District 5150

Chartered April 22, 1946

Greetings Susan Howell,

Good afternoon from sunny Florida! Sorry to miss the meeting this week, but I am leaving you in good hands with Past President, Susan Howell. The Great American Car Raffle is one of my all time favorite Rotary activities. I would like to thank Bill Nicolet and his committee for doing a wonderful job again this year. This committee takes on a huge amount of work to put the car raffle on each year and we really need to recognize Bill and his committee with a big thank you! The amount of funds that are being raised are helping to make so many positive changes in our community, which was the vision of the late Rotarian Pete Hughes when he started it so many years ago.

As I look back on the legacy that Pete and Ginny created and that Bill continues, I smile at all of the memories that continue to be created. Just the vision of hundreds of plastic ducks all over the freeway is enough to make me laugh out loud. (Sorry Fred - you will have to tell that story again soon.) This year, as a club, I hope that we will all help Bill and the committee with bringing in new sponsors for this project.

VERY IMPORTANT NEWS ABOUT NEXT WEEK!!

On Tuesday July 29th (next week) , we have the District Governor, Chris Gallagher visiting our club. The meeting location will be San Mateo County Sheriff Community Policing Substation, 3151 Edison Way, Redwood City. Please RSVP to bbonilla@smcgov.org so we can be sure to have enough food!

This Week's Program - Car Raffle

The Great American Car Raffle raised \$99,751 for charities in Redwood City. Congratulations to Bill Nicolet, Car Raffle Chair and the Car Raffle committee on a wonderful job this year. The car raffle has raised over \$600,000 to date and was founded by the late Rotarian, Pete Hughes with the help of his lovely bride, Honorary Rotarian, Ginny Hughes.

Congratulation to Rotarian Pete Liebengood !

Pete for those of you who don't know is a published author of the novel "Class of '62". Humorous tale of a high school class believed to have been cursed because of a skin flick that interrupted the telecast of Lawrence Welk's Dodge Dance Party. The Class of '62 holds its first reunion 50-years later to determine who was responsible.

He just recently received a four stars out of five review of "Class of '62" novel from Foreword Clarion Review. For those interested in supporting our fellow Rotarian, here is the link to purchase his book, <http://www.amazon.com/Class-62-Pete-Liebengood/dp/0615628745>. You can read the review below.

MYSTERY

Class of '62

Pete Liebengood

Moradal Publishing

Four Stars (out of Five)

Youthful hijinks echo through the decades in this fun and funny mystery that spans generations.

Taking senior pranks to a whole new level, the San Marcos High School graduating class shocks the community of Santa Barbara with their racy mischief. Clever and compelling from the get-go, *Class of '62* is full of mystery and intrigue delivered with a dose of irreverent, laugh-out-loud humor that belies the hurt and controversy continuing to hound the graduates decades later. Pete Liebengood offers an insightful look at how choices made every day can shape the future.

The senior party is in full swing when KEYT-TV's regular airing of Lawrence Welk's *Dodge Dance Party* is interrupted by footage of a pornographic threesome. The "skin flick" carries the caption "Courtesy of the Class of '62, SMHS." Responses range from laughter, ribald joking, and dismay to downright rage on the part of station owner Edna Pendleton Wright. To make matters worse, longtime chief engineer Orrin Burdette suffers a heart attack as a masked student enters the station to air the film. Fifty years later, bad luck seems to shadow everyone associated with the prank, and the seniors themselves get caught up in the curse, which culminates the night of their first and only reunion, the fiftieth, as classmates attempt to solve the mystery of exactly who was responsible.

The characters that populate *Class of '62* are as diverse and colorful as one might find in any public high school, but what stands out is Liebengood's artistry in weaving a well-paced, thoughtful mystery involving more than a dozen people. From homecoming queen Linda Dalby to Wayne Preston, voted "least likely to succeed," students from the class of 1962 are more than just caricatures and stereotypes.

Yours in Rotary,

Barbara Bonilla
