Healthy Cities Tutoring

This week we will hear from Healthy Cities Tutoring on the work they are doing in Redwood City and San Carlos Schools. The tutoring is helping students achieve their dreams and they are always looking for volunteers. Come hear about this wonderful program and learn how to get more involved.

Membership Drive Luncheon

Last week Team Glenn graciously served Team Carlos lunch to celebrate the Membership Drive. The luncheon was held at The Iron Gate and everyone enjoyed a fun time celebrating our success.

Looking Ahead

Next week our own Mike Giari will share information about the Prot of Redwood City.

70th Anniversary Party!

The time has come to get the process underway in planning the 70th Anniversary of the Club. The Anniversary is a short 6 months away and we need an active group of Rotarians to plan and develop the program. Please let President John McAfee know if you are interested in helping out. The more people who assist in this effort, the better the event and the less each contributor needs to do.

Mike Giari - Port of Redwood City Update

This week we will hear from long time Rotarian Mike Giari on the work going on at the Port of Redwood City. The port is a tremendously important part of the local economy and Mike will talk about the impact to the community of different port operations.

Looking Ahead

In the upcoming months we are looking forward to an offsite meeting that will take us to the new jail building as well as learning about renewable energy and a wide variety of local groups. If you have ideas for exciting programs, please let Program Committee Chair Bill Nicolet know about them.
