The membership drive competition continues to be exciting. At last weeks meeting we had Team Carlos contest Team Glenn's guest receiving 15 points. After a very solid case (and possible bribe) presented by the Team Carlos, Team Glenn's enforcer went along with their Legal Adviser to rule in favor of Team Carlos. (Points Have been updated.) It was also decided that when a team contests an

***Who will be in the lead after this week's meeting?***

***Bring your quest to make them count!***

**Just in from Jon Kaufman and Project H2Open Doors:**

Since I haven't seen some of you, I wanted to give you a few breathless updates on what the project you've been so good to support is up to:

1. We are shipping one *SunSpring to Nepal* ***NEXT WEEK!*** Our Golf tournament registration fees and donations have provided us with the opportunity to take advantage of our Rapid-Response partner. We worked with them for the Philippines transport, if you recall. They are on the ground with a Harvard medical team, and say that the situation with water is critical, and electricity is out almost everywhere. They've identified a hospital, and the shipment will not cost us anything. Jack Barker will go out to Nepal once the SunSpring arrives and handle the installation. He'll be scoping it out for our return in August with two or more systems, when I will fly there. So, tell everyone you know what our club's project is doing, and to go to [www.H2Openoors.org](http://www.H2Openoors.org). I also post updates at [www.Facebook.com/H2OpenDoors](http://www.Facebook.com/H2OpenDoors). We want other clubs to know that an H2OpenDoors is the most efficient and fast way to make an impact for thousands of people at a time. We are here to help with guidance, oversight, *and even the actual installation of the systems!*

2. I'm going down to Mexico on Sunday for a site survey prior to our July expedition with the high school students. We have changed the installation site a bit...to an Otomi Indian village of 600 who live by the river we are going to be using. They will get free safe water, and will participate in the bottling operation (2-1/2 gallon reuseable bottles) for sales in San Miguel de Allende. 100% of the profits will go to support CRISMA, a center for disabled

children and part of the Fox family's foundation.

3. June 3 I leave for Sao Paulo and the Rotary International Convention. I decided not to ship a SunSpring for display in the House of Friendship...it was going to cost \$15,000! So I'll be pointing to photos a lot! Instead, that unit is the one going to Nepal. Seems like a better use at this time.

4. July 2-8 is our expedition to Mexico. Let me know if you would like to join us. We'll have about 24 people, and it will be amazing.

5. August...to Nepal for more installations.

6. November...the Rotary Project Fair in Ecuador. We will display a SS to Latin American Rotarians and NGO's, and hopefully, before that trip, I will have identified a project so I can leave it in the country!

7. January 2016... a return to Guatemala with District 5170 for a second SS installation.

Thanks for your interest and your support in H2OpenDoors over the past 3 years. As you can tell, we're just getting started! Please feel free to forward this to anyone on the planet who is looking for a soulful solution for thousands of people at a time, with 100% of contributions going to the project, rather than paid administrative staffs.

## HOST A ROTARIAN'S SON?

From: Mark Kent  
[[secretary@parkwoodrotary.org](mailto:secretary@parkwoodrotary.org)]

Hi from Australia I am secretary of the Rotary Club of Parkwood in district 9640 on the Gold Coast in Australia. My son (Ryan, 29 y.o)who is a university graduate and his fiancée' are currently 'seeing the world' after a few years of planning and saving and would love the opportunity of staying with Rotarians in the San Francisco area in the coming days and weeks, even if just for a night or so. He stayed with some "older people" (to use his terminology) in Laos recently

and loved it. If any of your members are able to offer a room or even a large couch for a night or longer please have them contact me at this email address and I will pass on their details to Ryan and Denyka  
Much appreciated and thank in anticipation

### Greetings Fellow Rotarians!

It's no secret that higher education is the ticket to a better life. Students who attain degrees -- two-year, four-year or postgraduate -- earn more and live longer.

College helps families pull out of poverty, and the effects of education are felt across communities and through generations.

This was true when our scholarship fund was founded to help give more local students access to college. And the vital importance of college education (and scholarships) is even greater today.

The recession of 2008 saw the disappearance of 5.6 million American jobs that didn't require a college degree. These jobs provided skilled and experienced laborers a chance to earn a living wage without going to college -- but, even as the economy recovers, most of them won't be coming back.

# Redwood City Rotary Club

### Greetings Fellow Rotarians!

A long-serving member of the Rotary Club of Redwood City has passed a unique milestone. This week, our Rotary Club will celebrate Jim Newell to mark his 50 years as a member of Rotary.

### **This week: 50 YEARS IN ROTARY!**

Join us on May 26th at the Iron Gate in Belmont to celebrate Jim Newell's 50 years of service in Rotary. It is such an honor to have a 50 year member in our club and an amazing accomplishment on Jim's part! Lets celebrate with him! Cost is \$20 per person. RSVP by ay
