve for lean years. Brian showed us how our money is collected and where it is spent. He projects that we will dip into our reserve over the next three years, however, we will still have significant reserves. He stated that we must balance the budget by the year 2012-13 to achieve long-term sustainability. This should be achieved if the total economy recovers.

Congratulations to Carol Ebner on her fifth PHF, let's follow her example.

# Save The Date: Serious Radio on May 21

Wednesday, April 29, 2009

**DOCUMENTARY ON MALAWI AIDS PREVENTION  
BY REDWOOD CITY FILM MAKER  
TO PREVIEW AT ROTARY FUNDRAISER**

Former KRON sportscaster Pete Liebengood's documentary "Serious Radio" – the inspirational story of a young Malawi man's campaign to prevent HIV/AIDS infections with the support of people in Redwood City – will preview Thursday, May 21 at a fundraiser open to the public and sponsored by Redwood City Rotary.

"Serious Radio" is a half-hour documentary about 30-year-old Bayana Chunga, whose one-man mission is to educate teenagers in Malawi about AIDS prevention.

Malawi, with a population of 14 million people, has one of the highest incidences of AIDS in the world. With 14% of the populations infected, it kills more than 80,000 Malawians every year, dropping life expectancy from 53 years to 37 years. There are 1.3 million orphans in Malawi – half of them the children of AIDS victims.

Liebengood's OnQCo film production crew – which consists of his wife, Redwood City Councilwoman Alicia Aguirre and himself – recently spent two weeks filming the story of Bayana Chunga, whose work is entirely supported by members of the Peninsula Covenant Church in Redwood City.

Redwood City Rotary helped finance the documentary production and will host the fundraiser/preview to raise funds for two Malawi-based projects: Chunga's "Wings of Hope" educational programs and "Partners in Malawi," a medical mission founded by Dr. Perry Jansen, which is also supported by Peninsula Covenant Church.

The public is invited to the film preview at 6 PM, which will include African-themed hors d'oeuvres and auction, at the Veteran's Memorial Building on preview the film.

SEQUOIA CLUB

**TODAY:** John Luff will provide a program entitled "Serve the Peninsula".

**MAY 12:** We will recognize those students that have won our annual scholarship awards.

**MAY 19:** Committee breakout sessions where we do the business of Rotary and continue on the path that won us "Best Medium Club Award" in District 5150 for 2008-09.

**MAY 26:** Our own Rod Towes will tell us about PLUS and the relationship with Peninsula Covenant Church.

**LAST MEETING:** Pres. Bob attempted to call the meeting to order with a pen, to no avail, so he resorted to a knife and closed the meeting with a wussy pen; PDG Bill led us in singing of *God Bless America* and *Smiles*; Sergeant at Arms Don Hack, led the Pledge of Allegiance; Rev. Rod Towes gave the invocation; the Secret Greeter was introduced; Fine/Recognition Master was Michael Clarke recognizing various Rotarians for their contributions to Rotary and particularly contributions to our club.

Chris Beth, Director of Parks and Recreation for the City of Redwood City presented our program. Chris spoke of "Core Events" that are taking place in downtown. With the reclaiming of the plaza in front of the old courthouse, we are able to bring people downtown for "Dancing on the Square", weakly concerts, family movies, art shows and even Shakespeare presentations. The events are sponsored for the next four years by the RWC Redevelopment Agency. After that the program needs to become self-sustaining. Parks & Rec anticipate about 150 events in '09, with some 70 considered "Major" and over 90,000 people participating.

### ANNOUNCEMENTS:

Welcome to our newest members, Steve Webb and Jim Lianides.

Hear this: In 2007, 15 high school students from Kasungu in Malawi went to a nearby hospital to donate blood for an emergency. Half of the students were returned because their blood was infected with HIV. "Because of this Mr. Chunga, I am glad that you came. These young people desperately need awareness," said the principal of the school to the Wings of Hope Malawi director.

*Smiles*; Sergeant at Arms Pres. 2B Paul Piccione, led the Pledge of Allegiance; Rev. Rod Toews gave the invocation; the Secret Greeter was Pres. Bob himself; PDG Bill conducted the Fine/Recognition session recognizing one and all, except, of course, the Finemaster.

### ANNOUNCEMENTS:

Our own Rod Toews told us about his recent trip to Israel and Egypt. Rod showed slides of his visit and told us about the modern strategic importance of the area where the Jews, under the leadership of Moses, gathered prior to their exodus from Egypt some 3,800 years ago. He also told us about the crossing of the Suez Canal by boat and his trip into Israel. Rod shared his experiences with the people and places he visited.

This is eyeglasses month, bring unused glasses to the meetings so they may be recycled to needy parts of the world.

The time has come to become serious about the sale of Raffle tickets. July 4<sup>th</sup> is just a month away and, since things seem to only get done against a sense of urgency, it now behooves us to adopt an urgency about the raising of our Club Foundation's funding.

Judy Cooper, led the Pledge of Allegiance; Rev. Rod Toews gave the invocation; the Secret Greeter was Linda Schmidt; Club Secretary Carol Ebner conducted the Fine/Recognition session asking us to relate significant sports event tucked away in our memory .

Doris Davis, RN, an independent consultant in the Biotech industry, gave us a presentation on what questions to

ask before being a participant in a clinical trial. If we were to see an ad in a newspaper or hear a radio announcement recruiting patients for a drug that is being tested, we now know exactly what to ask. We also know what to ask when the Doctor talks to us about a research study. She provided a handout that we can keep and refer to if we were ever to be involved in a clinical trial.

We inducted our newest member, Missy Howard, Development Director of Marine Science Institute.

Volume 63 No. 46

SEQUOIA CLUB

**TODAY:** PDG Bill Conklin, whose undergraduate degree is in history, will enlighten us about three events that have had dramatic impact on our country, our society, our innovation and our economic development.

**JUNE 23:** Steve Penna, publisher of the Redwood City Spectrum, will tell us about being a journalist in Redwood City.

**JUNE 30:** Our annual Meeting and debunking session. This will be at the Pacific Athletic Club starting at 18:00 (6:00 PM). We all need to attend this important event.

**JULY 7:** Our new President, Paul Piccione, will give us a program outlining his plans, hopes and dreams for the Rotary Club of Redwood City.

**LAST MEETING:** Pres. Bob called the meeting to order with a pen, It is still unknown where his official gavel may be perhaps the mystery will be solved on June 30 at his debunking; PDG Bill led us in singing of *God Bless America* and *Smiles*; Sergeant at Arms Mick Clarke led the Pledge of Allegiance; Rev. Rod Toews gave the invocation; the Secret Greeter was dispensed with; Rod Carpenter conducted

the Fine/Recognition session. Rod paid everyone's fine and used his time to recognize the members of the Club that have had interaction with him throughout his tenure with us. Rod announced his withdrawal from the Club and provided us with his recollections and reflections, some with a lump in his throat.

Ted Rose and Susan Hill of Project Amigo in Colima Mexico brought us up to date on their crusade to end poverty through education in their little part of the world. Susan quoted Plato: "Poverty is the parent of revolution and crime". 40% of Mexicans live in poverty. Ted and Susan have built schools, provided supplies and issued scholarships for the poor of Colima.

### ANNOUNCEMENTS:

This is eyeglasses month, bring unused glasses to the meetings so they may be recycled to needy parts of the world.

The time has come to become serious about the sale of Raffle tickets. July 4<sup>th</sup> is less than a month away and, since things seem to only get done against a sense of urgency, it now behooves us to adopt urgency about the raising of our Club Foundation's funding.
