## Rotary Club of Redwood City for the week of 4/5/14

---

 District 5150  
Chartered April 22, 1946

Greetings Susan Howell,

What is happening April? We have Icebreakers this coming Tuesday. This is an opportunity for us to get to know our newer members and for them to cross something off their 'red badge' list. We have at least two and hopefully more.

We also have a Program Committee meeting this coming Thursday morning @ 7:30 over at Stacks. Ever wonder how the whole program thing works? Then come show up for a pretty decent meeting with an equally decent breakfast.

On April 15th, we have a speaker from Filoli Gardens. What a gorgeous place and so much to know and learn about our local treasure. The star of lots of TV shows and movies, this 654-acre gem is one of the last country estates. That brings us up to our 69th birthday on April 22nd. I'm still working on something special for that one.

I attend my next to last PRLS class on Saturday, April 19th. This is an extremely worthwhile program and the club picks up the cost. Make sure to get yourself in the loop on this very cool program. I have a hunch you are going to hear something about it this coming Tuesday.

Casa de Redwood Spaghetti Dinner is scheduled for Saturday, April 26th. Stay tuned! I am sure we will hear more about this shortly. We need about 15 volunteers for this timeless classic. Make sure to keep your Saturday evening schedule clear!

### Last Friday, March 28th - Board of Directors' Meeting

During the past Board Meeting, we took a look at our Foundation. We passed a set of By-Laws and will be looking for three club members to fill in the three open slots on this new board. This is such a great new opportunity for our members. If you want to make a difference with our 501(c)(3), then please come chat with me.

### Other News!

#### Be a Host Family for a Global Grant!!!

We have received an email from Rotary Club of Issy Les Moulineaux in District 1660 in France. They are in need of a host family for a student going to Stanford University. If you are interested, please let me know and I will send you the information I received.

Greetings Susan Howell,

My guess is you truly thought I would skip doing this on the week of April 15th. Nope! I am not sure how much I have to say because I likely have a lot of emails I actually haven't read, but let's see how far we can get together.

I did skip out on the Program Committee meeting so I am at a loss to tell you what is happening in May. But it is still April and we still have a lot to do!

### Tuesday, April 15th

Tomorrow we have a speaker from Filoli Gardens. What a gorgeous place and so much to know and learn about our local treasure!

The star of lots of TV shows and movies, this 654-acre gem is one of the last country estates.

### Last Tuesday, April 8th

We continued our Icebreakers. John Spicer had entertained us on April Fool's with tales of his life and then last week we heard from Carolina Curlionis and Amber Harris. Interesting stuff and interesting questions posed to all three of these intrepid and triumphant souls.

We also came up with a Board of Directors for the first time ever for our Foundation. We just need to get past April 15th and then hopefully we will come up with a time to meet. The volunteers for the new board were PDG Bill Conklin,

Amber Harris and Corrin Rankin. The other two members are Past President Lilia Ledezma and myself. Now we just need to get this board together and see if there should be any action.

### **Rotarians At Work Day, Saturday, April 26th**

Our intrepid Past President Lilia Ledezma will show us how to be two places at one on the last Saturday of April. Actually the two events might not overlap, but it is going to be quite the busy day.

We have Casa de Redwood Spaghetti Dinner. This perennial favorite, at least with some part of this bunch of Rotarians, is back after a bit of a respite. Stay tuned! I am sure Lilia or Rosanne will have a clipboard in hand this Tuesday looking for volunteers.

The second event on Saturday, April 26th is the completion of Friendship Park. I am not quite sure what that means, but PP Lilia or PE Barbara will give us another update on Tuesday. **Make sure to keep your Saturday, April 26th schedule clear!**

Dear friends in Rotary,

Thank you for reading this letter. We are writing to request your sponsorship for a talented student named Irwan Bello , who student has been selected for admission to Stanford University.

In order to participate in this unique, educational program we are helping him to apply for Rotary Global grants.

Many people before him have experienced, the financial aspect of the program at Stanford University is not something he could fulfill himself.

As you well know, Global grants request to match with numerous conditions. To apply for Global Grants, the student is expected to complete the two following items between many others.

First, in this case, the student must have a sponsor clubs in France .

Thereby, this student is sponsored by the Rotary Club of Issy Les Moulineaux located in District 1660 in France .

Second, the student must be hosted by host Rotary Club close to the University where he is enrolled.

Therefore, we selected the Rotary Club of Redwood City because your club fulfills this last important requirement.

We want also to let you know that Irwan Bello survived cancer. Otherwise, unfortunately he cannot make bank loan.  
This is another reason why we are giving our help.

After you have had a chance to review the enclosed documents, we would be happy to answer any questions .

We recommend him to you with great enthusiasm and without the slightest hesitation. He will make the Rotary Club of Redwood proud.

Let me introduce you my friends in the loop:

- Laurent NEGRETTI: President
- Dominique CLAUSSE: Secretary
- Katia BLAS: Sergeant-at-Arms

Please please free to contact and/or visit our website at : <http://www.rotary-issy.org/>

Let us thank your club in advance for your time and support .

Sincerely,

Dear Irwan Bello,

The Department of Statistics at Stanford University is pleased to offer you admission to the M.S. in Statistics Data Science track beginning in Autumn Quarter 2014-2015. Congratulations!

Because of the strength and breadth of our faculty and the richness of our course offerings, our graduates have substantial advantages in securing rewarding jobs or being admitted to Ph.D. programs at other institutions after graduation. This is a terminal degree program that does not lead to a Ph.D. and this admission offer does not include an offer of financial aid; you will be expected to fund your course of study here in its entirety. Moreover, you must complete the degree requirements within three years from the time of entering the program. The masters program to which you have been offered admission is a full-time program. You are expected to be available Monday through Friday, 40 hours/week, for classes, meetings with your advisor, etc. In addition, you are expected to remain in residence (and live within reasonable proximity to the campus) for the duration of each academic quarter and during any summer for which you must complete a required course unless you receive prior approval to be away from campus.

While tuition and living expenses vary, you may wish to use the rough estimate of \$60,000 for the total cost until graduation in your planning. The following links may be useful:

- Tuition information: <http://studentaffairs.stanford.edu/registrar/students>  
(finances section, click on the tuition and fees links)
- Standard student budget: <http://www.stanford.edu/dept/finaid/grad/budget/index.html>
- Graduate Student Aid: <http://www.stanford.edu/dept/finaid/grad/>

You will be assigned a faculty advisor at the start of autumn quarter who will be happy to work with you. For detailed information about the program see our website:

### **Rotarians At Work Day, Saturday, April 26th**

Two different choices for this year's **Rotarians At Work Day!**

Choice #1 - We have Casa de Redwood Spaghetti Dinner. This perennial favorite, at least with some part of this bunch of Rotarians, is back after a bit of a respite. Stay tuned! I am sure Barbara or Rosanne will have a clipboard in hand this Tuesday looking for volunteers.

Choice #2 - Assisting Rebuilding Together with the finishing touches of Friendship Park. National Rebuilding Together Day coincides with Rotarians at Work Day and these two forces will meet up at 8:00 am on Saturday, April 26th to cover the dirt and plant some trees, Rotarian Steve Webb is supplying the labor to install the irrigation system.

Dear President Rotarian,

Greetings to you and all your Members.

We are under the jurisdiction of RI District 3190.

We would like to inform you that for the Rotary Year 2013-14 we had planned to give thrust for the rural community especially on literacy front. With this in view, we have distributed Dictionaries to 1000 students studying in 10<sup>th</sup> standard to improve their English knowledge. Secondly, the villages are having power for only a couple of hours in the night. In order to help the students study during the evening hours, we have provided Solar Lamps for 700 students studying in 10<sup>th</sup> standard in very remote villages. This project is called Vidyadeepa. We have installed the solar panels in Schools. Students are given the batteries. Students can charge the batteries once in two days in the school. After the examinations, students will return the lamp and battery to the school so that the students of next batch can make use of the lamps. This is really helping the students well.

While implementing these projects, we could notice that the schools are having very poor comfort station facilities. On account of this absenteeism and dropout rates are very high, especially girl students. Considering the student strength and facilities available, we have identified 6 schools for construction of comfort stations.

In order to implement this project, we would like to apply for a Global Grant and thought of approaching you to be our Partner Club. The estimated Project Cost will be USD 60000 (Eq to Indian Rs 38 lakhs). We have mobilized USD 10000 from our contacts in the US/Germany and will get these funds transferred to you. We shall be grateful if you can contribute USD 10000/- so that we can have a matching grant of USD 20000 from Rotary International and our club will contribute USD 20000 thus making a total of USD 60000/

We, therefore, request you to kindly look into this and participate in this Project.

If, for any reason, you are not in a position to come up with your contribution at this point of time, we will reduce the project to USD 30000 and get our friends to send USD 10000 to you which in turn you can contribute and be our Partner Club.

I shall be grateful if you could kindly give your positive response in the next few days to enable us to proceed for applying to RI. On hearing from you we can proceed further in the matter.

Incidentally, I will be visiting my daughter in Sunnyvale on the 21<sup>st</sup> April and will be spending couple of weeks. It will be a great pleasure if we can meet. Because of this trip, I am planning to complete the paperwork required for Global Grant before my departure. Hence, request for early action.

Thank you for your time and patience

With warm regards,

M S Manjunath, President 2013-14, Rotary Bangalore Highgrounds

## Rotary Club of Redwood City for the week of 4/26/14

---

 [District 5150](#)  
Chartered April 22, 1946

Greetings Susan Howell,

Many, many thanks to Judy Cooper and John Lowe for helping with deliveries. Judy picked up decorations and balloons and John covered the delivery of the cakes. We showed a zillion pictures, played Bingo (yep bingo) and had just a generally relaxing meeting. We even had a few dignitaries - PDG Fred West and almost DGN (maybe the right acronym) Jeri Fujimoto. Lousy attendance overall, but I do think the crowd of really sparse attendees had a good time.

### This Week - Project Amigo

It has been awhile since Susan and Ted have attended our meeting and told us of their great works down in Colima, Mexico. That makes this Tuesday a particular treat. If you don't know much about Project Amigo, then spend a second and go take a look at their website  [here](#).

### Our "Work" Book

One of the things I really wanted to accomplish as president was to put together some sort of manual. I think I turned down a lot of jobs early on in Rotary because I just didn't know enough about the job. Busy with life, busy with work, or just busy were my excuses and my answers. **BUT** looking back I think I would have jumped in a bit sooner had I realized an awful lot of those jobs were just EASY. I have spent a lot of time asking a lot of people questions and I finally put together the majority of the book. You can  [click here](#) to get it! I hope it will evolve as our club evolves. If you would like a Word version, please email [president@redwoodcityrotary.org](mailto:president@redwoodcityrotary.org) 

### Our History Pages

Are up and working! For some odd reason I can't get Past President Glenn Nielsen to be in numerical order, but somehow or other that makes perfect sense. Check out our Club History Project  [here](#) and if you happen to have one of the pictures for the following missing presidents that would be awesome!!!!

- 1974 - Mell
- 1980 - Waligore

### Rotarians at Work Day - Thanks to All!

Casa de Redwood Spaghetti Dinner had a superb turnout. Sixty three seniors, plus six board members and a whole bunch of Rotarians! Ginny Hughes handled the kitchen details with her usual splendid panache. Rotarian Rosanne Foust, Casa de Redwood Treasurer, handled a bunch of the backend scheduling and made this a go for Rotarians at Work Day. Follow-up scheduling and clipboard toting was handled by PP Lilia Ledezma and PE Barbara Bonilla. Add what seemed to be about 10 or so club members and their family members and this was a success.

Rebuilding Together teamed up with volunteers from North Fair Oaks and a few Rotarians to try to put the finishing touches of Friendship Park. I didn't get a report back but I saw many, hard at work folks in the background of PEN John McAfee's Facebook posts.

### Other News!

#### Host a Youth Exchange Student for Just a FEW WEEKS!

### Be a Host Family for a Global Grant Scholar!!!

We have received an email from Rotary Club of Issy Les Moulineaux in District 1660 in France. There is a very deserving young man in in need of a host family for the Fall Quarter at Stanford University. I have attached the email received and the letter Irwan Bello received from Stanford. Please give the information a quick read and give it a bit of thought. Mickael Boubala may be reached at [mickaelboubala@gmail.com](mailto:mickaelboubala@gmail.com)
