District 5150
Chartered April 22, 1946

Greetings Fellow Rotarian Susan Howell,

FRIENDSHIP PARK

Join us at Friendship Park located at 2914 Huntington Avenue, Redwood City in North Fair Oaks (between Curtis Ave. and Huntington Ave.) for a dedication of two picnic benches for the park that Rotary built!

These benches will be donated in honor of two Rotarians that are no longer with us; Bob Dooley and Pete Hughes.

Jennifer Pultzer, San Mateo County Health Services, will do a small presentation on the community garden that is located in the park. There will be bag lunches, so please RSVP to rotary1415@yahoo.com to ensure there is enough food for everyone.

History of Friendship Park

Past President Lilia Ledemza had the dream to rebuild an old park on SF PUC land that had become an eye sore to the community and too dangerous for children to play in. She partnered with current President Barbara Bonilla and The San Mateo County Sheriff's

Activities League (SAL) to start what no one knew would become an almost three year process.

Along the way, they gathered helpers from the Supervisor's Office, County Parks, County Health Department and worked with the local community to make it happen. On Tuesday afternoon, March 18th, the County secured a revocable license from SF Public Utilities Commission to build a park on a vacant parcel along the Hetch Hetchy waterline easement in unincorporated North Fair Oaks.

As the sun rose on the next morning, San Mateo County Park staff Scott Lombardi, Ron Cardoza and Brian Gatt had 2 tractors rolling to clear and level the vacant property. It is impossible to forget the children's faces, peaking out windows as they pulled back curtains to see the beginning of their new playground. Volunteers from our Rotary Club, Sheriff's Activities League (SAL), County Health Department, the community of North Fair Oaks and partner KaBOOM! joined in preparing the site for the upcoming "Build Day". Holes were dug, broken glass removed and children transformed pieces of plywood into beautiful butterflies. The supplies for build day poured in.

Fast forward 2 days and 150 volunteers from Shutterfly Foundation built a playground along with 30 raised planters beds. It took the weekend for the concrete to cure. North Fair Oaks now has a park for all. Park rangers open and close the park each day to keep it secure. The Sheriff's Office has a visible presence to support the park and the community. Park Rangers have installed several benches donated from Redwood City parks and Recreation. We have ordered animal proof garbage and recycling containers and have plans for the next phase in partnership with County Health: flourishing gardens of fresh fruits and vegetables.

LOCAL VOLUNTEER HELP NEEDED!

Greetings Friends of the Career Fair,

We are now recruiting volunteers for the 2015 Sequoia Union High School District Career Fair. The Career Fair is a fun learning event for Academy students from Carlmont, Menlo-Atherton, Sequoia, and Woodside High Schools to practice important career skills with volunteers. This year's Career Fair will be **Friday March 20, 2015 from 9am to 2:00pm at Cañada College, 4200 Farm Hill Boulevard, Redwood City, CA 94061.**

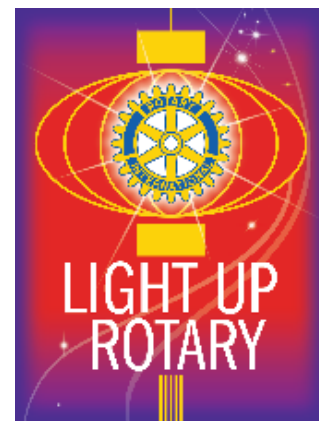

We need approximately 160 volunteers from many career backgrounds to fill Mock Interviewer volunteer positions. Please fill out our [Volunteer Registration Form](#), linked from the [event website](#), in order to participate. **The Mock Interviewer portion of the event will run from approximately 10:40am to 1:15pm**, and will be divided into three rotations. Volunteers may register for one, two or all three rotations. We ask that Volunteers arrive at least 15 minutes before their scheduled rotation.

The primary purpose of the Career Fair is to act as a capstone learning experience for students who have prepared for the event by writing a personal resume, practicing job interview skills, and learning about proper business etiquette. To see a past Career Fair in

Greetings Fellow Rotarian Susan Howell,

I would like to thank everyone that came out to Friendship Park for the dedication of the picnic benches to two very well loved fellow Rotarians that are no longer with us. The very delicious lunch was provided by Job Train. It was a wonderful afternoon to honor our inspirational Rotarians and good fellowship was had by all.

I am grateful that we were able to dedicate these benches and possible add a couple in my year as president. Bob Dooley and Pete Hughes were two Rotarians that took me under their wings as a very young Rotarian and help guide my way in Rotary. They both were an inspiration to me in my Rotary and personal life as I am sure they were to many in Rotary.

Please take the time to stop by the park and see the beautiful dedication sign. Special thanks to Lilia Ledemza for arranging the picnic and bench dedication.

Greetings Fellow Rotarian Susan Howell,

THANK YOU THANK YOU THANK YOU THANK YOU THANK YOU!

I can't thank our entire club for making the Tequila Tasting Fundraiser a HUGE success. The International Committee with the support of the entire Rotary Club of Redwood City raised over \$10.000! It really was a club effort with so many members donating items, buying tickets and helping in some many way! It was a super fun night and looks like we may be getting some new members also from the evening! I can' be any prouder of how our club came together and made this a success!

Deanna Dooley, Scholarship Chair is looking for someone that has completed the Rotary Youth Protection Training. If you have completed it and are interested in serving on the Scholarship Committee, please contact her.

Youth Protection Training

Youth Protection Training is an intense and abbreviated session in which you can be trained and certified in one hour and complete the required Live Scan. The cost is only \$20, payable in cash at the door at the District Assembly. This will certify you to participate in programs such as RYLA, Youth Exchange, and any other Rotary activities with youth. More information [here](#).

March Madness

Please remember to purchase your teams for March Madness. As a club, we are at 68% of our \$9010 goal for the Rotary International Foundation. Remember all contributions go towards your Paul Harris Fellow! We are also at 61% of all of our club members giving to the foundation.

Speaking of donations to The Rotary International Foundation. Congratulations to our latest Paul Harris Fellows!

Congratulations to Linda Schmidt for being awarded her [Paula Harris plus FIVE](#) and congratulations to President Barbara Bonilla for being awarded her Paul Harris plus one!

GET READY TO SELL CAR RAFFLE TICKETS THIS WEEK!!

The Car Raffle Committee sent the tickets to print last week and they should be back soon for us to kick off the selling of raffle tickets! It takes the entire club to make this fundraiser successful for the club projects for next year, so please everyone get involved in some way or another. This fundraiser has provided over \$1,000,000 of funds to non-profits in our community, including our Rotary Foundation.

Greetings Fellow Rotarian Susan Howell,

The club had a great meeting last week planning the last service projects for this rotary year. We still have so much to do in only fourteen weeks before my debunking! I cannot believe how fast it is going. Thanks to everyone for your support this year - let's light up the next 14 weeks and send me off with a bang!

This week's program: Fellow Rotarian, Dan Mulholland

Captain Dan Mulholland, Redwood City PD, speaking about crime trends and data in Redwood City, including a break-down of crime by neighborhoods and types of crime.

Next week's program: Wild Animal Rescue OFFSITE MEETING

Join us offsite at [3151 Edison Way, Redwood City](#) for a presentation on Wild Animal Rescue. We will also meet some rescued animals.

Greetings Fellow Rotarian Susan Howell,

Hopefully everyone is looking forward to start of Spring! Here are some **fun facts** about Springs.

1. The first day of spring is called the vernal equinox. What does that stand for you ask? 'Vernal' is Latin for spring while 'equinox' is Latin for 'equal night'.

2. The idea that the first day of spring is exactly 12 hours of daylight and 12 hours of darkness rarely works. There is always a time when it is exact, but experts say it usually occurs before the vernal

equinox.

3. If you stand on the equator today, you would see the sun pass directly overhead. It only happens twice a year in spring time and autumn.

4. Can you really stand a raw egg on its end today? Well, yes. But, most experts say if you are patient enough, you can stand an egg on its end any day.

5. The first day of spring in the southern hemisphere is the date of the autumnal equinox in the northern hemisphere, usually in September.

6. The reason there is more daylight during the spring is the earth's axis tilts toward the sun at this time of year.

7. Another reason for more daylight? Daylight Saving Time. The United States begins

saving daylight on the second Sunday in March. The practice started in 2005.

8. Benjamin Franklin first proposed Daylight Saving Time in 1784.

9. The first spring flowers are typically daffodils, dandelions, lilies, tulips, iris and lilacs to name a few.

10. Spring fever is not just a saying. Experts say the body's makeup changes due to different diets, hormone production and temperature.

Happy Spring, everyone.
